There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by

booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference co assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

**RUDOLPH "RUDY" MUMLEY**  
**1918 - 1999**

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful purpose as would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the tars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and ete Cuffaro.

From the time the OVAC assumed sponsorship of the game, Mumley brought back the Stone & homas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was onsored by the booster club associations. Stone & Thomas continued to sponsor the event over the ext two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of aufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and erated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This as become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a assic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to at some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two- eek experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC officials and the dedicated en from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State ollege. Several thousands of people attended these events and, of course, it was Rudy who usually ole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to elp. Following a stint in the military service, he spent the next three decades or so as an educator, imarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference was ongoing for more than three decades, and he arved as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the l-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished director- ip of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably though he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He ad seen the game reach new heights last year when it was televised live by WTOV-9 and the game still ew a near-capacity crowd.

It was a fitting tribute that OVAC officials several years ago renamed the contest as the Rudy Mumley VAC Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. e was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic all of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, dy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a promi- ent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply s Rudy.

And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able o look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC, which is still

believed to be the largest high school athletic conference of its kind in the United States, Mumley was a athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s.

Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

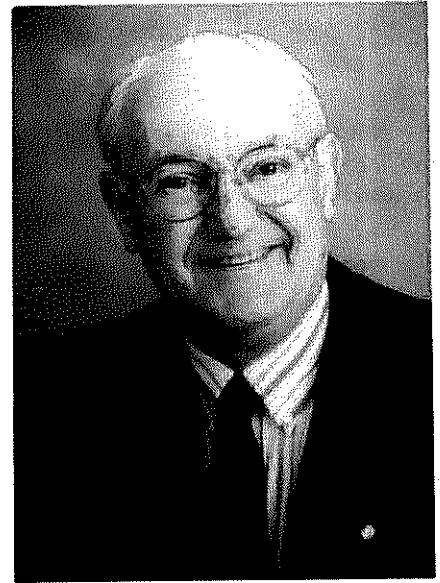

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC, the league was in dire financial straits.

**SAMUEL A. MUMLEY**  
1931 - 1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC map. At last May's OVAC Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC's "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always here with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

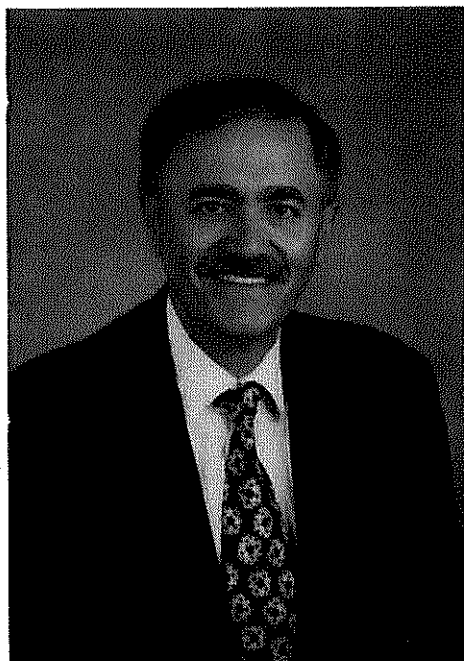

He will remain in our thoughts and prayers forever.

# 28 Years... OVAC All-Star Football Classic in Retrospect ...and The Tradition Continues

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail... "The OVAC would not gain a sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have an NCAA sanction, otherwise those college bound grant-aided players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of high athletic ability or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could regulate any and all summer all-star contests, thus giving the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The West Virginia All Star Football Game fell into this category, thus ending the game in the late 1960's and with it the celebrated official opening of the Ohio Valley's "pigskin" game.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC. "The rich athletic heritage of the valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering primary information, it readily became apparent that the game was "stacked" and those who originally commented on the possibility of such an adventure their opinions seemed doubtful. However, the decision to move forward with our game remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed for the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of her conference business, the OVAC was very busy in implementing its Title IX Program for Girls. Such female pro-

grams were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened... late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named as: The Rudy Mumley OVAC Ohio-West Virginia Charity Football All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced... 1,500 players • 3,200 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans... and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC family, we thank you for allowing us to share... "Charity and love for our fellow man."

## 1940" The First All-Star Game

West Virginia's senior All-Star boys today held a 13 to 17 victory over the eastern Ohio team in the maiden All-Star contest played under the new point-a-play system at the Island Stadium. The victory of the mountain state over the Ohioans drew first blood in the secular contest. A Mallery-Howell pass, late in the first period, put the Buckeyes from midfield to West Virginia 25. Sadlowski, an-Beckwith back, took a pass that Helinski scored in two plays. The remainder of the half was defined by a distinct threat on the part of the Ohio team although the Rowe-Howell combine had advanced to the 55 yard line when the intermission arrived. The mountainer sturdy rush line kept the equally effective Ohio front on fairly even terms into the final quarter before Johnny August, a Shadyside back, who shared the starting role for the West Virginia offense, was hit hard on his own 30 and replaced by Follansbee back, seized the weather for the eventual winners. Charlie Helinski, Union product, was a ball of fire at this stage. He shed off tackle to the Ohio 19 and padded the leather to the five aided by many times out penalty. Helinski punched up a yard and Mike "Punchy" Dimitro punched his way into the payoff as Dimitro cracked the line for the point and the issue was deadlocked.

**Decide Battle**

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old shoulder injury while Luke Tomasovitch received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective Ohio State youth was in the game. His

Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howe and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

# '1951" All-Star Game – 50 Years Ago

Led by a trio of slippery-hipped backs, Ohio's All-Stars put on a first half uprising to upset the West Virginians for the second year in a row, 13-6, in the ninth annual battle of the stars at the Island Stadium before a throng of 9,000.

Bob Shertz's Buckeye line kept all-West Virginia Paul Whitey' Mikanik bottled up during the greater part of the battle but the Follansbee fullback unraveled a pass to Moundsville's Bob Leadbeter in the endzone to put the Mountaineers out front 6-0 with a little less than four minutes remaining in the first period.

But in the second half, Perry Jeter of Steubenville, 145 pound Johnny Holmes of Tiltonsville and Bellaire's John Brinker, began picking holes opened in the West Virginia forward and romping through for big gains.

An 80-yard drive, climaxed by Holmes dash around the right end from the two, was staged by Ohio in the later part of the third period. Bill Toth of Bellaire St. Johns hit Chuck Eliopulos of Adena to advance the ball from the 22 to the 2 to set up Holmes' carry. Yorkville's Ray Pontia split the uprights, putting Ohio ahead 7-6.

West Virginia stalled on drives in the fourth quarter, advancing the Buckeye 33 and Deep in it's own territory, a desperation pass play on fourth down proved unsuccessful and Ohio took over with less than a minute remaining.

With six seconds remaining Perry Jeter scored the final TD. The kick was no good and the game ended 13-6.

West Virginia led in rushing 187 to 168, but completed one of 11 pass attempts. Ohio added 49 yards through the air completing 5 of 8.

re-game fears of Ohio All-coach Don Ault were realized day night at the Island Sta- but the feared Bob Kelley, ton's speedboy, had to share honors, as 10,000 looked on, a little known quarterback Cameron High. Kelley scored second and h period touchdowns that ght West Virginia its eighth long 19-game rivalry, 13-0, the punting of Nelson key, the Cameron QB, was a factor in the second win for fountaineers in three years. made coach Charley Helinski py, three time winner. Whipkey kicked five times for erage of 44.2 yards, his long- ot traveling 68 yards, with

the roll, into the Ohio end zone. From the point of the kick, it was an 80 yarder. He also drove 54- and 48-yard punts, completed three of six passes for 53 yards and inserted two into the scoring drives.

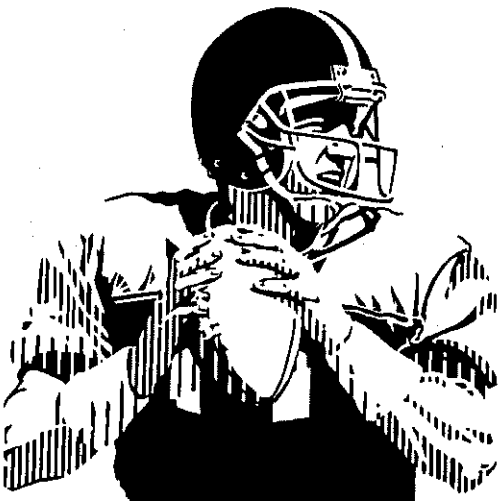

Statistically, in all but punting and passing, the Buckeyes emerged with an edge but kelley's TD slashes of 28 and 49 yards broke up the otherwise scoreless draw. Kelley averaged just short 8 yards for 15 carries as the 175-pounder rushed for 118 of West Virginia's 128 yards.

Ohio's field general, Paul Kenney of Steubenville Catholic, who engineered Ohio's sharp bid for a touchdown during the closing minutes, got the Buckeyes to the Mountaineer 10 by eating up

41 yards in two sweeps.

Kelley's fumble of an Oh punt to start the fourth period ar Ohio's recovery at the W. Va 3 caused some concern as the sco was but 6-0. A few plays late Weirton's Harry Burns recover an Ohio fumble which led to Whipkey 54 yard punt. After stop ping Ohio, Whipkey pass 1 Wheeling's Ed Raper went for 3 yards to the Ohio 49. Kelley, on trap play, squirted into the second ary and put the final tally on th board.

# '1981" All-Star Game – 20 Years Ago

Ohio's Tom Bruney put the finishing touches on what perhaps as the most dramatic football contest in the long history of the Ohio-West Virginia All-Star football series Saturday night.

The 5-9 slotback and placekicker from Martins Ferry High School, drilled a 33-yard field goal down the middle with only four seconds remaining to give the Buckeyes a thrill packed 17-14 triumph before a crowd in excess of 8,000 at Wheeling Stadium on sultry August evening.

The winning boot came just a few plays after Bruney had watched two of his injured Buckeye comrades taken from the field by ambulance to the hospital.

Bellaire product Terry Duffy, night-long standout on defense, sustained a severe shoulder injury midway through the last chapter.

More serious was injury sustained by Woodsfield's rushing ace Larry Shipp, who led the OVAC last season with more than 1,800 yards from scrimmage.

Shipp was knocked out cold after connecting on a 28-yard halfback pass to Shenandoah's Doug Mitchell, giving the Buckeyes a first down at the West Virginia 17 with only 19 seconds to go. Play was held up for more than ten minutes while Shipp was attended along the sideline in front of the Buckeye bench.

The over-anxious Ohioans were penalized for encroachment on the first play as action resumed. Mountaineer Catholic's Anthony

Pierro picked up six yards to the sixteen, moving the ball into the middle and giving Bruney a better target for his heroics, which gave Ohio its fourth straight victory in the interstate series.

The Buckeyes, who presented Coach Jay Circosta of Woodsfield his first all-star coaching victory after two defeats.

Both teams scored in the second quarter, Ohio getting on the board first when QB Dan Graham passed 15-yards to River's Don Wright. A swing pass from QB Rich Irvin set-up a half-back pass from Brooke's Mike Copenhaver to John Marshall's Mike Castilow covered 65 yards and evened the count.

Both teams tallied in the third quarter. West Virginia moved ahead, 14-7, with a 42-yard drive following a recovery of a Pierro fumble by Wheeling Park defender Chris Frum.

Todd Robson carried in four straight plays to get the tally. Robson, who had 64 yards on 11 carries, slashed between right tackle and guard, cutting to the outside and going 20-yards to paydirt. Erik Soliday of Sistersville was perfect on the PAT with 3:58 on the clock.

Shipp had been stopped cold in the first half, but began moving

the ball in the second half. Second and ten from the West Virginia 35, Graham unfurled his second TD strike of the night, this for 35 yards to Springfield product, Brett Elliott. He was hit by Wheeling park's Mark Narver near the goal line, but fell away for the score. Bruney's placekicker tied it at 14-all at the 2:08 mark of the third quarter.

It looked as if the teams were going to play for a tie, as neither were moving the ball, before Shipp hit Mitchell with a perfect pass. Shipp never saw the completion however as he was leveled after letting the ball go.

Ohio held a slight edge in yardage, 195 to 190. The Buckeyes had ten first downs and were penalized 5 times for 47 yards. Penalties hurt the Mountaineers as they were set back 90 yards on eight infractions and had eight downs in the game.

# "1991" All-Star Game – 10 Years Ago

In the twentieth annual Rudy Ryley OVAC Football Classic, Ohio rolled to a 30-6 victory on a rainy evening. Ohio scored twice in the thirty second span early in the quarter and the stunned Mountaineers never recovered as the eyes rolled to a surprisingly victory before well over 7,000 at the Island facility.

After the opening kickoff, Ohio was dead in the end zone for a play. Back, Mike Young's Buckeye players who were expected to have trouble moving the ball against a tough West Virginia defensive line featuring four first-team all-stars, embarked on an impressive seven-play, 80-yard march to get the game's first score.

Bean finished the drive with a touchdown. St. Clairsville fullback Phil Mowery who juggled the ball momentarily inside the five but dove into the corner of the endzone before West Virginia could recover. That stopped the clock with 8:16 remaining in the first quarter and Ohio gave Ohio a 6-0 lead. The eyes failed to convert on a point conversion try - they went 0-5 on two-pointers Sunday but it didn't take them long to get the scoreboard operator moving.

Kirksey's ensuing kickoff was blocked by West Virginia and rebounded by Cambridge's Leonardo

Crawford who knifed through the defenders to recover the ball at the Mountaineer 28.

Bean went for the jugular immediately, sending tight end Darren Dombroski out on the same play that had broken for 46 yards in the previous drive. This time Dombroski grabbed the ball inside the five and dove into the end zone for another six-pointer.

There was still 8:16 remaining on the first quarter clock but the Mountaineers had certainly dug themselves a very deep hole.

After picking up a couple of first downs, Toronto's Adam Rex picked off West Virginia Quarterback Kevin Heller's toss intended for fellow Park standout Brian Dickman on the Ohio 13 yard line.

West Virginia forced an Ohio punt, but the West Virginia possession ended with a fake punt as Ohio stopped Paden City's Mike Bosley short of the line.

Bean called ten straight running plays in a march that ate nearly six minutes off the clock and culminated with Kirksey bulling in from three yards out at the 4:49 mark of the second quarter.

West Virginia, trailing 18-0, came out throwing at the start of the third quarter. Adam Rex picked up his second interception and Ohio responded with a 14-play, 64-yard drive that consumed nearly ten

minutes. Only 1:52 remained in the third quarter when Kirksey muscled his way to paydirt from the yard out, upping the score to 24-0.

Rex picked off another Hellenberg aerial two plays later, but fumbled it back to West Virginia at the Ohio 37 when he came in at quarterback on the first play of the fourth quarter.

That set up West Virginia's only score, a one yard plunge by park's Joe Jerome that capped a seven play march with 9:08 left in the game. St. Clairsville's Jeff Mowery picked off the attempted two point conversion, keeping the score at 24-6.

Bishop Donahue's Tim Kluemper recovered the onside kick at the Ohio 44 and West Virginia moved down to the 31 before disaster struck in the form of a clipping penalty.

Forced to pass on a third attempt, Shadyside's Curt Wach intercepted the ball and was hauled down at the two yard line by Wheeling Central's Eric McGhee. Cambridge's Crawford went in on the next snap, however, ending the scoring with 6:04 to play.

West Virginia turned the ball over six times with five interceptions and a botched kick-off return, while Ohio lost its only two fumbles.

# ~ A Tribute to Cal Pokas ~

BY RICH GIBSON, OVAC Media Relations

The Ohio Valley Athletic Conference lost one of its closest friends and supporters this past January when long-time Sports Editor of the **Martins Ferry Times** and OVAC official Calvin Pokas passed away.

Pokas, whose outstanding career in journalism spanned 40-plus years, spent a majority of that time keeping eastern Ohio readers informed with his unique ways entertaining perspective of local high school and collegiate sports news. Through the years, Cal chronicled the athletic achievements of area prep legions like Phil and Joe Niekro, Bill Mazerowski, Bobby Douglas, John Havlicek, Johnny K and more recent stars including Tim Spencer, Lance Mehl, and Joey Gallo. Well-respected for his writing style and often wry sense of humor, Pokas led an informative weekly column, "Cal's Corner." Following retirement, Cal remained active, offering **Times-Leader** readers and Ohio State followers a popu-depth "Eye on the Bucks" column featuring comprehensive coverage and insights concerning the local Buckeyes.

Today's current **Times-Leader** Sports Editor, Robert "Bubba" Kapral: "Cal Pokas is one of the legends in Ohio Valley sports journalism. He was a true professional in every regard. Cal was a very compassionate man who championed the cause of all athletes. He is a great role model for all current and future sports writers."

Pokas, indeed, felt a special need to recognize young athletes in all facets of sports including cross country, volleyball, golf and soccer, among others. Today, Jay Circosta, head football coach at Monroe Central High and serving as Ohio Valley Athletic Conference Coach for this evening's game, worked closely with Pokas in various func-

Cal's passing was a great loss - - not only to athletes and sports fans in the area - - but to the OVAC community as well," Circosta noted.

Cal's contributions over the years are truly too numerous to mention. It's impossible to count the number of times he went out of his way to ensure a team or individual of young people received proper recognition."

Pokas' dedication to his profession certainly did not go unnoticed. Here are just a few of the accolades bestowed on Cal Pokas for his years of service:

Community Service Award presented by United Press International

Elected into Ohio Prep Sports Writers Hall of Fame...Named Ohio Prep Writers Association, "Sports

Writer of the Year"...Distinguished Service Award presented by Ohio Association of Track and Cross Country Coaches...Distinguished Service Award

presented by District 12 Basketball Coaches Association...Presented inaugural Service Award by Eastern District Athletic Directors Association.

Inaugural Media Recognition Award presented by the Meadows Race Track, Washington, PA.

Honored by Ohio Valley Golf Coaches Association for service and dedication...Service Award honoree at the OVAC's Banquet of Champions.

Appreciation Award presented by the Ohio Valley Football Coaches Association...Media Service Award presented by the Ohio Baseball Hall of Fame...

Presented inaugural Sportsmanship, Ethics and Integrity Award for the East District from the Ohio High School Athletic Association...Presented "M

Mat" Award from the Ohio Valley Wrestling Coaches Association...Selected for Bellaire High School's "Wall of Fame"...

Honorary Referee for Domino's Pizza/Pepsi Cola Track Classic at Wheeling Park High School...

Distinguished Service Award presented posthumously by the Eastern Ohio Interscholastic Athletic Administrators Association...

This fall, the First Annual Cal Pokas Memorial Cross Country Meet will be held at Buckeye Local High School. Cal's wife, Betty, is a long-time employ

of **Times-Leader** where she currently serves as Area Editor. Cal and Betty are the parents of three children: Dr. John Pokas (Optometrist) of St. Clairsville; Judy Mayles of Wheeling; and James of Los Angeles, Cal

has five grandchildren: Olivia, Alexandra and Nicholas Pokas; and Jacob Mayles. For my 40 years of writing sports in the Ohio Valley, I had the pleasure of being associated with two giants of the newspaper profession. One was the l

ate Horne, my boss for 27 years, and friend and mentor for over 30 years. The other was Cal Pokas, who also was tutored by Van Horne during his early years as a journalist. I was always impressed with Cal's dedication to l

and his attention and devotion to all sports...not just football, basketball and baseball. He also contributed much time and devotion to organizations such as the Ohio Valley Athletic Conference and the Upper Ohio Valley Dapper Dan Clu

more than just a newspaper acquaintance to me, he was a friend and advisor, as well. We worked together on many projects pertaining to the OVAC

and the best way for me to describe him is that Cal was a true professional.

NICK BEDWAY, Executive Sports Editor, Wheeling Newspaper

Cal Pokas was a "quiet giant" in the newspaper industry. His dedication to OVAC athletics and Ohio State University was unparalleled. When it came to the OVAC, the big difference between Cal and most reporters was that he championed the "little man."

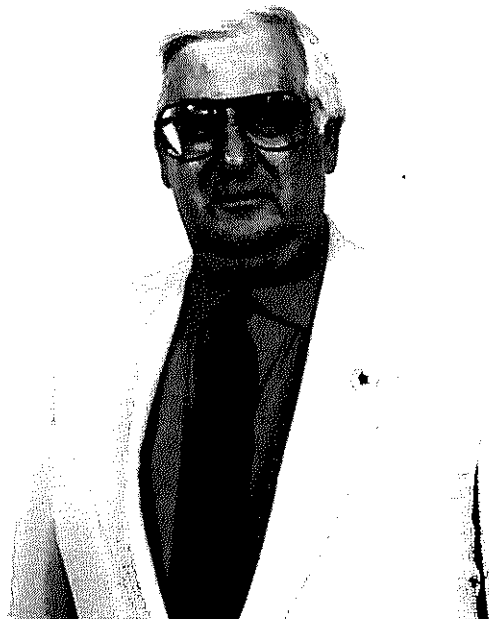

Cal Pokas covered boys' cross country...girls' basketball in the early days...golf; all sports were important to Cal, and he saw to it that they received recognition in the **Time**

I remember visiting him in the hospital during his last stay, just to say hello. But it quickly went way beyond that. Cal was telling me things I should look at from a new position, the history of why things were done the way they were, dishing out advice upon advice, never once complaining about his problems, but always making sure the business was taken care of. That was Cal.

When I refer to him as a "quiet giant" in the industry, because you really didn't know Cal was around at an event...until you touched a nerve by asking him about athletics. Then, it was as if you magically opened the **Encyclopedia Britannica** of sports.

Cal Pokas was a true giant in the Ohio Valley Athletic Conference. And right this minute, I'm sitting here with Bill and Jimmy who are busy writing press releases for the only all-star game that truly matters.

THOMAS E. RATAJCZAK, Executive Secretary, Ohio Valley Athletic Conference

Dr. Robert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy Mumley OVAC All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for football. The game, he says, is in his blood. And no antibiotic, no pill or shot can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself... It doesn't matter what aspect it is."

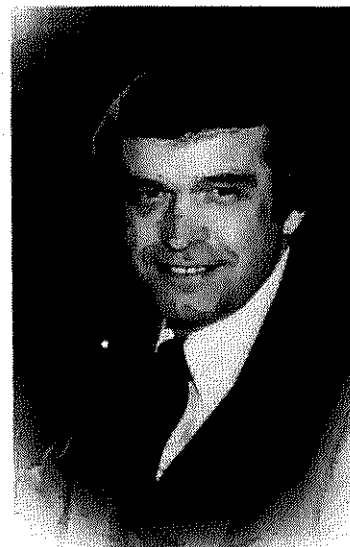

Football found its way into the heart of Dr. Jones in the mid-1960s, when he played for the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive line — "Back then, you had to do it all," he said. — and remembers cross-state clashes with Charleston fondly. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Island Stadium will always remain indelibly etched in Jones' heart and mind. "I remember my first game... we played Charleston," Jones said. "It was the only time I've ever seen the island (stadium) completely packed. We had a little bit of a rivalry with them." And he still gets the same chills up his spine every time he visits the stadium, which was remodeled in the 1980s. "It's still the same place," Jones said. "Even if it is a different stadium. It's still a great place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. Currently a general surgeon who also performs thoracic and vascular work at Wheeling Hospital, Jones says he learned self-discipline — a necessary component in any surgeon's mental makeup — by playing football all his life. "The discipline of football pushed me to be a surgeon and in the medical field," Jones said.

Jones has been involved with the OVAC Football Classic for the past 15 years, getting his first taste of the game when Ohio team doctor — Luis Vazquez — invited him to the 1984 game.

Many of the games that he's seen and worked were good. But one — the 1987 classic — stands out as great; because of luminous stars who played in the contest. Ohio — featuring St. Clairsville's duo of Shawn Vincent and John Spencer — defeated Alex Shook-led West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Island Stadium. "That was the best year, as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children — Patricia and Pamela, both 31, and Robert, 7.

## ★★★ OVAC DOCTORS ★★★

After studying pre-med at Ripon College in the state of Wisconsin, Luis Vazquez decided the Midwest would be a great place to live and raise a family.

A native of Caguas, Puerto Rico, Vazquez later studied and obtained a doctorate at the University of Seville in Spain.

"When it came time to apply for an internship in the States, I hoped to return to Wisconsin, or somewhere close to that region of the country," he recalls.

Fortunately for the Ohio Valley, an opening became available at old Wheeling Hospital in 1957. Vazquez accepted, and the rest — as they say — is history.

And what a history for one of the area's most respected and successful physicians.

Doctor Vazquez has been on the Ohio sideline, donating his services each and every year the Rudy Mumley OVAC All-Star Game has been in existence.

"I can't think of a finer organization to be involved with," he said from his St. Clairsville-based offices where he first established practice in 1961.

A long-time sports enthusiast, Vazquez has served in a similar capacity 32 years at St. Clairsville High. He's also aided the prep grid programs at Bridgeport and Martins Ferry.

"I'm fortunate that my four sons were involved in football. That helped me stay close to the sport," he noted. "Today, I enjoy it today as much as I ever have."

Through the years, Dr. Vazquez has served on numerous committees, including Ohio's prestigious Sports Medicine Advisory Board where he worked alongside the legendary Woody Hayes, longtime Buckeyes' head football coach.

Currently, Vazquez is Chairman of the OVAC Foundation Committee.

Doctor Vazquez has been married 41 years to the former Bonnie Watkins, a Wheeling native. They are the parents of children. Each own college degrees.

Son Louie played quarterback under the late George Strager at St. Clairsville High. Last fall, Lou was on the staff at playoff qualifier Fisher Catholic High in Lancaster where he earned a district honor as defensive coach. He played collegiat at Capital University.

Mark Vazquez, a graduate of the Coast Guard Academy, is currently a Commander and is based in Clearwater, Fla.

Roger Vazquez also played quarterback for Strager and was the Red Devils' field general during the 1979 season. He featured all-state running back Tim Spencer.

Mike Vazquez holds a masters degree in Political Science from the University of Akron and is working on a doctorate. Mike was a standout lineman at St. C. High.

The Vazquez' have two daughters — Lori and Becky. Both own masters degrees and are teachers in the Franklin County School District in Columbus.

Dr. Nick Ghaphery has worked tirelessly to make sure that all athletes in the Ohio Valley Athletic Conference enjoy the finest sports medical services around.

Since he first became involved with the OVAC four years ago, Ghaphery – the league's co-medical director along with Dr. Luis Vasquez – has worked to ensure that athletes are healthy and informed about health issues.

"We're trying to bring sports medicine more into focus," Ghaphery said. "We are trying to provide coverage for events that occur in the OVAC, and we're trying to address educational issues for the athletes in the OVAC."

A hot-button issue with Ghaphery is the use of performance-enhancing substances, both legal supplements like creatine and illegal steroids. And Ghaphery said he and the league are making strides warning athletes about the dangers of steroid use.

Getting the facts out is Ghaphery's mission, and he feels he and the league are succeeding in dispersing accurate information to coaches.

"There's a lot of perception versus reality out there, and education is the key. Our goal is to provide the information so that athletes can make informed direction, and we are pleased with the things that we have accomplished."

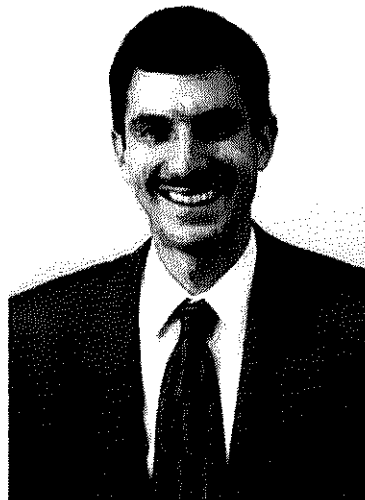

Ghaphery graduated from West Virginia University in 1984 with a bachelor's degree in liberal arts. He then earned a degree from the West Virginia School of Osteopathic Medicine in Lewisburg in 1988.

After spending a year completing his internship at Ohio Valley Medical Center, Ghaphery completed his family practice residency program at WVU in 1991.

From there, he worked at Children's Hospital in Akron, Ohio, as a primary care sports medicine fellow until 1993. Ghaphery then spent four years, from 1993-1996, in the sports medicine program at the University of Pittsburgh.

In 1996, Ghaphery came to Wheeling and since then has been sports medicine director at Wheeling Hospital and a culty member for family practice and residency.

He lives in Wheeling with his wife and two children.

There's a lot more to playing an all-star football than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

Ensuring that the teams have plenty of supplies, from medical tape to ice packs.

Telling coaches if players injured during the game are healthy enough to return to action.

Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said.

"Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC for the past years, and he's been working in sports medicine for the past 30 years.

His athletic training career started in the late 1960s when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelor's degree in physical education from The Ohio State University and a Master's degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following: While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.

Fullerton worked the summers of 1972 and 1973 in Bradenton, Fla. with the Pittsburgh Pirates organization.

While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC. That's why he returned to the Ohio Valley in 1985. Currently, works as a registered nurse in the emergency room at Wheeling Hospital. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great ownership... sometimes the kids don't realize what they have until they are out of it." Fullerton lives in Wheeling with his wife, Susie, and two children – Jaclyn, who will turn 10 in August, and Jake, 8.

Born out of the need for financial assistance to the OVAC, the Ohio Valley Athletic Conference Foundation was organized in the late 1980 school year. It brought together many of the valley business and professional athletic enthusiasts with the purpose of financially supplementing the conference.

The OVAC Foundation has approximately 100 members. The Foundation is the fund raising arm of the OVAC and they believe you cannot lose when you help the student athlete of the Ohio Valley. Additionally the Foundation presents two scholarships annually to a male and female athlete.

PLENNIE CLUTTER

One of the great things about athletics is the people you meet and become associated with from all walks of life.

Coaches and players provide many memorable and unforgettable moments for the fans and, yes, even the journalists who cover their exploits on the various field battles.

Sometimes forgotten, however, are the men and women in the striped shirt who officiate each and every contest unbiasedly, their main objective being to enforce the rules both to protect the safety of the participants and to see that the games are conducted in a fair and square manner.

Two gentlemen who proudly wore a whistle around their neck for many years were provided a rare moment in the spotlight tonight during festivities at the 30th Annual Rudy Mumley Ohio Valley Athletic Conference Charity All-Star Football Classic.

Plennie Clutter, of Wheeling, and Duane Powell, from Colerain, will be honored as the honorary referees for this evening's game.

**PLENNIE CLUTTER**, 77, is serving as the honorary West Virginia Official for tonight's game. Plennie was born in 1924 in Wheeling, where he still resides. He graduated from Wheeling High School in 1943 and was an All-State member of their Championship Basketball team. He spent two years in the Navy in Europe during World War II. When he returned, he married his grade school sweetheart, Dorothy, whom he recently celebrated his 52nd wedding anniversary. He worked for forty years at Wheeling Electric, retiring in 1987. They have 2 children, Barbara and David, who is currently an active football official. He has four grandchildren and recently became a great-grandfather on May 22.

He started officiating basketball and football in 1947. He retired from basketball after thirty years and from football in 1978. During that time, he worked many play-off games in Ohio and in West Virginia. He has refereed for many touring groups including the Globetrotters and the Redheads when they were in the area. He officiated many West Virginia State Conference College Basketball Tournament games.

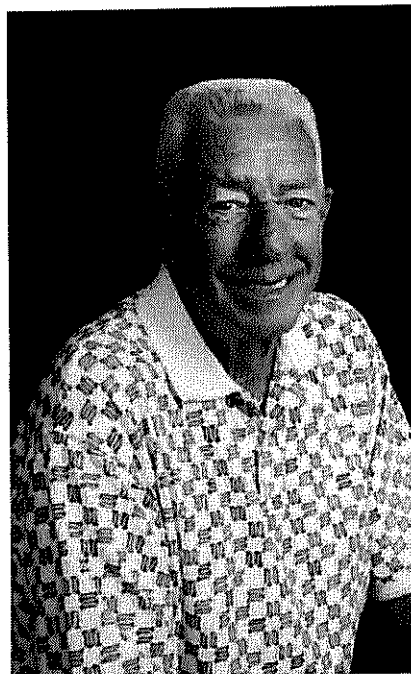

Plennie fondly recalls working the West Liberty - West Virginia Wesleyan contest which was the first college overtime football game in the nation. One of the more unusual games he recalls officiating was a key college football game at Institute, West Virginia where, due to much snow on the ground, they lined the field off with coal dust.

**DUANE POWELL** graduated from Bellaire High School in 1952 where he received honors on the All Eastern Ohio, All Valley and All Ohio Basketball teams. He was elected to the Bellaire High Wall of Fame. He served in the US Army from 1953 to 1955 and upon discharge, tried out for the Pittsburgh Pirates Baseball team. He was signed to a minor league contract as a pitcher, playing in the Class A level at Macon, Georgia. Upon returning, he played several years in sandlot baseball with the Bellaire Civic Association. Duane is a member of the American Legion Post 38 in Martins Ferry and presently enjoys playing golf.

He started officiating in 1967, working both basketball and football for twenty-five years. He has worked many play-off games in Ohio and West Virginia in both basketball and football. Duane also officiated football in West Virginia Intercollegiate Conference for several years.

In 1986, the Ohio Valley Board of Approved Basketball Officials made him an honorary life member. In 1991, he received the Meritorious Award from the Ohio State High School Athletic Association for his outstanding service to high school athletics as a registered official. In 1999, a similar award was made from the Ohio Valley Board of Approved Football Officials. In April 2000, Duane received the Robert Dawson Basketball Officials Award at the Samuel A. Mumley Memorial OVAC All-Star Basketball Classic.

Duane is retired from Wheeling Pittsburgh Steel Corporation as a supervisor. He presently lives in Colerain, Ohio and drives a school bus for the Martins Ferry School District. He is married to the former Dorothy Vargo and they have three children: Beth, who resides in Wheeling; Peri, who lives in Colerain; and Tom, who resides in Harrisville, Ohio with wife, Leslie. He has three grandchildren: Cory, 12; Zac, 9; and Logan 1-1/2.

Rich Gibson

*For the third time a charm?*

Veteran Beallsville football coach **DAVE CALDWELL** hopes that's the case for him and his Blue Devils as he leads the Ohio squad in the annual Rudy Mumley Ohio Athletic Conference All-Star Charity Football Game. The annual midsummer game featuring the Ohio's premier talent kicks off two weeks from tonight - July 27 at Wheeling Island Sta-

tion. No stranger to the OVAC game, Caldwell will be guiding the third Buckeye all-star contingent, bringing the personable Blue Devils' coach is seeking his first win in three attempts. Of course, our goal never changes. We want to win the game and we'll be working hard to believe that this summer," Caldwell.

Winning is what Caldwell's Blue Devils teams have been about during his 18-year tenure at the Monroe County school. During that span, Caldwell's Big Blue squads have captured OVAC championships and seven Pioneer Valley Conference championships.

Under Caldwell, Beallsville has made numerous post season appearances, including an Ohio Division VI Region 23 champion-

ship. Caldwell's 1999 and 2000 squads became the only OVAC Ohio team to host playoff games in consecutive seasons.

Coaching at one of the smallest schools in Ohio, Caldwell has led a 126-55-1 record - for a winning percentage just under

.500. He was a stellar athlete at Beallsville High, lettering four seasons in football before going on to Muskingum College, where he earned similar accolades.

Caldwell, who earned a master's degree from Salem University, was inducted into the Muskingum College Football Hall of

Fame. He resides in Beallsville with his wife of 25 years, Karon. They have two children - Alisha, who's employed as a seventh-grader at Cambridge Junior High School - and Ryan, an eighth grader at West Muskingum High.

Ryan Caldwell - who played in the 1996 OVAC All-Star Game and scored two touchdowns for the Buckeyes - will join his father on the sidelines for this game.

Joining the Caldwells will be John Yocum, Steve Pritchard, Rob Street, Rob Adams, Franklin Holley, Mike Flowers, Rusty Taylor, Tyler Davis and manager Cory Carpenter, a senior-to-be at Beallsville this fall.

**RYAN CALDWELL** was a two time all-Ohio honoree, starting at wide receiver and defensive back.

After high school, Ryan followed his father's footsteps, going on to Muskingum College and earning four letters as a wideout and as a specialist for the muskies.

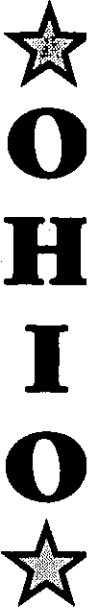

Ryan received his bachelor's degree at Muskingum before joining the faculty at West Muskingum High and he will join that school's staff this fall.

I wanted to thank you for everything. Thank you for thirteen wonderful years of dance, thank you for your friendship, thank you for believing in me, and thank you for blessing me with the art of dance. You have given much more than "5, 6, 7, 8." You've given me confidence, beauty, style, and grace. You always encouraged me to do my best and worked with me even through tough times. I cannot express the impact and positive influence you have had in my life. Thank you for giving me so many opportunities to shine, and to also be a part of the grueling backstage production. As I dance into the next phase of my life, I will never forget all I learned at La Danse Technique and how you taught me to dance from the heart showing the world my love for the art.

Love Always,

Mary

Mama & Papa,

Thank you for getting me here today. From my first dance lesson to graduation day, you have been completely supportive in everything I do. Thank you for teaching me about ethics, integrity, and who I want to be. You taught me to be the best that I can be, trust my own ability, live the way I want to live, to take what each new day can give, to welcome change, to learn to grow, build on what I think and know, to have a dream worth reaching for, and to embrace the world with a smile. Thank you for your love and guidance. I love to be your daughter. Like Walt Disney said, "If you can dream it, you can do it."

Love,

Mary ♥

*Weirton Madonna High School*

I'd like to express sincere gratitude to my family, friends and everyone who has supported me throughout the years. To all the businesses, people, my school and family who bought ads and raffle tickets. THANK YOU SO MUCH for your help and kindness. A special thank you goes out to my piano teacher, Mrs. Janice Torrance who has been so patient with me and my song. Ashley Greco and amy Finley, you guys are the best! Thanks for escorting me tonight. To my friends and family, thanks for your encouragement and love. Mom, Dad and Chantel, words cannot express what you mean to me. I love you. Thanks for always being there. Mom, you have always been my #1 fan. I won't ever be able to show you all of my appreciation for the things you have done for me.

Congratulations and best of luck to all the athletes and queen candidates this year.

Love,  
Nathalie

All Our Love,  
Mom, Dad & Erica

First and foremost, I want to take this opportunity to thank our Lord for the many blessings He has bestowed upon me. Without Him, this event would not be possible. I'd like to thank my family and friends for their unconditional love and patience. I extend my sincere gratitude to all of the businesses, organizations, and families who supported me by purchasing ads. I would also like to give a special thanks to Rat & Reese Photography for their donation of pictures. To the Bellaire Alumni Association, your generosity is greatly appreciated. I must give a world of thanks to my coach, Marion Stolz, and my dance instructor, Aunt Lynn Crooks. They have spent countless hours helping me to better myself, and I know I would not have made it this far without their help. Best wishes to everyone participating in the week's festivities!

Love, *Lindsay*♥

*We Love You*

*Mom & Dad*

*Scott  
&  
Mandi*

On this All-Star evening I would like to thank those most important to me, my family. To Mom and Dad, Scott, Mandi, Rob, Carey, and Cailey a very sincere thank you for all of your support and not only throughout Queen of Queens but throughout my entire life. If not for your support I would not be the individual I am today. I love you.

I would also like to extend my deepest gratitude to all of the businesses and individuals who purchased advertisements and raffle tickets to help support me in the OVAC Queen of Queens Pageant. So, a very special thank you to Ponzani's who provided my floral arrangements for this evening.

To the faculty of Union Local High School and to all of my friends. I will always remember you and the support you have given me. Thank you for believing in me and thank you for this very special night.

April and Jill thank you for being here with me tonight as my escorts. You are truly wonderful friends. I am forever grateful. Thank you from the bottom of my heart!

To my sister-in-law, Carey, thank you so very much for your help with all of my ads I wouldn't have been able to put this all together without you!

Again, family, friends, faculty and businesses who have supported me during this year's Queen of Queens Pageant, Thank you!

Finally, Congratulations and best of luck to all of the Queen of Queens contestants, to the OVAC All-Star band and drill team, cheerleaders, and football players. The very best of luck to All-Star Dennis McDol!

Love Always,  
Lindsey

## Queen Ashley Athey

We hope you know how much  
 you are loved and how proud we  
 are of you. Your musical talents  
 bring joy to many.  
 Always keep a song in  
 your heart.

Love,

Mom, Gram, Grampsy, Meemaw,  
 Peepaw, Mamoo, Anne, Keith,  
 Addy, Madison, and Mason

*I want to take this opportunity to first thank the school organizations and local businesses who kindly chased an ad or donated their help in some way. It is greatly appreciated.*

*I also want to send a thanks to all my wonderful friends who have supported me the entire way, through thick and thin. And my Senior class as a whole should be thanked for four wonderful years. I am going to miss you guys more than you know!*

*Many people have helped me to get where I am and I would like to mention a few of them so that every one reading this can know how special they are: Mrs. Longstaff, my Junior High English teacher, who instilled in me a love for literature and writing. My choir instructor Mrs. Bohach without whom I might not have learned the joys of singing in front of people. And Mrs. Miller who has been a play director and friend to me and helped me realize that I love the stage. There are many more but I can not possibly mention them all, but please know that I love you! Thank you!*

*Most importantly I would like to thank God for the many talents he has given me and for giving me this chance to shine. And thank you for placing me around such wonderful friends, family, and teachers.*

*Last, but certainly not least, I want to thank my family. Every single person has inspired me in some way or another. Both my father and step-father have given me the love for music, one through drama and the other through singing. Thank you so much for these gifts. My mom has helped in more ways than I can possibly say and I can't thank her enough. Thanks to my step-mom for the beautiful costume you made for me for the talent portion of this petition. I would like to give a special thanks to my Grandpa who has inspired me to be all that I can be. He is the strongest person I know and I love him with all my heart. This one's for you Grampsy!*

*Good luck to all OVAC Stars and God bless!*

I would first like to thank all of my family for the tremendous amount of support and love that they have given me through everything. You all have shown me that no matter what, we can make it through together, I love you all!!

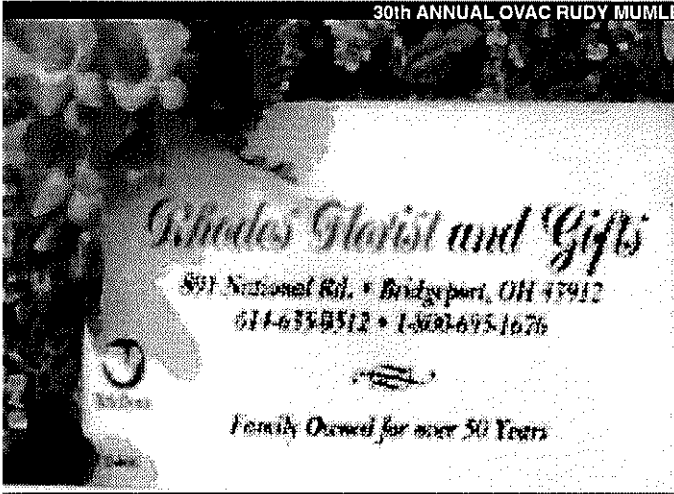

I would like to thank everyone, including my family, friends, businesses, and organizations for helping with the purchases of ads and raffle tickets. I appreciate it more than you know! Thank You!

One special thanks that I would like to address would be my mother. Without her I would not be the person I am today. No one could ask for a better mother and best friend. I know you are looking down on me, and I hope that everyday I make you proud. I love you and miss you! R.I.P.

Good luck to all the OVAC Queens, football players and band members.

## Queen Amy Dunn

*We Love You!*

*You've made us all proud Amy.*

*Our baby is all grown up.*

*Love Mom, Dad, Gram & Pap J.B.*

First and foremost, I would like to thank my Lord and Savior Jesus Christ for the many blessings He has owed upon me. I thank Him for blessing me with the gift to sing. Without Him, none of this would have been able. I extend my most sincere appreciation to all the businesses, organizations and family members who hased ads. I would like to take this opportunity to thank my parents for everything they have done for me. I you with all my heart. It is your love, support and guidance that has made me the young lady I am today.  
-WAH!!

A very special thank you to Carol Burda for all her help and support. I wish the very best to all the Purple ers participating in the OVAC. *Go riders, have a blast and do your best! GOOD LUCK!!*

This has been a wonderful opportunity and an experience I will never forget. I am proud to represent Martins y as Queen and I will do my best to make you proud of me.

and we wish  
ou the best of  
luck tonight!  
Go for your  
dreams!

Love,  
om, Courtney,  
Mom-Mom,

First, and foremost, I would like to thank God, without whom none of this would be possible for any of us.

I would like to take this oppurtunity to thank each person, business, organization, friend, and family member who has supported me for this event. I sincerely appreciate you donations and help.

I'd like to thank my dance teachers Missi Carroll and Brandy Graff for all their hard work they have put forth in helping me to become a successful dancer.

A thanks goes out to my friends Mandy Hager and Marcie South for escorting me tonight.

And to my family, thank you for always believing in me and being there when I need you the most, without you I would have never made it this far. I Love You all from the bottom of my heart.

Good Luck to all the Queen candidates and football players tonight!

Love, Lacey

## St. John Central High School

I would like to thank everyone who has helped me to become the young woman I am today. First of all, my parents. You put up with so much, the endless trips to dance, the performances, the arguments, and the bills. I hope that when I dance you will feel all the gray hairs are worth it! Mom, you are my best friend and have always been there for me even when no one else was. I owe you more thanks than I can express. I am, because of you. Thank you to my grandparents for all the support and love you've given me. Grandma Kubic, you've 'almost never' missed a performance. Well, here's one more for you! Thanks to my friends who have put me through a lot and pulled me through even more. You will always be in my heart. Thanks for never thinking what I loved was stupid. (And "Yeah, I'm dancing again!") Thank you to Sherry and Jill Burkhardt for being the first to show me how to plie and leap. In the ten years you taught me not only the steps, but how to make my heart feel what my feet were doing. You showed me how to love dance, not just to want to dance, but to *HAVE* to dance. A special thanks to my dance buddies and Charlotte, Dave, and Tonya, who always push me a little harder and make me dance a little better. Belinda and Aaron, thank you for being with me on the field tonight. You are great friends! Thanks to all the businesses who bought ads and to Jay's Floral Gallery for the beautiful flowers.

Last but not least, I thank God for blessing me with a talent that I love, great people in my life and a good head on my shoulders. He has been the support beam in my life and this time I dance for Him.

With all my love,  
Stephanie

First, I would like to give my appreciation to all of the businesses, school clubs, friends and family members for purchasing ads. Thank you to Buckeye Local High School; your support has been invaluable to me. I will do my best in representing everyone. I would also like to express my deepest gratitude to my teachers, Eleanor Hewitt and Mr. Bill Stephens. You have given me a great love for music and great encouragement.

I would like to congratulate and give my best wishes to the OVAC Band and Drill Team. To Sara and Casey: thank you for escorting me and I love you both!

Thank you Nathan for all your love and support. Where would I be without you? Thanks to Aunt Denise for my dress and for always being there. Finally, I want to thank my grandparents, brothers, sisters and parents. I am nothing without you and I love you so much!

Most of all, I would like to thank God for all the blessings in my life and for making this possible.

All my love and thanks,  
Emilee Lurae♥
