GAME DIRECTOR

On the Cover...Don Zinni

OVAC Football Commissioner Don Zinni graces the cover of the 32nd Rudy Mumley OVAC All-Star Football Charity program. Don has a long history of working with the young people of the valley. He was in education for thirty-four years, first as an elementary teacher, then later as Principal at Yorkville High School and Buckeye South Junior High School. Don officiated football for twenty years. He also served as an assistant and later head varsity football coach at Yorkville High School and has also coached junior high basketball.

Don attended Yorkville High School where he participated in football, basketball and baseball. He graduated from Kent State University and has a Masters Degree from West Virginia University.

Don and his wife, Carol live in Yorkville. They have three children and are now helping to raise seven grandchildren. As OVAC Football Commissioner, Don assigns officials for all varsity games in the OVAC. When not working in that capacity, Don can usually be found on the golf course. He works part-time at the Crispin Center at Oglebay Park.

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

RUDOLPH "RUDY" MUMLEY
1918 - 1999

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two-week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the All-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC officials several years ago renamed the contest as the Rudy Mumley OVAC Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy.

And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC, which is still

believed to be the largest high school athletic conference of its kind in the United States, Mumley was a athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s.

Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

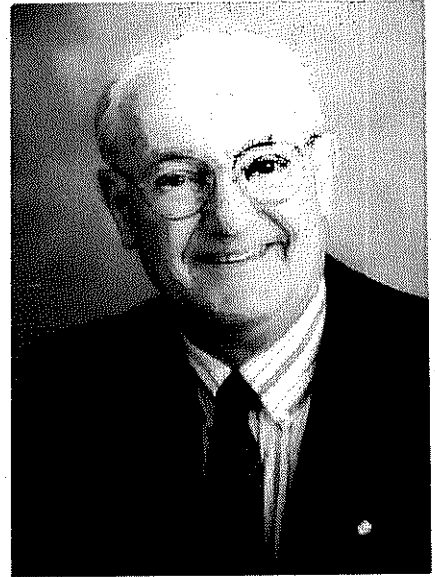

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 - 1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC map. At last May's OVAC Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC's "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

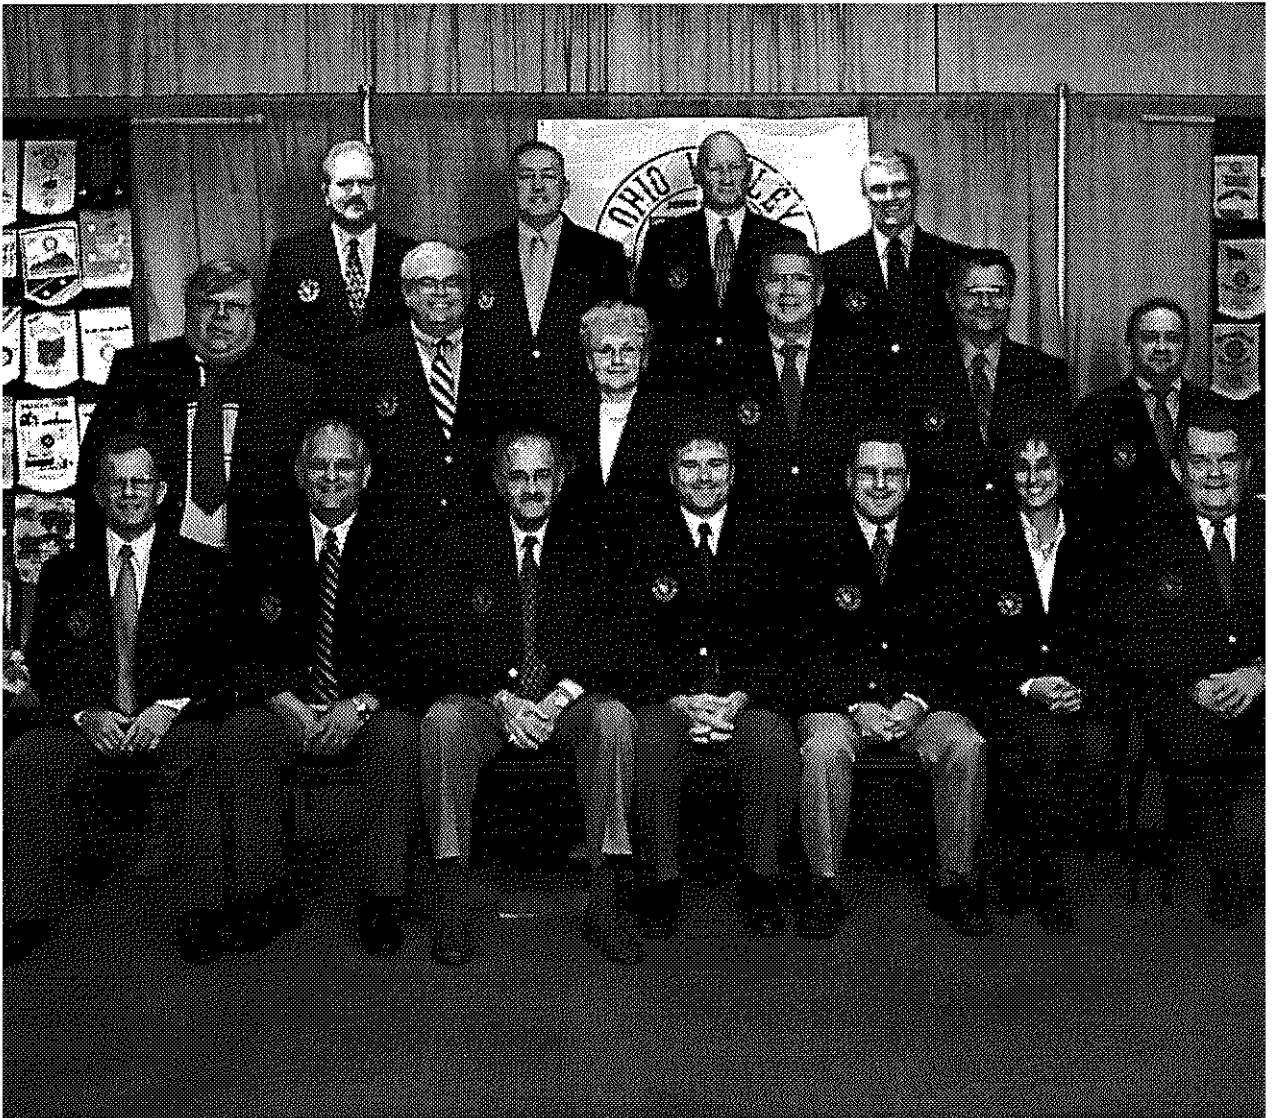

He will remain in our thoughts and prayers forever.

2nd ANNUAL OVAC BLOOD DRIVE COMPETITION

STUDENTS GIVE GIFT OF LIFE

Plans are being made for one of the largest blood drives in the region, the Annual Ohio Athletic Conference Blood Competition, with events scheduled at 15 different sites throughout the Western Panhandle and East Ohio.

Begun last year by the St. Clairsville Sunrise Rotary Club in remembrance of victims of the September 11, 2001 terrorist attacks against America, the competition has expanded to include support from Rotary Clubs throughout the region. Rotarians work with the Ohio Valley Chapter of the American Red Cross and the OVAC to make the program a success.

In contrast to some blood drives, the OVAC Competition is just that – a competition among various schools to convince area residents to donate blood in the name of their favorite school. Prizes are awarded to schools with the most blood donated in their names, with an overall trophy presented to the school with the highest total. Winners last year were Monroe Central, overall and for Class AA; Wellsville for Class A, a tie among St. Clairsville, Martins Ferry and Indian Creek for Class AA; and Wheeling Park for Class AAAA.

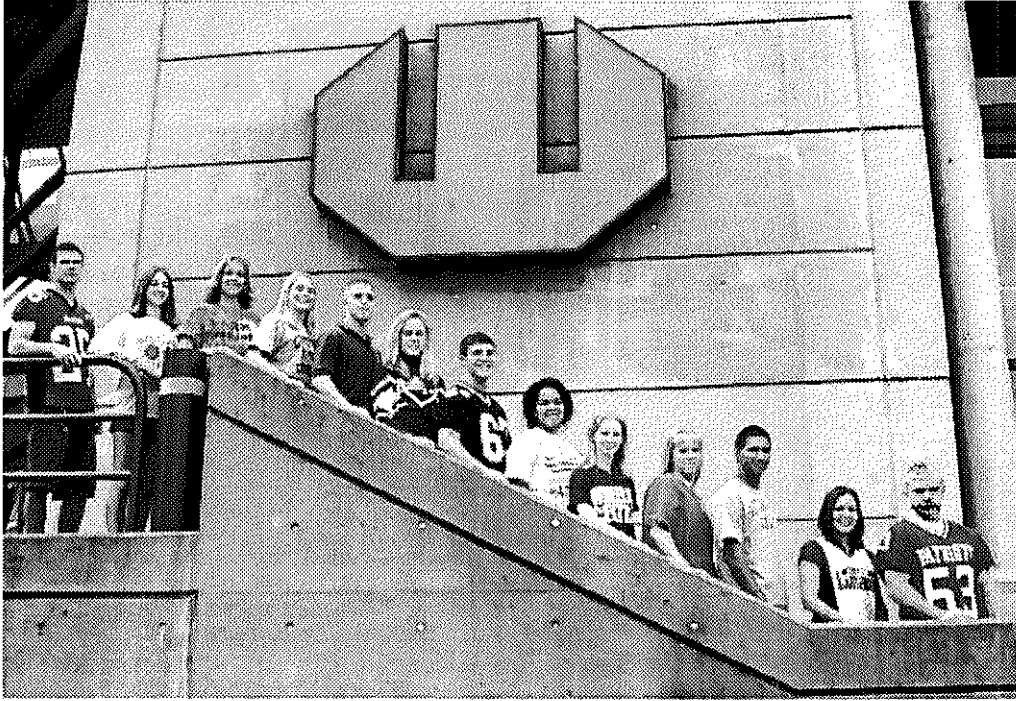

Individual blood drives have been scheduled during August and September throughout the Western Panhandle and East Ohio. Locations accessible to supporters of all the OVAC schools. Locations include:

THANK YOU

The following seven pages are a detailed document of the history of the Ohio-West Virginia All-Star Football Game. A sincere "Thank You" to Babe Schmitt and Gene Monte for the OVAC Game Committee for all the hard work that he has put into this document.

In the beginning...

1940 "The First All-Star Game"

West Virginia's senior All-Stars school today held a 13 to 7 victory as the result of their first meeting with the former Ohio team in the maiden football test played under the new lighting system at the Island Stadium.

The victory of the mountain state athletes, who had trailed from the opening quarter until the last seven minutes of the game, 7-0, came as a mild surprise as well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford play, late in the first period, moved the keyes from mid-field to the West Virginia 25. Sadlowski, another Bellaire back, caught a pass that planted the ball on the nine, where Sadlowski scored in two plays.

The remainder of the half was devoid of distinct threat on the part of either team although the Rowe-Howell coached combination had advanced to the Ohio 25 when the dismissal arrived.

The mountaineer sturdy rush line held the equally effective Ohio forwards fairly even terms into the final period. Johnny August, a Shadyside youth, shared the starting role for the Bucks, hit hard on his own 30 and Joe Corba, a Mansfield back, seized the white leather the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled tackle to the Ohio 19 and then lugged the leather to the five aided by a too many pass out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro blocked the line for the extra point and the game was deadlocked.

Games Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at half-time. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old shoulder injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective Ohio State youth was in the game. His Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the

Bucks' effort and the Niemiec-combinations' thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from operation, held the sticks for the Virginians but felt the call of a bat impassive role. Paul Bricker, Weirton who handled the kicking for Howard Rowe, and did an effective job; one of his boots slipped off the side of the foot and out of bounds.

'1963" – 40 Years Ago – NO GAME HELD!

1973 " All-Star Game – 30 Years Ago

Quarterback Brian Book electrified a crowd of more than 9,000 swelling fans at Wheeling Island Stadium Friday night by hurling for 247 yards and four touchdowns, three of which were snagged by his former Magnolia High School teammate John "Fuzzy" Filliez, as the underdog West Virginia Mountaineers rose up to smack down a favored Ohio team 38-24, in a wild-wooly 28th renewal of the intercollegiate gridiron series.

It was a thrilling struggle from start to finish as the Buckeyes battled back from a 17-0 deficit and pulled ahead in six points at 30-24 midway through the third quarter.

Ohio had a chance to tie the score and go ahead early in the fourth quarter when ex-Linsly Cadet Andy Vrotsos and Magnolia's Steve Dills sparked a defensive surge which ended the Buckeyes' hopes.

Book had scoring passes of 21 yards to Steve Dills and bombs of 40 and 52 yards to John Filliez. The Book-to-Filliez combination clicked again from nine yards out in the game to wrap up the scoring. The Mountaineers had 390 yards of total offense, with their top ground players being Brooke's Emmanuel Dillilis, with 67 yards in 19 carries, and Wheeling scat back Jim Tully, who had 47 in seven carries and made two touchdowns.

Filliez made four catches for 118 yards while Dillilis caught four for 62 yards.

W. Va. held a 17-9 edge in first downs. Two of the pick-offs were by John Filliez, playing at defensive halfback, and the other was by Brooke's Rick Funkhouser, who also blocked a punt to give the Mountaineers a safety in the half.

After intermission, West Virginia gained 63 yards in three plays, after which placement went wide, the winners leading by a 30-16 advantage.

Ohio had a chance wiped out on the next series when River QB Mike McGuire's deep pass was wrestled away

from Fankhouser at the Mountaineer one.

However, W. Va. was forced to kick and Barnesville's Kevin Welsh returned the punt 14 yards from the 40 to the W. Va. 26. On the next play, River's stumpy Dan McGuire hit off left tackle on a trap play and zipped to the end zone. Flannery added to the two points on a keep and Ohio trailed just 30-24 with 6:3 left in the third quarter.

W. Va. got its final score after a 46 yard punt by Kohelis pinned the Bucks deep in their own territory at the five. Filliez picked off Flannery's desperation pass at the 30 and was knocked out of bounds at the 22. Three runs by Kohelis put the ball at the nine and Book found Filliez all alone in the left corner for the TD.

Filliez then ran right-end for the two pointer.

The victory for Coach Lou Nocida's charges was the twelfth scored by W. Va. in the long series. Ohio has won 16 times. The contest also marked the end of a coaching era as Ohio mentor Marty Flannery concluded his 24 yr. coaching career.

In the first quarter, Book found Wheeling Central tight end Phil Pest free down the middle for a 23 yard gainer, which moved the ball to the Buckeye 28. Book fired to Magnolia buddy Steve Dills in the end zone with 8:50 left in the opening frame. Dave Forbes, also of Magnolia, came on to kick the extra point.

W. Va.'s defense provided the next two points as Brooke's Rick Funkhouser cracked through to block a punt by Alexander and covered the ball in the end zone for a safety.

Book engineered another beautifully-executed TD drive. Wheeling's Jim Tully had a key third-down six yard scamper, with a fifteen yard piling on penalty to advance the ball to the Ohio 46.

Buckeye West middle guard Doug Finney broke through and slammed

Book for a nine-yard loss. On that play, Filliez uncorked a fifty-yard heave to Filliez. On the PAT holder Filliez picked up the ball, to the right and threw a strike to B Ramon Bowen for the two-point, a 17-0 lead, with more than nine minutes left in the half.

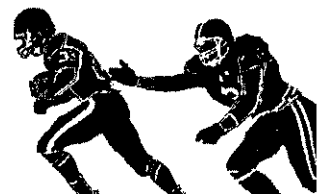

Ohio bounced right back with the passing of its talented QB, Flannery, of River, to go 60 yards. Forbes kick-off went out of bounds. Cadiz great Cal Gregory was downed for a five yard loss by Madonna DeSantis on the next play, but Filliez then threw a 41-yard strike down center to fleet Beallsville back Kevin Welsh, putting the pigskin at 24-0, Va. 24.

The Bucks then dipped in a bag of tricks and tackle eligible Martins Ferry's Mike Greenwell went to the four. Dan McGuire, River scored two plays later off left end from the two. Flannery passed to Bellaire's Terry Brinker off a fake for the two-point conversion to tie W. Va. lead to 17-8 with 6:05 clock in the second frame.

On the following Mountain session, Tully sparked a surge with three runs for 34 yards, the last of them from the eight on a sweep of 10 yards when he battled his way through defenders and fell into the end zone. The kick by Forbes made it 24-8, Ohio 4:40 left in the half.

After trading possessions, Ohio responded when a pass by Book for his own 14 was picked off by Star star Mike Rotilio, a defensive end, all night. Flannery took it over as a keeper with two minutes to go. Filliez then hit Ferry's Tom Suriano for a two-pointer and it was 24-16 at the end of the mission.

OHIO 38 - W VA 24 :

1983 " All-Star Game - 20 Years Ago

Wintersville's Andre Creech, the rabbit quick quarterback, led an estimated 8,500 while leading his Ohio squad to a decisive victory over West Virginia at King Island Stadium.

Each Dave Bruney's squad played throughout the contesting its superior strength in the field and a hard-hitting defense that seemed to overpower the Mountaineers. The brightest spot in the West Virginia attack was the game provided by superb Wintersville kicker Mark Brennerman.

There was little doubt that Creech was the man to watch as he led the Buckeyes to their first score in the initial quarter. After taking possession following a 45-yard Brennerman punt at the Ohio 24, Dan Hawthorne ran twice for 10 and 19 yards to the Ohio 47. A broken play resulted in a five-yard loss, but the Creech scrambled throwing Wintersville's Steve Dandridge for an 11 yard gain to the 41. On the next play Creech rolled to his right to the onrushing Mountaineer and then pitched perfectly to a young Ben Wiggins of Wintersville who raced untouched to the sidelines for the score at the end of the quarter. Wintersville's

Mark DeMattio booted the conversion.

Standout defensive efforts by Martins Ferry's Trevor Crunnelle and Bellaire's Matt Materkoski and Dan Snyder stalled the Mountaineers and forced Brennerman to punt again. Starting at their 25, the Buckeyes put together a brutal 18-play drive that used all but 2:45 of the second-quarter clock.

Fine blocking by Martins Ferry's Bernie Donahue, St. Clairsville's Mike Eaton and Cadiz's Mike Pincola enabled the winners to grind out gainers that resulted in a two-yard plunge over right tackle by Wintersville's Anthony Collaros with 2:45 left in the half. DeMattio again booted the placement.

Before the half ended, the West Virginians got on the board with the help of a pass interception by Weirton's Tom Brancazio at his 45 and a return to the Ohio 17 with just 21 seconds left on the clock. After Weirton Madonna's Jack Rodman's eight-yard gainer, Magnolia's all-state quarterback, Todd Morris, threw nine yards to Wheeling Central's J. R. Olesjasz for the score. Brennerman kicked the extra point.

In the third frame, Creech spearheaded another scoring drive, this time covering 64 yards in nine plays. Starting from the 36, the drive was

capped by a spectacular 30-yard touchdown run by the quick foot Creech, scoring with 5:30 on the third quarter clock. The placement failed.

The pinpoint passing by Mc enabled the Mountaineers to take on a 29-yard field goal Brennerman three minutes later. Ohio's Hawthorne raced through the middle on the kickoff and brought down the sideline for a 72-yard turn to the West Virginia 21. Three plays later, Toronto's Tim Wilbullied over from the four for the final Ohio score.

The Mountaineers closed the scoring with an early quarter touchdown. Following a short Creech punt, the host took possession at the Ohio 30 and aided by a 21-yard pass from Morris to Olesjasz, the losers pushed across the final score from the three on a carry by Be

WEST VIRGINIA - 16

1993 " All-Star Game – 10 Years Ago

Much of the largest crowd in the history of the Rudy Mumley OVAC All-Star ball Charity Classic finally began fill-out of Wheeling Island Stadium with it six minutes left in Sunday night's annual Ohio-West Virginia scrap.

The much anticipated battle between West of Buckeye Local and Curtis McGhee of Wheeling Central took a back to Bishop Donahue quarterback Mark Gordon, who passed for nearly two hundred yards in the second half.

Who could blame the fans for trying to head start on the island traffic bottleneck? The Mountain States who trailed 4, had just given the ball back to the Buckeyes by having too many men on the field following an Ohio punt.

With a weapon like Buckeye Local's Curtis McGhee in the Ohio backfield and time ticking off the stadium clock, the show was obviously over for a gallant West Virginia squad.

In one of the most incredible turnarounds in all-star grid annals, the Mountaineers scored three touchdowns in the second half and stuffed West on a two-point conversion with less than a minute to go to tie the game off a 34-32 shocker.

Determination helped West Virginia overcome Ohio to minus four yards on three downs following the late penalty to force McGhee to punt.

A pass from Donahue's Mark Gordon - who took every snap at QB for McGhee's squad - to Weir's Marcus Clausell gave West Virginia a first down at the four yard line second of two sweeps by Wheeling Central's Curtis McGhee cut the lead to 26-14 following Matt DiLorenzo's PAT.

There was just 2:53 showing on the stadium clock but the Mountaineers seemed animated on the sidelines as a team trying to win a one point lead in the waning moments of a state championship game. DiLorenzo, an all-state soccer player

at Wheeling Park ripped a hard, low roller perfectly toward the right sideline.

An Ohio player stepped just inside the ten-yard buffer zone in an attempt to field the ball but the bounding oval bounced off his helmet as he was crunched by the West Virginia pursuit. When the pile unfolded, West Virginia had the ball.

Shadyside's Chad Wiley on the very next snap following the recovery, blew through the line to sack Gordon back at the West Virginia 42.

John Marshall's J. B. Burge stepped in front of the pass at the Ohio 45 and found nothing but green and white stripes between himself and a Mountain State TD.

Burge's six pointer and the DiLorenzo PAT appeared to have put Ohio down for the count with less than a minute to play but, like West Virginia a few minutes earlier, the Buckeyes proved that they too were made of sterner stuff.

After the kick-off, Wellsville's Andy Martin found a seam in the middle of the West Virginia coverage team and broke it all the way for an all-star game record 99-yard TD return as the Ohio stands erupted.

With 43 seconds remaining, the Buckeyes now trailed 34-32 and everybody in the stadium knew who was going to get the ball on the two-point conversion try.

West had been held to just 16 yards on six carries after intermission. Ohio lined up in a strong-right formation for the critical two-pointer with McGhee taking the toss and rolling toward the right sideline, looking to cut back behind a wall of blockers.

The seam never opened and West had to sprint for the corner where Brooke's Buck Neel was waiting. West tried to power through Neel inside the five but the Bruin star held his ground and tumbled the play out of bounds at the two.

In the opening frame, Ohio stayed on the ground with West scoring first at the 3:58 mark of the first quarter. Just as they

were plagued throughout the contest, McGhee was shut out of the PAT.

West Virginia bounced back in the second frame that highlighted the run by McGhee and was keyed by a 28-yard down-to-McGhee pass. On the first play of the second frame, McGhee carried 45 yards and the score, followed by DiLorenzo boot to give the Mountaineers a 7-6 upper hand.

After trading possessions, the Mountaineers took control on the West Virginia drive. West ran for 7 yards, Schehl for 12 yards and West for two more before West took a timeout with 5:42 on the clock. Ohio led 14-7 but once again the PAT was unsuccessful.

Two plays later, Ohio again got on the board as River's Don Hendershot carried the W. Va. runner of the ball and gained 30 yards for a score at 4:51. Causing a two-pointer for a 20-7 Ohio lead.

In the third quarter, West narrowed the gap to 20-14 as Gordon connected with Bishop Donahue's Artie Moore for 40 yards then McGhee scored 14 yards for a five at 3:45. DiLorenzo added the PAT.

Ohio retaliated in the third quarter with the Beallsville passing combo of Dan and Ron Street combined for three touchdowns and 27 yards and the run by Schehl and West added 26 more yards with Schehl getting the final two-point conversion with 1:16 to push the Buckeye lead to 26-14.

With the Ohioans leading 26-14, the third quarter closed with a spirit play by McGhee for-all in front of the Mountaineers that resulted in five player ejections.

The two teams combined for 400 yards of total offense. West had 14 carries on 21 carries to lead all rushers with Moore had five catches for 133 yards in the second half pace the receiver Mark Gordon completed 14 of 26 passes for 133 yards.

~ A Tribute to Cal Pokas ~

BY RICH GIBSON, OVAC Media Relations

The Ohio Valley Athletic Conference lost one of its closest friends and supporters this past January when long-time Sports Editor of the *Martins Ferry Times-Leader* and OVAC official Calvin Pokas passed away.

Pokas, whose outstanding career in journalism spanned 40-plus years, spent a vast majority of that time keeping eastern Ohio readers informed with his unique and always entertaining perspective of local high school and collegiate sports news.

Through the years, Cal chronicled the athletic achievements of area prep legends like Phil and Joe Niekro, Bill Mazeroski, Bobby Douglas, John Havlicek, Johnny Matnik and more recent stars including Tim Spencer, Lance Mehl, and Joey Gallo-way. Well-respected for his writing style and often wry sense of humor, Pokas authored an informative weekly column, "Cal's Corner." Following retirement, Cal remained active, offering *Times-Leader* readers and Ohio State followers a popular, in-depth "Eye on the Bucks" column featuring comprehensive coverage and analysis concerning the local Buckeyes.

Says current *Times-Leader* Sports Editor, Robert "Bubba" Kapral: "Cal Pokas is one of the legends in Ohio Valley sports journalism. He was a true professional in all regards. Cal was a very compassionate man who championed the cause of all sports. He is a great role model for all current and future sports writers."

Pokas, indeed, felt a special need to recognize young athletes in all facets of local sports including cross country, volleyball, golf and soccer, among others.

Jay Circosta, head football coach at Monroe Central High and serving as Ohio All-Star Coach for this evening's game, worked closely with Pokas in various functions.

"Cal's passing was a great loss -- not only to athletes and sports fans in the alley -- but to the OVAC community as well," Circosta noted.

"Cal's contributions over the years are truly too numerous to mention. It's impossible to count the number of times he went out of his way to ensure a team or group of young people received proper recognition."

Pokas' dedication to his profession certainly did not go unnoticed. Here are just a few of the accolades bestowed on Cal Pokas decades of service:

- 960 Community Service Award presented by United Press International
- 976 Elected into Ohio Prep Sports Writers Hall of Fame...Named Ohio Prep Writers Association, "Sports Writer of the Year"...Distinguished Service Award presented by Ohio Association of Track and Cross Country Coaches...Distinguished Service Award presented by District 12 Basketball Coaches Association...Presented inaugural Service Award by Eastern District Athletic Directors Association
- 991 Inaugural Media Recognition Award presented by the Meadows Race Track, Washington, PA.
- 995 Honored by Ohio Valley Golf Coaches Association for service and dedication...Service Award honoree at the OVAC's Banquet of Champions
- 996 Appreciation Award presented by the Ohio Valley Football Coaches Association...Media Service Award presented by the Ohio Baseball Association
- 998 Presented inaugural Sportsmanship, Ethics and Integrity Award for the East District from the Ohio High School Athletic Association...Presented "Mat" Award from the Ohio Valley Wrestling Coaches Association...Selected for Bellaire High School's "Wall of Fame"...
- 999 Honorary Referee for Domino's Pizza/Pepsi Cola Track Classic at Wheeling Park High School...
- 000 Distinguished Service Award presented posthumously by the Eastern Ohio Interscholastic Athletic Administrators Association...

This fall, the First Annual Cal Pokas Memorial Cross Country Meet will be held at Buckeye Local High School. Cal's wife, Betty, is a long-time editor of the *Times-Leader* where she currently serves as Area Editor.

Cal and Betty are the parents of three children: Dr. John Pokas (Optometrist) of St. Clairsville; Judy Mayles of Wheeling; and James of Los Angeles. They have four grandchildren: Olivia, Alexandra and Nicholas Pokas; and Jacob Mayles.

In my 40 years of writing sports in the Ohio Valley, I had the pleasure of being associated with two giants of the newspaper profession. One was Bill Van Horne, my boss for 27 years, and friend and mentor for over 30 years.

The other was Cal Pokas, who also was tutored by Van Horne during his early years as a journalist. I was always impressed with Cal's dedication to work and his attention and devotion to all sports...not just football, basketball and baseball.

Cal also contributed much time and devotion to organizations such as the Ohio Valley Athletic Conference and the Upper Ohio Valley Dapper Days. Cal was more than just a newspaper acquaintance to me, he was a friend and advisor, as well. We worked together on many projects pertaining to the conference. I guess the best way for me to describe him is that Cal was a true professional.

NICK BEDWAY, Executive Sports Editor, Wheeling News

Cal Pokas was a "quiet giant" in the newspaper industry. His dedication to OVAC athletics and Ohio State University was unparalleled. When it came to OVAC, the big difference between Cal and most reporters was that he championed the "little man."

Cross Country...girls' basketball in the early days...golf; all sports were important to Cal, and he saw to it that they received recognition in the *Times-Leader*.

I remember visiting him in the hospital during his last stay, just to say hello. But it quickly went way beyond that. Cal was telling me things I should do in my new position, the history of why things were done the way they were, dishing out advice upon advice, never once complaining about his problem. He was taking care of business at hand. That was Cal.

I refer to him as a "quiet giant" in the industry, because you really didn't know Cal was around at an event...until you touched a nerve by asking something about athletics. Then, it was as if you magically opened the *Encyclopedia Britannica* of sports.

Jimmy Mountain, Bill Van Horne, Rudy Mumley, Sam Mumley, Cal Pokas -- giants in the Ohio Valley Athletic Conference. And right this minute Cal, Bill and Jimmy are busy writing press releases for the only all-star game that truly matters.

THOMAS F. BATAK 72AK Executive Secretary, Ohio Valley Athletic Conference

obert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy Mumley All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for the game. The game, he says, is in his blood. And no antibiotic, no pill or shot can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself... it doesn't matter what aspect it is."

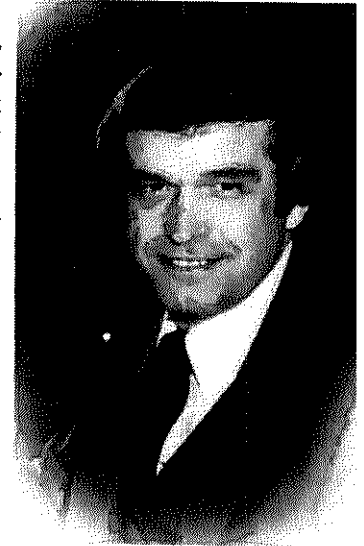

Dr. Jones found its way into the heart of Dr. Jones in the mid-1960s, when he played for the Wheeling Ironmen. Jones played defensive end, linebacker, offensive line -- "Back then you had to do it all," he said. -- and remembers cross-state clashes with Charleston. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Stadium will always remain indelibly etched in Jones' heart and mind. "I remember my first game... we played Charleston," Jones said. "It was the only time I've ever seen the island stadium completely packed. We had a little bit of a rivalry with them." And he still gets the chills up his spine every time he visits the stadium, which was remodeled in the 1980s. "It's the same place," Jones said. "Even if it is a different stadium. It's still a great place to play football."

For Dr. Jones, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. Current general surgeon who also performs thoracic and vascular work at Wheeling Hospital, Jones says he learned self-discipline -- a necessary component in any surgeon's mental makeup playing football all his life. "The discipline of football pushed me to be a surgeon and in the field," Jones said.

Dr. Jones has been involved with the OVAC Football Classic for the past 15 years, getting his first taste of the game when Ohio's Luis Vazquez -- invited him to the 1984 game.

Most of the games that he's seen and worked were good. But one -- the 1987 classic -- stands out as great; because of the stars who played in the contest. Ohio -- featuring St. Clairsville's duo of Shawn Vincent and John Spencer -- defeated the Wheeling-led West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Stadium. "That was the best year, as far as players go," Jones said.

Dr. Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children -- Patricia and Pamela, both 31, and Robert, 7.

★★★ OVAC DOCTORS ★★★

While studying pre-med at Ripon College in the state of Wisconsin, Luis Vazquez decided that Wheeling would be a great place to live and raise a family.

After a year at the University of Caguas, Puerto Rico, Vazquez later studied and obtained a doctorate at the University of Seville in Spain.

When it came time to apply for an internship in the States, "I hoped to return to Wisconsin, or at least to a place close to that region of the country," he recalls.

Fortunately for the Ohio Valley, an opening became available at old Wheeling Hospital in 1984. Vazquez accepted, and the rest -- as they say -- is history.

It's a history for one of the area's most respected and successful physicians.

Dr. Vazquez has been on the Ohio sideline, donating his services each and every year to the Rudy Mumley OVAC All-Star Game has been in existence.

"I don't think of a finer organization to be involved with," he said from his St. Clairsville-based office where he first established practice in 1961.

A part-time sports enthusiast, Vazquez has served in a similar capacity 32 years at St. Clairsville High. He's also aided the prep grid programs at Bridgeport and Martins Ferry.

It's unfortunate that his four sons were involved in football. That helped me stay close to the game, he noted. "Today, I enjoy it today as much as I ever have."

Throughout the years, Dr. Vazquez has served on numerous committees, including Ohio's pre-sports Medicine Advisory Board where he worked alongside the legendary Woody Hayes, former longtime Buckeyes' head football coach.

Currently, Vazquez is Chairman of the OVAC Foundation Committee.

Dr. Vazquez has been married 41 years to the former Bonnie Watkins, a Wheeling native. They are the parents of six children and have earned college degrees.

Louie played quarterback under the late George Strager at St. Clairsville High. Last fall, Lou was on the staff at state prep school Fisher Catholic High in Lancaster where he earned a district honor as defensive coach. He played collegiately at California State University.

Dr. Vazquez, a graduate of the Coast Guard Academy, is currently a Commander and is based in Clearwater, Fla.

Dr. Vazquez also played quarterback for Strager and was the Red Devils' field general during the 1979 season that featured running back Tim Spencer.

Dr. Vazquez holds a masters degree in Political Science from the University of Akron and is working on a doctorate. Mike was a running back at St. C. High.

Dr. Vazquez and his wife have two daughters -- Lori and Beckv. Both own masters degrees and are teachers in the Franklin County School District.

Dr. Nick Ghaphery has worked tirelessly to make sure that all athletes in the Ohio Valley Athletic Conference enjoy the finest sports medical services around. Since he first became involved with the OVAC four years ago, Ghaphery – the league's medical director along with Dr. Luis Vasquez – has worked to ensure that athletes are healthy and med about health issues.

"We're trying to bring sports medicine more into focus," Ghaphery said. "We are trying to provide coverage for events that occur in the OVAC, and we're trying to address educational issues for athletes in the OVAC."

A hot-button issue with Ghaphery is the use of performance-enhancing substances, both legal elements like creatine and illegal steroids. And Ghaphery said he and the league are making a warning athletes about the dangers of steroid use.

Getting the facts out is Ghaphery's mission, and he feels he and the league are succeeding in providing accurate information to coaches.

"There's a lot of perception versus reality out there, and education is the key. Our goal is to provide the information so that athletes can make informed decisions, and we are pleased with the results that we have accomplished."

Ghaphery graduated from West Virginia University in 1984 with a bachelor's degree in liberal arts. He then earned a degree from the West Virginia School of Osteopathic Medicine in Lewisburg in 1988.

After spending a year completing his internship at Ohio Valley Medical Center, Ghaphery completed his family practice residency at WVU in 1991.

From there, he worked at Children's Hospital in Akron, Ohio, as a primary care sports medicine fellow until 1993. Ghaphery spent four years, from 1993-1996, in the sports medicine program at the University of Pittsburgh.

In 1996, Ghaphery came to Wheeling and since then has been sports medicine director at Wheeling Hospital and a member for family practice and residency.

He lives in Wheeling with his wife and two children.

There's a lot more to playing an all-star football than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC All-Star City Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, smiling.

Among Fullerton's i's and t's are:

• Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

• Making sure that the teams have plenty of supplies, from medical tape to ice packs.

• Making sure coaches if players injured during the game are healthy enough to return to action.

• Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said.

"Ideally, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

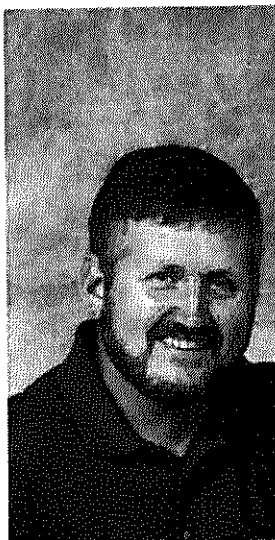

Fullerton should know. After all, he's been seriously involved with the OVAC for the past 15 years, and he's been working in sports medicine for the past 30 years.

His athletic training career started in the late 1960s when, as a student-athlete at Martinsburg High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, turned him to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelor's degree in physical education from The Ohio State University and a Master's degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following: While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.

Fullerton worked the summers of 1972 and 1973 in Bradenton, Fla. with the Pittsburgh Pirates organization. While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, working with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC. That's why he returned to the Ohio Valley in 1985. "It works as a registered nurse in the emergency room at Wheeling Hospital. "People like (Van Horne, Simpson and the late (Ghaphery) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie and sometimes the kids don't realize what they have until they are out of it." Fullerton lives in Wheeling with his wife

★ ★ ★ RETIRED OFFICIALS ★ ★ ★

One of the great things about athletics is the people you meet and become associated with from all walks of life. Coaches and players provide many memorable and unforgettable moments for the fans and, yes, even the journalists who exploits on the various fields of battle.

Sometimes forgotten, however, are the men and women in the striped shirts who officiate each and every contest until their main objective being to enforce the rules both to protect the safety of the participants and to see that the games are decided in a fair and square manner.

Four men who proudly wore a whistle around their neck will be provided a rare moment in the spotlight tonight during the activities for the 32nd annual Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic. Ed Duffy of Weirton, Anello Liberati of Bellaire and David "Pecky" Pell of Wheeling will be introduced as honorary referees for the evening's game.

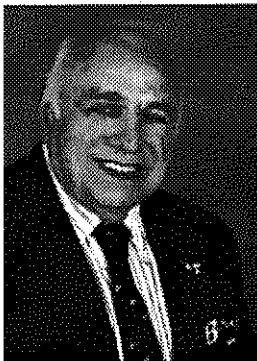

★ ED DUFFY ★

ED DUFFY lives in Wheeling, West Virginia. Ed officiated football and basketball for 34 years and has many fond memories of the times he spent working games throughout the Ohio Valley. "I would do it again in a heartbeat," sums up Ed's experiences which included many state play-off games.

Ed has been married to his wife, Irene for fifty-two years. He graduated from Wheeling Central High School and retired after working for many years at Warwood Armory.

★ LOUIS KUNTUPIS ★

LOUIS KUNTUPIS lives in Weirton, WV. He officiated football for thirty years, basketball for twenty years and baseball for forty years and worked state play-off games in all three sports. He also coached junior high football and basketball for twelve years.

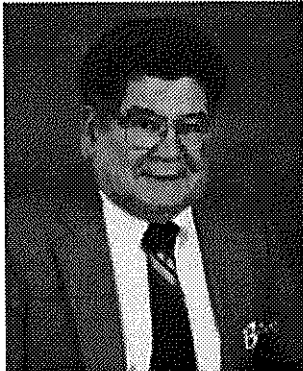

"When I started, you worked 25 to 30 varsity games a year. There were so many more schools, varsity games were played on Thursday, Friday, Saturday and Sunday – there were even some played on Friday afternoons. I remember officiating the last game ever played by New Athens Junior High School. The game was played at Scio, the coach drove the bus, and he put a uniform on the manager so he would have a fifth player in case he needed a substitute. I think conditions have improved a lot. The fields used to be so muddy, if you dropped a whistle you couldn't find it. The equipment is so much better. When they got rid of the big cleats – that saved so many toes. No mouthpieces – used to be you could spot a football player as soon as he grinned – they all had teeth missing. But it was fun."

Louis taught English and Social Studies for thirty-four years at Hancock County Schools, many at Weir High School. He graduated

from the Korean War. When he returned, he enrolled at West Virginia State College and earned his Education Degree as well as a Masters Degree from WVU.

Louis has been married to Barbara for forty-six years and have two sons and two daughters and have six grandchildren.

★ ANELLO LIBERATI ★

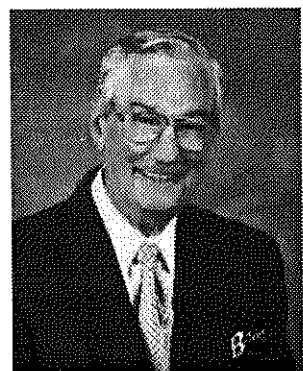

ANELLO LIBERATI lives in Bellaire, Ohio. He officiated football for 31 years. Actually played in this All-Star game and received a scholarship on his performance in the game. He worked many game years at OVAC, college games at WVAC and state play-off games in Ohio and West Virginia.

"I worked with a lot of guys. We had fun going to the games. To the players in the locker room, I wish the best of luck – you're having experiences that I wish the rest of your life."

He graduated from Bellaire High School and Kent State University and retired from Wheeling-Pittsburgh Steel. He lives with wife, Dorothy in Bellaire, where they raised 3 children, two boys and a girl.

★ DAVID PELL ★

DAVID "PECKY" PELL is 75 years old, lives in Wheeling. He officiated football for 30 years from 1957 to 1977. He officiated basketball during the 1960s. Pecky notes, "I thought of the acquaintances that I met while officiating and would record the names of anyone interested to get into the profession." Officiating many state play-off games, he remembers officiating the West Virginia State All-Star Championship game in 1974.

Pecky graduated from Wheeling High School and worked a career at the Wheeling Post Office. He and

He lives in Warwood with his wife, Sandra and children, and Chad. He graduated from Wheeling High School and Liberty State College and works as a sales representative for Xerox Corporation.

Best of Luck to the West Virginia 2003 OVAC All★Star Coaches

Baseball may be "King" in the Ohio Valley this weekend with the annual Bear East Tournament dominating the spotlight, but it won't be long until football reclaims its rightful place at the top of the area sports chain.

The first steps down that road were taken today when the Ohio Valley Athletic Conference announced the West Virginia staff for its annual Rudy Mumley All-Star Classic. The OVAC All-Star game is slated for Wheeling Island Stadium with a 7 p.m. kick-off.

Oak Glen's Tom Taylor was named Mountain State helm after guiding Cumberland school to a 6-4 record and fourth place finish in the OVAC AAA highest amongst the West Virginia schools.

This marks the inaugural assignment for Taylor, who couldn't be about giving up a week of his summer vacation to take part.

"I'm very excited about this opportunity," Taylor said, "I'm a little nervous because it's a real challenge to put everything to one side, but this might be my only chance to be about giving up a week of my summer vacation to take part."

Taylor will be joined on the West Virginia sidelines by Paul Quattrone, Darrell

Kidder, Bill Stewart, Steve Kourpas and Bob Kramer. Randy Elliott will serve as the Mountaineer trainer.

"I have a great staff assembled," Taylor said. "The guys we have at Oak Glen are good, but to bring in coaches from other schools is exciting for me. Our meetings have been real productive and we just hope we can go out and put on a good show."

Here is a capsule look at the coaching staff:

TOM TAYLOR - The third year mentor has put together a 13-17 record since taking over the Golden Bears. Taylor handles the coordinator duties and will also work with the offensive and defensive lines. Before coming to Oak Glen, Taylor had been an assistant coach at Weir for eight years. The Red Rider alum also served as head track coach and assistant wrestling coach at his alma mater. A Weir State College graduate, Taylor and his wife, Roberta, have a daughter Lydia. They reside in Weirton.

PAUL QUATTRONE - This veteran football coach has been involved in coaching for the past eight years. He has been at Oak Glen for those seasons. Quattrone came to Oak Glen after stopping at Weirton Madonna as an assistant. While at Madonna, he was a baseball and golf coach. In 2001, Quattrone was named AFLAC National Assistant Coach of the Year. Along with his football duties, Quattrone also serves on the Bears girls' basketball staff. Quattrone is a product of Steubenville High School where he played football, golf, and basketball.

After graduation from Big Red, Quattrone attended the University of Cincinnati, West Liberty and West Virginia University.

BOB KRAMER - This 30-year old veteran of the football coaching ranks comes to the West Virginia staff as the Weirton Madonna head coach on the offensive and defensive line coach for the West Virginia stars. Prior to coming to Madonna, he served on the Steubenville Cardinals staffs. Kramer is a graduate of Steubenville High School. He is married to Kathy, and has two children, Bob, Jr. and Linda.

BILL STEWART - The former Oak Glen standout has returned to his roots, serving on Taylor's staff for the past three years. Stewart handles the defensive line and linebackers after being a three-year defensive starter at Bethany. While at Bethany, Stewart was a two-year All-PAC selection and drafted in 2000.

KENT KIDDER - This Follansbee High School graduate comes to the West Virginia staff from Ohio, where he serves as a defensive coordinator. Kidder will work with the wide receivers and defensive backs at the OVAC game. Before leaving to join the Tigers' staff, Kidder was a coach for two seasons and has been a football coach for the past 15 years. In that span, he served as head coach at Weirton Madonna and also coached staffs at both Brooke and Toronto. Another West Liberty State alum, Kidder has two state championship rings in his possession. He coached the staff at Madonna in 1997 and also on the Weir High staff in 1998. Kent and his wife, Donna, have three daughters, Amy, Angela, and Rebecca.

DARRELL CURTIS - This Weir High graduate has been serving under Taylor at Oak Glen for the past three seasons. Curtis will be working on the defensive line during the OVAC game. Curtis - who attended West Liberty State College - also served as a baseball coach at Weir. Darrell and his wife Angelina are the parents of five children: Danielle, Darci, Darrick, Alexis and Thomas.

STEVE KOURPAS - This 1974 Oak Glen High product has spent the last two years on Taylor's Oak Glen staff and will be coaching tight ends and defensive backs. Along with his football duties, Kourpas is also the Oak Glen head baseball coach and was named Herald Star Co-Coach of the Year in 2000 and his wife Kathie have two sons: Andy and Matt Wharton.

RANDY ELLIOTT - This 1975 Oak Glen High graduate will serve as the West Virginia team trainer. He has spent 27 years as an athletic trainer, eight have come at Oak Glen and eleven at Weir. He also serves as athletic trainer at Wheeling Jesuit. Elliott has received the Who's Who in Sports, James "Dead-Eye" Morris Award and Wall of Tolerance Award. Elliott has degrees from West Liberty State College and West Virginia University.

Dear Bethany,

I am so proud of you! You are a very strong and loving lady. Words truly cannot express how much joy you have brought to our family through the years. Your kind, gentle spirit, your love for children, your laughter and genuine concern for people has been such an encouragement to me as a mom. You have been blessed with not only physical beauty but a beauty from within. The beauty and love portrayed from within is what counts. I consider myself to be blessed beyond words to have the privilege to be your mother! May God richly bless you, May He shower His love on you.

Love you!

Congratulations and Good Luck Queen Claire Cholak

I would like to take this opportunity to show my sincere gratitude and appreciation to all the businesses and school organizations that so graciously purchased an ad for this event. I cannot thank you enough for your support. A very special thanks goes to my family and friends that have always encouraged me to reach for my goals. Also a grateful thank you to Neha Mehrotra and Alyssa Petropolus for escorting me tonight.

To my mom and dad, my lifelong supporters. Words cannot possibly express my love and thanks for you. Many sacrifices have been made by you both to get me where I am today, and for that alone I am forever grateful. Thank you for loving me always.

To my dance family: Miss Penny, Heather, Missy, Mrs. Underwood, and my girls. Thank you for accepting me into your lives, I wish it wasn't so short lived. I will truly miss you all next year.

Finally, to the one who showed me what dancing from the heart was. Stacy Coughlan, thank you for sharing your love of dance with me all those years. From Maid Maryianne to Joan to my last piece with you, your support has always been by my side. You will remain in my heart for all my years to come.

Congratulations to Toussant Hill for being chosen as our OVAC football All-Star. Good luck to all the athletes and queens participating in tonight's event.

ire,

om the time you were a tiny dancer, I saw a sparkle in your eyes every time you danced. That sparkle grew into a passionate love for your art. This special passion has helped you become the wonderful person and dancer you are today. May you always dance and live life with a smile in your heart. You are blessed with a beautiful gift....don't ever stop sharing it with the world.

*Love 'ya always,

We Say Yes To YOU!

Queen Shaylee Peckens

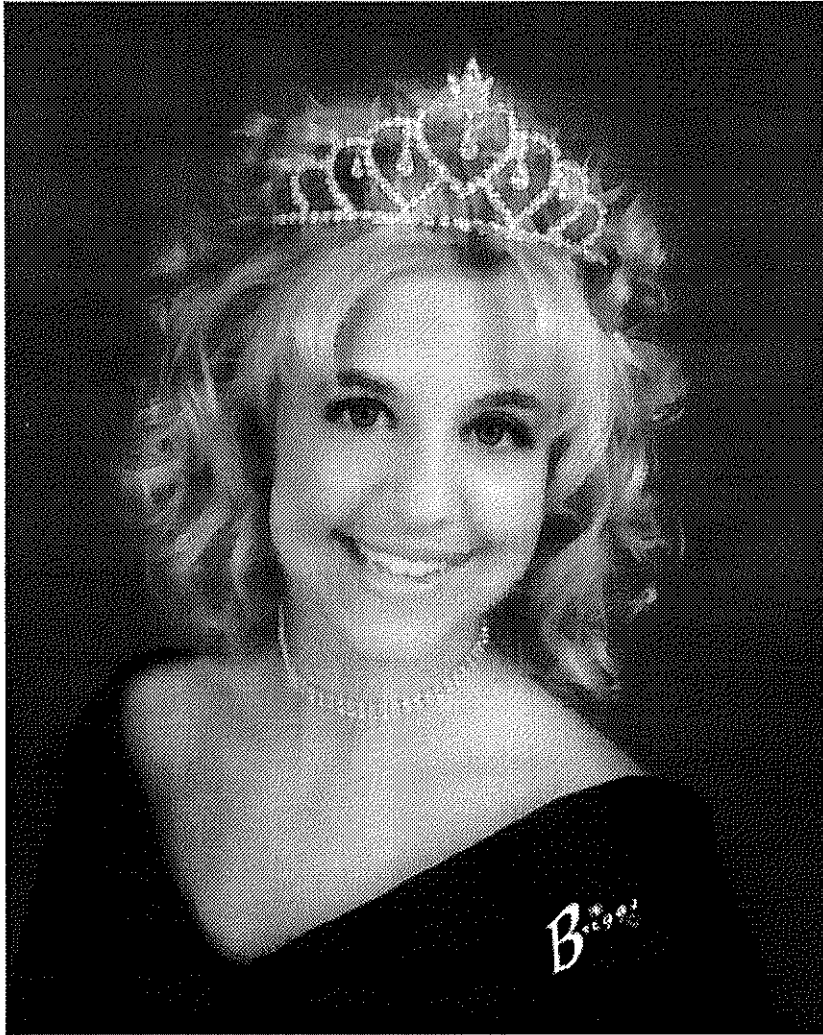

little children, my brother, sister and I looked forward to the BIG GAME on the Sunday of July as we sat on the sunny Ohio side of Wheeling Island Stadium. I am very honored to be associated with the OVAC. Its high ideals and remarkable history inspired people like me to want to continue the noble traditions of its dedicated membership past and present. My sincerest thanks to the Ohio Valley businesses; school organizational advisors; family and friends who graciously purchased ads...and to my drama teacher Teresa Cybulski who accompanied me in my solicitation ventures. Thank you... for your words of praise for me personally, for recognizing the many outstanding accomplishments that the OVAC has made in our community, and for your kind generosity. Early on a leader, basketball and softball player, I learned the concepts of commitment, teamwork and respect for those who brought out the best in me. Even though singing is my passion and playing the mics is my priority, athletics has been and will continue to be a valuable complement to my life's experience. Remember, finally, that with God always in our hearts and lighting our way, we are ALL-Stars shining in His eyes and Queen of Queens eagerly anticipating His Kingdom. Thank you -God Bless You---And God Bless America!

My Sister, Me, My Sister

By: Breeci Peckens

is born to be a middle child; some say I'm shy, some say I'm wild.
young to go to the mall alone; can't even have my own cell phone.
too old to stay in Pepe's Playhouse while Mom shops
I my doctor quit offering me Tootsie-Pops.

atch my older sister as she plays basketball.
ant to be just like her when I grow big and tall.
atch my older sister as she does her competition cheer
I I try to move just like her as I look into the mirror.
's everything I hope to be, so pretty and so smart.
I be as good as she someday? I wonder in my heart.

on there's my little sister who always gets her way
ause she is "the baby", my parents always say.
on't give in to her!" I tell them all the time
use she just wants attention. "Just let her whine!"
gets on my nerves once in a while, but still I love her so.
alk with her to school each day and hold her hand as we go.

the meat between the sandwich : I 'm what gives it a great taste.
the cream between the Oreo; I'm the part you never waste.
up sometimes and down sometimes for that's how life can be.
just another middle child who's happy to be me!

I 'm very proud to escort you tonight Shaylee & you're
THE BEST big sister a girl could ever have...

Love & Kisses, BREECI

would like to thank my parents and my stepparents for supporting me in everything I do. You have given me the confidence to be who and what I am today. I also would like to thank my grandparents for always being there. I especially want to thank Mrs. Carol Burda for everything she has done for me. Most people don't realize that she holds everything in IFHS together. Also, I would like to thank my two sisters; without them my life would be dull and boring. I would like to thank Kassy and Ashley, who are just like sisters to me. And, I would like to thank Ricky & all my friends whom I could not live without. A special thanks to all those who purchased ads, to the Booster Club for my gown, and to the Martins Ferry Lower Shop. Good Luck to Eddie, Mike, Ty, and Urs, all my OVAC stars. And God bless everyone who has helped me along the way.

I want to take this opportunity to thank each person, friend, family member, business and school club for purchasing ads. Thanks to all my friends who are always there for me no matter what. Also a thanks goes out to Brittany Brinkman and Trisha Braughtigan for escorting me tonight.

I would like to thank my Mom and Dad for everything they have done for me. My brothers Marty and Mike, I would like to thank for all their support for their little sister. Without you I would not be the person I am today!

Many people have helped me get where I am today, but two people in particular have left a huge impact on my life. They are Toni Zeakes Copeland and Soozie Zeakes Lucki. You have not only been my dance teachers for eleven years but also my inspiration to be the best dance/person I can be. I will never forget all the times you have pushed me to do better. I have been with both of you since I was even and I have so many memories that will never be forgotten. You both mean so much to me.

Most of all I would like to thank God for giving me the ability to dance, I am very grateful.

Good Luck to all the athletes and queens participating in the OVAC game tonight.

I would especially like to thank Mr. Grinch for a wonderful party, my ads and Shadyside Flower Shop for my beautiful flowers. A special thanks to Jackie Young Nick's and my picture, and Hillary Horvath and Miranda Lappert for escorting me. A million thanks to Toni Sivert and Mr. Picchi for all their hard work, time and dedication in helping me prepare for Queen of Queens. Without you, I wouldn't have made it this far. Finally, my most heartfelt love goes out to the most important people in my life: **My Parents**. I never could have made it without all your love and support throughout the years. I love you both with all my heart. This one is for you! I would also like to thank the Lord above for all the blessings He has bestowed upon me.

With all my love,
Heather

Miss Knight 2003

I wish to thank the many people who have supported me in my endeavors. The administration, faculty, staff, and students of TCHS have given me many opportunities and I hope that I will represent my school with honor. I would like to give special thanks to the many businesses, organizations and individuals who support this worthy charity event by purchasing ads. I want to thank my family, especially Mom & Dad, for their constant love, support, and encouragement, and for inspiring me to achieve my goals through hard work, dedication, and a belief in myself. I wish to give a very special "Thank you" to Susan Richmond for instilling the love of music in my soul and for nurturing my skills to be able to play the piano with mastery and joy.

Being Miss Knight has been a wonderful experience for me and I want to say "Good Luck" and best wishes to my fellow queen candidates and to thank Julie Casey and Cassie Cunningham for their support. Congratulations to all the TCHS All-Starts!
