GAME DIRECTOR

On the Cover...The OVAC All-Star Game Salutes and Thanks Those Who Served Our Country

The OVAC All-Star Game. For these players this evening, this game marks the end of their high school days and look toward their futures: college, continued playing, work, the military. But for one of our groups being honored tonight, their future was uncertain. Many had dropped out of school to fight in World War II; the OVAC All-Star Game ceased to exist. Fifty-nine years later, we stop to pay tribute to these men. Their sense of duty and patriotism allowed them to sit here today. There was never a question as to what needed to be done. They just did it. Boys sixteen and seventeen years old quickly became men at Normandy, Iwo Jima, the South Pacific, the European Theater. And when they returned, never thinking themselves as heroes, they picked up their high school days again playing in the 1946 All-Star Football Game. This game was unique in several ways. Since it had been halted three years during the war, four classes of players had to be selected. Therefore, the public voted on the teams as they felt were the best. Seniors right out of high school lined up opposite seasoned war veterans. The coaches were college coaches from the University of Alabama and Northwestern. Eleven thousand people jammed the stadium to welcome back these players and the return to normalcy.

And some things never change. A matter of days ago, the Ohio Valley welcomed back another group of heroes from the West Virginia National Guard Co. C1-150th AVN, returning from a tour in Iraq. A different time, a different venue, a different public attitude, but heroes nonetheless. While most of these men finished high school, attended college, and found employment, their commitment and sense of patriotic duty was the same. They left behind families, job security that many of us take for granted. They saw firsthand what many of us watch in disbelief on the television in our comfortable homes. And they faced an enemy similar to those faced in World War II; an enemy dedicated to annihilating the United States at any cost. From 1946 to 2007, one premise remains the same. We enjoy our freedoms only because these men were willing to risk their lives to protect them. The Ohio Valley Athletic Conference is proud of these men - past and present - who are committed to defending this great nation we call home.

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful purpose as

ould eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two-week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the All-Star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC officials several years ago renamed the contest as the Rudy Mumley OVAC Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy.

And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC, which is still

believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contests. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s.

Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

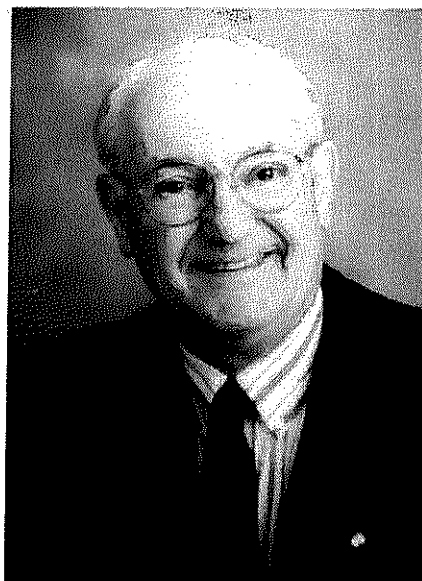

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 - 1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC map. At last May's OVAC Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC's "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

28 Years... OVAC All-Star Football Classic in Retrospect ...and The Tradition Continues

Avast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail... "The OVAC would not gain CAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an CAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could totally regulate any and all summer all-star contests, thus putting a "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated official opening of the Ohio Valley's "pigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC. "The rich athletic heritage of this valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC was very busy in implementing its Title IX Program for Girls. Such female pro-

grams were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sports levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC that they reviewed one of our proposed all-star formats and found some definite interest in the overall structure. This, then, led to three continuous months of very intense correspondence and phone consultations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward the future.

Then it happened... late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed the conference held a monumental press meeting at the Clure Hotel in Wheeling announcing all the details related to the first OVAC All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named The Rudy Mumley OVAC Ohio-West Virginia Charity Football All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced 1,500 players • 3,200 musicians and directors (since 1972) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans... and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC family, we thank you for allowing us to share... "Charity and love for our fellow man."

1940" The First All-Star Game

West Virginia's senior All-Star olboys today held a 13 to 17 vic- as the aftermath of their first meet- with the eastern Ohio team in the len football contest played under ew lighting system at the Island ium.

The victory of the mountain state hs, who had trailed from the ing quarter until the last seven ites of the ball game, 7-0, came as ld surprise as two well-drilled and ly efficient combinations delighted arly season crowd of some 8,000

The Ohioans drew first blood in the tacular contest. A Mallery-Shackl- d pass, late in the first period, moved buckeyes from mid-field to the West inia 25. Sadlowski, another Bellaire , took a pass that planted the ball on ine, from where Sadlowski scored o plays.

The remainder of the half was de- of a distinct threat on the part of r team although the Rowe-Howell hed combine had advanced to the o 25 when the intermission ar- l.

The mountaineer sturdy rush line ed the equally effective Ohio for- ls on fairly even terms into the final od before Johnny August, a Shady- youth, who shared the starting role he Bucks, was hit hard on his own nd Joe Corba, a Follansbee back, ed the white leather for the eventual ers.

Charlie Helinski, Union product, me a ball of fire at this stage. He led off tackle to the Ohio 19 and lugged the leather to the five d by a too many times out penalty. nski picked up a yard and Mike ichy" Dimitro punched his way the payoff zone. Dimitro cracked ine for the extra point and the issue deadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski niched successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective Ohio State youth was in the game. His Shadyside backfield mate, August

despite his costly fumble, was the big guns in the Bucks' effort; Niemiec-Hartwig combinations left the West Virginia fans worri-

Lou Caffaro, recovering from a operation, held the sticks for the Virginians but felt the call of battle in an impassive role. Paul Bricker, V end who handled the kicking for ell and Rowe, and did an effect although one of his boots slipped side of his foot and out of bound.

147" All-Star Football Game - 60 Years Ago

Ohio passing game, which spasmodically last night in the Ohio Valley All-Star Game, sputtered to a backfire in the last 65 seconds. West Virginia intercepted twice in the territory for a 14-0 victory. Blake, of Linsly, who was one of the bright lights of the West Virginia drive, burst into a flare of brilliance and snagged one of Slick Brown's on the Ohio 39 yard line and raced for a touchdown. His path was made easy by a quick blocking Mountaineer.

The crowd was about equal to last year with 11,500 seats filled and about 100,000 fans, giving the boosters club a net profit on this year's affair a gross of about \$15,000.

The sudden turn of an otherwise dull game, between heat battered bands of solo stars, drove Ohio to desperation. After receiving the next kick, which the Buckeyes had to haul out behind their own goal line, Joyce was not convinced of the West Virginia defense and he passed eastward. Elwood of Warwood, who had entered the field for the kick-off, snagged the toss by snatching a fly ball and scooted it ahead, right along the sidelines for 20 yards and another marker.

Ohio which appeared to have a bright edge, was not as fast a starter as the well-drilled outfit which Red Drew led under the West Virginia banner. Incept for the successful passing game being run by Will Davis from Martinsville Central, and Brown's knee-slashes, the buckeyes stalled. They failed to mold together better after the collision and went as far as the four-yard line in the third period and to the 17-yard line in the last when Davis was thrown out of bounds on last down, missing a first down.

West Virginia dominated the first half and was in good form in the second half, advancing from its own 17 to the 37 despite three five-yard penalty-bad pass from center on last down and a punt and neither club could win the rest of the half.

When Blake, who with Wally Oreff of Triadelphia and Bill Williams of Radik had cut considerable ground in the first half, hauled in Brown's pass about a minute remaining, the game's had traded maneuvers. Their rush was halted by Williams who

stopped both Davies, loose on a 13 yard haul, and Joyce, who had taken a short pass from Davis, to ground the Mountaineers on the Ohio 29. Blake punted 40 yards to Brown who returned ten. Davis tried to pass but it was too low. Then Brown who had not completed a pass all evening, threw into the flat and the rambling Blake was off. He was clear enough to give his mates a chance to rally in front of him and they came from all sides to clear the way as the cadet rolled right down the middle. Williams converted for West Virginia.

Zoladz of Bridgeport failed to haul in Oreff's kick-off and had to retrieve it from behind his end zone and show plenty of speed to get it back on the lot. He returned only to the six. Joyce's shot was to the other side from that which started Blake to a tally but Myers was there to seize it, and he tightroped the sidelines, being hit only after he stepped into the end zone. Radik of Triadelphia turned in the last point from placement.

During the first half Ohio was out charged and in the late quarters the Mountaineers were being carried off the field in a steady stream. It wasn't until late in

the final quarter that Bob Higgins who taught the losers, substituted freely Brown was carried off the field once but recovered to play in the biggest scene of the night.

The success was a second for Alabama coaching, Frank Thomas showed the Ohio team how to maul last year and Red Drew who takes Thomas' job this fall, produced a good looking although smaller combination for West Virginia.

The widely heralded Massillon band which except for a single radium number was nothing above the average high school musical group and generally far less spectacular than Weirton's show of a year ago.

West Virginia was still intercepting passes as the game ended. Oreff took off one of Brown's offerings in the second quarter.

Williams played a banged up game offensively and defensively for West Virginia as did Blake, Ohio had many numerous good plays included two good kicks by Joyce.

Capeletti of Martins Ferry and Cieslak of Weirton were ejected in the excitement between touchdowns for fist cuffs.

1957" All-Star Football Game – 50 Years Ag

A never say die band of underdog Buckeyes looked adversity in the teeth, then laughed at the odds-makers to hand the highly favored group of Mountaineer All-Stars a 14-13 defeat last night at the Wheeling Stadium. The 15th edition of the colorful Ohio-West Virginia All-Star Football Game started off just as the sports-writers had predicted when the highly touted Mountaineers struck for a quick second-period touchdown after Moundsville's Chuck Lautar blocked a Buckeye kick. Clendenin's Melvin Harris races 16 yards into the end zone a few seconds later and it looked as if WV was off to the races.

The single-wing Buckeye attack got rolling in the third quarter and drove to a tying touchdown but Buckeye's T-formation magician Danny Williams provided the big thrill of the evening a few minutes later when he rambled 57 yards to score on a keeper play.

But the Buckeyes were not to be denied starting from their own 20, with second hand ticking away on the scoreboard clock, big Mike 'The Tank' Ingram alternated with Jimmy Kerr to push the ball down to the Mountaineer 23. East Liverpool's Bernie Allen slashed through to the three and Ingram scored his second touchdown of the evening.

Allen then powered the ball through the uprights for the tie breaking point and a sweet victory for the Ohio Side forces. Williams and Ingram were voted the most outstanding players for their respective squads.

1967" All-Star Football Game – 40 Years Ago

West Virginia defeated Ohio both lights out and lights on Saturday night in the Valley All-Star game at Wheeling Stadium. The game began once in the first half, when the lighting system at the Island park failed. At the blink, the Mountaineers scored a pair of touchdowns after the stadium lights began working in the second half and presented the veteran head coach, Jim Foti, with an emotional appearance as a former head mentor.

Thus, the West Virginians broke Ohio's domination of the series that had extended back through 1964 and held the Buckeye margin in the state rivalry to four, at 14-10.

The electricians were unable to get the lighting system working until after intermission but the crowd of 15,000 which showed up on a pleasant evening was surprisingly large through a first half which saw the Mountaineers go ahead on a 12-yard sweep of left end by their starting quarterback, Gene Wertz, of Parkersburg, late in the second period. A blocked punt return by Wheeling's Olga set up the tally.

The aroused Buckeyes came on strong at the outset of the second period and drove from their own end to the WV 8 before yielding the game on downs. The Barnesville nation of little Johnny Merrill, starting quarterback, and tall Dallas Adkins, running back, clicked on a 39-yard pass play to Bellaire's Rich Gianangeli reeled off a 7-yard run during the foray. Follansbee's Terry Kidder, who did a tremendous job of punting throughout the game, extricated WV from the hole with a 53-yard boot out of its own end zone.

At the opening seconds of the second quarter the Mountaineers

jumped their lead to 12-0 when Pet Giglio hit his former Follansbee High teammate, Tim Stefan, on a 54-yard pass play. Stefan was wide open at the Buckeye 25.

Ohio advanced to the WV 30 after the next kickoff but the alert Vogler thwarted the bid with an interception in his own end zone.

Late in the game another interception by Vogler, followed by his 28-yard return to the Buckeye 2, set up the final TD, which the Wheeling High grad made himself on a plunge with the 1:25 left in the fray.

Vogler was stopped short on the point try but his outstanding performance won him an award as the Most Valuable Player on the winning side. Gianangeli was picked as Ohio's MVP.

The Mountaineers produced their three touchdown margin although garnering only 62 yards by rushing during the contest. They added 90 yards in the air with three completions in seven tries and had but five first downs.

Ohio made 114 yards rushing and hit on six of 19 passes for 103 but suffered four interceptions. The Bucks had seven first downs. They were penalized 40 yards to WV's 20.

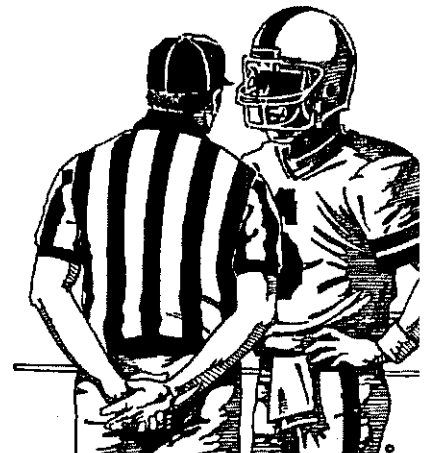

Ohio was presented with an early opportunity to move the ball in WV territory when Mike Hostasa, tackle from Shadyside, covered a Mountaineer fumble on the first scrimmage play at the WV 43. However, three plays later the Buckeyes returned the favor as Chuck Boniti, of Weirton Madonna, confiscated an Ohio bobble at the 36.

The Bucks forced a WV punt but Dave Grandstaff, defensive back from Magnolia, subsequently picked off a pass thrown by Barnesville's Johnny Merrill and returned from the Mountaineer 45 to the Ohio 42. Helped by

a holding penalty against the Bucks, the Blue and Gold penetrated to the 11 but yielded the oval on another bobble, this one covered by Bellaire's Larry Holloway at the 14.

Two long punts by Terry Kidder of Follansbee, put Ohio in the hole in the second period. One with the aid of a good roll traveled 56 yards from scrimmage and the second was good for 58 yards to push the Ohioan back to their seven.

The Bucks were forced into a punting situation but Rich Gianangeli's kick was nullified by offsetting penalties. Standing in his own end zone in the darkness Gianangeli boomed the ball out to the 49 but Wheeling High's speedy Bob Vogler returned to the Ohio 12. On the next play Wertz circled left end on a keeper for the score, which came with 2:25 left in the half. Kidder attempted a drop kick for the extra point but it was wide.

1977" All-Star Football Game – 30 Years Ag

Shelling the Ohio defense with an aerial bombardment, West Virginia extended its domination of the Ohio Valley Athletic Conference Charity Football Game to a fifth straight year Saturday evening at the Island Stadium.

Before a crowd of 8,500 that was covered both with perspiration and intermittent showers during the humid August evening, the Mountaineers chalked up a 21-0 decision as quarterback Doug Banda, of Oak Glen, and Dave Renner of Paden City, combined for 14 completions in 27 attempts for 182 yards.

All three touchdowns for the Mountaineers were scored by Wheeling Park High graduates as the Patriots' Tony Stradwick tallied from five yards out in the initial period and from one yard away in the fourth quarter and receiver Tom Basinger grabbed a pass from Renner for five yards and the final TD.

Although they led by a seven-point margin until the final frame, coach Ron Renner's Mountaineers thoroughly dominated the contest. Banda, a West Virginia University recruit, completed 10 of 20 passes for 125 yards, with two passes intercepted. After West Virginia went 14 markers in front, Dave Renner took over as quarterback and hit on four of seven for 57 yards.

The victories added 97 yards rushing, with Stradwick and Paden City's Dave Cosper doing the bulk of the ball-toting, and built a 14-8 edge in first downs.

While West Virginia's passing game was off the "I" formation was extremely effective, Ohio's air attack out of the wishbone was obviously ineffective. The Buckeyes completed on four of 17 through the skylanes for 40 yards and suffered three interceptions. Ohio made 118 yards rushing but was forced to put the ball in the air frequently in the second half in an effort to play catch up football.

The Mountaineers wer penalized 65 yards while the Bucks lost only 30 yards via assessments.

A short punt by Buckeye South's Dan Hall, under a heavy rush by Wheeling Central's Kevin Finnerin, left the ball in position for a second WV touchdown, which came on the final play of the final canto. The Mountaineers took possession on the Ohio 36 following Ohio's 36 following Hall's 15 yard boot. Banda passed to Magnolia's Mike Myers for 12 yards, Coster got eight off the left end and Stradwick got one in the middle. However, on he next try Stradwick was held to a yard loss by middle guard John Schular of Martins Ferry.

When the fourth period opened, the blue shirts were on the Bucks 16 with fourth down and two to go. Banda rolled right and whipped a pass to Myers, who stepped out of bounds only a yard from pay dirt.

On the next play, Stradwick popped up the middle to tally behind the blocking of Parkersburg's Mark Lindamood and Weirton's John Dick. Cosper converted as he did after all three West Virginia TDs.

Trailing by 14 points, Ohio went to the air in desperation in the remaining minutes and Marietta's Rusty Zide was intercepted twice – once by Linsly's Paul Donahie and subsequently by Oak Glen's Greg Six. The interception came with only 1:18 on the clock and gave the ball to West Virginia at the Ohio 31.

Renner then passed to Myers at the 10 and a personal foul on Ohio advanced the ball to the five. Renner then found Basinger in the southwest corner of the end zone for the final six pointer with just 50 seconds remaining to play.

The crowd was treated to a bit of improvisational razzle-dazzle during the fourth quarter when Renner threw a screen pass to Cosper who found himself surrounded by would-be Ohio tacklers and averted a loss on the play with a cross field lateral to Wheeling Central's Tim Gompers who raced some 18 yards to the Buckeye 14. However, a holding call on the next play killed that particular Mountaineer scoring bid.

West Virginia wasted no time in getting on the scoreboard. The Mountaineers drove 62 yards in 10 plays after the opening kickoff to tally. Brooke's Robbie Robinson returned the kickoff by Ron George 31 yards to the Mountaineer 38. Oak Glen's Doug Banda completed two aerials during the advance, one to Brooke's Denny Williams and the other to Wheeling Central's Tim Gompers, and a personal foul against the Buckeyes helped the West Virginia cause.

The penalty came on a smash off tackle by Wheeling Park speedster Tony Stradwick, who carried for 21 yards in five attempts during the march, and when the step off by referee Evan Reese advanced the leather to the Ohio 28. Stradwick picked up another first down at the 17 as he toted three straight times. Then the strong-armed Banda fired to Gompers and the rangy receiver bound for WVU made a nifty one-handed catch before going out of bounds at the eight.

Dave Cosper, stumpy fullback from Paden City, powered to the five behind the blocking of Wildcat teammate Joe Blate and

John Marshall Gordon Gordo Stradwick started around right end, and went into the end zone standing

The TD came with 7:31 left in the first period. Cosper's placement made it 7-0. That's the way it stood until inter-

Ohio advanced past midfield to the Mountaineer 37 after the next kickoff, with a personal foul penalty against West Virginia. But then Bill Vance, the quarterback from Cambridge, was caught twice in the end zone by the Mountaineer pass rush Marshall's Denny Gilbert and Bro Wolfe led the way. Thus, Jay Circosta were forced into a punting situation

Rain hit suddenly as West Virginia moved over the oval at its own 22. Despite the rain pour, Banda threw to Williams for a first down but his next pass went right of the middle and was intercepted by Martin Karl Sommer.

Ohio took possession at the Mountaineer 45. Buckeye North's Dan Hall made a first down and Woodfield's Tim Morgorie off tackle for nine and a first down and Morgorien added four more yards and Brad Miller got one as the initial period

On the first play of the second quarter Vance was broken nearly intercepted by Weirton Mado Greco. Ohio had to settle for a field goal by George, the St. Johns Central gridiron player who sustained a broken neck in a game last year who has made a miraculous recovery. A field goal attempt was just short and wide of the end zone.

That was Ohio's biggest scoring drive of the half. In fact, there was never truly a serious bid by either team before intermission.

In the early minutes of the second half Banda hit on short passes to William Magnolia's Mike Myers to get the ball into the midfield. But a long bomb intended for a first down was short of its mark and intercepted by Martins Ferry's Rusty Zide at the 11.

game's first break when John Marshall safety Mark Wilson caused a fumble after Wesley's nine-yard run, and watched as teammate Scott Holmes of Tyler pounced on it at the Buckeye 31.

Sweitzer's pass to Weir TE Rob Konnovitch was dropped, thanks to some heavy-handed encouragement by St. John's safety Al Donahue, and John Marshall fullback Alex Shook managed just three yards on a dive play. Sistersville tailback Jeff Swisher, harried all evening by Ohio's intimidators, was dropped for a one-yard loss on third down.

After an exchange of possessions, Ohio embarked on the first scoring drive of the game. Vincent, perhaps the only breeze to stir Harding Stadium's tropical 90-degree air, dashed 45 yards on first down to put the ball inside the WV 30. He had created an opening with a slick fake to Wesley, who was filled by DE Shook, then side-stepped an "oh-excuse-me" tackle a the 40 before finally settling at the 26.

After two runs netted 12 yards, Wesley followed right guard for a nine-yarder to the six. Spencer got the call on the next play and hesitated just long enough to bowl over Wilson before hurdling the goal line. Ramsay's kick at 4:14 made it a 7-0 game.

West Virginia answered with a drive of its own. Sweitzer picked up 20 yards on a nifty scramble, and later hit Konnovitch over the middle for 11 more, making it 1st and 10 at the 16. But Walkosky blew in for a 12 yard sack on the next play and West Virginia could not overcome.

The Mountaineers' next series got off to a sizzling start when Swisher, on West Virginia's maiden voyage to the life side, streaked the sideline for 38 yards. It was vintage Swisher, but the only time he could expose it to fans at Harding. After a couple more big blows from Ohio's defenders, Swisher's steps grew more tentative.

Swisher's run put his crew on the Ohio 28, and when Sweitzer hit Konnovitch on a 10-yard out pattern – Sweitzer's sixth straight completion – the visitors had a 1st and 10 on the 17. Mike Coss got three yards on a reverse, then Coach Depew opted for a pass.

Sweitzer, after a lengthy survey c the secondary, lobbed one into the le- corner of the end zone toward Brooke acrobatic Jack Shaffer. It appear Shaffer had hauled in the pass, but th official, standing right over the receive- didn't see it that way.

"Hell yes I had it," Shaffer sai later. "It was this far up (holding hi hands and foot off the ground). I looke up and saw him doing this (signalin incomplete) and said, 'Oh my God.' started crying when he did that."

The third down pass fell incor- plete, but West Virginia didn't com away empty. Sweitzer split the cross bars on a 31 yard field goal attempt slicing the margin to four points at 5:27. It was the last scoring threat in the hal-

Ohio had the first shot at goal afte intermission, and Spencer got into gear with a first down carry of 20 yards whic halted by the TD saving hit from Mag nolia star Jeff Frye. West Virginia stiff- ened, though, and Ohio went for it o 4th and 2.

Vincent went right on an optio play and, with all the effort he coul muster, dove for the flag in unison wit three defenders, "He actually wiped ou a cheerleader than paused to lift her t her feet). A measurement at the WV 2 - with referee Paul Vargo using a piec of paper for accuracy - halted the Buck eye drive.

West Virginia couldn't get a fir- st down on its next possession, and thing looked pretty bleak when Toronto' Phillip Thompson tracked dow Sweitzer for a 31 yard sack.

"I'm tired, very tired," was all Th ompson could choke out when he re- turned to the sideline.

Ohio, after a punt, turned the bal- over on a poor exchange in the backfield and Weir's Stead recovered.

Depew reached into his playboo- and came up with a fake-reverse-flea flicker, which went 45 yards from Sweitzer to Shaffer. Swisher's secon- stab into the line was successful - barel- - to pull WV to within four points onc- more.

Depew opted for more razzle-dazz- le on the two-point attempt, and instructe- Mike Coss of Linsly to throw the ball. The determined Coss had other plans

and dove head-first into the right corner for the conversion at 1:44.

West Virginia attempted an on-side kick and, after a scramble, unpiled as St. C.'s Brad Swan and Buckeye North's Rich Hazlett danced to the sideline, football in hand. It was all over.

Ohio now leads the overall series 23-19 and, since Ohio Valley Athletic Conference sponsorship, 9-7. The Buckeyes have captured four of the last five games and eight of the past 10.

Defensive standouts for Ohio included Gunn, Ramsay, Jeter, Walkosky, Thompson and linebacker Spike Johnson of St. Clairsville.

West Virginia received high-grade defensive efforts from Frye, Shook, Brooke tackle Don Koscevic, and Brooke linebacker Mike Gundling. And Holmes, the smallest player on the field at 140 pounds, was sent to his back several times, but his speed was vital to holding Ohio to just two scores.

The Buckeyes gained 294 yards on 50 rushing plays and totally disdained the pass (Vincent, who had an injured right shoulder, was 0-for-1).

On the flip side, West Virginia had 182 total yards and managed just three first downs in the second half.

The jury is no longer out - this case was too persuasive for the defense.

~ A Tribute to George Strager ~

(A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2003)

With another high school football season set to get underway, I thought this might be a good time to reflect on the career of the late George Strager.

The Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own time, amassing a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody went home, satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record stands at 246 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced on the field. The love and dedication that he gave the couple of thousand kids he coached affected most of their lives in a positive way.

Yes, George was hard to play for and tough as nails on the field. His pre-game and halftime talks were filled with fire, especially when he didn't think his team was performing up to his expectations. But he was hilariously funny at times with the coaches and players.

Today's younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity from this coaching giant.

This past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer and Wheeling Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

Huff spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coach at St. Clairsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red Devil. "It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibility and confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at St. Clairsville.

"He was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realize that George was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away. Young did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well. "Young admirably was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the offense. He talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were very fortunate to have had many quality athletes at St. Clairsville," Young also said.

The most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the NFL and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came at a time when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had some great teams that got a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never made it into the playoffs.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out that Strager is probably the only person to have coached three different Ohio Valley teams to unbeaten seasons. His 1953 Sistersville Tigercats did it and won the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic backfield in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 10-0 in 1970 and 10-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered Coach Strager's because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and you always had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams were always well covered. They never seemed out of a game because of his offense's ability to strike from any place on the field. "Some people say they did certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

Doug certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks and earned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and making something special.

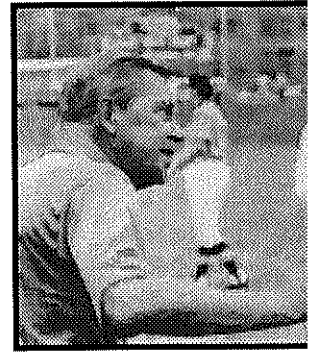

Bob Kettlewell, the late successful coach at Wintersville (now Indian Creek High School) regarded Strager as being as good a quarterback as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. "Someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

My relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic, I was a young writer and both Strager and the late Bob Roe, then the head coach at Wheeling High School, took me under their wing. Strager was never known for paying much attention to the defensive side of the football, although I'm sure that was exaggerated.

I do recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opening game at Wheeling High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with the offense it hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

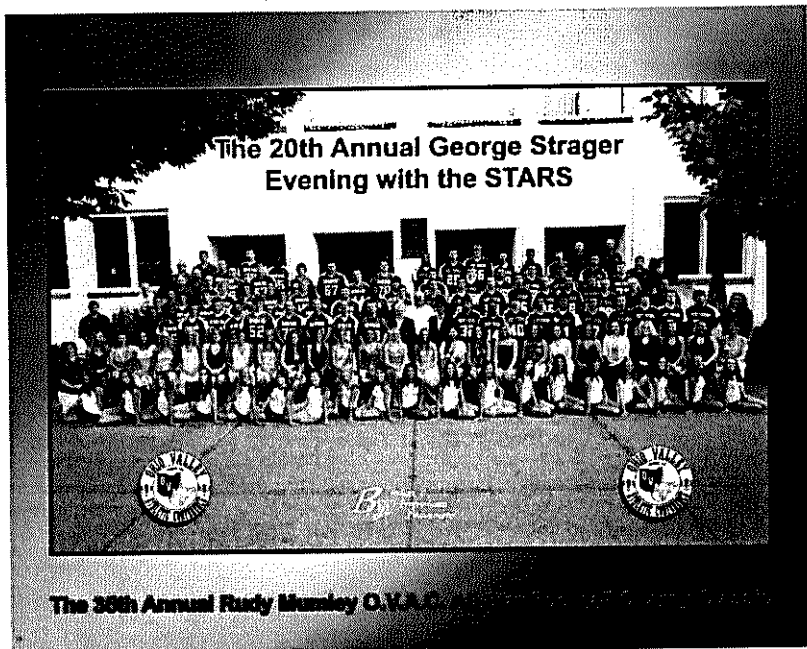

Either the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville carried the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of the today's athletes will continue to be felt. Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Player participation in the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening with the Stars.

Ol' George may be gone from our midst physically, but he will always remain in the thoughts of coaches, players and writers who

GEORGE STRAGER "EVENING WITH THE STARS"

Robert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy OVAC All-Star Charity Football Classic, has a simple self-diagnosis to explain his passion for football. The game, he says, is in his blood. And no antibiotic, no pill can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself... it doesn't matter what aspect it

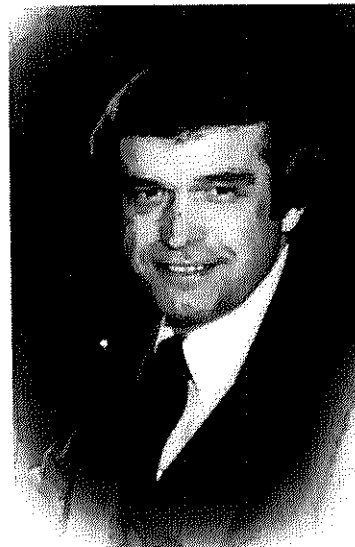

all found its way into the heart of Dr. Jones in the mid-1960s, when he played on the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive tackle then, you had to do it all," he said. -- and remembers cross-state clashes with Charleston fondly. Even if memories of the game's details remain cloudy, the memory of Wheeling Island Stadium will always remain indelibly etched in Jones' mind. "I remember my first game... we played Charleston," Jones said. "It was the only time I've ever seen the island (stadium) completely packed. We had a rivalry with them." And he still gets the same chills up his spine every time he visits the stadium, which was remodeled in the 1980s. "It's still the same place," he said. "Even if it is a different stadium. It's still a great place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they can take advantage of throughout their lives. Football was no different for Jones. Currently a general surgeon who also performs orthopedic and vascular work at Wheeling Hospital, Jones says he learned self-discipline -- a necessary component in a surgeon's mental makeup -- by playing football all his life. "The discipline of football pushed me to be a surgeon on the surgical field," Jones said

Jones has been involved with the OVAC Football Classic for the past 15 years, getting his first taste of the game when team doctor -- Luis Vazquez -- invited him to the 1984 game.

Most of the games that he's seen and worked were good. But one -- the 1987 classic -- stands out as great; because of the luminous stars who played in the contest. Ohio - featuring St. Clairsville's duo of Shawn Vincent and John Spivey defeated the Alex Shook- led West Virginia team 13-11 in the all-star game, played at Steubenville because of the proximity to Wheeling Island Stadium. "That was the best year, as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children - Patricia and Pamela, both 7.

OVAC DOCTORS

Christian Sonnefeld will serve as the Team Doctor for the Ohio Valley at this year's game. He graduated in 1994 from Wheeling Central High School and played football under legendary Coach Jim Jones as a wide receiver and a defensive back. Dr. Sonnefeld is proud of the impact the OVAC has on the youth of the Ohio Valley. "It is a pleasure to be able to help the OVAC continue their great tradition of playing on the youth of the valley." In addition to his game day duties, Sonnefeld attends the first day of camp at West Liberty State University, administering physicals to all of the football players. Before high school, he attended West Virginia University and graduated from the WVU School of Medicine of Neurology. He has a general neurology practice at Wheeling Hospital at Medical Park. Dr. Sonnefeld lives in Wheeling with his wife, Maryanne. He enjoys golfing and cooking.

The Ohio Valley Athletic Conference is very fortunate to have men of such caliber who are willing to donate their time to ensure that the athletes of the Ohio Valley receive quality care while participating in the conference.

Wheeling News-Register

There's a lot more to playing an all-star football than X's and O's. For proof, just ask Todd Fullerton, who will coordinate the medical services for tonight's Rudy Mumley OVAC All-star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

Ensuring that the teams have plenty of supplies, from medical tape to ice packs.

Telling coaches if players injured during the game are healthy enough to return to action.

Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said.

"Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC for the past 15 years, and he's been working in sports medicine for the past 30 years.

His athletic training career started in the late 1960s when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelor's degree in physical education from The Ohio State University and a master's degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

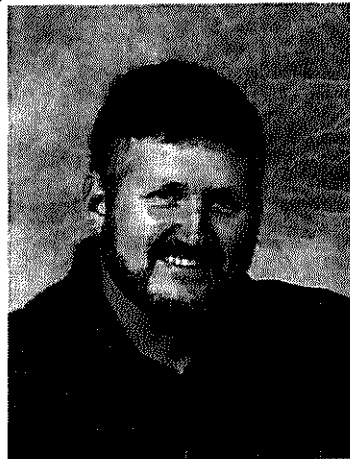

While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.

Fullerton worked the summers of 1972 and 1973 in Bradenton, Fla. with the Pittsburgh Pirates organization.

While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC. That's why he returned to the Ohio Valley in 1985. Currently, he works as a registered nurse in the emergency room at Wheeling Hospital. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship...sometimes the kids don't realize what they have until they are out of it." Fullerton lives

Wheeling with his wife, Susie, and his two children - Jaclyn, who will turn 10 in August, and Jake, 8.

MAGNOLIA COACHES LOOKING FORWARD TO OVAC CHALLENGE

All-Star Games aren't just honors for the athletes set to take part.

The coaches picked to work the game are also bestowed an honor and it's one that Mark Batton and his Blue Eagles staff didn't have to think twice about when they were approached to coach in this year's annual Rudy Mumley OVAC All-Star Charity Football Classic, slated for July 29th at Wheeling Island Stadium.

"Our staff has been together since I've been the head coach," Batton said. "We never hesitated a minute when (the OVAC) called and asked us to do this. We're looking forward to the challenge and we're going up to the camp and hopefully have a good time, meet some great kids and then hopefully win the football game."

Slated to join Batton on the Mountaineers sideline are: Dave Grandstaff, Todd Barcus, Bob Ripley, John Smith and Craig Schneid. Here is the capsule look at the coaches:

MARK BATTON – This veteran Blue Eagles mentor has been successful since he took over the program eight years ago. Batton has led the Blue Eagles to the playoffs four times, including a berth in the state semi-finals in 2004. He also won the OVAC title that season. Batton has been selected to coach in the West Virginia North-South (C) game as well as the BACF game. He's had nine first team all-state selections, and he owns a 50-36 career record. Along with his football duties, the 1977 Magnolia and 1981 West Liberty graduate is also the head softball coach at Magnolia. He also worked with the boys basketball and track teams. During his years on those staffs, the Blue Eagles captured five state championships, three in track and the 2000 hoop title. Mark and his wife, Vicki have three daughters, Abi (23), Dani (19) and Tanya (16). He's also got a grandson, Kaleb (3).

DAVE GRANDSTAFF – This former OVAC All-Star has spent 14 years on the staff of his alma mater. The 1967 graduate received the Magnolia High School Athletic Boosters Life Achievement Award. Dave and his wife, Melinda have four children: Paul, Angie and Rachel.

TODD BARCUS – This 1997 Blue Eagles graduate has returned to his roots to serve as a teacher and coach. Barcus graduated from Magnolia in 1997 and went to Coastal Carolina University in Myrtle Beach, SC to play baseball, but he finished his college career at West Virginia in 2001. Since returning from college, Barcus has been a member of the Blue Eagles staff for five years. He was on the baseball staff in 2003 and 2004. Todd and his wife Angie reside in New Martinsville.

BOB RIPLEY – This veteran coach has been around the Blue Eagles' program for 28 seasons. Ripley, a Newcomer graduate, earned his Bachelors degree from West Liberty State College and then his Masters from Salem College. He was a basketball coach at Magnolia during his stint there as well. He served as the head coach for six years and was an assistant coach for two years. Bob and his wife Jane have three children: Chase, Brett and Ashton.

CRAG SCHNEID – This legendary Blue Eagles track coach has also been an eight-year member of the Magnolia staff. All told, Schneid has coached football for 15 seasons. He's also coached at St. John and for 18 years was the track coach for the Blue Eagles, winning numerous state championships. In 2002, Schneid was named OVAC Coach of the Year. In 2003 he received a Dapper Dan Man of the Year. The West Liberty State College product currently coaches track at Magnolia. He earned a Masters degree from WVU in Safety Administration. Craig and his wife, Renee have two children: Jacob and Adeline (13).

JOHN WESLEY SMITH – This 2002 Blue Eagles product was a two-sport standout during his years at Magnolia. Smith was a two-time All-State pick and was twice All-valley and All-OVAC. Smith went on to earn his Bachelors degree from West Liberty State College.

ST. CLAIRSVILLE HAS FAMILIAR STAFF

The St. Clairsville Red Devils were coming off an upturn in 2005 and had a solid nucleus back from last season's record of 7-3 wasn't as good, but the entire body of work included a big improvement in the Red Devils' program and the coaching staff. Brett McLean and his trusted staff guided the team to the Ohio Division IV playoffs as the champions in Region 15. The Red Devils coaching staff approached in December about taking the reins for this year's Rudy Mumley OVAC Community Football Classic. For McLean and his staff, it was a no-brainer.

"I actually talked as a staff what we'd have been able to coach in this game," McLean said, "I wanted to be a part of it, but I am more excited about the coaches because they are looking forward to the opportunity." McLean and his staff have been on the job since he took the job five years ago. "I've been consistent (with our coaches) at the level," McLean said "Most of these guys have been with me since at least my second year." "I will take a full staff of coaches, including Justin Callarik, Bruce Stiles, Ryan Clifford, Justin Ben Frye, Kevin Sacco, Chris Patrone, Mac McLean, John Vrotsos and Mike Jacobs to West Liberty when the teams report to camp July 22 to begin preparation for the July 29th kickoff at Wheeling Island Stadium. "We know some staffs were unable to do this game for whatever reason, and we were fortunate to get them," McLean said. "We were willing and we jumped on it when (the OVAC) offered it to us."

For a capsule look at the coaches:

MCLEAN - This head coach did something with the Red Devils that hadn't been done for 17 seasons. He guided them to the Ohio Division IV playoffs with a 7-3 campaign last fall. McLean has been on the job for five years in the Belmont County Seat and has posted a 28-23 record. All told, he's been coaching for eight years. Prior to arriving in St. Clairsville he was an assistant at Louisville St. Thomas Aquinas near Canton. The 1996 Brooke High School grad played football at Mount Union where he was a member of the 1996, '97 and '98 Division III National Championship teams. He's also had experience coaching on the track. Brett and his wife, Victoria are expecting their first child. The couple lives in Bethesda.

STILES - This veteran defensive coordinator has been a football coach at St. Clairsville for 19 of his 21 years in the profession. He's also served as a coach at Barnesville and Buckeye Trail. Along with football, Stiles is currently the chief assistant on the Lady Red Devils girls' basketball team and coaches track and boys' basketball. The 62nd Annual Rudy Mumley O.V.A.C. All Star Football Charity Classic

2007 WEST VIRGINIA ALL-STAR FC

Ken Kasserman Referee

Pete Tamborello Umpire

Tom DeMuth Linesman

Larry Rine Side Judge

Alan Cox Back Judge

Dave Frey Line Judge

FREE KEN KASSERMAN has been officiating for thirty-four years and has officiated numerous play-off games in Ohio and West Virginia. He officiated the West Virginia AAA State Final in 2006 that went into overtime, and that was a thrill, but you know what I will never forget was in 1966 I had Bellaire – Martins Ferry game...both were 9-0, on Friday night I refereed the Linsly – Bridgeport game the next night, and they were 9-0. I worked this All-Star game in 1998, and it's always a special for OVAC officials.

When I started teaching in 1971, various coaches in the New Martinsville area mentioned to me how much officials were needed, and I'm not sure if it. In fact, I think the need is greater now than it was then. I would encourage young people to come join us on the field – you won't regret it.

Ken is also an accomplished track official, and has served as the Umpire at the West Virginia State Track Meet for the past six years. In 2006, he was honored as the West Virginia Track and Field Official of the Year.

Ken lives in New Martinsville with his wife, Janice. They have been married thirty-four years and raised two daughters, Kristy (husband Andrew) and Leslie. They have one granddaughter, Lucy. Ken is now retired from teaching after thirty-three years in the profession and now spends his free time bicycling, hunting and gardening.

Ken graduated from Magnolia High School and holds a Bachelor's degree from West Liberty State College and a Masters degree from West Virginia University.

FREE PETE TAMBORELLO has been a football official for sixteen years. He has worked several West Virginia play-off games and many of the OVAC Classic rivalries. "I feel privileged to be involved with the game and this great tradition."

Pete graduated from St. John Central High School and is currently employed as a Frito-Lay Route Salesman. He lives in Bellaire and enjoys riding his motorcycle. His family includes fiancée Christy, daughter, Mandy and son, Dominic, who we lost in 2005, at the age of 16. He loved Mandy as much as I do and will be sadly missed by all who knew him. "I'll surely be on the field with me tonight."

SMAN TOM DeMUTH has been wearing the striped shirt for sixteen years. During this time, he has worked the 2005 WV AAA State Championship game as well as the semi-finals in 2004 and 2003. He worked his first game as well as the first United Indoor Football league game several other IIFL games, including at Rupp Arena in Lexington, He works the NCAA Division 2 games.

"I would like to thank Doug Costain, who talked me into trying officiating several years ago as well as veterans Tom Bechtel, Dave Clutter, Bill Harter, Bill Flannigan, Al Kloss, Butch Minkemeyer, Chuck Taskalines, and Vermillion, Mike Clyde, Don Zinni and Doug Robbins whom all helped me along the way and my crew – Chicken, Kaz and Big Pete. I am also working this game with me. I am very grateful to have a

very understanding wife - Susan, you've been patient every day – and lastly, the late Don Carp. Don taught me several years ago. Let's have fun and above all – no shenanigans!!"

Tom attended Wheeling Central High School and West Liberty College and lives in Warwood with his wife of nineteen years. They have two children, Jordan, a senior at Wheeling Park and a sophomore at Park. He works for Orkin and enjoys recreational ice and roller hockey as well as golf and NASCAR racing. He is a member and trustee of the Warwood Vets and the Wheeling Park High School Hockey Board.

LINE JUDGE DAVID FREY has been officiating for seventeen years. "I started officiating after my son played football and graduated from Brooke High School. I wanted to stay involved with the game and play-off games. I prefer to go watch them. I enjoy the rivalry games in the OVAC."

Dave graduated from Wellsburg High School and continues to live there. He has been married to his wife, Sharon for thirty-nine years and they have three children, David, Michelle and Christopher. He is employed as an Archway Cookie distributor. He likes to hunt and has enjoyed dirt bike riding in his younger days.

SIDE JUDGE LARRY RINE has been officiating for eighteen years. This is the third OVAC All-Star Game he has worked as well as West Virginia and Ohio play-off games. "It was an honor to be a part of the officiating crew to do the first home play-off game hosted by Martins Ferry against Proctorville Fairland. Bruce Shively talked me into officiating a try many years ago. It was absolutely one of the best decisions I have ever made."

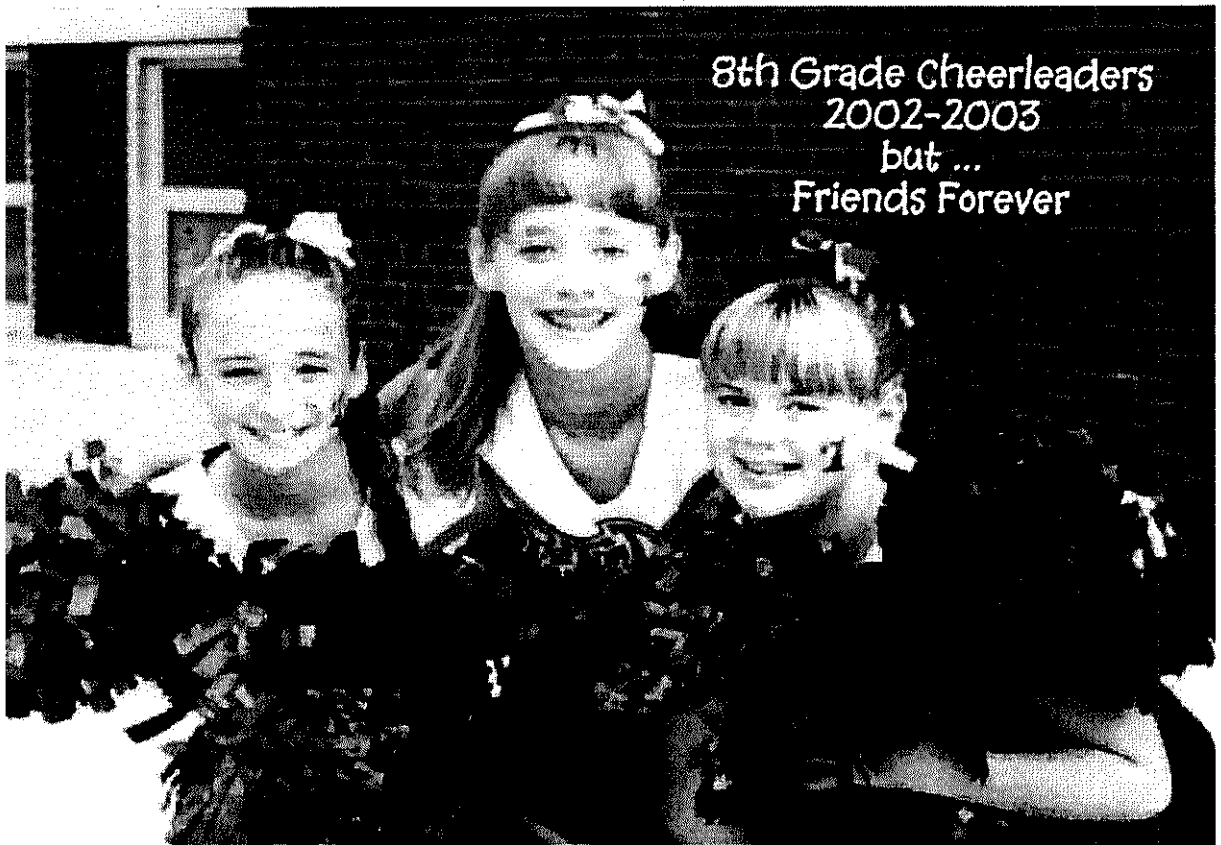

Larry attended Bellaire St. John Central High School and West Virginia University. He lives in Wheeling with his wife, Chris and their children Sean and Alexandra. He works for AT&T and enjoys golfing and riding on his Harley-Davidson motorcycle.

BACK JUDGE ALAN COX has been a football official for twenty years and a basketball official for twenty-nine years. "Actually, I started out refereeing basketball. I was playing summer league games, but never had enough officials, so I would referee a game after a while. So many of the basketball officials also did football, so I started doing football, too." He has refereed many play-off games in West Virginia, including a state championship game. "I am proud to be a member of the West Virginia-OHIO Board of Officials. My favorite thing to officiate is any school in the OVAC."

Alan graduated from Oak Glen High School. He worked for Steel for twenty-nine years, but took advantage of the recent buyout and is not taking classes to be an elementary school teacher. He lives in Wheeling with his wife, Cassie. His three children include son Brianna in New Castle, PA, daughter Amanda in Latrobe, PA and a daughter who lives in Cincinnati.
