Born out of the need for financial assistance to the OVAC, the Ohio Valley Athletic Conference Foundation was organized in the late 1980 school year. It brought together many of the valley business and professional athletic enthusiasts with the purpose of financially supplementing the conference.

The OVAC Foundation has approximately 100 members. The Foundation is the fund raising arm of the OVAC and they believe you cannot lose when you help the student athlete of the Ohio Valley.

The Foundation supports the Conference in their participation with all forty-four member schools. Also, furnish two \$1,000.00 Boy/Girl Scholarships.

"Serving the Youth of the Upper Ohio Valley"

OVAC IN RETROSPECT

The Ohio Valley Athletic Conference was organized in 1943 under the guidance of a few Ohio Valley Administrators. Their basic goal was simply to devise a conference which would help to stimulate a more lucrative program(s) for competitive student-athletes in the upper Ohio Valley. Under this inception, Mr. Charles S. Wiseman became the first conference president.

Today, the Ohio Valley Athletic Conference is the largest and most functional high school conference of its kind in the United States. A total of 44 schools supply the upper Ohio Valley with over 12,000 student-athletes in 13 competitive athletic levels.

It is the basic objective of the Ohio Valley Athletic Conference to continue the promotion of all high school athletics and to further serve in the over all development of proper school relationship, scholarship and sportsmanship within its member schools.

Whatever success the OVAC has had over the past 50 years it is only due to the total support of the OVAC Foundation and those upper Ohio Valley Corporate Sponsors who have religiously supported the endeavors of the conference.

1992-93 INDIVIDUAL ATHLETIC ACHIEVEMENTS

JERRY AMES — 6'3" 275 pounder. Two way tackle who excelled on both sides of the ball. Earned his highest marks as key blocker on a Maroon Knight team that averaged nearly 300 yards per game. Shared Central's best offensive player award with Dave Sobotka and was team co-captain. Consensus First Team All-State, all OVAC and All Valley Choice. He has signed to play his college football at Fairmont State.

KEVIN LEINWEBER — 5'10" 185 pounder showed that he was much more than a blocking back with 811 yards on 118 carries — an average of nearly 7 yards per tote. A first-team all-OVAC and All Valley Choice. Leinweber also made his presence felt on the other side of the ball as he led the Knights in tackles with 122 stops from the linebacker position.

CURTIS MCGHEE — ran for over 2000 yards to lead all mountain state running backs and virtually did it all for Coach Jim Thomas' Maroon Knights as the durable 6'0" 180 pounder racked up nearly 2700 all purpose yards, scored a state-best 174 points, ran for 27 TD, caught two scoring passes and even completed a 62 yard TD toss. A dangerous punt and kick returner McGhee also excelled in the secondary with six INT's and 66 tackles. Name West Virginia Player of the Year by **USA TODAY**. McGhee was a repeat first team All-State, All OVAC and All Valley.

DAVID SOBUTKA a 6'3" 235 pounder lined up at guard next to Ames on the right side of Central's offensive line to give the Knights one of the most dominated ground games in the valley the past two years. A second team All State and All Valley honoree, Sobotka was a first team all-OVAC choice and will join Ames in college at Fairmont State.

1992-93 INDIVIDUAL ACADEMIC ACHIEVEMENTS

The 1993 graduating seniors of Central Catholic High School through academic achievement received nearly two million dollars in scholarships to continue education at a college or university.

OHIO VALLEY ATHLETIC CONFERENCE

1943 - 1993

1993 marks the 50th Anniversary of the Ohio Valley Athletic Conference. Tonight's Rudy Mumley All-Star Football Classic kicks off the celebration of this Grand Anniversary.

Being a former student athlete of the Ohio Valley Athletic Conference, I can truly appreciate the hard work and dedication of the individuals who make this conference one of the greatest and most successful high school athletic conferences in the United States.

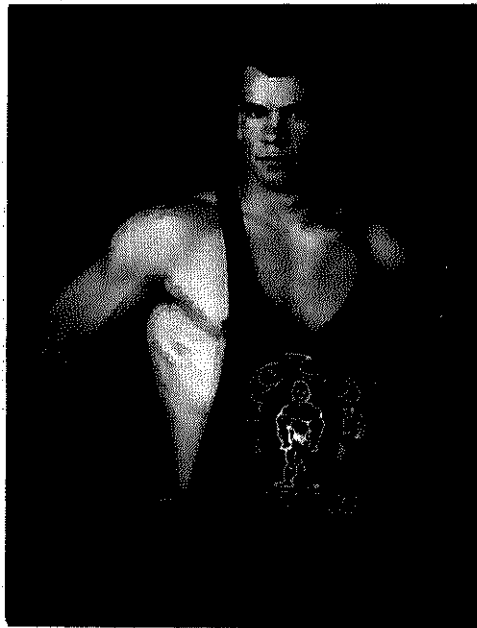

Throughout the next ten months, you will see many planned activities associated with the celebration of this 50th Anniversary. I am asking individuals like yourself throughout the Ohio Valley to join us in celebrating this great milestone. Culminating this spectacular year for the Ohio Valley Athletic Conference will be the honoring of our conference's student athletes at the annual Spring Banquet of Champions.

Enjoy tonight's game and remember, "O.V.A.C.'s Pride is Ohio Valley Wide!"

With best regards, I am

Sincerely,
Pete Cuffaro

Bellaire Queen - Erin Landers

I would like to express my greatest appreciation to all who have helped me. First, I would like to thank the Bellaire Alumni Association for sponsoring me and Gulla's Florist for donating my beautiful flowers. Also, thanks to all purchased ads. A special thanks goes to Mary Catherine Allodi who has always encouraged me and has been so much more than a teacher to me. Also, thanks to my crazy little group of friends for being there and putting up with everything - you guys are great! Most of all - thanks to my mother and father and the rest of my family (just look what you guys have done!) This one's for you!

Good Luck, QUEEN MICKI!!

First of all, I must thank the Lord above because without him none of this would be possible. I give him all the glory! I would like to thank all of the businesses and organizations for purchasing ads. To Shadyside Boosters, Football Moms, and Band Patrons I thank you for coming together to buy my gown. For my beautiful flowers, I thank Silverio's Florist. I thank Valarie Gardner and Valerie Brunner for being my escorts. I wish to thank all of those who bought raffle tickets as well. Certainly last, but not least, I graciously thank and love my family for supporting me all the way. Without your helping hands, I

couldn't have done it. This definitely is a joyous time, but it couldn't have been without everyone's help and support. Thank you all again and again. Good luck to Chad Wiley, Brian Hammond, Jessica Street, Tammie Shepherd, Andrea Oleska and Jamie Donley. Thank you and may God bless you!!!

The more you believe,
The more goals you set
The more you'll achieve.

So search for the stars,
Pick a mountain to climb,
Dare to think big,
But give yourself time.

Remember no matter
How futile things seem,
With faith, there is no
Impossible dream!

How high I aim,
How much I see
How far I reach
Depends on me!

THE LAW FIRM YOU CHOOSE DOES MAKE A DIFFERENCE

Accident & Injury Law

We're Paid Only If You Collect. We Will Help You:

Our Policy: If you have been injured or lost a loved one in an accident, we would like to help you. You can see us for free. In fact, we're paid only if we win your claim and you collect.

Some Things Are Rightfully Only Yours.

Some attorneys charge you for all the funds they collect for you, including your car damage claim and others. When our clients need our help, we assist them in collecting their own group medical insurance benefits, automobile medical payments, car damage and rental car claims. We never charge a fee for this additional service.

We Advance Costs For Your Claim.

In West Virginia, the law requires all attorneys to hold clients responsible for the expenses required to process their cases. However, we advance these expenses, interest free, to maximize the value of your claim and reduce financial burdens on you.

- Get a rental car, often at no out-of-pocket cost.
- Get your car repaired.
- By handling all telephone calls and negotiations with insurance adjusters.
- Find qualified doctors to treat your injuries, if you need our help with this.
- Get medical treatment now, and arrange for medical expenses to be paid when the insurance company pays your bills.
- Get your lost wages paid and get you compensation for any loss of future earning capacity.
- Get you everything you deserve for your pain and suffering.
- By handling all the hassles and paperwork for you.

Defective and Harmful Products At Home or At Work

We help people harmed by dangerous and poorly designed or manufactured products.

Other Accidents and Injuries

- Automobile
- Pedestrian
- Motorcycle
- Bicycle
- Boats
- Slip and Fall
- Dog Bites
- Injuries on Property
- Construction Accidents
- Farm Accidents
- Professional Malpractice
- On the Job Accidents
- Wrongful Death
- Other Accidents Involving Injury or Loss of Life

Insurance Disputes

If you have a claim, it's an insurance company's obligation to treat you fairly and promptly. But the fact is they often don't. If they're difficult to deal with, we can help.

Evening & Weekend Appointments Available

For your convenience, we can meet with you at your home or in the hospital.

GOOD LUCK TO OUR QUEEN!

I would like to take this opportunity to express my thanks to all the businesses, organizations, and family who purchased ads. Also, I would like to thank the Senior Class for sponsoring me and purchasing my gown and Silk Shack for donating my flowers, and Jennifer Gaich and Veronica Rose for being my escorts.

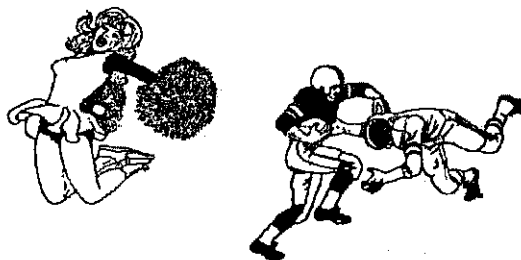

Finally, I would like to thank my Grandma and Grandpa Smedley for always standing by me no matter what I've ever needed! To Joyce and Brenda for helping me with my Queen of Queens competition. None of this would have been possible without your help! My very special thanks goes out to my parents and my brother John, for their love, encouragement, and always being there for me. I couldn't have made it without you. I love you!!!

WHAT WILL TODAY BRING?

This is the beginning of a new day.
God has given me this day to
use as I will.

I can waste it or use for good.
What I do today is important,
because I'm exchanging
a day of my life for it.

When tomorrow comes this day
will be gone forever
leaving in its place
something I have traded for it.

I want it to be gain,
not loss;

Good, not evil;

Success, not failure;

In order that I shall not regret
the price I paid for it
because the future is just
a whole string of nows.

Secrets to Happiness

- Live beneath your means and within your seams.
- Stop blaming other people - admit when you make a mistake.
- Every day do something nice and try not to get caught.
- Listen more - talk less.
- Strive for excellence - not perfection.
- Be kind to kind people - even kinder to unkind people.
- Be humble.
- Understand and accept that life isn't always fair.
- Know when to say something and when to keep your mouth shut.
- Learn from the past, plan for the future, and live in the present.
- Do your work with your "whole heart" and you will succeed - there is so little competition.

I would like to take this opportunity to express my thanks and appreciation to all the businesses, organizations and clubs who purchased ads from me. A special thank you goes out to the Barnesville Boosters Club for sponsoring me and purchasing my gown. The Flower Gardens for the beautiful flowers I will carry the evening of the game, and to my escorts Jaime Stephen and Shannon Blaney for taking the time to escort me and cheer me on. Good luck to Jason Marks, Jason Plumly and Aaron Smith and all the Ohio All-Star players. Congratulations to the BHS Band students who are participating in the OVAC All-Star Band.

Finally, I would like to thank my family for all they've done. It would have been impossible without you. Mom, you once again went the extra mile for me and I love you for it. Knowing you're behind me makes all the difference. Thanks for the memories, this one's for you.

*Love,
Rachael*

64 Years of Service in the Ohio Valley

Athletics is the common denominator that draws people from all walks of life together in the spirit of unity and good partnership. It is with this spirit that Kroger Co. is proud to take part in honoring these fine student athletes here tonight. Their dedication and enthusiasm has allowed them to become #1 in their field by striving for excellence.

The Kroger Co. also strives for excellence. Excellence in Food Retailing means being the Best Food Merchant and being a good corporate citizen.

As we begin our 64th year of service in the Ohio Valley, we would like to thank each and every resident for the support they have given us over the years. In return, as a corporate citizen, we will continue to be committed to not only our business, but to the communities in which we do business.

Congratulations on an outstanding year, and we wish you continued success in the future.

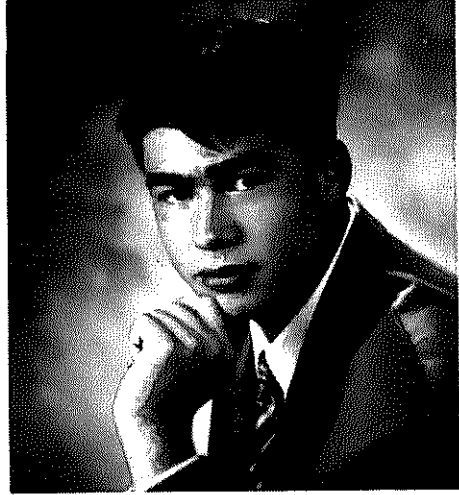

Sincerely,
Jerry Williams
