* RULES OF THE GAME *

This game is sanctioned by the West Virginia Secondary Schools Commission, the Ohio High School Athletic Association, and the National Collegiate Athletic Association. It will be played under the following special rules:

.....

1. Man to Man Defense must be played in the normal attack area.
2. Zone press may be used, but must end after first trap past half court.
3. Each player must play one complete quarter during the first half. This is to be an uninterrupted time in the game. The only exceptions to this rule would be if a player suffers from an illness, injury, or would have accumulated his third personal foul during the first half.
4. All players must be inserted into the game at least once during the second half unless the player is ill, injured or ineligible.
5. All quarters will be of 8 minute duration.
6. Dunking will be permitted during the pre-game warm-up.
7. In case of overtime, 1 extra period of 3 minute duration will be played. If the game is still tied at this point, a second "sudden death" overtime will be played. The winner will be the first team scoring two CONSECUTIVE points.

WHERE ARE THE ALL-STARS NOW?

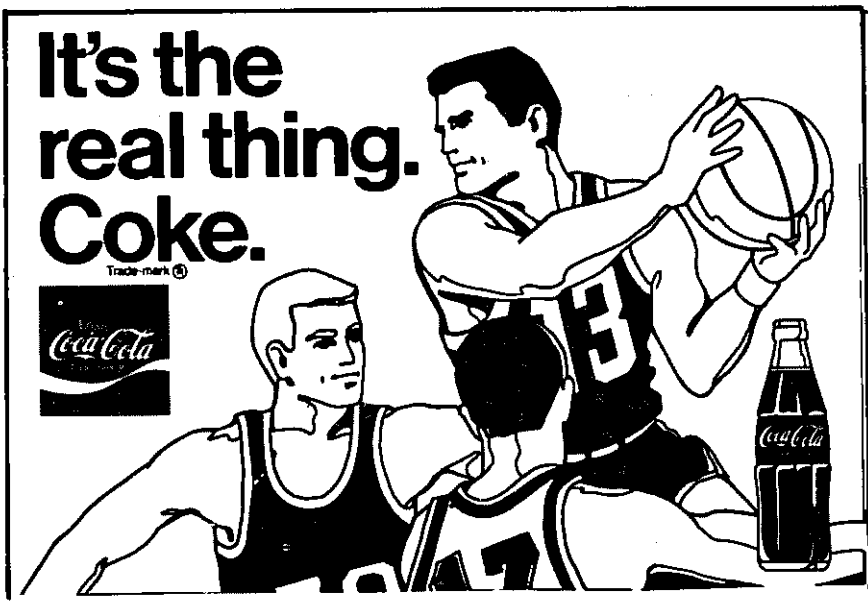

Just a year ago, the first Ohio Valley All-Star Basketball Classic unfolded, showcasing the best talent the hardwood had to offer in 1978. Twelve months later, these athletes have become spread out over the entire United States. Exactly where are they now? We apologize for not being able to trace all of the former All-Stars, but we were able to locate the following:

ALPH PERITO.....	Steubenville College
IKE BUKOVICH.....	West Virginia University
