FCA MEMBERSHIP PLEDGE

As a member of the Fellowship of Christian Athletes I shall endeavor to know more about Jesus Christ and his way of life, to be active in his Church, to strive to be Christian in my personal life, and to share my convictions with others.

THE FELLOWSHIP OF CHRISTIAN ATHLETES

"To confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of accepting Jesus Christ as Savior and Lord, participating in his Church, and serving him through our vocations."

The Fellowship of Christian Athletes is not an assembly of saints, but a fellowship through which ordinary people help each other to become better individuals and better examples of what the Lord can do with a yielded life. It exists to serve Christ through the church.

Mr. O.V.A.C.

Sam A. Mumley, Sr.
Executive Secretary
1966-1978

The contribution made to the Ohio Valley Athletic Conference in the last dozen years by Sam Mumley has been enormous. His energy, devotion, and dedication have resulted in the OVAC growing in influence, prestige, and importance.

Administrators, directors, coaching staffs, and varsity athletes understand the magnitude of his contribution to the scholastic sports program throughout our area.

To say we are sorry that he has relinquished his post as executive secretary of the OVAC is a gross understatement, but we are unable to express adequately our regret and sense of loss.

On the other hand, we have all benefited from his devotion to the conference, and we wish him equal success in whatever his future undertakings may be.

No man is indispensable but Sam Mumley has come close. The conference will have a difficult time replacing him satisfactorily and may never replace him at a price it can afford.

The young athletes of the Ohio Valley owe him a debt of gratitude. In fact, all who care about high sports should be aware of how much he has meant as a force for good. It is impossible to over-estimate his value.

The entire family of the OVAC wishes to extend to him its appreciation and best wishes.

Thanks, Sam. Thanks so much.

WORLD'S MEANEST MOM AND DAD

As a child I had the meanest mother and father in the world. They were really mean. When other kids ate candy for breakfast, Mom made me eat cereal, eggs and toast. When other kids had cake and candy for lunch, I had to eat a sandwich. As you can guess, my dinner, too, was different from other kids.

My mother and father insisted on knowing where we were at all times. You'd think we were on a chain gang. They had to know who our friends were - and what we were doing. They insisted that if we said we'd be gone for an hour, that we would be gone for one hour or less. They were really mean.

I am ashamed to admit it, but Mom actually had the nerve to break the child labor laws. She made us work! We had to wash the dishes, make all the beds, learn to cook and all sorts of cruel things I believe she lay awake nights thinking up mean things for us to do.

They always insisted on us telling the truth, the whole truth and nothing but the truth.

By the time we were teen-agers they were much wiser, and our life became even more unbearable.

None of this tooting the horn of a car for us to come running. They embarrassed us to no end by making our dates come to the front door to get us. I forgot to mention, while my friends were dating at the mature age of 12 and 13, my old-fashioned mother and father refused to let me date until I was 15 or 16. They were mean.

My mother and father were a complete failure as parents! None of us has ever been arrested . . . or beaten a mate . . . each of my brothers served his time in the service of his country . . . willingly, no protesting.

And whom do we have to blame for this terrible way we turned out? You're right . . . our mean parents!

Look at all the things we missed. We never got to take part in a riot, never burned draft cards or got to do a million and one things our friends did.

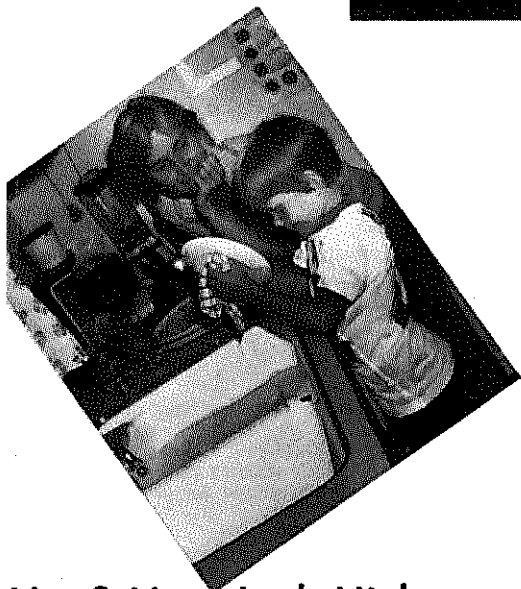

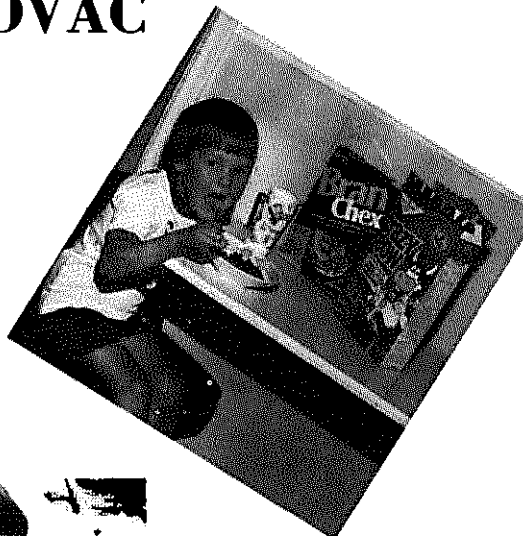

Our mean mother and father made us grow up into God-fearing, educated honest adults. Using this as a background, I am trying to raise my children. I stand a little taller and I am filled with pride when my children call me "mean".

You see . . . I thank God he gave me the meanest mother and father in the world.

We salute all the mean mothers and fathers in the world . . .

WORLD'S MEANEST MOM AND DAD

The Gold and Black Club of West Liberty State College, an organization of alumni and friends of the College dedicated to the support of WL athletics, announces a new membership opportunity for 1978-79.

In an effort to provide members the opportunity of attending *all home* football and basketball games for one package price, the Gold and Black Club directors are pleased to announce that the \$10 membership for 1977-78 will admit the member and one (1) guest to *all home* football and basketball contests.

Donations over the minimum \$10 are encouraged but that amount entitles two (2) admissions per membership card to all home contests. When used for all five home football games and ten home basketball games the minimum membership represents a savings of \$50! Donations over \$10 will be credited to the Joseph A. Bartell Athletic Scholarship Fund specifically for football and basketball scholarships. Gold and Black membership is included with any donation of more than \$10 to the Bartell Fund.

We hope you will take advantage of this unusual opportunity to see the Hilltoppers in action and bring your family or friends along.

Please remit your membership donation to:

THE ATHLETIC DEPT.
West Liberty State College
West Liberty, W. Va. 26074

Dear Friends and Alumni:

We are extremely proud of the athletic accomplishments of your college having achieved the WVIAC Commissioner's Cup for the 5th consecutive year. This award is given annually to the conference school which exhibits overall success in all aspects of its athletic program. Our athletes, men and women alike, have worked together to give our college an outstanding athletic program.

We need your financial support to assist us in attracting quality athletes and I encourage you not only to contribute but to take advantage of your membership and attend as many home athletic contests as possible.

I look forward to greeting you on Saturday, September 23, when we host the Rams of Shepherd College at Russek Field with a kick-off time of 1:30 p.m. On behalf of our athletes and coaching staff I extend our sincere gratitude for your loyalty, interest, and support.

Respectfully,
ED MARTIN
Director of Athletics
