Samuel A. Mumley Memorial Basketball Classic

ick in 1977, four veteran Ohio Valley basketball decided that the concept of a high school All-Star similar to the highly successful football contest, would be a very practical idea. And so, Earl Haberfield of Wheeling, Dick Potts of River, Henry "Herk" Lazasz of Parkersburg, and Bobby Dawson of Wellsburg sat down and decided on the format of what would become the OVAC All-Star Basketball Classic.

Earl Haberfield was chosen as the game's first director. The committee enlisted the support of Ogden and Parkersburg to help underwrite the game, and booked the Parkersburg Civic Center for the location, hoping to pack the arena.

However, the only problem was that the game had to be played in June. Due to the rules of the West Virginia Secondary Schools Activities Commission, Mountain State schools could not participate without losing their eligibility for other sports. As the game was a novelty, the Classic drew a huge time see 1700 fans witness the Valley's finest, and the timing soon began to dwindle the number of area spectators.

Over the years, due to expenses and availability of venues, the game was played at St. John Arena, Wheeling Jesuit High School, Bellaire High School, Wheeling College, Parkersburg High School, and Buckeye Local High School.

Although the game always showcased some of the best hardcourt performers, other problems surfaced. Over the years, the game underwent several changes, and as the interest in the sport became greater, the need to have two games for the boys and two games for the girls became apparent. For West Virginia schools, being smaller in number, it was difficult finding enough quality players, while Ohio schools had more players than they needed.

Another change in the program came in 1982 when Earl Haberfield left the area to coach in northern Ohio. In taking over, however, the committee made a wise move by passing the directorship to Gene Ammirante of Parkersburg. Under his leadership, the game became more exciting and competitive.

Ammirante ran the game until 1987 when, due to an increasing work load, he resigned the contest to Clyde Potts of Steubenville Catholic Central who guided the game for two years. The game was then directed by John Potts of Parkersburg. After a one-year tenure, the game faced serious problems, as no one wanted to assume the directorship. Also facing financial problems, the game more than needed strong leadership. With that in mind, only one person was obvious - Ammirante. Under his direction for the third time, the game made tremendous changes. The game was placed back on strong financial footing. A second change came in the form of strong leadership of the OVAC Executive Secretary, Sam Potts, who took it upon himself, with the assistance of Potts of Moundsville, to petition the WVSSAC to

after the completion of the regular basketball season. After many trips to Charleston and hours of phone conversation and lobbying, the game was approved. Starting with the 1992 contest, the game would be moved to April.

Because of his dedication to the Conference and his unselfish support of the Classic, the committee decided to change the name of the Classic to the Samuel A. Mumley Memorial Basketball Classic.

The format was changed to one boys' game and one girls' game and a Conference cheering competition was added. Through the hard work and efforts, not to mention the enthusiasm, of Linda Alexander of Parkersburg, the cheering clinic was a success from the first year. Although all 44 OVAC schools chose not to participate in the Championship brought hundreds of cheerleaders before the Valley fans to show them that cheering was a bona fide sport also.

With the 1994 Classic, two more changes took place. First, Tom Rataiczak of Bellaire High School, who had served as program director for fifteen years, took over as Game Director. With this came the inception of a coaches' clinic held prior to the game and a luncheon for all the players and their parents. One of the best decisions made was moving the game to the campus of Wheeling Jesuit College and their beautiful facilities. The game was held there for seven years. This change not only established a home for the Classic, but allowed its players and cheerleaders to enjoy a major college experience without leaving the Valley.

The 1995 Classic saw three more adjustments. First, the coaches' clinic was dropped, as its timing ran too close to the NCAA Tournament and the availability of quality college coaches. Second, it was decided to begin honoring a coach who pioneered in the establishment of girl basketball as a sport. The third reason was perhaps the most noticeable. After three years, the cheerleading advisors decided to branch out on their own and move their competition to November.

In 1997, reaching its twentieth anniversary, the advent of a reunion team was created. Thirty plus athletes from the original all-star game returned to initiate an annual 20th-year reunion.

A big change in 1998 was the game being broadcast on Channel 7 live TV. The live broadcasts continued through 2003. Unfortunately, the game will not be on TV this year.

Even though the All-Star game has undergone many changes, it is still undergoing change, one fact remains constant - it continues to showcase the finest basketball talent that the Ohio Valley has to offer.

Ohio University Eastern's Ney Center now offers a beautiful facility in Eastern Ohio to carry on the tradition. We welcome you today, and hope you enjoy the contest. 60 of Ohio and West Virginia best senior basketball players of the Class of 2005 are ready to showcase the

Casey Tolzda

“The Complete Package”

Casey has received numerous honors in basketball and has been selected to play in today's OVAC All-Star Game, the District 12, and the Cystic Fibrosis game. Casey has been a PVC Scholar Athlete, President of the Fellowship of Christian Athletes and as Senior Class President. Casey has been actively involved in his community and is a member of the Beallsville Church of Christ. Casey has been a worker for the Athletic Department for 10 years. On a personal note, Casey is without a doubt the finest example of a student-athlete I have known in 35 years in education.

*Counselor in Public Relations,
Marketing Communications*

Communication Is A Team Sport

Sports has been a part of American life for more than two centuries. With it, character is built in the crucible of fair competition.

In an age of dream teams, superstars, mega-money contracts, endorsements, collector cards and paid autographs, it's refreshing to see that teamwork breeds success. So, to two great team players:

Congratulations!
ANNIE WIATER
St. John Central
&
KAYLEEN FITZSIMMONS
Wheeling Central

Teamwork is a 'free' give-and-take of talent and thought forged toward a group goal of achievement. It is a process of individual commitment to attaining uncommon team goals.

Marketing Communications and Public Relations are team efforts as well. The effort is most successful as a team discipline. A client/counselor team is more apt to strategize a sound plan; implement critical details; identify potential crisis; and much more likely to succeed.

To create a winning team approach for your business marketing, corporate identity, product support, public affairs, advertising, issues management, employee motivation, prospect sales or other communications needs.

the secret of success is easy – good decisions

I chose Blue 20
years ago

And I'm still with
them today

S

omeone once asked me, "Doctor,
what's the secret of success?"

That's easy," I said. "Good decisions."
Then they asked, "How do you make good decisions?"
Experience," I said,
How do you get that?" they asked.
Bad decisions," I answered.

I've been around for a long time and I've worked hard to
get my practice where it is today. Over the years, I've
learned a lot. Some lessons come easy. Others come
hard. So when you find a product as reputable and
dependable as Mountain State Blue Cross Blue Shield, you
stick with it.

Most decisions don't come this easy. But experienced
physicians across the state choose Blue – for their
employees and for their families. Make sure you get
it right.

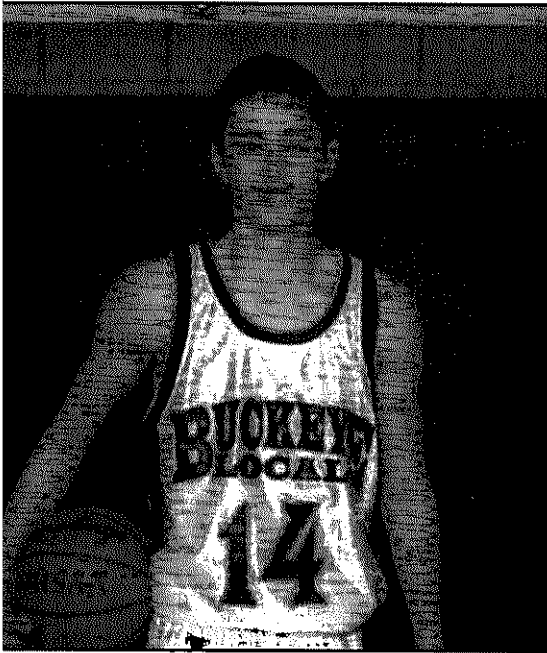

Thanks, Doctor.

 Mountain State

1845 - 2005

*To the families of the
Wheeling Area...*

Thank You!

2005 is a very special year!
It's our 160th Anniversary.

Since 1845,
six generations have
provided service to
Wheeling area residents,
and four generations of
Kepners have been a vital
part of that dedication to
serving others.

As we look confidently
to the future, be
assured that we will be
here tomorrow to fulfill
the commitments we
make today.

Let our family care for
your family - with
comfort and support,
with dignity
and fairness.

1049 Market Street

Wheeling Hospital

Fast Track is an emergency care service that allows non-critical cases to be treated in a more expedient way. The decision of whether to route a patient to Fast Track or to the Emergency Center is made by the medical staff when the patient enters the door. Critical cases can then receive the priority care they require without having the less serious cases endure a long wait for treatment.

Fast Track hours are 5pm to 11pm Monday through Friday and noon to 10pm on Saturday and Sunday.
