There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

RUDOLPH "RUDY" MUMLEY
1918 - 1999

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two-week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC officials several years ago renamed the contest as the Rudy Mumley OVAC Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy.

And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC, which is still

believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s.

Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

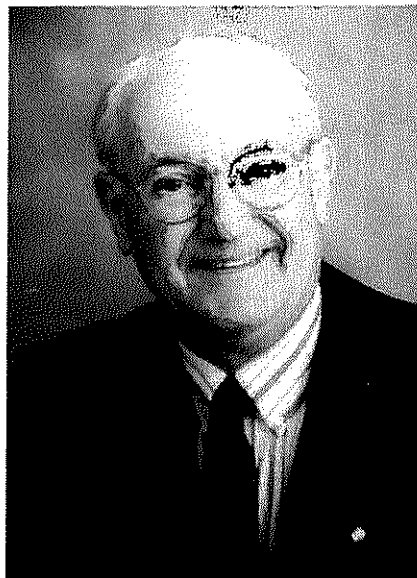

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 - 1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC map. At last May's OVAC Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC's "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

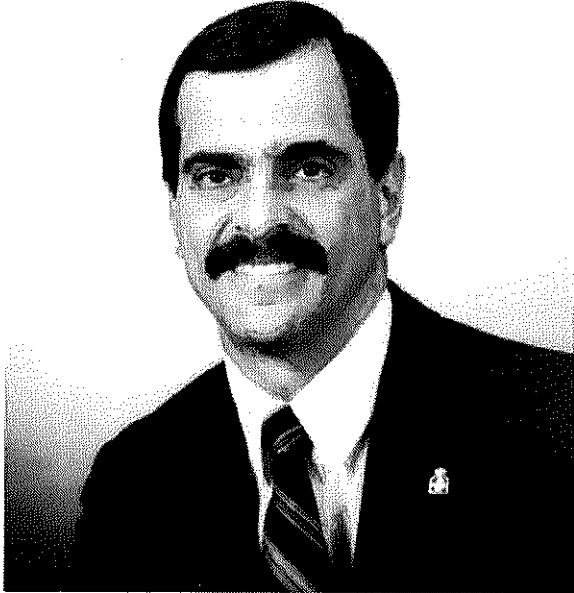

He will remain in our thoughts and prayers forever.

28 Years... OVAC All-Star Football Classic in Retrospect ...and The Tradition Continues

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail... "The OVAC would not gain NCAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could totally regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated official opening of the Ohio Valley's "pigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC. "The rich athletic heritage of this valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the "deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game plan remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC was very busy in implementing its Title IX Program for Girls. Such female pro-

grams were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened... late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named as: The Rudy Mumley OVAC Ohio-West Virginia Charity Football All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced... 1,500 players • 3,200 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans... and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC family, we thank you for allowing us to share... "Charity and love for our fellow man."

"1940" The First All-Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shadyside youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kick-off.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasoyich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective Ohio State youth was in the game. His

Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from nasal a operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

"1950" All-Star Game – 50 Years Ago

An unheralded band of Ohio football luminaries capitalized on fumbles in the first and third periods to score a 14-0 victory over a favored West Virginia eleven in the eighth annual Ohio Valley All-Star game on a rain soaked Wheeling Island stadium turf last night.

The Buckeyes, spearheaded by captain Jimmy George of Smithfield, completely dominated the game as they ended West Virginia's winning streak at two games, and evened the record at four-four in the series before 9,000 fans.

Linemen John Kornetti of Smithfield and Dick Davidson of Steubenville pounced on a Mountaineer fumble in the end zone for the first score after the game was eight minutes old. Frankie Branson, fleet Martins Ferry halfback, slipped through the West Virginia line from the one-yard stripe to culminate a drive that started with a Mountaineer fumble in the third period.

Ohio Coaches Jack LaBay and Frank Lollini, who masterminded the buckeye strategy, gave full credit for the victory to the players. West Virginia Coach Mac Bowles lauded the Ohioans for the determined way in which they out-played his team.

The Ohioans operating out of the LaBay-Lollini version of the T-Formation, rang up 12 first downs to five for the Mountaineers. The Buckeyes gained 185 yards from scrimmage compared to 88 for the Mountaineers.

A Coffin Corner punt by Tiltonsville's little Jimmy Richie set the stage for the Buckeyes first counter. Ohio won the opening toss and elected to receive. Stan Chlon of Union kicked off, and after an exchange of fumbles in Ohio territory the Buckeyes drove to the West Virginia 44.

Richie, who engineered the Buckeyes' T-attack, angled a punt out of bounds at the West Virginia two yard line in the northeast corner of the field. Davidson and Kornetti recovered a loose ball in the Mountaineer backfield, and again the Ohioans were on their way to pay dirt.

Yorkville's Vince Orban and George

hit the Mountaineer line for no gain. Then Richie uncorked the Ohioans' first pass of the game, George grabbing it at the 15 on the east side of the field and driving to the six.

Orban and Branson alternated on lunges through the center of the line with Branson going into the end zone standing up on the fourth try. George again added the extra point by placement.

A West Virginia fumble on the following kickoff was covered by Bellaire's Harold Yates at the Mountaineer 35. The Buckeyes, however, were forced to punt from the 33 and West Virginia took over at its own 39. West Virginia then marched 30 yards before unions' Bob Barker punted to Branson at the Ohio 20.

On a sustained drive that carried into the fourth period, the Buckeyes piled up five first downs and sent Mingo's Duck Marshall into the West Virginia end zone from the six yard line on a play that was called back on a holding penalty against

Ohio. The thrust ended up at the Mountaineer 22-yard stripe.

Weirton's Bob Pulice reeled off a 22-yard gain to the Mountaineer 44 on a reverse around left end, but it was offset by a 17-yard loss by Weirton's Ralph Patrick. Wheeling's Dino Hadjis punted to Branson at the Ohio 31, and seconds later the Mountaineers had the ball in Buckeye territory for the first time in the second half.

W.Va. captain Stan Tsapis recovered a loose ball at the Ohio 29, but a lateral fumble by Pulis Coleman at the Buckeye 37, setting the stage for the final drive of the game. Ohio picked up two first downs in driving to the West Virginia 31, where the game ended.

Bellaire's Anello Liberatti, Smithfield's Kornetti, and Toronto's Vern McConnell stood out on Ohio's line, while Tsapis, Union's Stan Chlon and Moundsville's Louis Adkins were outstanding for West Virginia.

"1960" All-Star Game – 40 Years Ago

George Fisher, 200 pound fullback from Toronto High, last night turned defeat into victory for the Ohio All-Stars in the 18th of the Ohio Valley "Dream" football games by breaking through the line and romping 76 yards for a final period touchdown that nullified a first half touchdown for their West Virginia opponents.

And then Johnny Bellopatrick, former Mingo athlete, calmly dropped kicked the extra point to haul the buckeyes to victory, 7-6 over the West Virginian who had scored early in the first period.

Although the Ohio attack had been bottled up for more than three-quarters, the dramatic touchdown came with 5:26 in the fourth quarter after the West Virginians had been threatening to pad their lead.

Steve Jackson had punted to Ohio's 25 prior to Fisher's explosive scamper. George Tomach lost a yard on the next play, but the Buckeyes sprang the ex-Torontoan through the left side and, aided by a key block thrown by Lou Thomas at the West Virginia 25, dashed to a score.

Leon Jeter fumbled the opening kickoff at the goal line, dribbled it, pick it up and evading three tacklers got to his own 38. Steve Jackson, Larry Holman, and Jeter got a first down at the 48. Holman fumbled and Dave Hunter recovered it at the West Virginia 45.

West Virginia ground out a touchdown in 10 plays, picking up four first downs enroute. Mike Hayden and Ace Lyle got seven between them Jackson then added seven and Lyle raced for 15 to the Ohio 26. Hayden passed to Jim Jarrett who got to the 14. Lyle hit right tackle to the one-foot line, and Hayden sneaked for the TD with 4-1/2 minutes gone.

W.Va. had two chances for the PAT. An offside penalty saved Hayden in a run from a fake placement try but on the second try, Nardo, an Ohio lineman, blocked the kick.

W.Va. dominated the first quarter play. Ohio, who had gained only one yard previously, took the second kickoff at its own 29, but after a net loss of three in two

plays, sent Larry Sizemore back to kick although the Big Red lineman had never punted before. He booted a 66-yard kick that came to rest at the W.Va. 8.

The West Virginians punted in return. Jackson's boot going to his own 41, Jim Pyle returned to the 35. Ohio made its deepest penetration at this point with Bobby Edwards getting 11 and George Fisher adding three to the West Virginia 21. Here Haden cut short the threat by intercepting a Jackson pass at the 10 and ripping up to his own 48 where Jackson caught him.

West Virginia's Steve Jackson punted out of bounds on the W.Va 43 on the second play of the second quarter as W.Va. stalled. Then after Bob Edwards got a yard, Larry Marmie raced 18 yards on a keeper but a later fumble ended the drive at the W.Va 26.

West Virginia dominated the rest of the second period, penetrating to the Buckeye 45 early in the period, on Steve Jackson's 11-yard dash. Later in the period, the Mountaineers had advanced from their own 21 to the Ohio 40. In that series, controlling the ball for the last nine plays of the half, the big gain was another 18

yard run by Jackson, former Parkersburg half-back.

Ohio took the opening kickoff of the second half. Running plays by Eddie Jackson, George Tomach, and Bobby Edwards moved the ball to the Ohio 47-yard line.

Tomach lost 6 yards and then the Buckeyes had an incomplete pass.

Steubenville's Larry Sizemore dropped back to punt and kicked to Mike Hayden at the West Virginia 20 and he returned it to the 30.

Steve Jackson picked up 5. Leon Jeter added another yard and then a backfield in motion penalty put the Mountaineers back to the 31. Jeter picked up 4 yards and then Moundsville's John Zwolensky picked up 8 yards to the West Virginia 43.

Ohio was able to move the ball only to the W.Va 40 and then Cadiz's Jim Pyles dropped back and booted to the West Virginia 23. West Virginia picked up two first downs in 5 plays before Jackson punted out of bounds at the W.Va 49.

Eddie Jackson gained 5 yards in two tries for Ohio and then lost 3 as the quarter ended.

"1980" All-Star Game – 20 Years Ago

A severe summer storm with strong wind and fierce lightning cut short Saturday night's Game at Wheeling Island Stadium, resulting in confusion, a mad dash for the exits, and a 10-7 victory for Ohio.

At 9:05 p.m., with 5:11 remaining in the game, heavy winds swept across the stadium and a bolt of lightning knocked out the lights on the west side of the stadium.

Officials then signaled an end to the contest, and the fans, approximately 8,500 of them, took off on a frantic dash toward the exits. Moments later, the game was declared official, and the stadium was soon empty.

Ohio was not only ahead 10-7 at the time, but was driving toward the West Virginia endzone. Quarterback Jeff Smith of Buckeye Local had just completed a 19-yard pass to Bridgeport's Rich Goodrich for a first down at the Mountaineer 18 when Mother Nature intervened.

What proved to be the winning touchdown came at the 4:46 mark of the third quarter when Smith hit Goodrich on a 13-yard scoring strike. The TD capped a 13 play 74-yard drive, which featured the dazzling running of Martins Ferry back Jimmy Johnson. He gained 30 of the 74 yards, including an 11-yarder on a third and three from the West Virginia 32.

Johnson's eight yard scamper gave the Buckeyes a first down at the nine, but Ohio was pushed back to the 13 as St. Clairsville's Mike Morris was dropped by Brooke's Steve DePasquale. But on the next play Smith hit Goodrich in the left flat for the touchdown.

Goodrich caught five passes for 66 yards, and he also intercepted two passes off West Virginia quarterback Tommy Thomas of Wheeling Central, the first of which set up a first quarter field goal by Shadyside's Manny Matsakis.

Smith completed eight of 13 passes for 93 yards, and he was also the game's leading rusher with 71 yards on 14 carries.

Johnson finished with 57 yards on 13 carries, while Buckeye North's Bart Brown added 21 yards on the ground.

Thomas completed only three passes in 10 tries for 44 yards, and he was victimized twice by Goodrich.

Central's Rich Kelly paced the West Virginia ball carriers with 36 yards on 10 carries.

Ohio led in first downs, 14-6, and in overall rushing yardage, 144-31. The Buckeyes were penalized five times for 49 yards, while the Mountaineers were set back twice for 20 yards. Each team lost a fumble.

Thomas came out throwing on the very first play from scrimmage, but the intended pass for teammate Matt Hamm was broken up by Jefferson Union's Steve Swinehart near mid-field. Another incomplete aerial and a three-yard loss pinned against Weirton Madonna's Vic Ceglie forced the Mountaineers to punt.

Ohio could do no better on its first possession. Brown and Johnson were dropped for losses, and Smith's pass intended for Shadyside's Todd Snedeker fell incomplete.

The Buckeyes got the game's first break on the West Virginia's next series. On third and 10 from the 18, Goodrich stepped in front of Magnolia's Rick Dove and returned the oval to the Mountaineer 14.

Ohio, however, could manage only a net of five yards on the ensuing three plays, and on fourth down from the nine, Matsakis came on and booted a 27-yard field goal to give the Buckeyes a 3-0 lead with 5:09 left in the first quarter.

Just moments later, Ohio was back in business again as a Thomas pass went off the fingers of Central's Eric Osterman, and into the hands of Goodrich at the

West Virginia 35.

A pass from Smith to Goodrich was good for 17-yards and a first down at the Mountaineer seven, and another aerial to Snedeker to put the ball at the three.

But that's as close as the Buckeyes got. Off-setting unsportmanlike conduct penalties pushed the ball back to the nine (West Virginia was penalized only half the distance to the goal, while the full 15 yards was marked off against Ohio). On third and goal from five, Smith was caught by Magnolia's Pat Estep, and Matsakis came on again.

However, after a five-yard delay penalty, the Shadyside kicker was wide right from 28 yards out.

West Virginia's go ahead touchdown was the result of a 10 play, 64-yard drive. The big plays were a 24-yard pass from Thomas to Hamm on third and six from the Mountaineer 40, and a 16-yard Thomas aerial to Linsly's Mike Felton which was good for a first down at the Ohio 19.

Three plays later, Kelly bolted up the middle for 11 yards, making it first and goal from the one. Thomas snuck over two plays later, and the extra point was added by Central's Greg Kloeppner put the Mountaineers on top 7-3, with 1:14 left in the first half.

Ohio had one last chance just before the half, compliments of passes of 10 and 16 yards from Smith to Goodrich and Snedeker, respectively, and a 10 yard keeper by Smith.

But on the final play of the half, a 47-yard field goal attempt by Matsakis was short.

Both coaches, Central's Jim Thomas and for WV and Buckeye North's Paul Culver for Ohio, struck pretty much with their first string units. Tommy Thomas went all the way at quarterback for WV, as did Smith for the Buckeyes.

The storm-shortened victory gives Ohio an 18-17 lead in the all time series. It was also Ohio's third straight win.

"1990" All-Star Game – 10 Years Ago

The Pentagon staff should get their hands on the weapons that Ohio featured in the 19th Rudy Mumley OVAC Charity All-Star Football Classic on Sunday night at Wheeling Island Stadium.

The Ohio stars used the air, the ground and defense to march to a 42-0 victory over West Virginia in the annual football matchup.

In fact, Ohio's margin of victory was the most lopsided in the history of the series. Before that, the biggest victory was Ohio's 47-13 win in 1979.

The Buckeye State now leads the series by a 25-20 count.

"Our kids came to play," Ohio coach Bob Morris said. "I can't say enough about them. Our defense came up and hit them. The players just responded very well."

In the first quarter, both teams were stopped on their first offensive series. On their second series, Ohio gave up a chance when quarterback Kevin Smith fumbled in enemy territory. John Litman recovered for the Mountaineers at the 33-yard line.

The Mountaineers most serious threat to score came after the fumble recovery. On the next play, quarterback Larry Palmer connected with Zack Abraham for a 37-yard strike to the Ohio 29-yard line.

However, Palmer was sacked on the next play for a 10-yard loss by Marcus Raine and Ohio stopped the threat. On the fourth down, Palmer tried a fake punt but he was stopped short of the first down marker.

Following that, Ohio took the ball and marched 75 yards to pay dirt. Fullback Mo Pearson capped off the 10 play drive with a one yard run for the score with 11:17 remaining in the second quarter.

The key play of the drive was Kyle Rose's 17-yard gain on fourth and one on the WV 35.

Just three minutes later, Ohio quarterback Brent Burkhart connected with standout receiver Joey Galloway for a 58-yard touchdown that gave the buckeyes a 14-0 lead. On the play, the Ohio state recruit beat double coverage down the right sideline.

The Mountaineers managed just eight total yards on their next series and were forced to punt. Ohio was ready to strike through the air again.

On second and 10, East Liverpool's Smith eluded the West Virginia rush and scrambled - he lofted a pass deep downfield for Steubenville's Chuck Hython.

Hython, Big Red's big play man, out-leaped two defenders for the ball at the five-yard line - and stumbled into the end zone for the score that raised the buckeyes' lead to 21-0.

"We were able to get layers in situations where they were able to showcase their talent," Morris added. "Joey Galloway made an outstanding play to get by double coverage on his touchdown. Kevin Smith broke away and Chuck Hython made a great catch on a broken play for the other score.

"We felt we had to stop their option, that and their roll-passes," Morris continued. "If we could get the lead on them, we could force them to do other things."

In the third quarter, Ohio needed just two plays to pad their lead to 28-0.

Pearson broke loose for a 46-yard jaunt to WV's three-yard line. From there, Cadiz's Damon Brooks scampered into the end zone on a sweep right at the 7:15 mark.

"They came out and took it right at us," WV Head Coach Ron White said.

"We felt they earned their first touch-down. In my view we gave them their other two scores in the first half."

"I'm still proud of our players. They all worked hard," White noted. "It just wasn't in the cards. You have to give coach Morris credit. He had the weapons and he found a way to use them."

Ohio upped its lead to 35-0 on a seven play 50-yard march with 1:49 remaining in the third quarter. Beallsville grad Jim Brown scored a touchdown on an 18-yard gallop.

The Buckeyes' final score came on a three-yard run by River's Rose with 7:54 left in the game. The drive covered 59 yards in 10 plays.

Ohio had a 342-59 advantage in total offensive yardage during the game. The Buckeyes defense held WV to just 20 yards rushing on 30 carries.

The Buckeyes quarterback duo of Smith and Burkhart was 11 for 15 for 182 yards and two scores. Galloway lead all receivers with five catches and 102 yards.

Steubenville's Pearson rolled up 75 yards for Ohio, Rose added 65, and Brooks finished with 61. Linsly's Mike Carman paced West Virginia with 25 yards on six carries.

On defense, Bellaire's Raine and St. Clairsville's Lance Sanders both had two sacks apiece. Edison South's Dave Wukelic was charted with eight tackles. Wheeling Park's Darius Savage chalked up two sacks for the Mountaineers.

Ohio enjoyed a 20-7 advantage in the first down department. In fact, WV managed just one first down in the second half.

The Buckeyes were penalized six times for 60 yards, while the Mountaineers were flagged four times for 26 yards. Both teams lost one fumble.

~ A Tribute to Cal Pokas ~

BY RICH GIBSON, OVAC Media Relations

The Ohio Valley Athletic Conference lost one of its closest friends and supporters this past January when long-time Sports Editor of the **Martins Ferry Times-Leader** and OVAC official Calvin Pokas passed away.

Pokas, whose outstanding career in journalism spanned 40-plus years, spent a vast majority of that time keeping eastern Ohio readers informed with his unique and always entertaining perspective of local high school and collegiate sports news.

Through the years, Cal chronicled the athletic achievements of area prep legends like Phil and Joe Niekro, Bill Mazerowski, Bobby Douglas, John Havlicek, Johnny Blatnik and more recent stars including Tim Spencer, Lance Mehl, and Joey Gallo-way. Well-respected for his writing style and often wry sense of humor, Pokas authored an informative weekly column, "Cal's Corner." Following retirement, Cal remained active, offering **Times-Leader** readers and Ohio State followers a popular, in-depth "Eye on the Bucks" column featuring comprehensive coverage and analysis concerning the local Buckeyes.

Says current **Times-Leader** Sports Editor, Robert "Bubba" Kapral: "Cal Pokas is one of the legends in Ohio Valley sports journalism. He was a true professional in all regards. Cal was a very compassionate man who championed the cause of all sports. He is a great role model for all current and future sports writers."

Pokas, indeed, felt a special need to recognize young athletes in all facets of local sports including cross country, volleyball, golf and soccer, among others.

Jay Circosta, head football coach at Monroe Central High and serving as Ohio All-Star Coach for this evening's game, worked closely with Pokas in various functions.

"Cal's passing was a great loss - - not only to athletes and sports fans in the valley - - but to the OVAC community as well," Circosta noted.

"Cal's contributions over the years are truly too numerous to mention. It's impossible to count the number of times he went out of his way to ensure a team or group of young people received proper recognition."

Pokas' dedication to his profession certainly did not go unnoticed. Here are just a few of the accolades bestowed on Cal Pokas for his decades of service:

- 1960 Community Service Award presented by United Press International
- 1976 Elected into Ohio Prep Sports Writers Hall of Fame...Named Ohio Prep Writers Association, "Sports Writer of the Year"...Distinguished Service Award presented by Ohio Association of Track and Cross Country Coaches...Distinguished Service Award presented by District 12 Basketball Coaches Association...Presented inaugural Service Award by Eastern District Athletic Directors Association.
- 1991 Inaugural Media Recognition Award presented by the Meadows Race Track, Washington, PA.
- 1995 Honored by Ohio Valley Golf Coaches Association for service and dedication...Service Award honoree at the OVAC's Banquet of Champions.
- 1996 Appreciation Award presented by the Ohio Valley Football Coaches Association...Media Service Award presented by the Ohio Baseball Hall of Fame...
- 1998 Presented inaugural Sportsmanship, Ethics and Integrity Award for the East District from the Ohio High School Athletic Association...Presented "Mr. Mal" Award from the Ohio Valley Wrestling Coaches Association...Selected for Bellaire High School's "Wall of Fame"...
- 1999 Honorary Referee for Domino's Pizza/Pepsi Cola Track Classic at Wheeling Park High School...
- 2000 Distinguished Service Award presented posthumously by the Eastern Ohio Interscholastic Athletic Administrators Association...

This fall, the First Annual Cal Pokas Memorial Cross Country Meet will be held at Buckeye Local High School. Cal's wife, Betty, is a long-time employee at the **Times-Leader** where she currently serves as Area Editor.

Cal and Betty are the parents of three children: Dr. John Pokas (Optometrist) of St. Clairsville; Judy Mayles of Wheeling; and James of Los Angeles, Calif. They have four grandchildren: Olivia, Alexandra and Nicholas Pokas; and Jacob Mayles.

In my 40 years of writing sports in the Ohio Valley, I had the pleasure of being associated with two giants of the newspaper profession. One was the late Bill Van Horne, my boss for 27 years, and friend and mentor for over 30 years.

The other was Cal Pokas, who also was tutored by Van Horne during his early years as a journalist. I was always impressed with Cal's dedication to his work and his attention and devotion to all sports...not just football, basketball and baseball.

Cal also contributed much time and devotion to organizations such as the Ohio Valley Athletic Conference and the Upper Ohio Valley Dapper Dan Club. Cal was more than just a newspaper acquaintance to me, he was a friend and advisor, as well. We worked together on many projects pertaining to the OVAC. I guess the best way for me to describe him is that Cal was a true professional.

NICK BEDWAY, Executive Sports Editor, Wheeling Newspapers

Cal Pokas was a "quiet giant" in the newspaper industry. His dedication to OVAC athletics and Ohio State University was unparalleled. When it came to the OVAC, the big difference between Cal and most reporters was that he championed the "little man."

Cross Country...girls' basketball in the early days...golf; all sports were important to Cal, and he saw to it that they received recognition in the **Times-Leader**.

I remember visiting him in the hospital during his last stay, just to say hello. But it quickly went way beyond that. Cal was telling me things I should look for in my new position, the history of why things were done the way they were, dishing out advice upon advice, never once complaining about his problems, but rather taking care of business at hand. That was Cal.

I refer to him as a "quiet giant" in the industry, because you really didn't know Cal was around at an event...until you touched a nerve by asking him something about athletics. Then, it was as if you magically opened the **Encyclopedia Britannica** of sports.

Jimmy Mountain, Bill Van Horne, Rudy Mumley, Sam Mumley, Cal Pokas - - giants in the Ohio Valley Athletic Conference. And right this minute, I'm sure Cal, Bill and Jimmy are busy writing press releases for the only all-star game that truly matters.

THOMAS E. RATAJCZAK, Executive Secretary, Ohio Valley Athletic Conference

Dr. Robert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy Mumley OVAC All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for football. The game, he says, is in his blood. And no antibiotic, no pill or shot can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself... it doesn't matter what aspect it is."

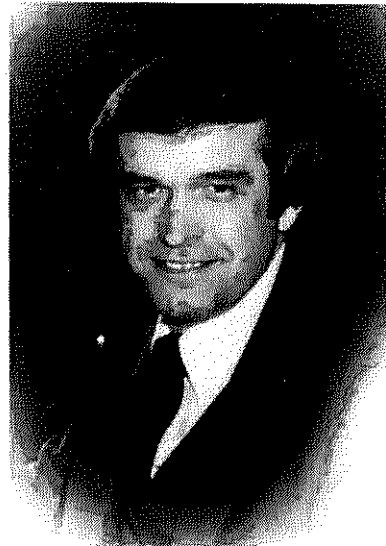

Football found its way into the heart of Dr. Jones in the mid-1960s, when he played for the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive line -- "Back then, you had to do it all," he said. -- and remembers cross-state clashes with Charleston fondly. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Island Stadium will always remain indelibly etched in Jones' heart and mind. "I remember my first game... we played Charleston," Jones said. "It was the only time I've ever seen the island (stadium) completely packed. We had a little bit of a rivalry with them." And he still gets the same chills up his spine every time he visits the stadium, which was remodeled in the 1980s. "It's still the same place," Jones said. "Even if it is a different stadium. It's still a great place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. Currently a general surgeon who also performs thoracic and vascular work at Wheeling Hospital, Jones says he learned self-discipline -- a necessary component in any surgeon's mental makeup -- by playing football all his life. "The discipline of football pushed me to be a surgeon and in the medical field," Jones said.

Jones has been involved with the OVAC Football Classic for the past 15 years, getting his first taste of the game when Ohio team doctor -- Luis Vazquez -- invited him to the 1984 game.

Many of the games that he's seen and worked were good. But one -- the 1987 classic -- stands out as great; because of the luminous stars who played in the contest. Ohio - featuring St. Clairsville's duo of Shawn Vincent and John Spencer - defeated the Alex Shook-led West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Island Stadium. "That was the best year, as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children - Patricia and Pamela, both 31, and Robert, 7.

DR. ROBERT JONES

★★★ OVAC DOCTORS ★★★

After studying pre-med at Ripon College in the state of Wisconsin, Luis Vazquez decided the midwest would be a great place to live and raise a family.

A native of Caguas, Puerto Rico, Vazquez later studied and obtained a doctorate at the University of Seville in Spain.

"When it came time to apply for an internship in the States, I hoped to return to Wisconsin, or somewhere close to that region of the country," he recalls.

Fortunately for the Ohio Valley, an opening became available at old Wheeling Hospital in 1957. Vazquez accepted, and the rest -- as they say -- is history.

And what a history for one of the area's most respected and successful physicians.

Doctor Vazquez has been on the Ohio sideline, donating his services each and every year the Rudy Mumley OVAC All-Star Game has been in existence.

"I can't think of a finer organization to be involved with," he said from his St. Clairsville-based offices where he first established practice in 1961.

A long-time sports enthusiast, Vazquez has served in a similar capacity 32 years at St. Clairsville High. He's also aided the prep grid programs at Bridgeport and Martins Ferry.

"I'm fortunate that my four sons were involved in football. That helped me stay close to the sport," he noted. "Today, I enjoy it today as much as I ever have."

Through the years, Dr. Vazquez has served on numerous committees, including Ohio's prestigious Sports Medicine Advisory Board where he worked alongside the legendary Woody Hayes, longtime Buckeyes' head football coach.

Currently, Vazquez is Chairman of the OVAC Foundation Committee.

Doctor Vazquez has been married 41 years to the former Bonnie Watkins, a Wheeling native. They are the parents of six children. Each own college degrees.

Son Louie played quarterback under the late George Strager at St. Clairsville High. Last fall, Lou was on the staff at state playoff qualifier Fisher Catholic High in Lancaster where he earned a district honor as defensive coach. He played collegiately at Capital University.

Mark Vazquez, a graduate of the Coast Guard Academy, is currently a Commander and is based in Clearwater, Fla.

Roger Vazquez also played quarterback for Strager and was the Red Devils' field general during the 1979 season that featured all-state running back Tim Spencer.

Mike Vazquez holds a masters degree in Political Science from the University of Akron and is working on a doctorate. Mike was a standout lineman at St. C. High.

The Vazquez' have two daughters -- Lori and Becky. Both own masters degrees and are teachers in the Franklin County School District in Columbus.

Dr. Nick Ghaphery has worked tirelessly to make sure that all athletes in the Ohio Valley Athletic Conference enjoy the finest sports medical services around.

Since he first became involved with the OVAC four years ago, Ghaphery – the league's co-medical director along with Dr. Luis Vasquez – has worked to ensure that athletes are healthy and informed about health issues.

"We're trying to bring sports medicine more into focus," Ghaphery said. "We are trying to provide coverage for events that occur in the OVAC, and we're trying to address educational issues for the athletes in the OVAC."

A hot-button issue with Ghaphery is the use of performance-enhancing substances, both legal supplements like creatine and illegal steroids. And Ghaphery said he and the league are making strides warning athletes about the dangers of steroid use.

Getting the facts out is Ghaphery's mission, and he feels he and the league are succeeding in dispersing accurate information to coaches.

"There's a lot of perception versus reality out there, and education is the key. Our goal is to provide the information so that athletes can make informed direction, and we are pleased with the things that we have accomplished."

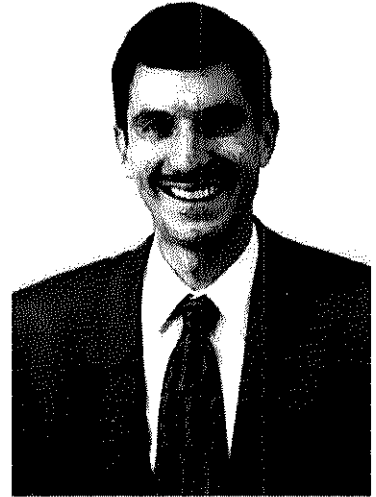

Ghaphery graduated from West Virginia University in 1984 with a bachelor's degree in liberal arts. He then earned a degree from the West Virginia School of Osteopathic Medicine in Lewisburg in 1988.

After spending a year completing his internship at Ohio Valley Medical Center, Ghaphery completed his family practice residency program at WVU in 1991.

From there, he worked at Children's Hospital in Akron, Ohio, as a primary care sports medicine fellow until 1993. Ghaphery then spent four years, from 1993-1996, in the sports medicine program at the University of Pittsburgh.

In 1996, Ghaphery came to Wheeling and since then has been sports medicine director at Wheeling Hospital and a faculty member for family practice and residency.

He lives in Wheeling with his wife and two children.

There's a lot more to playing an all-star football than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.
- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.
- Telling coaches if players injured during the game are healthy enough to return to action.
- Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said.

"Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

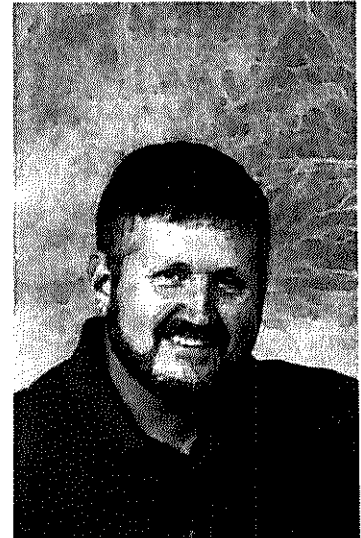

Fullerton should know. After all, he's been seriously involved with the OVAC for the past 15 years, and he's been working in sports medicine for the past 30 years.

His athletic training career started in the late 1960s when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelor's degree in physical education from The Ohio State University and a Master's degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

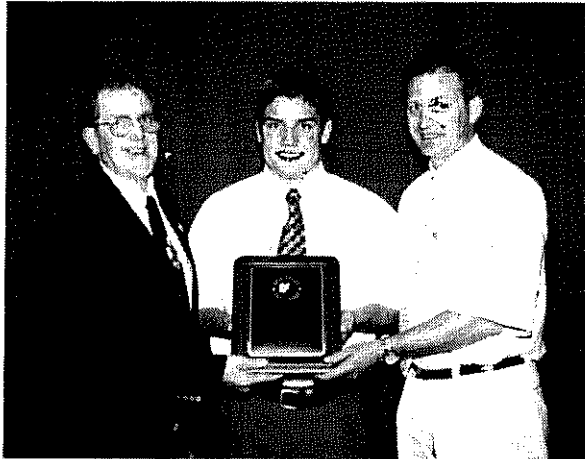

- While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.
- Fullerton worked the summers of 1972 and 1973 in Bradenton, Fla. with the Pittsburgh Pirates organization.
- While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC. That's why he returned to the Ohio Valley in 1985. Currently, he works as a registered nurse in the emergency room at Wheeling Hospital. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship... sometimes the kids don't realize what they have until they are out of it." Fullerton lives in Wheeling with his wife, Susie, and his two children – Jaclyn, who will turn 10 in August, and Jake, 8.

Over 45 Member Schools Say "Thanks" to the OVAC Foundation

Born out of the need for financial assistance to the OVAC, the Ohio Valley Athletic Conference Foundation was organized in the late 1980 school year. It brought together many of the valley business and professional athletic enthusiasts with the purpose of financially supplementing the conference.

The OVAC Foundation has approximately 100 members. The Foundation is the fund raising arm of the OVAC and they believe you cannot lose when you help the student athlete of the Ohio Valley. Additionally the Foundation presents two scholarships annually to a male and female athlete.

CHESTER P. GROSSI

As an official, Grossi worked in 12 state basketball finals in West Virginia, and in five Mountain State championship football games. He worked numerous sectional and regional playoff contests in both Ohio and West Virginia.

"It was very satisfying to be able to officiate as long as I did," Grossi said. "Having played sports and been a coach before becoming an official gave me a greater appreciation for the responsibilities of the job. It also helped me respect the coaches and players more. I wanted to do my best every game I officiated because I thought that is what they deserved. The coaches and players worked hard preparing for each game and I wanted to be sure I didn't mess up and cost somebody an opportunity to come out the winner.

"Everybody makes mistakes. Coaches, players, and officials. The main thing is to go out and work each game to the best of your ability," Grossi added.

Chester is married to the former Rose Paluch. They have two children: Tom, a financial professional with Linsco/Private Ledger, and Monica, a nurse at Weirton Medical Center. The Grossis also have two grandchildren.

Chester is currently president of the Weirtonian Lodge No. 183, Order Italian Sons and Daughters of America. He is also that group's national vice-president. Grossi has served the Knights of Columbus as past Grand Knight for Council 3734 in Weirton. He is a member of St. Paul's Catholic Church, the Holy Name Society and is treasurer of the church's financial committee.

He also serves on the financial committee for the Weirton Chapter of Camp Fire, Inc., and is a director of the Upper Ohio Valley Italian Festival Board, representing Hancock County and the Weirtonian Lodge.

Mieczkowski and his wife Mary Catherine are the proud parents of three children: Shawn, a manufacturing representative for Econo Line; Thomas, who works with troubled children out of the University of Pittsburgh Medical Center; and Diane, a housewife. "Ziggy" and Mary Catherine have eight grandchildren.

Retired after 32 years as an employee with the Weirton Steel Corporation, Mieczkowski officiated basketball for 24 years and football for 26 seasons.

He was honored to be selected to officiate in seven regional tournaments and four state tournaments in basketball. He also worked eighteen football playoff games and twice he officiated in the Ohio state finals when the championships were still held at Ohio Stadium in Columbus.

The long-time member of the West Virginia-Ohio Board, "Ziggy" officiated in the Cardinal Conference and he was a long-time West Virginia Conference referee as well.

"I'm really honored that the OVAC selected me as an honorary referee for this year's game. I enjoyed my many years in officiating and it's nice to be remembered in this way."

One of the great things about athletics is the people you meet and become associated with from all walks of life.

Coaches and players provide many memorable and unforgettable moments for the fans and, yes, even the journalists who cover their exploits on the various fields of battle.

Sometimes forgotten, however, are the men and women in the striped shirts who officiate each and every contest unbiasedly, their main objective being to enforce the rules both to protect the safety of the participants and to see that the games are decided in a fair and square manner.

Two gentlemen who proudly wore a whistle around their neck for a combined total of 71 years will be provided a rare moment in the spotlight tonight during festivities at the 29th annual Rudy Mumley Ohio Valley Athletic Conference Charity All-Star Football Classic.

Chester P. Grossi, a Weirton native and member of the West Liberty State College Athletic Hall of Fame, and **Anthony "Ziggy" Mieczkowski**, from Wintersville, will be introduced as the honorary referees for this evening's game.

Both men were not only successful officials, but outstanding family men and contributors to their respective communities.

Grossi, a graduate of Weir High School, received his Bachelor's Degree from West Liberty in Political Science and Physical Education in 1947. He later earned Master's Degrees in Secondary Education, Health and Physical Education, Recreation and Administration.

Chester was a teacher/coach at Weir High School for 14 years before going into the investment and insurance business.

He was inducted to the hall of fame at West Liberty, where he played football for the late, legendary coach Joe Bartell. Grossi officiated football and basketball in the OVAC, and the West Virginia Intercollegiate conference. He was an active member of the Ohio Valley Football Board and the West Virginia-Ohio Basketball Officials Association for 45 years, a career that ended with his retirement in 1988.

Needless to say, the football players involved in this year's Rudy Mumley/Ohio Valley Athletic Conference Charity All-Star Football Classic won't be the only athletes on the field tonight at Wheeling Island Stadium.

The West Virginia-side cheerleading squad for this year's game includes 10 standout performers, at least five of whom plan to continue their cheering and academic careers in college this fall.

"We think we have an excellent group of cheerleaders to represent West Virginia in this year's game," said Paula Thomas, co-head coach of the Mountain State cheering squad along with their daughter, Nikki Thomas Casuccio. "The kids have worked hard to prepare themselves for the All-Star Game and I hope the crowd shows some appreciation for their efforts."

The Thomas family, by the way, is heavily involved in this year's Mumley Classic. Head Coach of the W.Va. All-Stars is veteran Wheeling Central mentor Jim Thomas, Paula's husband and Nikki's dad.

Assistant coaches are Rose Palmer, Corey Whorton and Arica Posey.

This year's cheerleaders began practice as a group on Monday, July 10, and the girls, along with their coaches, reported to camp at West Liberty State College's Hughes Hall last Wednesday, July 19. Prior to tonight's game, the W.Va. cheering squad and their Ohio counterparts participated in the Queen of Queens Pageant on Friday night at the Wheeling Country Club and they were part of the festivities during a pep rally held Saturday at West Liberty's Russek Field.

The 10-girl W.Va. squad includes two cheerleaders each from Wheeling Central, Wheeling Park and Tyler Consolidated, along with one representative from Bishop Donahue, Linsly School, Paden City and Weir.

Central graduates are Becky DiProsperis and Missy Weber. DiProsperis will be a candidate for the cheering team at West Virginia University this fall.

Tyler's Olivia Johnston and Carrie Hupp have already earned berths on the Fairmont State College squad. Kristin Sloan from Wheeling Park, will be a cheerleader at Morehead (Ky.) State, while her Patriot teammate, Kara Beihl, will be cheering at Wheeling Jesuit University.

Completing this talented cast of cheerleaders are Nikki Giovego, from Bishop Donahue; Aimee Billeter, Paden City; Shawna Guatteri of Weir High and Alison Bish of Weir High.

The Ohio All-Star Cheerleading Squad for the 2000 Rudy Mumley OVAC Football Classic is under the direction of Toronto High Cheerleader Advisor JoAnn Stagani.

Ten girls representing seven Ohio-side schools have been selected to root on the Buckeye stars for this evening's game.

According to Stagani, it goes without saying each member of the Ohio squad is thrilled to participate.

"Each girl must be nominated from her respective school cheering advisor to be considered," she points out. "Thus, it's quite an honor to be chosen and a wonderful experience for the girls who have a final opportunity to perform before such a large crowd."

A graduate of Stanton High, where she was a four-year cheerleader, Stagani went on to earn her college degree at Bowling Green State University.

"Cheerleading is a very competitive and physically demanding challenge," she notes. "The 10 girls selected for (tonight's) game attended four, two-hour practice sessions before going to camp."

Toronto High's Red Knights' Stadium was the scene of pre-camp activities where each participant provided both input and insight.

"The girls discussed a combination of various routines from their respective high school programs," Stagani revealed. "Obviously, they're very excited to perform them during the game."

In the end, Stagani stresses the all-star experience ensures lasting memories.

"What a great way to culminate (your) high school cheering career," she observed. "Many of the girls are now preparing for college where some will be trying out for cheering squads at the next level."

Including two of Stagani's Red Knight Ohio all-star members -- Melanie Antonucci and Erika O'Halek, both of whom plan to cheer at Mount Union College.

In addition to Toronto's representatives, the Ohio All-Star Squad includes the following young ladies: Natasha Plumly (Barnesville); Jessica Duley and Natalie Harr (Buckeye Local); Holly McClain (Edison); Novella Trushell (Harrison Central); Heather Brown and Ashley Ellsworth (Indian Creek); and Stacey Kelsner (Martins Ferry).

Stagani and her husband, Robert, reside in Toronto with their two sons, Gregory, 6 and Tyler, 4.

2000 OVAC All★Star Coaches

L-R kneeling –Mike Young, Scott Holt, Head Coach Jim Thomas and Terry Edwards
L-R standing – Tom O'Connell Sr., Trainer Randy Elliott, Jim Wolfe, Phil Pest, Frank Evans and Greg Sacco
Not Pictured: Tom O'Connell, Jr.

The coaching staff for the West Virginia All-Stars will bring a total of 197 years of experience into this year's Rudy Mumley/Ohio Valley Athletic Conference Charity All-Star Football game to be played Sunday night, July 23, at Wheeling Island Stadium.

Serving as head coach of the Mountaineer squad will be Jim Thomas, veteran mentor of the Wheeling Central Catholic High School Maroon Knights.

Thomas, a head coach in football for 30 years at three Ohio Valley high schools, will be joined by nine of his assistant coaches.

The "dean" of the Central coaching staff is Tom O'Connell Sr., who has been at it for 39 years, including 17 as a head coach at Bishop Donahue High School and at Buckeye South.

This all-star staff also features as father-son combination in Tom O'Connell Sr. and Tom O'Connell Jr. The younger O'Connell is a Wheeling Park and West Liberty State College product who has coached a total of six years.

Two other staff members also have been head coaches in football as well as other sports. They are Mike Young, former St. Clairsville High mentor and a Central product, and Terry Edwards, who played at Linsly School and West Liberty.

Rounding out the staff are Greg Sacco, Scott Holt, Jim Wolfe, Frank Evans, Phil Pest, and trainer Randy Elliott.

This will be the fourth time around as a head coach in the all-star game for Thomas, who still finds it a thrill to work with the standout players from the various high schools in the area.

"The all-star game is very special," Coach Thomas said. "My assistants were pretty emphatic about doing it again. You meet many nice kids from all over the valley and get to spend some time with them," he added.

As a head coach, Thomas had two different tenures with the Maroon Knights. After spending three years at Yorkville High, including a 9-0 perfect record season in 1971. He returned to his high school alma mater in 1973 and spent eight seasons at the helm. The highlight year was in 1979 when Central posted a 12-1 record, winning the West Virginia Class AA state championship.

Thomas went on from there to spend six seasons at Wheeling Park, eventually returning to Central in 1988, where he's been head coach ever since.

Last season, "J.T." coached the Maroon Knights to a 9-4 record and a berth in the Class A semifinals before they were eliminated by eventual state titlist Moorefield. Central lost just two seniors off that squad and figures to be one of the leading contenders to make a Super Six appearance at Wheeling Island Stadium next December.

Thomas, who played for coaching legend George Strager at Central, received his bachelor's degree from West Liberty and his M.A. from West Virginia University. Jim teaches on the faculty at Wheeling Park. He and his wife, Paula, have four children, J.T., Dax, Tina and Nikki.

Jim's long-time assistant at Wheeling Central, Terry Edwards, also was the Maroon Knights' head mentor during the time Thomas coached at Park.

Edwards, an outstanding athlete during his playing days, also had coached the Central baseball team. Terry, who has 22 years of football coaching experience, has led the Maroon Knights to back-to-back state Class A diamond crowns. One of the standout players on the 1999 and 2000 title-winning teams is Terry's son Justin, who will be just a junior at Central this fall. Justin also is starting quarterback on the football team.

Terry and his wife Chrystal have two sons, Justin and Josh.

Young, who spent 17 years as a Strager assistant at St. Clairsville before becoming the Red Devils' head coach, has been an assistant three years at Central, which is also his alma mater. Mike spent nine seasons at St. Clairsville's head coach. He and wife Carol have four children, "T.O.," Lorrie, Kathy and Billy.

Tom Jr., played his high school ball at Park. He also spent time on the coaching staff at Buckeye Local before coming to Central. "T.O." and his wife, Leslie have two sons Justin and Taylor.

Sacco has been coaching 24 years, all as an assistant coach for the Maroon Knights. Greg earned his bachelor's degree at West Liberty and his M.A. from WVU.

Phil Pest, former Maroon Knight and Bethany College athlete, coached for 22 years, most of which were spent in the Buckeye Local School District where he also was a head track coach. Pest also earned his M.A. degree at West Virginia. Phil and wife Jan have three children: Megan, Trevor and Shannen.

Jim Wolfe, a Belmont Tech product, also has a wealth of coaching experience under his belt, having spent 17 years at Central. Jim and wife Joyce have one child, Matthew.

Evans has been an assistant coach for the last seven years and works primarily with the kickers. He and wife Carol have a daughter, Joy.

The new kid on this coaching block is Scott Holt, who joined the Central staff last season. He currently attends West Liberty State College.

Training Camp for this year's all star game begins on Saturday, July 15, at West Liberty State College.

2000 OVAC All★Star Coaches

"Been there, done that."

That's the condensed version of JAY CIRCOSTA's resume.

The extended version requires a few pages, compiling numerous accolades achieved by one of the Ohio Valley's most respected head football coaches.

Circosta and his Monroe Central Seminoles' staff are on the sidelines, overseeing the Ohio squad for this evening's annual Rudy Mumley OVAC Ohio Valley Charity Football Game.

Though tis is Circosta's fourth assignment for the mid-summer classic, the veteran coach is no less thrilled to participate.

"The OVAC All-Star Game is one of the Ohio Valley's most anticipated sporting events of the year. It serves as unofficial kickoff to the season ahead," Circosta remarked. "We at Monroe Central are always highly honored to be selected."

Circosta's last all-star tenure resulted in one of the most exciting finishes in all-star history -- Ohio pulling out a 17-14 triumph over its West Virginia counterparts on a last-second field goal by Martins Ferry's Tom Bruney.

"(This) game is so much more than just on-field competition," Circosta points out. "(It's) about a talented group of athletes coming together one last time, representing their respective high schools, playing before a huge crowd.

"I've always maintained the OVAC is the country's premier high school conference. This game and the thousands of valley fans (it) attracts is a great testament to that fact."

A MAJORITY of Circosta-coached teams have achieved legendary status in Monroe County.

Jay guided the fortunes of Woodsfield High 23 seasons before a 1994 consolidation resulted in the merger of Woodsfield and Skyvue High Schools to form Monroe Central.

During a span of 29 years, Circosta-coached teams have accumulated 210 victories against just 81 losses. He is the winningest active coach in the Ohio Valley.

Circosta owns 11 OVAC championships and 14 Pioneer Valley Conference titles.

Six times, Circosta squads have advanced to the Ohio High School Athletic Association playoffs, including a five-year run during the 90s.

In fact, Circosta has recorded a sterling 88-10 record over the past 10 seasons. Three of those teams charted unbeaten regular season records. In all, Circosta has guided five teams to unbeaten marks. Jay's 1976 Woodsfield Redskins were the Associated Press' Class A State Champions.

The 1976 OVAC Coach of the Year, Circosta has earned similar status 10 times with the PVC. Twice he was honored as AP Eastern District Coach of the Year.

A graduate of Shadyside High, Circosta went on to earn a bachelor's degree in Secondary Education from West Liberty State College before enrolling at the University of Dayton where he completed work on his master's degree in Education.

Jay and his wife, Donna Sue, are the parents of two daughters, Jayne Lynne, 27, and Susan Jaye, 23.

A talented corps of Seminoles' assistants join Circosta on the sidelines for this year's all-star classic.

"In order to achieve any degree of success, (you) must surround yourself with high quality personnel," Circosta noted. "I've been extremely fortunate to work with an exceptional group of coaches through the years."

PAT SINGLETON serves as defensive coordinator for Monroe Central.

Singleton played for two of Circosta's finest Woodsfield teams in the mid-70s. The Redskins went 18-2 during Singleton's final two prep seasons when he became one of the school's all-time leading rushers.

Singleton, who played in the 1975 mid-summer classic, was also a stellar baseball player.

A graduate of Heidelberg College, Pat and his wife, Sharon, reside in Woodsfield with their son, Kyle.

DAVE SCHUERMAN, a West Liberty State product, is a Woodsfield High grad who's been on Circosta's staff since the mid 90s. He was a two-way starter with the Redskins.

Schuerman oversees the Seminoles' defensive secondary and offensive backs.

Dave and his wife, Janet, and their daughter, Sydney, reside in Woodsfield.

GREG SCHUMACHER was a standout running back and line-backer under Circosta at Woodsfield High. He went on to star at West Liberty State College.

Schumacher works with running backs, defensive backs and special teams players at Monroe Central.

Greg and his wife, Lauren, are the parents of two children, Daniel and Molly. They reside in Woodsfield.

CHUCK BRIGGS, a mainstay on the sidelines is one of Circosta's long-time associates and has made valuable contributions during the Woodsfield/Monroe Central era.

Responsible for coaching offensive and defensive line players, Briggs and his wife, Sheila, reside in Woodsfield and are the parents of three children.

MARK WITHROW joined Circosta and the Seminoles' staff after previously serving as head coach at PVC member school Shenandoah.

A product of Ohio University where he played football, Mark handles offensive and defensive line duties at MC.

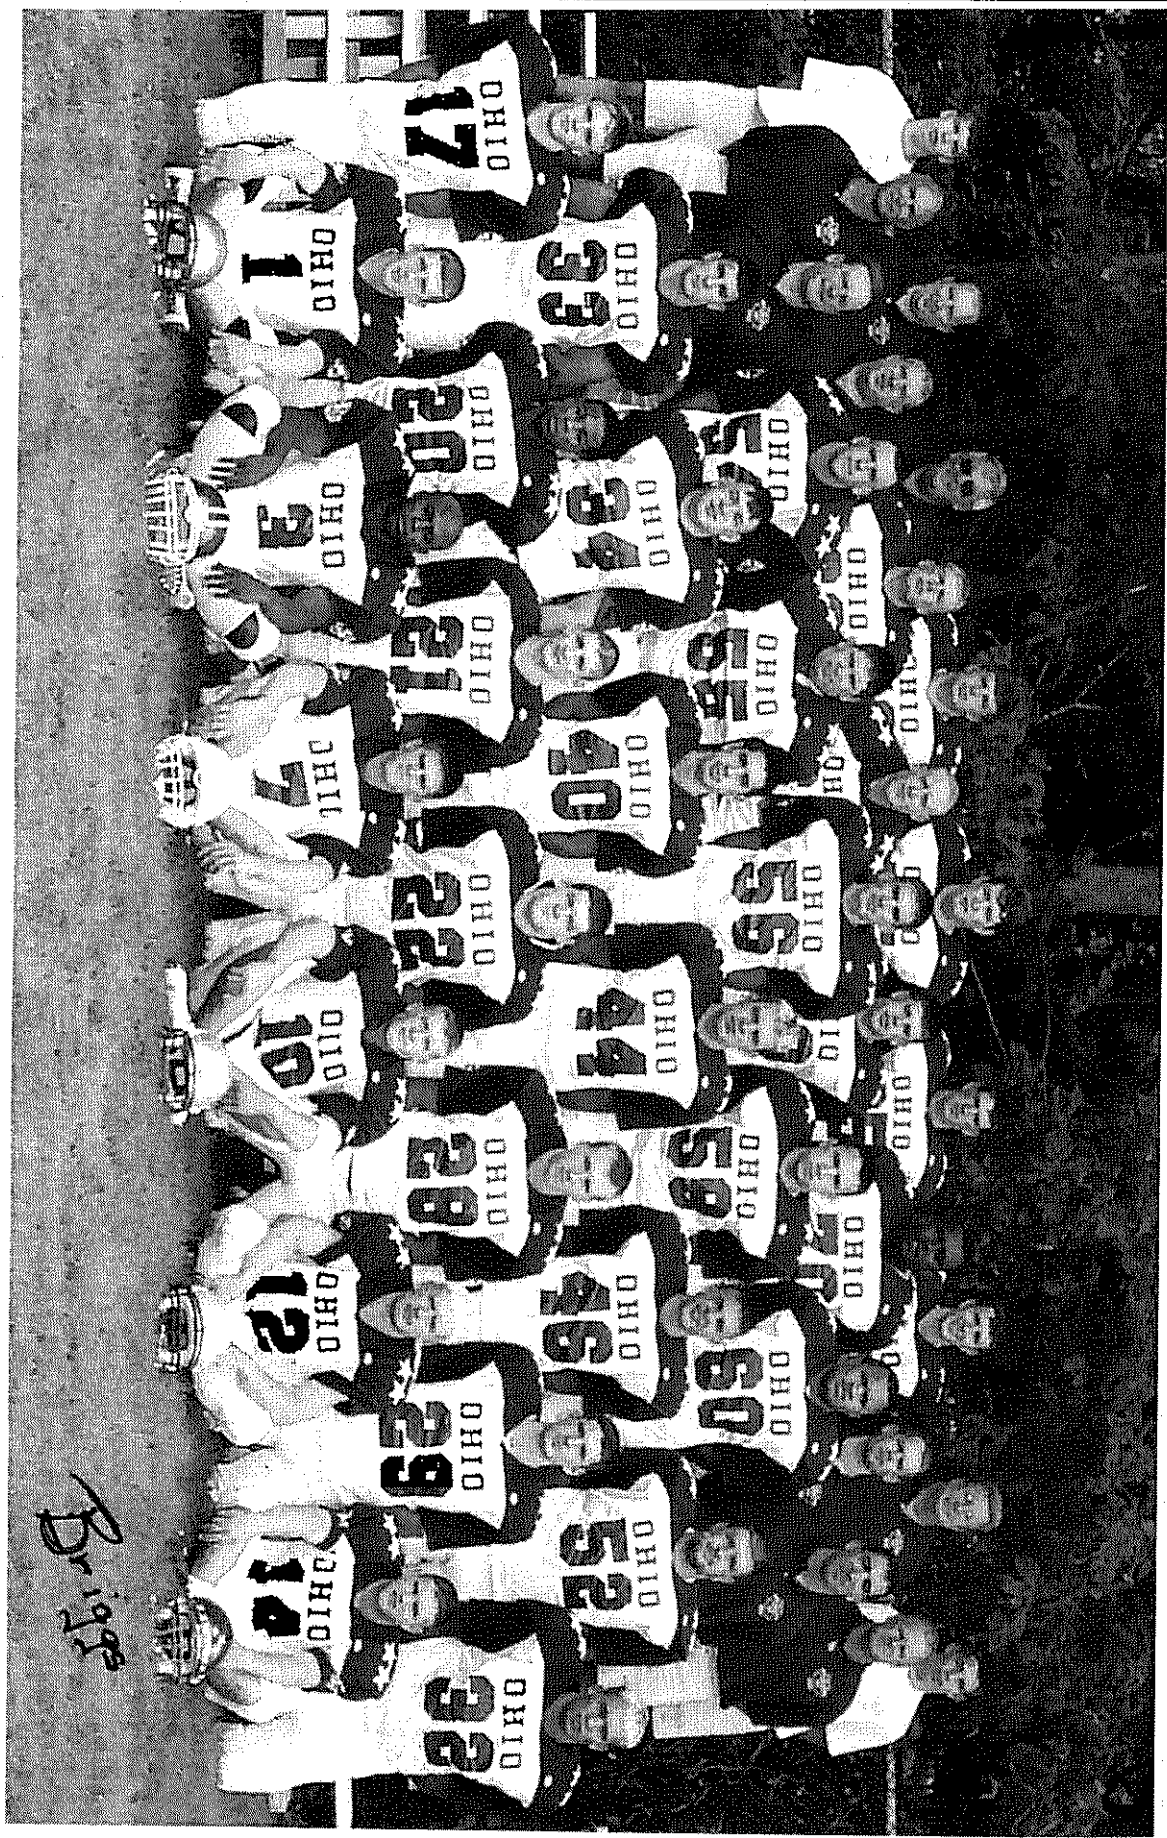

A resident of Caldwell, Mark and his wife, Janie are the parents of two children.

MATT SINGLETON joined the Seminoles' staff in the early 90s. He works primarily with offensive and defensive backs.

Matt, younger brother of Pat Singleton, played under Circosta at Woodsfield High, performing at running back and linebacker.

Mark, who is single, resides in Woodsfield.

BILL FOX is a Beallsville High grad who played with the Blue Devils. Fox, who attended Morehead State (Ky.) University, currently resides in Columbus with his wife, Jennifer.

First and most importantly, I want to thank God for the many blessings He has bestowed upon me, and for the many angels He has put in my life who have helped me along the way.

I want to take this opportunity to thank my mother, Vita, without whom none of this would be possible. Mom, your undying love, support and sacrifices have enabled me to be who I am today. I love you with all my heart.

To the Banals, thank you for all your help and encouragement throughout the Queen of Queens. Your kindness means a great deal to me, and I appreciate all you have done.

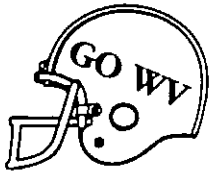

Brian, thank you for believing in me always, for helping me believe in myself, and for all the joy you have brought to my life. I wish you the best of luck today and always ~ you will always hold a very special place in my heart.

I want to extend my sincere gratitude to all those families, friends, businesses and patrons for their support in purchasing ads. Thank you.

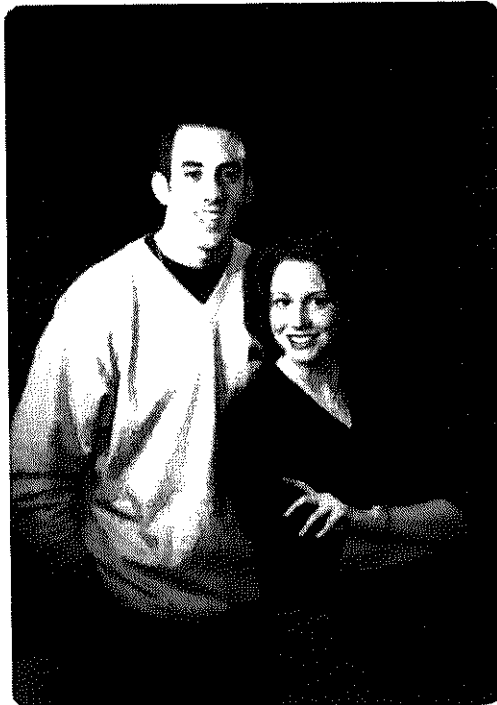

Finally, I want to wish the WV All-Stars, especially Brian, Dan, Danny and Mike good luck as they represent Linsly in the "2000" All-Star Game.

Good Luck *Queen Andrea*

*We knew when you were little, and fresh onto the scene,
that the day would come, when you would be a queen.
We remember you as a little girl, as sweet as they come.
and all the vacations we were on, and all the fun in the sun.
Now you're all grown up, and ready to take on the world.
You're off to bigger things, we're losing our little girl.
But we couldn't be any prouder of the woman you've grown to be.
And we know you're gonna do great things, just you wait and see.
Just remember that we love you, and are proud of you today.
And crown or no crown, you'll be our queen anyway.
Always stay true to yourself, and keep reaching for the stars.
We love you, Andrea, as if you were one of our's.*

First, I would like to thank all my family members and businesses who supported me. I appreciate it more than you know.

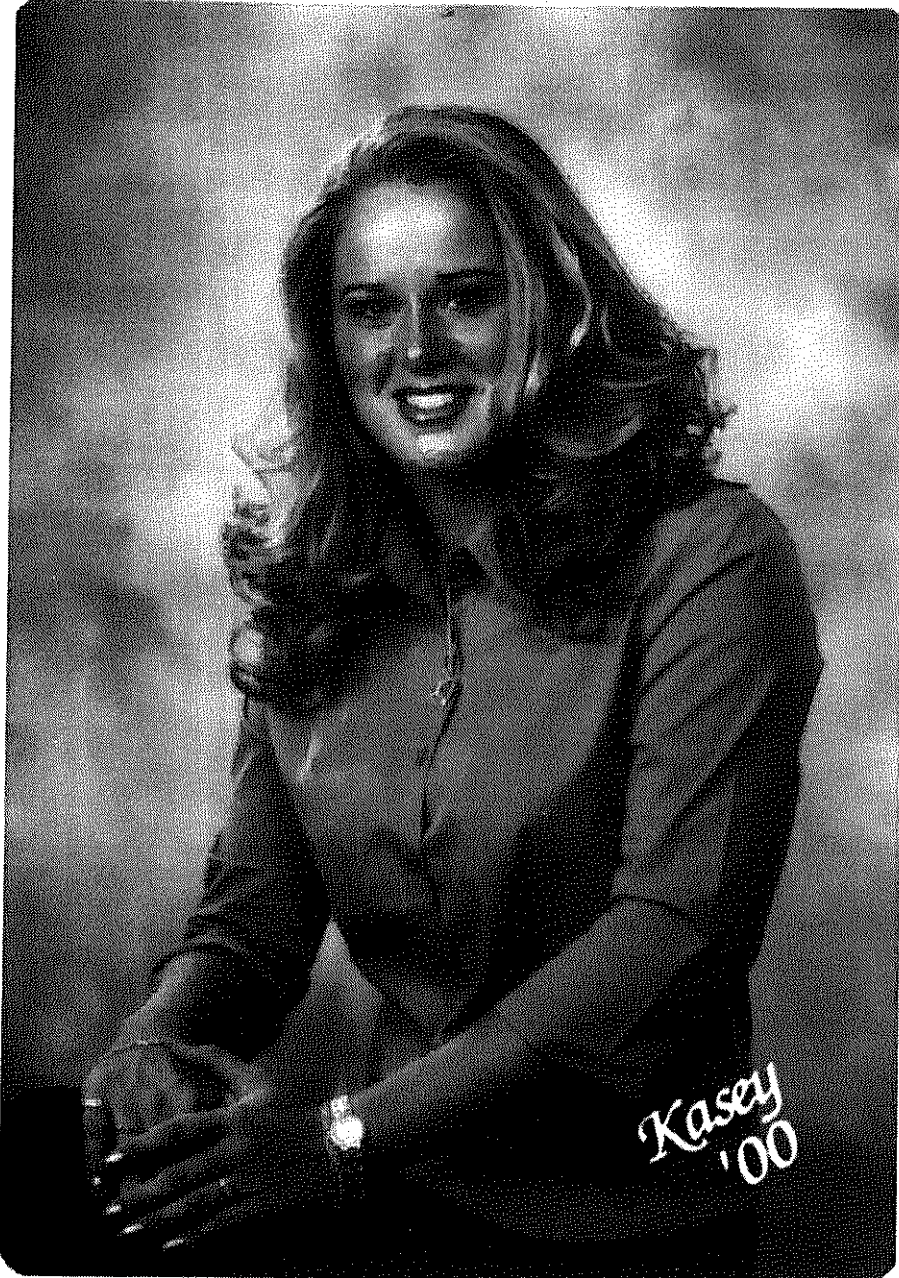

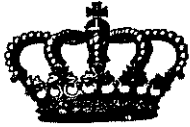

I would also like to take this opportunity to thank my parents for being there for me in everything I do. Without your support, I wouldn't be who I am today. I appreciate both of you and love you with all my heart!

To the Indian Creek Athletic Boosters, I thank you and am proud to represent our school. Good luck to Heather Brown and Ashley Ellsworth. Cheer Hard and GO OHIO!!

I wish to take this opportunity to show my appreciation to all the businesses and individuals who helped me get here by purchasing ads and raffle tickets. Deepest gratitude goes to my parents, brother, and sister for the innumerable things they have done to help me through this endeavor and everything else. Mother, you are my best friend.

Toni Sivert - my sweet voice teacher - I am so blessed to have known you. Denise Howell, I am not a dancer but you can make anyone look good! John and Sheila Blackmore of LeSorv Photography... thank you for your friendship. Family doesn't get better than this!

Mr. Maschue and Mr. Williams, thank you for your time and for making Follies such fun.

I also sincerely thank the Martins Ferry Flower Shop for donating my flowers. All my friends, thank you for your support (and for putting up with my constant singing!). Participating in this years Queen of Queens Pageant has been such a great honor and I couldn't have done it alone. I praise God for all His blessings.

I would like to take this opportunity to thank the School organizations, Businesses and local organizations that donated an ad and to those who purchased raffle tickets. I sincerely appreciate your donations and help.

I would also like to thank Buckeye Local High School for believing in me enough to represent you in the OVAC Queen of Queens Pageant. I'd like to thank all of my friends at Buckeye Local for always standing behind me and for supporting me. I would also like to thank Jess and Natalie for escorting me tonight.

A special thanks to the Buckeye Local Class of 2000. Everyone was so supportive throughout the pageant. I will never forget them and all of their support. They made my High School Years truly memorable.

And, of course, to my family. Thank you for always believing in everything I've done. You have always been there for me. You were the ones to encourage me when I thought I couldn't do it, and the ones who told me to always believe in myself. I'm so blessed to have such loving supporting family.

I would like to thank you from the bottom of my heart for everything.

I would like to take this opportunity to extend a sincere appreciation to each person, ad, business, school organization, friend and family member who supported me for this occasion. First, I would like to thank God, without whom this would not be possible for any of us. A special thanks goes to my Aunt Rita and Susan Circosta for helping put the song and dance moves together. I especially would like to thank Tony for finding the song. Thanks, Sweet Nick's Flower Shop for donating my flowers. A thanks goes out to my best friend Denae Imhoff and Laci McVey for escorting me tonight. I would like to acknowledge my grandparents for backing me up and being there for each goal I accomplished. Words can not express how much I would like to thank my parents. Without their words of encouragement plus and abundance of love, this day would not be possible for me. Good luck to everyone! Thanks again!

Queen Vanessa McNeely

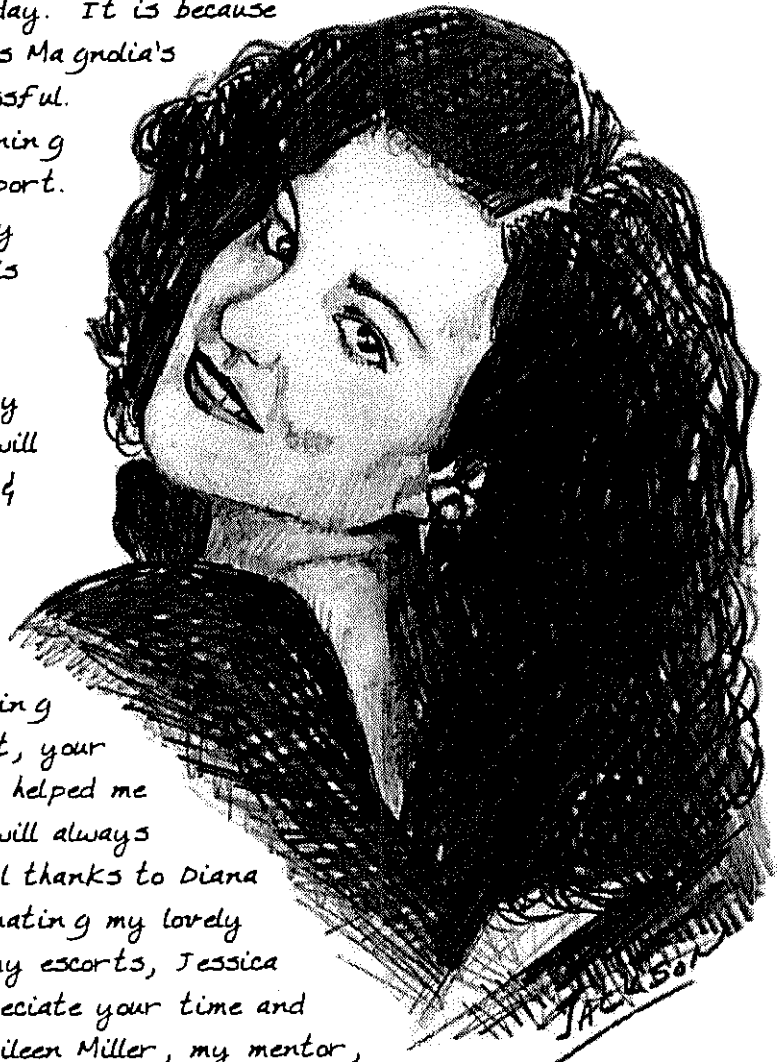

To my family, friends, school, and community, I owe a great deal of gratitude. Through the years, you have loved, supported, nurtured & cared for me, and because of this, I am the person I am today. It is because of your support that my reign as Magnolia's Queen of Queens has been so successful. You all have shown me the true meaning of generosity and community support. Each of you graciously accepted my "offer you couldn't refuse" and this "advertising opportunity of a lifetime" with a smile, knowing in a few short months, I will be away at college, & out of your hair. I will truly miss my entire community, & will always be grateful for your support in all my endeavors.

I must thank Mr. Bill Stokes for sparking an interest for magic in me, & for literally teaching me "all I know." Ann Lapp-Haught, your vocal training over the years has helped me develop my talents greatly, & I will always treasure your friendship. Special thanks to Diana Sidell & The Flower Basket for donating my lovely bouquet for tonight's game. To my escorts, Jessica Lemley and Kirsten Bush, I appreciate your time and especially your friendship. Ms. Eileen Miller, my mentor, teacher, coach & dear friend, I thank you from the bottom of my heart for everything! To my grandparents, thank you for always encouraging and supporting me all these years. I love you!

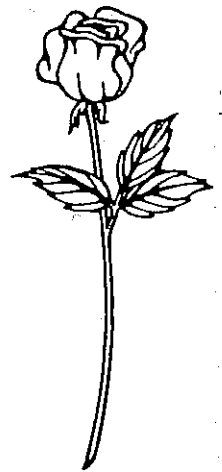

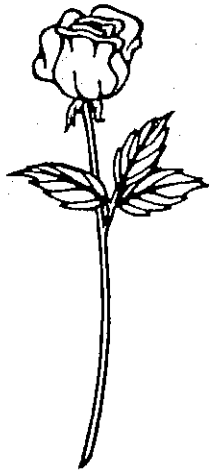

The Good Lord has truly blessed me with the most supportive parents imaginable. You have supported me whole-heartedly from my efforts to learn to dance, sing, act, juggle, do magic, drive, & now, to spread my wings and reach new heights on my own.

Finally, may God bless & protect all of the football players tonight in their final high school appearance. Best of luck to Magnolia All-stars, Josh & Jamie.

Love & Prayers,
Vanessa

I would like to take this time to express my deepest thanks to the businesses and organizations who supported me in the OVAC Queen of Queens Pageant.

A special thanks to Randa Davis and Tiffany Ujek for being my escorts.

Most of all I would like to thank my family and friends for all of their love and unending support. Without you none of my success would have ever happened. Thank You!

Finally, I would like to wish the 'Best of Luck' to All-Star Mike Davis, all the Queen Candidates, and all of the great All-Star Band members.
