EIGHTH ANNUAL
OHIO-WEST VIRGINIA

★ ★ **ALL-STAR GAME** ★ ★

AUGUST 18, 1950

at

OHIO COUNTY PUBLIC SCHOOL STADIUM

"Greetings Friends"

To you, one and all, a most cordial Welcome to the Eighth Ohio Valley All-Star Game, between the Ohio All-Star Warriors and the West Virginia Wild Cats.

Would it not be appropriate at this time of world trouble to pause and humbly turn our heads to the south of the Stadium where majestically unfurling before the breezes is your Flag and mine. Let's salute that symbol of Liberty and Freedom and let's take a solemn oath, here and now, that Our Flag shall, and always will, fly high above all others. Let's vow it will never be torn down—never trampled—never forsaken, but pray it will always and forever fly over Our Great Country, "America." Let's offer a prayer tonight for those fighting boys of ours who are at this moment fighting that "Our Flag" shall not perish, but go on and on forever as America intends it should and will. Is it not nice to be an American? I'm glad I am one—you are, too.

Out on this field tonight, playing their hearts out for their respective team—playing as all American boys do, to win—and win honestly and fairly. As you mothers and fathers watch every move that boy of yours makes on the gridiron tonight—just look at the other thousands around you watching that boy, too, and having as much interest in him as you—for he is an "American." God Bless Him, whether he be Poor Boy, Rich Boy, City Boy, Country Boy, Ohio Boy, West Virginia Boy—we are for him.

This year we have shifted somewhat from the past and are using local coaches instead of college mentors. The coaches for both teams have had many years of experience in producing great teams and great players. We believe they are more familiar with the boys, more interested, more concerned than an outsider would be.

Coach Jack LaBoy of Smithfield, was assigned to coach the Ohio Boys, ably assisted by Frank Lollini of Yorkville, and Jimmy Vince. Both coaches are experienced in their field of endeavor, well liked and capable as you will note as the game progresses.

Coaches for the West Virginia Boys need no introduction to the gridiron fans of the Valley. They, like the Ohio Coaches, are men of experience—very capable, too, and have produced many great football players. We offer lovable Mac Bowles of Follansbee, assisted by Coach Doddrill of the same town and by Butch Jones of Union.

It would not be fair to mention any player on this page as an outstanding player. Every player out on that field is outstanding and are great footballers as you will see as the game goes from quarter to half, from third quarter to end.

The standings of the two teams are as follows—Ohio has won three and West Virginia four games. So tonight let's all sit back and enjoy a good football game as two well balanced, well coached teams battle it out—one to even the series, the other to lengthen their wins to two up.

Thanking you, one and all, the writer wishes to leave this one thought: "This is Your America—God Bless It."
