***** An OVAC Mat Salute to LARRY DEATON *****
“The Official’s Official”

Larry Deaton is considered by many to be one of the valley’s foremost mat officials! He holds the respect of wrestling enthusiasts throughout the tri-state area. And, I believe that the following personal profile will clearly bring to light Deaton’s endless contributions to the sport.

As a four-year varsity letterman for Martins Ferry High School, Larry was an OVAC Champion in 1963 and secured first place honors during the 1964 District competition. Two years after graduation, Deaton decided to join the officiating ranks and has been active ever since.

Note, Larry’s supervision of the mats traverses fifteen years, encompassing some very impressive events. He’s worked three Ohio State Tournaments, seven West Virginia State Championships, and eleven OVAC Tourneys. Oh, by the way, this “whistle-wizard” has officiated two N.A.I.A. Championships, as well as scores of foreign exchange freestyle (Olympic wrestling) matches.

Furthermore, Mr. Deaton’s services do not terminate when he removes his black-and-white, striped shirt. In 1976, the Ohio Valley Wrestling Club was formed under his direction. Here Larry has devoted his leisure time to teaching local boys the art of wrestling. Also, he has taken these young participants to numerous meets all over the U.S. and abroad.

Yes, Larry Deaton literally eats, drinks, and sleeps the mat sport. He, his wife Sylvia, and their two children (Teri and Bill) have donated countless hours to the promotion of wrestling on both sides of the river.

In closing, let me emphasize that Mr. Deaton has tutored hundreds of novice referees throughout the past decade. Thus, when he speaks of wrestling, his colleagues listen intently. They, along with this author, sincerely think of Larry Deaton as a true “Master of the Mats!”

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's, "We do it all for you.®"

**Nobody can do it
like McDonald's can.™**
