Dear Friends of the OVAC:

On behalf of the newly formed Ohio Valley Athletic Conference Foundation, I want to express my heartfelt thanks to all of you who have supported the fund-raising activities of the Foundation during this past year. As most of you know, the Ohio Valley Athletic Conference serves 48 schools and is the second largest conference in the United States. The Conference is essential to the success of high school athletics in the Valley. Because of increased costs of operation, expanded programs, and general economic conditions, it was necessary for the OVAC for the past year to solicit funds from area businesses, industries, and individuals. I am happy to report that our campaign to raise the needed funds has been successful because of the efforts of all of you. Your continued help is needed to carry us over the top for this year and in the future. By supporting the Conference, you are supporting our own young people.

Gratefully yours,

Donald H. Hofreuter, M.D.

Mike Ingram - Bellaire High School - Ohio State University

Football - Basketball - Track

FB - LB

1940-1981

In Woody Hayes' book, "You Win With People," the former Buckeye coach recalled an incident which involved Ingram.

The Buckeyes had just beaten Michigan to finish with an 8-0-1 record and a 6-0 Big Ten mark. Although Ohio State was undisputed Big Ten champion, the schools Faculty Council voted not to allow the team to go to the Rose Bowl.

There was immediate reaction from the Buckeye loyalists as they marched to the State House. The mob marched back to campus and was getting bigger and Woody noticed that an ugly situation was developing. Police and university officials were unable to disperse them.

Coach Hayes described how Ingram, who was co-captain of the team, stepped in front of the crowd and explained that no one was more disappointed than the players.

"If we can take it than you ought to be able to take it," Mike told the angry crowd. With that, someone down front said, "Mike's right," and the crowd began to disperse.

"Here is a young man who showed that his ability to lead went beyond the football field," Woody wrote in his book.

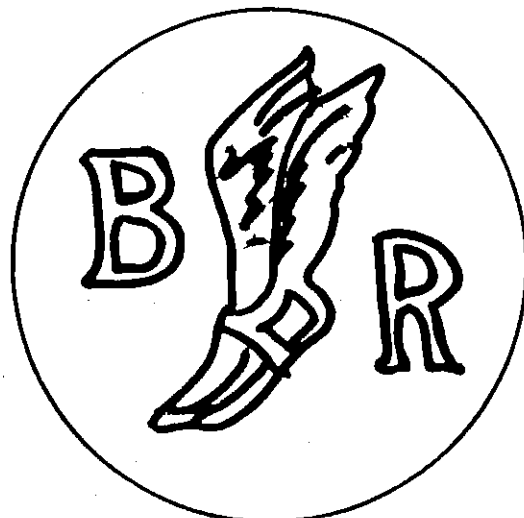

That was one of many pleasant memories Ohio Valley and Buckeye fans have of Mike Ingram, along with his athletic achievements.

That's what put him in the ranks of the all-time greats.

Now, he has become a legend.

TO OUR QUEEN

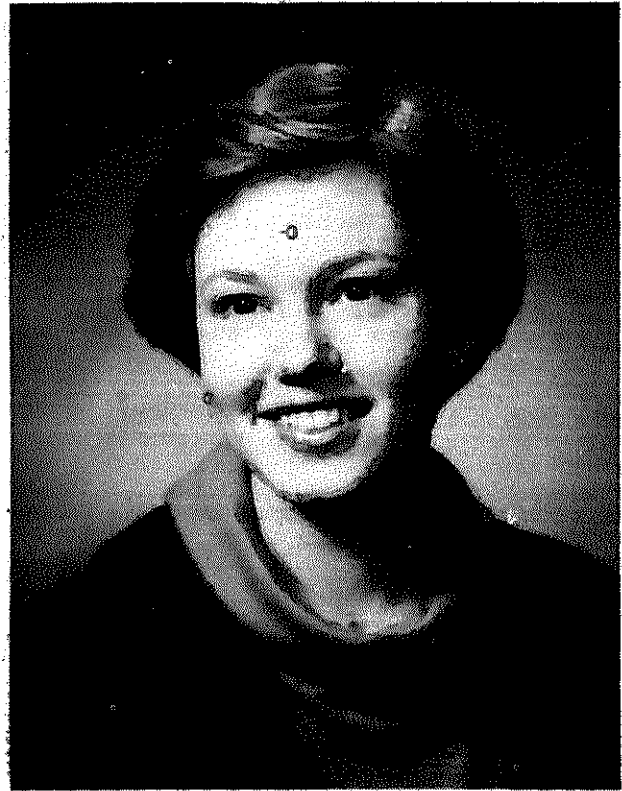

Teal Ann

I would like to thank all the people and businesses that purchased an ad or contributed in any way.

A big thank you goes to the Bellaire Eagles Aerie 7371 for sponsoring me in the pageant. Also, I would like to thank Gulla's Florist and the City Flower Shoppe for my beautiful flowers; and thanks to Vern Spohn for providing my car.

I would like to thank the people closest to me; Renee and Suzanne for walking beside my car, John for being my escort, and last, but not least, to my Mother, Father and Grandparents for being my "so-called" business managers and for helping me with everything for the last five months. Thank you for your love and understanding and for not losing your sanity because of me.

Thanks and
Love to All,

As a member of the Fellowship of Christian Athletes I shall endeavor to know more about Jesus Christ and his way of life, to be active in his Church, to strive to be Christian in my personal life, and to share my convictions with others.

THE FELLOWSHIP OF CHRISTIAN ATHLETES

"To confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of accepting Jesus Christ as Savior and Lord, participating in his Church, and serving him through our vocations."

The Fellowship of Christian Athletes is not an assembly of saints, but a fellowship through which ordinary people help each other to become better individuals and better examples of what the Lord can do with a yielded life. It exists to serve Christ through the church.

WHEN I GROW UP

Boys and Girls go through many stages as they grow up. First they want to be Firemen, then a Movie Star, depending on whom their latest idol happens to be.

In order to reach a mature decision about their life's work, they need people and values in which they can believe. Though T.V. and Movies may be glamorous, it does not provide the kind of adult models children need to become responsible adults. The home, school and church provide such leadership.

In Memoriam

**Charles S. (Sam) Wiseman
1903-1981**

As Principal of Union High School in Benwood, West Virginia, Charles S. Wiseman was one of the founding fathers of the Ohio Valley Athletic Conference, and served as its first President.

He received his education at Ohio State University and came to Union High School in the mid 1930's. He served as teacher, coach and became principal at the Marshall County school in 1941, a position he held for 25 years.

Mr. Wiseman also served as principal at Moundsville High School and was the first principal at John Marshall High School in 1968.

In 1943, along with B. C. Lockhart of Linsly, F. W. Bowen of Martins Ferry, I. E. Ewing of Wheeling, J. C. Greer of Weirton, C. F. Walker of Wellsburg, C. Petty of Triadelphia, M. S. Hattala of Yorkville and J. V. Nelson of Bellaire, Sam helped to organize a group of schools that would compete in athletics. These men named this organization the OVAC and today, 37 years later, this conference still stands, serving 48 schools and over 14,000 student athletes in the Upper Ohio Valley.

Sam was truly one of the great educational and athletic leaders in the Ohio Valley. His death this past spring at his home in Arizona saddened many of his long time friends in the area.

The OVAC, along with the John Marshall Boosters, present this Memoriam with respect and fondest regards to a man who devoted his life to the youth of this area . . . Charles S. Wiseman.

1901-1981

West Liberty State College, O.V.A.C. and the community is deeply saddened at the loss of a great educator, leader and friend

"Just A Little Boy"

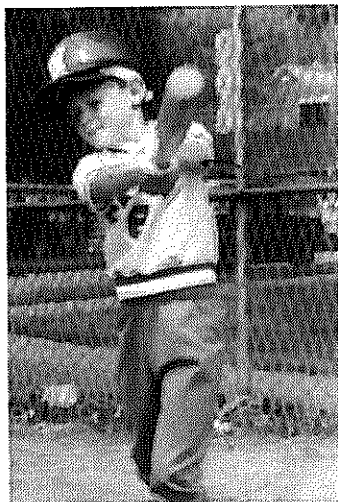

This poem was written by Bob Fox, a former pitcher in the Minor Leagues. In Mr. Fox's own words, "I used to hand the poem to parents at games when they became a little hostile."

"Just A Little Boy"

He stands at the plate
With heart pounding fast.
The bases are loaded;
The die has been cast.
Mom and Dad cannot help him,
He stands all alone.
A hit at this moment
Would send the team home.
The ball meets the plate;
He swings and he misses.
There's a groan from the crowd,
With some boos and some hisses.
A thoughtless voice cries:
'Strike out the bum.'
Tears fill his eyes;
The game's no longer fun.
So open your heart
And give him a break.
For it's moments like this,
A man you can make.
Keep this in mind
When you hear someone forget.
He's just a little boy
And not a man yet.
