Rudolph Mumley

Game Director

When you think of a philanthropist, you usually think of someone with great wealth who uses it to benefit mankind.

Rudolph (Rudy) Mumley wouldn't qualify as a philanthropist in that regard because, as a retired educator, he's never accumulated much wealth.

But, when it comes to helping, Rudy Mumley is much more than philanthropic. He's a humanitarian, perhaps among the most genuine that our Ohio Valley has ever known.

For the uninitiated, Rudy Mumley, until his retirement just recently, has been an officer of the Ohio Valley Athletic Conference for 24 years and is the first person ever elected to serve as its president for two different terms.

Even after his retirement as an educator, he continued to serve on the conference policy-making board, but has been most active during the last 15 years as director of the OVAC Charity All-Star Football Game.

Because of his devotion to the OVAC and its motto of "Charity and Love for Our Fellow Man," a creed which Rudy Mumley has followed with unrelenting passion for nearly a quarter of a century, the conference's Executive Board, unbeknownst to Rudy, earlier this summer voted by acclamation that the all-star football game between Ohio and West Virginia be known in the future as "The Rudy Mumley OVAC All-Star Football Classic."

When the 1988 All-Star Game becomes history and various Ohio Valley charitable organizations are recognized, the total charity money generated in the 15-year history will be nearing the \$300,000 mark.

Rudy will be the first to admit that he isn't solely responsible for this marvelous achievement. However, his enthusiasm and never-ending supply of energy has inspired many to assist in what is generally regarded as the finest all-star undertaking in the tri-state area and perhaps one of the finest prep all-star games in the entire country.

In addition to his enthusiasm and energy, Rudy has provided much enterprise to the same, always seeking ways to improve it from a fan standpoint, and to provide as many wholesome activities for the all-star players and coaches during their two-week training camp as well as the young women who are competing in the Stone & Thomas Queen of Queens Pageant, which has been such an entertaining part of the all-star game.

his idea to add the OVAC-McDonald's All-Star Band and this has been a magnificent addition to the hoopla which surrounds game s the last two weeks In July.

field High football coach Jay Circosta has been the Ohio all-star coach on three occasions and his sentiments could well be echoed by o have been a part of this game.

always puts on a class game," Circosta said. "I probably feel closer to Rudy than others selected to coach in the game because I as a teacher. I've always enjoyed the camaraderie surrounding the game and felt it an honor to have been selected. When one thinks AC, or the all-star football game in particular, one can only think of Rudy."

VAC is one of many causes for which Rudy Mumley has labored. Perhaps his foremost love is his alma mater, West Liberty State Last year he was elected to that school's Athletic Hall of Fame, even though he was never a Hilltopper athlete. He was recognized for ' years of tireless work and generosity in assisting the school's athletic program through the formation of the Hilltopper Club, an lion which he heads, and by helping other facets of the Rt. 88 institution through his work with the college's Alumni Association and on Board:

il over a decade, he's been an active member of the Upper Ohio Valley Dapper Dan Club, assisting in many of its projects and serving f its top fund-raisers. His selection as recipient of the Robert McKelvey Memorial Award in recognition of his community work was id by many.

re of Wheeling and a product of Wheeling High, Rudy earned his bachelor's degree at West Liberty, and his master's at West Virginia y.

ran of World War II and the Korean Conflict, Mumley spent his entire educational career in Eastern Ohio, having taught at Powhatan, e and Smithfield High Schools. He was named principal at Warren Consolidated High in Tiltonsville in 1984 and later served as at Yorkville High. When Buckeye Local School District was formed in 1969, he was named principal at Buckeye South High which was dation of Warren Consolidated, Yorkville and Dillonvale High Schools. He held that post until retiring in 1979.

d once mentioned that Rudy Mumley, a bachelor, could well be called the "adopted father of Ohio Valley youth," adding that his come from watching the children he has served grow in character and attain success in life.

ry others, Rudy Mumley is the epitome of the person who gives of himself. He has never accepted any pay for serving as director of) Charity All-Star Game which has generated nearly a half-million dollars since its inception in 1972. As a matter of fact, the game has cost him money for all of his traveling and long-distance phone calls, not to mention the countless hours he's spent to assure the success.

g the OVAC Charity All-Star Game after Rudy Mumley is a fitting tribute to a man who has become a living legend in the Ohio Valley.

OHIO VALLEY FRIENDS FEEL ABOUT RUDY:

ccaro, Steubenville, retired educator and coach: "His work in trying to help the youth of the Ohio Valley is a tremendous effort by one very pleased that the OVAC is honoring him."

onahie, Wheeling banker and OVAC Foundation officer: "I'm elated that the OVAC is recognizing Rudy. He certainly is 'Mr. OVAC'."

imon, Jr., Wheeling, former Dapper Dan president: "I've always been amazed at his energy and his willingness to help. I cannot r a time that he refused to help on a project. I'm sure everyone ever connected with the Dapper Dan movement in the Ohio Valley is him."

Dumas, assistant superintendent, Ohio County Schools: "This is a very appropriate honor. Rudy has spent the majority of his adult life g the OVAC and its athletes. I don't know of a more deserving person."

albo, Sr., Shadyside, veteran educator: "I'm really happy for Rudy. There's no one more deserving. You can't say enough about him. sys willing to help someone. It's a great and well-deserved honor."

. Mumley, Sr., St. Clairsville, OVAC executive secretary: "We have all learned to love Rudy. If you want to understand something mpassion and love of fellow man, then you have to look at Rudy. I'm very proud that he's my uncle."

1943

1986

The Ohio Valley Athletic Conference was organized in 1943 with F. W. Bowen, J. E. Ewing, J.C. Greer, M. S. Hattala, B. G. Lockhart, J. V. Nelson, C. Petty, C. F. Walker, and C. S. Wiseman among those responsible for its basic inception. Mr. C. S. Wiseman became the Conference's first president.

A demand arose in 1943 for a conference which would help stimulate and promote a more lucrative program of competitive high school athletics in the Upper Ohio Valley.

Today, the O.V.A.C. is the largest and most functional high school Conference of its kind in either Ohio or West Virginia. A total of ten major athletic programs are enjoyed by its member schools of which 46 schools supply the Upper Ohio Valley with over 10,000 athletes in the various competitive areas.

It is the basic objective of the Ohio Valley Athletic Conference to continue the promotion of all high school athletics and to serve in the overall development of proper school relationship, scholarship and sportsmanship within the Conference.

I would like to take this opportunity to say that I owe everything I am and everything I ever will be to my Lord, Jesus Christ. He has shown me the meaning of joy. I know now that the only way to have real and security is to know, trust, and follow Him.

Tammy

“Gone But Not Forgotten”

In Memoriam

Claire L. Cribbs

1912-1985

Claire L. Cribbs

Teacher, Coach, Friend

To your hundreds of former students and athletes, you were a giant of a man with many faces, each shining brightly on those you touched. You enriched many lives with your wisdom, guidance and compassion. Your life shines upon us now, but nothing eases the pain of our loss or the heartaches we endure. You will be eternally loved, remembered and missed by all whom you touched in your meaningful life.

Bellaire School District presents this Memoriam with respect and fondest regards to a man who devoted his life to the youth of this area. His leadership and friendship will never be forgotten, his glowing smile will live on in the hearts forever.

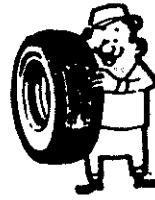

**From the Administration, Faculty and Students at Bellaire
High School, we'll always remember you.**

I would like to express my sincere appreciation to the Red Knight Women's Club for sponsoring my gown; Carlaines Flourist for donating my beautiful flowers; and my sister Lisa and Brandy for being my great escorts. I would also like to thank all the local businesses for purchasing ads from me. I really appreciated it. A special thanks goes to my mother, she's the greatest and I appreciate all her support and encouragement she has always given me. Mom, all my life, I've been able to count on you—to listen, to understand, to love me, even at the most unloveable. You're the kind of mother others strive to be, and I feel lucky you're mine. So, though I may neglect to tell you as often as I should, don't ever think for a moment that I don't appreciate you . . .because, as far as I'm concerned—you're the best there is and ever will be. I LOVE YOU.

Thanks so much,
All My Love,
Lynda Kay Chesney
