Introduction

To You and You and You a most hearty Welcome from all the Boosters Clubs of the Ohio participating schools and of West Virginia. We are indeed pleased you are here and we have in store for you a great football game between the Ohio Boys and the West Virginia Boys. Boys who will give their all and we know your evening will have been well spent. Thanks again from all of us.

This will be the 10th game and on this Friday, August 22nd, 1952 the Ohio Boys are holding the edge 5 to 4. And, too, the Ohio All-Stars have garnered a neat 101 points as against 60 for the W. Va. All-Stars. The first year of play ended Ohio 7—W. Va. 13. In 1951 Ohio 0—W. Va. 7; 1942 Ohio 20—W. Va. 7; no games from 1942 to '46. You know why no games were played. 1946 Ohio 26—W. Va. 7; 1947 Ohio 0—W. Va. 13; 1948 Ohio 20—W. Va. 7; 1949 Ohio 0—W. Va. 6; 1950 Ohio 14—W. Va. 0; 1951 Ohio 14—W. Va. 0 and thus you have the summary of games played.

The coaches for the game tonight have been well chosen for both know how to handle boys and both have enviable records as coaches. The W. Va. Team will be coached by James M. Tatum from the University of Maryland, ably assisted by Warren Giese and Tommy Mont of the same school. The Ohio All-Stars will be coached by Charles W. Caldwell of Princeton, also very ably assisted by John S. Steigman and Matt Davidson of Princeton also.

No, I will not mention what goes on at half-time—Wait—You will see.

So, lets sit back and enjoy this the 10th game between the Ohio and W. Va. All-Stars and may the best team win.

By A G. D. R. BOOSTER.

The "Queen of Queens" Selection

This is the first year in the history of the Ohio—W. Va. All-Star Football games that such a selection has been held. Tonight at the half time of the game a young lady will be announced as the "Queen of Queens." Sixteen High Schools in the Ohio Valley selected a girl out of this year's graduating class to represent their school as "Queen."

The "Queens" were judged on August 19th at Oglebay Park by 16 Judges appointed from the 16 communities represented. The "Queens" were judged on poise, personality, and general appearance of beauty and charm, representative of a typical American High School senior.

This is the first attempt ever made to select a "Queen" from so many contestants that covered such a wide area, therefore the young lady selected here tonight will truly be a representative "Queen" and will rule supreme for one year over the entire Valley. Good luck to the "Queen of Queens."
