CONGRATULATIONS!

25th Anniversary of the OVAC All-Star Football Classic in Retrospect

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail... "The OVAC would not gain NCAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not give the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound inter-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 60's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could totally regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All-Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated official ending of the Ohio Valley's "pigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC. "The rich athletic heritage of this valley as well as having one of the most prolific all-star conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the "deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game plan remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all

of the other conference business, the OVAC was very busy in implementing its Title IX Program for Girls. Such female programs were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened...late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 22 years. In 1986, the game was officially re-named as: The Rudy Mumley OVAC Ohio-West Virginia Charity Football All-Star Classic.

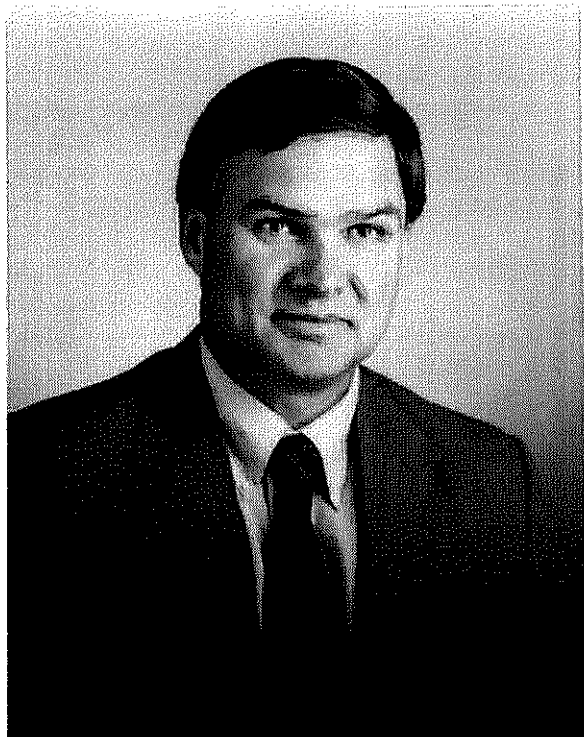

Tonight's Silver Anniversary extravaganza will have produced...1,500 players • 3,220 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans...and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC family, we thank you for allowing us to share..."Charity and love for our fellow man."

OVAC Plays Key Role in Local Sports

Sports Conference Helps Maintain Ohio Valley's Rich Athletic Traditions

Reprinted with permission by CALPOKAS

Lou Holtz, John Havlicek, Bill Mazerowski and Rollie Fingers.

What do these sports figures have in common?

If you feel that's a tough question, then add Joe and Phil Niekro, Dom Capers, Glenn "Jeep" Davis and Lou "The Toe" Groza.

Or perhaps, Chuck Howley, Danny Abramowicz, Bobby Douglas, Nick Skorich and Francis Wallace.

The above persons are products of the Ohio Valley, an area rich in sports tradition, and they've distinguished themselves as athletes, coaches and journalists on the collegiate and professional level.

They all have roots from an area which for the last 52 years has been served by what is regarded as the largest high school sports conference in the country - The Ohio Valley Athletic Conference.

The OVAC was founded prior to the 1943-44 school year. For the last three decades, it has enjoyed peaks and valleys, but now is experiencing unprecedented growth and success due primarily to the leadership of its dynamic executive secretary, Sam A. Mumley, Sr.

During his 30 years of conference leadership, the retired teacher, coach, trainer and athletic administrator has been instrumental in implementing programs to strengthen the organization's foundation and to spark fan interest in an ever-growing list of athletic events.

When Title IX came into existence during the early 1970s, it created additional growth problems for the conference, but Mumley tackled the situation with enthusiasm and made certain that programs for girls were developed.

All of this took additional funds, which were lacking. The OVAC at one point was on the brink of bankruptcy, but Mumley spearheaded a program to gain public support.

Ohio Valley fans and the business community responded, and the OVAC now has

various corporate sponsors and an annual budget of around \$100,000.

Another boost to the welfare of the OVAC occurred some 15 years ago when the OVAC Foundation was formed, and it now serves as the conference's fund-raising arm.

One of the annual highlights of the high school sports season is the OVAC Banquet of Champions, held in late May to honor all of the conference's championship teams. Additional awards are presented to individuals who have played major roles in supporting various sports, but most important, the conference is able to distribute some \$18,000 in scholarships, thanks to the generosity of various businesses, individuals and organizations.

Mumley's influence on Ohio Valley sports has been recognized on local, state and national levels.

Last February, he was hailed as the Ohio Valley Dapper Dan Club's "Man of the Year."

Speaker at this year's fete was Holtz, perhaps the most recognizable name in college football. The Notre Dame coach was born in Follansbee and raised in East Liverpool.

Holtz has spent much of his coaching career on the collegiate level, but did spend one year as head coach of the New York Jets.

He's one of three products of OVAC schools to hold head coaching jobs in the NFL. Dom Capers of Pleasant City (Meadowbrook High) currently is coach of the Carolina Panthers and last season produced the winningest expansion team in league history.

Nick Skorich of Bellaire was head coach of the Philadelphia Eagles for three years and head coach of the old Cleveland Browns for four seasons. Now in his mid-70s, Skorich remains active in the NFL in the capacity of assistant supervisor of officials.

Speaking of NFL officials, Shadyside High product Ed Coukart, now a banking official in East Liverpool, is better known as No. 71, a back judge who has officiated in

the NFL for five years after a long career as a collegiate football official.

Bellaire produced two brothers who came NFL standouts, Tom and Jim Keenan whose careers started as prepsters at a private military institute in Wheeling.

Linsly School, which has been in existence for more than 180 years, is also alma mater of a current NFL player, Wally Cole, who just recently left the Detroit Lions to sign with the New England Patriots.

Two other brothers from the Ohio Valley who became nationally known are Larry Doby and Bridgeport High product Phil and Joe Niekro who rank as the winningest brother pitching combo in major league history with 528 victories.

Equally well-known nationally were brothers from Martins Ferry, Lou Groza and his younger brother, the late Alex Groza.

Lou Groza gained fame with the Cleveland Browns, while Alex Groza was a three-time basketball All-American at the University of Kentucky under the legendary Adolph Rupp and was a member of the United States team which won an Olympic gold medal in 1948.

Lou Groza enjoyed a stellar career with the Browns and is a member of the Football Hall of Fame.

He is one of two Ohio Valley products to be elected to the Pro Football Hall of Fame. The first was Toronto native Clarke Hinkle who played fullback and linebacker for Green Bay Packers in the late 1930s and early 1940s.

The Niekro brothers were all great athletes at Bridgeport High, which also produced one of the all-time professional basketball players in John Havlicek.

"Hondo" teamed with another all-time great, Jerry Lucas, to lead Ohio State to the 1960 NCAA basketball title. Havlicek enjoyed a banner career in the NBA with the Boston Celtics and was team captain when he retired. He played in 13 NBA All-Star Games and was a member of eight NBA championship teams.

Phil Niekro and Havlicek were teammates at Bridgeport, a school which is

ed another major league player, John Triak, and one of the country's top college wrestlers, Bobby Douglas.

Douglas holds the distinction of being first African-American to captain a U.S. Olympic wrestling team.

Perhaps the most famous professional lete in the country in 1960 was Bill Zeroski, the long-time Gold Glove second baseman and captain of the Pittsburgh Pirates who starred at old Warren Consolidated High in Tiltonsville before embarking a professional career.

It was "Maz's" dramatic ninth inning home run in the seventh game which gave the Pirates the World Series title over the vily-favored New York Yankees.

A former roommate of Mazerowski's was ceiling native Gene Freese, who enjoyed a long major league career with several teams. His older brother, George, also enjoyed a long career in professional baseball. One of the most fascinating players in college basketball history got his start in the Ohio Valley as a prep star at Wellsville High.

Clarence "Bevo" Francis played just two years at Rio Grande, a small liberal arts college in southeastern Ohio.

Francis attended in the early 1950s, and coached for his former high school coach, Al Oliver. He set college basketball scene to fame with his phenomenal scoring antics. He tallied 116 and 113 points in games in consecutive seasons and scored more than 1000 points in two years as a collegian. In Francis' second season (1953-54), Rio Grande moved up in class to play such schools as Villanova, North Carolina State and Miami (Fla.) and beat such schools as Wake Forest, Butler, Creighton and Arizona State.

Besides Capers, there are three other products of OVAC schools who currently hold coaching positions in the NFL. Martins Ferry's Fred Bruney has enjoyed a career of more than 40 years as a professional football player and coaching assistant with such teams as the old Boston Patriots, Philadelphia Eagles, Atlanta Falcons, New York Giants and currently with the Indianapolis Colts.

Abramowicz, who hails from Steubenville and at one time held the all-time NFL record for pass receptions in consecutive games (107), is an assistant with the Chicago Bears, and Barnesville native Larry Rennie, who replaced his old boss, Ohio

State's John Cooper, as head coach at Arizona State, recently joined the staff of Arizona Cardinals coach Vince Tobin.

The area has made one other notable contribution to professional football. Canton (Ohio) is the home of the Pro Football Hall of Fame and the senior architect for the original facility, and even a recent multimillion dollar expansion, is Martins Ferry native Robert Forsythe.

Besides Alex Groza and Douglas, OVAC schools have produced five other Olympians - Davis and Les Carney (track), Amy Gamble (handball), Aric Long (decathlon) and Bruce Meredith (sharpshooting).

Two football players from OVAC schools hold distinction of being Outland Award winners, the late Cal Jones of Steubenville who played at Iowa, and Bob Gain of Weirton, who played at Kentucky and later was Groza's teammate with the Cleveland Browns.

Wheeling native Chuck Howley, following an outstanding career at West Virginia University, became a stellar linebacker with the Dallas Cowboys. He was voted MVP of Super Bowl V, the only player from a losing team to be accorded this honor. A six-time All-Pro honoree, Howley is a member of the Cowboys' elite "Ring of Honor."

Another former All-Pro linebacker, Bellaire's Lance Mehl, saw his career with the New York Jets shortened by a keen injury. He previously starred at Penn State and was voted Defensive MVP of the Sugar Bowl his junior year.

Former valley athletes from many past eras until the present have been prominent on the collegiate coaching scene.

Barnesville's Tom Harp coached at several major institutions, including Duke and West Point, while Martins Ferry native Bill Elias was formerly head coach at such schools as Virginia and the U.S. Naval Academy.

John Konstantinos of Yorkville had a long college coaching career and served under Holtz at several schools. Most recently, he's been athletics director at Cleveland State University.

Two Big Ten schools boast head golf coaches from neighboring communities in East Ohio. Martins Ferry's Jim Brown ranks as one of the most successful coaches in NCAA history and led the Buckeyes to a national title during the 1980s when he was voted national college coach of the year. Making his name in collegiate circles is a

young Ken Horvath, a Lansing native and Bridgeport High product who is head coach at Michigan State.

Perhaps the most notable achievement by an area product on the collegiate level was accomplished by Jerry Ippoliti, a product of old Dillonvale High who went on to enjoy a fine career in college coaching and most recently has been prominent as commissioner of the Mid-American Conference, which consists of 10 Division I schools in Ohio, Michigan and Indiana with a combined enrollment of more than 220,000.

Moundsville's Ed Pastilong is athletics director at West Virginia University and has been the architect of a program in which the Mountaineers have gained membership in the Big East, one of the country's prominent college athletic conferences.

This is only a sampling of the many student/athletes who came out of Ohio Valley Schools to distinguish themselves as athletes and coaches.

St. John Central produced two of the area's top basketball scorers in valley history in Allen Hornyak and Stephanie Petho, and they both went on to enjoy successful college careers. The same could be said of 1950s adversaries Lee Patrone of Bellaire and Ron "Cy" Godfrey of Martins Ferry.

And there were Bellaire High teammates Francis Gibson and the late Mike Ingram who went on to captain two prestigious college football programs at West Point and Ohio State, respectively. Later on came Mike Sherwood, another former Big Red who went on to establish numerous passing records at WVU.

The All-American Town today boasts one of the up-and-coming professional football players in Joey Galloway of the Seattle Seahawks, who distinguished himself as an athlete and scholar at Ohio State.

There have been many other Ohio Valley products from both sides of the Ohio River who have excelled in college and professional ranks and that list will continue to grow in generations to come.

"Doc" Vazquez

Thanks for 25 Years of Service to the OVAC

By Jeff Harrison
Times Leader Sports Editor

The doctor is in. And as far as the Ohio Valley Athletic Conference is concerned, Dr. Luis A. Vazquez of St. Clairsville has been in for a quarter of a century.

Vazquez, who's spent the last 34 years as team physician at St. Clairsville High School and who also did double-duty for 10 of those years with Bridgeport High School, has thoroughly enjoyed his relationship with the OVAC.

"My association with the OVAC has always been wonderful," related Vazquez. "I really like to be around the kids. Every year, I say I'm going to give it up, but I don't because of the kids."

"The OVAC has such good people, like Rudy (Mumley) and Sam (Mumley), and I get a chance to know many of the coaches in the area."

"Doc" is a native of Caguas, Puerto Rico and a veteran of World War II. He did his pre-med schooling in both Puerto Rico and at Ripon College in Wisconsin. While there, he served as trainer for both the football and basketball teams.

Vazquez then attended the University of Madrid and the University of Seville, both in Spain. He served his internship at the "Old North" Wheeling Hospital back in 1957-58 and his general surgery residency from 1958-61 at what was then Ohio Valley General Hospital in Wheeling.

He began his General Surgery and General Practice in St. Clairsville on June 1, 1961 and has been there ever since.

His various organizational memberships include the Joint Advisory Committee for Sports Medicine; the High School Athletic Association, the Ohio State Medical Association and the Inter-American College of Surgeons. He's also a fourth degree Knights

of Columbus member and is a former member of the St. Clairsville Board of Education. He was named one of the outstanding team physicians in Ohio back in 1981.

Dr. Vasquez has also been noted as one of Ohio's Outstanding Athletic Physicians by the Ohio High School Athletic Association in 1986. Such honor was bestowed upon him at a special ceremony in Canton, Ohio.

When he's not busy with his medical practice, "Doc" and his wife of 38 years, Bonnie are kept busy with family. They have six children – Luis Jr., 37 a teacher/assistant football coach in Lancaster; Mark, 36, a Lieutenant Commander in the Coast Guard in Los Angeles; Roger, 34, a pediatrician in North Canton; Lori (Davis), 32, of Hilliard; Becky (Dawley), 29, of Pickerington; and Michael, 27, a salesman for A.D.P. in Cuyahoga Falls; and 10 grandchildren.

Vazquez says he doesn't plan to retire any time soon. "I'm not ready to start watching soap operas just yet," he said.

Thanks for 25 years of dedicated service to the OVAC and the youth of the Ohio Valley, Doc!

OFFICIALS

By Joedy McCreary

Wheeling News-Register Staff

It's no secret that athletes typically list hard-fought, smash-mouth battles with traditional rivals as among their most memorable contests, but those spirited affairs also have a way of bringing out the best in the valley's finest officials as well.

As a result, it's only natural that one of the premier flag-droppers in the Ohio Valley would be honored during one of the most fueled rivalries around – the Ohio vs. West Virginia All-Star Game.

For over 29 years of officiating service to the Ohio Valley Athletic Conference, long-time referee Jim Kelly will be honored during tonight's 25th Annual Rudy Mumley OVAC All-Star Charity Football Classic.

Though he's got his share of Ohio and West Virginia state playoff games under his officiating belt, Kelly still feels that the area's nostalgic confrontations still mean the most.

"For me, the neighborhood rivalries here in the Ohio Valley still provide the most exciting and challenging games," Kelly said. "The Wheeling Park-Brooke, Bellaire-Martins Ferry, Woodsfield-Beallsville, Valley-Tyler, Steubenville Central-Steubenville games, along with dozens of other rivalries, provide the real excitement of the community, fans, coaches and most importantly, the students and players. For those who officiate these games, they will be remembered forever."

Kelly, a life-long Wheeling resident who graduated from Wheeling Central Catholic High and West Liberty State College, is a card-carrying member of both the West Virginia and Ohio Secondary Schools Associations, certified by both boards to officiate in the respective states.

He has worked numerous OVAC All-Star Games, W. Va. state playoff and championship clashes and Ohio playoff games.

The owner and operator of Aul and Shively, Inc. in Wheeling, Kelly and his wife, Karen, have four children, Kristy, Beth, Katie and Jeff.

Meanwhile, there are more standouts besides the players and coaches who, through meritorious work during the OVAC's regular season, earned the right to showcase their talents under the glaring Wheeling Island Stadium lights tonight.

Once again, the OVAC has lined up a stellar corps of officials who will call the game fairly and two first-rate athletic trainers who will be sure to jump at a moment's notice to attend to any wounded warriors.

Keith Bloom will be the referee for tonight's game, and assisting him in his on-field duties will be umpire Steve Snyder, linesman George Kelchak, line judge Jim Kuczynski, back judge Don Carp and side judge Joe Cain.

The West Virginia trainer is Randy Elliott while Herb Minch will attend to the Ohio All-Stars, with assistance from Cheryl Gilbert.

BLOOM is a big-name referee who is no stranger to the Rudy Mumley OVAC All-Star Charity Football Classic. One of

the more respected names in Ohio Valley officiating, tonight's game marks his fourth career OVAC All-Star tilt.

He's also donned the white cap for a dozen playoff games in both states through his 17 seasons of experience. Bloom, a Weirton resident who graduated from Weir High and attended West Virginia State College, has been employed by Weirton Steel for the past 24 years. He has one son, Keith II.

SNYDER will serve as the umpire for tonight's game. A 16-year veteran of the Ohio Valley officiating circuit, he has worked playoff games in both W. Va. and Ohio since 1989, calling eight Mountain State post season affairs and a pair of playoff clashes across the river.

Snyder graduated from Magnolia High School and attended West Virginia University and Fairmont State College. The president of the New Martinsville Junior Baseball League, he and his wife, Kathy, reside in New Martinsville with their four children – Patrick, 11; Kevin, 7; and twins Michelle and Suzanne, 5.

KELCHAK will undertake the duties of head linesman for the silver anniversary affair. He has hurled the hanky for 17 seasons as a member of the West Virginia officiating board, working playoff games in the Mountain State for the past eight years.

A graduate of Weirton Madonna High and the University of Steubenville, Kelchak also serves as an off-ice official for the Wheeling Nailers of the East Coast Hockey League. A

resident of Weirton, he and his wife Benita, have one daughter - Francesca.

KUCZYNSKI, tonight's line judge, has 15 years of experience officiating W. Va. high school football games. He has abored through a total of seven post season games in both W. Va. and Ohio, and he's twice performed on the Wheeling Island Stadium turf as an official in the OVAC All-Star Game.

A graduate of Steubenville Central High, he and his wife, Debbie, live in Richmond with their four children - John, Natalie, Sarah and Elizabeth.

CARP will serve as the back judge during tonight's gleam game. A fire protection specialist for American Electric Power's Mitchell Plant, he got his officiating start in 1983 and has progressed to the 1992 W. Va. Class A championship game at Charleston's Laidley Field.

He graduated from Wheeling Central Catholic High and attended West Liberty State College. Carp lives in Wheeling with his wife, Michaeline, and two children - Amanda, 15; and Brock, 12.

CAIN, the side judge, has 10 years of officiating experience under his belt in the Mountain State. A 1984 graduate of Magnolia High, he has worked a pair of W. Va. playoff games during his whistle-blowing career.

Cain, who has been employed as a chemical operator at PPG for eight years, is a lifelong resident of Proctor, W. Va.,

where he resides with his wife, Barbara, and their three children - Nick, 11; Erin, 9; and Eliza, 1.

ELLIOTT will serve West Virginia coach Jim Thomas as the head trainer for the Mountain Staters.

A graduate of Oak Glen High, West Liberty State College and West Virginia University with a degree in sports management, Elliott currently resides in New Cumberland.

MINCH, West Liberty State's athletic trainer, makes certain that the Ohio All-Stars will be in good hands in case of injury.

A graduate of Wheeling Park High, West Liberty State College and West Virginia University, Minch has logged armfuls of training experience.

He has worked for John F. DeBlasis at Physical Therapy Services and as the athletic trainer at Wheeling Jesuit College before accepting the same post at West Liberty State College, where he is in charge of all athletic training needs for 12 varsity sports. Also the Hilltoppers' softball coach, Minch resides in Valley Grove.

GILBERT will assist Minch on the Ohio sidelines for tonight's gala event.

A sophomore at West Liberty State College majoring in exercise science, Gilbert is the Hilltoppers' student athletic trainer.

A 1994 graduate of Wheeling Park High School, she is the daughter of Bonnie and Nelson Gilbert of West Liberty.

Love Ya,
Mom, Dad, and Marcy

I would like to take this opportunity to express my sincere thanks and appreciation to all the businesses, organizations and friends who purchased ads. A special thanks goes to the Martins Ferry Booster Club for purchasing my gown. Also thanks to the Martins Ferry Flower Shop for donating my beautiful flowers. Thank you too, Staci Holler and Brooke McFarland for being my escorts. I will miss you guys next year! Thank's Brian, for everything - You're the greatest boyfriend a girl could ever have. And finally, thanks to my parents for all of their love, patience and support you have given me. I couldn't have made it this far without you. Thanks will never be enough.

Love,
Heather

**St. Clairsville

Kylee Moats**

I would like to take a moment to express my appreciation to the many people who have helped me make it to the OVAC Queen of Queens. First, thanks to all my sponsors. The town of St. Clairsville has definitely made a contribution to the OVAC Scholarship Program. Thanks to the student council for the donation towards my gown, to the many raffle ticket buyers, to Bud's Bloomers for the flowers, and to Briggs for my picture setting. A special thanks to my family and friends for all their support. Lastly and most importantly, thanks to my mother who taught me dance since birth. Without her love, support, and so much extra effort, I wouldn't be where I am today.

In addition, I would like to wish all the All-Stars that are participating in the OVAC All-Star Game - Good Luck and Congratulations!

Love,
Kylee

Good Luck & Best Wishes
Queen Stacy Canter

*We love you
and are very
proud of you!*

*Love,
Mom & Dad*

I would like to express my appreciation to all businesses, organizations, family and friends who so generously purchased ads. I would also like to thank the SJC Band for their donation toward my gown and to the Martins Ferry Flower Shop for my beautiful flowers.

My most heartfelt thanks goes out to all that have encouraged me throughout my life. Thank you Mr. Picchi and Mrs. Sivert for teaching me how to sing. I love you both and without you I wouldn't have gotten this far. Thanks to my parents and family for believing in me and guiding me. Most of all, I thank the Lord above for making who I am today and for all the blessings He has bestowed on me.

Thanks to two of my best friends, Joy Harr and Bridgette Duley for escorting me. I want to wish Ben Dupke good luck in the All-Star game. Also, good luck to the drill team members Shanna Bowman, Maria DeGenova, Traci and Tria Tuttle. I love you all - make the Pomerettes proud!

Love,
Stacy

Tyler Consolidated High School Queen Cassie Ferguson

My most sincere thanks to all the businesses, organizations and friends who purchased ads from me. I cannot begin to express my most heart felt thanks to each of you.

To my family, especially mom, I would not be where I am without your undying devotion, support and love.

Mrs. Stender, thank you not only for your encouragement and support, but for starting such a wonderful new tradition at Tyler Consolidated. I hope all the future Miss Knights enjoy their reign as much as I have.

To C.J., Lindsay, Anita and Duane Dober, I love you all very much! Thank you for always being my second family. LeAnn Williamson and Amanda Pardine...thank you for escorting me and being such great friends. Good Luck Eric! And again thank you!

With Much Love,

Cassie Ferguson

"Our Queen"
You make
us proud!

Love,
Mom, Dad
& Brianna

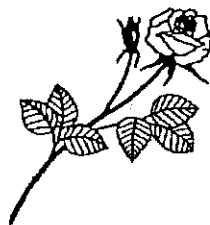

Iwould like to take this opportunity to express my deepest appreciation to all of the businesses, school and student organizations, friends and family for purchasing ads and raffle tickets. A special thanks goes to my sister Brianna and my closest friend, Kristi Bucey, for escorting me and always being my greatest support. Thanks to the senior class for helping me purchase my gown and cheering me on in this endeavor. Good Luck to Ohio All-Star, Dave Cornish and all of the Buckeye Local OVAC Band and Drill Team members. Congratulations and Best of Luck to all of the Queen candidates.

Finally, I would like to thank my family for always being there to love and support me. To my sister, Brianna, never give up on a dream. With courage and dedication you can accomplish anything. Good Luck and remember I'll always be here for you. Most importantly, to my parents, your motivation and unconditional love has helped me to attain my highest goals and is greatly appreciated. Without you both, I would never be the young woman I am today. I thank you with all of my heart, I LOVE YOU MOM & DAD!

With all my love,
Erin

I would like to take this opportunity to thank all the businesses, organizations, family, and friends who purchased ads. I would especially like to thank Mr. Grinch for all his help with the ads, and Dominic Silverio and Silverio Florist for my beautiful flowers. My appreciation to my great friends and escorts, Michelle Janovich and Jill Slack. A special thanks to Sherry and Jill Burkhardt for all the help and support throughout the past fifteen years, also thanks to Sharae McKean. Most importantly, I want to thank my family and friends... without their love and encouragement, none of this would be possible. Also, the best of luck to all the Queen candidates, and good luck to Justin Holmes!

Queen Julia Coyle - Shenandoah H.S.

This is one of the most exciting moments in my life and I would like to thank all of the businesses, clubs, organizations, friends and family who purchased ads and raffle tickets from me to make all this possible. Also I want to thank Stephanie Cordray and Rachel Felder for taking time to escort me and cheer me on. Without everyone's support and encouragement, none of this would have been possible. Finally, I would like to wish all of the Queen Candidates and OVAC All-Stars good luck. GO OHIO!

Bridgeport Queen Terra Moscato

I would like to take this opportunity to express my gratitude and special thanks to the various businesses, organizations, clubs, friends and families who have sponsored me through purchasing an ad or raffle tickets. A special thanks is given to the Bridgeport Band Boosters for being my major sponsor, in purchasing my gown and also keeping me equipped with a drum set from C. A. House Music for my talent. I greatly appreciate the help and determination given throughout the Bridgeport business district to see that I was given the money needed to furnish the rest of my expenses. I would also like to thank Rhodes Florist for my beautiful flowers and to my escorts; Whitney Bowman and Deanna McConaughy. I am also grateful to thank the teacher who made this magical moment happen: Mr. Dober.

I wish the best of luck to my former classmate C.J. Hupp, who will be playing in the OVAC All-Star Football game and to the Bridgeport Band members involved in the OVAC All-Star Band.

Now I save the best for last: my family...I would like to take this moment to thank my mother and sister for pushing me to my highest potential. Mother, you have made me very strong and powerful making me overcome weaknesses in the past helping to better my future for tomorrow - Thanks a million! Always and forever: I LOVE YOU MOM!

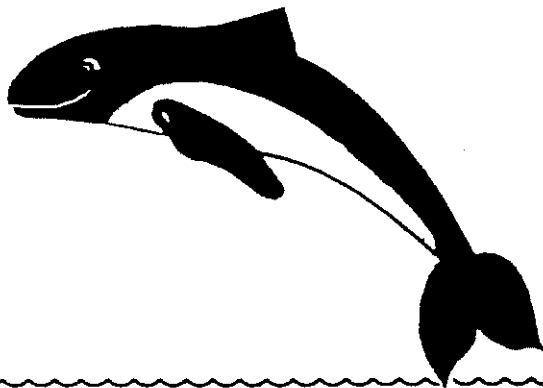

In memory of my father, Gregory Moscato and my grandmother, Loretta Trautman.

Love,
Terra

Whoever you are, there is some younger
person who thinks you are perfect.

There is some work that will
never be done if you don't do it.

There is someone who would
miss you if you were gone.

There is a place you alone can fill.

Thank You

Iwould like to take this opportunity to thank the businesses, family, and friends who have been so supportive of Linsly and the OVAC.

As a graduate of Linsly, I am very proud to represent my school in the Queen of Queens contest. I am very thankful for the education I have received and the wonderful people I have met throughout my high school career.

I would like to extend a very special thank you to my escorts, Jenelle Bondzeleske and Lindsey Carver. Jenelle, you have made cheering my senior year extra special! Keep in touch next year. Lindsey, I want you to know that I have a great deal of confidence in you and your new squad. Linsly cheerleading has come a long way. Keep the momentum going. You'll do great, Captain!

To my parents, thank you for making me who I am today. All the support, love, and opportunities mean so much. I Love You!!!

**LOVE,
Mom, Dad, Erinn, Cody and
Grandma & Grandpa Jones**

This is one of the most precious moments of my life, thanks to the Lord above for all of the blessings that he has bestowed on me. I am so grateful to all of the businesses that so generously sponsored me - Thank you! I must send out extreme gratitude to my wonderful friends and family for believing in me. Thank you Uncle Brian for everything you've helped me with. A special thank you to my Grandma & Grandpa Jones for ALWAYS going the extra mile for me. My dear sister, Erinn, thank you for always being there for me. To my mother, my best friend, I wouldn't be where I am now if it weren't for you. I especially want to recognize my father for everything he has done for me. He has given me the courage to never give up, and the support to make it to the top. You and mom have instilled in me values to last a lifetime and all the love in the world. Thank you will never be enough. I love you with all my heart!

Love always,
Alicia

Climb 'til Your Dreams Come True, Queen Lisa!

We Love You!

LOVE,
Mom, Dad, Grandma Vitchner
and Grandma Wilson

I would like to take this opportunity to express my sincere gratitude and appreciation to all of the businesses, organizations, and friends who purchased ads from me. I would like to thank two of my biggest supporters - Toni and Soozie Zeakes. You are truly the BEST around and I could have never have had the chance to experience this opportunity without your hard work and dedication. Thank you Mr. Kaniecki for all you've done for me and the senior class this year. Also, I would like to thank my classmates, the "Class of '96" for purchasing my gown. A special thanks goes out to all of my friends who made me believe I could accomplish anything. Good luck to all of the OVAC football players and band members, especially Todd, Bryan, Jed, Corey, Jill, Sean and Dan. Finally, I would like to express my gratitude and love to my biggest fans - my FAMILY. You have always given me the confidence I needed to follow my dreams. I love you very much! This one's for you, Grandpap!

With Love,
Lisa
