26 Years... OVAC All-Star Football Classic in Retrospect

Avast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail... "The OVAC would not gain NCAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could totally regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All-Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated official opening of the Ohio Valley's "pigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC. "The rich athletic heritage of this valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the "deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game plan remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC was very busy

in implementing its Title IX Program for Girls. Such female programs were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened...late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 22 years. In 1986, the game was officially re-named as: The Rudy Mumley OVAC Ohio-West Virginia Charity Football All-Star Classic.

Tonight's 26th Annual Extravaganza will have produced...1,500 players • 3,220 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans...and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

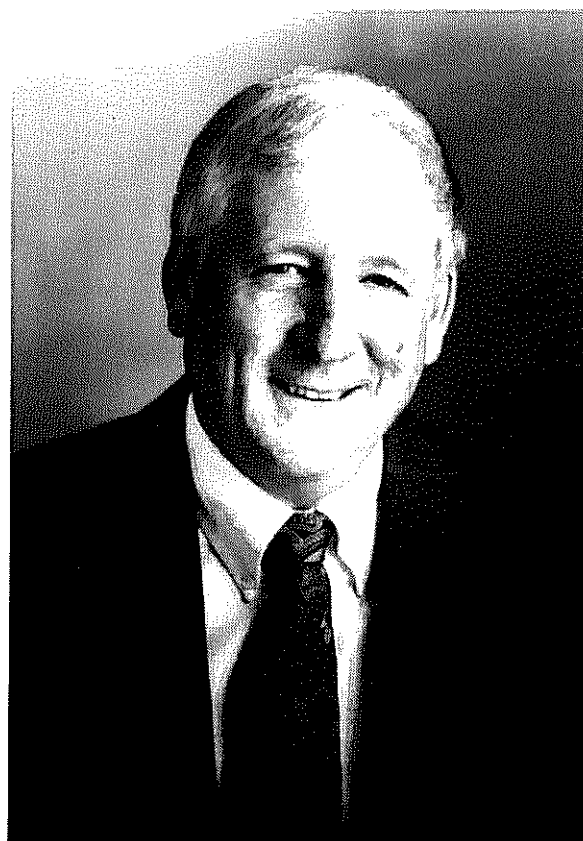

Speaking for everyone in the OVAC family, we thank you for allowing us to share..."Charity and love for our fellow man."

The following seven pages are a detailed document of the history of the Ohio-West Virginia All-Star Football Game. A sincere "Thank You" to Babe Schmitt of the OVAC Game Committee for all the hard work that he has put into this document.

In the beginning...

"1940" The First All-Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 7 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shadyside youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 stand-off, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kick-off.

Helinski nitched successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kick-off and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at half-time. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective Ohio State youth was in the game. His

Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from nasal a operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

"1947" All-Star Game – 50 Years Ago

An Ohio passing game, which clicked spasmodically last night in the fifth Ohio Valley All-Star Game, sputtered into a backfire in the last 65 seconds when West Virginia intercepted twice in Buckeye territory for a 14-0 victory. Bob Blake, of Linsly, who was one of the brighter lights of the West Virginia drive all night, burst into a flare of brilliance when he snagged one of Slick Brown's aerials on the Ohio 39 yard line and raced for a touchdown. His path was made easier by a quick blocking Mountaineer brigade.

The crowd was about equal to last year with 11,500 seats filled and about 500 standees giving the boosters clubs who handled this year's affair a gross of slightly less than 15,000.

The sudden turn of an otherwise dull tug of war, between heat battered bands of schoolboy stars, drove Ohio to desperation. After receiving the next kick-off, which the Buckeyes had to haul out from behind their own goal line, Joyce was not convinced of the West Virginia speed and he passed eastward. Elwood Myers of Warwood, who had entered the fray before the kick-off, shagged the toss like grabbing a fly ball and scooted straight ahead, right along the sidelines for 16 yards and another marker.

Ohio which appeared to have a weight edge, was not as fast a starter as the well-drilled outfit which Red Drew presented under the West Virginia banner. Except for the successful passing and running by Will Davis from Steubenville Central, and Brown's knee-jolting slashes, the buckeyes stalled. They seemed to mold together better after the intermission and went as far as the four-yard line in the third period and to the 17 midway in the last when Davis was thrown out of bounds on last down, missing a first by 3 yards.

West Virginia dominated the first half and was in good form in the second quarter, advancing from its own 17 to Ohio's 37 despite three five-yard penalties. A bad pass from center on last down prevented a punt and neither club could do a thing the rest of the half.

When Blake, who with Wally Oreff of Triadelphia and Bill Williams of Warwood had cut considerable ground in the first half, hauled in Brown's pass with just about a minute remaining, the Buckeye's had traded maneuvers. Their own push was halted by Williams who

stopped both Davies, loose on a 13 yard haul, and Joyce, who had taken a short pass from Davis, to ground the Mountaineers on the Ohio 29. Blake punted 40 yards to Brown who returned ten. Davis tried to pass but it was too low. Then Brown who had not completed a pass all evening, threw into the flat and the rambling Blake was off. He was clear enough to give his mates a chance to rally in front of him and they came from all sides to clear the way as the cadet rolled right down the middle. Williams converted for West Virginia.

Zoladz of Bridgeport failed to haul in Oreff's kick-off and had to retrieve it from behind his end zone and show plenty of speed to get it back on the lot. He returned only to the six. Joyce's shot was to the other side from that which started Blake to a tally but Myers was there to seize it, and he tightroped the sidelines, being hit only after he stepped into the end zone. Radik of Triadelphia turned in the last point from placement.

During the first half Ohio was out charged and in the late quarters the Mountaineers were being carried off the field in a steady stream. It wasn't until late in

the final quarter that Bob Higgins who taught the losers, substituted freely. Brown was carried off the field once but recovered to play in the biggest scene of the night.

The success was a second for Alabama coaching, Frank Thomas showed the Ohio team how to maul last year and Red Drew who takes Thomas' job this fall, produced a good looking although smaller combination for West Virginia.

The widely heralded Massillon band which except for a single radium number was nothing above the average high school musical group and generally far less spectacular than Weirton's show of a year ago.

West Virginia was still intercepting passes as the game ended. Oreff took off one of Brown's offerings in the second quarter.

Williams played a banged up game offensively and defensively for West Virginia as did Blake, Ohio had many numerous good plays included two good kicks by Joyce.

Cappelletti of Martins Ferry and Cieslak of Weirton were ejected in the excitement between touchdowns for fist-cuffs.

"1957" All-Star Game - 40 Years Ago

A never say die band of underdog Buckeyes looked adversity in the teeth, then laughed at the odds-makers to hand the highly favored group of Mountaineer All-Stars a 14-13 defeat last night at the Wheeling Stadium. The 15th edition of the colorful Ohio-West Virginia All-Star Football Game started off just as the sports-writers had predicted when the highly touted Mountaineers struck for a quick second-period touchdown after Moundsville's Chuck Lautar blocked a Buckeye kick. Clendenin's Melvin Harris races 16 yards into the end zone a few seconds later and it looked as if WV was off to the races.

The single-wing Buckeye attack got rolling in the third quarter and drove to a tying touchdown but Buckeye's T-formation magician Danny Williams provided the big thrill of the evening a few minutes later when he rambled 57 yards to score on a keeper play.

But the Buckeyes were not to be denied starting from their own 20, with second hand ticking away on the scoreboard clock, big Mike 'The Tank' Ingram alternated with Jimmy Kerr to push the ball down to the Mountaineer 23. East Liverpool's Bernie Allen slashed through to the three and Ingram scored his second touchdown of the evening.

Allen then powered the ball through the uprights for the tie breaking point and a sweet victory for the Ohio Side forces. Williams and Ingram were voted the most outstanding players for their respective squads.

First Quarter

Ohio won toss and elected to receive. Jimmy Kerr brought Dick Martin's kickoff 15 yards to the 34. Willie Edwards lost 4 at left end. Mike Ingram got 2 at the left tackle. Kerr picked up 2. Bernie Allen punted to Chuck Gordon who got back 3 yards to WV 25. Bob Schuetz got 5 on quick opener. Mel Harris took Danny Williams' pitchout for three yards at left end. Manion added one. Williams punted to Edwards at the 25.

Kerr got seven at the left tackle. Ingram turned left end for 25 yards to WV 33. Kerr at left tackle and Ingram at Center added 6 each for another first down. Gordon held Kerr to a yard at left end. Ingram added 4 at tackle. Ohio drew a backfield-in-motion penalty. Manion intercepted Bernie Allen's pass at WV 5 and returned to the 21.

Harris lost one at left end and WV drew a holding penalty back to own 7. Rose broke through to toss Herrig for a 3 yard loss. Williams kicked out of bounds at WV 43.

Ingram broke through for 7, Edwards added a yard at right tackle. Fleagane got 4 at tackle and a first down on WV 31. Prest went wide for 2. Allen held to a yard in another sweep, and Pjop tjem drew 15 yard holding penalty. Prest pass was batted down, Allen punted to Gordon at goal line who took it and returned to 10 as the first quarter ended.

Second Quarter

Schuetz ran for 3, Quinet passes to Berry Jones for the first down at the 21 and WV first down. Schuetz got one, and Ryland missed Quinet's pass on the WV 45. Manion picked up

5 at tackle and Williams punted to the Ohio 23.

Allen picked up 3, but Ohio drew a five yard penalty back to the 20. Ingram cracked left guard for 6; Allen's pass broken up. Fred Lautar then cracked end and blocked Allen's punt, WV taking over on the Ohio 20.

Harris went for 4, then took handoff from Charleston's Chuck Moore and went 16 yards for the score, with 5:25 to go in the half. Manion split the uprights for the extra point. Score WV 7 Ohio 0.

Manion's short kickoff was taken by Ingram at the Ohio 35 and returned to the 41. Ingram then picked up 7 yards in two tries, and Allen completed a pass to John Stoffer on the WV 48 and a first down. Ingram got 6 in two tries, and then was held to a single yard. Williams then grabbed Allen's pass at the WV 20 to stop the attack.

Schuetz turned right end for 7, Harris got one at tackle, and Manion added two for a first down. Ronnie Scitis fumble William's pitchout and Bob Yurjevic and Jim Najidi recovered at WV with a minute to go.

Ingram went wide at left end but Jones ran him down for no gain. Prest lost 9 on an attempted pass and Romey got 2 to 29 as the half ended.

Third Quarter

Herrig brought kickoff back twelve yards to own 35. Schuetz hit tackle for 12 to 47. Williams pass was short. Mel Harris was injured. Schuetz drove for one. Manion was held for no gain and Williams kicked to Jeep Smith who fumbled but recovered on Ohio 20.

Ingram got 4 at guard, Allen 9 at left and a first down. Kerr, injured in the second quarter, was stopped but WV drew 15 yard unnecessary roughness penalty to Ohio 48. Kerr got 7 at tackle. Ingram was stopped for 2 at guard then dove for one and a first down by inches. Smith lost for but Kerr turned right end for 6 yards in out of bounds at WV 39.

Ingram picked up 6, then 3 more for a first down. Kidder reversed left end but lost 3 yards. Kerr got 6 at right end. Ohio drew a 5 yard illegal motion penalty. Kerr was held to 3 yards and Williams knocked down Allens passed as WV took over on its own 27.

Dick Herrig fumbled and Bob Yurjevic grabbed it on the 18 and drove to the 15. Kerr got 4 at right end. Ingram added 5 in two tries and Kerr picked up a first down at the 2. The Tank Ingram then crashed over for the touchdown. Allen place kicked the conversion with 1:30 left to go in the period.

Rich Gulan kicked off and Williams legged it from the WV 10 to the 40. Herrig was topped for no gain.

Manion took Williams pitchout but likewise stopped and Moore then shot a flat pass to Herrig for 9 yards as the quarter ended.

Fourth Quarter

Williams punted out of bounds at Ohio 25. Kerr got 5 yards, Ingram got 3, and Kerr held for no gain. Allen punted to Manion at WV 30.

Johnny Herback picked up 3 then added 4 more. Manion added 3 for a first down. Herback struggled for 3 more through center. WV took time out. On the first play afterwards, Williams drove through tackle on a keeper and twisted his way 57 yards to score. Guard Paul Rose broke through to block Manions try for placement and it was WV 13, OH 7.

Manion kicked off to Fleagane at Ohio 25 who returned it to the 36. Ingram crashed through for 5. Kerr swept right end but was stopped after a 2 yard gain. Allen picked up 7 and a first down at midfield. Ingram picked up 3 yards and Ingram made a first down at the WV 40, then tried left end for another first down at the 26. Ingram cracked left guard for 3 yards. Allen broke off left tackle and slashed to the 5 yard line. Ingram then steamrolled for the touchdown with 2:07 left in the game. Jim Chaplin of Moundsville was injured on the play and carried from the field. Allens boot was good and Ohio led 14-13. Jim Yanni held for the vital conversion.

Williams fumbled Gulans kickoff but recovered and could get back only to the 10 yard line. Passing on the first down. Williams tossed to Jones in the clear but the pass was dropped. Williams then completed his next pass to Jones who went out of bounds at the 13. Quinet's jump pass was knocked down and Williams came back in and punted with the ball rolling dead on the Ohio 26 with a minute to go in the game. Ohio ran out the clock.

"1967" All-Star Game – 30 Years Ago

West Virginia defeated Ohio both with the lights out and lights on Saturday night in the Valley All-Star football game at Wheeling Stadium.

Scoring once in the first half, when the lighting system at the Island park was on the blink, the Mountaineers added a pair of touchdowns after the electricity began working in the second half and presented the veteran Warwood coach, Jim Foti, with an 18-0 decision in his final appearance as a grid mentor.

Thus, the West Virginians broke an Ohio domination of the series that had extended back through 1964 and reduced the Buckeye margin in the interstate rivalry to four, at 14-10.

The electricians were unable to get the lighting system working until after intermission but the crowd of 7,500 which showed up on a pleasantly warm evening was surprisingly patient through a first half which saw the Mountaineers go ahead on a 12-yard sweep of left end by their starting quarterback, Gene Wertz, of Union, late in the second period. A 37-yard punt return by Wheeling's Bob Volga set up the tally.

The aroused Buckeyes came on like gangbusters at the outset of the third period and drove from their own 20 to the WV 8 before yielding the pigskin on downs. The Barnesville combination of little Johnny Merrill, at quarterback, and tall Dallas Adkins, at end, clicked on a 39-yard pass play and Bellaire's Rich Gianangeli reeled off a 17-yard run during the foray.

Follansbee's Terry Kidder, who did a tremendous job of punting throughout the game, extricated WV from the hole with a 53-yard boot out of his own end zone.

In the opening seconds of the fourth quarter the Mountaineers

jumped their lead to 12-0 when Pet Giglio hit his former Follansbee High teammate, Tim Stefan, on a 54-yard pass play. Stefan was wide open at the Buckeye 25.

Ohio advanced to the WV 30 after the next kickoff but the alert Vogler thwarted the bid with an interception in his own end zone.

Late in the game another interception by Vogler, followed by his 28-yard return to the Buckeye 2, set up the final TD, which the Wheeling High grad made himself on a plunge with the 1:25 left in the fray.

Vogler was stopped short on the point try but his outstanding performance won him an award as the Most Valuable Player on the winning side. Gianangeli was picked as Ohio's MVP.

The Mountaineers produced their three touchdown margin although garnering only 62 yards by rushing during the contest. They added 90 yards in the air with three completions in seven tries and had but five first downs.

Ohio made 114 yards rushing and hit on six of 19 passes for 103 but suffered four interceptions. The Bucks had seven first downs. They were penalized 40 yards to WV's 20.

Ohio was presented with an early opportunity to move the ball in WV territory when Mike Hostasa, tackle from Shadyside, covered a Mountaineer fumble on the first scrimmage play at the WV 43. However, three plays later the Buckeyes returned the favor as Chuck Boniti, of Weirton Madonna, confiscated an Ohio bobble at the 36.

The Bucks forced a WV punt but Dave Grandstaff, defensive back from Magnolia, subsequently picked off a pass thrown by Barnesville's Johnny Merrill and returned from the Mountaineer 45 to the Ohio 42. Helped by

a holding penalty against the Bucks, the Blue and Gold penetrated to the 11 but yielded the oval on another bobble, this one covered by Bellaire's Larry Holloway at the 14.

Two long punts by Terry Kidder of Follansbee, put Ohio in the hole in the second period. One with the aid of a good roll traveled 56 yards from scrimmage and the second was good for 58 yards to push the Ohioan back to their seven.

The Bucks were forced into a punting situation but Rich Gianangeli's kick was nullified by offsetting penalties. Standing in his end zone in the darkness Gianangeli boomed the ball out to the 49 but Wheeling High's speedy Bob Vogler returned to the Ohio 12. On the next play Wertz circled left end on a keeper for the score, which came with 2:21 left in the half. Kidder attempted a drop kick for the extra point but it was wide.

"1977" All-Star Game – 20 Years Ago

Shelling the Ohio defense with an aerial bombardment, West Virginia extended its domination of the Ohio Valley Athletic Conference Charity Football Game to a fifth straight year Saturday evening at the Island Stadium.

Before a crowd of 8,500 that was covered both with perspiration and intermittent showers during the humid August evening, the Mountaineers chalked up a 21-0 decision as quarterback Doug Banda, of Oak Glen, and Dave Renner of Paden City, combined for 14 completions in 27 attempts for 182 yards.

All three touchdowns for the Mountaineers were scored by Wheeling Park High graduates as the Patriots' Tony Stradwick tallied from five yards out in the initial period and from one yard away in the fourth quarter and receiver Tom Basinger grabbed a pass from Renner for five yards and the final TD.

Although they led by a seven-point margin until the final frame, coach Ron Renner's Mountaineers thoroughly dominated the contest. Banda, a West Virginia University recruit, completed 10 of 20 passes for 125 yards, with two passes intercepted. After West Virginia went 14 markers in front, Dave Renner took over as quarterback and hit on four of seven for 57 yards.

The victories added 97 yards rushing, with Stradwick and Paden City's Dave Cospier doing the bulk of the ball-toting, and built a 14-8 edge in first downs.

While West Virginia's passing game was off the "I" formation was extremely effective, Ohio's air attack out of the wishbone was obviously ineffective. The Buckeyes completed on four of 17 through the skylanes for 40 yards and suffered three interceptions. Ohio made 118 yards rushing but was forced to put the ball in the air frequently in the second half in an effort to play catch up football.

The Mountaineers were penalized 65 yards while the Bucks lost only 30 yards via assessments.

A short punt by Buckeye South's Dan Hall, under a heavy rush by Wheeling Central's Kevin Finnerin, left the ball in position for a second WV touchdown, which came on the final play of the final canto. The Mountaineers took possession on the Ohio 36 following Ohio's 36 following Hall's 15 yard boot. Banda passed to Magnolia's Mike Myers for 12 yards, Coster got eight off the left end and Stradwick got one in the middle. However, on the next try Stradwick was held to a yard loss by middle guard John Schular of Martins Ferry.

When the fourth period opened, the blue shirts were on the Bucks 16 with fourth down and two to go. Banda rolled right and whipped a pass to Myers, who stepped out of bounds only a yard from pay dirt.

On the next play, Stradwick popped up the middle to tally behind the blocking of Parkersburg's Mark Lindamood and Weirton's John Dick. Cospier converted as he did after all three West Virginia TDs.

Trailing by 14 points, Ohio went to the air in desperation in the remaining minutes and Marietta's Rusty Zide was intercepted twice – once by Linsly's Paul Donahie and subsequently by Oak Glen's Greg Six. The interception came with only 1:18 on the clock and gave the ball to West Virginia at the Ohio 31.

Renner then passed to Myers at the 10 and a personal foul on Ohio advanced the ball to the five. Renner then found Basinger in the southwest corner of the end zone for the final six pointer with just 50 seconds remaining to play.

The crowd was treated to a bit of improvisational razzle-dazzle during the fourth quarter when Renner threw a screen pass to Cospier who found himself surrounded by would-be Ohio tacklers and averted a loss on the play with a cross field lateral to Wheeling Central's Tim Gompers who raced some 18 yards to the Buckeye 14. However, a holding call on the next play killed that particular Mountaineer scoring bid.

West Virginia wasted no time in getting on the scoreboard. The Mountaineers drove 62 yards in 10 plays after the opening kickoff to tally. Brooke's Robbie Robinson returned the kickoff by Ron George 31 yards to the Mountaineer 38. Oak Glen's Doug Banda completed two aerials during the advance, one to Brooke's Denny Williams and the other to Wheeling Central's Tim Gompers, and a personal foul against the Buckeyes helped the West Virginia cause.

The penalty came on a smash off tackle by Wheeling Park speedster Tony Stradwick, who carried for 21 yards in five attempts during the march, and when the step off by referee Evan Reese advanced the leather to the Ohio 28. Stradwick picked up another first down at the 17 as he toted three straight times. Then the strong-armed Banda fired to Gompers and the rangy receiver bound for WVU made a nifty one-handed catch before going out of bounds at the eight.

Dave Cospier, stumpy fullback from Paden City, powered to the five behind the blocking of Wildcat teammate Joe Blate and

John Marshall Gordon Gordon. Then Stradwick started around right end, cut inside and went into the end zone standing up.

The TD came with 7:31 left in the opening period. Cospier's placement made the count 7-0. That's the way it stood until intermission.

Ohio advanced past midfield to the Mountaineer 37 after the next kickoff, with the help of a personal foul penalty against West Virginia. But then Bill Vance, the quarterback from Cambridge, was caught twice in succession by the Mountaineer pass rush as John Marshall's Denny Gilbert and Brooke's Tim Wolfe led the way. Thus, Jay Circosta's Bucks were forced into a punting situation.

Rain hit suddenly as West Virginia took over the oval at its own 22. Despite the down-pour, Banda threw to Williams for a first down but his next pass went right down the middle and was intercepted by Martins Ferry's Karl Sommer.

Ohio took possession at the Mountaineer 45. Buckeye North's Dan Hall made six over end and Woodfield's Tim Morgorien ripped off tackle for nine and a first down at the 30. Morgorien added four more yards and River's Brad Miller got one as the initial period ended.

On the first play of the second quarter, a pass into the flat by Vance was broken up and nearly intercepted by Weirton Madonna's Ed Greco. Ohio had to settle for a field goal try by George, the St. Johns Central griddler who sustained a broken neck in a game last fall but who has made a miraculous recovery. The 42 yard attempt was just short and wide to the right.

That was Ohio's biggest scoring threat of the half. In fact, there was never truly another serious bid by either team before intermission.

In the early minutes of the second frame, Banda hit on short passes to Williams and to Magnolia's Mike Myers to get the oval to midfield. But a long bomb intended for Myers, was short of its mark and intercepted by Martins Ferry's Rusty Zide at the 11.

"1987" All-Star Game – 10 Years Ago

Wouldn't you know it? Two teams carrying enough offensive firepower to make Ollie North snap to attention battled to a hard-hitting, 13-11 final at Steubenville's sweat-drenched Harding Stadium, where Ohio stars outlasted West Virginia Friday night in the 16th annual Rudy Mumley OVAC Charity Football Classic.

The game was well-played and draining – both physically and emotionally – but it did not live up to the high scoring hijinx that the crowd of an estimated 8,000 had come to witness.

Oh sure, the St. Clairsville tandem of fullback John Spencer and quarterback Shawn Vincent rambled for 100 yards apiece and took turns on dazzling forays into West Virginia's secondary. And yes, Wintersville's Kevin Wesley squeezed 82 yards out of just eight carries, with Ohio linemen Bill Longenette of Martins Ferry and Bryan Ramsay of Bellaire acting extremely offensive to the gentlemen across the line.

But when all was said and done, it was Ohio's defensive unit that had last laugh in a game which had had football fanatics giggling in anticipation of arena ball-like scoring.

The Mountaineer squad managed just 60 rushing yards on 31 attempts, and quarterback Jeff Sweitzer from Brooke accounted for just 97 total yards, a mere puddle next to his sea of past glories.

Ohio Coach George Strager couldn't believe his force unit fared so well against West Virginia's haul-S (Sweitzer, Swisher, Shook) backfield. "No, I really didn't expect it," said the veteran St. C. "they've got so many weapons..."

Coach Terry Depew's squad had the first possession and immediately started probing the right side behind Weir tackle Rick Stead, a West Virginia Univ. recruit. Ohio stacked each and every attempt, however, as end Keith Gunn of Cambridge held his ground while tackle Bryan Ramsay of Bellaire handled the finishing touches.

Steubenville linebacker Perry Jeter and Steubenville Central DB David Walkosky, each treading on familiar turf, made their presence felt early on, as well.

The Mountaineers created the

game's first break when John Marshall safety Mark Wilson caused a fumble after Wesley's nine-yard run, and watched as teammate Scott Holmes of Tyler pounced on it at the Buckeye 31.

Sweitzer's pass to Weir TE Rob Konnovitch was dropped, thanks to some heavy-handed encouragement by St. John's safety Al Donahue, and John Marshall fullback Alex Shook managed just three yards on a dive play. Sistersville tailback Jeff Swisher, harried all evening by Ohio's intimidators, was dropped for a one-yard loss on third down.

After an exchange of possessions, Ohio embarked on the first scoring drive of the game. Vincent, perhaps the only breeze to stir Harding Stadium's tropical 90-degree air, dashed 45 yards on first down to put the ball inside the WV 30. He had created an opening with a slick fake to Wesley, who was filled by DE Shook, then side-stepped an "oh-excuse-me" tackle a the 40 before finally settling at the 26.

After two runs netted 12 yards, Wesley followed right guard for a nine-yarder to the six. Spencer got the call on the next play and hesitated just long enough to bowl over Wilson before hurdling the goal line. Ramsay's kick at 4:14 made it a 7-0 game.

West Virginia answered with a drive of its own. Sweitzer picked up 20 yards on a nifty scramble, and later hit Konnovitch over the middle for 11 more, making it 1st and 10 at the 16. But Walkosky blew in for a 12 yard sack on the next play and West Virginia could not overcome.

The Mountaineers' next series got off to a sizzling start when Swisher, on West Virginia's maiden voyage to the life side, streaked the sideline for 38 yards. It was vintage Swisher, but the only time he could expose it to fans at Harding. After a couple more big blows from Ohio's defenders, Swisher's steps grew more tentative.

Swisher's run put his crew on the Ohio 28, and when Sweitzer hit Konnovitch on a 10-yard out pattern – Sweitzer's sixth straight completion – the visitors had a 1st and 10 on the 17. Mike Coss got three yards on a reverse, then Coach Depew opted for a pass.

Sweitzer, after a lengthy survey of the secondary, lobbed one into the left corner of the end zone toward Brooke's acrobatic Jack Shaffer. It appeared Shaffer had hauled in the pass, but the official, standing right over the receiver, didn't see it that way.

"Hell yes I had it," Shaffer said later. "It was this far up (holding his hands and foot off the ground). I looked up and saw him doing this (signaling incomplete) and said, 'Oh my God.' I started crying when he did that."

The third down pass fell incomplete, but West Virginia didn't come away empty. Sweitzer split the crossbars on a 31 yard field goal attempt, slicing the margin to four points at 5:27. It was the last scoring threat in the half.

Ohio had the first shot at goal after intermission, and Spencer got into gear with a first down carry of 20 yards which halted by the TD saving hit from Magnolia star Jeff Frye. West Virginia stiffened, though, and Ohio went for it on 4th and 2.

Vincent went right on an option play and, with all the effort he could muster, dove for the flag in unison with three defenders, "He actually wiped out a cheerleader than paused to lift her to her feet). A measurement at the WV 22 - with referee Paul Vargo using a piece of paper for accuracy - halted the Buckeye drive.

West Virginia couldn't get a first down on its next possession, and things looked pretty bleak when Toronto's Phillip Thompson tracked down Sweitzer for a 31 yard sack.

"I'm tired, very tired," was all Thompson could choke out when he returned to the sideline.

Ohio, after a punt, turned the ball over on a poor exchange in the backfield, and Weir's Stead recovered.

Depew reached into his playbook and came up with a fake-reverse-flea-flicker, which went 45 yards from Sweitzer to Shaffer. Swisher's second stab into the line was successful - barely - to pull WV to within four points once more.

Depew opted for more razzle-dazzle on the two-point attempt, and instructed Mike Coss of Linsly to throw the ball. The determined Coss had other plans,

"1987" All-Star Game - 10 Years Ago (continued)

and dove head-first into the right corner for the conversion at 1:44.

West Virginia attempted an on-side kick and, after a scramble, unpiled as St. C.'s Brad Swan and Buckeye North's Rich Hazlett danced to the sideline, football in hand. It was all over.

Ohio now leads the overall series 23-19 and, since Ohio Valley Athletic Conference sponsorship, 9-7. The Buckeyes have captured four of the last five games and eight of the past 10.

Defensive standouts for Ohio included Gunn, Ramsay, Jeter, Walkosky, Thompson and linebacker Spike Johnson of St. Clairsville.

West Virginia received high-grade defensive efforts from Frye, Shook, Brooke tackle Don Koscevic, and Brooke linebacker Mike Gundling. And Holmes, the smallest player on the field at 140 pounds, was sent to his back several times, but his speed was vital to holding Ohio to just two scores.

The Buckeyes gained 294 yards on 50 rushing plays and totally disdained the pass (Vincent, who had an injured right shoulder, was 0-for-1).

On the flip side, West Virginia had 182 total yards and managed just three first downs in the second half.

The jury is no longer out - this case was too persuasive for the defense.

(2nd row): Nick Mead (Board Member), Merv Wilson (President), Paul Kalivoda (Board Member)
(3rd row): Bob Gary (Assistant Secretary), Barry Crow (Vice President), Bob Hedmond (Treasurer)

Born out of the need for financial assistance to the OVAC, the Ohio Valley Athletic Conference Foundation was organized in the late 1980 school year. It brought together many of the valley business and professional athletic enthusiasts with the purpose of financially supplementing the conference.

The OVAC Foundation has approximately 100 members. The Foundation is the fund raising arm of the OVAC and they believe you cannot lose when you help the student athlete of the Ohio Valley. Additionally the Foundation presents two scholarships annually to a male and female athlete.

OFFICIALS

OVAC Honors Millard and Caldwell

By Joedy McCreary
Wheeling News-Register Staff

Big games don't just bring out the best in the players. They have a similar effect on the officials policing the contests.

A pair of the Ohio Valley's finest officials who admirably arbitred their share of the area's classic confrontations are being honored tonight by the Ohio Valley Athletic Conference.

Richard (Dick) Millard and Jim Caldwell will be tonight's honorary officials for the Rudy Mumley OVAC All-Star Charity Football Classic.

According to Millard, the effort the players put forth during red-letter games makes those contests that much easier to officiate.

"The kids and the things you see them do make those games great," Millard said. "You'll find there aren't that many penalties to call during those games because the kids are really on top of their game."

For Caldwell, blowing the whistle during many of the Ohio Valley's top rivalries provided a lifetime of memories. He wouldn't have it any other way.

"I always enjoyed being out there with the kids," Caldwell mused. "A lot of times a game would get out of hand. Then it's touch to concentrate. I'd rather have a 7-6 game or a game decided by one or two points than a 20-point blowout."

Of course, certain pressure-cookers come instantly to mind.

"I remember refereeing lots of Martins Ferry - Bellaire games," Caldwell mused. "The atmosphere there was really something."

"And one of the best games I ever did was a Martins Ferry - St. Clairsville game when Ferry scored 21 points in the final three minutes to win the game. I'll never forget that one."

Both officials have seen the game change drastically in their flag-dropping tenures as they have amassed 65 years of officiating experience between them.

In fact, when Millard first donned his striped shirt 34 years ago, schools in places

like Barton and Belmont trotted out six-man football teams to play on 80-yard fields.

Compare that with today's choreographed run-and-shoot offenses and zone-blitzing defenses, and you begin to see how far the game has come.

And increased medical technology has resulted in better methods for treating injuries, which permits today's players to play with a reckless abandon.

"There are lots of changes in the game (between then and now)", Millard reflected. "The biggest thing is probably better health care for the kids.

Used to be, the trainer was a booster or a teacher. Now they're required to have a real trainer at every game. The kids are bigger and quicker, too," Millard continued.

"I weighed 165 pounds and played full-back in high school. Now they're 210 and lifting weights all the time."

Millard has seen the game come a long way in the 34 years he journeyed across the Ohio Valley to officiate over 340 varsity football games "from Parkersburg to Cambridge to East Liverpool to Woodsfield."

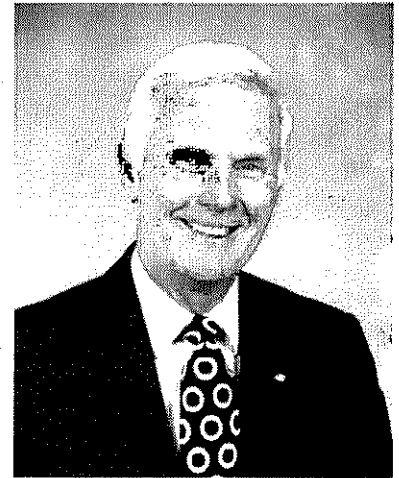

A three-time official in the OVAC All-Star Football Classic, Millard, a Wheeling High graduate, also worked the first-ever West Va. Class AAA state championship contested in Wheeling in 1994 between South Charleston and Morgantown University High.

In all 17 times he has chosen to toot his whistle in West Virginia and Ohio playoff games.

A retired lieutenant who spent 28 years in the Wheeling Police Department, Millard, a Korean War veteran, also spent time as resident manager at Wheeling Downs Race Track and remains active in the community.

A resident of Wheeling, Millard is the parent of one son, Jay, who resides in Anchorage, Alaska, with his wife and two children.

Caldwell is a 31-year officiating veteran who has tossed the flag in four OVAC All-

JIM CALDWELL

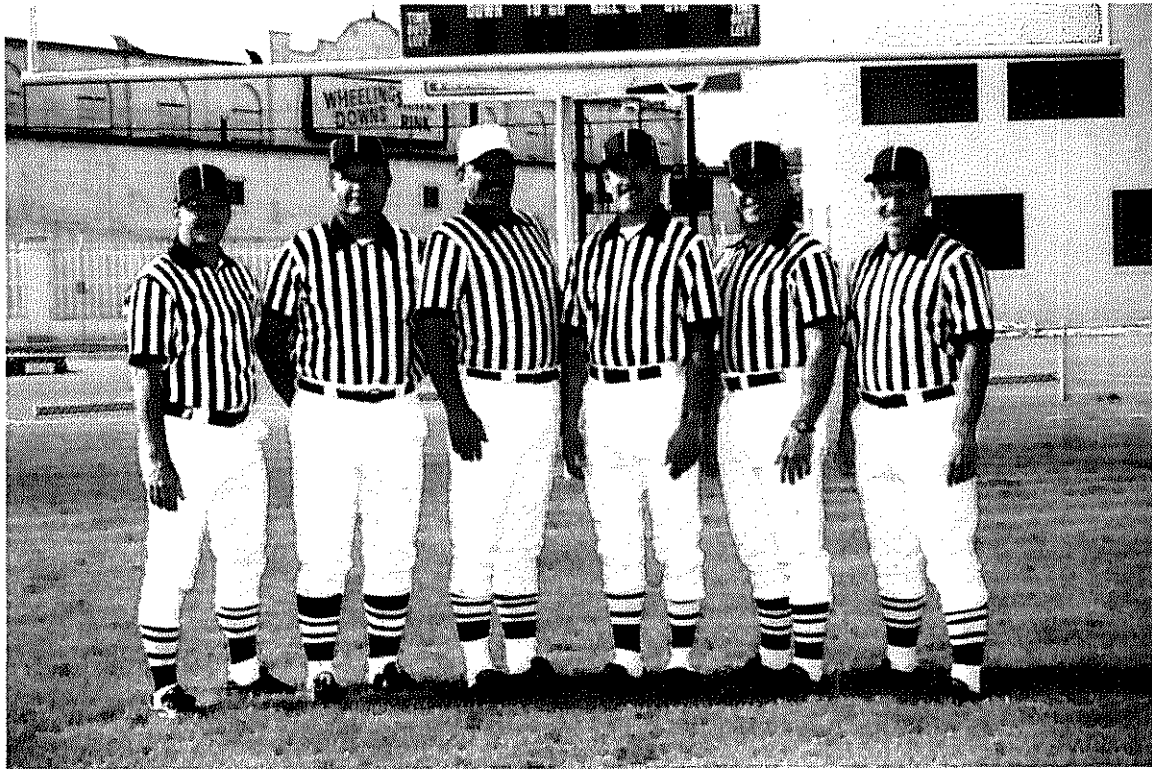

RICHARD (DICK) MILLARD

Star Charity Football Classics.

A 1952 Martins Ferry High graduate, Caldwell has worked for Swisher International for the past 45 years as a supervisor. Caldwell is also involved in a host of community activities as he's a member of the Belmont Hills Country Club, the Masons, the Scottish Rites, the Shriners and the Osiris Temple in Wheeling.

Caldwell and his wife, Joanne, live in Martins Ferry. The couple have five children and nine grandchildren.

OFFICIALS for the 26th ANNUAL RUDY MUMLEY OVAC FOOTBALL CLASSIC

OVAC Grid Officials Chosen

By Joedy McCreary, Wheeling News-Register Staff

A third team of all-stars will be on the field in tonight's Rudy Mumley OVAC All-Star Charity Football Classic as the Ohio Valley Athletic Conference has assembled a stellar crew of six officials to work the game.

Referee Bill Walter heads up the crew of veteran whistle-blowers slated to join the Ohio and West Virginia All-Stars on the Wheeling Island Stadium sod.

Joining Walter in the stripes are Larry Shane, Ed Cihy, John Timko, Dave Clutter and Janis Worklan.

WALTER has been an official in the Ohio Valley for 23 seasons.

A graduate of Triadelphia High School, Walter attended Bethany College and earned his bachelor's degree in physical education, health and safety from Shepherd College in 1972.

Also employed by Cameron Coca-Cola as a director of operations for the past 24 years, Walter has 15 years of experience in officiating playoff games and he has worked in three state finals.

A member of the board of directors for the Wheeling American Legion, he coached Post 1's baseball team to several West Virginia state championships from 1977-91. He lives in Martins Ferry with his wife, Sue.

SHANE, tonight's umpire, will be working

in his second OVAC All-Star Game.

A Toronto High graduate, Shane operates an appliance repair business and is also employed by the Hancock County Schools Transportation Department.

Shane makes his home in Weirton with his wife, Marcia, and their two daughters - Carrie, 20, and Colleen, 18.

CIHY will handle the head linesman's duties for the game.

An 11-year veteran of the Ohio Valley officiating ranks who has worked in the W. Va. playoffs, Cihy is best known as the highly successful coach of Wheeling Central Catholic's softball team that has won three consecutive W. Va. Class A state titles.

Also a computer teacher at Wheeling Central, Cihy is a graduate of West Liberty State College. He resides in Wheeling with his wife, Linda.

TIMKO, will serve as tonight's line judge.

An assistant vice president with WesBanco - St. Clairsville, Timko has eight years of officiating experience under his belt. He has dropped the flag in the past three Ohio state playoffs.

A 1975 graduate of Bridgeport High School, where he earned two letters as a running back, Timko earned a pair of associate's degrees from Belmont Tech and banking diplomas from Ohio University and West Virginia North-

ern Community College.

Timko lives in St. Clairsville with his wife, Linda, and son Evan, 4. He and his family are expecting another baby.

CLUTTER is the back judge for the OVAC All-Star tilt.

Making his fourth appearance in the gleam game, Clutter has blown the whistle for 24 years. He's served as president and rules interpreter of the Ohio Valley Officials' Board in Wheeling and has also worked nine years as an official in the West Virginia Conference.

A financial advisor with Prudential Securities in Wheeling, Clutter is a member of both the West Virginia Secondary Schools Activities Commission and Ohio High School Athletic Association.

A Wheeling native, Clutter makes his home in the Friendly City with his wife Sondra. They have two children - Wendy, 22, and Chad, 17.

WORKLAN will be tonight's side judge.

The West Virginia-Ohio Board's Official of the Year in 1996, Worklan is in his eighth year of working OVAC football. He's making his second trip to the OVAC All-Star Game tonight and he's also worked the W. Va. playoffs.

An alumnus of Cadiz High and a cum laude graduate of The Ohio State University in journalism and political science, Worklan is a senior editor for Development Dimensions International in Bridgeville, Pa.

Worklan, who's also sanctioned as a grid official in the WPIAL and as an OVAC basketball whistle-tooter, lives in Steubenville with his wife, Elaine.

1997 OVAC - WV ALL★STARS

In Memory of
Cecila A. Thomas

who passed away on November 12, 1996

*Your life was taken so very fast.
The memories of you will always last.
Your smile, your laugh could never be erased.
Nor could life, your kindness, your giving heart, ever be replaced.
You were one of those people whom never knew
how much love people had for you.
You are missed and thought of everyday,
a emptiness in our hearts for you will always stay.*

*Sadly Missed...

Iwould like to take this opportunity to express my sincere thanks and appreciation to all the businesses, organizations, family and friends who purchased ads and raffle tickets. Thank you to the coaches and faculty members who supported me. You really made the past three years enjoyable. To the softball team and cheerleaders that I have worked with, I'll never forget the times we had and the memories that we made. I would like to thank Hometown Floral Shop for the beautiful flowers.

I wish the best of luck to Josh Lohri, Jesse Nixon, Scott Pettit, Kevin Snyder and Gary Tucker, who are playing in the OVAC All-Star Football game, and to the John Marshall Band Members involved with the OVAC All-Star Band. A special thanks goes to my sister Nicole Kitchen and dear friend Leigh Ann Davis, who will be escorting me tonight. I would like to wish all the other queen candidates good luck. I hope you had as much fun as I did.

This is one of the precious moments of my life, thanks to the Lord above for all the blessings that he has bestowed upon me. I especially want to recognize my mother and father for everything that they have done for me.

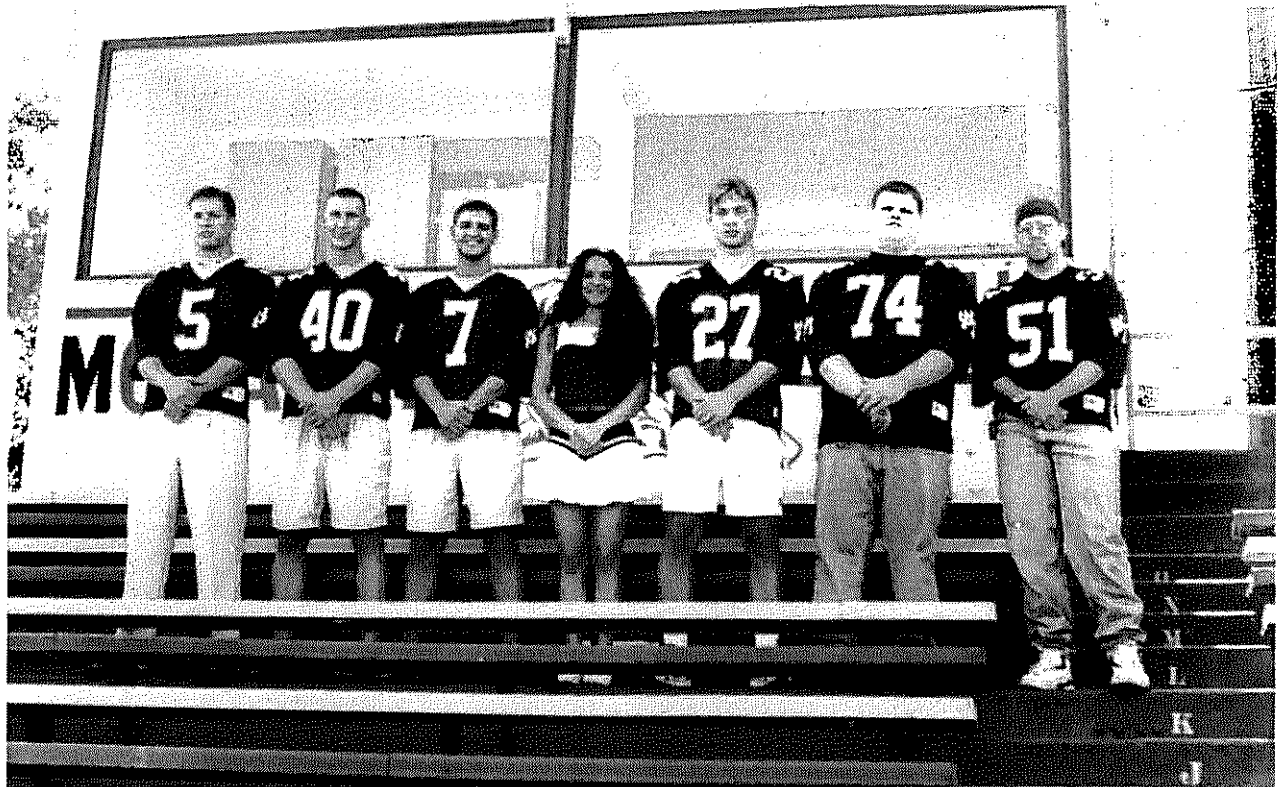

**With all my love,
Jerry**

Congratulations & Good Luck

Live each day

I would like to take this opportunity to sincerely "thank" all of the businesses, organizations, friends, and family members who purchased an ad and/or raffle ticket! Your support is greatly appreciated!

A very sincere "thank you" goes to the 1997 Senior Class for helping me purchase my gown and making these past four years of high school "unforgettable!" (I will miss each of you!)

A special thanks to Mr. Bill Stevens for all your help and support! (You truly have a way of inspiring the best out of us when it comes to music!)

"Thank You" Kristal Kokiko and Jara Gura for not only being two of my closest and dearest friends but also for escorting me onto the field! It means so much to me to have your friendship and support!

"Congratulations and Good Luck" to Ohio All-Star Mike Wilt, all the Buckeye Local Band Members chosen for the OVAC Band and Drill Team, and to all the OVAC Queen Candidates! I'm so thankful to have been chosen to represent BLHS in this competition! It is an extraordinary experience allowing each of the candidates to share their talent with the valley and to make many new friends in the process!

Mom and Dad... "Thank You" for supporting me in everything I do! I never have to question your love and that means more to me than you'll ever know!

Justin... I truly do appreciate your presence and support at all my programs and competitions. "I couldn't ask for a better brother!" I advise you to reach for your highest goals, for you can attain anything you set your mind to!

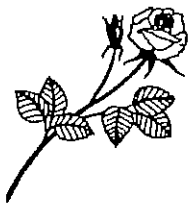

Last, but most definitely not least, I want to thank God for health, for happiness, for blessing me with a vocal talent for my friends and family to enjoy, and for giving me two loving parents who continuously provide me with unconditional love and support!

All of the previous have contributed to making my life what it is and I could not be any happier or any more thankful! Thank You from the bottom of my heart!

I Love You All,
Amanda

We are very proud of you!

Maybe you don't know how special you are.

How easy it is to be proud of you.

Maybe you don't know how nice you are to be around.

Maybe you don't realize how much it always
meant to have you as part of the family.

To see you grow up without ever growing away
from those who love you.

This is just to let you know how very special you are to us.

I would like to take this opportunity to thank all of my family, friends and area businesses for all of their support. I want to give special thanks to my Mom for giving me the love and support to make this possible and my sister, Dana, for all of the time she spent putting the ads together. I would also like to thank Ashley Yanen and Nikki Giovengo for escorting me out onto the field. I would like to say Best Wishes and Good Luck to Jay Walton in the OVAC football game. Finally, I would like to tell my family and friends how much I appreciate all the time and effort they put forward in making my dreams come true. I love all of you very much!

Congratulations and Good Luck to our daughter Queen Luana Clark!

To Our Queen and Buddy!

You have always made us
proud and we love you
so very much.

Good Luck at West Liberty
in music and as a Cheerleader
for the Hilltoppers!

Love...

Dad, Mom,
Kitty & Stinky

I would like to take this opportunity to extend my deepest gratitude to all of the businesses, organizations, friends, and family who purchased an ad to support me in this event. I give special thanks to the Bridgeport Band Boosters for the generous donation toward my gown and the beautiful crown, to Rhodes Florist for the donation of the beautiful flowers, and to the BHS Student Council for also giving me a generous donation toward my gown.

A special thanks to those who have helped me to develop the talents that I possess: Mrs. Picchi, for teaching me to sing, and Jill and Sherry Burkhart for teaching me to dance

I would like to wish the best of luck to everyone involved in the All-Star game this year, but especially the Bulldog stars and coaches. You have definitely shown the valley what Bridgeport is made of and this is our year to shine. To Brian, Woody and Mike: I wish you guys the best of luck in the game and as you move on to college. To our marvelous coaching staff: You gentlemen have worked wonders in our community and we will never forget it. You definitely deserve the honor of coaching the Ohio All-Stars. Good luck and Go Ohio!

I would also like to thank all of my friends who have supported me along the way, especially to my escorts, Allison Norwood and Misty McConn. You guys are great!

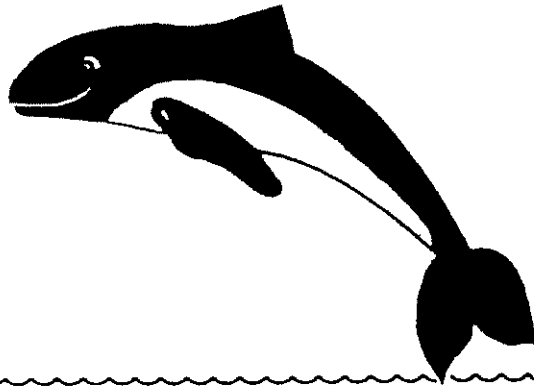

Finally, thanks to my family - Mom, Dad, Grandma and Poppy. You have always been there for me and I owe everything I have to you. I could not have been blessed with a better family. I only have you to thank for who I am and what I have accomplished. I LOVE YOU!

Love,
Luana

Iwould like to take this time to thank all who have supported me. A big thanks to Beth DiGregorio for all her help. Thank you to Michael's Jewelers for my beautiful crown. Thanks to all the businesses and school organizations that sponsored ads. To the Weir Cheerleaders - I love ya & miss you already. My sister Evette and Amy Reardon for being my escorts - I love you guys! A huge thank you to my family for all their love and support. And most importantly, I thank God for all the blessing He has givin me.

Also "Good Luck" to Curtis and the Weir OVAC Band Members!

Love You.....

SHONEY'S DOESN'T SERVE FAST FOOD BUT WE DO SERVE FOOD FAST.

Real food. Fried shrimp. Country-fried steak. Charbroiled chicken shrimp and steak. Desserts like strawberry pie, hot fudge cake, sundaes and cheesecake.

That's the kind of food you get at Shoney's, but to believe the service and how fast we can put a complete meal on your table, you'll just have to come and see.

Next time fast food seems to be the only choice, think again. Think of Shoney's.

GOOD LUCK E.J.!

To Our Special Queen

We wish you the very best.
You can achieve anything if you
put your heart and soul into it!
We couldn't be prouder
of you.

Lots of Love,
Grandma and Pap Pap Cilli

I'd like to take this opportunity to express my sincere thanks to the various businesses, school organizations, friends, and family who have supported through purchasing an ad or raffle tickets. I'd also like to thank the BHS Alumni Association and Dr. Perzanowski for helping me to purchase my dress.

I want to send a special thanks and a hug to my teacher and friend Mrs. Mary Catherine Allodi for all of her patience and support over these past four years. God told me I could sing, but you taught me how.

I've been blessed with the greatest group of friends a girl could ask for. You guys have been there for me through everything. Especially my life-long friend and tormentor, Chrissy Lynn... I couldn't have made it without you!

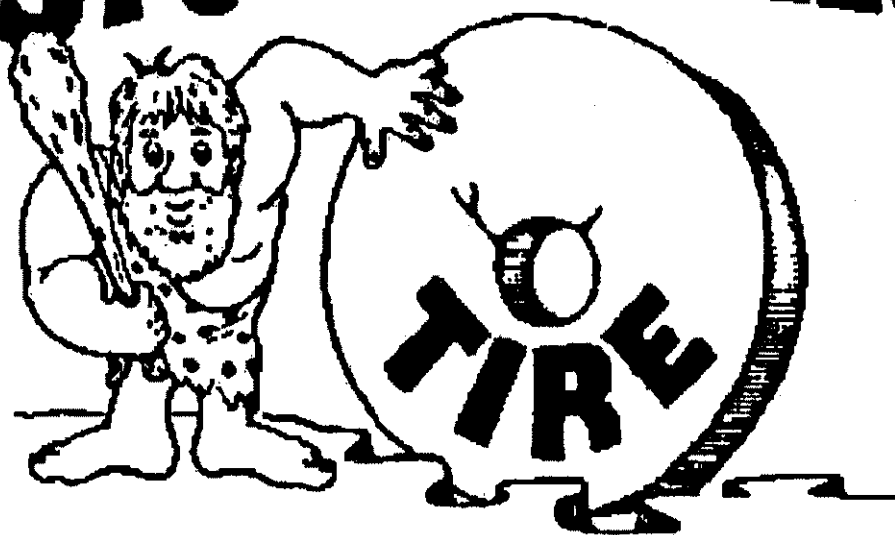

Finally I'd like to send the biggest thank you to my wonderfully crazy family for all the support they've given over the years. You still haven't gotten me out of those pajama pants! Mom and Johnni Jo, together we've overcome so much. You two believed in me when I didn't even believe in me. Alex, Ill never forget all of the work you and mom did for me. Thanks will never be enough. I love all of you guys.

In memory of my father, John Paul Funkhouser, and my great-grandfather, Alec Melanko.

Love,
E.J.

E.J. Funkhouser - Bellaire High School

You are today where your thoughts have brought you;
you will be tomorrow where your thoughts take you.
You cannot escape the results of your thoughts,
but you can endure and learn, can accept and be glad.
You will realize the vision, not the idle wish, of your heart,
be it base or beautiful, or a mixture of both;
for you will always gravitate toward that which you secretly most love.
Into your hands will be placed the exact results of your thoughts,
you will receive that which you earn... no more, no less.
Whatever your present environment may be,
you will fall, remain, or rise with your thoughts, your vision, your ideal.
You will become as small as your controlling desires;
As great as your dominant aspirations.

I would like to take this time to express my deepest thanks to all who supported me in the OVAC Queen of Queens Pageant. Thanks to all friends, family, businesses and organizations who bought raffle tickets or purchased an ad. I'd also like to thank Erica Smith and Angela Heaston for being my escorts, Ruth Bertilino for all the hard work and dedication she put into teaching me my dance, and Barb Hoffman for supporting me and teaching me not to give up. Most of all I would like to thank my Mom, Dad, and sisters for all their guidance, love and unending support they have given me through the years. Thanks for always being on my side - I love you guys! Finally, I give great thanks to God through which all things are possible. Without Him, I am nothing. I want to wish "Good Luck" to All-Star Ron Banks and our OVAC Band Members. Best of Luck Queen Candidates.

Iwould like to take this opportunity to express my sincere appreciation to the business, organizations, and individuals who supported me through the purchase of ads. I would also like to acknowledge Bonnie Wetmore at Victorian Gardens for providing my beautiful flowers. I wish to thank The Linsly School not only for sponsoring me, but for everything the school has done for me over the past eight years. It has made all the difference. To my escorts Kelli Gardner and Tara (Tee) Galberth, thank you for escorting me and, more importantly, for being great friends. Thanks to Mrs. C. and Claire for always going that extra step for me. It did not go unnoticed. I absolutely must thank Stacy Coughlan for helping me remember that I actually do love to dance (no matter how much I have tried to convince myself otherwise). None of this would have been possible without you. To my Divas, you mean the world to me. This one is for you girls! Finally, thanks to my family for all of their love and support. Knowing that you are always there to catch me if I fall, has given me the confidence to always try a little harder. Best of luck to the Linsly All-Stars and all of the Queen candidates.

All my love,

I would like to take this opportunity to thank all the people who made this pageant possible. First, I would like to thank the staff of Wheeling Park for standing behind me 100% and for Mr. Banco and the Student Council for helping me with expenses. I would also like to thank Rick Seals and the members of the Boosters for purchasing an ad and thanks to all who purchased one. Next I would like to thank my friends. If it were not for their encouragement, I couldn't have made it here. Thanks a million!! I'd also like to thank my escorts. Here we are girls! Last, but certainly not least, I'd like to thank my family. It was their love and support that got me where I am. You all have stood by me and watched with open arms. Thanks for being there whenever I needed you. My parents always taught me to reach for the stars and I am glad I listened to them at least once in my life. Thank you from the bottom of my heart.

Love,
Jennifer

I would like to take this opportunity to express my deepest appreciation to all the businesses, organizations, and families who purchased ads. I would especially like to thank Mr. Grinch for a wonderful job on my ads and Dominic Silverio for my beautiful flowers. A special thanks to Mr. & Mrs. Ponzio for taking Brads' and my picture, and Michelle Janovich and Brooke Bonar for escorting me. Also, thanks a million to Misty Beridford for all her hard work, time and dedication in helping me prepare for the Queen of Queens. You are the greatest dance teacher and none of this would have been possible without you. Finally, my most heartfelt thanks goes out to the most important people in my life: **My Parents**. I never could have made it without all your love and support throughout the years. I love you both with all my heart. This one's for you! Thank you to the Lord above for all the blessing He has bestowed on me.

With all my love,
Melissa

Good Luck Brad Lewis and all the SHS Band Members!

Melissa,

From the time you were a little girl we knew that you were "special". Words could never express how very proud we are of you! All your years of hard work, both academically and in your dancing field are finally being rewarded. You have always strived to be the best that you can be! We wish you continued success in the future in Pre-Med at Ohio State University, and hopefully with the Ohio State Drill Team. May all your dreams come true... you deserve it!

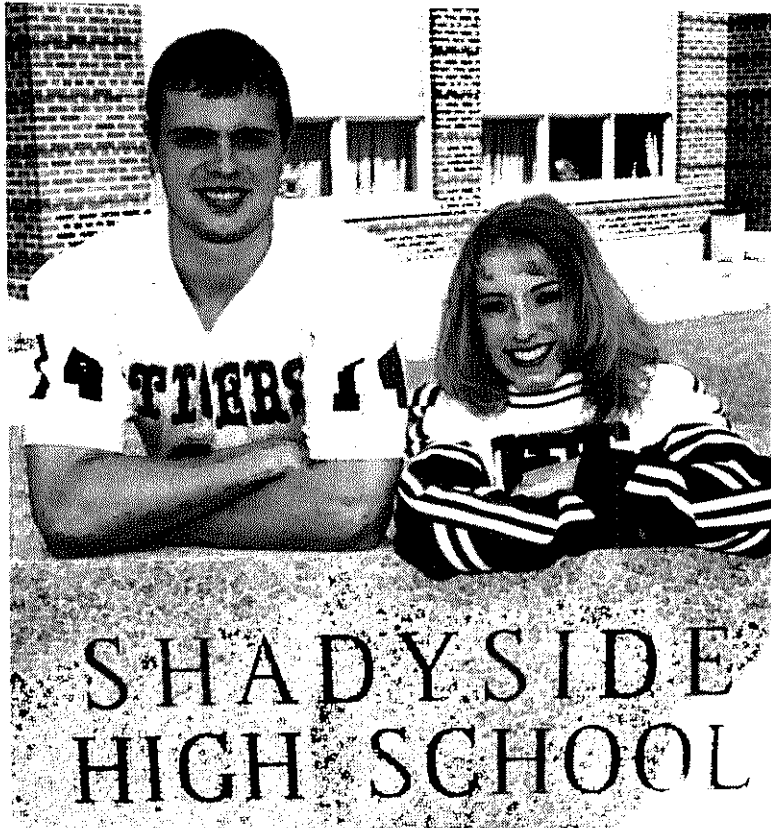

We Love You!

I would like to express my sincerest thanks to all organizations, businesses, family and friends who have supported me through purchasing ads and raffle tickets. I would also like to thank Martins Ferry Flower shop for my beautiful flowers.

I would like to thank my Grandmother, aunts, uncles who have been there for me.

A special thanks also goes out to Julie Varara and Sommer Kelley for being my escorts. I want to wish Chad Voytecek good luck in the all-star game. Also good luck to drill team members Katie Mountain, Tria Tuttle, Traci Tuttle and Christina Snyder.

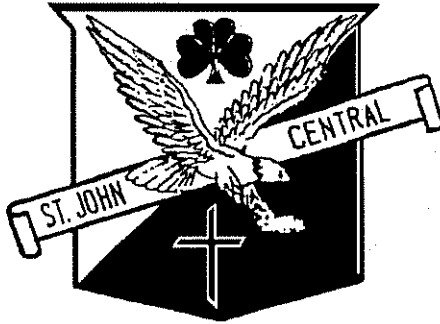

My most heartfelt thanks goes out to my parents ...without their love and dedication none of my dreams could have ever come true. And thank you Mrs. Sivert from "Somewhere Over the Rainbow" to "Because You Loved Me" you always helped me hit that high note.

Most of all, I wish to thank God for giving me the gift of singing.

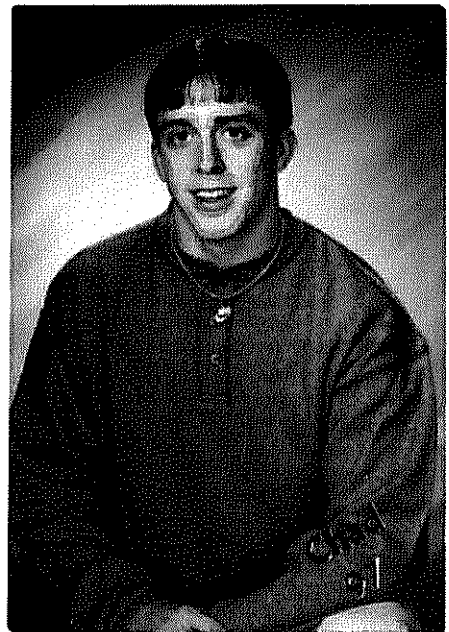

Love,
Heather

Dear Heather,

We want to congratulate you on all of your accomplishments including being St. John's representative in the OVAC Queen of Queens. Never forget all of the the hard work and dedication it took to get to where you are today. From "I Am a Promise" to "Because You Loved Me" you have filled our hearts with such pride. As you make the transition from childhood to adulthood remember that for you there are no limits in what you can achieve. With your beauty and talent, you will achieve an honor that is most highly deserved.
