
12th ANNUAL OVAC BASKETBALL CLASSIC

East Liverpool High School
June 10, 1989

CONGRATULATIONS!

A. WILSON MURRAY

A. Wilson Murray began officiating in the Ohio Valley in 1941, and for the next 30 plus years became a familiar face to many of the Ohio Valley basketball coaches. When World War II broke out, Wilson went into the service for three years, resuming the officiating in 1946. He worked high schools in both Ohio and West Virginia, earning the right to call the West Virginia State tournament six times. Wilson was a familiar sight at numerous county, sectional, district, and regional tournaments in both states. For twelve of those years, he also worked the collegiate circles for the Mid-American and Ohio and West Virginia Conferences.

Due to his expertise in the field, Wilson was appointed as Commissioner of Officials for the O.V.A.C Conference and served in that capacity for both football and basketball for ten years until he retired in 1985.

A. Wilson Murray becomes the first official to be recognized by the OVAC All-Star Basketball Classic.

EUGENE C. JOSEPH

Eugene C. Joseph first became prominent in Ohio Valley athletic circles when he attended Martinsburg High School from 1941-1945. A three-sport letterman in football, basketball, and track, Joseph was chosen in Ohio in both football and basketball and was considered one of the ten best hurdlers in Ohio. From 1945-1946, he served in the U.S. Army where he was chosen a member of the Division basketball team to play in the Army Olympics in Tokyo, Japan. Returning to the States, he attended Dayton University until his graduation in 1952. Joseph lettered four years at Dayton and had the privilege of playing in the finals of the N.I.T. in 1952.

Returning to the Valley, he was hired by Linwood in 1952, and that has been his home until today. Now serving as Athletic Director, a post he assumed in 1967, Joe coached all three sports at the Institute. His 1971 basketball team was the OVAC AA Champions, and upon his retirement in 1972, he earned over 200 victories. Serving as track coach from 1954-1987, his teams conquered the O ranks in 1960, 1961, 1981, 1985, and 1986. Joseph served as an assistant football coach for 16 years.

Eudie is married to the former Gladys Trimn Barnesville. They enjoy two children, Aimee, a graduate of Dayton University presently employed by Com Dis Chicago, and Stephanie, a sophomore at St. Clairsville School.

The OVAC All-Star Classic is pleased to honor Eudie Joseph for his contributions and dedication to sport.

WELCOME

On behalf of East Liverpool High School and the East Liverpool City School System, it is my pleasure to welcome you to Potter Fieldhouse. We feel privileged to host the 12th annual OVAC Basketball Classic and sincerely hope the beauty and comfort of our facility make your visit an enjoyable one.

Today you will have the opportunity to watch the very best in basketball talent from within our own Valley Athletic Conference. These ladies and gentlemen have earned this honor through their talent, hard work, sportsmanship skills, and sportsmanship. In displaying these characteristics, they have established themselves as young ladies and young gentlemen that their schools, communities, parents, and friends can indeed be proud of. The image of an athlete carries tremendous impact on younger eyes:

There are little eyes upon you, and they're watching night and day.

There are little ears that quickly take in every word you say.

*There are little hands all eager to do anything you do,
And a little boy who's dreaming of the day he'll be like you.*

You're a little fellow's idol, you're the wisest of the wise.

*In his little mind, about you no suspicions ever rise.
He believes in you devoutly, holds all you say and do.
He will say and do in your way, when he's a grownup like you.*

*There's a wide-eyed little fellow who believes you're always right,
And his ears are always open, and he watches day and night.*

*You are setting an example, every day in all you do.
For the little boy who's waiting to grow up to be like you.*

Please have an enjoyable day as you watch the wealth of talent on display. The OVAC and each member school take pride in presenting these games for your pleasure and enjoyment.

Let's Go!

The advertisement features a black and white photograph of a basketball player in mid-air, performing a layup or jump shot. The player is wearing a jersey with the number 3. The background is dark, and the basketball hoop and backboard are visible. The text "A Collection of Great Performances" is written in a cursive font above the player. The Kroger logo, consisting of the word "Kroger" in a bold, sans-serif font inside a circle, is positioned below the text. Underneath the logo is the slogan "Let's Go!" in a stylized, italicized font.
