Bob Koch
GAME DIRECTOR

On the Cover...The New Field

Members of the Ohio and West Virginia All-Star Squads, as well as game administrators, visited the new turf at Wheeling Stadium earlier this summer. The artificial surface is a Pro-Grass installation. The Pro-Grass surface is a rubber-infused grass. There is no asphalt or concrete underneath, as the surface is laid directly on gravel.

The new surface was a gift to Ohio County Schools from the Ohio County Commission. County Commission members are Mayor Wharton - President, Tim McCormick and David Simms. Greg Stewart is the Administrator for the Ohio County Commission.

The main reason for the new surface is to increase usage at the field. When it was grass, the field was used about 15 times a year. Now it will be used for a minimum of 60 events.

The Ohio County School system has installed a new scoreboard at the north end of the stadium. The old scoreboard at the south end of the stadium has been updated. A new sound system has been installed.

The All-Star Game Committee applauds the efforts to update this fine facility, and appreciates Ohio County's willingness to do it with the rest of the Ohio Valley. We are certain Rudy would have said, "Job well done!"

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

RUDOLPH "RUDY" MUMLEY
1918 - 1999

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two-week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC officials several years ago renamed the contest as the Rudy Mumley OVAC Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy.

And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC, which is still

believed to be the largest high school athletic conference of its kind in the United States, Mumley was a athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s.

Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

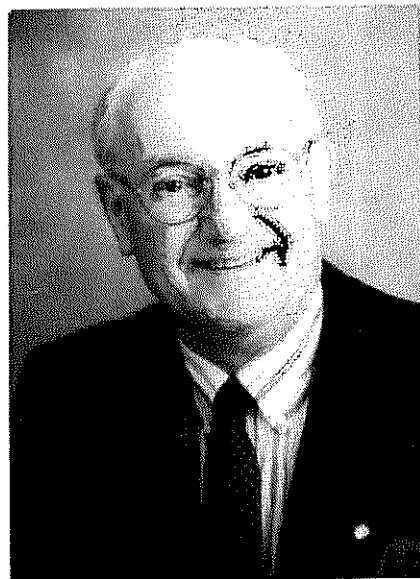

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 - 1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC map. At last May's OVAC Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC's "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always here with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

28 Years... OVAC All-Star Football Classic in Retrospect ...and The Tradition Continues

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail... "The OVAC would not gain a sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have an NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of high athletic ability or those not considering to participate at the collegiate level. Through such sanctioning, the NCAA could not regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All Star Football Game fell into this category, thus ending the game in the late 1960's and with it the celebrated official opening of the Ohio Valley's "pigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC. "The rich athletic heritage of this valley as well as having one of the most prolific school conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering primary information, it readily became apparent that the "game was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game remained and it was full speed ahead with enthusiasm, persistence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed for the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC was very busy in

implementing its Title IX Program for Girls. Such female programs were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened... late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named as: The Rudy Mumley OVAC Ohio-West Virginia Charity Football All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced... 1,500 players • 3,200 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans... and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC family, we thank you for allowing us to share... "Charity and love for our fellow man."

3rd ANNUAL OVAC BLOOD DRIVE COMPETITION

STUDENTS GIVE GIFT OF LIFE

Plans are being made for one of the largest blood drives in the region, the Annual Ohio Athletic Conference Blood Competition, with events scheduled at 15 different sites throughout Northern Panhandle and East Ohio.

Begun in 2002 by the St. Clairsville Sunrise Rotary Club in remembrance of victims September 11, 2001 terrorist attacks against America, the competition has expanded to include support from Rotary Clubs throughout the region. Rotarians work with the Ohio Valley Chapter Red Cross and the OVAC to make the program a success.

In contrast to some blood drives, the OVAC Competition is just that – a competition among various high schools to convince area residents to donate blood in the name of their favorite sports. Trophies are awarded to schools with the most blood donated in their names, with an overall trophy presented to the school with the highest total.

Members of the planning Committee of the Annual OVAC Blood Competition gather to discuss the event.
LEFT TO RIGHT SITTING: Susan Stepputtis, Mike Maistros - Chairman, Michael McTeague, John Hargler

The OVAC would like to extend its hearty thanks to all advertisers and to those who worked to make this football program a success.

Consider yourself fortunate, if you are capable of giving something to someone else, hether it be material things or something of yourself. You never give anything away that you will not receive something back in return, maybe not from the person to which it was given, but nevertheless you will be compensated for your words and deeds."

1940" The First All-Star Game

West Virginia's senior All-Star footballboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Sadlowford pass, late in the first period, moved the Buckeyes from middle to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that sent the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell backed combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line rattled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a backside youth, who shared the starting role for the Bucks, was hit hard on the down 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, came a ball of fire at this stage. He peeled off tackle to the Ohio 19 and plugged the leather to the five aided a too many times out penalty. Helinski picked up a yard and Mike "unchy" Dimitro punched his way to the payoff zone. Dimitro cracked

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski niched successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

ere was just 2:53 showing on the clock but the Mountaineers seemed ated on the sidelines as a team a one point lead in the waning ts of a state championship game. Lorenzo, an all-state soccer player

at Wheeling Park ripped a hard, low roller perfectly toward the right sideline.

An Ohio player stepped just inside the ten-yard buffer zone in an attempt to field the ball but the bounding oval bounced off his helmet as he was crunched by the West Virginia pursuit. When the pile unfolded, West Virginia had the ball.

Shadyside's Chad Wiley on the very snap following the recovery, blew through the line to sack Gordon back at the West Virginia 42.

John Marshall's J. B. Burge steeped in front of the pass at the Ohio 45 and found nothing but green and white stripes between himself and a Mountain State TD.

Burge's six pointer and the DiLorenzo PAT appeared to have put Ohio down for the count with less than a minute to play but, like West Virginia a few minutes earlier, the Buckeyes proved that they too were made of sterner stuff.

After the kick-off, Wellsville's Andy Martin found a seam in the middle of the West Virginia coverage team and broke it all the way for an all-star game record 99-yard TD return as the Ohio stands erupted.

With 43 seconds remaining, the Buckeyes now trailed 34-32 and everybody in the stadium knew who was going to get the ball on the two-point conversion try.

West had been held to just 16 yards on six totes after intermission. Ohio lined up in a strong-right information for the critical two-pointer with west taking the toss and rolling toward the right sideline, looking to cut back behind a wall of blockers.

The seam never opened and West had to sprint for the corner where Brooke's Buck Neel was waiting. West tried to power through Neel inside the five but the Bruin star held his ground and tumbled the play out of bounds at the two.

In the opening frame, Ohio stayed on the ground with West scoring first at the 3:58 mark of the first quarter. Just as they

were plagued throughout the contest, (was shut out of the PAT.

West Virginia bounced back late in the frame that highlighted the running game. McGhee and was keyed by a 28-yard (don-to-McGhee pass. On the first play (the second frame, McGhee carried for (yards and the score, followed by (DiLorenzo boot to give the Mountaineers a 7-6 upper hand.

After trading possessions, the Buckeyes took control on the West Virginia side. West ran for 7 yards, Schehl for six yards and West for two more before West took over with 5:42 on the clock. Ohio led 12-10 and once again the PAT was unsuccessful.

Two plays later, Ohio again got on the board as River's Don Hendershot stripped the W. Va. runner of the ball and returned it 30 yards for a score at 4:51. Call it a two-pointer for a 20-7 Ohio lead.

In the third quarter, West Virginia narrowed the gap to 20-14 as Gordon connected with Bishop Donahue's Artie Moore for 40 yards then McGhee scored from 15 yards for a 20-14 tie. DiLorenzo added the PAT for a 20-17 Ohio lead.

Ohio retaliated in the third as the Beallsville passing combo of Dana Keiser and Ron Street combined for three conversions and 27 yards and the running game. Schehl and West added 26 more yards with Schehl getting the final two yards for a 26-17 Ohio lead.

With the Ohioans leading 26-14 at the end of the third quarter closed with a spirited effort for-all in front of the Mountaineers but that resulted in five player ejections.

The two teams combined for over 400 yards of total offense. West had 131 yards on 21 carries to lead all rushers with Moore had five catches for 133 yards in the second half pace the receiving game. Gordon completed 14 of 26 passes for 133 yards.

'1964" All-Star Game - 40 Years Ago

While Ohio compiled a definite statistical edge, it took a break to put the Buckeyes in the scoring column and gave them a 10-0 verdict over underdog West Virginia on Saturday night in the valley all-star game, played before some 8,000 fans at Wheeling Stadium.

After Ohio coach Dan McGrew's squad had driven within two yards of paydirt, in the fourth quarter before relinquishing the ball on downs, West Virginia attempted to kick out of danger but a high pass from center sailed away over the head of punter Tom Connell of Warwood, and bounced out of the end zone for an automatic safety. The score came with only 3:49 left in the counter.

The safety was all that kept the game from ending up as the first in the history of an interstate scuffle, originated back in 1940. It also enabled Ohio to claim its first victory in the series since 1960 and thus to win in a 12-9 edge in the series.

Saturday night's affair may not rank as one of the artistic triumphs in the all-star games but the customers saw two well-conditioned teams give it a hard try as they traded tackles, blocks and mistakes under the Island lights.

Ohio lined up 14 first downs to nine for West Virginia. The Buckeyes gained 100 yards rushing and 116 passing for a net of 216, compared to 49 rushing and 49 passing for WV Coach George Strager's charges, whose total offensive net was thus 98 yards.

The winners completed 14 of 26 passes while West Virginia made good on only 5 and had 3 intercepted. But, as McGrew said after the game, "We just couldn't punch over." Ohio missed a touchdown in the first half by three yards and in the second only two while WV's deepest penetration was to the Buckeye 23 early in the game.

Most Valuable Player awards went to Doug DuBois, Union Local halfback who was a mainstay of the Ohio team on both offense and defense, and Wheeling Central's Jay Duffy, two-way standout for the Mountaineers.

DuBois caught four passes for 48 yards and his two interceptions paved the way for Ohio's two most serious TD bids. He also gained 39 yards in six carries and joined a dandy pair of safeties, Brilliant's Frank Popp and Mt. Pleasant's Jim Thompson, to do some rock 'em, sock 'em work in the Buckeye secondary.

McGrew also got fine linebacking from Shadyside's John Livorno and Bellaire's Wayne Peters but the youngster who almost stole the show was a fiery middle guard from Powhatan, John Yarbrough, who was all over the field defensively.

Early in the game a halfback pass by Duffy to Central teammate Denny Deegan was good for 23 yards to the Ohio 23 but the half-pint QB from Warwood, Vince DiBias, was collared for a 15-yard loss by Adena's Jack Bernosky, another Buck defensive standout, and WV eventually relinquished the oval on downs at the 29.

On the running of DuBois and Steubenville's Rick Terry, and a 19-yard gain on a pass from Shadyside's Ed Roman to Powhatan's Andy Wiley, Ohio then marched to the WV 35 before Strager's kids stiffened to take the ball away. The Mountaineers came right back to penetrate to the Buck 36 in the second period and then Connell punted to Terry, who caught the ball at the sidelines and stepped out of bounds at the seven.

The Bucks were back in the hole but Roman got them out of it with a prodigious punt. Getting a bad pass from center and kicking under severe pressure, the Shadyside star boomed a boot that traveled 51 yards from scrimmage to be downed at the WV 35.

Late in the half, Ohio got going, as Roman passed to East Liverpool's Bob Bowyer, for 12 yards, to Wiley for 12 more, and to Ferry's Paul Briggs for 11 but again, with its goal line threatened, WV

proved to be made of stern stuff. Mountaineers took over at their own 11 on fourth down pass by Roman was incomplete in the end zone.

Central fullback Jerry Cappi picked up 12 yards but a pass by DuBois was intercepted by DuBois at the 30. He turned to the WV 22 with only 2:15 left in the half. Terry, on a quickie nine. An offside penalty against WV nullified it first and goal to go on the four seconds remaining.

Two passes by Roman were incomplete. Duffy made a nifty save on the end, and then Barnesville's George came in at quarterback and ran to the half ended, Linsly's Rick making the stop for WV.

Neither side threatened in the quarter but in the final canto West reeled off two first downs and attempted the move, only to be thwarted when intercepted to give Ohio possession on 36.

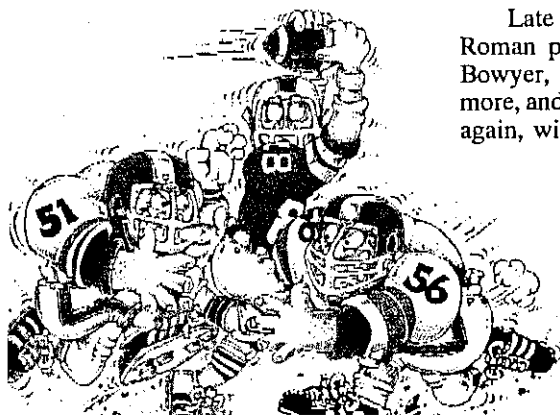

Merrill came in at quarterback for the Bucks got moving, a personal foul against WV taking the ball into Mountaineer territory and Merrill throwing a 15-yard gain that planted the ball on the 25. Merrill hit DuBois with a type pass for a gain to the 11 and stands whooped it up.

However, Duffy dumped Terry for a two-yard loss and a pass went into the hands of Merrill's flat pass to Terry lost to the Steuber back slipped. On fourth down Merrill surprised by running the ball the gut and almost got away for a yard but halted at the two.

WV took over, netted three tries and then sent Connell to the end zone on a punt. When the pass from center over his head and out of the end zone had its victory margin.

In the late seconds, Ohio got the ball at the WV 26 on Yarbrough's interception of a Deegan pass after Ferry's Ed hit Deegan's arm.

Big Mike Goudy of Martins Ferry had a ten-yard pickup, which gave the Buckeyes a first down at the Mountaineers' 24. Goudy picked up three and Moscato two on a rollout, but Moscato's third down pass was picked off by Gompers at the WV 12. He eluded several tacklers and headed for the side- lines. Several Ohio defenders appeared to have him stopped near midfield, but he shook loose, cut to the middle of the field and shot for paydirt. Linebacker Larry Kettlewell broke through to block the extra point placement by Warwood's Bill McKenzie, but the Mountaineer's owned a 6-0 lead with 3:21 left in the initial frame.

Reno DeCarlantonio, the "Italian Stallion" from Steubenville Central, returned the ensuing kickoff from his 10 to the 42 and the Buckeyes initiated Steve Magyar of Shadyside garnered 13 on successive runs. With third and five at the Mountaineer 35, Dave Ault of Woodsfield, who took over the quarterback duties for Ohio, teamed with Redskin teammate Loveday for a 33-yard pass gain to the WV 2. Loveday went up between two Mountaineer defenders to snag the pass in what had to be the play of the game. On second down, Cesta cracked over from the two for the touchdown, but kicker Paul Marchese of Bellaire saw his placement try for the go-ahead point go low and left the count at 6-6 with 7:09 left in the half.

West Virginia, coached by Cameron's Jim Yoho, retaliated with a game-winning score in a hurry. Wilt and Magnolia teammate Harold Wetzel teamed up for a pass gains of five and 11 yards and Cameron's Jim Carey got loose for 11 yards on a quick-opener. Greg Ketchum of Wellsville and Vernon Fabry of Bellaire teamed up to spill Wilt for an 11-yard loss, but the 6 ft. 2, 195 quarterback, who's going to Marshall connected with the flashy Jeter on a fly pattern. Jeter took the ball near the Ohio 25 and there was no catching him as he sped to the end zone all alone. The play covered 66 yards and McKenzie booted a

1984" All-Star Game – 20 Years Ago

While Ohio's defensive unit held on the fort for three frames, its talented offensive unit caught fire in the fifth frame to seal a 22-6 win over West Virginia in the 13th annual OVAC Interscholastic All-Star game at Wheeling Stadium Saturday night.

Under the guidance of Barnesville coach Bill Dowler and before one of the smallest crowds in the game's history, the Buckeyes boosted their record over West Virginia to 7-6 since the inception of the summer classic in 1962 and an overall series lead of 21-

Dowler, who had the fortune of coaching two of the most explosive quarterbacks in the area last season to lead his squad, noted he was surprised the West Virginians controlled the ball as much as they did in the first half. "I thought for sure we would be the ones to take charge. But they caught us flat-footed in the quarter with their passes. It took us a while before we turned things around."

Dowler expressed his pleasure in coaching his quarterbacking tandem of Clairsville's Joe Vincent and Mingo's Greg Karas, "I wouldn't be afraid to go into any whole game with either of these guys."

The Ohioans were shocked in the opening minutes of the contest as Vincent's 25-yard opening kickoff returned into a fumble that was covered by Linsly's Pat Burke at the Ohio 10 and later turned into West Virginia's first touchdown.

Linsly's Brad Wilson opened the Mountaineer drive with a four-yard pass to Wheeling Park's Tom O'Connell. Linsly's Jeff Crowell and Wheeling Central's Keith Yoho added runs of one and four yards to set up Wilson's yard scoring pass to Sistersville's Jeff Evans over the middle with just under three minutes gone in the first frame. Weir's Monte Summers place-

ment for the extra point went wide.

The hosts stymied the ensuing Ohio drive and behind Wilson's passes to O'Connell and Yoho and the running of Crowell drove from their 22 to the Ohio 34 before giving way to the tough Ohio defense.

Again in the second frame, West Virginia put together a serious drive moving the ball from its 23 to the Ohio 46 on a solid running attack, but was forced to punt and promptly put Ohio deep in its territory at the 18.

Jefferson Union's Bob Robinson and Cadiz's L. B. Brooks carried the Ohioans to the 27, Karas added three to the 30 before teaming up with Buckeye North's outstanding pass-catching end, Gary Tipton, on a sparkling 36-yard completion at the Mountaineer 34. Tipton fought off two defenders to make the catch.

Brooks carried twice for 14 yards and Karas threw 14 yards to Robinson to set up Robinson's sweep around left end for the first Ohio score at the 1:42 mark of the second quarter. Karas booted the placement.

Ohio put together a grinding running attack in the second half as Buckeye South's powerful fullback, Jay Koprak, broke loose on some big third frame carries to ignite the Buckeye offense.

In the final frame, Ohio's defensive unit that had carried the Buckeyes throughout the contest came up with the big play as Steubenville's Mike Mayo picked off a pass thrown by Sistersville's Matt Archer at the WV 23 and rambled untouched to paydirt. At the 5:22 mark in the final quarter, Karas booted another extra point.

Moments later, Buckeye Trail's Dan Starr intercepted another West Virginia pass at the midfield stripe and the Ohioans put together their final scoring drive. The running of Brooks, Koprak and Robinson pushed the Buckeyes to the

end zone for the score with just 1:10 in the contest. Brooks swept right for the two-pointer.

Ohio held a 234-159 edge in total yardage. The winners rushed for 150 yards and added 50 yards through the air while the losers garnered just 70 rushing yards and added 86 passing

yards. Ohio passers completed just seven passes, but the West Virginia team with three different passers put the ball in the air connected on 11.

The winners held a 13-10 first down edge, were penalized twice for 15 yards, ran 52 plays and lost one fumble. Tipton punted for four for a 37-yard average.

West Virginia was set back by two infractions, fumbled just once and ran 57 plays. Bishop Don Troy Balgo punted twice for a 37-yard average.

Koprak was the game's top rusher with 53 yards on 11 carries while Brooks finished with 51 yards on just seven rushes. Crowell passed to Mountaineers rushers with 31 yards on 10 chances.

Defensively, Barnesville's Steve Sawvel, St. Clairsville's C. J. Gross and Wintersville's Cecil Fletcher were standouts. Fletcher, a big defensive end and Gross and Sawvel, a pair of hitting linebackers, recorded numerous tackles as well as disrupting the West Virginia passing attack in the second half.

The Buckeyes went to the air on their first play with Steubenville Central's Mike Orlando connecting on a 34-yard aerial to Bellaire's Scott Coyne from their 20 to the Mountaineer 46. Two QB sacks by West Virginia and an Ohio penalty pushed Ohio back to their 36 and Roby's 17-yard gainer only set the stage for the Buckeye's first punt.

Ohio's punt by Ryan Bodo of Indian Creek resulted in a West Virginia fumble that was covered by Union Local's Justin Abel for the Buckeyes at the hosts 18. Orlando connected for eight yards to Martins Ferry's Chad Martin and Roby then went off right tackle for the first ten yards to give the Ohio stars a 6-0 lead at 1:59 of the first quarter. Josh Eell's PAT try was wide.

A bad snap on the field goal attempt by West Virginia and back-to-back QB snaps totaling 18 yards by Ohio's Ben Knapp of Cambridge and Rich Thell of St. Clairsville provided the punch for the second Buckeye score.

Taking over on its 36 at the 3:33 mark of the second frame, Ohio opened with a 19-yard gainer by Roby and added five on an Orlando to Martin pass. Orlando added another yard before Scott Coyne took a handoff from Bodo and on a fake punt and picked up five yards for a key first down. Roby ran for five yards, Orlando passed to Martin for nine and threw to Edison's Kevin Koontz for 19.

With just 58 seconds left in the first half, Roby drove over the goal line for his second score. Martin added the two-point conversion on an end-around to stretch the Ohio lead to 14-0.

In the second half, West Virginia struck quickly, with the help of Jason Marling's fumble recovery at the Ohio 35 on the opening kickoff. Miller picked up a yard to the 34, but an Ohio pass interference penalty moved the West Virginians to the 10. Two carries by Miller added 11 yards and one by John Marshall's Larry Bunting added one.

Steubenville's Bobby Lamantia sacked West Virginia's Jeff Hunt, but Hunt came right back with a 10-yard

pass to Oak Glen's Charlie Licata five. Miller swept the right side scored his first of three six-point the 7:48 mark. Bunting booted the

From the Ohio 24, Orlando p: to Martin at the 34, but the Buc receiver coughed up the ball at tl and West Virginia's Robert Brov Valley grabbed the loose ball.

Miller went to the middle for yard, Wheeling Central's Bill passed to Licata for nine yards to t and the elusive Miller then broke thr a huge hole on the left side and ran to the end zone for his second sco muffed PAT attempt left the Ohic at 14-13 with 8:05 on the board.

A series of critical miscues na two personal foul infractions by Ohioans, allowed the West Virgi an opportunity to score the eve game winner.

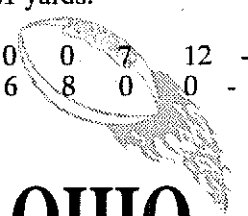

With 6:43 on the board, the M taineers took possession on the Oh and went to Miller. His running : costly 15-yard penalty by Ohio pu the ball to the three. Miller blasted the middle for the score with 3:08 c clock. With a 19-14 lead, West Vir was unable to add the PAT.

Ohio's last ditch effort in the minutes was thwarted by a West ginia pass interception by Paden t Jeff Starcher.

Ohio finished with 78 yards c ground while adding 161 in the air of 22 passes clicked. The Buc managed just seven first downs losing all three fumbles and giving to six penalties totaling 60 yards. led the Buckeye rushes with 56 yar seven carries.

~ A Tribute to George Strager ~

(A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2003)

With another high school football season set to get underway, I thought this might be a good time to look back on the career of the late George Strager.

Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own time with a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody was satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record was 146 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced but because of the love and dedication that he gave the couple of thousand kids he coached affected most of their lives in a positive way.

George was hard to play for and tough as nails on the field. His pre-game and halftime talks were delivered with fire, especially when he didn't think his team was performing up to his expectations. But he was hilariously funny at times around the sidelines and with the players.

His younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity from this coaching giant.

Last past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer, and Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

I spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coach at Wheeling High and he handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red Devil when he was named head coach. It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibilities and the confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at Central.

"George was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realized what a great family man he was. He and his wife had four kids and two of them were still in junior high when Lounelle passed away in 1963. He did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well," Young added. "One of the reasons why I liked Strager was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the offensive game. He liked to talk about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were very fortunate to have had many quality athletes at St. Clairsville," Young also said.

One of the most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the NFL and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came at a time when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had some great teams but we never got a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never made it into the playoffs.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were one step away from the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out that Strager is probably the only person to have coached three different Ohio Valley teams to unbeaten seasons. His 1953 Sistersville Tigers did win the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic at Parkersburg in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 10-0 in 1970 and 11-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered George as 'Coach' because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and you'll hear something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams were always well prepared and covered. They never seemed out of a game because of his offense's ability to strike from any place on the field. "Some people are afraid of Strager's offense. It's a certain job. George was born to be a high school football coach. And he was one of the best," Huff added.

Strager certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks and could have made a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and molding them into something special.

At Kettlewell, the late successful coach at Wintersville (now Indian Creek High School) regarded Strager as being as good a quarterback as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. If George had someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

Strager's relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic he was a young writer and both Strager and the late Bob Roe, then the head coach at Wheeling High School, took me under their wing. Strager was never known for paying much attention to the defensive side of the football, although I'm sure that was exaggerated.

I recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opener at Parkersburg High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach and Duke over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with the offense that I can't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

Whether the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville came out to beat the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of the today's athletes will continue to be noticed. Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Players coming to the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening with the

GEORGE STRAGER

George may be gone from our midst physically, but he will always remain in the thoughts of coaches, players and writers whose names are associated with his name.

Robert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy Mumley All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for all. The game, he says, is in his blood. And no antibiotic, no pill or shot can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself... it doesn't matter what aspect it is."

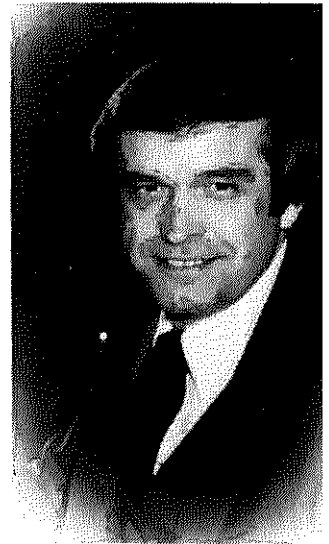

Football found its way into the heart of Dr. Jones in the mid-1960s, when he played for the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive line -- "Back in the day you had to do it all," he said. -- and remembers cross-state clashes with Charleston. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Stadium will always remain indelibly etched in Jones' heart and mind. "I remember my first game... we played Charleston," Jones said. "It was the only time I've ever seen the stadium completely packed. We had a little bit of a rivalry with them." And he still gets the chills up his spine every time he visits the stadium, which was remodeled in the 1980s. "It's still the same place," Jones said. "Even if it is a different stadium. It's still a great place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. Curly, a general surgeon who also performs thoracic and vascular work at Wheeling Hospital, says he learned self-discipline -- a necessary component in any surgeon's mental makeup playing football all his life. "The discipline of football pushed me to be a surgeon and in the medical field," Jones said.

Jones has been involved with the OVAC Football Classic for the past 15 years, getting his first taste of the game when Ohio State -- Luis Vazquez -- invited him to the 1984 game.

Many of the games that he's seen and worked were good. But one -- the 1987 classic -- stands out as great; because it featured two great teams who played in the contest. Ohio -- featuring St. Clairsville's duo of Shawn Vincent and John Spencer -- defeated the West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Stadium. "That was the best year, as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children -- Patricia and Pamela, both 31, and Robert, 7.

☆☆☆ OVAC DOCTORS ☆☆☆

After studying pre-med at Ripon College in the state of Wisconsin, Luis Vazquez decided the Ohio Valley would be a great place to live and raise a family.

A native of Caguas, Puerto Rico, Vazquez later studied and obtained a doctorate at the University of Seville in Spain.

When it came time to apply for an internship in the States, I hoped to return to Wisconsin, or somewhere close to that region of the country," he recalls.

Luckily for the Ohio Valley, an opening became available at old Wheeling Hospital in Wheeling. Vazquez accepted, and the rest -- as they say -- is history.

It is hard to believe what a history for one of the area's most respected and successful physicians.

Dr. Vazquez has been on the Ohio sideline, donating his services each and every year to the Rudy Mumley OVAC All-Star Game since its inception.

"I can't think of a finer organization to be involved with," he said from his St. Clairsville-based office where he first established practice in 1961.

A long-time sports enthusiast, Vazquez has served in a similar capacity 32 years at St. Clairsville High. He's also aided the prep grid programs at Bridgeport and Martins Ferry.

It is fortunate that my four sons were involved in football. That helped me stay close to the game," he noted. "Today, I enjoy it today as much as I ever have."

Throughout the years, Dr. Vazquez has served on numerous committees, including Ohio's prestigious Sports Medicine Advisory Board where he worked alongside the legendary Woody Hayes, longtime Buckeyes' head football coach.

Currently, Vazquez is Chairman of the OVAC Foundation Committee.

Dr. Vazquez has been married 41 years to the former Bonnie Watkins, a Wheeling native. They are the parents of six children, all with their own college degrees.

On Louie played quarterback under the late George Strager at St. Clairsville High. Last fall, Lou was on the staff at state prep school Fisher Catholic High in Lancaster where he earned a district honor as defensive coach. He played collegiately at the University of Akron.

Mark Vazquez, a graduate of the Coast Guard Academy, is currently a Commander and is based in Clearwater, Fla. Roger Vazquez also played quarterback for Strager and was the Red Devils' field general during the 1979 season that featured a running back Tim Spencer.

Mike Vazquez holds a masters degree in Political Science from the University of Akron and is working on a doctorate. Mikhael Vazquez played football at St. C. High.

Dr. Vazquez' have two daughters -- Lori and Becky. Both own masters degrees and are teachers in the Franklin County

Nick Ghaphery has worked tirelessly to make sure that all athletes in the Ohio Valley Conference enjoy the finest sports medical services around.

When he first became involved with the OVAC four years ago, Ghaphery – the league's co-director along with Dr. Luis Vasquez – has worked to ensure that athletes are healthy and safe when it comes to health issues.

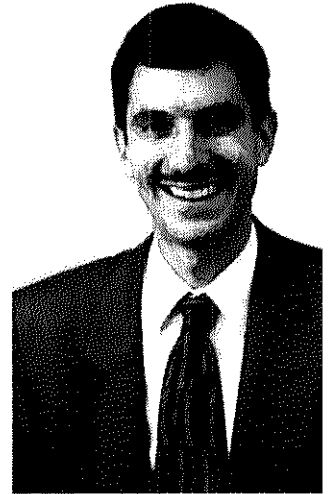

"We're trying to bring sports medicine more into focus," Ghaphery said. "We are trying to increase coverage for events that occur in the OVAC, and we're trying to address educational issues for athletes in the OVAC."

One hot-button issue with Ghaphery is the use of performance-enhancing substances, both legal ones like creatine and illegal steroids. And Ghaphery said he and the league are making sure athletes are warned about the dangers of steroid use.

Spreading the facts out is Ghaphery's mission, and he feels he and the league are succeeding in providing accurate information to coaches.

"There's a lot of perception versus reality out there, and education is the key. Our goal is to provide the information so that athletes can make informed decisions, and we are pleased with the progress that we have accomplished."

Ghaphery graduated from West Virginia University in 1984 with a bachelor's degree in liberal arts and then earned a degree from the West Virginia School of Osteopathic Medicine in Lewisburg

After spending a year completing his internship at Ohio Valley Medical Center, Ghaphery completed his family practice residency at WVU in 1991.

From there, he worked at Children's Hospital in Akron, Ohio, as a primary care sports medicine fellow until 1993. Ghaphery then spent four years, from 1993-1996, in the sports medicine program at the University of Pittsburgh.

In 1996, Ghaphery came to Wheeling and since then has been sports medicine director at Wheeling Hospital and a faculty member for family practice and residency.

Ghaphery lives in Wheeling with his wife and two children.

There's a lot more to playing an all-star football than X's and O's. For proof, just ask Todd Simpson, who will coordinate all the medical services for tonight's Rudy Mumley OVAC All-Star Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said.

Among Fullerton's i's and t's are:

• Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

• Making sure that the teams have plenty of supplies, from medical tape to ice packs.

• Making sure coaches if players injured during the game are healthy enough to return to action.

• Making sure whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

• Making sure from a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said.

"Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC for the past 15 years and he's been working in sports medicine for the past 30 years.

Fullerton's athletic training career started in the late 1960s when, as a student-athlete at Martinsburg High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer.

And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took Fullerton to sporting events, which fueled his desire to remain involved in sports.

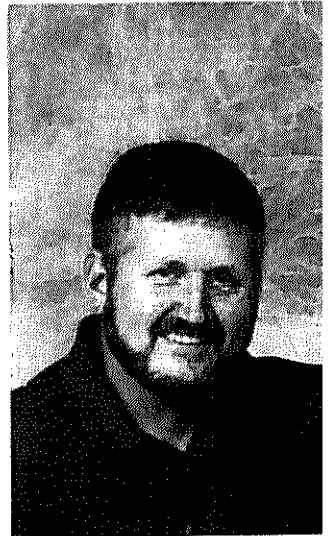

Fullerton holds a Bachelor's degree in physical education from The Ohio State University and a Master's degree in exercise science from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

• At Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and the Rose Bowl.

• Fullerton worked the summers of 1972 and 1973 in Bradenton, Fla. with the Pittsburgh Pirates organization.

• As a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, working with such tennis luminaries as Jimmy Connors and Bjorn Borg.

"There's nothing quite as special as the OVAC. That's why he returned to the Ohio Valley in 1985. Currently, Fullerton works as a registered nurse in the emergency room at Wheeling Hospital. "People like (Van Horne, Simpson and the late Simpson) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, group spirit...sometimes the kids don't realize what they have until they are out of it." Fullerton lives in Wheeling with his wife, Susan.

TRAINER - HERB MINCH

Herb Minch, Jr. has served as an OVAC football trainer for 14 years. He was a student at West Liberty State College when he was approached in the winter of 1987 and asked if he would like to work the OVAC All-Star Game and he has been at it ever since.

"It gives me great pleasure to work with a first class organization as the OVAC, this particular event and the many fine people who coordinate all their efforts. More importantly, the citizens of the Ohio Valley must be applauded for their support and continuing to raise outstanding citizens."

Herb has served as the athletic trainer for 18 WVIAC championship teams. He is currently serving as President of the West Virginia Athletic Trainers Association and has served as the WVIAC chairperson for athletic trainers.

Currently living in West Liberty with wife, Theresa, Herb is employed at West Liberty State College, where he has been since 1994, and is their Head Athletic Trainer and Head Softball Coach. He is also active in the West Liberty Volunteer Fire Department.

Herb is the son of Herb and Carol Minch of Wheeling. He graduated from Wheeling Park School in 1985 and West Liberty State College in 1989 with a degree in Health and Physical Education. He earned a Masters Degree from West Virginia University in 1990 and added EMT and paramedic certifications in 1998 to his resume.

TRAINER - RANDY ELLIOTT

Randy Elliott has served as a Rudy Mumley OVAC All-Star Classic trainer for 9 years. He started as a student trainer at West Liberty and Mr. James Watson was instrumental in getting him started.

"I appreciate the opportunity to work with the OVAC and the people of the Ohio Valley – the best place on earth! I really enjoyed getting to know Rudy and Sam Mumley, Dan McGrew, Ron Mauck and so many more to mention."

Randy has served as a trainer for twelve state championship teams, including six in a row in wrestling at Oak Glen, as well as over 100 individual state champions at Oak Glen and Weir High and an OVAC wrestling title which had long been a goal.

Randy is single and lives in New Cumberland, West Virginia. The son of Mary Lou and Edward Krzeczowski, Randy has two brothers, Ron and Dean. He is employed in the Hancock County school system and has been a Social Studies teacher at Oak Glen High School for the past seven years, and taught at Weir High for 4 years before that. He is currently raising five birds.

Terry was selected as the OVAC Track Coach of the Year. He also served as Athletic Director at St. Clairsville High School. He was an Assistant Coach in the 1991 Rudy Mumley OVAC All-Star Football Charity Classic.

Terry graduated from Bellaire High School in 1962, where he participated in track, basketball and football. He attended West Virginia University on a track scholarship and was the Southern Conference Champion in the pole vault. He earned both his Bachelor and Masters degrees from WVU.

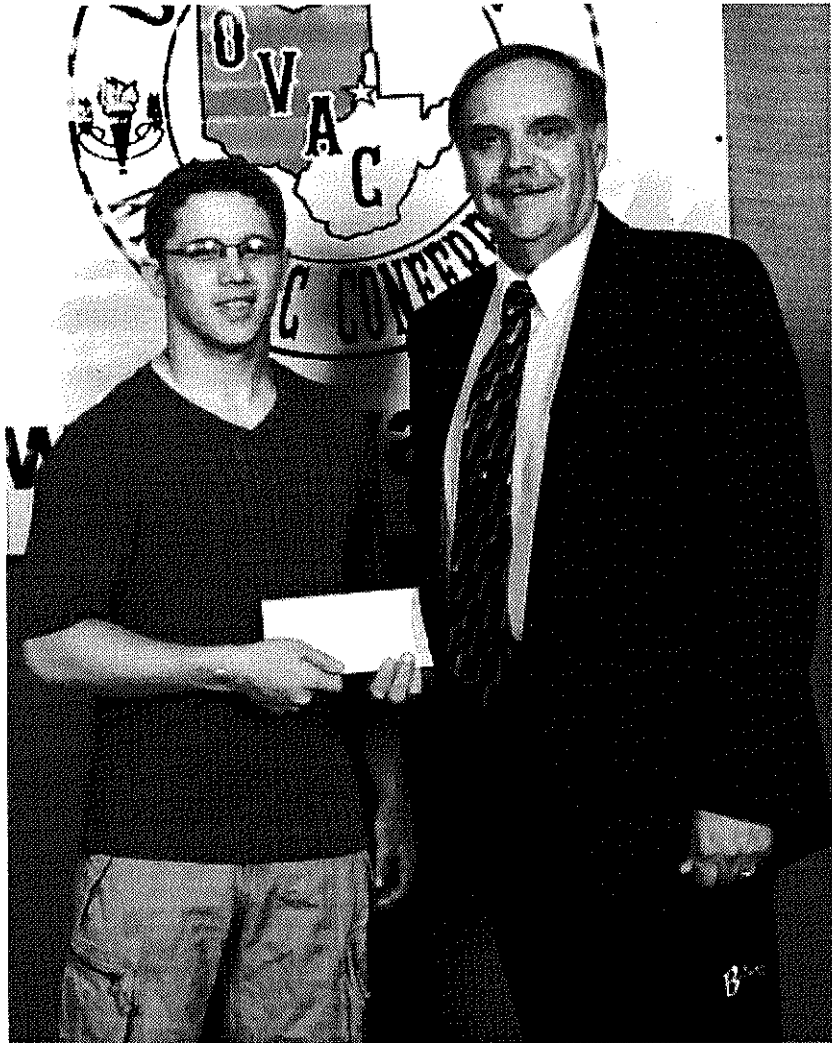

Terry passed away in 2001 and his family decided to perpetuate his memory by honoring players in the Rudy Mumley OVAC All-Star Football Charity Classic.

★★★ HONORARY OFFICIALS ★★★

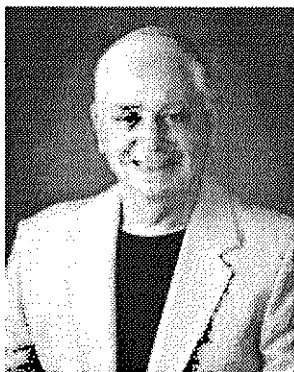

One of the great things about athletics is the people you meet and become associated with from all walks of life. Coaches and players provide many memorable and unforgettable moments for the fans and, yes, even the journalists who cover their exploits on the various fields of battle.

Sometimes forgotten, however, are the men and women in striped shirts who officiate each and every contest unbiasedly, their main objective being to enforce the rules both to protect the safety of the participants and to see that the games are decided in a fair and square manner.

Three men who proudly wore a whistle around their neck have been provided a rare moment in the spotlight tonight during the festivities for the 33rd annual Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic. Jack Schuetz of Wheeling, Art Olson of Bridgeport, and Tom Costello of Weirton will be inducted as honorary referees for this evening's game.

★ JACK SHUETZ ★

JACK SHUETZ officiated football for 14 years and basketball for five years. Interestingly, Jack played in the OVAC All-Star game 50 years ago. "It's a privilege to play in this game. It's something you never forget. Chuck Howley was on the team, and I was fortunate enough to be the only offensive touchback in WV." (West Virginia was the victor and a game capsule is included in this program).

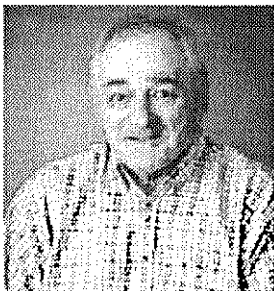

Jack has worked play-off games in West Virginia as well as toiling up and down the valley for the OVAC. "I'll never forget the camaraderie of the officiating staff - Pecky Pell, Plennie Clutter, Jack Prettyman, Wilson Murray, Art Olson - oh, there's so many."

Jack lives in Wheeling with his wife, Sandy. Together they have six children: Mike, Mark, Laurie, Lisa, Lynn and Jennifer, now they have twelve grandchildren.

Jack graduated from Warwood High School and West Liberty State College. He is a member of West Liberty's Hall of Fame for his baseball and football exploits. Now retired, he worked for Farm Insurance for 30 years but is now very active with two League baseball teams and grade school basketball games.

★ TOM COSTELLO ★

TOM COSTELLO of Weirton, WV, officiated football for thirty-three years and enjoyed the experience. "The best part of the game is the fact that you have to be a loser. But I worked with some good guys. Chester Grossi and Tom Ferrari were great friends. Tom never had any major problems. I remember one Steubenville-Massillon game that we

you could hardly move. The mud was so deep, there was no way to get up but we couldn't find the ball. It took us about five minutes hunting and digging before we found the ball. I was able enough to work a Steubenville-Massillon game. I got to work the Virginia State Championship games at all levels, actually the AAA and A games, twice."

Tom graduated from Weir High in 1942 and went to service upon graduation. When he got out, he went to Weirton Steel, from where he retired after 44 years of service. His wife Gertrude is now deceased, but they raised three children: Craig, Bruce and Kathleen who have provided Tom with grandchildren and eight great-grandchildren to enjoy.

★ ART OLSON ★

ART OLSON officiated football for 23 years. Very active in the Ohio Valley Board of Officials, he served as president, vice-president, Chairman of the Training Committee as well as the Executive Committee.

He is an honorary lifetime member of the Ohio Valley Board. He officiated games in Ohio, West Virginia and college games in the WVIAC. He officiated over 300 varsity games, 20 play-off games in West Virginia, including state championship games in all three classes. He officiated this All-Star game on two occasions. "I am proud to have worked games for every school in the OVAC."

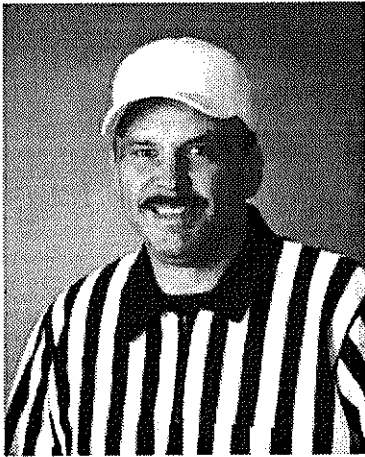

Now living in Bridgeport, Ohio, Art has been married to Glenda (Oberle) for forty-seven years. They raised three children: Terri and Steve Tomolonis; Ron and Julie Olson; and B. J. Olson and are now enjoying the company of five grandchildren: Brianne Tomolonis; Matthew, Andrew, Marie and B. J. Olson.

Art graduated from McKinley High School in Wheeling and worked as a printer for the Wheeling News-Register and Steubenville Herald for twenty years, before working for Lumber in Lansing for fifteen years.

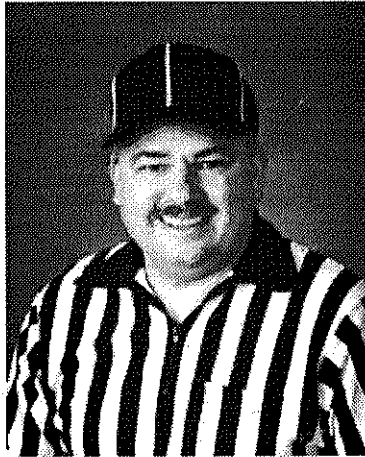

"Plennie Clutter, Evan Reese and Wilson Murray were influences in my officiating career. I started with Tom Hill, Ophir Vellenowith, Jimmy Kelly and Jimmy Caldwell. I was lucky enough to work over 100 college and high school games with Jack Prettyman, a real classy guy."

"Of all the games I worked, one of the ones I remember best was the first one. Back then, we used three referees. Walter Howell was the football commissioner and assigned me and two other rookies for Yorkville playing at Hopedale. It lasted three hours. Everything that could happen in a game happened that night. Don Zinni was the coach of Yorkville. He told me it was this game that made him go into officiating! My daughter was a cheerleader for Yorkville. When she got home, Walter asked how was the officiating. His daughter told me officials were dressed neat and they threw a lot of flags. I said, that's all I need to know." (Walter's daughter is M. Zitzelsberger, who coached the WV Cheerleaders last

LINE JUDGE BILL WALTER has been officiating for thirty years which time he has officiated in the WVIAC, Ohio and many Virginia play-off games, including four West Virginia Championship games.

He also coached the Wheeling Post 1 American Legion Baseball team for 17 years. Bill currently lives in Martins Ferry, Ohio with his wife, Sue. Their family includes Heather Artman, Danielle Wes and Jeanette as well as two grandchildren Roger and George. He graduated from Triadelphia High School and Shepherd College and worked for Cameron Coca-Cola for thirty years. He is now employed as a Sales Representative for Alco Manufacturing.

LINE JUDGE TONY PIETRO has been officiating for 23 years. Tony has worked many West Virginia play-off games including a 1998 West Virginia Championship game. He worked the OVAC All-Star game.

He currently lives in Follansbee, WV with his wife of 32 years, Elaine. They have two children Brian and Brianna. Tony graduated from Mingo High and Jefferson Community College. He has worked at Wheeling-Pittsburgh Steel for forty years.

LINESMAN BOB CRAIG has been officiating for 17 years including the OVAC All-Star game twice before as well as Ohio State games. Bob has also officiated girls softball for five years. He lives in Bethlehem, WV with wife Robin and their three children: Amanda, Alison and Adam. He graduated from Bridgeport High School and attended Bethany College for two years.

He is a Reserve for 24 years. Bob is employed by Ikon Office Solutions in Pittsburgh, but was called up to active military duty two weeks after 9-11 (in 2001). He has served continuously since as a Marine at the Norfolk Naval Yards. He boards, searches and brings foreign ships into port.

LINE JUDGE MARK BEEBE has been officiating for 19 years. A graduate of Wintersville High School, Mark lives in Irondale, Ohio and works for the Ohio Department of Transportation. Mark and his wife, Mary Beth have two daughters, Brandi and Megan. He enjoys hunting, golfing and camping when he is not officiating.

BACK JUDGE TOM CONSTANTINI has been officiating for 19 years, this is his third OVAC All-Star game. Tom graduated from Steubenville High School, served six years in the Marine Corps and currently lives in Wintersville and works for U.S. Can In Wheeling. He and his wife, Kim have two children, Alaina and Alec.

SIDE JUDGE JERRY JAMES has been officiating for 18 years. He has worked numerous West Virginia play-off games, the most recent being the 2003 WV State Championship AAA game. He is currently serving as Vice-President of the Ohio Valley Football Officials and has been on the Executive Board and served as president. Jerry also officiates baseball and softball.

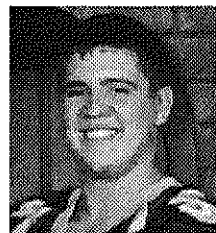

Jerry lives in Warwood with his wife, Janet. They have three children, Jerry, Jr. and Jessica and one grandson, Jordan. He graduated from Wheeling High School and is currently employed by the Ohio County Board of Education and AT & T Wireless.

By BETH STASKEY
Times Leader Sports Writer

The Ohio Valley Athletic Conference Rudy Mumley All-Star Football Classic is an honor for the players selected to play the game.

It's also an honor for the coaching staff selected to work the annual summer game. The game is slated for July 25th at Wheeling Island Stadium.

For West Virginia head coach and retired Consolidated coach John Stender, it's the first time he's had the honor bestowed upon him.

"Having the opportunity to coach in this is always an honor," Stender said. "We've picked some great kids both as players and coaches, so we are looking forward to the game."

Stender will take his staff at Tyler with him to the OVAC game. Included in that are newly appointed Tyler head coach Rob Caldwell, Bob Jones, Chris Wisvari and Ryan Walton.

"We definitely have some familiarity," Stender said. "This is Rob and Robert's third year. Ryan Walton played in the game, so I think it's definitely looking forward to it again, but it's a new challenge for everyone."

At the same time they have a lot of work to do to get ready for their upcoming regular season. Stender - who usually handled the defense at Tyler - will handle the offensive unit along with Jones and Wisvari. Caldwell and Walton will handle the defensive unit. "I am looking forward to the chance to work with the offense," Stender said. "It's actually a wholesale switch, but this change gives (Caldwell and Walton) a chance to work with the defense before the regular season begins."

Here is a capsule look at the West Virginia coaching staff:

JOHN STENDER - This veteran of football sidelines has decided to call it quits after 32 years of coaching football. Those years were spent as a head coach. The Paden City High graduate owns a career record of 180-105. His resume includes a state championship at the former Tyler County High School and a runner-up finish in 1986. All told, his teams have made 11 appearances and had two undefeated regular seasons in 1987 and 1988.

Stender has previously served as the head boys track coach and an assistant girls basketball coach. He is currently an assistant on the girls' track staff. John, who earned his Bachelor's Degree from West Liberty State College - owns a Master's degree in West Virginia. John and his wife, Diana, who have been married for 27 years, have three children: Mario (21), AnaRosa (16) and Lee (16).

B CALDWELL - This West Virginia assistant has been around the game of football for several years, including the previous two years as an assistant and the last 10 on Stender's staff. Caldwell has worked on coaching staffs at Tyler County High Schools, Sistersville and River High School before settling at Tyler Consolidated. This River High graduate coached in the OVAC All-Star Game in 1987 and 1988. He has also been on a coaching staff at the BACF All-Star Game in 2002. Caldwell who earned his Bachelor's degree from West Liberty State College, currently serves as boys' track coach. He has also worked on the basketball staff. Caldwell has a wife, Lori, and two children: Candace (3) and Camryn (five months).

BERT JONES, JR. - This long-time Stender assistant will also be making his third appearance in the OVAC game as he has been on the Stender staff for the past 21 years, including the previous 11 at Tyler Consolidated. He served on the coaching staff, which won the state title. He was on the Sistersville staff for four seasons before moving to Tyler county. Jones coaches basketball in the Tyler Consolidated system. Jones is a 1973 Brooke High graduate. He went on to earn his Bachelor's degree in 1977 and his Master's from WVU in 1987. Robert and his wife, Deanna, have three children: Julie (22), Robby (19) and Ian (19).

RYAN WALTON - This Silver Knight assistant played under Stender and has since returned to serve on his coaching staff. Walton is currently coaching at Tyler Consolidated for the past four years and has been in the football coaching ranks for the previous three years. He currently handles the junior high program for the Silver Knights. Walton earned his Bachelor's degree from Glensville State and a Master's from WVU. Ryan and his wife, Melinda, have a daughter JoLee.

CHRIS WISVARI - This former River High athlete completed his first season on the Stender staff. Before coming to Tyler he coached on the River High staff for two seasons. He also coached freshman hoops for the Pilots. Wisvari earned his Bachelor's degree from Washington and Jefferson where he played football. He graduated from the Wheeling Jesuit physical therapy department.

Best of Luck to the Ohio 004 OVAC All★Star Coaches

Head Coach - Dan Wesson and his staff

Tom Perkins, Rob Pachuta, Justin Denius and Trainer Herb Minch

PHIL STASKEY
Lead Sports Writer

Wesson has definitely seen his fair share of Dudley All-Star Football Classics over the course of his 26-year coaching career. During this time, Wesson won't have to sit in the crowd, rather, seeing he and the majority of his staff from Shenandoah will guide the Buckeye All-Stars for the July 25th game at Wheeling Island Stadium.

Wesson is really excited about this opportunity," Wesson said. "I have had the chance to work with a lot of different all-star games, but this one is definitely the best." Wesson earned the bid to the All-Star game after guiding his Zeps to a perfect 10-0 season, including the OVAC AA title. The Zeps went 12-1 and finished as regional runner-up, fall-semester state runner-up Amanda Clearcreek. Wesson coached for 13 years in the small colleges, and he will come to the game to look at players," Wesson said. "Since I came to Shenandoah, I would always come to the game to watch the kids we have sent, and I have been impressed by the facets of the game."

Wesson's coaching staff will join him on the sidelines for the game. The Ohio coaching staff includes: Tim Wilson, Tom Perkins, Rob Pachuta and Justin Denius.

Wesson's coaching staff has been together for a while now," Wesson said. "Tim (Wilson) and I have been together since I came to Shenandoah. We feel we have a really knowledgeable staff, and we are going to do our best to win the football game." Wesson will take a capsule look at the Ohio coaching staff:

WESSON - Since taking over the Zeps' program some seven years ago, Wesson has turned Shenandoah into a powerhouse. He has led the Zeps to three consecutive playoff berths, including three straight home games in the first round. Wesson - with a career record of 53-24 - was named Eastern District Coach of the Year and PVC Coach of the Year. He was also a finalist for the prestigious OVAC Coach of the Year. The Claymont High School graduate served as head coach at Urbana University from 1981-85. Prior to that he was the defensive coordinator at Waynesburg College. He also served on the Muskingum College coaching staff. Wesson has also worked at River View High School and Claymont High School. Wesson was also the head coach of the Zep judo wrestling team from 1979-81. During that span, he produced five All-American and 10 national qualifiers. He also won several conference titles as the Waynesburg golf coach. The 26-year veteran of football coaching also serves as the athletic director at Shenandoah. Wesson is a 1978 graduate of Muskingum College. He eventually earned his Master's degree from Dayton State University. Dan and his wife Beth Anne, have two children: Doug and Holly Anne. They also have three grandchildren, Allison, Bailey and Jacob.

PERKINS - This Zep assistant received the opportunity to play in the OVAC game during the summer of 1991 now has to work with the players. Perkins has coached football for seven years, including the past six as part of Wesson's staff. He coached football at Fairborne High School. Perkins - who currently serves as Shenandoah track coach - earned PVC Coach of the Year for his work with the Zep thinclads.

Perkins is a Shenandoah High graduate earned NCAA All-American honors in both football and track at Ohio Northern University where he eventually earned his degree. Tom and his wife, Rachel, recently gave birth to their first child this past spring.

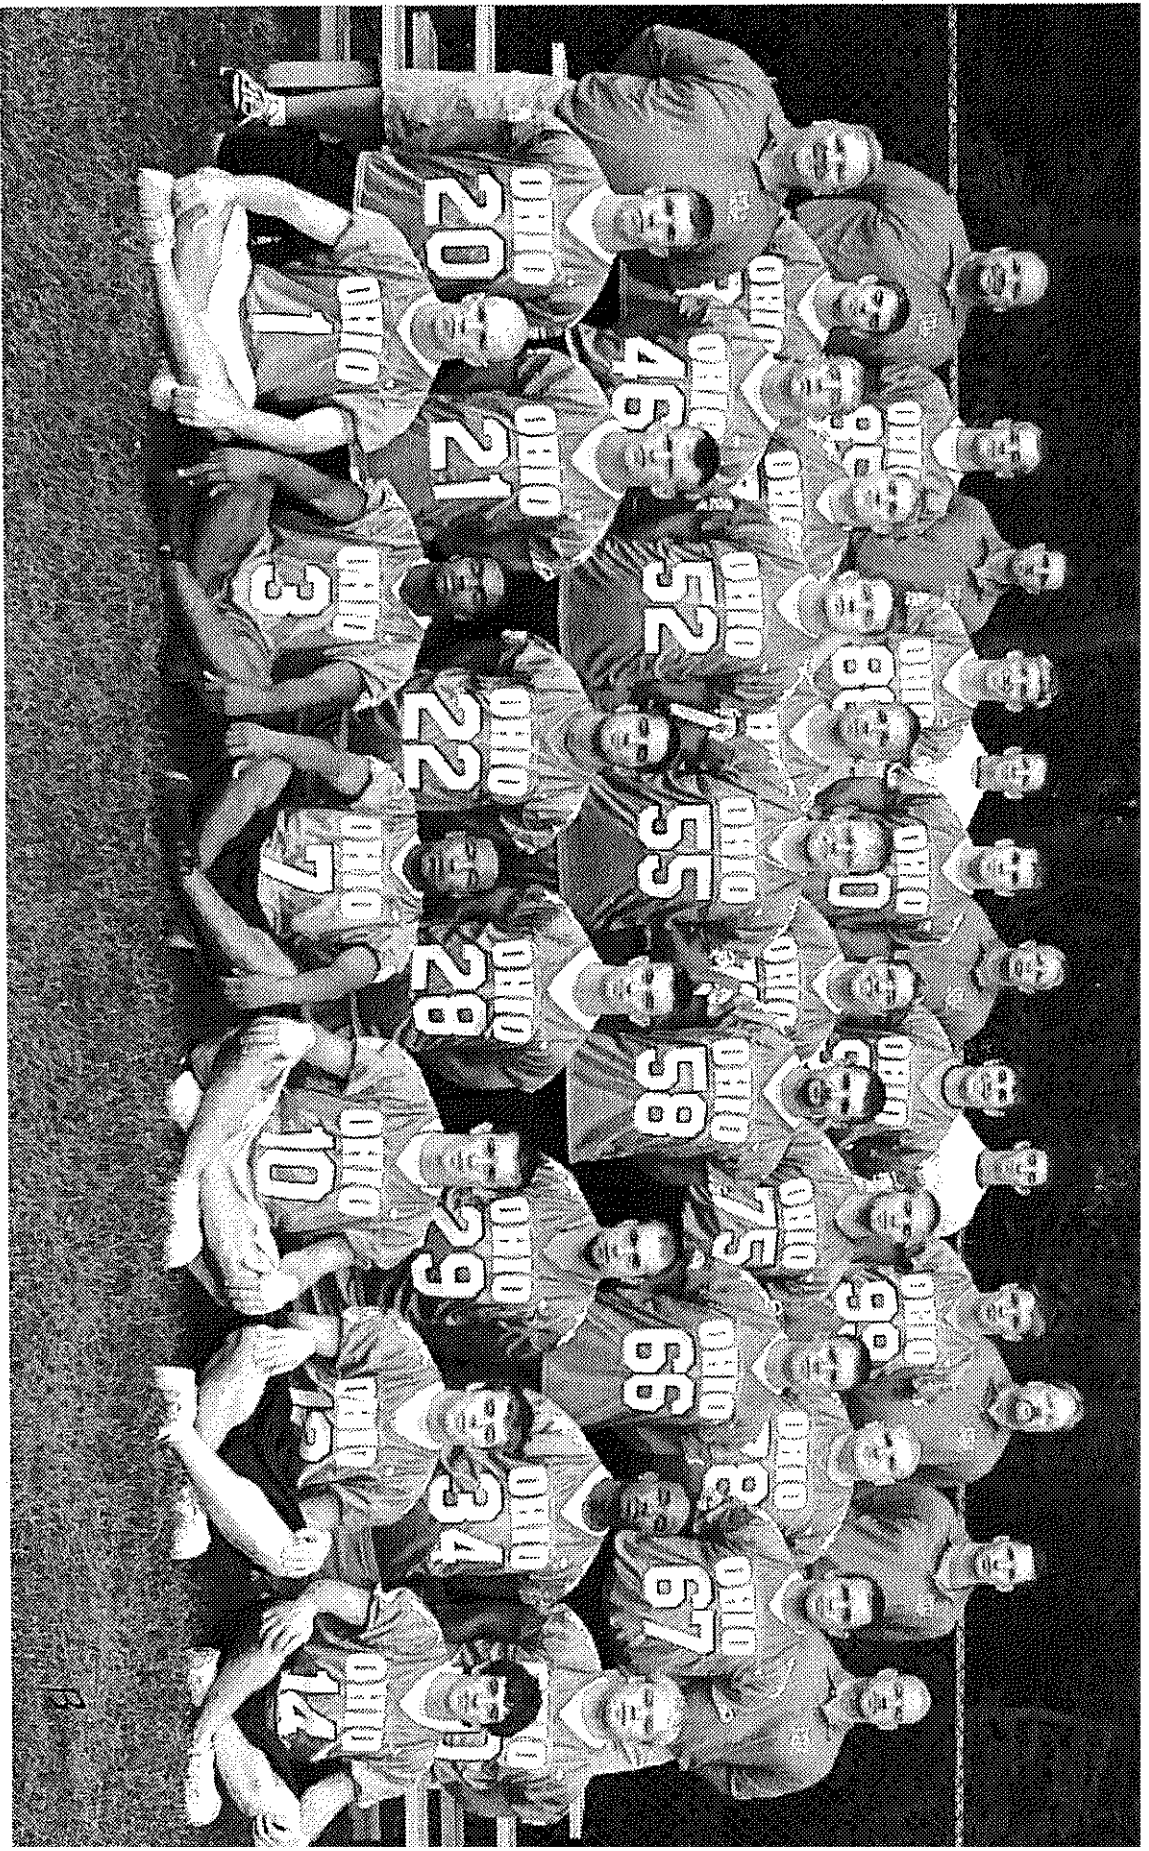

PACHUTA - This 21-year veteran of the football coaching ranks will make his first appearance in the OVAC All-Star Game. Pachuta has been at Shenandoah for 13 years and has been on Wesson's staff for the past five seasons. Prior to coming to Shenandoah he was on the staff at Cambridge High. The Cambridge High graduate also has experience coaching softball. Pachuta played football at both Ohio University and Muskingum College. Rob and his wife, Mary Ann, have two children: Michael (20) and Joseph (18).

DENIUS - This Shenandoah graduate has been working at his alma mater for seven years, including six as an assistant coach for Wesson. Denius currently serves as the head baseball coach at Shenandoah. He was PVC Coach of the Year in 2002 and was named MVP in the eastern district all-star game that same season. Denius is a graduate of Marietta College. During his college career he was a member of the Phi Kappa Phi Honor Society.

Queen Chelsey Kimble

Conotton Valley High School

would like to take this opportunity to thank all of the businesses that purchased ads tonight's program. I would like to thank my parents, Gary Kimble and Ben and Lori Kimble, for always encouraging me to do my best in everything; without you I would not have become the person I am today. My siblings, Jessica, Kensie, and Seth, thank you for all the memories growing up, and I wish you the best of luck in everything. Greg, I can't thank you enough for simply being a part of my life. I would like to thank my Grandma Carman for everything she has done for me, especially throughout this past year. I would like to thank my Grandma Doris for her strength and valuable insight. I would like to thank my aunts, Lisa, Tina, and Tisha, for always being there when I needed you.

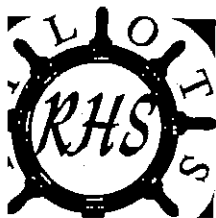

Finally, I would like to thank the three women who have had a tremendous impact on my life: Teresa, Hallie, and Charlene. For the past 15 years you have not only been my teachers and role models in dance, but also my guidance and support when I needed it the most. Thank you for all the time that you've invested in my life as well as anyone who has ever been a student at Teresa's School of Dance. We'll forever be grateful. Good luck to all the athletes and participants in tonight's events.

We're all very proud of you and all that you have accomplished. Best of luck in the Queen of Queens and in the future. Good luck at Ohio State!
Love, Mom, Dad, Zachary, and Jacob

would like to thank my family and friends for their support and encouragement. I wouldn't be who I am today without all of you. Thanks to the businesses, organizations, and the OVAC Queens of Queens pageant for their generosity. Also a special thank you to my voice teacher and friend, Marlene Folmar, my dance teachers at the Burkhart Dancentre, and Monroe Centrals Drama Department directors for your wonderful teaching, motivation, and advice. I want to wish everyone participating in the OVAC the best of luck!

Good Luck Devon!!

I want to thank my parents for always pushing me to do my best and for guiding me. I want to thank my grandparents who have always encouraged me and have been there to "Cheer Me On". Thanks to all my friends who are always there for me. A sincere thanks to all the businesses and school clubs that have purchased an ad. I would like to give a special thanks to Tony Fivert for always believing in me and helping me prepare for Queen of Queens.

First and foremost I want to thank God for all the many blessings He has given me. Good Luck to all the Queen candidates and All-Star football players.

Queen Lacy Pratt

From the time you were small until today when you are a fine young lady we knew you had a special quality about you. You are beautiful inside and out. You have a heart of gold and a smile that enlightens anyone who sees it. We are proud of everything you've accomplished and enjoy all the crazy times we've had together. Stay the way you are and your future will hold a lot of great things for you. We love you very much and wish you the very best in the Queen of Queens pageant. Win or lose, you will always be our Little Queen.

Love 'ya, Mom & Dad

I wish to take this opportunity to thank all of the busi-friends, family, and schools that have purchased special thanks go out to my parents for all the hard they have helped me do. Without them I wouldn't have made it this far. Aunnia and Bobby, I don't think I would be the young lady I am today without the help of you two. You are my heroes, "it was all because you were there".

I wish to give a special Thank You to Susan Richmond for accompanying me at Solo and Ensemble, the Miss TCHS Pageant, and at the Queen of Queens Pageant. I would love to have Angela and Chelsey as my escorts on the night of the pageant.

This experience is one that I will never forget. I would wish my fellow queen candidates "Good Luck" and congratulations to all of the TCHS All-Stars...you will represent our school with pride!

Queen Danielle Ney

When you were a little girl you were always striving for perfection, and always worrying if things didn't go just right. Now that you're a young woman you continue to live life to the fullest as you do everything to your personal best. You will always be someone who reaches for the stars. We hope you realize that whatever you do or whoever you become, one thing you'll never have to work for is the love we have for you.

Love, Mom, Dad & Chris

I would like to take this opportunity to thank each person, friend, family member, business and school for purchasing ads. I would also like to thank Cheryl Pompeo and Michele Comerchi for everything they have done for me. They have not only been my dance teachers but also my inspiration to be the best person I can be. I would also like to thank Shadyside Flower Shop for the beautiful flowers. I would like to thank Miranda and Ashley for escorting me. I would also like to thank my friends for always being there for me. I would like to thank also, my family, for standing behind me every step of my life. Also to thank Chris for always believing in me and pushing me to do better. Finally to my Mom and Dad. Without you I wouldn't be half the person I am today. Words cannot possibly express my love and thanks for your sacrifices have been made by you both to get me where I am today, and for that alone I am forever grateful. Thank you for everything, this one's for you.
