If you can imagine it,

If you can dream it,
you can become it.

Congratulations Rudy, Sam & Doc

They may not be as famous as the Three Musketeers, but there's one thing unmistakable about the trio of Rudolph Mumley, Sam A. Mumley, Sr. and Dr. Luis A. Vazquez — they're all tremendous friends of the Ohio Valley Athletic Conference.

With the OVAC celebrating its 20th annual midsummer classic on this night, it's only fitting that these three individuals, whose service to the game have been immeasurable, be recognized.

Rudy Mumley, for whom the annual gridiron clash was renamed back in 1986 by the OVAC Executive Committee, has served as the game director since the OVAC assumed sponsorship back in 1971.

As the driving force behind the popular all-star contest, which features the top recently graduated football talent from the Ohio and West Virginia side conference schools, Rudy's enthusiasm and always-on-the-go energy have turned the game into a showcase event unparalleled in high school athletics.

From accompanying events such as the Stone & Thomas Queen of Queens pageant and the McDonald's All-Star Band to the week-long activities for the players and coaches on the West Liberty State College campus, Rudy presence is a constant.

A native of Wheeling and a product of old Wheeling High School, Mumley earned his bachelor's degree in education from West Liberty State College and his master's degree at West Virginia University.

A veteran of World War II and the Korean Conflict, he spent his teaching days in Eastern Ohio at Powhatan, Shadyside and Smithfield Highs. He was later principal at Warren Consolidated and Yorkville and later Buckeye South High School, retiring from the latter in 1979.

A member of the West Liberty State College Athletic Hall of Fame and a prominent member of the school's Hilltopper Club, Mumley is also very active in the Upper Ohio Valley Dapper Dan Club and was a recipient of that group's Robert McKelvey Memorial Award a few years back.

Dr. Vazquez has been the Ohio team physician at the All-Star Classic for the entire 20 years.

"Doc" has been a fixture on the sideline at local high school sporting events, including serving as the team physician at St. Clairsville High for 31 years.

Born in Caguas, Puerto Rico and a veteran of World War II, Vazquez did his pre-med schooling in Puerto Rico and at Ripon College in Wisconsin, serving as trainer for both the football and basketball teams there.

He concluded his medical education at the University of Madrid and the University of Seville in Spain. He served his internship at the "Old North" Wheeling Hospital in 1957-58 and his general surgery residency from 1958-61 at what was then Ohio Valley General Hospital in Wheeling.

He began his practice of General Surgery and General Practice in St. Clairsville on June 1, 1961 and has been there ever since.

Vazquez was a member of the Joint Advisory Committee for Sport Medicine, the High School Athletic Association and Ohio State Medical Association. He was selected as one of the outstanding team physicians in Ohio back in 1981.

Sam Mumley has served as the Executive Secretary of the OVAC for the last quarter of a century and as such has been an integral part of the success of the All-Star Classic.

He has been the recipient of many awards, too numerous to mention, over the years primarily for his untiring work for the youth of the Ohio Valley in particular.

A product of old Union High in Benwood in 1949, he graduated from the University of Maryland in 1954 with a degree in physical education and health and in 1955 from West Liberty State College in with a degree in english, speech and science.

Mumley's teaching days included stints at Cameron High and Linsly School, but the majority of his career was spent at St. Clairsville High. He retired there in 1985.

He also coached at various levels in nearly every sport and served as St. C.'s assistant athletic director for 13 years and as athletic director for 10 years.

While at the University of Maryland, Mumley served as the head student trainer and he later was an assistant trainer with both the Philadelphia Eagles and the Washington Redskins. He also served as trainer for the OVAC Classic and the Ohio North-South Game.

In his role as OVAC Executive Secretary, Mumley oversees the activities of a conference that includes some 47 schools and more than 11,000 athletes.

The motto of the OVAC — Charity and Love for Our Fellow Man — is one that these three gentlemen have followed for more than a quarter of a century.

THE CHAMPION'S CHAMPION

*He's the one loved by his peers,
Though on the bench — he always cheers,
He keeps the first man on his toes,
And never quits — why, no one knows.*

*He puts the champion where he's at,
By making him work to earn his plaque,
His name's not found in big headlines,
But he's always there come practice time.*

*I often wonder — were the champion second team,
Would he keep on trying or lose his gleam,
Would he give his all if there was no fame,
And give up for the good of the game.*

*There are no questions in this man's mind,
The Champion's Champion — in life — will do just fine.*

Special thanks goes out to Bridgeport Eagles for purchasing my gown, Stacy Co and Vanessa Delhl for being escorts and above all, my family being there for me, especially my grandmother who has brought me so much life.

Missy

THE BEST PART OF A PERSON'S LIFE IS not his fame, wealth or ability.

The best part of a good person's life is the little nameless, unremembered acts of kindness and love given to others.

You are remembered and respected for the good you do for others.

MY CREED

Let me give:

I do not know how long I'll live
But while I live, Lord, let me give
Some comfort to someone in need
By smile or nod - kind word or deed
And let me do what ever I can
To ease things for my fellow man.
I want naught but to do my part
To "lift" a tired or weary heart,
To change folks frowns to smiles again -
Then I will not have lived in vain
And I'll not care how long I'll live
If I can give - and give - and give.

This is the moment, this is the day,
This is the moment when I know I'm on my way.
I won't look down, I must not fall,
This is the moment, the sweetest moment of them all.

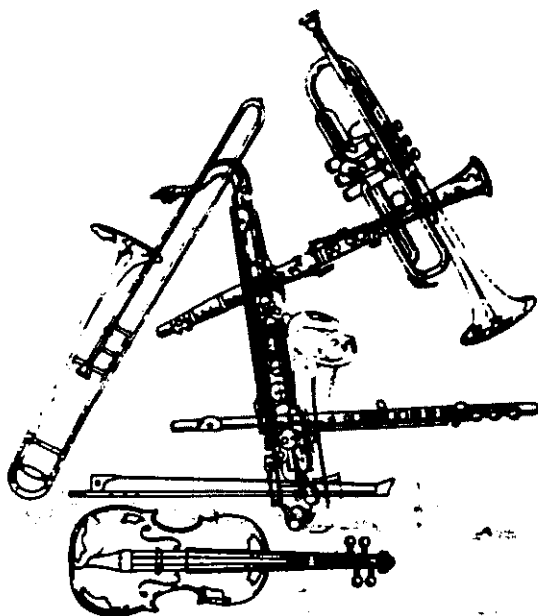

This is the moment when all I've done,
All of the dreaming, scheming, and screaming becomes one.
This is the day, just see it shine,
When all I've lived for becomes mine.

This is the moment, my final test,
Destiny beckoned I never reckoned 2nd best.
When I look back I will recall, moment for moment,
This was the moment, the greatest moment of them all.

THE VALUE OF A SMILE

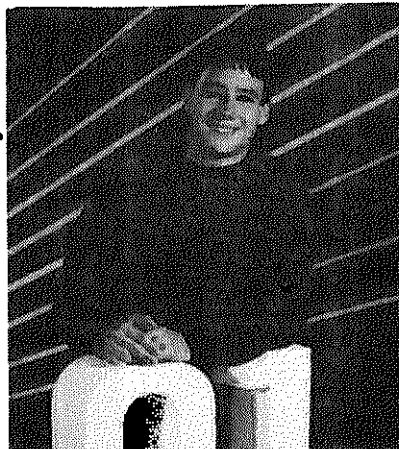

It costs nothing, but creates much.
It enriches those who receive without impoverishing
who give.
It happens in a flash, and the memory of it sometime
forever.
None are so rich they can get along without it, and no
poor but are richer for its benefits.
It creates happiness in the home, fosters goodwill in a
business, and is the counter-sigh of friends.
It is rest to the weary, daylight to the discouraged, sui-
to the sad, and nature's best antidote for trouble.
Yet it cannot be bought, begged, borrowed, or stolen,
is something that is no earthly good to anyone until
given away.
And if in the course of the day some of your friends
be too tired to give you a smile, why don't you give
one of yours?
For nobody needs a smile so much as those who have
left to give!

THE CHAMPION'S CHAMPION

*He's the one loved by his peers,
Though on the bench — he always cheers,
He keeps the first man on his toes,
And never quits — why, no one knows.*

*He puts the champion where he's at,
By making him work to earn his plaque,
His name's not found in big headlines,
But he's always there come practice time.*

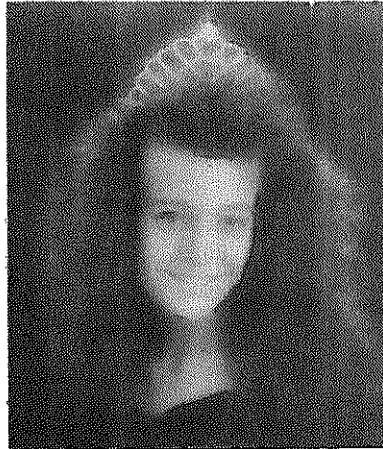

*I often wonder — were the champion second team,
Would he keep on trying or lose his gleam,
Would he give his all if there was no fame,
And give up for the good of the game.*

*There are no questions in this man's mind,
The Champion's Champion — in life — will do just fine.*
