# 64th Annual Rudy Mumley All★Star Charity Football Classic

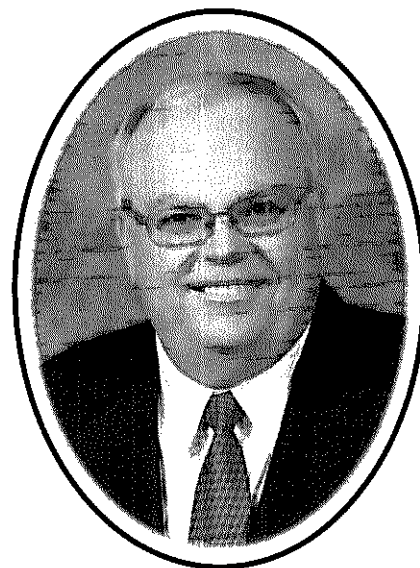

~ 1971-2009 ~

Welcome to the sixty-fourth edition of the Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic. Assembling on the field tonight are many of the best young people in the upper Ohio Valley. This is a unique collection of all-star football players, cheerleaders, band members and talented queen candidates. The OVAC knows of no other similar assembly of high school talent in the United States.

I hope you enjoy and appreciate the skills on display this evening. It has been a pleasure for me, the coaches, the directors and the rest of the game committee to work with these fine young people over the last several weeks leading up to tonight's event. I would like to thank the parents who have raised these fine, young people – it is not an easy task.

Thank you for attending this event. Your support is needed and appreciated to continue and improve this outstanding charity event.

I would like to wish the best to the participants in tonight's activities – they are our future.

GAME DIRECTOR

## On the Cover...Linda Myers

It was the early 1980's that Linda Myers joined the Ohio-Valley Athletic Conference family. For almost three decades, Linda has contributed countless hours to the efforts in developing the OVAC to the powerhouse that it is today. She has participated in many of the sporting events, most notably the Rudy Mumley OVAC All-Star Football Extravaganza, the Ron Mauck OVAC Wrestling Tournament, and the prestigious Queen of Queens Pageant.

In the early 80's, Linda was recruited by her friends, Rudy Mumley and Ron Mauck to help assist with the football and wrestling tournaments. From checking football players in at camp to typing brackets at the wrestling tournament, Linda has assisted with the many duties that help produce these successful events. Furthermore, it was in 1987 that Linda started acting as an OVAC liaison to then Queen of Queens coordinator Marjorie Lyons, of the former Stone & Thomas Department Store. She continued in this role until 1994 when she took over the helm as OVAC Queen of Queens Director. Linda revamped the style of the pageant, developing it into the spectacular production that it is today. Thousands of dollars in scholarships are given to the Queens who place in the competition.

In 2006, Linda stepped down as coordinator but remained in charge of all program advertising for the Rudy Mumley OVAC All-Star Football Classic. While the queens are responsible for the ad sales, Linda organizes, collects, bills, and assists in the production of the football program. The program has seen much change and growth since its inception, and Linda has been responsible for its success into the compilation that it is today. Thousands of dollars have been raised from the ad and program sales. Thus, Linda and the rest of the OVAC family contribute many hours toward the vision and goals of this great organization, while also enabling positive experiences for the young people of the upper Ohio Valley.

Personally, Linda has worked as a teacher for Ohio County Schools since 1980. She is a graduate of West Liberty State College and West Virginia University. She retired from teaching this past June. She currently resides in Wheeling with her husband, Tom. She has two children, Bryan Myers, Karen and her husband Eric Noel of Wheeling.

As former game director and long-time friend, Ron Mauck notes, "It is only fitting that the 2009 Rudy Mumley All-Star Football Program recognize your hard work and dedication to the Rudy Mumley All-Star Football game. Through your guidance you have provided great experiences for our Queens in the Queen of Queens Pageant and your organizational skills have given our OVAC football fans a program second to none. As a former director of the Rudy Mumley All-Star Game, I salute your efforts." And Rudy would add, "Job well done."

The Times Leader

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

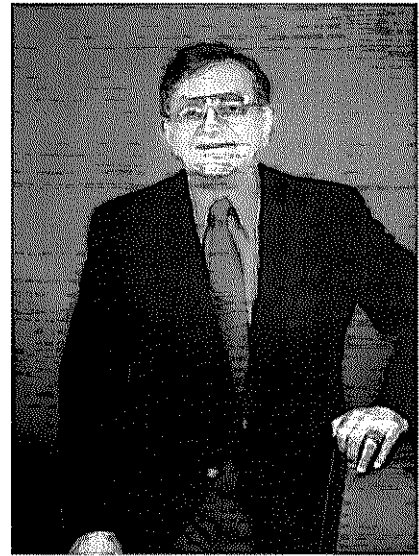

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

**RUDOLPH "RUDY" MUMLEY**  
**1918 -1999**

purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9. .

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC officials several years ago renamed the contest as the Rudy Mumley OVAC Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

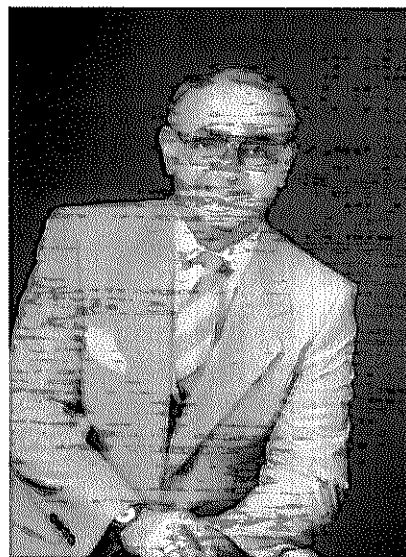

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC, the league was in dire financial straits.

**SAMUEL A. MUMLEY**  
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC map. At last May's OVAC Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC's "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

While the Ohio and West Virginia gridders are resting for their annual clash tonight at the Wheeling Island Stadium, the sixteen lovely girls who are vying for the Queen of Queens crown of the 10th Annual All-Star Game, will participate in a parade and a tour of the Ohio Valley prior to appearing at the game.

A motorcade of 16 convertibles will parade over the streets of Wheeling starting at the McClure Hotel, where the girls will be quartered in a suite of rooms at 11:45 a.m.

The convertibles with the 16 attractive girls will leave the McClure Hotel and travel south on Eoff Street to 16th then west on 16th Street to Market, north on Market to 10th Street, west on 10th to Main and south on Main to 22nd Street then on to Benwood. From Benwood the motorcade will move on to Moundsville and then back to Benwood, from where it will cross the river and visit Bellaire and move through the towns to Steubenville. From Steubenville the parade will travel to Weirton, Chester, Wellsburg, Follansbee, and then back to the McClure where the girls will rest for the game.

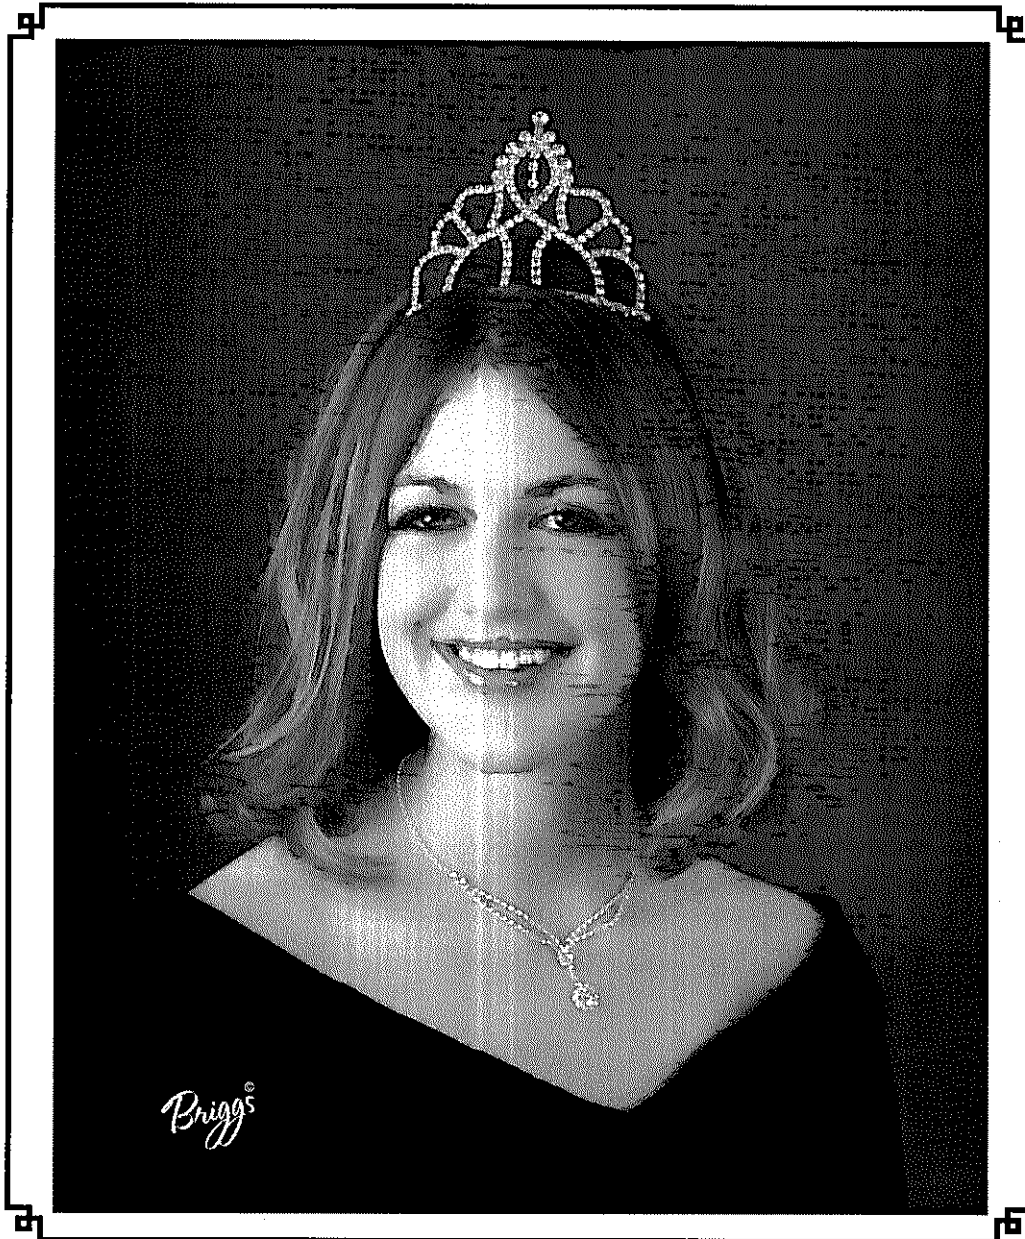

The girls will make a grand appearance at the Stadium at 8: 15 p.m. The Queen of the High School Queens will be crowned at colorful half-time ceremonies.

## “1940” The First All★Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shady-side youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike “Punchy” Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

### Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nighed successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the game. His Shady-side backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from a nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

# “1949” All-Star Game – 60 Years Ago

Punching through the strong Ohio forward wall for a touchdown in the first period, West Virginia regained the lead in the Ohio Valley all-star series last night as they downed the Buckeyes, 6-0, at Wheeling stadium before an estimated crowd of 10,000 people.

The West Virginia team generated a concerted drive, coupled with two Ohio penalties to put across the only score of the game. The Buckeyes, after receiving the opening kickoff, were forced to punt to West Virginia. An offside penalty against Ohio and a nine-yard gain by Bill Reynolds, of Saint Mary's gave West Virginia a first down at the 42. A series of plays failed to move the Mountaineers forward and Norman kicked out on the Ohio 31.

But a 15-yard penalty against the Buckeyes gave W.Va. the ball on the Ohio 40. Gene Kamensky of Weirton, Ed Norman of Triadelphia, co-captain Sonny Fromhart of Moundsville, and Reynolds alternated to carry the ball to pay dirt. It was Norman who hit the center of the line and finally put the ball on the one-yard line. On the fourth down, Norman gave the hand off to Reynolds who swept around right end for the touchdown. Co-Captain Jim Sperlazzo failed to convert the extra point.

After the kickoff, Ohio moved to its own 37 before Kamensky intercepted a pass to Clark Street of St. Clairsville on the W.Va. 40 and ran it back to the Ohio 37.

In the evening's most spectacular piece of razzle-dazzle, Fromhart and Norman teamed up to execute the ancient Statue of Liberty play. It was nullified by a holding penalty, which set W.Va. back on the Ohio 45m after the play had gone to the 20-yard line.

Earlier in the second quarter the Ohio team found itself in a bad spot after Norman had punted out on the Ohio 6. Ben Kernik of Powhatten, and Joe Porter of Bridgeport sparked the Ohio team in a drive that carried to the 37. Kernik's line plunges and Porter's passes raised the hopes of the Buckeye fans, but Kernik

was forced to punt out on the W.Va. 40.

After W.Va. had driven deep into Ohio territory, Coach Slick Morton's team took to the air to try to get back into the game. Ben Kernik and Lee Simpson, who later suffered a dislocated shoulder, made a first down for the Buckeyes on the W.Va. 45. Porter's passing carried to the 25, but two possible chances to tie the score slipped through receivers hands. The first half ended with W.Va. in possession of the ball on its own 37.

Ohio opened up an offensive threat that produced four first downs to only one for West Virginia. It was this period that Ohio made its most serious scoring threat with the ball in West Virginia's possession. Norman intercepted a pass by Porter on the West Virginia 8, and the next play found the ball bobbling around in the W.Va. end zone.

Reynolds, the great W.Va. Offen-

sive back, grabbed the ball and raced out to the W.Va. 12. Jim West's run back of a 45 yard punt to the midfield mark gave Ohio its last scoring chance. Reynolds interception of a Porter pass on the West Virginia 30 ended the threat.

Coach Charley Caldwell's Mountaineers drove to the Ohio 25 before losing the ball. A fumble by Kernick gave West Virginia the ball at about the same spot again when Jim Sperlazzo of Wellsburg pounced on the loose oval. The final whistle sounded with W.Va. on the Ohio 8.

The victory gave West Virginia a 43 edge in the seven game history of the series.

Lee Sampson, whose flashy running for the Ohio squad kept the W.Va. defense in trouble, was removed to Wheeling Hospital when he suffered a separated shoulder in the third period.

# “1959” All-Star Game – 50 Years Ago

West Virginia's "home grown" Mountaineer All-Stars ground out a sapage 7-6 victory over the Ohio Stars last night in the 17th renewal of the dream classic at Wheeling Stadium.

The sure-footed toe of Bob Butts, Union fullback was the margin of victory as the Mountaineers came from behind to break the victory famine. Ohio had won the four previous starts.

With the Buckeyes sitting atop a six point margin, West Virginia launched a 66-yard touchdown drive for victory. After the Mountaineers pounded down to the goal line, Parkersburg's Dave Boston blasted over from one yard out for the equalizer, and Butts' placement broke up the game.

For the first time in history of the fray, the rival quarterbacks were the stars of stars. Larry Tracewell, Parkersburg quarterback was voted the most valuable player on the Mountaineer squad, while his Ohio counterpart, Jim Hayes of Wintersville, who scored the Buckeye touchdown late in the first quarter, was named the Ohio MVP by the sports writers.

Larry Tracewell downed Floyd White's kickoff in the end zone and West Virginia took over at the 20. Bob Butts drove for three yards at guard. Dave Boston hit off tackle and went 46 yards to the Ohio 41. Catfish Hearst's fumble was recovered by Tracewell for a nine-yard loss. Boston then picked up three. George Mills then dropped Tracewell's pass and Roger Crow's punt was blocked by White. Crow grabbed the ball and got back to the West Virginia 48 but Ohio took over.

Bill Seach hit center for five yards and then Jim Hayes, on a keeper gained 18 yards to the W.Va. 25. Jerry Dougherty added twelve around end. Hayes picked up six more on another keeper. Ohio was fined five yards for offside. The Mountaineers tossed Hayes for a three yard loss and three passes fell incomplete with West Virginia taking over at its own 14.

Butts crashed for six, Boston added one, and then Butts hit for 10 and a first down at the 35. Boston picked up a yard; Rod Albaugh's pass fell incomplete. Butts was held for no gain, and Crow's punt went off the side of his foot and out of bounds at the Ohio 38.

The Buckeyes struck from there for their touchdown. Seach picked up his own fumble for a one-yard gain, and Hayes picked up eight on his favorite keeper play. Seach made it first down at the 50-yard line. Hayes hit right end on the keeper to score the touchdown with 1:15 to play in

the quarter. Jack Kirkpatrick's placement was blocked. Tracewell took the kickoff from the one to his own 26. Butts crashed for four, Boston three, and Butts cracked through for four and a first down at the 46 as the quarter expired. Albaugh lost two and then Catfish Hearst hit off the right side, cut back and sprinted for 26 yards to the Ohio 29. Butts got six, Boston added one, but Ken Civinski pounced on a Mountaineer fumble to give Ohio possession at their own 24.

Jim Roach carried for one and then passed to Dege Christian for 10 yards and a first down at the 35. Dougherty picked up one, Roach added four, and then Hayes, fading to pass, was thrown for a whopping 17-yard loss by three rushing gold clad defenders. Hayes punted and Tracewell returned to the Ohio 34.

Butts got nine and West Virginia advanced to the Ohio 18 via an Ohio roughness penalty. Butts picked up three yards, Catfish lost four back to the 19, but then Butts roared through for 14 yards and a first down at the five. Tracewell sneaked for one, Butts crashed for two, and Boston leaped over for the touchdown. Butts placement was good and West Virginia lead 7-6.

Butts kickoff was taken by Christian on a reverse to the 18. He picked up two more, Dougherty added seven and Seach gained two for the first down. Dougherty lost three and Ohio dropped five more on an offside penalty. Hayes threw to Christian for 11 yards and then with time running out, hit the same target for 13 more yards to the Ohio 48. Roach's pass to White was good on an interference charge to the West Virginia 38. Another long pass was batted down and then he hit Christian for six yards as the half ended.

White took Butts' short kickoff to open the second half on the Ohio 25 and returned to the 47. Christian on a cross-back picked up three, Albaugh stopped Dougherty out in the flat for a loss of seven yards. Hayes threw to White for 17 yards to the West Virginia 40. A personal foul on the Mountaineers hiked Ohio down to the 25. Larry Marquis then recovered a Dougherty fumble on the West Virginia 26.

The Mountaineers opened up with Butts running for three and then gave the ball back as Jim Wallace recovered a fumble at the 27.

Seach blasted for two, Mel Mason, the same. An incomplete pass by Hayes was followed by Roach's fourth down pass that was broken up by Walt Steinman.

Hearst was held for no gain. Butts

turned right end for eleven to the 34 and Butts then picked up another yard. Tracewell lost eight but then, on a twisting, running sprint picked up 24 yards to the West Virginia 47. Boston hit for three, the Catfish reversed to the left for 16 yards and a first down at the Ohio 34. Boston picked up six, and then Ohio drew a five-yard penalty but it still wasn't a first down. Tracewell made it with a keeper to the 22-yard line. He added three on the next play. Hayes fumbled but Tracewell recovered for a three-yard gain. Butts added one; Boston was short by inches of a first down at the 12 as Ohio took over.

Hayes skirted end for four; Dougherty put the ball on the 19 as the quarter ended. Steve Kokovitch hauled in a 33 yard aerial to the W.Va. 48. Hayes hit right tackle for six, and Dougherty added two, and then Dougherty added two, and Hayes threw to Bill O'Neil for 19 yards to the 21-yard line. Hayes then took personal charge of the game. He turned left end for three, hit right tackle for 11 to the seven, another yard off tackle to the six, but his pass to the endzone was batted down by Tracewell. He fumbled on the next play and Walt Steinman recovered at the three.

West Virginia gave the ball to Boston for a yard and Ohio drew a five-yard penalty for delay of game. Boston picked up two. Tracewell was stopped for no gain. Hearst hit for two, but a backfield in motion penalty cost five yards. Tracewell flipped a flat pass to Boston for six yards to the 21-yard line. Tracewell hurled to Mills on a buttonhook to the 27. Crow punted to the 38 but a five-yard penalty set the Mountaineers back to the 22. His next try was brought in by Christian who returned it to the West Virginia 47.

Bob Fuller downed Dougherty for no gain. Hayes' long pass was just barely missed by Christian. Roach's jump pass Kokovitch advanced the ball to the 37 for a first down. The next pass was intercepted by Albaugh at the 27 with three minutes to go.

Boston roared around right end to the W.Va 48. Butts bulled for six over left tackle into Ohio territory. He hit the other side for three more. Tracewell sneaked for the first down to the 38. Butts was held for no gain with seconds ticking off. Boston hit tackle for four, and then West Virginia drew a five-yard penalty for delay of game. Tracewell hugged the ball for no gain and Ohio took possession with three seconds left in the game. Hayes threw a long pass but Tracewell knocked it down as the game ended.

# “1969” All-Star Game – 40 Years Ago

Scoring two touchdowns before they had ever run a play from offensive formation, the underdog West Virginia gridders made an early lead stand-up in a 12-0 victory over Ohio in the annual Ohio Valley all-star football game, played before 3,800 fans Saturday night at Wheeling Stadium.

The intrepid Mountaineers shocked the favored Buckeyes with two long and sudden scoring strikes in the first six minutes of the ball game as Wellsburg's little Kit Kull raced 70 yards with a punt for the initial TD and Weirton's Jeff Jenesse picked a fumble out of the air and rambled 63 yards for the second score.

A giant defense line and the celebrated passing arm of St. John's Central quarterback Allen Hornyak had made Ohio the pre-game pick but West Virginia laughed at the odds. The Mountaineers short-circuited the touted Ohio Aerial game with six interceptions - five on passes by Hornyak and one throw by Winterville's Pat Kuzum. After the quick Mountaineer scores early in the game, Ohio fought back and made deep penetrations into West Virginia's territory but was thwarted once by a fumble at the Mountaineer four and subsequently by interceptions - one each in the second quarter by Triadelphia's Gary Tominack and Bishop Donahue's Mark Skypack and four more in the second half.

The Buckeyes never really mounted a serious offensive threat in the second half. In fact after intermission they were never inside the W.Va. 45 as two interceptions by Weirton's Tom Battista and one each by John Marshall's Iggie Kalcum and Tridelphia's Don Ward took the steam out of their attack.

On the other hand, coach Dan Hamill's Mountaineers mounted two serious bids in the third quarter. The John Marshall passing combination of quarterback Tweedlie and flanker Norm Whitlatch combined for three straight completions good for 45 yards and advanced the W.Va. Club to the Buckeye 27 but there the threat petered out.

Subsequently, a Bastista interception gave W.Va. the oval at the Ohio 37. It was Tweedlie to Witlatch for seven yards and Kalcum made a first down at the 26. However, a pass interception by Gary Clutter, of Winterville, in his own end zone killed this bid. Early in the fourth quarter, Tweedlie's 36-yard punt that rolled out of bounds at the Ohio six put the Bucks in a deep hole and they were never able to climb out of their own territory the rest of the warm evening. Hornyak was intercepted three times in the last five minutes of the game.

Actually, Mountaineer defenders latched on to more Buckeye passes than did Ohio receivers. Ohio completed just 5 of 22 aerials for 54 yards while West Virginia hit nine of 23 for 93 yards. Coach Denny Bowman's ground game, with St. John's star Tom Kouski, Martins Ferry's hard running Dave Bruney and Winterville's Clutter doing the heavy duty ball-toting, managed 135 yards but the West Virginia defenders stopped it when they had to. The Mountaineers made just 93 yards rushing and had only seven first downs to Ohio's 10. Moreover, West Virginia backs were tossed for losses of 32 yards to Ohio's 11. Each side lost 20 yards to penalties. At game's end it was announced that Kull had been selected as the outstanding W.Va. back and Skypack as its outstanding lineman. On the Ohio side, honors went to Kouski and St. Clairsville giant Tom Baxa.

West Virginia played alert opportunistic football to attain and protect a 12-0 lead in the first half. Kull's sprint to the initial TD came before the game was five minutes old as he gathered in a punt by Ron Bobek of Shadyside at the West Virginia 30, zipped up the west sidelines as his teammates mowed down the would be tacklers, and galloped 70 yards to the end zone. The placement for extra point by Triadelphia's Gary Tominack was wide.

Ohio bounced back after the next kickoff to penetrate to the West Virginia 37 but then Hornyak's handoff attempt was popped into the air and Weirton's

Jeff Jennesee grabbed it and sprinted 63 yards to a second six pointer which came with 4:45 left in the period. The placement attempt for the extra point by John Marshall's Tom Tweedlie was partially blocked by Bobek.

Late in the opening frame, Ohio was presented with a scoring opportunity when Greg Harris, husky tackle from Bellaire, covered a fumble by Wheeling quarterback Jim Brinkman at the Mountaineer 25. The white shirted Buckeyes ground out nine yards in three tries but on the fourth down St. John's halfback Tom Kouski was pilled up short of the necessary real estate by Greg Turner of Triadelphia, Gary Roman of Weirton Madonna and Jennesee.

Early in the second quarter, Winterville's Gary Clutter returned a punt by Tweedlie 16 yards to the West Virginia 35. After Kouski made six yards and Ferry's Dave Bruney got two at the line, Hornyak passed to Ferry's Rich Weiskircher for seven yards and threw down the middle to tight end Len Masci of Winterville, to put the oval at the four. At this point, Winterville's QB Pat Nuzum came in for Hornyak but fumbled on the attempted handoff with Lambert Tsubiares, big tackle from Wellsburg, recovering for the Mountaineers at the four.

Later, a Hornyak pass was picked off by Tomanick, who carried it from the W.Va 37 to the Ohio 34. However, the Mountaineers could not take advantage of this opportunity. They made one first down on Tweedlie's passing but the threat died on an unsuccessful dive by Kill of a Tweedlie fourth down throw at the goal line.

As time ran out in the first half, a penalty for grabbing the face mask advanced West Virginia to the Ohio 40, and gave the blue shirts a chance for one more play. With the Bucks obviously expecting a pass, West Virginia broke Iggie Kalcum loose and the John Marshall back carried to within 14 yards of the goal line before being stopped.

# “1979” All-Star Game – 30 Years Ago

Sparkled by the ball carrying of St. Clairsville sensation Tim Spencer and the pass pilfering of Steubenville's Dale Taylor, Ohio squared the long and colorful Ohio Valley interstate football series with a 47-13 humbling of West Virginia Saturday night before 9,000 witnesses at Wheeling Stadium.

In perhaps the most brilliant performance in All-Star annals since John Henry Martin's memorable one man show in 1955, Spencer scored four touchdowns for the Buckeyes with the first of these coming on a 90 yard return of the opening kickoff. The prize Ohio State recruit gained 122 yards in 19 attempts from scrimmage but had to share the limelight with the ball-hawking Taylor, as the Steubenville defensive back, who is headed for Muskingum College, intercepted three West Virginia passes. The Big Red ace returned the interceptions a total of 154 yards, with its third theft resulting in a 64-yard sprint to paydirt.

After Spencer's long return of the first kickoff, West Virginia retaliated with a quick TD and grabbed a 7-6 lead. However, West Virginia could not match Ohio's speed and power. By the end of the first quarter, the Buckeyes, piloted by new Martins Ferry coach Dave Bruney, enjoyed a 20-7 advantage. The lead mounted to 27-7 by halftime.

Ohio tacked on two more TD's in the third quarter, one of them on a 46-yard jaunt by the remarkable Spencer, and the issue was clearly decided, though early-bird departees missed Taylor's long interception return for a score, plus a consolation West Virginia TD in the final chapter.

The Buckeyes built a 273 - 214 advantage in total yardage, but also benefited greatly from four interceptions - one by Bellaire's Dirk Fitch and three by Taylor - and the great opening kickoff return by Spencer.

Strangely enough, each side accumulated 13 first downs. Ohio piled up an advantage of 176 to 61 in net rushing yardage and added 97 yards in the air with seven completions in 11 attempts.

Trying to play catch-up football most of the night, the West Virginian's coached by Dave Cisar, went to the air 22 times and made good on 10 of the aeriels. But those four interceptions helped to break their backs in the OVAC sponsored contest.

Although the OVAC has been putting on the game for only the last eight years, the series dates back to 1940 and the rivalry now stands at 17 victories apiece. Ohio has now won three in a row after losing five straight to the Mountaineers.

The fans were still filling into the stadium and the sun still glowed high in the sky when the jet-propelled Spencer electrified the audience as he grabbed the

7 p.m. kickoff by John Cain, of Magnolia, at the Ohio 10-yard line and went all the way. He followed his blocking to about the Buckeye 40, then suddenly accelerated when he saw an opening in the West Virginia defense. Cutting toward the West Virginia sideline, "Terrific Tim" had only one defender to beat by the time he reached the West Virginia 35. Another quick cut, and he was breezing into the end zone. The score came with only 12 seconds elapsed on the game clock. The usually accurate toe of Bellaire's Jo-Joe Campbell failed on the extra point try, which was wide left.

West Virginia struck back almost immediately. On Campbell's kickoff, John Marshall High's Fritz Loy made the catch and then slipped the leather to speedster Jeff Paterson of Brooke High, on a criss-cross. Paterson returned the oval from his own 10 to the Ohio 36 before he was pulled down. It took the Mountaineers only four plays to score from there.

On a trap up the middle, Magnolia's quick hitting Phil Merriman bolted to the 17; Sistersville's workhorse, C.R. Howdyshell made a yard up the middle, and Merriman garnered only two over right tackle. In an obvious passing situation, Rick Isreal, the quarterback for Weir High, found Magnolia's Mark Dills open in the end zone for the TD. Cain's conversion put the Mountaineers ahead 7-6 with only 2:03 elapsed.

Cisar, wisely, had Cain kick away from Spencer, but Cambridge's Jeff Seckman returned from the 21 to the 30. Then the Buckeyes marched 70 yards in 15 plays for the go ahead score. The entire foray was on the ground, except for a 12-yard gain on a pass from Keith Votros, slick handed quarterback from Martins Ferry, to Seckman. Seckman also inserted a 12-yard run on a revers.

The West Virginia defense was keying on Spencer and he was stopped dead in his tracks several times, particularly by linebacker Mike Doran, of Paden City, and Greg Morris, of John Marshall. But the St. C. swiftly gained 30 yards on nine carries during the advance and scored the TD from the three as he swept right end with a pitchout from Votros. Campbell's conversion made it 13-7 in favor of the Buckeyes with 3:16 left in the opening frame.

The West Virginia offense was unable to get untracked against the Ohio defense after the next kickoff. The Mountaineers were forced to punt. Loy's 24-yard kick was taken at the 38 by Woodfield's Lance LaFollette on a fair catch. Thus Ohio was in scoring position again. The Bucks struck quickly as LaFollette went up for a leaping catch of a Votros pass between Wheeling Park defenders Jamie Clark and Bernie Dolan for a 33-yard catch at the five yard

line. Two plays later, Spencer went in on an off-tackle smash. Campbell's conversion made it 20-7 with 14 seconds left in the opening stanza.

It appeared that the game was turning into a rout when Taylor intercepted an Isreal pass on the first play of the second quarter and raced from the Mountaineer 45 to the 13. But the gallant West Virginia defense refused to yield. The Bucks could get no closer than the eight and ultimately settled for a 31-yard field goal attempt by Campbell that was wide.

The Bucks regained possession on another interception, this one by Fitch who short-circuited a southpaw pass by John Marshall's Combs at the Mountaineer 25. Ohio went to work at the West Virginia 22 but yielded the ball at the 15 when Spencer was nailed by Brooke's Dartell Cheripko after a three-yard gain on a fourth down sweep.

Subsequently, Ohio moved 58 yards in 10 plays to tack on its final score of the half. The key move in this march came when the Bucks lined up in punt formation at midfield with fourth down and one to go. The ball was snapped to Spencer, the short man, and he broke through for a 21-yard gain to keep the drive alive. The touchdown came on a 20-yard pass from Moke Forbes, a quarterback from Bellaire St. John's Central, to Beallsville's sprinter Larry Burkett in the end zone.

At the outset of the third quarter, West Virginia put together a pair of first downs but yielded the oval at its own 46 after a 16-yard loss on an errant pitchout. On Ohio's first play of the half, Spencer exploded for 46 yards and his final score of the night.

Use of Spencer as a decoy helped the Bucks to their next score, which was set up by another of Taylor's interceptions. With the oval at the West Virginia 19, Votros faked to Spencer and as the West Virginia defense went for the fake, the Martins Ferry QB handed off to Barnesville's Pat Hunkler who sped around left end to paydirt.

West Virginia squeezed its second and last TD of the night before the clock ran out, thanks to a flurry of passes from Combs to Dills and Paterson. The southpaw from John Marshall hit Dills for the final 13 yards with just seconds left on the clock.

Forbes who was playing defense at the time suffered an apparent broken arm on the West Virginia scoring play.

While Taylor stood out in the Ohio secondary, Bruney also got some outstanding defensive play from the Brown brothers, John and Jim, of Jefferson Union, and Rich Brothers of Bridgeport.

# “1989” All-Star Game – 20 Years Ago

For the first time since the heydays of the Wheeling Ironman and the Ohio Valley Panthers, Sunday night football returned to the Wheeling Island Stadium. And from all indications it's here to stay at least as far as the Ohio Valley Athletic Conference's Rudy Mumley Charity All-Star Football Game is concerned.

On a picture-perfect mid-summer night for gridiron warfare, a crowd some estimated at excess of 7,000 gathered at the Island ball yard for the 18th addition of the Ohio-West Virginia All-Star series since the OVAC took over the sponsorship of the game. Contrary to some reports, the turnout was not the lowest in the history of the classic but, in fact, was one of the largest in recent years.

The Mountaineers won last night's battle, 22-14, dominating on defense against the turnover-plagued Ohioans from the outset. But the true outcome of the game was that everyone went home winners, including Stone and Thomas Queen of Queens Pageant titlist Carrie Lee Day of Weir High; members of the McDonald's OVAC All-Star band, which put on an outstanding halftime presentation; the coaches, players, and trainers of both squads.

"We could not have asked for anything better," OVAC Executive Secretary Sam Mumley said Monday morning. "The evening was a total testimonial to the hard-working kids in our conference and to the fans who support our programs.

"There is no doubt in my mind that by playing this game on Sunday night, we have struck that happy medium to attract the fans," Mumley continued. "Especially when we play the game in Wheeling. Road construction problems and traffic congestion because of the dog track when we've played the game on Friday and Saturday, really cut down on the crowd in the past."

"Also, we have to listen to the people (fans) who support this game. It's our job to give them what they want, and they showed us Sunday night that this is when they want the game to be played."

Keith Jeter, the University of Tennessee-bound tailback from Weir High who won last year's Kennedy Award given to the Mountain State's high school football player of the year, accounted for two of West Virginia's TD's. The flashy one broke loose on runs of 10 and 8 yards, sandwiched around a 22-yard field goal by Jamie Clegg, former Magnolia High three-sports standout who handled the first half quarterback duties for West Virginia coach Jim Potts, the Cameron High mentor.

Rick Lazasz, the ex-Linsly quarterback, fired the only TD aerial for the winners, teaming up with John Marshall grad Dougan Dietz on a well-executed 40-

yard tight end hookup.

West Virginia looked like they were headed for a shutout last night until the fourth quarter. But a tipped screen pass wound up being intercepted by Union Local's Corey Hall and returned 28 yards to the Mountaineer 23. That resulted in a 19-yard scoring toss from Bellaire High's Scott Woods to Bellaire St. John's flanker Pat Staley.

Staley, a dynamo in a football uniform, then turned in the play of the night when, with under a minute on the clock, he fielded a Clegg punt on his own 24. Staley hesitated a fraction and then took off as a convoy of blockers helped spring him near the sideline in front of the Ohio bench. Once in the open, nobody had a chance to run down the former Fighting Irish Ace, whose trip ended 76 yards later in the end zone. Michael Honeycutt, another former Big Red, tacked on a two pointer that closed the scoring with only 39 seconds to go.

Ohio's last-ditch effort to recover an onside kick as Bishop Donahue's Tony Reilly, one of many Mountaineer defensive stickouts, was able to fall on the pigskin.

It was a botched onside kick at the outset of the game that got the Buckeyes in a first-half hole.

Mingo's Bill Seach booted the ball on a surprise attempt and fell on the bouncing pigskin. The problem was that he didn't allow the ball to travel the necessary 10-yards, thus giving West Virginia possession at the Ohio 45.

"The onside kick was there if we had only kicked the football 10 yards," said a disappointed Dave Caldwell, Ohio's coach who has directed Beallsville High to back-to-back 9-1 record seasons. "If we had gotten the ball in their territory right away, things could have worked out differently.

"But the game was lost on our own turnovers. You can't turn the ball over five times like we did and expect to win. Despite the mistakes we were just eight points away at the end," he added wistfully.

Although the Mountaineers failed to score on this early opportunity, they punted to Ohio's 16 and got another break two plays later when Scott Woods' pass over the middle was picked off by Weir High's Levi Livingston near the 30 and returned to the 11. Again, Ohio held forcing a 25-yard field goal try by Oak Glen's Damain Derante that was wide right.

West Virginia started a third straight possession in Ohio territory when Wheeling Park's Dave Hanna fielded a punt at the Mountaineer 45 and brought it back to the Bucks 49. Jeter and Wheeling Central's Reese Coles, a tailback type who plays fullback, took over

from there to spark a seven-play drive.

Bowling Green-bound Coles, the game’s leading rusher with 85 yards in 15 carries had a big 14-yard pickup on a second and eight from the 47, bouncing outside after finding no room inside. With the ball at the 10, Jeter displayed his well-known rushing style as he started to break outside tackle, saw a seam and then zipped between two defenders who wound up grabbing at nothing but air as the former Red Rider went in for a TD. Clegg’s placement made it 7-0 with 4:23 on the clock.

The ensuing kickoff resulted in another Buckeye turnover. Toronto’s John Taylor found some daylight as he ran from the four to the 31 before the ball was jarred loose by a vicious hit by Magnolia’s Pat Dawson. The alert Hanna made the recovery.

A 14-yard completion from Clegg to Tyler dandy Jason Smith, accompanied by a dead ball foul on the Buckeyes put the ball on the eight. Staley then led an Ohio defensive surge that prevented the Mountaineers from getting into the end zone. Clegg was called on for a three-point try this time and he connected for a 10-0 spread at 2:44.

Honeycutt’s 45-yard kickoff return put Ohio in business at midfield for the first time. He nearly broke this one all the way but Reilly came through with a clutch stop. After getting one first down, a holding penalty found the Buckeyes stymied at the Mountaineer 45. On fourth and 18, punter Seach had trouble with the snap and then tried to run for it but advanced just 12 yards to the 33 before Wheeling Central’s James Bryant, another Bowling Green recruit made the stop.

The Mountaineers then moved 67 yards to paydirt, the highlight being a third and 17 aerial that sailed right through the hands of would-be interceptor Staley to Magnolia’s Mike Fox for the first down at the Buckeye 41. Coles ripped off another 13-yard gainer and Clegg found Jason Smith for 12 more. Finally, Jeter scored again on a quick opener from eight yards out. Clegg missed the PAT but the score was 16-0 with 7:15 left in the half.

The Mountaineer defense aided by four Ohio first half turnovers, permitted its rival just two first downs in the opening two quarters. They shut off the Bucks’ best scoring threat, with the aid of one of the officials, who in trying to get out of the way, slipped to the turf and actually helped make the stop on Staley, who had hauled in a 38-yard aerial from Buckeye North’s quarterback Jeff King at the WV 27.

“Staley was definitely going to take that one in,” Caldwell said. “But I’m not crying about it and I

don’t want to take anything away from West Virginia. They played very well and took advantage of their opportunities.”

This Ohio drive ended two plays later on a Satley fumble. He was hit by Hanna just after taking in an aerial. When the ball popped out, Weirton Madonna’s Jeff Milbert fell on it.

Until Ohio got its two late scores, the second half was a ho-hummer following the 40-yard TD strike from Lazasz to Dietz. This was a well-executed play that Potts said his team actually tried to pull off in the first half. “We knew it was there,” the winning coach said. “They were releasing early on the tight end. We waited for the right opportunity and Dietz did the rest.” The 6’4”, 235-pounder showed surprising speed once he caught the ball in the open field.

“Believe it or not, Dietz is one of the fastest kids we had in camp,” Potts continued. “One day, we timed him at 4.79 (in the 40-yard dash) in the heat after we had finished a long practice.”

Potts, who has had some tough times during his eight previous years as head coach at Cameron High until last season’s fine 7-3 record, was extremely pleased with the all-star game triumph, that cut Ohio’s advantage to 10-8 since the OVAC has sponsored the interstate rivalry. “It’s one of the most exciting wins I’ve ever had,” Potts said. “We had 10 great days in camp. The kids were tremendous and we’re coming out of here with some great memories that we’ll keep for a long time.”

Both he and assistant coach Dave Bohrer, who handled the defense, were filled with praise for a Mountaineer stop corps, that featured some outstanding play by such players as Bishop Donahue duo of Reilly and Jake Padlow; Tyler’s Kevin Kissner; Central’s Bryant, Parks Hanna, and Weir’s Livingston and Randy Kamacko.

“I think we won the game up front on both sides of the ball,” said Potts. “Our line did a superb job, especially in the first half opening some big holes that allowed us to run at will. Having both Jeter and Coles in the backfield gave Ohio a lot to worry about. Defensively we set out to stop the run and we did it. Kissner reads as well as any linebacker you’ll see.”

# “1999” All-Star Game – 10 Years Ago

The July 31, 1999 Rudy Mumley OVAC All-Star Charity Football Classic was played on a very hot, humid evening, in fact, the starting time was put back 50 minutes in hopes the heat would subside somewhat.

The games' medical staff decided some 45 minutes prior to the 7:15 scheduled starting time that because the temperatures were threatening the 100-degree mark and the heat index above the century mark, for safety reasons the start of the game should be delayed.

Once the game started, Ohio didn't wait very long to put points on the scoreboard, the Buckeyes scoring two touchdowns in the first quarter enroute to a 32-0 victory over their counterparts from West Virginia.

It was the fifth straight win for the Ohioans in the series.

Both first period TDs came as the result of West Virginia turnovers. For the game W.Va. lost the ball three times.

Ohio coach Dave Bruney credited defensive quickness as the main factor in the shutout.

Although the Buckeye's five touchdowns were all on the ground, the offensive figures were 181 yards passing, led by Freddie Ray's 127 (four of 12) and 180 rushing.

The John Stenger-coached West Virginia team could muster only 198 total offense, with 114 coming on rushing yardage by Weir's Quincy Wilson, whose high school career rushing totalled 3,375. He had hoped to add to his 73 career touchdowns, but the Ohio squad kept him out of the end zone.

Ohio received a three-touchdown performance from Indian Creek's Joe Hammack on runs of 19, 16 and 2. He carried the ball only seven times in the game with his total yardage being 68.

The other TDs were the result of a 16-yard run by Robert Jackson of East Liverpool and a 1-yard rush by Martins Ferry's Adam Zann.

On its first possession, Ohio drove to the West Virginia 19-yard line before turning the ball over on downs, and thus with West Virginia deep in its own territory, quarterback Billy Hunter had the ball stripped of the football with Ohio's Robby Williams making the recovery. Two plays later Zann scored.

Disaster struck on West Virginia's next third-down play, as Cameron QB Scott Beresford had his aerial picked off by Hammack who actually ran it back 41-yards for a touchdown, but it was nullified by an illegal blocking penalty, and thus Ohio put the ball in play from the W.Va. 26. Four plays later Hammack went in for the score from the two.

Ohio took a 19-0 half-time lead, this after West Virginia was forced to punt after a three-and-out offense. With the ball at the W.Va. 48, Ohio reeled off five straight running plays - - the last of which was Robert Jackson's 16-yard touchdown run around left end.

The Buckeyes add another six-pointer in the third period, marching 71 yards in 11 plays with Hammack bursting into the end zone from 16 yards out.

The scoring concluded mid-way through the fourth quarter, as Ray connected with a streaking Todd Fry good for 56 yards to the West Virginia 19. Hammack scored his third touchdown of the game on the next play.

Traditionally the Queen of Queens Pageant is held at halftime, but because of the weather conditions for this particular game it was held prior to the contest, at which Christina Klug of Bishop Donahue was crowned as the Queen.

Despite the intense heat, the game attracted some 7,000 fans.

During the game referee Tom Tillman instituted extra water breaks to help keep the players refreshed.

# ~ A Tribute to George Strager ~

(A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2003)

With another high school football season set to get underway, I thought this might be a good time to reflect on the career of the late George Strager.

The Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own time as he amassed a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody went home, satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record shows 246 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced in coaching. The love and dedication that he gave the couple of thousand kids he coached affected most of their lives in a positive way.

Yes, George was hard to play for and tough as nails on the field. His pre-game and half-time talks were filled with fire, especially when he didn't think his team was performing up to his expectations. But he was hilariously funny at times around his coaches and players.

Today's younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity to learn from this coaching giant.

This past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer, and Wheeling Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

Huff spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coach at St. Clairsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red Devil helm.

"It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibilities that boosted my confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at St. Clairsville.

"He was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realized that George was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away in 1976. "George did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well." Young added. But it definitely was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the offensive game. Young talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were very fortunate during that time to have had many quality athletes at St. Clairsville," Young also said.

The most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the National Football League and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came at a time when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had some great teams that did not get a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never made it into the post-season.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were one step from the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out to me that Strager is probably the only person to have coached three different Ohio Valley teams to undefeated seasons. His 1953 Sistersville Tigers went 10-0-1 and won the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic and its "pony backfield" in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 10-0 in 1978 and 10-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered George a "Coach's Coach" because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and they always had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams were always fun to watch and cover. They never seemed out of a game because of his offense's ability to strike from any place on the field. "Some people are born to do certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

Doug certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks and coach. He turned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and molding them into something special.

Bob Kettlewell, the late successful coach in Wintersville (now Indian Creek High School) regarded Strager as being a good a quarterback coach as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. If George has someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

My relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic in 1961, I was a young writer and both Strager and the late Bob Roe, then the head coach of Wheeling High School, took me under their wing.

Strager was never known for paying much attention to the defensive side of football, although I'm sure that was exaggerated.

I do recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opener against Wheeling High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach, I wandered over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with the offense, he hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

Either the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville came out and blitzed the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of today's athletes will continue to be noticeable.

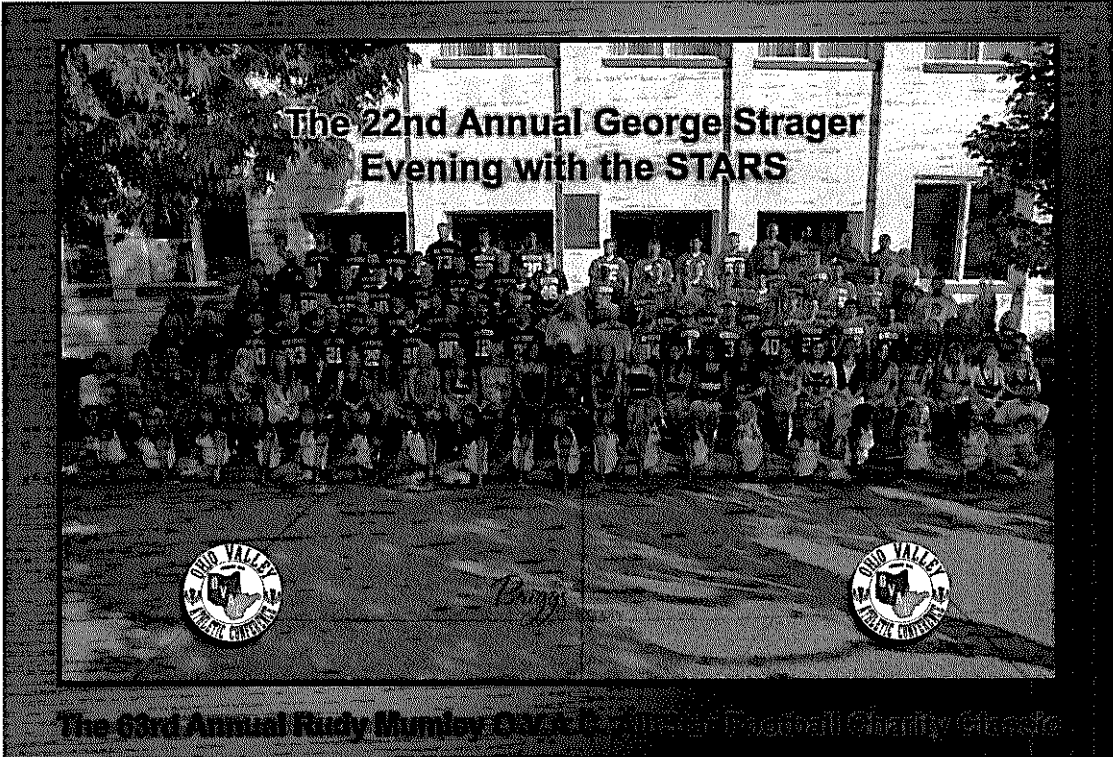

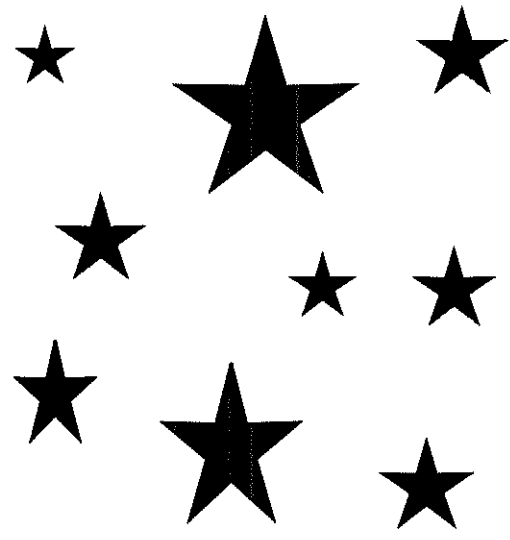

Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Players competing in the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening with the Stars Dinner.

Ol' George may be gone from our midst physically, but he will always remain in the thoughts of the coaches, players and writers whose path he crossed during his storied career.

**DIANNA VARGO - EWS COORDINATOR**

Dr. Robert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy Mumley OVAC All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for football. The game, he says, is in his blood. And no antibiotic, no pill or shot can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself...it doesn't matter what aspect it is."

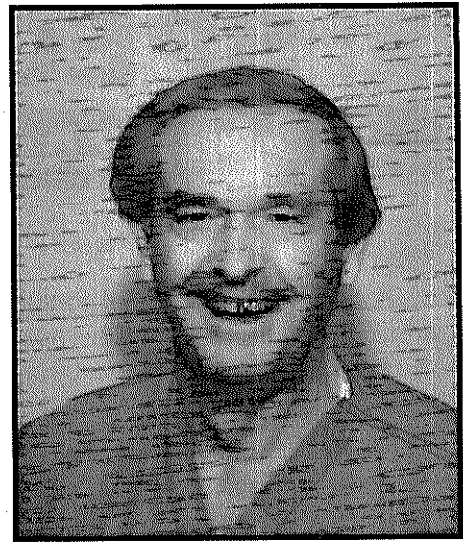

Football found its way into the heart of Dr. Jones in the mid-1960's, when he played for the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive line - - "Back then, you had to do it all," he said - - and remembers cross-state clashes with Charleston fondly. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Island Stadium will always remain indelibly etched in Jones' heart and mind. "I remember my first game...we played Charleston," Jones said. It was the only time I've ever seen the island (stadium) completely packed. We had a little bit of rivalry with them." And he still gets the same chills up his spine every time he visits the stadium, which was remodeled in the 1980's. "It's still the same place," Jones said. "Even if it is a different stadium. It's still a great place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. Currently a general surgeon who also performs thoracic and vascular work at Wheeling Hospital, Jones says he learned self-discipline - - a necessary component in any surgeon's mental makeup - - by playing football all his life. "The discipline of football pushed me to be a surgeon and in the medical field," Jones said.

Jones has been involved with the OVAC Football Classic for the past 15 years, getting his first taste of the game when Ohio team doctor - - Luis Vazquez - - invited him to the 1984 game.

Many of the games that he's seen and worked were good. But one - - the 1987 classic - - stands out as great; because of the luminous stars who played in the contest. Ohio - featuring St. Clairsville's duo of Shawn Vincent and John Spencer - defeated the Alex Shookled West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Island Stadium. "That was the best year, as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children - Patricia and Pamela, both 31, and Robert 7.

## OVAC DOCTORS

Dr. Christian Sonnefeld will serve as the Team Doctor for the Ohio squad at this year's game. He graduated in 1994 from Wheeling Central Catholic High School and played football under legendary Coach Jim Thomas as a wide receiver and a defensive back. Dr. Sonnefeld is aware of the impact the OVAC has on the youth of the Ohio Valley. "It is a pleasure to be able to help the OVAC continue their great tradition of focusing on the youth of the valley." In addition to his game day duties, Dr. Sonnefeld attends the first day of camp at West Liberty State College, administering physicals to all of the football players.

After high school, he attended West Virginia University and graduated from the WVU School of Medicine of Neurology. He has a general adult neurology practice at Wheeling Hospital at Medical Park. Dr. Sonnefeld lives in Wheeling with his wife, Maryanne. He enjoys golfing and likes to cook.

The Ohio Valley Athletic Conference is very fortunate to have men of this caliber who are willing to donate their time to ensure that the athletes of the Ohio Valley receive quality care while participating in events in the conference.

## TRAINER - HERB MINCH

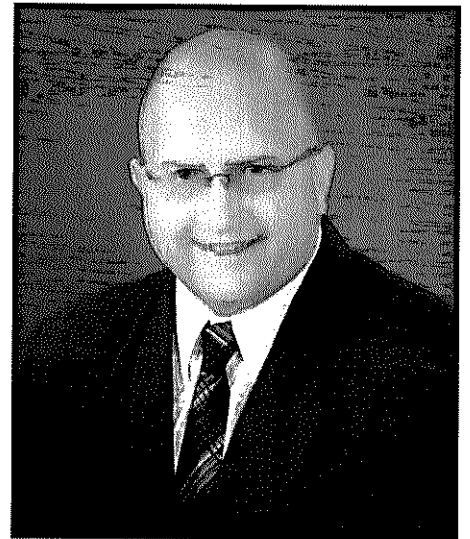

By SETH STASKEY  
Times Leader Sports Editor

Through the course of tonight's game and the week leading up to the game, there will be bumps and bruises suffered by the players on both teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty State College. Minch has been involved with the OVAC All-Star Game since 1987 two years after his graduation from Wheeling Park High School. Minch was studying health and physical education at West Liberty when he was approached to be a trainer for the game and eventually went on to earn his masters of science in physical education and athletic training in 1990 from West Virginia University.

The current West Liberty head softball coach got into training during his years at Park under Tim McCormick and he just took it from there. "I got a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help out the athletes."

Minch didn't expect to be involved with the OVAC Game as often as he has been when he was first approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." Don't expect him to be getting out anytime soon. "I think it's obviously a great tradition," Minch relayed. "It's quite an honor to be a part of it and as long as they want me involved, I will continue to do it. It's been a great experience."

Herb is married to the former Ashlea Bland. He's got a daughter Kailey (3).

## TRAINER - RANDY ELLIOTT

By SETH STASKEY  
Times Leader Sports Editor

There are a lot of loyal OVAC supporters throughout the conference up and down the river. However, long-time Oak Glen Athletic Trainer Randy Elliott etches his name right near the top every year for the services he provides the nation's largest prep athletic conference. Elliott has been involved in OVAC events for the past 32 years and is once again on the sideline of the OVAC All-Star Football Game, serving in his normal role on the training staff. He has served the Mumley Classic since his days as an undergrad student at West Liberty State College.

"I met Rudy Mumley when I was at West Liberty," Elliott said. "We started talking, and a couple of years later I went to graduate school and began helping the OVAC." Elliott earned his bachelor's from West Liberty State College in 1980 in social sciences and then earned his graduate degree in sports medicine from West Virginia University. He's currently a social science teacher at Oak Glen High School, focusing on world history. He's been a member of the Golden Bears' staff for 14 years and has been a part of 17 state championship squads as a trainer, including 12 in a row with the grappling team. Prior to teaching at Oak Glen, Elliott has also worked at Weir High in the Hancock County system. Elliott is single and resides in Hancock County.

Wheeling News-Register

There's a lot more to playing an all-star football game than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.
- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.
- Telling coaches if players injured during the game are healthy enough to return to action.
- Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC for the past 15 years, and he's been working in sports medicine for the past 30 years.

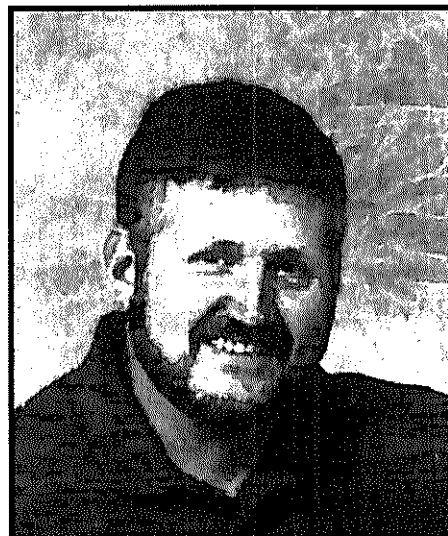

His athletic training career started in the late 1960's when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelors Degree in physical education from The Ohio State University and a Masters Degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

- While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.
- Fullerton worked the summers of 1972 and 1973 in Bradenton, Florida with the Pittsburgh Pirates organization.
- While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC." That's why he returned to the Ohio Valley in 1985. Currently he works as a registered nurse in the emergency room at OVMC. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship... sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Wheeling with his two children - Jaclyn, at WVU - Nursing, and Jake, at Wheeling Central.

Needless to say, the football players involved in this year's Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic won't be the only athletes on the field tonight at Wheeling Island Stadium.

The West Virginia-side cheerleaders will be coached by **Shawna Shepherd**. This is the fifth time Shawna has offered her services for this summer classic. This is also the fifth year she has served as head cheering coach at Wheeling Park High School having been at the Linsly School for three years and Triadelphia Middle School for three years prior to that. Last year her Park squad won the OVAC AAAA title for the thirteenth time in school history and earned runner-up status in West Virginia state competition. Shawna serves on the OVAC Cheer Committee and the WV SSAC Cheer Committee.

Shawna is a graduate of Marshall University. She currently lives in Wheeling and is employed as a Child Development Specialist at Easter Seals in Wheeling.

### MADONNA'S KRAMER TO GUIDE WEST VIRGINIA STANDOUTS

Weirton Madonna has been built into a West Virginia Class A and OVAC contender during the last several seasons thanks to the work done by head coach Bob Kramer.

However, he's quick to give kudos to his coaching staff, which has stood with the Madonna program through the ups and downs.

Now, the entire Blue Dons staff will receive some deserved recognition when it gets the opportunity to guide the West Virginia squad in the annual Rudy Mumley OVAC All-Star Charity Football Classic slated for July 26th at Wheeling Island Stadium. "All of the coaches have been with me for a long time," Kramer said. "We've got some new faces around, but most I've known or coached with before. All of the coaches are pretty excited about

this opportunity. "I warned them it's a lot of time and a lot of hard work, but it's worth it when you see the results of the time and work." Kramer will be joined on the Mountaineers staff by Don Ogden, John Durdines, Jon Kendrick, John Lesho, Tom Taylor and Robert Kramer, Jr.

Here is a capsule look at the coaches:

**BOB KRAMER** – This veteran mentor has been strolling area sidelines at a variety of levels for 35 seasons. He's been at Madonna for 14 of those and spent the last 11 as the head coach. All told, he's compiled a strong 88-32 mark and won this past season's OVAC Class A title and guided the Blue Dons to their second Super Six appearance in five seasons. In 2004, Kramer was named the Intelligencer's Coach of the Year and has been named Mason-Dixon Coach of the year on three occasions (2004, 07 and 08). He was the Big 22 Class 1-A Coach of the Year and he received the Carl Hamill Award at this year's Dapper Dan Banquet. Along with his current Madonna gig, Kramer has coached at Toronto and Steubenville Catholic and along with football, has coached baseball, basketball and track. Bob and his wife of 22 years, Kathy, reside in Steubenville. They are the parents of two children, Robert (48) and Lindsay (46).

**DON OGDEN** – This long-time coach has seen his career take him to a variety of stops over the course of 25 years in the business. Ogden is a 1978 Buckeye North graduate. He earned his bachelor's degree from the University of Akron and a masters degree from Nova University and Franciscan University in 1986 and 1998, respectively. His coaching career has taken him to Pahokee High School in Florida, Buckeye North, Toronto, Madonna and Wellsville. Don and his wife, Marianna have a 14-year-old daughter Jenna. The family resides in Steubenville.

**JOHN DURDINES** – This Wheeling Park High School graduate is the head coach at Bishop Donahue High School and was asked to join the Mountaineers staff because of his long-standing relationship with Kramer. Durdines graduated from Park in 1985 and earned his degree at West Liberty State College. He's been a football coach for nine years, eight of those having been spent as the head coach of the Bishops. Along with football, Durdines has also coached baseball and wrestling. John and his wife, Michelle, have been married for 20 years. The couple has two daughters, Ana (18) and Ashley (14). The family resides in Wheeling.

**JON KENDRICK** – This coach is one of the newest members to the Blue Dons staff. He's been a coach at Madonna for the last five seasons after playing for the Blue Dons up until his graduation in 2001. He earned his degree in 2005 from Robert Morris University and just completed his masters work through the University of Phoenix. Kendrick also coaches basketball and is the head track coach at Madonna.

**JOHN LESHO** – This Blue Dons assistant has been around the game of football as a coach for 14 seasons, nine of which have been spent under Kramer. Lesho is a Madonna High School graduate and earned his degree from West Liberty State College. Along with football, Lesho is on the boys basketball staff at Madonna. John and his wife, Marianne, have three children, John, Jamie, and Lisa and four granddaughters, Katelyn, Kristine, Julia and Ella.

**TOM TAYLOR** – This former Oak Glen and current Weir head coach has OVAC game experience seeing he guided the Mountaineers in 2003. After leaving Oak Glen, Taylor joined Kramer on the Blue Dons staff. He's spent 20 years as a football coach, the last three with the Blue Dons. Along with football, Taylor was the head boys track coach at Weir for 10 seasons (1989-99) and he also coached wrestling for the Red Riders. The 1981 Weir High graduate went on to earn his bachelors degree from West Liberty State College. Tom and his wife, Roberta, have a daughter, Lydia and he resides in Weirton.

**ROBERT KRAMER, JR.** – The son of the Blue Dons head coach has been the defensive coordinator for the Blue Dons for the past 10 seasons. Kramer, a Wintersville High School graduate, has been a football coach for 18 years and has spent time on the staffs at Toronto and Steubenville Central. Along with football, he's coached track. Kramer has a daughter, Kailin (14).

# 2009 OVAC ALL★STAR COACHES

Head Coach - Dave Caldwell - Beallsville High School

BY SETH STASKEY  
For the News-Register

### CALDWELL BACK ON OHIO SIDELINE

Successful coaching requires knowledge, dedication, good players and a good support system.

Beallsville High's Dave Caldwell's had all four of those during his career at his Alma Mater and that success this past season has once again earned him the right to coach the Ohio squad in the Annual Rudy Mumley OVAC All-Star Charity Football Classic, slated for July 26th at Wheeling Island Stadium.

"I'm really pleased with the staff I've been able to put together over the years," Caldwell said. "Most of them have been with me for a while and most have coached in this (all star)

game and several of them played for me."

Here is a capsule look at the coaches:

**DAVE CALDWELL** – The veteran Blue Devil's head coach has been at the helm of the Monroe County outfit for 26 years. He's compiled a 178-87-1 mark and has won a regional championship along with seven OVAC championships. He's been a football coach for 30 years and has spent time on the staff at Caldwell High School. Along with coaching football, the Muskingum College graduate has also dabbled in basketball and track during his coaching career. Caldwell owns a masters degree from Salem Teikyo. Dave and his wife, Karon - who reside in Beallsville - have two children and four grandchildren. They are the parents of Alisha Jefferis and Ryan Caldwell and the grandparents of Ella Jefferis, Gwen Jefferis, Xander Caldwell and Zoey Caldwell.

**CLINT ABBOTT** – This former Blue Devils standout has been on the staff at his alma mater for eight seasons and has been on Caldwell's football staff for seven of those years. After his graduation from Beallsville, Abbott graduated from Muskingum College and has since earned his masters degree in administration. Along with his football duties, Abbott's been the head wrestling coach at Beallsville and has twice been named OVAC Class A Wrestling Coach of the Year. He's also coached track during his career. Abbott, who was recently hired as a principal at Monroe Central High School, resides in Jerusalem with his wife, Cyrena.

**RUSTY LUCAS** – This veteran Caldwell aide has been on the staff the past 10 seasons. Upon his graduation from Beallsville, Lucas spent 19 years in the United States Army and has coached in the OVAC All-Star Game with Caldwell three times overseeing the Buckeye staff. Lucas has also coached junior high football. Rusty and his wife Kathy reside in Alledonia and have two sons, Eric, who's a member of the Ohio squad, and Derek.

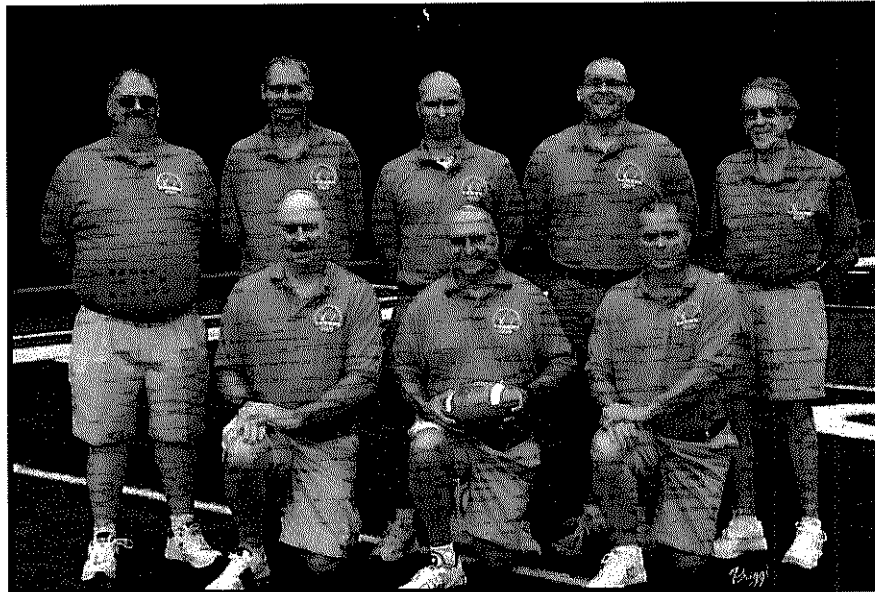

**FRANKLIN HOLLEY** – This veteran of the Blue Devils staff graduated from Beallsville in 1989 after a four-sport career. He then attended University of Charleston and graduated in 1994. He's been a member of Caldwell's staff for 14 seasons. Franklin and his wife, Michele, reside in Massillon.

**TYLER BROWN** – This former Blue Devils player returned to his roots to begin his professional and coaching careers. Brown played for Caldwell and earned all-state status both in football and in baseball. Brown graduated in 2003 and earned his degree from Ohio University in 2007. Along with his football duties, Brown is also a wrestling coach. He's been hired to work at Edison High School.

**PAUL KANZIGG** – He has been coaching for 10 seasons, all at Beallsville where he graduated from. He played football, wrestled and ran track. He is a farmer and Washington County trustee and has also coached seventh and eighth grade girls basketball. He and his wife, Silvia, have a son Adam, 20, a junior at Kent Sate, and daughters Alexis, a senior at Beallsville, and Alicia, a sophomore at Beallsville. He coached in this game four years ago with Caldwell.

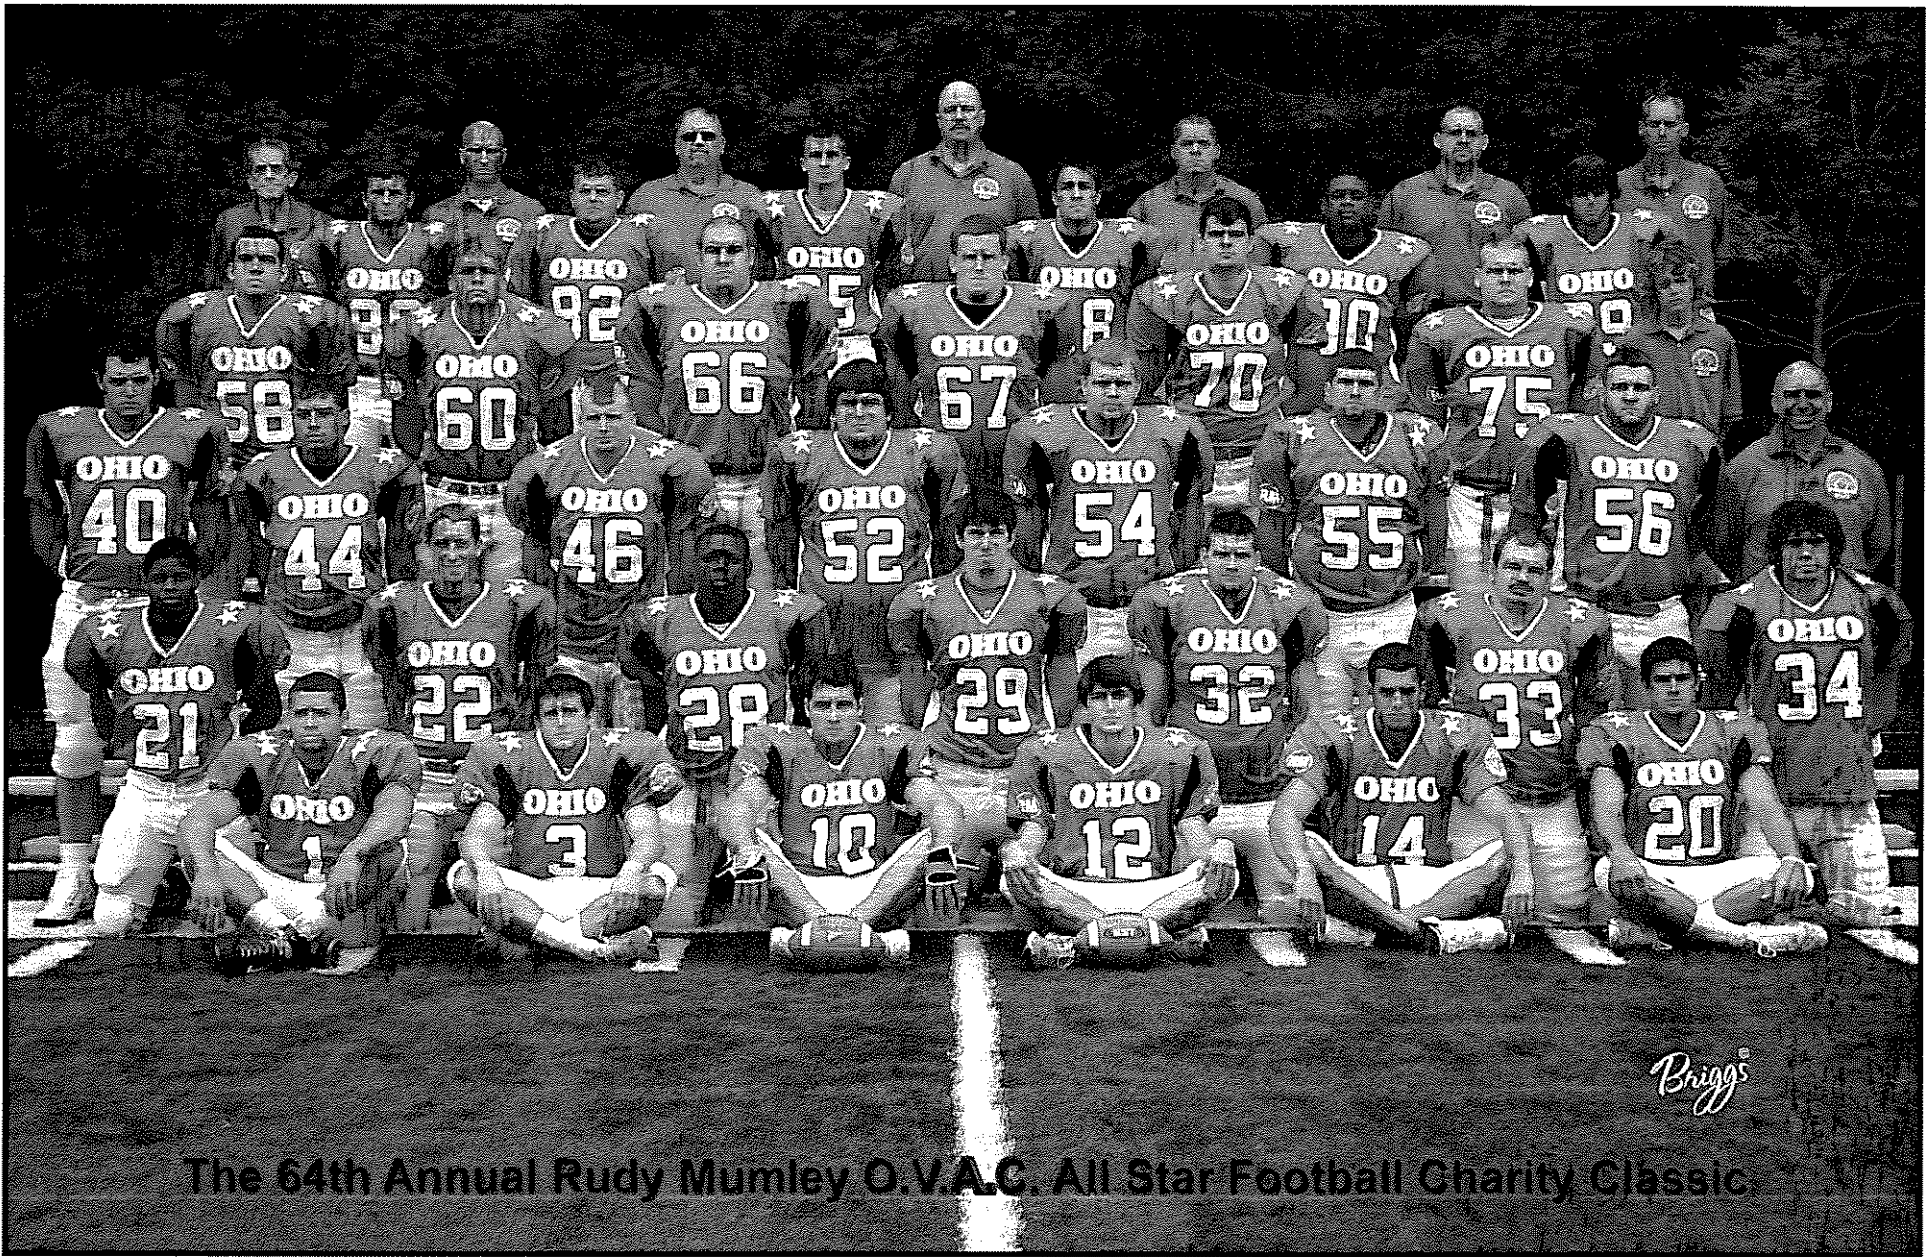

**MICAH FUCHS** – The 32-year-old has been an assistant coach for seven seasons at his Alma Mater, where he played football, basketball and ran track. He has also coached track. He went to Muskingum College where he played football. He is now principal at Hannibal and Sardis elementary schools. He and his wife, Stephanie, have a 15-month-old daughter, Lydia. He also coached in this game four years ago.

**DAVE WILES** - Dave has been an assistant coach for the Blue Devils for the past four years. He started coaching for Beallsville in this game four years ago, and has been with them ever since. This fall he will pick up the additional title of Head Wrestling Coach as he takes over for Clint Abbott, who is taking a principalship position. Dave has three sons, David, Jeremy and Jonathan. He is employed at the Belmont Correctional Center and is in the Army Reserve.

Kneeling Left to Right: Rusty Lucas, Head Coach Dave Caldwell and Dave Wiles.  
Standing Left to Right: Paul Kanzigg, Frank Holley, Clint Abbott, Micah Fuchs and Trainer Randy Elliott.

The 64th Annual Rudy Mumley O.V.A.C. All Star Football Charity Classic

# 2009 WEST VIRGINIA ALL★STARS

# ★ HONORARY OFFICIAL ★

One of the great things about athletics is the people you meet and become associated with from all walks of life. Coaches and players provide many memorable and unforgettable moments for the fans and, yes, even the journalists who cover their exploits on the various fields of battle.

Sometimes forgotten, however, are the men and women in the striped shirts who officiate each and every contest unbiasedly, their main objective being to enforce the rules both to protect the safety of the participants and to see the games are decided in a fair and square manner.

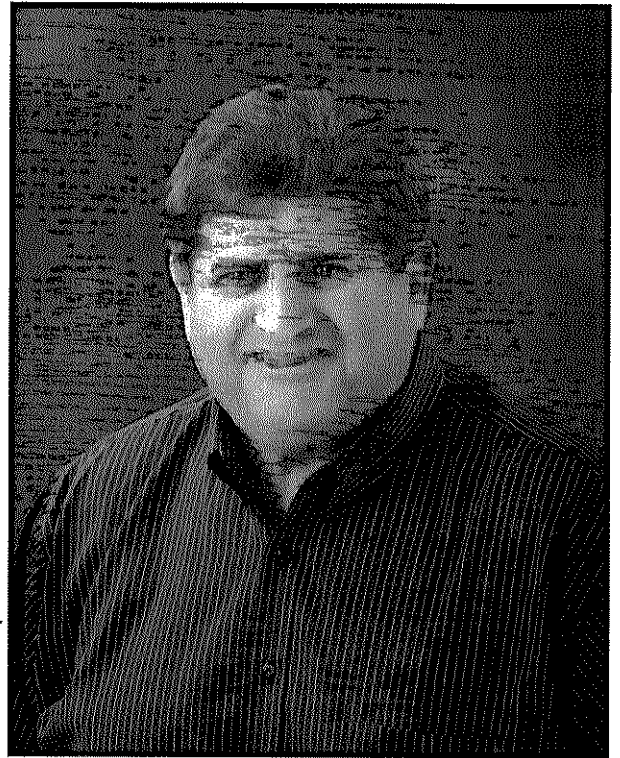

Tonight a man who proudly wore a whistle around his neck for thirty-three years, will be provided a rare moment in the spotlight during the festivities for the 64<sup>th</sup> annual Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic.

Honorary Official Jim Sperlazza, Sr. has officiated for thirty-three years. During this time he has officiated seven West Virginia play-off games and two Rudy Mumley OVAC All-Star Football Classics. He also worked basketball games for five years. "I played football in high school and two years at Shepherd College and really enjoyed it. I also wrestled and ran track in high school, but football was my interest."

When he graduated from college and started his teaching career, he wanted to stay involved in the game and decided to become an official. It has provided him with many rewarding experiences, great friendships and some wonderful memories. "I'll never forget the Steubenville - Weir game when Weir scored forty points on Big Red. You would think the Red Riders would be in control but the only problem was Steubenville scored 50. I also enjoyed working games with my Son Jim, Jr. and cousin, Mark who happens to be working tonight's game."

Jim has lived in Wellsburg all of his life and has been married to his wife, Shirley for the past thirty-six years. The family includes Jim, Jr., who officiates, and Jennifer, along with grandson Cole and granddaughter Payton.

Jim graduated from Wellsburg High School in 1969 before earning a Bachelor's Degree at Kent State University. He taught at Follansbee Middle School for twelve years before moving on to school administration, serving as a Principal for many years before retiring from the educational arena. He now works part-time for Richmond Mills Trucking in Wintersville and enjoys fishing in the Ohio River, walking and spending time with his family.

**JIM SPERLAZZA**

# OFFICIALS

• **REFEREE SAM JONES** has been officiating for twenty-two years. This is his second OVAC All-Star Classic, having officiated the game in 2003. He has also worked the West Virginia North-South All-Star Game. He has worked two West Virginia State Championship Super-Six games, the most recent being the 2008 AAA title game. Sam has also been officiating slow pitch softball for the Wheeling Recreation Department for the past twenty-two years. Sam got involved in officiating at the encouragement of cousin, Paul Vargo, who is now a Big East Football Official.

There are some games that stick out in his mind. The 2007 St. Clairsville – Union Local double over-time Fair Game was one he won't forget for a long time. That year he also worked the "Clash of the Titans" that featured Steubenville, riding a 39 game winning streak and Cardinal O'Hara, who was on a 25 game winning streak. Last year, he worked the Friends of Coal Bowl game between Cleveland Glenville and Pennsylvania's Thomas Jefferson High School.

Sam lives in Tiltonsville, Ohio with his wife Kelly and daughters Liza and Taylor. He graduated from Bellaire St. Johns in 1985, received a Bachelor's Degree at West Liberty in 1990 and has completed his Master's Degree at Franciscan University of Steubenville. He is employed as a math teacher and athletic director at Buckeye (Local) Southwest Middle School in Tiltonsville. He enjoys playing golf, reading and Ohio State football.

• **UMPIRE JOE MICHAELS** has been officiating for the past twenty-five years including regular season tilts and West Virginia play-off games. He has also officiated softball in the past. "Roger Weaver was a friend who officiated and I asked him how to get involved. He kind of took me under his wing and I have had no regrets. There hasn't been any special games - every game is a memorable game to me."

Joe lives in Bridgeport, Ohio with wife, Judith and family that includes, Janice, Joey, Chad and Jill along with grandchildren Jeremy, Casey, Hunter, Hannah and Haleigh. Joe is a graduate of Martins Ferry High School, and has been employed by Bridgeport Schools for the past twenty-seven years as a bus driver and groundskeeper for the high school stadium. He is serving as president of the Bridgeport Classified Employees and a member of the Bridgeport Eagles and the Mid Ohio Valley Bowling Conference. He enjoys bowling and golfing.

• **LINE JUDGE T.J. BRANCAZIO** has been wearing the stripes for twelve years. He has worked play-off games in Ohio and

West Virginia. This is the second time he has worked this game. He also officiates basketball in the winter, and enjoys the many friendships that he has developed over the last twelve years.

T.J. lives in Weirton with his wife, Carol and kids, Courtney and Taylor. He is a graduate of Weir High School and West Virginia University. He is employed at US Bancorp as a Financial Consultant and likes to golf in his spare time.

• **LINESMAN LANCE RICE** has been involved in football officiating for the past eight years. He enjoys each game that he works and likes the variety available in the OVAC. He lives in St. Clairsville with his wife, Debbie and their children Sydnie and Brennen. He attended St. Clairsville High School and Hocking College. Lance is employed as a firefighter and paramedic in the Cumberland Trail Fire District and enjoys golfing, all types of water sports and spending time with his family.

• **BACK JUDGE MARK SPERLAZZA** has been officiating for twenty years. He got involved by the influence of his cousin, Jim Spertazza, who is the Honorary Official in this year's game. He also officiates basketball, volleyball and softball.

Mark lives in Wellsburg with his wife, Shari and their children Ryan (wife Ashley), Marcie (husband Rob) and Rachael, and the grandchildren Santino and Avery. He graduated from Brooke High School and is currently employed by the Anthony Mining Company. He enjoys golfing and biking and is an active member of the St. John Catholic Church, Knights of Columbus, St. Anthony Club and the Garibaldi Lodge.

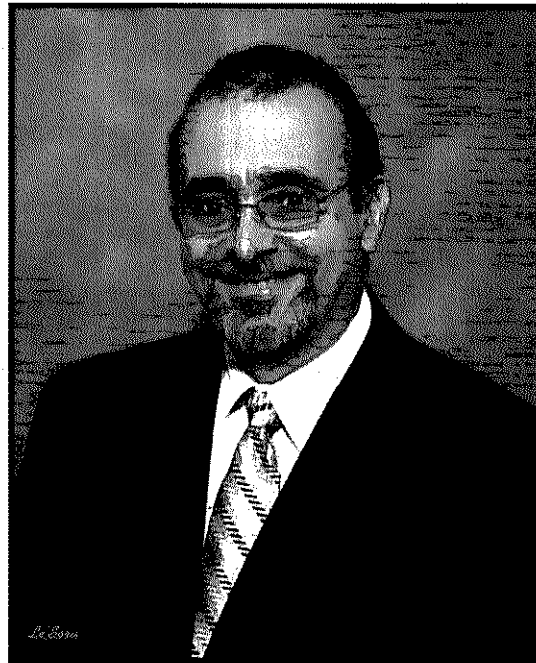

• **SIDE JUDGE MATT YOUNG** has been officiating for fourteen years. He has officiated both Ohio and West Virginia play-off games. He lives in Wheeling with his four children: Dallas, Morgan, Logan and Mattison. He is a graduate of Wheeling Central Catholic High School and is currently employed as the Superintendent of Mt. Calvary Cemetery.

• **FIELD JUDGE WARREN ELLIOTT** has been officiating for thirty years. He has been involved in many great games, and fondly recalls the 2007 NCAA Div. II semi-final play-off game between Valdosta St. and California (Pa) that was televised on ESPN. He also enjoyed the 2001 State AAA Championship game between Martinsburg and Parkersburg and the 1998 State A Championship between Valley and Moorefield.

Warren lives in Weirton with his sons Andrew, Aaron and Arick. He graduated from Jefferson Technical College in Steubenville and is employed as a Lieutenant on the Weirton Police Department. He enjoys jogging and racquetball.

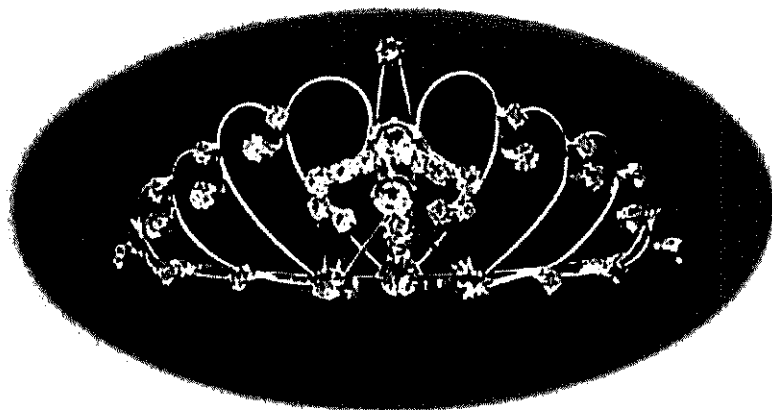

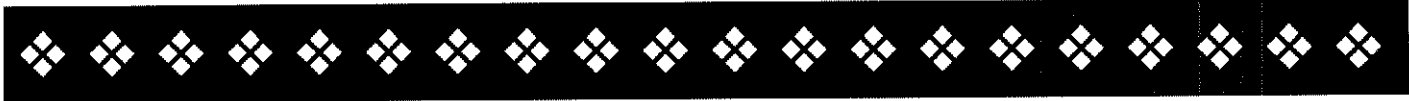

## George M. Kellas, II

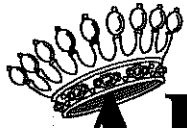

**1956 - 2009**

*The Ohio Valley Athletic Conference would like to recognize the distinguished career of George Kellas, an Ohio Valley legend who passed away earlier this year after a courageous battle with cancer. George covered the OVAC on radio and television with great enthusiasm and style for over 30 years and will be missed by all.*

For the last three years I have been a member of The OVAC Marching Band Dance Squad.

Every year I get so excited and look forward to the Dance Team tryouts.

I enjoy meeting and making new friends at WLU Camp, because many of the new students I meet become forever "Keep In Touch Friends."

With each and every new year the OVAC Marching Band becomes more and more **AWESOME**, and The Dance Drill Team Routines get more and more **AWESOME!!!**

# Palma Orthodontics

Orthodontics  
Dentofacial Orthopedics  
Craniofacial Pain

## When Should Orthodontic Treatment Begin?

Each person is unique, so there is no one answer. However, untreated orthodontic conditions can get much worse.

## Get An Early Evaluation No Later Than Age Seven.

The American Association of Orthodontists recommends that a child's first visit to an orthodontist should take place when an orthodontic problem is first detected. Depending on the nature of the problem, whether it is a jaw growth problem, tooth problem or both, this first visit could take place as early as age 2 or 3, as the primary teeth erupt.

Whether or not an orthodontic problem is detected, however, a child should visit an orthodontist for a checkup no later than age 7.

This may surprise you because orthodontic treatment is usually associated with adolescence. Although treatment will not necessarily begin at this early age, an examination is very important to ensure the maximum dental health for your child and if necessary, establish the best timing for orthodontic care.

The following early warning signs may indicate that your child should have an orthodontic examination:

- Early or late loss of teeth
- Difficulty in chewing or biting
- Mouth breathing
- Thumb or finger sucking
- Lip biting or other oral habits
- Crowding, misplaced or blocked-out teeth
- Jaws that shift or make sounds
- Speech difficulty or tongue-thrusting
- Biting the cheek or on the roof of the mouth
- Protruding or "bucked" teeth
- Teeth that meet abnormally or not at all
- Facial imbalance
- Jaws that retrude, protrude or go to the side
- Grinding or clenching of the teeth
- Teeth and jaws that don't look right

*St. John Central High School 2009 Queen*

I would like to take this time to thank everyone who has helped me accomplish all of my goals throughout my lifetime. It means so much to me to have such great people that support me in all that I do. I would first off like to thank God for blessing me with such great talent along with such great friends and family. Mommy and Daddy I also can't tell you how thankful I am that you always support me spiritually and financially. To the rest of my friends and family, bosses, and coaches, and my wonderful boyfriend, Josh thank you for all of your support as well!

Meghan, if it wasn't for you, I never would have accomplished as much as I have in these past four years. When I am performing one of the last dance routines of my life at Queen of Queens I will be thinking of you, and when I am proudly walking down the OVAC football field I will do it in honor of you and the St. John Central Pomeraette Dance Team.

Without the help of all of the generous businesses throughout the valley I most definitely could not have taken part in such a wonderful experience. Thank you for purchasing ads to sponsor me through the pageant.

Good luck to all of the Queen Representatives at the pageant and good luck with everything that you do! "Shoot for the stars...If you fall, the clouds will catch you!" I am extremely honored to represent St. John Central High School and I will remember this experience for a lifetime!

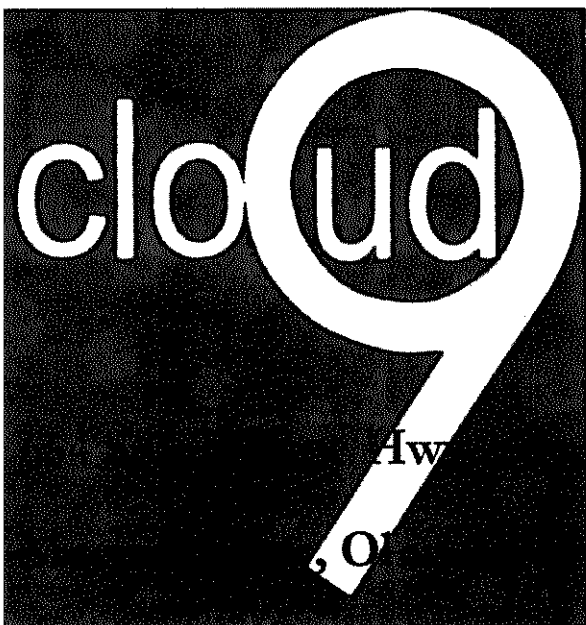

Love, Nicole

Actually, most parents agree that it's never "cool" to host a teen drinking party. It's wrong, and it's illegal. Talk with your teens, and help them find ways to have a good time without drinking.

# tradition.

It isn't just about seasons past. It's about the football season that's just starting and the many to follow. And there's no better place to live it and relive it than HighSchoolSports.net.

Whether you're printing your football team's season calendar, uploading and viewing team photos and videos at The Bleachers, checking on the latest scores and Massey Ratings, or creating custom school gear at My Locker, HighSchoolSports.net is all about your school, your teams, your world.

Only HighSchoolSports.net provides athletes, students, coaches and parents at over 16,000 high schools one place to celebrate the passions and traditions for their school and teams.

You're at the heart of it. So are we.
