*Welcome
to one and all
Ohio and W. Va. Boosters*

Hello! All, here we are assembled once more to witness and enjoy an All Star Football Game between the W. Va. and Ohio boys, each playing his heart out to "WIN" and to think this is the 13th of August and the 13th Game and each team has won 6 games, and will the boys be fighting toe to toe to break the tie? Two hours from now will answer the question. The capable coaches and their assistants need no introduction to the sport fans. W. Va. strategy coaches are Doug Stone, Follansbee High and Caslin Dodrill also a veteran member of the High School of Follansbee. The coaches for the Ohio Team will be Whitey Megyar of Shadyside High and Jack Berger of the same school.

Both coaches, with their assistants had exemplary seasons on the gridiron last fall, the Dug Stone coached Follansbee High winning the West Virginia school boy championship when his undefeated Follansbee team defeated the Barbourville team in a post-season game and the Megyar coached Shadyside team won the OVAC's Class A Title and trophy by compiling a perfect nine-game record.

This will be a hard fought contest and let's hope for the best team to win.

And at half time there will be a beauty pageant, a beautiful spectacular affair that pleases all. A beauty Queen will be chosen from among the girls representing their respectful schools of this Ohio Valley.
