# It's Just A Game (isn't it?)

"All kids need is a little help, a little hope, and someone who believes in them."

**-Magic Johnson**

"A lot of late nights in the gym, a lot of early mornings; especially when your friends are going out, you're going to the gym; those are the sacrifices that you have to make if you want to be an NBA player."

**-Jason Kidd**

"Ask not what your teammates can do for you. Ask what you can do for your teammates."

**-Magic Johnson**

"Being selected Most Improved was a special individual award because when I speak to young people, I always try to tell them the importance about it's not where you start but where you end up."

**-Kevin Johnson**

"Do your best when no one is looking. If you can do that, then you'll be successful in anything that you put your mind to."

**-Bob Cousy**

"Everybody's talking trash these days, so why not keep quiet?"

**-Dennis Rodman**

"Five guys on the court working together can achieve more than five talented individuals who come and go as individuals."

**-Kareem Abdul-Jabbar**

"Fundamental preparation is always effective. Work on those parts of your game that are fundamentally weak."

**-Kareem Abdul-Jabbar**

"Goals determine what you are going to be."

**-Julius Erving**

"I believe that good things come to those who work."

**-Wilt Chamberlain**

"I can accept failure, but I cannot accept trying."

**-Michael Jordan**

"You can't win unless you learn how to lose."

**-Kareem Abdul-Jabbar**

"Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it."

**-Michael Jordan**

"No matter how good you get, there's always something further out there."

**-Bill Walton**

"Push yourself again and again. Don't give an inch until the final buzzer sounds."

**-Larry Bird**

"It's like all guys want to do is make a dunk, grab their shirt, and yell out and scream. They could be down thirty points, but that's what they do. Okay, so you made a dunk. **Now get back down the floor on defense!**"

**-Oscar Robertson**

"I had to spend countless hours, above and beyond the basic time, to try and perfect the fundamentals."

**-Julius Erving**

"I learned at a young age to dribble the ball with both hands, and that allows me to be more creative when I go up against bigger and stronger opponents."

**-Steve Nash**

"I never looked at the consequence of missing a big shot. When you think about the consequences, you always think about a negative thought."

**-Michael Jordan**

"It's what you get from the games you lose that is extremely important."

**-Pat Riley**

"I'll do whatever it takes to win games, whether it's sitting on the bench waving a towel, handing a cup of water to a teammate, or hitting the game-winning shot."

**-Kobe Bryant**

"Basketball is like photography; if you don't focus, all you have is the negative."

**-Dan Frisby**

"The only difference between a good shot and a bad shot is if it goes in or not."

**-Charles Barkley**

"Basketball doesn't build character; it reveals it."

**-Anonymous**

"I keep both eyes on my man. The basket hasn't moved on me yet."

**-Julius Erving**

"If all I'm remembered for is being a good basketball player, then I've done a bad job with the rest of my life."

**-Isiah Thomas**

"I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times I've been entrusted to take the game-winning shot and missed."

**-Michael Jordan**

"I've got a theory that if you give 100% all of the time, somehow things will work out in the end."

**-Larry Bird**

"You don't have to be Magic to be special. You're already special; you're you."

**-Magic Johnson**

"I think someone should explain to the athlete that it's okay to make mistakes. That's how we learn. When we compete, we make mistakes."

**-Kareem Abdul-Jabbar**

"I think that everyone should be able to dribble. Everyone should be able to pass. Otherwise, why are you out there?"

**-Oscar Robertson**

"It doesn't matter who scores the points. It's who can get the ball to the scorer."

**-Larry Bird**
