

13th ANNUAL OVAC BASKETBALL CLASSIC

Bellaire High School
June 9, 1990

WELCOME

The Bellaire City School District would like to welcome you to Bellaire High School for the 13th Annual OVAC All-Star Basketball Classic. We are proud of the fact that both our boys' and girls' basketball teams were OVAC Champions this past year, and that many of the outstanding athletes our teams played against are once again our guests.

We are also proud of the fact that our former principal/superintendent, J.V. Nelson, was one of nine men responsible for setting up the Ohio Valley Athletic Conference in 1943. We have also had three principals of our high school serve as president of the OVAC: Steve Polinsky ('56-'57), James A. Dixon ('58-'59) and Steve Kish, Jr. ('82-'84).

As all schools in our conference do, we take extreme pride in the OVAC championship banners hanging from our wall and the OVAC trophies located in the lobby. The athletes you will see today represent some of the finest talent to be found in any high school conference in the nation.

We hope that you enjoy the contests today. Many of the participants have entertained you for the past four years, and this gives them one of their last chances to do so before leaving the scholastic scene.

We hope that your visit is an enjoyable one and that you'll take the time to visit our Hall of Fame in the lobby and Wall of Fame in the cafeteria.

Congratulations to all the players performing today and their parents and coaches and our best wishes for continued success.

Jim Foti 1990 OVAC Basketball Classic Honoree

Tonight, the OVAC Basketball Classic is pleased to honor James "Jim" Foti as a recipient of their annual award recognizing individuals who have helped make basketball what is in the Ohio Valley.

Retired from coaching basketball for 38 years and football for 20 years, Foti resides in Warwood where he piloted the high school basketball team for 27 years. He compiled a record that is staggering in quantity and luminous in quality.

The Jamestown, New York, native, who has called the Ohio Valley home ever since coming to Wheeling to coach football and basketball at Central Catholic High in 1942, gave coaches past and present something to shoot at with 466 varsity high school basketball victories, all but 26 at Valley schools. That total has been surpassed in the area by only one coach, Dick Potts of River, a former Classic honoree and Committee member.

Foti was an old hand at State tournaments. His Warwood teams won eleven sectionals and seven regionals and thus appeared in the West Virginia state tournaments seven times. Moreover, in his six years at Central, his basketball teams won five state Catholic championships and compiled an overall mark of 117 victories against 28 defeats. His 1943 football team at Central also engaged in post-season action as its 9-1 record earned it a berth in the Steel Bowl at Steubenville where it lost a thriller to Rochester, Pennsylvania, 20-19.

At Warwood, Foti experienced 14 winning basketball seasons and three campaigns where his Vikings won 20 or more games. His 1967 aggregation, led by all-stars Bill Kennedy and Greg Church, won the West Virginia AA crown at Morgantown, and his 1975 team was runner-up to Norfolk in action at the Charleston Civic Center.

Foti, who retired in 1976 after taking the Vikings to the state tournament in Warwood's last year of existence as a high school before the Wheeling Park consolidation, holds the

unusual distinction of having coached championship clubs in three divisions of the Ohio Valley Athletic Conference. He has also coached West Virginia teams in Ohio Valley all-star basketball and football games. He also directed the professional Wheeling Puritans, forerunners to the Wheeling Blues, in 1947-48.

Foti actually had two tours of duty at Wheeling Central. After coaching there from the time of his arrival in the Ohio Valley through the basketball season of 1944, he moved across the river to Bellaire High School, where he coached for two years. Then he returned to Central to pilot the Maroon Knights through 1949.

When he first went to Warwood in 1950, he was not head coach in football, but took over that post in 1957 following the departure of the late Howard Lewellen. He piloted the Viking gridders for 10 years before giving up the reins. His overall record in football shows 90 victories against 106 losses and 3 ties, but Warwood often played a schedule in which it was overmatched.

Foti was line coach at Warwood when the great Chuck Howley played for the Vikings. Bob Dunlevy, who went on to star as an end at West Virginia University, was also one of Foti's pupils.

From his war-time powerhouses at Central, Foti sent football stars Jim Dailer and Billy Gompers to Notre Dame, Jack McConville to Alabama, Pete Schuetz to Duquesne, Bill McCreary to West Liberty, and Paul Schuetz to Northwestern. A number of his basketball players also performed collegiately.

Foti won an OVAC basketball championship with his 1943 Central team and his '44 club, which was 24-3, bowed by only a point in the Eastern Catholic championships at Newport, Rhode Island.

His 1962 Warwood club, led by Bob Ayers (later a star at VMI), and his 1967 state championship team were also conference titlists. With Kennedy, who went on to star at Arizona State, and Church, who went to West Point, leading the way, the Vikes won 24 and lost 3 in '66 and were 24-2 when they captured the state crown in '67. Foti's '75 club, led by Craig Reidel, won 21 and lost just 6.

Oldtimers in Jamestown remember Foti well. He was a stellar high school athlete there and was captain of the 1930 football team. One of a family that included nine boys and one girl, he started to college at St. Bonaventure but later transferred to John Carroll University, in Cleveland.

At John Carroll, he played football, basketball, and hockey. At 5'6", 160 pounds, he was a watch-charm guard in football and basketball. Late in the 1960's he was selected as a member of the Blue Streaks' all-time football team.

After his graduation from college in 1938, Foti remained at John Carroll for a year as freshman coach and then moved to Erie, Pennsylvania, Prep School, where in two seasons his basketball team won 26 and lost 8. Then he took the Central job. Jim and his wife, Mary LePore Foti, are the parents of three daughters - Mrs. Louis (Judy) Lothman, Mrs. Bill (Sally) Hare, and Mrs. Don (Mary Jo) Ferda.

Foti was inducted into the Hall of Fame of the Upper Ohio Valley Dapper Dan Club in 1980, the West Virginia Sports Hall of Fame, and most recently was a member of the Wheeling Hall of Fame, Class of 1990.

Evan Reese *1990 OVAC Basketball Classic Honoree*

The 1990 OVAC Basketball Classic Official Honoree is Evan Reese, a Valley official for over 50 years and present commissioner of football and basketball officials for the Ohio Valley Athletic Conference.

Reese is known through the Valley for his long and devoted service to high school athletics and last year was honored by the National Federation of Interscholastic Officials Association and the National Federation of Interscholastic Coaches Association.

Evan has not only officiated at the high school level, but more than 25 years worked football and basketball in the West Virginia Conference. In the 1960's, when the Wheeling Ironmen were performing in the United and Continental Leagues, he officiated pro football at that level. At the point in time, he was urged to make application for an officiating job in the National Football League, with the assurance that he would be recommended by Sol Rosen, then commissioner of the Continental League, but he declined.

Reese developed an officiating style all of his own in that his inevitable response to criticism from coaches and officials has been a quixotic smile that served to cool off some hotheads and infuriate others. As one coach once said, "I never know whether he's laughing with me or laughing at me."

"I think officiating taught me how to handle difficult situations without flying off the handle," he reflected on his experiences. "That also helped me to get along with people in my business dealings."

Reese describes officiating as "a different phase of life" and points out, "You have to learn to take abuse and how to appease people without losing your integrity. There's no such thing as an unimportant game, so you have to do your very best - whether you're dealing with junior high kids or pros. You have to know the rulebook frontwards and backwards but you also have to realize that some nights that the best calls will be

you don't make."

When he was working pro football, Reese flew to such cities as Omaha, Beaumont (Texas), Orlando, Montreal, Toronto, Richmond, Norfolk, Indianapolis, and Grand Rapids. Reese flew thousands of miles to work pro football and also racked up thousands of miles by car.

Reese has worked the Ohio and West Virginia state high school basketball tournaments as well as the WVIAC tournament. In fact, he was the first out-of-state official to be employed at the West Virginia schoolboy tourney. Evan also handled some basketball in the Ohio Conference but worked mainly at Marietta and Muskingum.

He has been president of the West Virginia Conference Officials in both football and basketball. He is also a past president of the Ohio Valley Board of Approved Basketball Officials and served as secretary for the OV Board of Approved Football Officials for some 20 years.

Reese played guard on the football teams at Follansbee where he graduated from high school in 1933. After high school, he obtained employment in the Yorkville Mill of what was then Wheeling Steel Corp. and moved to Martins Ferry. He began courting Mary Farley of Greggsville, and married her in 1938.

Reese had not played high school basketball but became adept at the hoop sport as a guard for the Lahood Clothiers and the Silver & Green in the independent ranks, receiving AAU recognition one year. He played in the Martins Ferry Firemen's Tournament, the Sistersville tourney, and the other such events then in vogue with players like Eddie Litten, Chuck Reynolds, Hal Tidrick, Hal Geisler, Homer Black, Carl Tidrick, Jim Morgan, Howard Daubenmeyer, and Ed Kreiger.

Reese entered the navy during World War II and was with the naval air forces as an aviation supply storekeeper first class. He also played some basketball and did some officiating while in the service.

When he returned to Martins Ferry after the war, he resumed work in the Yorkville mill until he teamed up with Don Davison and bought out Gildow Electric and renamed it Davison Electric. The two remained business partners for 35 years.

Reese became the Commissioner of officials for the OVAC in 1980, a post he has held since then. He has worked closely with Tom Bechtel and John Howell in teaching them the complexities of his job.

"Right now we have a shortage of officials, particularly in football," Reese emphasized. "We would like to see more good men take up officiating. We have room for them. Training classes are held each year for officials."

Reese has been recognized by the Dapper Dan Club of the Upper Ohio Valley, by the West Virginia Conference, and by the West Virginia Secondary Schools Activities Commission. He has received awards from the Ohio Valley officiating bards in both basketball and football.

TO AN ATHLETE :

*There are little eyes upon you,
And they're watching night and day;
There are little ears that quickly
Take in every word you say;
There are little hands all eager
To do anything you do;
And a little girl who's dreaming
Of the day she'll be like you.*

*You're the little lady's idol,
You're the wisest of the wise,
In her little mind, about you
No suspicions even rise;
She believes in you devoutly,
Holds that all you say and do,
She will say and do, in your way
When she's a grown-up like you.*

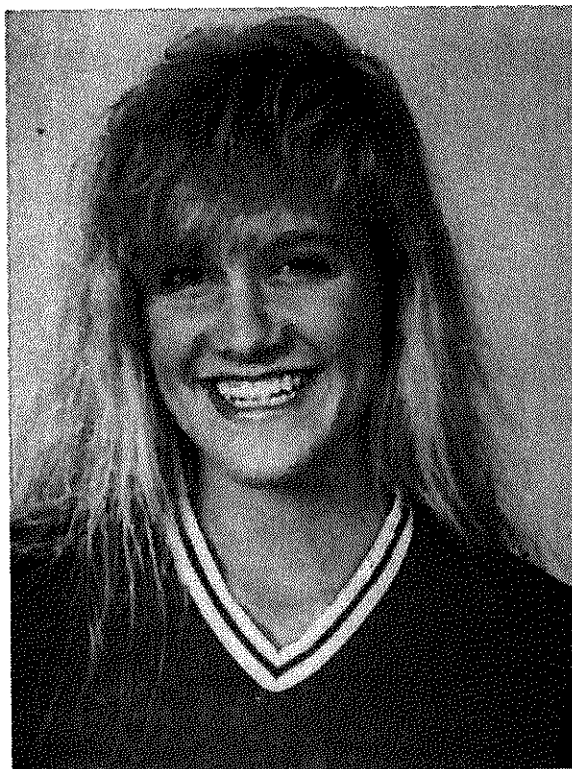

*There's a wide-eyed little girl
Who believes you're always right,
And her ears are always open,
And she watches day and night;
You are setting an example
Every day in all you do,
For the little girl who's waiting
To grow up and be like you.*
