## **Don Minder - Warwood High School**

**SETH STASKEY**

Times Leader Sports Editor

There's probably a good chance that none of the players in today's annual Samuel A. Mumley C All-Star Classic have heard of the late Don Minder.

However, that does nothing to change what the former Warwood High coach did for the sport during his 81 years of living.

Minder's contributions to the game of basketball in the Ohio Valley actually started in organizing Arch Basketball League before stretching to Warwood.

It's what he's offered to hoops, which made him the 2009 recipient of the Bob Burton Distinguished Award.

"Don would be just over-whelmed with this honor," said his sister and only surviving relative Norma. "Don was the kind of guy who never looked for any publicity. He just did his job."

Don graduated from high school in 1936 after a strong career in basketball and football. He held various jobs to put himself through business college.

Then his nation called and Minder enlisted in the United States Army just 10 days prior to the attack on Pearl Harbor. He served in the South Pacific in the medical corp. and after his discharge in 1945, he returned to Warwood, but it wasn't nearly as simple as it sounded.

Minder hitchhiked his way to and from West Liberty State College through his graduation in 1948, earning a Bachelor of Science degree. He then thumbed his way to Morgantown and earned a Master of Science degree in 1950.

After that, he was hired onto the faculty at Warwood High School. While there he coached football and basketball. In track, Minder's Vikings claimed three consecutive OVAC championships before the opening of the new track.

Minder stepped down from coaching a year before the consolidation occurred in Ohio County. While some of his greatest success on the track, his sister revealed that his first passion was basketball.

"Don played basketball every chance he could," Norma said. "He was an avid sports fan, but football and track were his big three."

Minder was never married. His sister will accept his award.

## **Don Strahler - Fort Frye High School**

**SETH STASKEY**

Times Leader Sports Editor

One of the biggest keys to coaching and/or teaching is enjoying kids.

It's easy to figure out why Don Strahler was highly successful during his 36-year coaching career at Fort Frye High School and now Frontier High School.

"I enjoy the kids," Strahler said. "They make you hang in there and it's great when you see them succeed in life."

Success has followed not only Strahler's former players, but himself. That's why he's receiving the National Field Girls Basketball Coach Award today.

"When I first heard I was receiving the award, I wondered who in the world would have turned it down," Strahler joked. "I sincerely appreciate the award. I guess it's just a case of having longevity and a lot of love bought into the system."

There's more to it than longevity.

Strahler is a 1959 graduate of Fort Frye High School and then went on to earn a degree in mathematics from West Virginia University, finishing his degree in 1964.

From there, it was immediately into the classroom and into the coaching ranks.

"I have been in the classroom since the 1964-65 (school year)," Strahler said. "I got my start at Fort Frye High School in West Virginia."

## ***n Straler con't***

ever, it was at Fort Frye where Strahler left his mark. He guided his Lady Cadets for 18 years, comp

reached the district final several times, but never any further.

year we're in the district final and we're winning the game, but Zanesville Rosecrans got a stickback in," Strahler said. "We just didn't get the job done on the backside. Making it even tougher we went to the state tournament that year."

Strahler always had support of his wife Rebecca who herself was in the coaching realm. She coached years, basketball for seven and softball for nine. Don was her chief assistant when the Cadets appeared in the early 80s, finishing second in 1982.

Strahler had the unenviable task of following his wife's success when she stepped down as the softball coach. Don compiled a strong 119-34 record.

Over the years, Strahler was PVC basketball coach of the year five times and softball coach of the year once. He was state girls basketball coach of the year after the 1993-94 campaign.

Along with his hoops and underarm assignments, Strahler spent 21 years on the Fort Frye football staff and his wife — who reside in Marietta — had two sons, Scott (29) and their son Andrew passed away.

## **Gary Sprague - Linsly**

**ASKEY**

Senior Sports Editor

When it came to the OVAC, there's a good chance Gary Sprague's done it at Linsly School.

Over the years, the OVAC is honoring him for one of his many duties that may have very well went unnoticed by those who attended home basketball games.

He spent 27 years as the official time keeper and scoreboard operator and today, he'll be presented the OVAC Timer/Scorekeeper Award.

He is a 41-year member of the faculty at Linsly School and got the opportunity to keep score under four coaches.

Over the years, it was his first coach who made it all possible.

He met Skip Prosser — who cut his coaching teeth at Linsly and Wheeling Central before bursting onto the scene with the girls basketball at Xavier and Wake Forest — convinced Sprague to work the scoreboard.

He always went to the games and Skip said 'why don't you try keeping the clock since you're coming to the games' and Sprague said. "I had always enjoyed basketball and it was a way to give back to the school and help him out."

Over the years, Sprague and Prosser coached freshman football together in 1979 and became very close during that season. Sprague worked the scoreboard under the likes of Dan Petri who went on to coach at West Liberty State College and current Linsly head coach Mark Dodd before giving up his seat at the scoreboard after the 2007 season. Sprague indicated that no one game really jumped out at him since he'd been through so many, but he did have a few hiccupps along the way.

Over the years, there are a lot of times over the years where you felt like you started the clock too soon or too late," Sprague said. "The possession arrow also becomes a little bit of an issue at times. There's definitely no one who does it better than me."

Over the years, he did get to know many coaches over time, he got to know a lot of the officials who work closely with him at each game.

Over the years, he was able to work as a team, which is important for that position," Sprague said. "I think I helped them out and now they definitely helped me."

He began working clock for girls games in 1989 and continued until 2006.

Over the years, he enjoyed doing the girls more or less just to help them out," Sprague said. "The program was new, so I knew it would be one thing that would be taken care of and most of the time wouldn't have to worry about."

He is most well-known at Linsly as the most successful baseball coach the school's ever seen. He retired after the 2006 season after 33 years on the job. During that time, he compiled a 488-253 record and claimed several championships.

He joined the Linsly academic staff in 1968 and has taught a variety of subjects in grades 5-11. He currently teaches Latin and Mythology to eighth graders, which is a required course.

## John Stanko - Bishop Donahue / Shadyside High School

SETH STASKEY

as Leader Sports Editor

John Stanko has been involved in the Samuel A. Mumley OVAC All-Star in many capacities. He's coached both states, he directed the game for three years and now he's being honored.

Stanko — the former Bishop Donahue and Shadyside High head coach — will receive the Merfield Boys Basketball Coaches Award at today's annual all-star games.

"It's a great honor that I will accept, but it goes to many different people who've had a success I've been fortunate enough to have," Stanko said. "I've been around great players, great coaches and great administrators, which made me look good."

Stanko began his head coaching career at Donahue in 1976 and remained there until he departed to accept the head coaching job at Shadyside.

He guided the Bishops to the 1981 state championship and a 22-4 record. They knocked out the sectional, Parkersburg Catholic in the regional final and then took out Mullens, 69-68, for the title.

After that season, Stanko was named OVAC Coach of the Year.

In 1982, the Bishops were knocked out of the SSAC Tournament in the regional with a 1-2 record. They were awarded the OVAC Official's Sportsmanship Award.

The following year, Stanko's club posted a 21-3 record, falling in the regional to Parkersburg but it won the OVAC title that season.

During the 77-78 season at Donahue as well as the 80-81 campaign, Stanko also served as an assistant coach.

"You are only as good as coach as the talent you've got," Stanko said. "I was around great players both at Donahue and Shadyside that were extremely dedicated and talented."

During his stint at Shadyside, Stanko claimed four sectional titles and led the Tigers to district runner-up finishes in 1988 and 1989.

Despite a team with nearly a starter standing taller than 6-feet, the Tigers' 1988 squad finished with a 22-4 record and won the OVAC Class A title. In the 1991 season, the Tigers were ranked in the state poll and won a 14-game winning streak en route to the sectional title.

Stanko coached four 1,000-point scorers in his career. Two came at each school. Gary Link Yankovich reached the milestone at Donahue, while Todd and David Antill achieved the feat at Shadyside.

Throughout his career, Stanko coached in the OVAC All-Star Game three times. He coached the Mountaineers in 1978 and 1982. He led the Buckeyes in 1988.

During the 1982 all-star game, Stanko got to work with longtime friend Skip Prosser who died only two summers ago from a heart attack.

"I am eternally indebted to the positive influences of former Linsly head coach Don Joseph and Skip Prosser who were all very instrumental in helping me to develop a coaching philosophy," Stanko said.

Along with basketball, Stanko was the head boys track coach for two years at Shadyside. He led the Tigers to OVAC titles in both campaigns. He also worked under now retired Ty Fleming on the basketball staff from 1983-87.

Aside from coaching, Stanko was an English teacher at Shadyside before becoming a guidance counselor and dean of students from 1995 until his retirement from education this year. He is married to the former Sue With. They have two children, Matt (27) and Lauren (17).

## Andy Cross

STASKEY

Senior Sports Editor

no matter the sport, no matter the teams, officiating plays a unique role in athletics. And for that reason is why Andy Cross has been a staple in three sports as an Ohio Valley official after spending 31 years as a registered basketball official in both Ohio and West Virginia, Cross retired from the sport he got involved in as a student at Bethany College.

Cross is now being recognized for his service by the Ohio Valley Athletic Conference Basketball Association, which will present Cross with the Robert Dawson Basketball Officials Award at today's game. "I always tried to enjoy what I was doing," Cross said. "Officials are in unique roles at games with players and fans, but I always felt it was important to apply rules consistently and present a fair game to everyone."

Cross showed up at Bethany College after graduating from Morgantown High School in 1972 and officiating while working under Bob Goin.

Cross then opted to become a registered high school official and basically the rest is history. "Officiating provided an outlet where you can turn things off from the day and concentrate on school," Cross continued.

Cross — who currently works at Wheeling Hospital — has been married to his wife Jennifer for 15 years. Now the couple is experiencing a 'second honeymoon' now that his officiating nights have taken

haven't really caught many games at all to be honest," Cross said. "I have been enjoying the game. There were some times early on (in our marriage) where we had some discussions about officiating at the games I was working, but as time went on she was really supportive and attended a lot

During the course of his career, Cross worked three Ohio girls state tournaments, including the 2001 Division I state championship game, which came down to the wire and ended on a controversial call by Cincinnati Mt. Notre Dame the win over West Chester Lakota West.

Cross had been thinking prior to that game that last year was going to be my last year," Cross said. "I have worked three girls' tournaments in West Virginia as well as a pair of boys tournaments in the Mountain West Conference. He worked Ohio regional tournaments as well during the course of his career.

Cross was also named Ohio District 12 Official of the Year and served the Ohio Valley Basketball Association as an interpreter and training director.

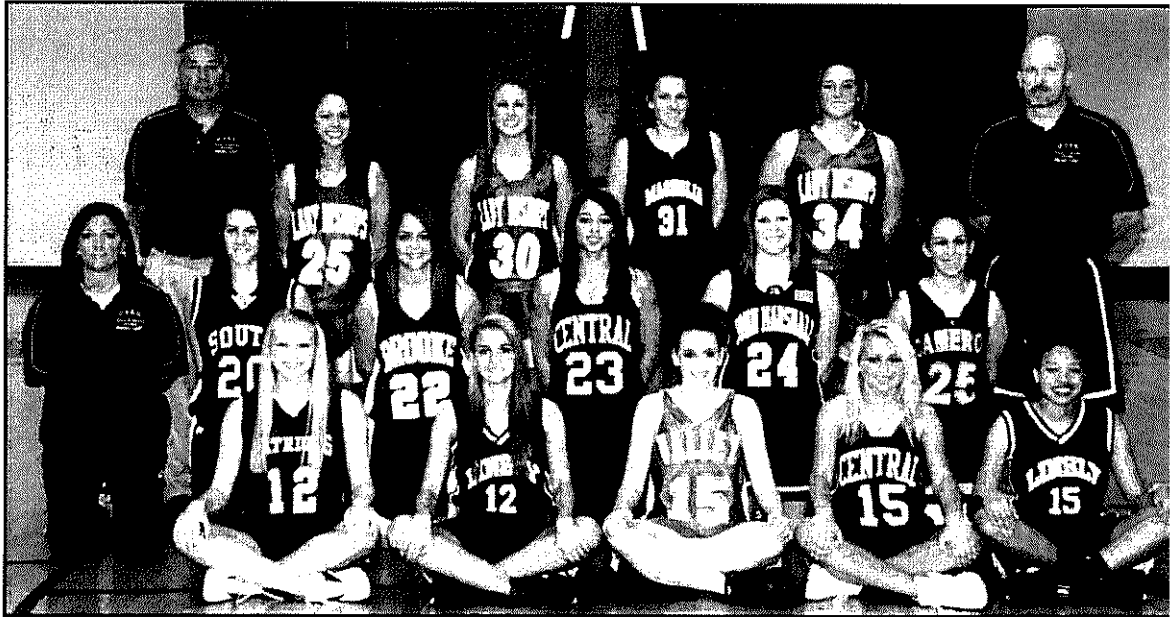

"There have been so many people who have helped me along the way that I don't want to start trying to name names," Cross noted. "We've had so many good officials on our board and I am most appreciative."

Along with basketball, Cross officiated volleyball for eight years and worked baseball for 31. He worked in volleyball and had retired from baseball, but has decided to get back involved on the diamond. Cross earned his degree in physical education in 1976 and taught at the Wheeling Country Club. He decided that field just wasn't for him. He then became an administrator at the Home for the Aged in 1989 and joined the Wheeling Hospital staff as a buyer.

Cross and his wife Jennifer reside in Wheeling with their three cats and dog.

### #24-Jordan Barbina

Jordan played at Union Local High School for Coach Ben Porter. As a four year letterman, the 6'1" point guard averaged 15 points, 4 rebounds, 6 assists per game and has accumulated over 1,300 pts. Jordan earned All-OVAC, All-Eastern District and All-Valley "Big School" honors, as well as, Special Mention All-State and Honorable Mention All-State.

As a three year letterman in football, the quarterback-defensive back earned first team All-Ohio Division IV honors as well as ALL-OVAC and All-Eastern District plaudits and was selected co-captain of The Intelligencer's 77<sup>th</sup> annual All-Valley "Big School" Team and a two-year All-Valley honoree. He also was the WTOV-9 Big 22 Player of the Year and the Dapper Dan "Male Athlete of the Year." He will be playing in the North-South All-Star game in June.

In baseball last spring as a three year letterman, Barbina earned Honorable Mention All-Valley honors. His team earned the OVAC AAA title in '07.

Jordan plans to attend Lake Erie College where he will play football while pursuing a degree in business.

Jordan is the son of Jim & Lu Anne Barbina of Bethesda.

of the Wheeling Park Patriots

## **GOOD LUCK D'JHAE**

Words cannot express the exhilaration that we feel while watching you play basketball. We are all proud of the way in which you have developed. First, as a human being, then as an athlete on the court as a team player.

You have grown from playing as Bridge Street Devil, to playing varsity with the Wheeling Park Patriots since only fifteen. **KEEP HUSTLING!**

**"I want your friends to have a  
good time here. But, no alcohol."**

As a parent, your position may not always be popular. But, as most parents agree,  
hosting a teen drinking party is wrong and illegal. So, talk with your teens,  
and help them find ways to have a good time without drinking.

# Hurray for the OVAC!

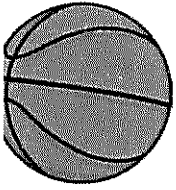

At Huntington we're kind of partial to H words. H is for home. Home. Harmony. Heart. And in this case, H is for Hurray. We hurray for the OVAC and good luck to all the participants! We're so happy (another good H word) to be able to support something that makes our community a better place to be.
