Samuel A. Mumley Memorial Basketball Classic

ck in 1977, four veteran Ohio Valley basketball decided that the concept of a high school All-Star similar to the highly successful football contest, a very practical idea. And so, Earl Haberfield of Belle, Dick Potts of River, Henry "Herk" Lazasz of Wellsburg, and Bobby Dawson of Wellsburg sat down to discuss the format of what would become the OVAC All-Star Classic.

Earl Haberfield was chosen as the game's first director. The committee enlisted the support of Ogden and Wellsburg to help underwrite the game, and booked the Civic Center for the location, hoping to pack the

arena. However, the only problem was that the game had to be held in June. Due to the rules of the West Virginia Schools Activities Commission, Mountain State schools could not participate without losing their eligibility in other sports. As the game was a novelty, the Classic drew a large crowd. Over time see 1700 fans witness the Valley's finest, and the excitement and the timing soon began to dwindle the number of area spectators.

Over the years, due to expenses and availability of venues, the game was played at St. John Arena, Wheeling Jesuit High School, Bellaire High School, Wheeling College, and Buckeye Local High School.

Although the game always showcased some of the best hardcourt performers, other problems arose. The format underwent several changes, and as girls' sports became greater, the need to have two games for the boys and two games for the girls became apparent. However, West Virginia schools, being smaller in number, often had difficulty finding enough quality players while Ohio schools had more players than they

needed. Another change in the program came in 1982 when Earl Haberfield left the area to coach in northern Ohio. In 1983, however, the committee made a wise move by moving the directorship to Gene Ammirante of Wellsburg. Under his leadership, the game became more competitive and exciting.

Gene Ammirante ran the game until 1987 when, due to an increasing work load, he resigned the contest to Clyde Potts of Steubenville Catholic Central who guided the game for two years. The game was then directed by John Potts of Wellsburg. After a one-year tenure, the game was beset by various problems, as no one wanted to assume the directorship. Also facing financial problems, the game more needed strong leadership. With that in mind, only Gene Ammirante was obvious - Ammirante. Under his direction for a short time, the game made tremendous changes. The game was placed back on strong financial footing. The second change came in the form of strong leadership of the OVAC Executive Secretary, Sam Mumley, who took it upon himself with the assistance of

many trips to Charleston and hours of phone conversation and lobbying, the game was approved. Starting with the 1992 contest, the game would be moved to April.

Because of his dedication to the Conference and his unselfish support of the Classic, the committee decided to change the name of the Classic to the Samuel A. Mumley Memorial Basketball Classic.

The format was changed to one boys' game and one girls' game and a Conference cheering competition was added. Through the hard work and efforts, not to mention the enthusiasm, of Linda Alexander of Paden City, the contest never struggled like the game, but jumped right into successful the first year. Although all 44 OVAC schools chose not to participate, the Championship brought hundreds of cheerleaders before the Valley fans to show them that cheering was a bona fide sport also.

With the 1994 Classic, two more changes took place. First, Tom Rataiczak of Bellaire High School, who has served as program director for fifteen years, took over as Game Director. With this came the inception of a coaches' clinic held prior to the game and a luncheon for all the players and their parents. One of the best decisions made was moving the game to the campus of Wheeling Jesuit College and their beautiful facilities. The game was held there for seven years. This change not only established a home for the Classic, but allowed its players and cheerleaders to enjoy a major college experience without leaving the Valley.

The 1995 Classic saw three more adjustments. First, the coaches' clinic was dropped, as its timing ran too close to the NCAA Tournament and the availability of quality college coaches. Second, it was decided to begin honoring a coach who pioneered in the establishment of girls' basketball as a sport. The third reason was perhaps the most noticeable. After three years, the cheerleading advisors decided to branch out on their own and move their competition to November.

In 1997, reaching its twentieth anniversary, the advent of a reunion team was created. Thirty plus athletes from the original all-star game returned to initiate an annual 20th-year reunion.

Although the committee thought the Classic was stabilizing, another big change came in 1998. Following on the heels of the All-Star Football Game and the OVAC Wrestling Tournament, the game was broadcast live on Channel 7. Now, instead of the athletes playing before 2,000 people, they went into over 50,000 homes throughout the Ohio Valley.

Even though the All-Star game has undergone and is still undergoing change, one fact remains constant: it continues to showcase the finest basketball talent the Ohio Valley has to offer.

Ohio University Eastern's Ney Center now offers us a beautiful facility in Eastern Ohio to carry on the tradition. We welcome you today, and hope you enjoy the contests.

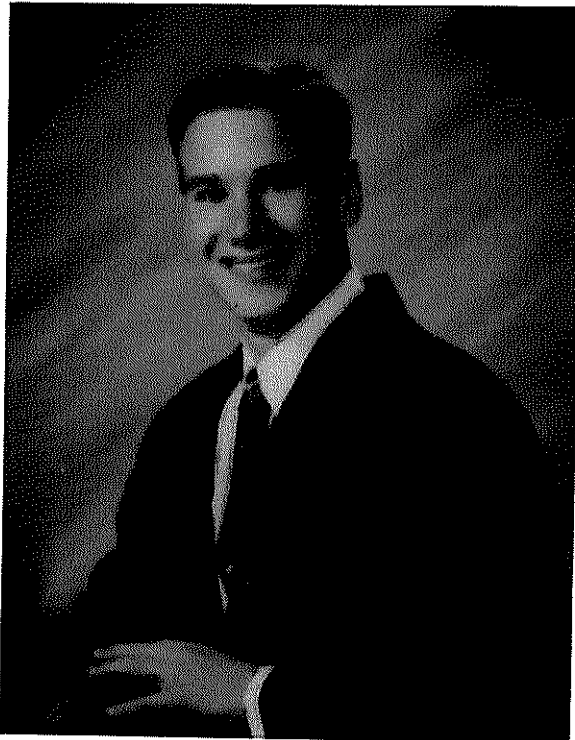

***This OVAC All-Star Memorial Basketball Game
has been named after and dedicated to***

SAMUEL A. MUMLEY,
Former Executive Secretary of the OVAC,
for his untiring efforts on behalf of the youth
of the Ohio Valley.

In memory...

The Ohio Valley lost one of its most memorable high school football players, an overall exceptional athlete, and a rising star on March 9th of this year. Bellaire High School's Scott "Coyne" Coyne died in an airplane crash in South Carolina en route to Daytona, Florida. Coyne was a participant in the Mel A. Mumley Memorial OVAC All-Star Classic in 1994. His competitiveness, sense of humor, and enthusiasm will never be forgotten.

Dorothy Pomento has been involved in sports for many years. She has volunteered with the Area IX Special Olympics for the past 25 years, worked numerous tournaments, and has worked with high school athletics since her son was involved in sports in the 70's. Dorothy began working as the scorekeeper and clock operator at Brilliant High School and then throughout the consolidation of Buckeye North and now Buckeye Local High School. The Earl Haberfield OVAC Basketball Coaches' Award

Brinkman was a master coach. Resourceful, competitive, and a strict disciplinarian, he was the epitome of his time in his coaching strategy and the game of basketball.

"Brink" became a legendary figure in state high school athletic circles as he took Wheeling High Basketball to the state tournament on seven occasions and won five championship trophies.

Brinkman, the South Wheeling native was an outstanding football coach and teams he piloted laid claim to state championships in the autumn sport—at Union High, in 1928 and '31 and at Wheeling High in '34 although there were no playoffs in football to official championships in those days.

Brinkman, the Brinkman name was well-established in the community before he ever coached his first game. He was a standing athlete at Wheeling High and won 13 letters—four each in football, basketball, baseball, and track. He won all-state honors in both football and basketball his senior year of 1922-23 and established a record of 54 points in a basketball game against the state.

Brinkman, only a 155-pounder, "Brinkie" went on to become a mainstay in three sports at West Virginia Wesleyan College, which at that time played a big-time schedule. Wesleyan's 1925 basketball, with Brinkman at forward, captured the West Virginia Intercollegiate title.

In 1931, Brinkman's football teams won 40 games, and tied four in six seasons. Both his 1938 and '31 teams tied perfect records.

Brinkman returned to Wheeling High, as head basketball coach. In eight years as football coach his record was 47-23-11, and he never had a losing season. His 1934 gridders were undefeated, though twice defeated. He coached the first Wheeling football

and the fast break. His combined Union-Wheeling basketball record was 405 victories against 193 losses. His Wheeling basketball teams captured state championships in 1936, '38, '40, and '50. His 1949 team was runner-up. Two of his aggregations—1939 and '50—went undefeated and two others (1940 and '43) sustained only one loss.

Brinkman's last team, that of 1955, established an Ohio Valley Scoring record (since broken) with 146 points in one game.

After retiring from coaching, he devoted himself to school administration field. He had his master's degree from the University of Pittsburgh.

Coach Brinkman died on July 20, 1972.
