*The Ohio Valley Athletic Conference and the O.V.A.C. Foundation
would like to dedicate this All-Star Football Classic Program
to the memory of*

Bill Van Horne

~ In Memory ~
Bill Van Horne

Bill Van Horn's association with the Ohio Valley Athletic Conference goes back to the league's very beginnings more than 50 years ago.

His death on June 11 of this year brought to a close a memorable newspaper career that began in 1941 when he was appointed as sports editor of the Martins Ferry Times-Leader. Bill stayed with the Times-Leader until 1966 when he became sports editor for the Wheeling News-Register, a position he held until his passing on this earth into God's hands.

Always a giant in his field and a role model for aspiring writers, Bill was an enthusiastic supporter of the AC and its role of promoting both the athletic and academic growth of the youth of our Ohio Valley.

The game committee for the Rudy Mumley OVAC Unity All-Star Classic has decided to honor this outstanding journalist by dedicating the year's game program to the memory of Bill Van Horne.

"He was a friend to all, especially the youth of the Ohio Valley" commented Sam Mumley, long-time executive secretary of the conference. "As a newspaper man, Bill had no peer."

Born on March 9, 1921, in Martins Ferry, Van Horne was the recipient of many prestigious awards during his lifetime. Among the honors included: West Virginia Sports Writer of the Year, 1972; "Mr. Mat" Award presented by the OVAC Wrestling Coaches Association, 1977; Gene Morehouse Memorial Award for contributions in sports writing throughout West Virginia; Honor Chairman of the Upper Ohio Valley Dapper Dan Unity Sports Awards Banquet; Ohio Valley Dapper Dan of the Year, 1993; R.S. McKelvey Memorial Award, given from the Upper Ohio Valley Dapper Dan Club; three-time West Virginia Wrestling Sports Writer of the Year; Edwin Griffin Memorial Track Award, presented through the OVAC for contributions to the sport of Track and Field; and induction into the writers section of the Ohio Baseball Hall of Fame.

As a sports reporter, Bill covered numerous bowl games in which Ohio State and West Virginia University were featured, including the Sugar, Rose, Fiesta, and Gator bowls to name a few. He also covered the World Series, one of the greatest thrills coming the day Tiltonsville's Bill Mazeroski belted his historic home run in the bottom of the ninth inning to defeat the New York Yankees and give the Pittsburgh Pirates the 1960 World Championship. He attended at least five major league star games and had been fortunate enough to be in ball park for three no-hit games. He witnessed such

diverse competitions as the Indianapolis 500; 1948 U.S. Olympic Track and Field Trials; 1959 Pan-American Games at Chicago; 1959 U.S.-Russian Track meet in Philadelphia, and the Russian-American wrestling match at Tempe, Arizona. He was also present for the dedication of the College Football Hall of Fame at King's Island near Cincinnati; the first event held at the Hoosier Dome in Indianapolis; PGA championship at Firestone Country Club in Akron; the NCAA Wrestling Championships at Kent State, and all 11 of the West Virginia LPGA Golf Classics held at Oglebay Park's Speidel Championship Golf Course.

During the late 1940's and early part of the next decade, Van Horne broadcast play-by-play accounts of local high school football and basketball games on WTRF Radio (now WOMP). And for five years he hosted the "Saturday Sports Page of the Air" on the same station. He announced numerous OVAC and District wrestling tournaments, along with many of the valley's prominent track meets.

For 20 years, he ran the Times-Leader Baseball League and he was the originator of the All-Valley Track and Field Team, an all-star team he began selecting in 1943 and continued to do so until the weekend of his death.

Bill was past president of the WV Sports Writers Association and the Football Writers of America. He also served on the state writers of Wheeling and Upper Ohio Valley Dapper Dan Boards.

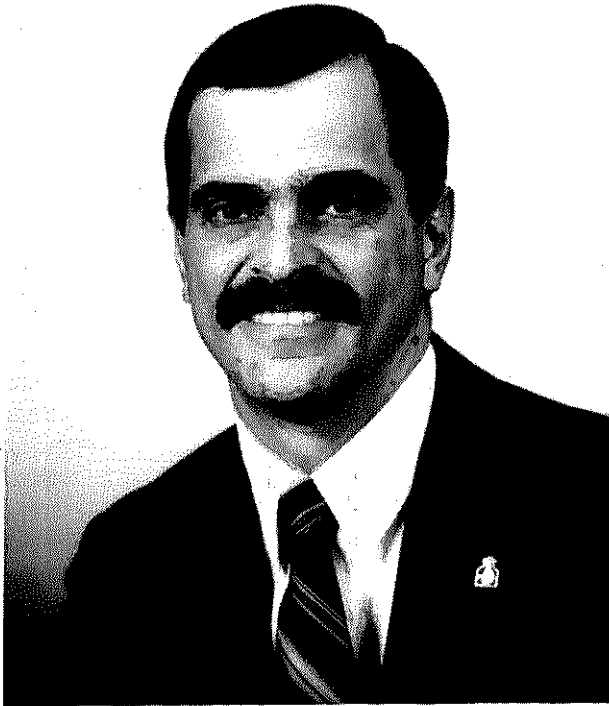

He was the first sportswriter from West Virginia to be elected to the Football Writers of America Board of Directors and he was the state chairman for the Heisman Trophy selection committee.

Bill also found time to handle duties as publicity director for both the Wheeling Ironmen professional football team and the Wheeling Blues professional basketball team.

Other civic duties included being a charter member and past president of the Martins Ferry Rotary Club and nine years on the Martins Ferry Recreation Board. He was honored with a testimonial dinner at the Wheeling Civic Center on December 10, 1989, an affair attended by such Ohio Valley sports greats as Joe and Phil Niekro; John Havlicek; Alex and Lou Groza; Tom Keane, Bill Mazeroski; Bobby Douglas and Lance Mehl.

Van Horne is survived by his wife Gladys; one daughter, Linda (Mrs. Robert Ellis); one granddaughter; two stepsons and three stepgrandchildren.

OVAC IN RETROSPECT

The Ohio Valley Athletic Conference was organized in 1943 under the guidance of a few Ohio Valley Administrators. Their basic goal was simply to devise a conference which would help to stimulate a more lucrative program(s) for competitive student-athletes in the upper Ohio Valley. Under this inception, Mr. Charles S. Wiseman became the first conference president.

Today, the Ohio Valley Athletic Conference is the largest and most functional high school conference of its kind in the United States. A total of 45 schools supply the upper Ohio Valley with over 12,000 student-athletes in 13 competitive athletic levels.

It is the basic objective of the Ohio Valley Athletic Conference to continue the promotion of all high school athletics and to further serve in the overall development of proper school relationship, scholarship and sportsmanship within its member schools.

Whatever success the OVAC has had over the past 52 years it is only due to the total support of the OVAC Foundation and those upper Ohio Valley Corporate Sponsors who have religiously supported the endeavors of the conference.

Born out of the need for financial assistance to the OVAC, the Ohio Valley Athletic Conference Foundation was organized in the late 1980 school year. It brought together many of the valley business and professional athletic enthusiasts with the purpose of financially supplementing the conference.

The OVAC Foundation has approximately 100 members. The Foundation is the fund raising arm of the OVAC and they believe you cannot lose when you help the student athletes of the Ohio Valley.

The Foundation supports the Conference in their participation with all forty-four member schools. Also, furnish two \$1,000.00 Boy/Girl Scholarships.

Sam Mumley to Receive National Award in Washington, DC

A national award from the National Federation Interscholastic Officials Association will be presented this month to Samuel A. Mumley, Sr., executive secretary of the Ohio Valley Athletic Conference.

Mumley, a St. Clairsville resident, is to receive a national Distinguished Official Contributor of the Year Award for 1995 at the NFIOA's conference luncheon Saturday, July 15, at the Omni Shoreham Hotel in Washington, DC. Similar awards will go to individuals from seven other states.

"I'm very pleased to be receiving this honor and we're looking forward to attending the event in Washington," said Mumley, who has previously been honored numerous times on the area and state level.

Mumley, who has headed the OVAC for 27 years, was a basketball official for more than 23 years during his varied endeavors in regard to sports. He served two terms as president of the Ohio Valley Board of Approved Basketball Officials.

Pat Fragile, state officials' rules interpreter for the West Virginia Secondary-School Activities Commission, nominated the East Ohio resident for the upcoming award, and he was named as a recipient by the NFIOA Board of Directors.

Included among Mumley's previous honors was his selection as "Man of the Year" in St. Clairsville by the Rotary Club. He was the sixth recipient of the Robert S. McKelvey Memorial Award presented by the Upper Ohio Valley Dapper Dan Club for his service to area youth.

When Mumley was honored at a testimonial dinner in 1992 at Oglebay Park's Wilson Lodge, he was given a check for \$10,000. He used this money to establish the Samuel A. Mumley Scholarship, which is presented each year at the OVAC Banquet of Champions.

The OVAC banquet itself was organized through his efforts. Honored at this event each year are upwards of 1,000 student-athletes, and more than \$18,000 is awarded in scholarship funds.

Mumley also worked for the establishment of the OVAC officials' commis-

sioner program in basketball and football.

He and Dr. Donald Hofreuter of Wheeling initiated efforts to establish the OVAC Foundation, which is the fund-raising arm of the OVAC.

During his tenure as an OVAC official, sanction was received from the NCAA for the OVAC Rudy Mumley Charity All-Star Football Game, which has raised more than \$500,000 for charities in the Upper Ohio Valley.

Included among his other contributions is his work for the establishment of the OVAC Part-

ners in Business Program, which involves such businesses as Kroger Food & Drug Co., Cameron Coca-Cola, McDonald's of Wheeling and Fox Run Hospital in supporting OVAC sponsored sports, which serve some 12,000 student-athletes.

One of his most recent accomplishments was related to the West Virginia Super Six high school football championships. He and Eric Carder, assistant principal at Wheeling Park High School, worked to bring the championships to Wheeling, and the first was held last December with another planned late this year.

He also is a member of the Wheeling Hospital Board.

Mumley worked on many of these projects while battling cancer, and he has undergone six cancer-related surgeries. Although he is doing well at the present concerning his health, he returns periodically for checkups at the Arthur G. James Cancer Research Center in Columbus.

The honoree is a 1949 graduate of Union High School, Benwood, and a 1954 graduate of the University of Maryland. He also earned two more degrees

at West Liberty State College.

He has served in the education field in both Ohio and West Virginia serving as a teacher, trainer, athletic director, special programs director, assistant coach and coach.

Mumley also works in various projects of the Ohio High School Athletic Association and West Virginia Secondary Schools Activities Commission.

The St. Clairsville man is not the only family member involved in the OVA as his wife, Nancy, is conference treasurer.

Their family includes four children: Marine Pilot Major Sam A. Mumley, Jr., John Adams, President of A&A Auto Sales and Detailing Center, Zanesville; Mrs. Lee Elliott, Assistant Manager of Time Market Research in the Ohio Valley Mall; and Communications Officer Anthony Adams, U.S. Navy, Virginia Beach, VA. They also have nine grand children.

I would like to take this opportunity to express my sincere thanks and appreciation to all the businesses, organizations and friends who purchased ads. A special thanks goes to the Martins Ferry Booster Club for purchasing my gown and to Carol Kirkpatrick for helping me with my ads. Also thanks to the Martins Ferry Flower Shop for the donating my beautiful flowers. Thank you too, Stephanie Hooper and Nicole Melendez for being my escorts. I will miss you guys next year! A very special and sincere thanks goes to Debbie Mirich, Emily Icenhour, Dee and Sherri McKean. I know I couldn't have made it this far without you. You are all so wonderful! Thanks Tracy for everything. You're the greatest friend a girl could ever have. And finally, thanks to my parents for all of their love, patience and support. You are a very special part of my life. Thanks again.

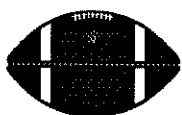

Love,

I am so grateful to all of the businesses and organizations that generously sponsored me. I must send out extreme gratitude to all my wonderful fans and friends at St. Johns Central for believing in me. I especially want to recognize my father for everything he has done for me. He has given me courage to never give up, the support to make it to the top and all the love in the world. Thank You will never be enough.

Iwould like to take this opportunity to express my greatest appreciation and thanks to all businesses, organizations, clubs, family and friends who purchased ads and raffle tickets from me. A special thanks goes to Student Council for purchasing my gown, Bud's Bloomers for donating my beautiful flowers, and Slavik's Photography for donating my Singers and Cheering picutres. I would also like to especially thank Mrs. Barbara Jeffries for her dedication in teaching, inspiring and working with me. Also, thanks a million to Jill and Sherry Burkhart for enriching my love for the art of dance, and Vanessa Maroon and Heather Foster for taking the time to escort me and cheer me on. Good luck to Mike McKeever and all the OVAC All-Star football players, and congratulations to the St. C. Band students who are participating in the OVAC All-Star Band including my sister, Joelle, who is a member of the OVAC Drill Team and all my other dance friends from around the valley.

Finally, I would like to thank my family for all they've done for me. To my parents, I can't express how much I love and thank you for always standing by and believing in me, you have once again gone the extra mile for me and I love you for it. Without you, none of this would have been possible. Thanks for the memories, this one's for you.

With All My Love,
Somer

Linsly Queen - Leah Dematte

I would like to take this opportunity to express my sincere gratitude to everyone who has helped make this experience possible. Thanks to the businesses, organizations, friends, and relatives who purchased ads from me. I would like to extend my thanks to the Linsly School for helping to purchase my gown, C & S Photography and Jan Reed Photography for letting me reproduce their pictures, Ponzani's Florist for donating my flowers, and my two wonderful friends Jill Irvine and Jen Osborne for escorting me. A special thank you goes out to Toni Zeakes and Lisa for the time they spent with me, and to Mrs. Solonika and Mr. Wilson for giving me the encouragement and opportunity to perform on stage throughout my Linsly career. I wish Greg Mosser the best of luck not only in this game, but for all the future has in store for him.

Most importantly, I would like to thank my cousins for all their love, support and encouragement. I have been truly blessed and I thank God for it. Finally, my greatest appreciation goes out to my sister Jillian and my parents for always believing in me and being there for me. The unconditional love you have given me means so much. I love!

Love always,
Leah
