# ***The Samuel A. Mumley Memorial Basketball Classic***

ck in 1977, three veteran Ohio Valley basketball es decided that the concept of a high school All-Star similar to the highly successful football contest, be a very practical idea. And so, Earl Haberfield of 'sville, Henry "Herk" Lazasz of Tiltonsville, and Bobby on of Wellville sat down and drew up the format of ould become the OV AC Basketball Classic.

Earl Haberfield was chosen as the game's first or. The committee enlisted the support of Ogden apers to help underwrite the game and booked the ling Civic Center for the location hoping to pack the

However, the only problem was that the game be played in June. Due to the rules of the West Vir-Secondary Schools Activities Commission, Mountain athletes could not participate without losing their eligi- or spring sports. As the game was a novelty, the c did at one time see 1700 fans witness the Valley's but the heat and the timing soon began to dwindle erest of area spectators.

Over the years, due to expenses and availability as, the game was played at St. John Arena, Wheel-irk High School, Bellaire High School, Wheeling Jes-iversity, East Liverpool High School, and Buckeye High School.

Although the game always showcased some out- ng hard court performers, other problems surfaced. rmat underwent several changes, and as the interest ' sports became greater, the need to have two s for the boys and two games for the girls became ent. However, West Virginia schools being smaller in er, often had difficulty finding enough quality players, Ohio schools had more players than they needed.

Another change in the program came in 1982 Earl Haberfield left the area to coach in northern Before leaving, however, the committee made a wise in turning over the directorship to Gene Ammirante of e. Under his leadership, the game became more ized and competitive.

Ammirante ran the game until 1987 when, due to reasing work load, he resigned the contest to Clyde elo of Steubenville Catholic Central who guided the c for two years. The game was then directed by John lk of Wellsville. After a one-year tenure, the game serious problems, as no one wanted to assume the orship. Also facing financial problems, the game more ver needed strong leadership. With that in mind, only an was obvious - Ammirante. Under his direction for cond time, the game made tremendous changes. he game was placed back on strong financial footing. econd change came in the form of strong involvement OVAC Executive Secretary, Sam Mumley, who took r himself, with the assistance of Vince Paoletti of dsville, to petition the WVSSAC to change the ruling, ng the game to be played soon after the completion regular basketball season. After many trips to the ould be moved to April. Charleston and hours of onversations and lobbying, the game was an

Starting with the 1992 contest because of his dedica- tion to the Conference and his unselfish support of the Clas- sic, the committee decided to change the name of the Classi- to the Samuel A. Mumley Memorial Basketball Classic.

The format was changed to one boys' game and one girls' game and a Conference cheering competition was added. Through the hard work and efforts, not to mention the enthusiasm of Linda Alexander of Paden City, the cheering clinic was a success from the first year. Although all 44 OVAC schools chose not to participate, the Championship brought hundreds of cheerleaders before the Valley fans to show them that cheering was a bona fide sport also.

With the 1994 Classic, two more changes took place. First, Tom Rataiczak of Bellaire High School, who had served as program director for fifteen years, took over as Game Director. With this came the inception of a coaches' clinic held prior to the game and a luncheon for all the players and their parents. One of the best decisions made was moving the game to the campus of Wheeling Jesuit University and their beautiful facilities. The game was held there for seven years. This change not only established a home for the Classic, but allowed its players and cheerleaders to enjoy a major college experience without leaving the Valley.

The 1995 Classic saw three more adjustments. First, the coaches' clinic was dropped, as its timing ran too close to the NCAA Tournament and the availability of quality college coaches. Second, it was decided to begin honoring a coach who pioneered in the establishment of girls' basketball as a sport. The third reason was perhaps the most notice- able. After three years, the cheerleading advisors decided to branch out on their own and move their competition to November.

A big change in 1998 was the game being broad- cast on Channel 7 live TV. The live broadcast continued through 2003. In 2005, the game came under the direction of Tom Bechtel, Recreation Director for the City of Wheeling and veteran football official and softball umpire. Tom also serves as Softball Commissioner for the OVAC.

The 2007 edition of the OVAC All Star Game will see several significant changes. First the game was moved to a Sunday to avoid conflict with spring sports. Secondly the initiation of the Bob Burton Distinguished Service Award in honor of the legendary OVAC Boys Coach at Paden City HS. This award honors assistant coaches or other behind the scenes people who have made significant contributions to OVAC Hoops.

On March 9, 2007 the All Star basketball Classic lost one of its pioneers as Coach Earl Haberfield passed. The game will be forever indebted to Coach Haberfield for his vision in starting a game which allowed the boy and girl basketball players of the OVAC to showcase their talent.

Ohio University Eastern Gym now offers us a beautiful facility in Eastern Ohio to carry on the tradition. We welcome you today, and hope you enjoy the contests. Sixty of Ohio and West Virginia's best senior basketball players of the class of 2007 are ready to showcase their

# IN MEMORY OF Earl Haberfield (1931—2007)

While at Amherst Steele High School in Ohio's Lorain County, the final stop on Earl Haberfield's legendary basketball coaching career in that area often referred to him as the "Earl of Amherst".

And why not? He was basketball royalty at its very best and he will be dearly missed by all of us who were fortunate enough to cross paths with him. As a near life-long friend of the former Wheeling Central Catholic High School athlete and coach, we were saddened to learn of Earl's death at the age of 76. It won't seem the same next season not seeing Earl seated in the front row at the McDonough Center when Wheeling Jesuit University plays. He rarely missed a Cardinal's home game after retiring from coaching.

Our relationship goes back to my high school days a couple of years before Earl was called back to his alma mater to take over the basketball program. He was fun, extremely loyal to his friends and players, although he wasn't always an easy guy to be around at practice if you weren't a member of his basketball team. Earl was a demanding coach and a consummate teacher. He believed the only way to play the game was with discipline and intelligence. If you played for him, you rarely went into a game without being mentally and physically prepared to perform. If you weren't, that was your fault for not listening to this coaching master.

During his early years at Central while this writer was breaking in to the newspaper business, we sometimes accompanied Earl on trips. On one Sunday drive to watch Parkersburg Catholic play an afternoon home game, Earl didn't just bring along his clipboard and a couple of pens. While watching pre-game warm-ups, he also pulled a tape recorder out of his pocket and, long before tip-off, the future coach began giving an evaluation of every Parkersburg Catholic player in uniform. That might not be considered unusual today, but Earl was doing it in 1961 or 1962.

His unyielding attention to game preparation worked to Haberfield's advantage at each of his coaching stops. In more than 30 years as Earl's teams went 383-284 (.574). It was an impressive record built while his teams competed mainly against schools with larger enrollment. In many cases, better talent.

Earl also knew how to beat your brains out when his talent level was equal or better than yours.

His 1962-63 Wheeling Central Catholic powerhouse still is recognized as the best in school history and likely one of the top teams ever led in the Ohio Valley. With a starting five of Chuck Lovinski, Joe Doerr, Al Salvadori, Paul Klenowski and John "Butch" Erb, the Maroons rolled to a 23-0 record. They were ranked No. 1 in the entire state of West Virginia although Central was still almost a decade away from the Secondary Schools Activities Commission. The state Class AAA champion in 1963 was Weir High School, led by the great Ron "Frisco" Williams. Significantly, the Red Riders' only two losses came at the hands of Earl's Wheeling Central juggernaut, whose only post season game was a play in the state Catholic tournament which it won handily.

Two members of that Maroon Knight squad went on to stellar careers in NCAA Division I basketball. Salvadori became a tenacious member of the Hall of Fame Coach Frank McGuire at South Carolina and later played professionally. Erb took the defensive intensity he learned from Earl to Loyola of the South, now Loyola (La.) College. His in-your-face style gained Erb national attention when he was decked during one of college basketball's scoring greats of that era, Rick Barry. Lovinski earned a football scholarship to West Virginia University and was the leading hitter in the 1964 NAIA World Series when he helped West Liberty State College win the NAIA national baseball championship. He left West Liberty after his freshman year, and eventually played three seasons in the Chicago Cubs' farm system.

Overall, Haberfield spent nine years at Central, coaching his teams to 150 victories and five state Catholic championships. After leaving Central, he went on to coach at Bishop Donahue, Warren Local, Crooksville, Wintersville, Meadowbrook, Van Lue and, finally Amherst Steele. Inheriting a program that was struggling, Haberfield's final six teams at Amherst Steele had successful seasons. In 1987, the Comets won the conference championship, a feat that was repeated in 1992. That season also saw Haberfield earn four coaches of the year awards. When he retired in 1993, he was soon inducted into the Lorain County Basketball Coaches Hall of Fame.

Haberfield also is a member of the West Liberty State College Hall of Fame, having graduated from the school in 1958. He was a two-time All-American in basketball as a Hilltopper. Prior to launching his high school coaching career, he served in the U.S. Navy during the Korean War. In his early years at Wheeling Central, Earl coached some other terrific athletes including the late Lenny Pavlic, Al "Pancho" Flores, Jim "The Iceman" Donahue, Mike Perring, Stanley Kaniecki, Melvin Coleman, Tom Abraham, Ray Powell, Tim Thaiman, Denny Deegan, "Bo" and "C" McConnaughy. There were many others of course, but these are guys whose names are still hanging in our memory bank.

Several became successful coaches in their own right and Earl was justifiably proud of all of them. Coleman, Bo McConnaughy and Flores among those who remained especially close to their old coach.

Haberfield proved himself to be a master innovator with the OVAC, becoming one of the founders of what is now known as the Sam McConnaughy All-Star Basketball Game. He was the first recipient of the game's OVAC Coaches Award, which is now named in his honor.

He admired most of all Coach's love for his wonderful wife Joyce and his family. They reared three children, sons John and Patrick, an daughter, Annie Campbell. The Haberfield clan also includes eight grandchildren and two great-grandchildren.

While his passing will leave a huge void for everyone who knew and loved the guy, we can take comfort in the knowledge that he is now enjoying his heavenly reward.

IN MEMORY OF

**JOE  
BECHTEL**  
(1920 — 2007)

Ohio Valley Athletic Conference has lost a good friend in Mr. Joseph P. Bechtel. Bechtel was the official scorekeeper for Wheeling Central Catholic High School in the late 1930's. Mr. B. was the first recipient of the "O.V.A.C. All Star Basketball Scorekeeper Award" in 1993.

During his scorekeeping career that spanned nearly 70 years, Mr. B. served as the official scorekeeper for the Knights' boy's teams throughout his career. He was very passionate about his duties but upon his retirement in 1984 from the Wheeling Post Office, he assumed many more duties including the Wheeling Central Girl's teams in basketball and eventually softball in the early 90's. In addition, he was also seen at the scoring table for Wheeling Jesuit men's and women's teams. Mr. B. was also a fixture at the Wheeling Central gymnasium for doubleheaders on Sunday afternoons for the Wheeling Central League. He also kept score for the St. Vincent Independent Tournament. For a number of years, he was the official scorer for this O.V.A.C. All Star Basketball Classic. Joe Bechtel bled Maroon and White and was extremely proud of his twelve grandchildren who wore the Central uniform in sports including soccer, tennis, cross country, and field, softball, basketball, football, and baseball. His longevity is best witnessed when he was at the scorer's table just a week before his death at Tyler County where his daughter, Michelle, led the Lady Maroon Knights to victory with 15 points in an overtime thriller.

He is recognized for what he most assuredly was - a kind, decent, caring man - Joe Bechtel left a scorekeeping legacy in the Valley that would be hard for anyone to surpass.
