\*\*\*AN OVAC MAT SALUTE TO RUDY MUMLEY\*\*\*  
"A man who truly cares about our youth"

It is indeed a pleasure to salute Mr. Rudy Mumley, active 20-year executive board member of the Ohio Valley Athletic Conference, for his unfaltering efforts in the promotion of wrestling.

Rudy was chairman of the committee that assembled the souvenir program you now hold in your hands. And, during periods of frustration, it was Mumley's levity and perseverance that kept the rest of us going to complete this fine tournament memento.

As a teacher-principal with over three decades of experience, Rudy Mumley contributed more to the valley than I could ever begin to mention in this tribute. Furthermore, Rudy, a veteran of World War II and the Korean Conflict, is now the 2nd Vice President in the Dapper Dan Club, the Coordinator of the OVAC All-Star Football Game and was recently honored by West Liberty State College (his alma mater) for outstanding achievement in the field of education.

Mr. Mumley's "sparkling (and sometimes spicy) sense of humor has captivated banquet audiences for years. They have learned to love this all-giving person who asks for nothing in return.

Rudy Mumley, a confirmed bachelor, can be affectionately called the "adopted father of Ohio Valley's youth". His rewards come from watching the children he has served so well - grow in character and succeed in life. And we of the mat sport are proud to have Mr. Rudy Mumley, a sincere and gentle man, on our team.

Thanks, Rudy, thanks so very much!!!

### A Word of Welcome to All...

On behalf of the OVAC, I want to sincerely welcome each and everyone of you to the annual OVAC Wrestling Tournament. Our warmest expressions of good luck are extended to each team and its supporters entering the great event.

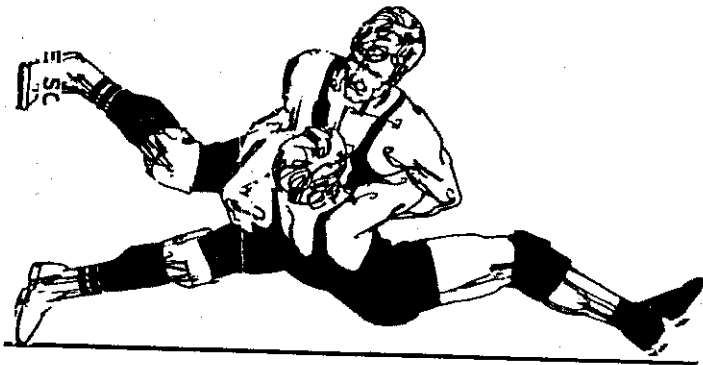

From its meager and uncertain start in 1943, the OVAC Wrestling Tournament has grown into one of the major sport attractions in the Ohio Valley.

We do not hesitate to say the tournament is actually a demonstration of high character, good conduct, under the rules of the games, and on ethical relationship with one's opponent.

As you cheer for your favorite team, may the highest standards of sportsmanship prevail throughout the tournament.

I am proud to act as Director for the annual OVAC Wrestling Tournament. It is our wish that your visit be pleasant and rewarding. Since only a few will reach the pinnacle of total victory, in our hearts you shall all be champion. May I extend a sincere congratulations to all the schools participating and wish you the very best of luck.

In closing, let us all work in the spirit of good sportsmanship and remember the motto of the conference is "Serving the Youth of the Upper Ohio Valley."

Coach John Craig, a 1967 graduate of old Follansbee High School, has molded quite a championship mat program over the last seven years for the Steubenville "Big Reds". The former N.A.I.A. All-American wrestler from West Liberty State College has a scholastic dual meet coaching record of 34-22-1. Coach Craig's squads have won numerous tournament titles (the Barnesville, Wintersville, Sectional, and District Tourneys), culminating with the prestigious OVAC Over-All Team Championship crown last season. So, this Saturday night Coach John Craig will be presented the coveted plaque as the 1980 Ohio Valley Athletic Conference Mat Coach-of-the-Year. Congratulations, John, for a job well done!!

## Rule 9

## Scoring

### SECTION 1 Individual Match Scoring

ART. 1 . . . Match scoring shall be kept in plain view of spectators, contestants and coaches. It is strongly recommended a visible match timing device be available.

ART. 2 . . . When a takedown has been earned, the wrestler shall be awarded 2 match points.

ART. 3 . . . When the defensive wrestler earns an escape while the supporting parts of either contestant are inbounds, he is awarded 1 point.

ART. 4 . . . The defensive wrestler who is successful in gaining a reversal while the supporting points of either wrestler are inbounds, is awarded 2 points.

ART. 5 . . . The wrestler in the advantage position is awarded 2 points for a near-fall. When the criteria for a near-fall are met continuously for 5 seconds, the offensive man shall be awarded 3 points after the situation is ended. A visual hand count, to determine the 5 seconds, shall be used when feasible.

ART. 6 . . . Penalty points, because of infractions occurring during competition, shall be awarded in accordance with the penalty chart.

### SECTION 2 Team Scoring

ART. 1 . . . In dual meet competition, scoring is based upon the results of each individual match as follows:

(a) for each match won by default, disqualification, fall or forfeit, 6 points shall be added to the team's total;

(b) for a superior decision, 5 points shall be added to the team score, a major decision earns 4 team points and a regular decision earns 3 points;

(c) in case of a draw, 2 points shall be scored for each team.

ART. 2 . . . In tournaments, individual placement points shall be awarded as soon as earned. Placement points already earned shall be deducted in case of forfeit (other than injury) or disqualification. Points for team scoring shall be awarded as follows:

(a) 2 team advancement points shall be scored for each match won in the championship bracket except for the final first place match. If a wrestler receives a bye in the first round, he shall be awarded 2 advancement points for that round if he wins his next match. No points are awarded for the bye if the wrestler loses his next match;

(b) 1 team advancement point shall be scored for each match won in the consolation elimination except for the final third and fifth place matches. A wrestler who has a bye in the consolation round shall receive one advancement point provided he wins his next round match;

(c) 2 additional points shall be scored for each match won by default, disqualification, fall or forfeit throughout the tournament.

(d) 1 additional point shall be awarded for each match won by a superior decision and ½ additional point awarded for each match won by a major decision;

## A TRIBUTE TO WRESTLING PARENTS

It has been said many times that "behind every successful man there stands a woman."

Let me take this one step further. "Behind every successful wrestler there stand dedicated parents." They are the unrecognized heroes of the sport. For the wrestling parent, there is no greater thrill than to see his or her son win a fall. On the other hand, what a heartbreak to watch one's boy get pinned.

Because wrestling is an individual sport, parents tend to become even more involved, knowing that their son must make it on his own. But, this only part of it.

To compete successfully, a wrestler must be in top physical condition, with no excess body fat. And, it is the responsibility of the parents to see to it that their son eats properly, keeping him away from "junk" foods. This can be quite challenging at times. A lean wrestler often makes for a temperamental one, and, unfortunately, it is the parents who must live with him during the season. But, they do so with pride and perseverance, for these parents realize that their son is learning two character traits that will serve him well throughout life: self-discipline and self-control.

Yes, in regards to their athletic accomplishments and the opportunity to participate, all wrestlers should be thankful to three - God, Coach, and Parents.

## THE CHAMPION'S CHAMPION

He's the one loved by his peers,  
Though on the bench - he always cheers,  
He keeps the first man on his toes,  
And never quits - why, no ones knows.

He puts the champion where he's at,  
By making him work to earn his plaque,  
His name's not found in big headlines,  
But he's always there come practice time.

I often wonder - were the champion second team,  
Would he keep on trying or lose his gleam,  
Would he give his all if there was no fame,  
And not give up for the good of the game.

There are no questions in this man's mind,  
The Champion's Champion - in life - will do just fine.
