Rudy Mumley ... always concerned for fellowman

By
Cal
Pokas
Times Leader
Sports Editor

Rudy Mumley is one of only a few people who I could beat in a 50-yard dash. Considering, however, that at age 73, he is 15 years my senior and that one of his legs is even gimpier than mine, that's not startling.

Rudy Mumley, who spent nearly his entire career as a teacher and educator in Eastern Ohio, has never professed to be an athlete. Nonetheless, he is the one non-athlete or non-coach to be inducted into the Athletic Hall of Fame at his beloved West Liberty State College.

When the OVAC assumed sponsorship of the Ohio-West Virginia All-Star Football Game, Rudy was appointed director. It was a wise choice.

The man has put his heart and soul into the endeavor. This year marks the 21st game under his direction. During the initial two decades, the game has provided well over \$400,000 for area charities. Rudy's association with Ohio Valley athletics began even before his appointment as all-star game director. He served as OVAC president in 1967-68 and was elected to the post again for the 1979-80 school year. He's the only person to be elected to the presidency twice in conference history, and he has been involved in OVAC activities for nearly three decades, even long after retiring as an educator in 1979.

Rudy's personality and his ability to get along with people are two of his finest traits. Although he has a tendency to be contrary at times, Rudy is a listener and has the knack of picking people's brains. Many of his innovations for the all-star game have been the result of research and sharing ideas with people.

He has made the OVAC game one of the best all-star attractions anywhere. The all-star gridders are treated well at camp, and numerous activities are arranged in their behalf. It's a first-class operation, and yet Rudy has been able to do these things and still keep within the NCAA guideline of spending only 40 percent of the game proceeds for expenses.

Perhaps the biggest reason for his thriftiness can be traced to his best friend and sister, Lillian, with whom he resides on Richland Avenue in Warwood.

Rudy recently remarked that Lillian wrote several checks and reminded him to make sure the recipients signed for them. "She still thinks she works for General Motors," quipped Rudy.

But in less light-hearted moments, Rudy is well aware of the influence that his sister has had on him for much of his adult life. She has been retired after many years of work in the corporate offices of GM.

Rudy often remarked that many successful men can point to a good woman behind them. In his case, it's been Lillian.

Despite his advancing years, Mumley still has the enthusiasm of a much younger person.

Time and time again, many organizations seek his help and expertise when they conduct fund-raising events.

This reminded me of a funny comment made by one of Rudy's closest friends. He said: "Everytime I see Rudy, I automatically reach into my pocket and say, 'How much, Rudy?'"

1943

1992

The Ohio Valley Athletic Conference was organized in 1943 with F.W. Bowen, J.E. Ewing, J.C. Greer, M.S. Hattala, B.G. Lockhart, J.V. Nelson, C. Petty, C.F. Walker, and C.S. Wiseman among those responsible for its basic inception. Mr. C.S. Wiseman became the Conference's first president.

A demand arose in 1943 for a conference which would help stimulate and promote a more lucrative program of competitive high school athletics in the Upper Ohio Valley.

Today, the conference is the largest and most functional high school Conference of its kind in either Ohio or West Virginia. A total of ten major athletic programs are enjoyed by its member schools of which 44 schools supply the Upper Ohio Valley with over 10,000 athletes in the various competitive areas.

It is the basic objective of the Ohio Valley Athletic Conference to continue the promotion of all high school athletics and to serve in the overall development of proper school relationship, scholarship and sportsmanship within the Conference.

"Serving the Youth of the Ohio Valley"

OVAC President

DON DONATELLI- Toronto

TO OUR QUEEN

I would like to thank those businesses and organizations who sponsored me in this years program. And a special thanks to those who stood by me, had faith in me, and helped me throughout my preparation for the Queen of Queens pageant/talent show: Carol Kirpatrick, John McKinney, Sher McKean, Jennifer Principe, Bradi and Casie Miller, Melanie Bassa, Jan and Brenda Miller, Jennifer Spragg and Katie Conaway and everyone else who supported and encouraged me.

I send out my extreme gratitude to William Stephens and Philip Miller, the Boosters for sponsoring me and purchasing my gown, and the Martins Ferry Flower shop for donating my flowers. A final thanks to my special mother and father.

Good luck to John and Brian. Go with Pride.

Love, Charleen

MY CREED

Let me give:

I do not know how long I'll live
But while I live, Lord, let me give
Some comfort to someone in need
By smile or nod - kind word or deed
And let me do what ever I can
To ease things for my fellow man.
I want naught but to do my part
To "lift" a tired or weary heart,
To change folks frowns to smiles again --
Then I will not have lived in vain
And I'll not care how long I'll live
If I can give - and give - and give.

“Best in the Midwest”

U.S. News & World Report

Again this year *U.S. News & World Report* rated Marietta College as one of the best regional liberal arts colleges in the nation. In fact, we're tops in the Midwest region!

We're the best because we educate students one at a time—providing individual attention to each student in more than 35 majors, including those you'd expect to find (English, political science, and theatre) and some you wouldn't (petroleum engineering, sports medicine, and mass media). We offer an accessible, outstanding faculty and a 13-1 student-faculty ratio. Our academics are excellent—Marietta boasts the 16th oldest chapter of Phi Beta Kappa in the nation. Marietta grads are successful—in graduate schools and in the workplace.

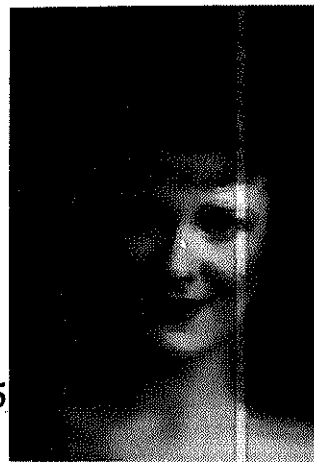

Now Marietta also offers the premier program in leadership, not as a separate major, but as an option available to each student. A variety of leadership options are available from a four-year program to individual courses emphasizing leadership in action.

MAY HIS MEMORY BE ETERNAL

Dear God please take this message to our loved one above. Tell him how much we miss him and give him our love. He bid no one a last farewell and said goodbye to none.

The heavenly gate just opened wide and a loving voice said come, although his soul is now at rest and free from care and pain.

The world would be like heaven if we had him back again; it broke our hearts to lose him.

But he did not go alone, for part of us went with him the day God called him home.

A precious one from us is gone.

A voice we love is still; a place is vacant in our home which can never be filled.

God gave us the strength to face it.

And courage to bear the blow.

But what it meant to lose him no one will ever know.

Jameys' parents, Steve and Becky Hall and his sister Jodi would like to express their appreciation to the OVAC for all the kindness they have shown to them during this difficult time.

They also would like to extend their thanks to the OVAC for all it does for The Student Athlete of The Ohio Valley. Athletics meant so very much to Jamey that the Hall Family hopes that younger Athletes will look at what Jamey stood for and will follow his example and become positive factors for their Team, School and Community.

From the Athletic Boosters Club, Administration, and Family at Shenandoah High School, we'll always remember you.

Erica,

We are so blessed that God has shared you with us. We pray what Paul wrote to Timothy, in I Tim. 4:12.

Don't let anyone look down on you because you are young but set an example for the believers in speech, in life, in love, in faith & in purity.

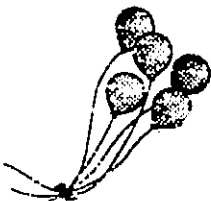

We love you,
Dad, Mom, Jeff,

Angela, & Grandma

A Good Kid Is God's Greatest Gift To A Parent.

But occasionally, things go wrong.
Kids end up in Court.

To treat a kid as a criminal
and to terminate the relationship between parent
and child are the most difficult decisions
made by a Judge.

A Court is only as good as its Judge.

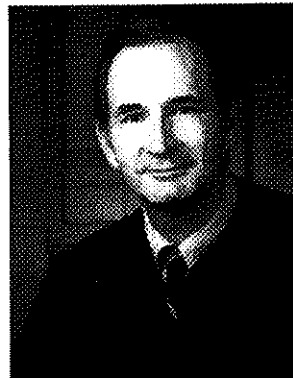

Judge Wilson knows the difference
between troubled kids
and troublemaking kids.

Judge Wilson knows the difference
between "tough kids" who are scared
and "tough kids" who scare.

Judge Wilson is both a warm-hearted
and a no-nonsense Judge.
He has made a difference in the lives of kids.

Keep Wilson Judge

Sports

Americans love sports. They back their favorite teams with passion. And elevate their heroes and heroines to celebrity status in society.

Team sports offer us an important lesson. On the field or on the court, it is clear that the athletes achieve the most when they work together.

At our company, working together toward common goals is a way of life. It has helped make us a success in the steel business where the competition is extremely difficult.

Our Employee Participation Groups (EPG) exemplify the value of effective teamwork. Those involved work as teams. They tackle problems of endless diversity. They seek solutions to waste control, quality improvement, cost management.

And everyone with a good idea gets a turn at the plate.

In business as well as in sports, working together works. And working together wins.

I would like to thank all of the businesses, organizations, family & friends who purchased ads. Also, I would like to thank C.H.S. and the various clubs that purchased my gown; Lucey's Greenhouse for donating my flowers; and Theresa Winland and Jaime Potts for being my escorts. Last, I would like to give a special thanks to my family for all their love and encouragement - especially my parents, I could'nt have done it without you. I love you ALL. Thanks again to everyone.

TO KATHY
A Creed to Live by

Don't undermine your worth by comparing yourself with others. It is because each of us is different that each of us is special.

Don't set your goals by what other people deem important. Only you know what is best for you.

Don't take for granted the things closest to your heart. Cling to them as you would your life, for without them life is meaningless.

Don't let your life slip through your fingers by living in the past or for the future. By living your life one day at a time you live all the days of your life.

Don't give up when you still have something to give. Nothing is really over-until the moment you stop trying.

Don't be afraid to encounter risks. It is by taking chances that we learn how to be brave.

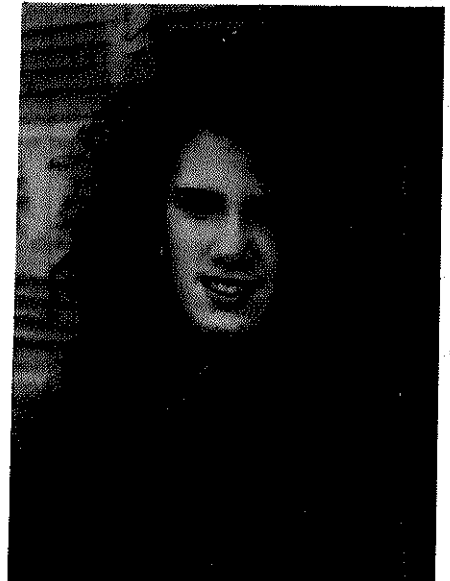

Don't dismiss your dreams. To be with dreams is to be without hope. To be without hope is to be without purpose.

Don't run through your life so fast that you forget not only where you've been but where you're going. Life is not a race, but a journey to be savored each step of the way.

-Author Unknown

Welcome To The OVAC

You Made Our Community Proud

Support The Booster Club

Proudly displaying a 1993 Cavalier as a grand prize in the annual OVAC Foundation Raffle are, kneeling, from left, Randy Tolbert of Mull Motors, Bob Whiteside of Whiteside Chevrolet, Mark Evans of Bob's of Barnesville, Brian Foose and Ken Shurak of Whiteside. Standing, from left, are OVAC Foundation secretary Bob Gary and Raffle Committeemen Al Campbell and George Dawson.

OVAC Foundation Prize

Three area auto dealers have teamed up with the Ohio Valley Athletic Conference by donating a 1993 Cavalier or Chevy S-10 pick-up truck for this year's OVAC Foundation Raffle.

Whiteside Chevrolet of St. Clairsville, Bob's of Barnesville and Mull Motors of Cadiz each have pitched in 1/3 of the cost of the new car or truck.

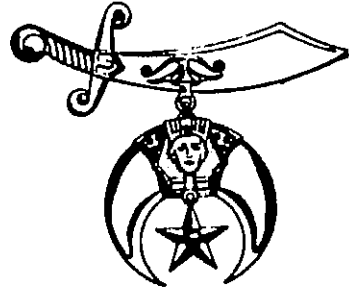

Raffle chairman George Dawson expressed his extreme appreciation of the generosity of the community-minded auto dealers. "Without Whiteside, Bob's and Mull Motors," Dawson said, "our raffle wouldn't be possible.

Raffle tickets are \$1 each or six for \$5, according to Foundation executive secretary Bob Gary.

Proceeds benefit all 47 OVAC member schools including over 1200 student-athletes.

Raffle tickets are available through all OVAC school booster clubs and many area businesses.

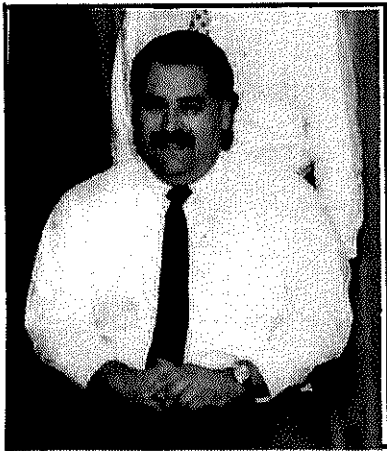

Drawing for the grand prize is scheduled for next January.
