Fast Track

Wheeling Hospital

Fast Track is an emergency care service that allows non-critical cases to be treated in a more expedient way. The decision of whether to route a patient to Fast Track or to the Emergency Center is made by the medical staff when the patient enters the door. Critical cases can then receive the priority care they require without having the less serious cases endure a long wait for treatment.

Fast Track hours are Saturday,
Sunday, and Monday from
Noon to 11:00pm Tuesday
through Friday from
4:00pm to 11:00pm

**All insurances
are accepted.**
