Souvenir Program: \$2.00

The Samuel A. Mumley Basketball Classic

Back in 1977, four veteran Ohio Valley basketball coaches decided that the concept of a high school All-Star game, similar to the highly successful football contest, would be a very practical idea. And so, Earl Haberfield of Wintersville, Dick Potts of River, Henry "Herk" Lazasz of Tiltonsville, and Bobby Dawson of Wellsburg sat down and drew up the format of what would become the OVAC Basketball Classic.

Earl Haberfield was chosen as the game's first director. The committee enlisted the support of Ogden Newspapers to help underwrite the game, and booked the Wheeling Civic Center for the location, hoping to pack the house.

However, the only problem was that the game had to be played in June. Due to the rules of the West Virginia Secondary Schools Activities Commission, Mountain State athletes could not participate without losing their eligibility for spring sports. As the game was a novelty, the Classic did at one time see 1700 fans witness the Valley's finest, but the heat and the timing soon began to dwindle the interest of area spectators.

Over the years, due to expenses and availability of arenas, the game was played at St. John Arena, Wheeling Park High School, Bellaire High School, Wheeling College, and East Liverpool High School.

Although the game always showcased some outstanding hardcourt performers, other problems surfaced. The format underwent several changes, and as the interest in girls' sports became greater, the need to have two games for the boys and two games for the girls became apparent. However, West Virginia schools, being smaller in number, often had difficulty finding enough quality players, while Ohio schools had more players than they needed.

Another change in the program came in 1982 when Earl Haberfield left the area to coach in northern Ohio. Be-

fore leaving, however, the committee made a wise move in turning over the directorship to Gene Ammirante of Bellaire. Under his leadership, the game became more organized and competitive.

Ammirante ran the game until 1987 when, due to an increasing work load, he resigned the contest to Clyde DiAngelo of Steubenville Catholic Central who guided the Classic for two years. The game was then directed by John Bobalik of Wellsville. After a one year tenure, the game faced serious problems, as no one wanted to assume the directorship. Also facing financial problems, the game more than ever needed strong leadership. With that in mind, only one man was obvious - Ammirante. Under his direction for the second time, the game made tremendous changes. First, the game was placed back on strong financial footing.

The second change came in the form of strong involvement of the OVAC Executive Secretary, Sam Mumley, who took it upon himself, with the assistance of Vince Paoletti of Moundsville, to petition the WVSSAC to change the ruling, allowing the game to be played soon after the completion of the regular basketball season. After many trips to Charleston and hours of phone conversations and lobbying, the game was approved. Starting with the 1992 contest, the game would be moved to April.

Because of his dedication to the Conference and his unselfish support of the Classic, the committee decided to change the name of the Classic to the Samuel A. Mumley Basketball Classic.

So this brings us to tonight. Since the format was changed to one boys' game and one girls' game, and the cheering competition was included as part of the program, the committee hopes that tonight's classic establishes a strong foundation for years to come.

The Earl Haberfield OVAC Basketball Coaches' Award

Charles "Chuck" Watt, whose Steubenville Big Red basketball teams won 350 games and won eight OVAC Championships during his 23 years at the helm, is the tenth recipient of the OVAC coaches' award and the first recipient of the Earl Haberfield OVAC Basketball Coaches' Award.

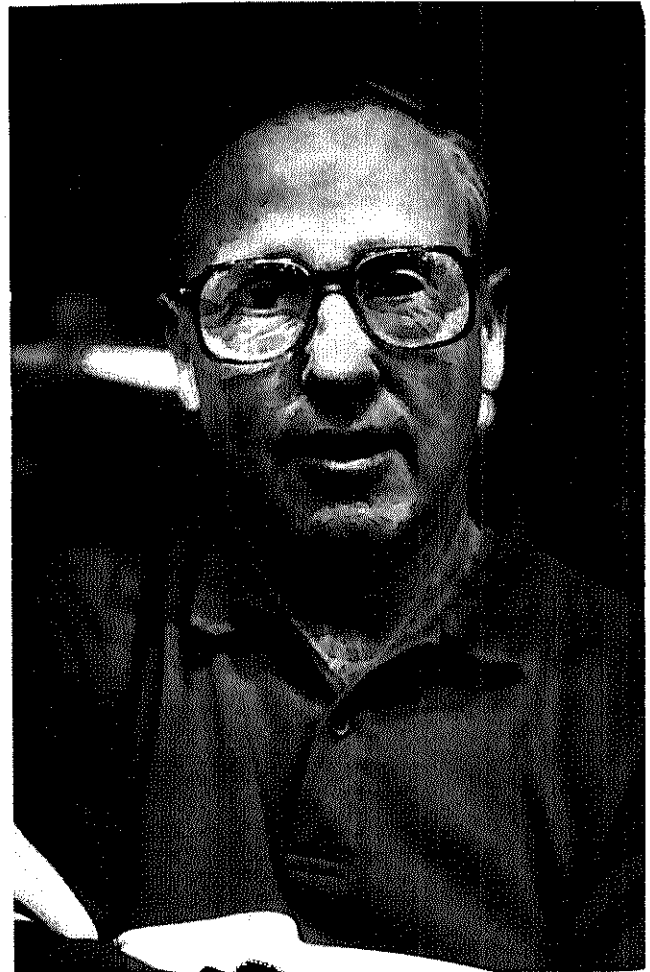

The 64-year old Watt took over as head coach at his alma mater in 1968. Along with bringing Big Red its eight OVAC titles, his teams won eleven Sectional and four District tournament crowns.

A graduate of Franciscan University of Steubenville, Watt returned to his high school alma mater to assist the legendary Ang Vaccaro in basketball, and during his long tenure at Steubenville High, also served as head baseball coach and was an assistant in football under three different coaches.

After serving as Vaccaro's top lieutenant with the American Legion Argonne Post 33 baseball team for many years, Watt took over as coach in 1983 and has held the job ever since. Watt's teams won Ohio American Legion titles in 1984 and 1989.

The Samuel A. Mumley Basketball Classic Committee congratulates Coach Watt for his outstanding contributions to OVAC basketball.

The Robert Dawson OVAC Basketball Officials Award

Earl Klevins, a veteran official in football and basketball for more than 35 years, will be the fourth official honored by the OVAC Basketball Committee and the first recipient of the Robert Dawson Basketball Officials' Award.

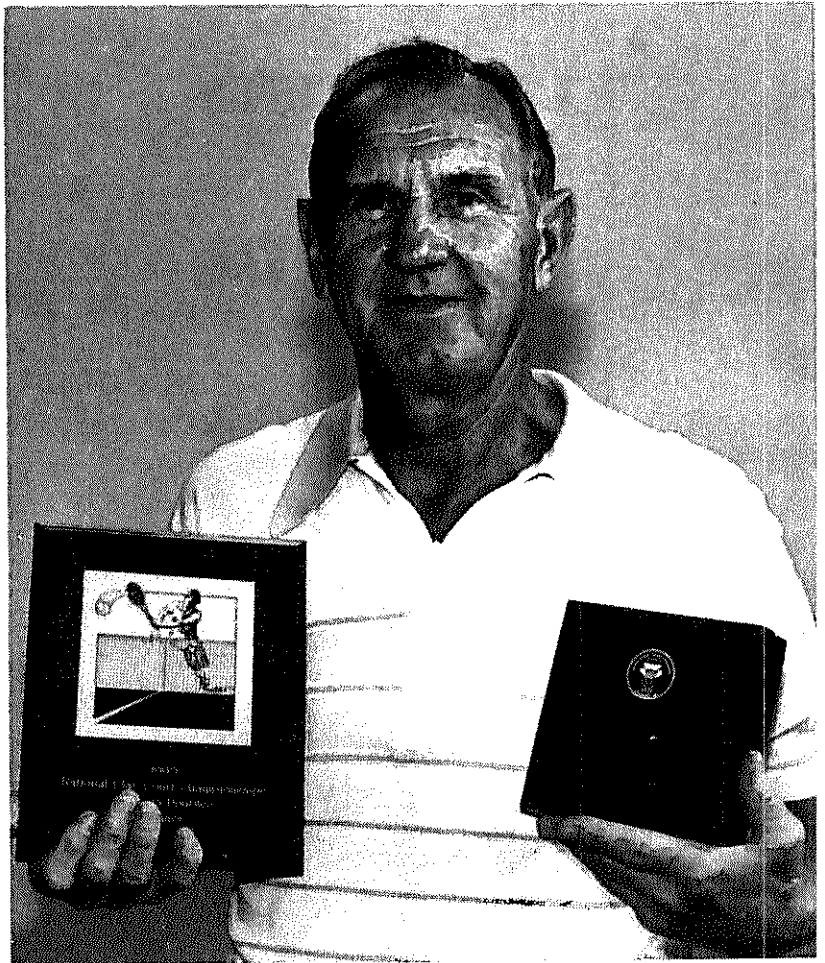

The 76-year-old Klevins is a 1934 graduate of Warwood High School and went on to play football and basketball under the legendary John Knight at Bethany College.

His first basketball officiating job came in 1938 and when he hung up his whistle 35 years later in 1973, the personable Klevins had worked in more than 1,300 basketball games and 570 football games on the high school and collegiate levels.

Despite his advancing years, Klevins is still an athletic star, but on the tennis court. Last year, he and his partner won the United States national doubles title in the 75-years-and-up division. When he was 45 years of age, he won the West Virginia state singles title and teamed with Loran Mercer to capture doubles in their age group.

The Samuel A. Mumley Basketball Classic would like to congratulate Earl Klevins for his honor and thank him for his dedication to the youth of the Ohio Valley.

For the past fourteen years, the OVAC Basketball Classic has showcased some of the finest players to grace the hardwood in the Valley. As this is the beginning of a new format and a new game, we thought it appropriate to recall past results of the Classic.

WINTERSVILLE ATHLETIC
BOOSTERS

The Samuel A. Mumley Basketball Classic Selection Guidelines

1. There will be one boys' game and one girls' game.

2. Each team will consist of 15 players as voted upon by the varsity head coaches or their representatives. [NOTE: The next five highest vote getters in the second round of voting will comprise a pool of alternates. In the event that one of the players does not play in the game, the coaching staff of that team may select ANY of the five players from the pool.]

3. Each school may nominate up to five SENIOR players. Consideration should be given to the fact that the more players nominated, the more it could split the votes. Players should be TRUE ALL-STAR caliber.

4. An initial ballot will be given to all coaches. This ballot will list all nominations alphabetically by state and OVAC classification. With this ballot, coaches are to vote ONLY for players in their classification. In Ohio, each coach may vote for two players from his class. In West Virginia, each coach may vote for three players from his class. This guarantees that each classification is represented by at least two players. *Coaches may not vote for their own players in this round.*

5. After these players are selected, their names will be removed from the ballot and the second ballot will be distributed. Coaches will then be asked to vote for seven players from their state regardless of classification. {West Virginia coaches will vote for six players from their state.} Time will be given prior to the voting for any coach to speak on behalf of his players and for coaches to discuss the type of player needed to round out their squad.

6. When coaches submit their nominations, they will be asked to vote for one coach from their state who they feel deserves the honor of coaching in the game. These coaches will be placed on the ballot. The highest vote getter will become the head coach, with the 2nd and 3rd place vote getters becoming assistants.

GAME DETAILS

Each game will consist of four 12-minute quarters. Each player **MUST** be given eight minutes of playing time in the first half. The exception to this would be if a player becomes sick, is injured, or incurs foul trouble. In the second half, each player should make an appearance (two/three minutes), but it will be up to the discretion of the coach to determine the length of playing time as the game dictates.

from

Bethany College

Where athletics and education go hand in hand.

Bethany College has been noted by the Carnegie Foundation with a Liberal Arts I classification, the only such institution in West Virginia. Bethany has encouraged and honored superior academic performance since its founding over 150 years ago. In keeping with this tradition and Bethany's commitment to West Virginia students, any student graduating from a West Virginia public, private or parochial high school who ranks in the top 20% of his or her graduating class automatically qualifies for a minimum of \$5,000 per year in merit awards. Bethany's Merit Guarantee is renewable for four years as long as the student maintains a 2.5 grade point average. Call the Admission Office at 304-829-7611 to make arrangements to experience the Bethany Life.

The Cheering Competition Selection Guidelines

1. The championship will begin at 8:00 AM on Saturday, April 11. Exact starting times will be assigned after all of the registration forms have been returned. The TWO top scoring squads in each class will perform during the Samuel A. Mumley Basketball Classic, with the championships being announced during the contests.

2. Admission for spectators is \$3.00 for adults and \$2.00 for students. Those spectators desiring to return for the evening performances will be handstamped upon leaving and may attend the evening games for an additional \$2.00.

3. There will be four judges chosen by the OVAC Cheering Committee. None of the judges will have any connection with any school participating in the event. Two judges will be from Ohio and two judges will be from West Virginia. A Rules Interpreter will be used to deduct penalty points for time violations and rules violations.

4. The following penalty points will be deducted from the total score:

- 10 points - Time Violation
- 25 points - Violations of rules

5. The championship will consist of two parts. The first part will be the Cheer segment and **cannot exceed TWO minutes**. The second part will be the Dance portion, which also **cannot exceed TWO minutes**.

6. CHEER SEGMENT RULES AND REGULATIONS

- a. Walk on to floor and assume starting position.
- b. Timing will start with the first word or motion.
- c. Squads may do any combination of floor cheers and/or sideline cheers.
- d. Signs, megaphones, and pompons may be used.
- e. Two jumps must be used during this time.
- f. Gymnastics may be used.
- g. **Partner stunts, pyramids, and mounts of any kind are not permitted.**
- h. Timing will end with the last word or motion of any or all of the squad members.
- i. Gymnastics may be used when exiting the floor, but will not be judged.

7. DANCE SEGMENT RULES AND REGULATIONS

- a. Walk onto the floor and assume starting position.
- b. Timing will start with the first note of the music.

c. Timing will stop when the squad organized motions stop.

d. Pompons may be used but are not required.

e. **Partner stunts, pyramids, and mounts of any kind are not permitted.**

f. All squads must have their music tapes labeled with the school name and cued up ready to start. They should also have a back-up tape.

g. No restarts will be allowed unless there are technical difficulties with the sound system.

8. Any squad participating must have cheered for approximately half of the varsity basketball games during the current season.

9. The squad size is not limited to any particular amount.

10. Any squad participating **MUST** have a sponsor or coach in attendance.

11. The entire squad must participate in all categories of the scoring sheet, except in cases of illness, emergency, or injury, or the squad will be disqualified.

12. The judges will combine the scoring sheets to select the winners in all four classes.

13. Ties will be broken by using only the cheer portion to determine the winner.

14. The squads will only be judged during the morning session. The two qualifiers may choose to perform either their dance or their cheer at the evening game.

15. This cheerleading championship is in the process of being sanctioned by the WVSSAC.

16. All participants will receive a participation ribbon.

17. The championship squad in each class will receive a standard OVAC championship banner to be presented at the Banquet of Champions. Runner-Up squads in each class will receive a trophy/plaque.

18. All squads will be permitted to warm up on the floor thirty (30) minutes prior to the competition.

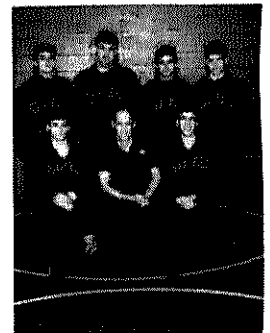

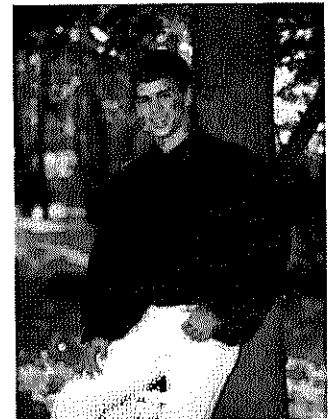

19. All coaches will meet thirty (30) minutes prior to the start of the competition to draw numbers. Squads will take the floor for both segments in that order.

RULES OF THE GAME

This game is sanctioned by the West Virginia Secondary School Activities Commission, The Ohio High School Athletic Association, and the National Collegiate Athletic Association, and will be played under the following special rules:

1. Each game will consist of two 24-minute halves.
2. Zone presses may be used, but must end after first trap past half court.
3. Man-to-man defense must be played in the normal attack area.
4. Each player must play eight minutes during the first half. All players must be inserted at least once in the second half unless the player is ill, ineligible, or injured.

5. Dunking will be permitted during the pre-game warmup.

6. In the event of a tie score at the end of regulation play, a three-minute overtime period will follow. If the game is tied after the first overtime period, a sudden death playoff will be held. The team that scores the **FIRST TWO CONSECUTIVE POINTS** will be declared the winner.

7. Each player is allowed SIX (6) personal fouls before he is disqualified.
