Greetings

Welcome to the 18th renewal of the Ohio-West Virginia All-Star Football game. Except for the interruption of World War II, the game has been played continuously since 1940. Over this span, a great tradition has developed including many thrilling games and a parade of outstanding coaches and stars. Furthermore, the game has served to draw the entire valley together, creating common interests and a friendly rivalry which serves to overcome some of the selfish and provincial attitudes which prevail all too frequently.

The game tonight will see two representative squads in action, each with a full complement of experienced players, competently coached and well-conditioned. Your support this year is appreciated as in the past.

As an important feature, we are also pleased to present the 1961 Queen of Queens Contest. We are delighted to have the association of Stone and Thomas as sponsors of this feature.

The entire program represents the untiring efforts of many individuals and organizations. We extend our sincere appreciation to all of those who have worked for the benefit of this game and its future success.

Game Committee
Ohio-W. Va. All-Star Football Game,
ROBERT ROE, *Chairman*
