### *Fields of Honor*

*A former track coach he has been  
Behind his boys, lose or win.  
He'd wait for the last guy in a relay race,  
Pat'em on the back and smile with grace.*

*Well-respected as principal of Warwood High  
Many a student he's helped by and by.  
Still echoing the halls is "Hail to Green and White"  
For the Warwoodian school song he did write.*

*Not solely devoted to one small task,  
To get the ball rolling him you can ask  
For when he replies, he will say  
"That's quite all right, any day."*

*While secretary of O.V.A.C. a great job he's done  
As Citizen of the Month, he rates number one.  
Time to help the blind on Saturdays he allows,  
Remaining loyal to his church, humbly he bows.*

*A reputation for performing duties well done,  
Several civic offices he has won.  
Yet a subtle twinkle in his wife's eye,  
For husband and father he ranks high.*

*Little in stature yet with words he's unique.  
Ambitious to help others the less fortunate he seeks.  
Content to aid them in doing what's right  
His distinction among men remains in the light.*

*With the will to follow and the power to lead,  
He excels in thought and deed  
Yes, C. C. Phipps is quite well known  
For "Fields of Honor" he has sown.*
