The Samuel A. Mumley Basketball Classic

Back in 1977, four veteran Ohio Valley basketball coaches decided that the concept of a high school All-Star game, similar to the highly successful football contest, would be a very practical idea. And so, Earl Haberfield of Wintersville, Dick Potts of River, Henry "Herk" Lazasz of Tiltonsville, and Bobby Dawson of Wellsburg sat down and drew up the format of what would become the OVAC Basketball Classic.

Earl Haberfield was chosen as the game's first director. The committee enlisted the support of Ogden Newspapers to help underwrite the game, and booked the Wheeling Civic Center for the location, hoping to pack the house.

However, the only problem was that the game had to be played in June. Due to the rules of the West Virginia Secondary Schools Activities Commission, Mountain State athletes could not participate without losing their eligibility for spring sports. As the game was a novelty, the Classic did at one time see 1700 fans witness the Valley's finest, but the heat and the timing soon began to dwindle the interest of area spectators.

Over the years, due to expenses and availability of arenas, the game was played at St. John Arena, Wheeling Park High School, Bellaire High School, Wheeling College, and East Liverpool High School.

Although the game always showcased some outstanding hardcourt performers, other problems surfaced. The format underwent several changes, and as the interest in girls' sports became greater, the need to have two games for the boys and two games for the girls became apparent. However, West Virginia schools, being smaller in number, often had difficulty finding enough quality players, while Ohio schools had more players than they needed.

Another change in the program came in 1982 when Earl Haberfield left the area to coach in northern Ohio. Be-

fore leaving, however, the committee made a wise move in turning over the directorship to Gene Ammirante of Bellaire. Under his leadership, the game became more organized and competitive.

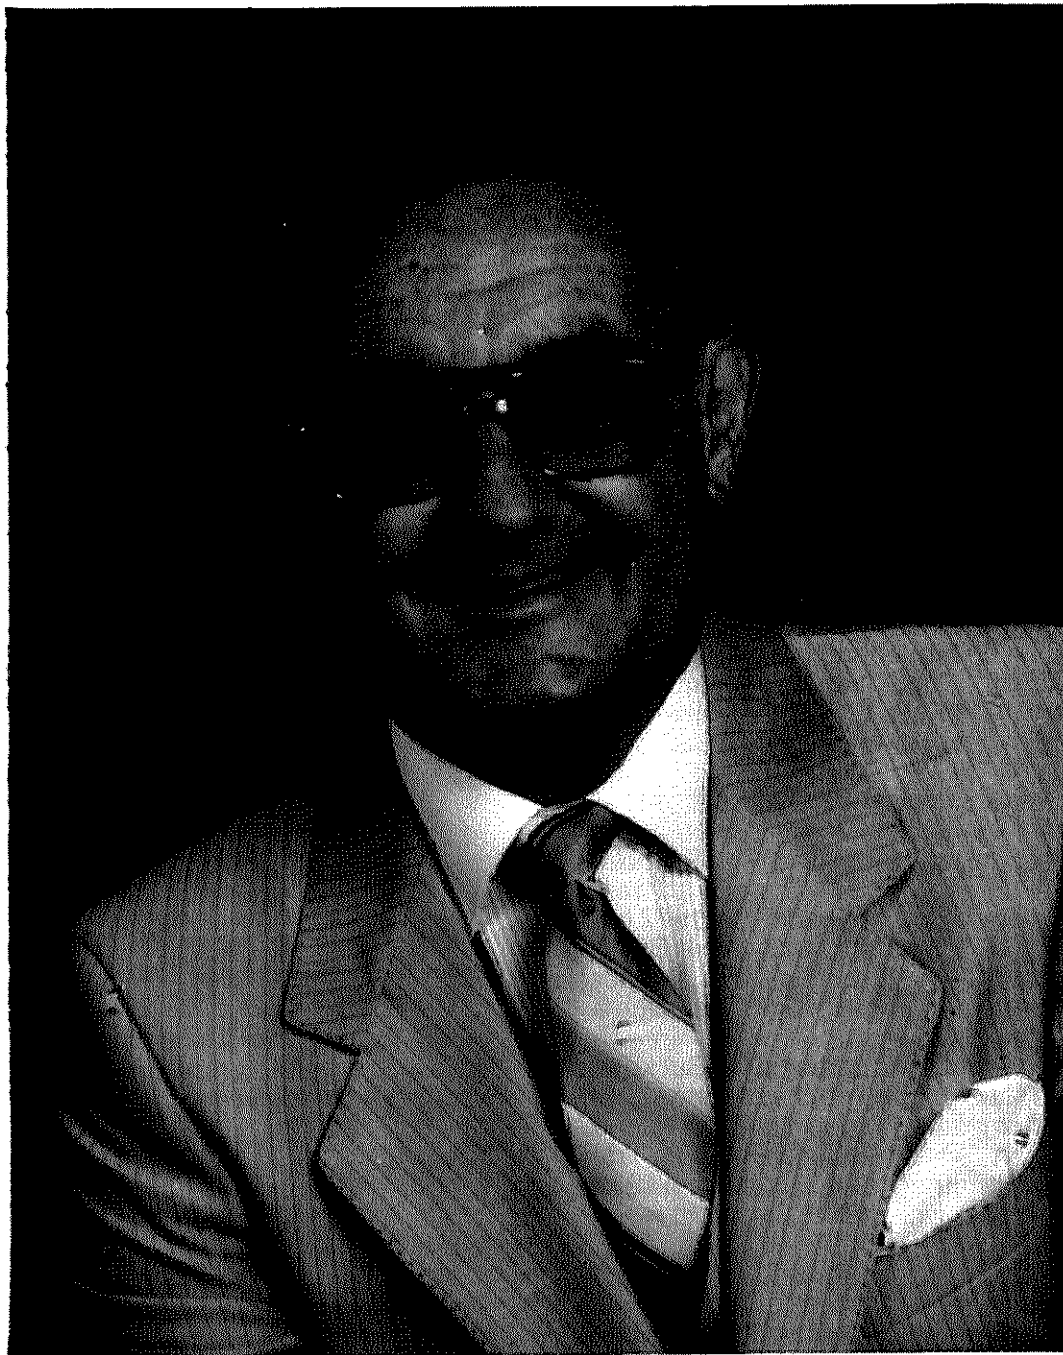

Ammirante ran the game until 1987 when, due to an increasing work load, he resigned the contest to Clyde DiAngelo of Steubenville Catholic Central who guided the Classic for two years. The game was then directed by John Bobalik of Wellsville. After a one year tenure, the game faced serious problems, as no one wanted to assume the directorship. Also facing financial problems, the game more than ever needed strong leadership. With that in mind, only one man was obvious - Ammirante. Under his direction for the second time, the game made tremendous changes. First, the game was placed back on strong financial footing.

The second change came in the form of strong involvement of the OVAC Executive Secretary, Sam Mumley, who took it upon himself, with the assistance of Vince Paoletti of Moundsville, to petition the WVSSAC to change the ruling, allowing the game to be played soon after the completion of the regular basketball season. After many trips to Charleston and hours of phone conversations and lobbying, the game was approved. Starting with the 1992 contest, the game would be moved to April.

Because of his dedication to the Conference and his unselfish support of the Classic, the committee decided to change the name of the Classic to the Samuel A. Mumley Basketball Classic.

So this brings us to tonight. Since the format was changed to one boys' game and one girls' game, and the cheering competition was included as part of the program, the committee hopes that tonight's classic establishes a strong foundation for years to come.

*This OVAC Basketball All-Star Game
has been dedicated to and named after*

SAMUEL A. MUMLEY
Executive Secretary of the OVAC
for his untiring efforts on behalf of the youth of the Ohio Valley.

The Earl Haberfield OVAC Basketball Coaches' Award

Tonight's recipient of the 11th annual OVAC basketball coaches' award is no stranger to the Buckeye Local School District.

Robert C. Smith graduated from Mt. Pleasant High School in 1949 where he was a standout performer in football, basketball, and baseball. Upon graduation, he went to Mt. Union College, where he graduated in 1953. Only weighing 140 pounds, Smith was too small to play football, so he was recruited by the school's track program where he became a member of the record-setting half-mile and mile relay teams in addition to running the 100, 200, and 400 yard dashes.

Smith began his coaching career at Dennison High School (now a part of Claymont High School) where he served as head track coach and assistant football and basketball coach from 1953 to 1955.

In 1955, he moved to Williamsburg, Ohio, where he served as head coach of football and track and assistant basketball coach. His 1962 football season saw him receiving the Greater Cincinnati Coach-of-the-Year Award.

Smith returned to the Ohio Valley for good in 1963 when he became head basketball coach and assistant football coach at his alma mater of Mt. Pleasant. During this time (1966-1968), he put together 18-5, 21-2, and 20-2 basketball seasons.

Smith's coaching career came to an end at Buckeye West High School which formed out of Adena, Mt. Pleasant, and Smithfield High Schools. From 1973-1980 he again served as head basketball and assistant football coach. His 1972 Mt. Pleasant team (16-3) and his 1973-1974 Buckeye West teams (20-1, 18-2) gave him another outstanding three-year tenure of 54-6, including a 20 game undefeated season.

During his coaching career in the Buckeye Local systems, he coached such greats as All-Stater Mark Thompson, Ronnie Thompson, and Greg and Myron "Muzz" Dulkowski. His first captain when he returned to Mt. Pleasant in 1963 was Jim Thompson, while his last captain when he retired in 1980 was Curtis Thompson, Jim's younger brother. Many of today's Panther standouts are children of his former players.

Although he retired from coaching in 1980, he stayed on and served as the athletic director at Buckeye West until 1984 when he retired from education.

Honored by the Dapper Dan Club in 1980 for his 221 basketball wins in 17 years, Smith was named District Coach-of-the-Year on several occasions and was inducted in the Ohio High School Hall of Fame for Basketball Coaches after his 100 career victory.

Like most teacher/coaches, Smith started supplementing his income in 1972 by selling real estate and, in 1984, formed Bob Smith Realty

where he is currently active as auctioneer and owner. He presently resides at 70961 Sharon Road in Bridgeport, Ohio, with his wife, the former Greta McCartney of Mt. Pleasant. The couple have two children: Bob, of Martins Ferry, and Carol Busby of Farmington.

The Robert Dawson Basketball Official's Award

Tonight's fifth recipient of the Robert Dawson Official's Award is one of the pioneers in Valley basketball -- Charles "Arlie" Keith.

Caught up in the World War II era, Keith entered the army draft in December of 1940 and was assigned to Fort Benjamin in Harrison, Indiana, in April of 1941.

In May of that same year, he had the distinct honor of returning home to become the first serviceman to graduate from West Liberty State College.

As a Supply Sergeant, Keith was assigned to Alaska where, during the war, he was stationed on four different islands of the Aleutian chain. In April of 1943, he was sent to Officers' Training School at Fort Benning, Georgia, but before he got there, he stopped off to marry his college sweetheart, Sara Jane Workman. [As a side note, the couple will be celebrating their 50th Wedding Anniversary a week from Monday, April 12.]

After graduating from school as a Second Lieutenant, he was assigned to "H" Company, 335th Infantry, 84th Division, and served in that unit until he received a medical retirement from Walter Reed Hospital in July of 1944.

From the service, Keith went into teaching, a profession he followed for 38 years. A graduate of West Virginia University with a Master's degree in 1953, the Keiths saw all three of their children later attend and graduate from WVU: Barbara Zinn of Tiffin, Ohio; David of Terra Haute, Indiana; and Doris of Columbia, South Carolina. The couple also enjoy four grandsons: Doug, Ryan, Adam, and Matthew.

Keith started his teaching career in the Wheeling schools. Under the supervision of Bob Roe in football and Bill Farmer in track, he began his teaching and coaching career at Clay School.

In 1945, Keith moved to Shadyside High School where he taught biology. Assigned to coach football and baseball, Keith became the youngest head coach in the Valley at that time.

From there he moved to Linsly where he taught biology from 1951 to 1968. For three years he coached football and track and was responsible for starting the wrestling program at the school. In 1952, Linsly defeated Wheeling to win the Big School division OVAC Championship.

In 1968, he moved to Williamstown High School, Williamstown, Virginia, and remained there until his retirement in 1982.

Keith's officiating career started in 1944 and, with the exception of one year which he took off to watch his son play basketball at Linsly, he spent 26 years on the hardcourts. He began football officiating ten years later in 1954 and continued working the high school, collegiate, and Continental League ranks until 1972.

During that time he served as president of both the basketball and football officials' association. His football officiating career came to a sudden end in Midland, Michigan, when a chronic heart condition told him enough was enough.

In his "spare time," Keith owns and operates a livestock farm in Harrisville, West Virginia, raising registered Polled Hereford cattle. Since retirement, he still spends a portion of his year there.

Keith expresses his love for the Valley when he says, "I have really missed the friends who I made in the Northern Panhandle and Eastern Ohio area. Sports have played a major part of the friends I have made."

The Keiths reside at 413 Henderson Avenue in Williamstown, Virginia 26187.

It is through the unselfish efforts of the above listed athletes and coaches that the Samuel A. Mumley Basketball Classic is able to operate its program. We would like to extend a thank you to all of our sponsors for their contributions, and especially to the above for "going the extra mile."

OVAC BASKETBALL SCOREKEEPER/TIMER AWARD

It was decided at the summer meeting of the Board of Directors of the Samuel A. Mumley Basketball Classic to begin this year, in addition to the coach and official, an award that pays tribute to a person who has faithfully served a conference school as either a timer or scorekeeper.

Although many names were instantly thrown out by committee members, the suggestions stopped when the name of Joseph P. Bechtel was mentioned. Perhaps the dean of valley table officials, Bechtel has served his **55th consecutive season** as scorekeeper for the Wheeling Central Maroon Knights.

Graduating from Wheeling Central in 1938, Joe instantly became involved with assisting the basketball teams and soon was considered an integral part of the gym. He was involved with the Parochial League and Wheeling Central as far back as high school when he coached the Cathedral "Mighty Maroons" for over 15 years in football and basketball. And there was rarely a Sunday afternoon that you would attend a Parochial League game that you wouldn't see Joe Bechtel.

Although he started his career as a chemist with Wheeling Pittsburgh Steel, the constant threat of layoffs and strikes and the needs of seven children saw him securing employment in the 1960's with the Wheeling Post Office where he retired in 1984.

A vital part of St. Joseph's Cathedral Parish for his entire life, he has been an active and supportive member of the Holy Name Society and the Knights of Columbus. He also served as a past officer in the Central band boosters, as all five daughters played in the Central band. Joe was also a member and officer in the Cathedral PTA.

Joe has been married to the former Eleanor Lally for 44 years. The couple proudly raised seven children in the Wheeling Central school system: Joe, Tom, Mrs.

Mark (Donna) Kemp, Mrs. Mike (Beth) Carp, Mrs. Ed (Mary Jo) McGinley, Mrs. Bill (Theresa) Barry, all of Wheeling, and Mrs. Dan (Eleanor) Barry of Saginaw Michigan.

Their son, Tom, has served as the director of the Wheeling Recreation Department for the past 19 years and is the booking secretary for softball, basketball, and football for the OVAC.

The Bechtels, who have been lifelong residents of East Wheeling, are the proud grandparents of 12 future Maroon Knights.

The OVAC is pleased to honor Joe Bechtel as the first recipient of their Scorekeeper/Timer Award.

Rules of the Game

This game is sanctioned by the West Virginia Secondary School Activities Commission, The Ohio High School Athletic Association, and the National Collegiate Athletic Association, and will be played under the following special rules:

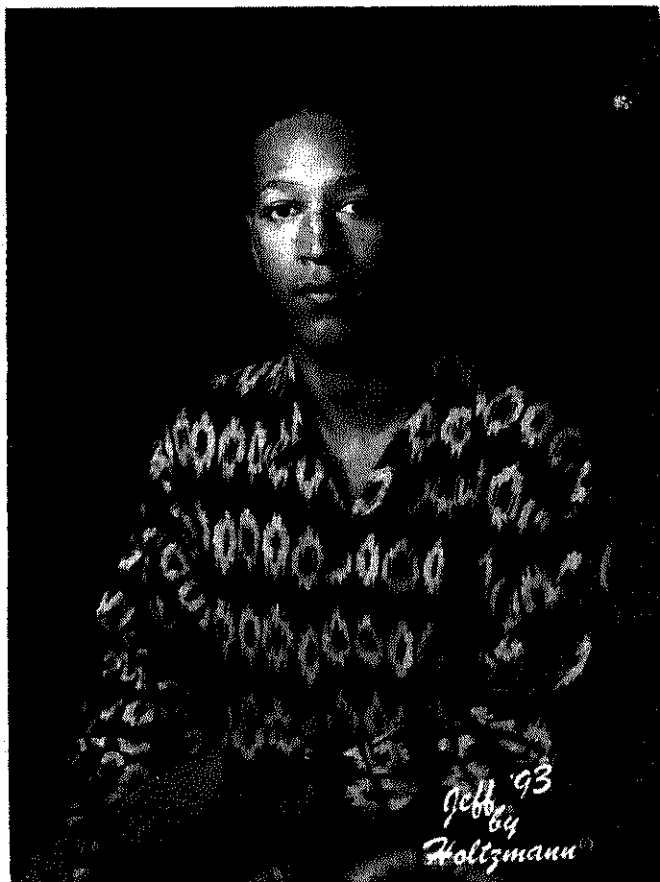

1. Each game will consist of two 24-minute halves.
2. Zone presses may be used, but must end after first trap past half court.
3. Man-to-man defense must be played in the normal attack area.
4. Each player must play eight minutes during the first half. All players must be inserted at least once in the second half unless the player is ill, ineligible, or injured.

5. Dunking will be permitted during the pre-game warmup.

6. In the event of a tie score at the end of regulation play, a three-minute overtime period will follow. If the game is tied after the first overtime period, a sudden death playoff will be held. The team that scores the **FIRST TWO CONSECUTIVE POINTS** will be declared the winner.

7. Each player is allowed SIX (6) personal fouls before he is disqualified.

SECOND ANNUAL CHEERLEADING COMPETITION

With today being the Second Annual Cheerleading Competition, the Samuel A. Mumley Basketball Classic would like to salute Mrs. Linda Alexander and her committee for expanding and improving the competition and welcome the following schools participating in today's event. We hope that these schools plus more will be back for the 1994 Classic.
