65th Annual Rudy Mumley All★Star Charity Football Classic

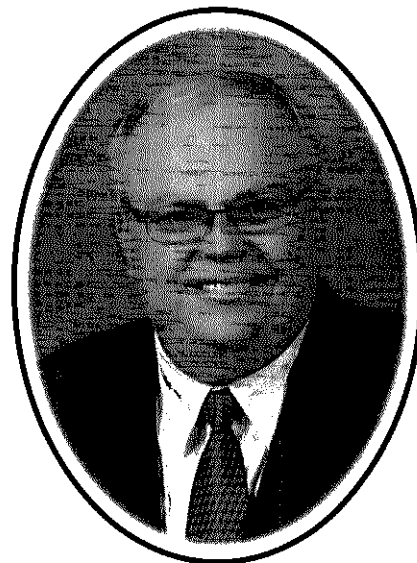

~ 1972-2010 ~

Welcome to the sixty-fifth edition of the Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic. Assembling on the field tonight are many of the best young people in the upper Ohio Valley. This is a unique collection of all-star football players, cheerleaders, band members and talented queen candidates. The OVAC® knows of no other similar assembly of high school talent in the United States.

I hope you enjoy and appreciate the skills on display this evening. It has been a pleasure for me, the coaches, the directors and the rest of the game committee to work with these fine young people over the last several weeks leading up to tonight's event. I would like to thank the parents who have raised these fine, young people – it is not an easy task.

Thank you for attending this event. Your support is needed and appreciated to continue and improve this outstanding charity event.

I would like to wish the best to the participants in tonight's activities – they are our future.

Bob Koch
GAME DIRECTOR

On the Cover...Tom Milliken

Tom Milliken is a true friend of the OVAC®. He is one of those rare individuals who is willing to donate his time to benefit the youth of the Ohio Valley, yet expects no recognition in return. He performs many of the mundane activities that are required for an event to be a success, all the time keeping a smile on his face and having a kind word for anyone that happens to walk by.

Tom graduated from Triadelphia High School in 1958. He worked at Warwood Armature before retiring in 2002. Tom is a long-time member of the Warwood United Methodist Church, where he was a soloist in the choir and the Warwood Veterans Association.

Tom spends much time helping the Athletic Department at Wheeling Park High School. He has sold tickets at various games including football, boys and girls basketball, soccer, baseball and track events for over twenty years, but he is perhaps best known as the 'man at the back door' at basketball games.

Long active in the OVAC® in both the Ron Mauck Wrestling Tournament and the Rudy Mumley All-Star Football Charity Classic, Tom works game-week events, assembles awards, sells programs, t-shirts, and tickets, hangs banners, and anything else that needs to be done. He has been involved with the Super Six Football Championships since they first came to Wheeling. He has served as a team host, sold tickets and ads, and helped clean the stadium between games. Tom also worked as a high school basketball official for ten years.

Former Rudy Mumley All-Star Football Game Director Ron Mauck notes, "I have known Tom for over thirty-five years. We became involved in the OVAC® All-Star Football Game in the late 70's when Rudy was working to build the game. I later drafted him to help with the OVAC® Wrestling Tournament and we have worked together ever since. Tom and Sandy help make the OVAC® a great organization."

Current Game Director Bob Koch adds, "It's people like Tom Milliken that make all the hours and all the work seem small compared to the many benefits that the athletes and community receive. He is bedrock for a whole lot of good. I always look forward to working with Tom."

Tom enjoys softball and was a fast-pitch softball pitcher for over twenty-five years. He had the pleasure of coaching both of his daughters in the sport. Tom also enjoys playing cards with his poker group at their Saturday night get-togethers.

Tom and his wife, Sandy continue to live in Warwood. Sandy is an equally big supporter of the OVAC® and works many of the same events with her husband. They are the parents of two daughters, Amy (Chris) Basinger and Beth (Mark) Whitehouse, who have provided Tom and Sandy with three grandchildren: Madison, Isaac and Olivia.

The OVAC® is fortunate to have people like Tom Milliken who are willing to donate their time to ensure that Ohio Valley athletes, parents and spectators enjoy events that are well-organized and a pleasure to attend.

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference® could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

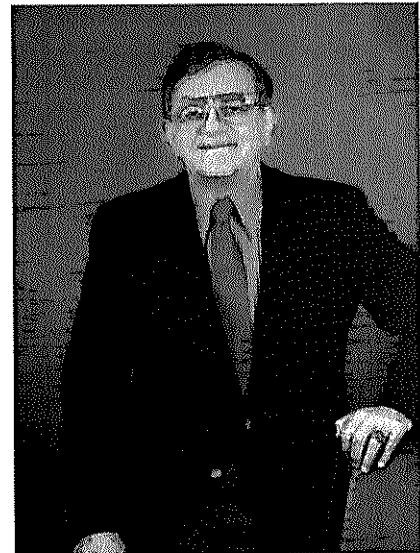

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9. .

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference®.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

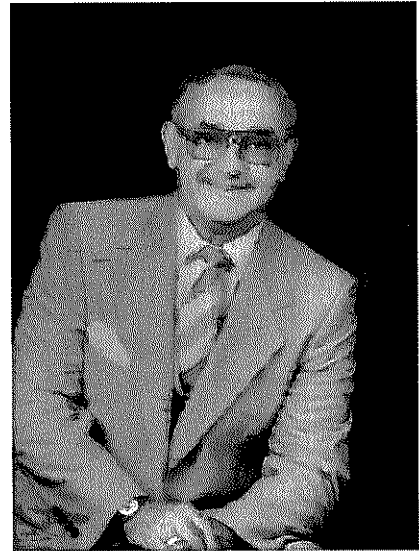

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

While the Ohio and West Virginia gridders are resting for their annual clash tonight at the Wheeling Island Stadium, the sixteen lovely girls who are vying for the Queen of Queens crown of the 10th Annual All-Star Game, will participate in a parade and a tour of the Ohio Valley prior to appearing at the game.

A motorcade of 16 convertibles will parade over the streets of Wheeling starting at the McClure Hotel, where the girls will be quartered in a suite of rooms at 11:45 a.m.

The convertibles with the 16 attractive girls will leave the McClure Hotel and travel south on Eoff Street to 16th then west on 16th Street to Market, north on Market to 10th Street, west on 10th to Main and south on Main to 22nd Street then on to Benwood. From Benwood the motorcade will move on to Moundsville and then back to Benwood, from where it will cross the river and visit Bellaire and move through the towns to Steubenville. From Steubenville the parade will travel to Weirton, Chester, Wellsburg, Follansbee, and then back to the McClure where the girls will rest for the game.

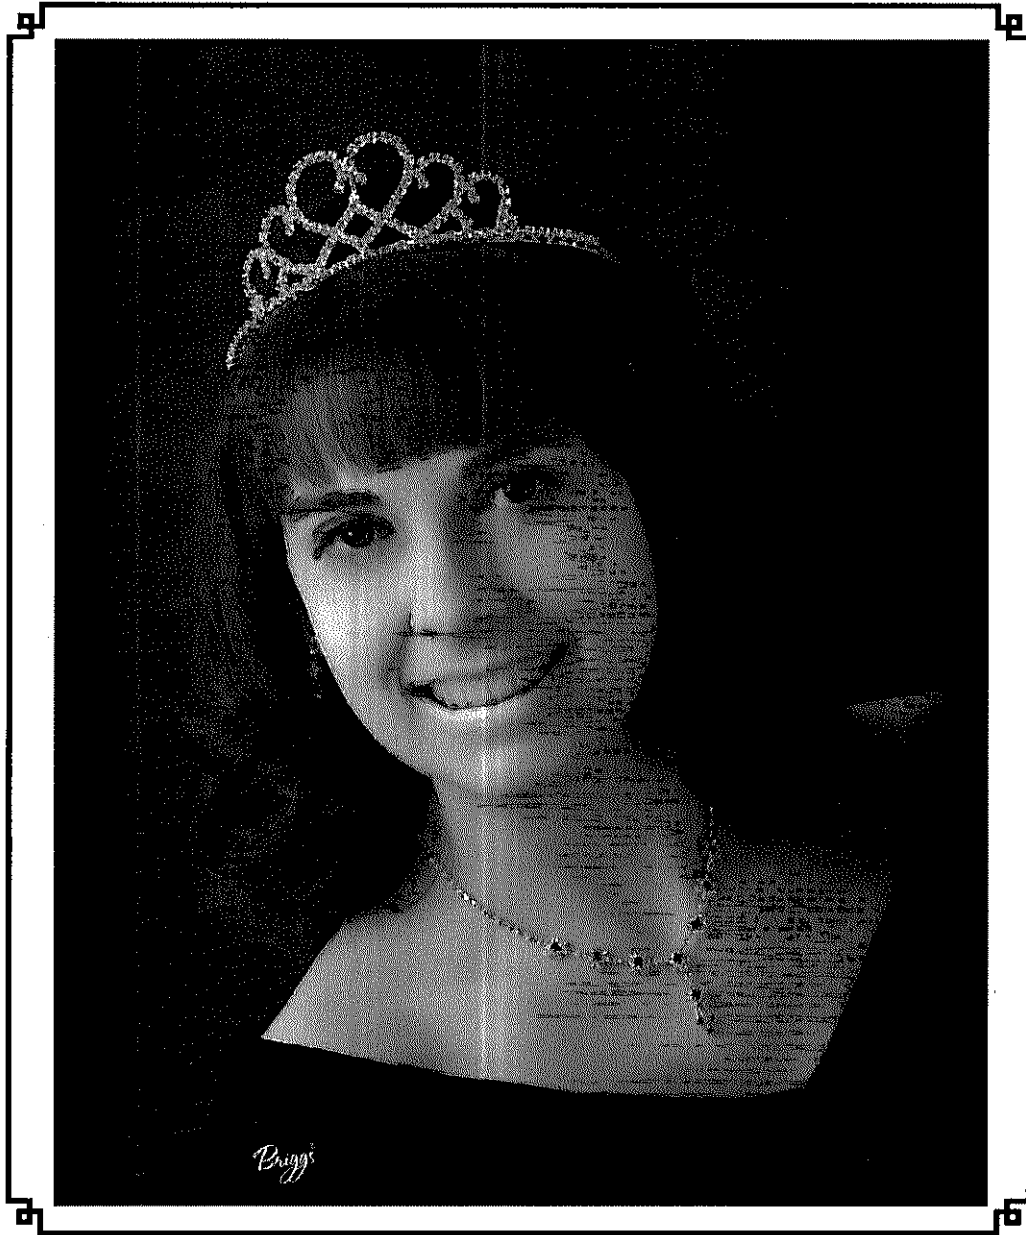

The girls will make a grand appearance at the Stadium at 8: 15 p.m. The Queen of the High School Queens will be crowned at colorful half-time ceremonies.

THANK YOU

ALL THAT GLITTERS IS NOT GOLD

*"Ten dollars a ticket is way too high."
"The OVAC makes a killing on this game."*

If I had a dollar for every time I heard those statements, the Ohio Valley Athletic Conference would be on a rock solid foundation. To many of the uninformed, it looks on the surface that these two thoughts are accurate. So we (the football committee) thought it might be worth the time to show the general public what it costs to produce the OVAC/Rudy Mumley All-Star Football Classic. These figures are based on the 2009 game.

REVENUE

| | |
|-------------------------------|-------------------|
| Tickets | 43,314.00 |
| Program | |
| Advertising | 36,340.00 |

| Souvenir Clothing | 1,307.00 |
| Sponsors | 10,990.00 |
| TOTAL INCOME | 115,622.00 |

So I guess looking at that, people are correct in their assumptions. However, let's pay the bills.

EXPENDITURES

| | |

| Printing (programs/tickets) | 20,748.00 |
| Office Expenses | 4,184.00 |
| Evening with the Stars Banquet/ Meals | 6,916.00 |

*This figure is projected to go to \$65,000-\$70,000 this year, a 30%+ increase.

| | |

| Transportation | 2,409.00 |
| Uniforms/Clothing | 10,923.00 |
| Scholarships | 7,000.00 |
| Donations | 6,525.00 |

TOTAL EXPENSES 129,282.00

So doing the math, this means that the game "killer profits" would be **-\$13,661.00!**

To be honest, we need to factor in the advertising revenue/television production.

Another item that is not understood is that the OVAC is its own production company. We hire and pay to have the game produced, then buy air time to televise the game. We are therefore responsible to sell the advertising and pay production costs. As our marketing program is tied in to the entire year, it is difficult to break out strictly the revenue generated for the game. However, in earlier years, that figure was usually around \$20,000. So if you factor that in, it would produce a \$6,339.00 profit.

These are real figures and can be verified by one look at the checkbook or one trip to the auditors. The obvious would be to raise prices, but that just can't be done. Next would be to cut things out. The committee met after last year's game and figured out how to eliminate or raise \$5,000 for this year. We also created a new event this year to help defray the cost of the band so we wouldn't have to cut musicians. But both of those added together will be more than consumed by the increase in room and board.

After this game is over, the OVAC football committee will have to look long and hard at changes for next year's game. But two things are certain:

1. We aren't making a killing; and
2. We are going to cheat our students/athletes out of an experience of a lifetime.

“1940” The First All★Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shady-side youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski niched successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the game. His Shady-side backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from a nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

“1950” All-Star Game - 60 Years Ago

An unheralded band of Ohio football luminaries capitalized on fumbles in the first and third periods to score a 14-0 victory over a favored West Virginia eleven in the eighth annual Ohio Valley All-Star game on a rain soaked Wheeling Island stadium turf last night.

The Buckeyes, spearheaded by captain Jimmy George of Smithfield, completely dominated the game as they ended West Virginia's winning streak at two games, and evened the record at four-four in the series before 9,000 fans.

Linemen John Kornetti of Smithfield and Dick Davidson of Steubenville pounced on a Mountaineer fumble in the end zone for the first score after the game was eight minutes old. Frankie Branson, fleet Martins Ferry halfback, slipped through the West Virginia line from the one-yard stripe to culminate a drive that started with a Mountaineer fumble in the third period.

Ohio Coaches Jack LaBay and Frank Lollini, who masterminded the buckeye strategy, gave full credit for the victory to the players. West Virginia Coach Mac Bowles lauded the Ohioans for the determined way in which they out-played his team.

The Ohioans operating out of the LaBay-Lollini version of the T-Formation, rang up 12 first downs to five for the Mountaineers. The Buckeyes gained 185 yards from scrimmage compared to 88 for the Mountaineers.

A Coffin Corner punt by Tiltonsville's little Jimmy Richie set the stage for the Buckeyes first counter. Ohio won the opening toss and elected to receive. Stan Chlon of Union kicked off, and after an exchange of fumbles in Ohio territory the Buckeyes drove to the West Virginia 44.

Richie, who engineered the Buckeyes' T-attack, angled a punt out of bounds at the West Virginia two yard line in the northeast corner of the field. Davidson and Kornetti recovered a loose ball in the Mountaineer backfield, and again the Ohioans were on their way to pay dirt.

Yorkville's Vince Orban and George

hit the Mountaineer line for no gain. Then Richie uncorked the Ohioans' first pass of the game, George grabbing it at the 15 on the east side of the field and driving to the six.

Orban and Branson alternated on lunges through the center of the line with Branson going into the end zone standing up on the fourth try. George again added the extra point by placement.

A West Virginia fumble on the following kickoff was covered by Bellaire's Harold Yates at the Mountaineer 35. The Buckeyes, however, were forced to punt from the 33 and West Virginia took over at its own 39. West Virginia then marched 30 yards before Unions' Bob Barker punted to Branson at the Ohio 20.

On a sustained drive that carried into the fourth period, the Buckeyes piled up five first downs and sent Mingo's Duck Marshall into the West Virginia end zone from the six yard line on a play that was

called back on a holding penalty against Ohio. The thrust ended up at the Mountaineer 22-yard stripe.

Weirton's Bob Pulice reeled off a 22- yard gain to the Mountaineer 44 on a reverse around left end, but it was offset by a 17-yard loss by Weirton's Ralph Patrick. Wheeling's Dino Hadjis punted to Branson at the Ohio 31, and seconds later the Mountaineers had the ball in Buckeye territory for the first time in the second half.

W.Va. captain Stan Tsapis recovered a loose ball at the Ohio 29, but a lateral fumble by Pulis Coleman at the Buckeye 37, setting the stage for the final drive of the game. Ohio picked up two first downs in driving to the West Virginia 31, where the game ended.

Bellaire's Anello Liberatti, Smithfield's Kornetti, and Toronto's Vern McConnell stood out on Ohio's line, while Tsapis, Union's Stan Chlon and Moundsville's Louis Adkins were outstanding for West Virginia.

“1960” All-Star Game - 50 Years Ago

George Fisher, 200 pound fullback from Toronto High, last night turned defeat into victory for the Ohio All-Stars in the 18th of the Ohio Valley “Dream” football games by breaking through the line and romping 76 yards for a final period touchdown that nullified a first half touchdown for their West Virginia opponents.

And then Johnny Bellopatrick, former Mingo athlete, calmly dropped kicked the extra point to haul the Buckeyes to victory, 7-6 over the West Virginia who had scored early in the first period.

Although the Ohio attack had been bottled up for more than three-quarters, the dramatic touchdown came with 5:26 in the fourth quarter after the West Virginians had been threatening to pad their lead.

Steve Jackson had punted to Ohio’s 25 prior to Fisher’s explosive scamper. George Tomach lost a yard on the next play, but the Buckeyes sprang the ex-Torontoan through the left side and, aided by a key block thrown by Lou Thomas at the West Virginia 25, dashed to a score.

Leon Jeter fumbled the opening kick-off at the goal line, dribbled it, pick it up and evading three tacklers got to his own 38. Steve Jackson, Larry Holman, and Jeter got a first down at the 48. Holman fumbled and Dave Hunter recovered it at the West Virginia 45.

West Virginia ground out a touchdown in 10 plays, picking up four first downs enroute. Mike Hayden and Ace Lyle got seven between them Jackson then added seven and Lyle raced for 15 to the Ohio 26. Hayden passed to Jim Jarrett who got to the 14. Lyle hit right tackle to the one-foot line, and Hayden sneaked for the TD with 4-1/2 minutes gone.

W.Va. had two chances for the PAT. An offside penalty saved Hayden in a run from a fake placement try but on the second try, Nardo, an Ohio lineman, blocked the kick.

W.Va. dominated the first quarter play. Ohio, who had gained only one yard previously, took the second kickoff at its own 29, but after a net loss of three in two plays, sent Larry Sizemore back to kick

although the Big Red lineman had never punted before. He booted a 66-yard kick that came to rest at the W.Va. 8.

The West Virginians punted in return. Jackson’s boot gong to his own 41, Jim Pyle returned to the 35. Ohio made its deepest penetration at this point with Bobby Edwards getting 11 and George Fisher adding three to the West Virginia 21. Here Haden cut short the threat by intercepting a Jackson pass at the 10 and ripping up to his own 48 where Jackson caught him.

West Virginia’s Steve Jackson punted out of bounds on the W.Va. 43 on the second play of the second quarter as W.Va. stalled. Then after Bob Edwards got a yard, Larry Marmie raced 18 yards on a keeper but a later fumble ended the drive at the W.Va. 26.

West Virginia dominated the rest of the second period, penetrating to the Buckeye 45 early in the period, on Steve Jackson’s 11-yard dash. Later in the period, the Mountaineers had advanced from their own 21 to the Ohio 40. In that series, controlling the ball for the last nine plays of the half, the big gain was another 18 yard run by Jackson,

former Parkersburg half-back.

Ohio took the opening kickoff of the second half. Running plays by Eddie Jackson, George Tomach, and Bobby Edwards moved the ball to the Ohio 47-yard line.

Tomach lost 6 yards and then the Buckeyes had an incomplete pass.

Steubenville’s Larry Sizemore dropped back to punt and kicked to Mike Hayden at the West Virginia 20 and he returned it to the 30.

Steve Jackson picked up 5. Leon Jeter added another yard and then a backfield in motion penalty put the Mountaineers back to the 31. Jeter picked up 4 yards and then Moundsville’s John Zwolensky picked up 8 yards to the West Virginia 43.

Ohio was able to move the ball only to the W.Va. 40 and then Cadiz’s Jim Pyles dropped back and booted to the West Virginia 23. West Virginia picked up two first downs in 5 plays before Jackson punted out of bounds at the W.Va. 49.

Eddie Jackson gained 5 yards in two tries for Ohio and then lost 3 as the quarter ended.

“1980” All-Star Game - 30 Years Ago

A severe summer storm with strong wind and fierce lightning cut short Saturday night's Game at Wheeling Island Stadium, resulting in confusion, a mad dash for the exits, and a 10-7 victory for Ohio.

At 9:05 p.m. with 5:11 remaining in the game, heavy winds swept across the stadium and a bolt of lightning knocked out the lights on the west side of the stadium.

Officials then signaled an end to the contest, and the fans, approximately 8,500 of them, took off on a frantic dash toward the exits. Moments later, the game was declared official, and the stadium was soon empty.

Ohio was not only ahead 10-7 at the time, but was driving toward the West Virginia end zone. Quarterback Jeff Smith of Buckeye Local had just completed a 19-yard pass to Bridgeport's Rich Goodrich for a first down at the Mountaineer 18 when Mother Nature Intervened.

What proved to be the winning touchdown came at the 4:46 mark of the third quarter when Smith hit Goodrich on a 13-yard scoring strike. The TD capped a 13 play 74-yard drive, which featured the dazzling running of Martins Ferry back Jimmy Johnson. He gained 30 of the 74 yards, including an 11-yarder on a third and three from the West Virginia 32.

Johnson's eight yard scamper gave the Buckeyes a first down at the nine, but Ohio was pushed back to the 13 as St. Clairsville's Mike Morris was dropped by Brooke's Steve DePasquale. But on the next play Smith hit Goodrich in the left flat for the touchdown.

Goodrich caught five passes for 66 yards, and he also intercepted two passes off West Virginia quarterback Tommy Thomas of Wheeling Central, the first of which set up a first quarter field goal by Shadyside's Manny Matsakis.

Smith completed eight of 13 passes for 93 yards, and he was also the game's leading

rusher with 71 yards on 14 carries.

Johnson finished with 57 yards on 13 carries, which Buckeye North's Bart Brown added 21 yards on the ground.

Thomas completed only three passes in 10 tries for 44 yards, and he was victimized twice by Goodrich.

Central's Rich Kelly paced the West Virginia ball carriers with 36 yards on 10 carries.

Ohio led in first downs, 14-6, and in overall rushing yardage, 144-31. The Buckeyes were penalized five times for 49 yards, while the Mountaineers were set back twice for 20 yards. Each team lost a fumble.

Thomas came out throwing on the very first play from scrimmage, but the intended pass for teammate Matt Hamm was broken up by Jefferson Union's Steve Swinehart near mid-field. Another incomplete aerial and a three-yard loss pinned against Weirton Madonna's Vic Ceglie forced the Mountaineers to punt.

Ohio could do no better on its first possession. Brown and Johnson were dropped for losses, and Smith's pass intended for Shadyside's Todd Snedeker fell incomplete.

The Buckeyes got the game's first break on the West Virginia's next series. On third and 10 from the 18, Goodrich stepped in front of Magnolia's Rick Dove at the 30, intercepted Thomas' pass and returned the oval to the Mountaineer 14.

Ohio, however, could manage only a net of five yards on the ensuing three plays, and on fourth down from the nine, Matsakis came on and booted a 27-yard field goal to give the Buckeyes a 3-0 lead with 5:09 left in the first quarter.

Just moments later, Ohio was back in business again as a Thomas pass went off the fingers of Central's Eric Osterman, and into the hands of Goodrich at the West Virginia 35.

A pass from Smith to Goodrich was good for 17-yards and a first down at the Mountaineer seven, and another aerial to Snedeker put the ball at the three.

But that's as close as the Buckeyes got. Off-setting unsportmanlike conduct penalties pushed the ball back to the nine (West Virginia was penalized only half the distance to the goal, while the full 15 yards was marked off against Ohio). On third and goal from five, Smith was caught by Magnolia's Pat Estep, and Matsakis came on again.

However, after a five-yard delay penalty, the Shadyside kicker was wide right from 28 yards out.

West Virginia's go ahead touchdown was the result of 10 play, 64-yard drive. The big plays were a 24-yard pass from Thomas to Hamm on third and six from the Mountaineer 40, and a 16-yard Thomas aerial to Linsly's Mike Felton which was good for a first down at the Ohio 19.

Three plays later, Kelly bolted up the middle for 11 yards, making it first and goal from the one. Thomas snuck over two plays later, and the extra point was added by Central's Greg Kloepfner put the Mountaineers on top 7-3, with 1:14 left in the first half.

Ohio had one last chance just before the half, compliments of passes of 10 and 16 yards from Smith to Goodrich and Snedeker, respectively, and a 10 yard keeper by Smith.

But on the final play of the half, a 47-yard field goal attempt by Matsakis was short.

Both coaches, Central's Jim Thomas for WV and Buckeye North's Paul Culver for Ohio, struck pretty much with their first string units. Tommy Thomas went all the way at quarterback for WV, as did Smith for the Buckeyes.

The storm-shortened victory gives Ohio an 18-17 lead in the all time series. It was also Ohio's third straight win.

“1990” All-Star Game - 20 Years Ago

The Pentagon staff should get their hands on the weapons that Ohio featured in the 19th Rudy Mumley OVAC® Charity All-Star Football Classic on Sunday night at Wheeling Island Stadium.

The Ohio stars used the air, the ground and defense to march to a 42-0 victory over West Virginia in the annual football matchup.

In fact, Ohio's margin of victory was the most lopsided in the history of the series. Before that, the biggest victory was Ohio's 47-13 win in 1979.

The Buckeye State now leads the series by a 25-20 count.

“Our kids came to play,” Ohio coach Bob Morris said. “I can't say enough about them. Our defense came up and hit them. The players just responded very well.”

In the first quarter, both teams were stopped on their first offensive series. On their second series, Ohio gave up a chance when quarterback Kevin Smith fumbled in enemy territory. John Litman recovered for the Mountaineers at the 33-yard line.

The Mountaineers most series threat to score came after the fumble recovery. On the next play, quarterback Larry Palmer connected with Zack Abraham for a 37-yard strike to the Ohio 29-yard line.

However, Palmer was sacked on the next play for a 10-yard loss by Marcus Raine and Ohio stopped the threat. On the fourth down, Palmer tried a fake punt but he was stopped short of the first down marker.

Following that, Ohio took the ball and marched 75 yards to pay dirt. Full-back Mo Pearson capped off the 10 play drive with a one yard run for the score with 11:17 remaining in the second quarter.

The key play of the drive was Kyle

Rose's 17-yard gain on fourth and one on the WV 35.

Just three minutes later, Ohio quarterback Brent Burkhart connected with standout receiver Joey Galloway for a 58-yard touchdown that gave the Buckeyes a 14-0 lead. On the play, the Ohio state recruit beat double coverage down the right sideline.

The Mountaineers managed just eight total yards on their next series and were forced to punt. Ohio was ready to strike through the air again.

On second and 10, East Liverpool's Smith eluded the West Virginia rush and scrambled - he lofted a pass deep down field for Steubenville's Chuck Hython.

Hython, Big Red's big play man, out-leaped two defenders for the ball at the five-yard line - and stumbled into the end zone for the score that raised the Buckeye's lead to 21-0.

“We were able to get players in situations where they were able to showcase their talent,” Morris added. “Joey Galloway made an outstanding play to get by double coverage on his touchdown. Kevin Smith broke away and Church Hython made a great catch on a broken play for the other score.”

“We felt we had to stop their option, that and their roll-passes,” Morris continued. “If we could get the lead on them, we could force them to do other things.”

In the third quarter, Ohio needed just two plays to pad their lead to 28-0.

Pearson broke loose for a 46-yard jaunt to WV's three-yard line. From there, Cadiz's Damon Brooks scampered into the end zone on a sweep right at the 7:15 mark.

“They came out and took it right at us,” WV Head Coach Ron White said. “We felt they earned their first touch-down. In my

view we gave them their other two scores in the first half.”

“I'm still proud of our players. They all worked hard,” White noted. “It just wasn't in the cards. You have to give coach Morris credit. He had the weapons and he found a way to use them.”

Ohio upped its lead to 35-0 on a seven play 50-yard march with 1:49 remaining in the third quarter. Beallsville grad Jim Brown scored a touchdown on an 18-yard gallop.

The Buckeyes' final score came on a three-yard run by River's Rose with 7:54 left in the game. The drive covered 59 yards in 10 plays.

Ohio had a 342-59 advantage in total offensive yardage during the game. The Buckeyes defense held WV to just 20 yards rushing on 30 carries.

The Buckeyes quarterback duo of Smith and Burkhart was 11 for 15 for 182 yards and two scores. Galloway lead all receivers with five catches and 102 yards.

Stebenville's Pearson rolled up 75 yards for Ohio, Rose added 65, and Brooks finished with 61. Linsly's Mike Carman paced West Virginia with 25 yards on six carries.

On defense, Bellaire's Raine and St. Clairsville's Lance Sanders both had two sacks apiece. Edison South's Dave Wukelic was charted with eight tackles. Wheeling Park's Darius Savage chalked up two sacks for the Mountaineers.

Ohio enjoyed a 20-7 advantage in the first down department. In fact, WV managed just one first down in the second half.

The Buckeyes were penalized six times for 60 yards, while the Mountaineers were flagged four times for 26 yards. Both teams lost one fumble.

“2000” All-Star Game – 10 Years Ago

A 41-yard touchdown pass as time expired gave Ohio a 13-7 victory over West Virginia in the 29th Annual Rudy Mumley OVAC® All-Star Charity Football game played at Wheeling Island Stadium.

The winning score came when Bellaire's Frankie Hibbits, after catching a lateral from Derek Griffith, connected with BBS teammate Drew Spencer on the TD.

For the most part the game was a defensive battle as the two teams combined for only 357 yards and 16 first downs.

Had it not been for the Ohio defense the Buckeyes could not have won.

The game was destined to end in a tie as West Virginia took over the ball at its own 5-yard line with just 52 ticks left on the Stadium clock. Being that deep in its own territory West Virginia attempted to run out the clock by calling three straight running plays, after each Ohio called a timeout, as the West Virginians could gain only a total of one yard.

As a result of their failure to move the sticks, West Virginia was forced to punt which was returned by 41 yards by Nathan Kish to the West Virginia 34 with 23 seconds remaining.

On first down, Ohio quarterback Zac Bruney hit teammate Joey Gallagher for three yards in the left flat. Since the Buckeyes had used up all their timeouts during the previous defensive stand, and thus

hurried to the line of scrimmage to spike the ball and stop the clock. Illegal motion was called as Bruney spiked the ball with seven seconds left which then pushed the ball back to the 36. Then, Ohio was called for illegal procedure on the next play and the ball was moved back to the West Virginia 41.

On the next play Griffith' took the snap and fired to his right, hitting Hibbits at about the 45-yard line, Hibbits then wheeled around and lofted a pass toward Spencer who got behind the West Virginia defensive back, pulling in the ball at the 3-yard line and tip-toed into the end zone, setting off a wild Buckeye celebration in the right corner of the end zone.

As to the winning play, it installed by Coach Jay Circosta into Ohio's playbook the previous evening.

It was only the ninth pass of the game for Ohio, and was the third completion.

West Virginia used mostly a running game, only eight pass plays, with Brooke's Cliff Sachini being the workhorse as he gained 114 yards on 23 carries.

Sachini scored West Virginia's only TD with less than a minute left in the third quarter, with a run of six yards, and Chris Hartley's placement tied the game.

Ohio had taken the lead with 9:16 left in the first quarter when Toronto's Bryan Conlon scored from 40 yards out on a fumble return. This came on West

Virginia's first series. Justin Horner's placement made it 7-0 at the time.

In the first half West Virginia fumbled three times, losing three. Ohio lost its lone fumble.

The win marked the sixth straight for Ohio.

Following the game Circosia said, "I have to give West Virginia and Coach (Jim) Thomas credit, we were heavy favorites and that bothered me all week long. A game like this is very competitive."

~ A Tribute to George Strager ~

(A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2003)

With another high school football season set to get underway, I thought this might be a good time to reflect on the career of the late George Strager.

The Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own time as he amassed a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody went home, satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record shows 246 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced in coaching. The love and dedication that he gave the couple of thousand kids he coached affected most of their lives in a positive way.

Yes, George was hard to play for and tough as nails on the field. His pre-game and half-time talks were filled with fire, especially when he didn't think his team was performing up to his expectations. But he was hilariously funny at times around his coaches and players.

Today's younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity to learn from this coaching giant.

This past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer, and Wheeling Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

Huff spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coach at St. Clairsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red Devil helm.

"It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibilities that boosted my confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at St. Clairsville.

"He was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realized that George was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away in 1976. "George did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well," Young added. But it definitely was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the offensive game. Young talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were very fortunate during that time to have had many quality athletes at St. Clairsville," Young also said.

The most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the National Football League and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came at a time when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had some great teams that did not get a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never made it into the post-season.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were one step from the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out to me that Strager is probably the only person to have coached three different Ohio Valley teams to undefeated seasons. His 1953 Sistersville Tigers went 10-0-1 and won the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic and its "pony backfield" in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 10-0 in 1978 and 10-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered George a "Coach's Coach" because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and they always had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams were always fun to watch and cover. They never seemed out of a game because of his offense's ability to strike from any place on the field. "Some people are born to do certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

Doug certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks and coach. He turned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and molding them into something special.

Bob Kettlewell, the late successful coach in Wintersville (now Indian Creek High School) regarded Strager as being a good a quarterback coach as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. If George has someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

My relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic in 1961, I was a young writer and both Strager and the late Bob Roe, then the head coach of Wheeling High School, took me under their wing.

Strager was never known for paying much attention to the defensive side of football, although I'm sure that was exaggerated.

I do recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opener against Wheeling High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach, I wandered over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with the offense, he hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

Either the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville came out and blitzed the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of today's athletes will continue to be noticeable.

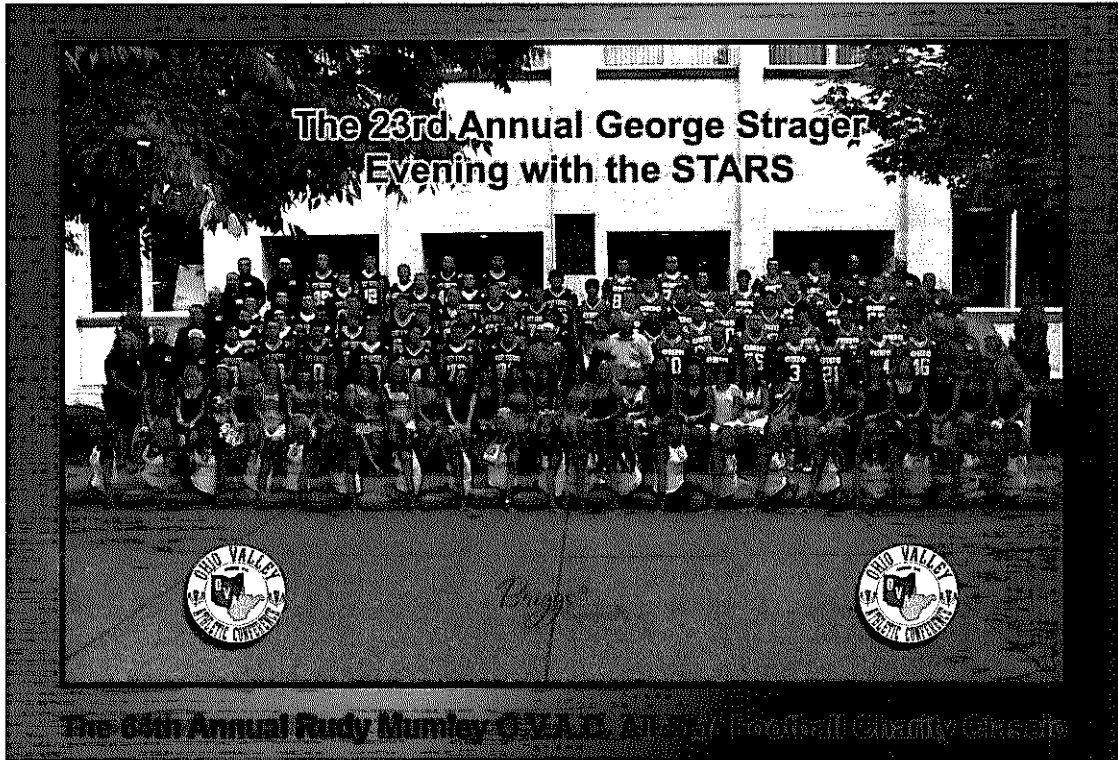

Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Players competing in the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening with the Stars Dinner.

Ol' George may be gone from our midst physically, but he will always remain in the thoughts of the coaches, players and writers whose path he crossed during his storied career.

Dr. Robert Jones, the team doctor for the West Virginia All-Stars in tonight's Rudy Mumley OVAC® All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for football. The game, he says, is in his blood. And no antibiotic, no pill or shot can get the sport out of his system. "I got involved because of the game of football," he said. (The appeal) is the game itself...it doesn't matter what aspect it is."

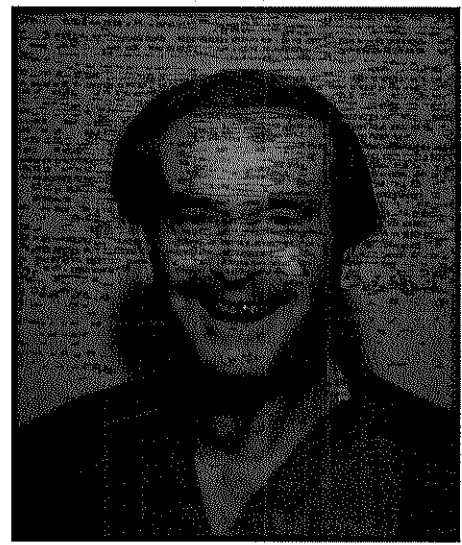

Football found its way into the heart of Dr. Jones in the mid-1960's, when he played for the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive line - - "Back then, you had to do it all," he said - - and remembers cross-state clashes with Charleston fondly. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Island Stadium will always remain indelibly etched in Jones' heart and mind. "I remember my first game...we played Charleston," Jones said. It was the only time I've ever seen the island (stadium) completely packed. We had a little bit of rivalry with them." And he still gets the same chills up his spine every time he visits the stadium, which was remodeled in the 1980's. "It's still the same place," Jones said. "Even if it is a different stadium. It's still a great place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. Currently a general surgeon who also performs thoracic and vascular work at Wheeling Hospital, Jones says he learned self-discipline - - a necessary component in any surgeon's mental makeup - - by playing football all his life. "The discipline of football pushed me to be a surgeon and in the medical field," Jones said.

Jones has been involved with the OVAC® Football Classic for the past 15 years, getting his first taste of the game when Ohio team doctor - - Luis Vazquez - - invited him to the 1984 game.

Many of the games that he's seen and worked were good. But one - - the 1987 classic - - stands out as great; because of the luminous stars who played in the contest. Ohio - featuring St. Clairsville's duo of Shawn Vincent and John Spencer - defeated the Alex Shookled West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Island Stadium. "That was the best year, as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children - Patricia and Pamela, both 31, and Robert 7.

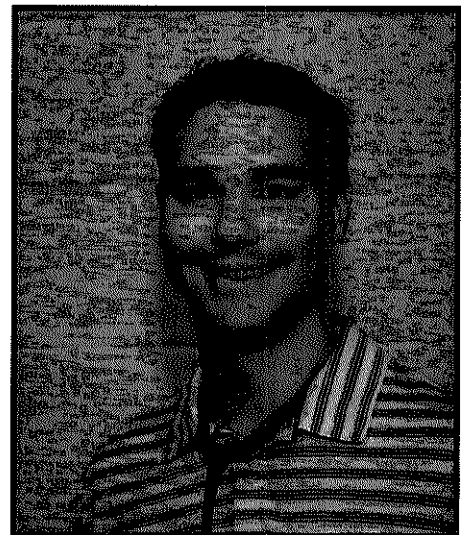

DR. ROBERT JONES

OVAC® DOCTORS

Dr. Christian Sonnefeld will serve as the Team Doctor for the Ohio squad at this year's game. He graduated in 1994 from Wheeling Central Catholic High School and played football under legendary Coach Jim Thomas as a wide receiver and a defensive back. Dr. Sonnefeld is aware of the impact the OVAC® has on the youth of the Ohio Valley. "It is a pleasure to be able to help the OVAC® continue their great tradition of focusing on the youth of the valley." In addition to his game day duties, Dr. Sonnefeld attends the first day of camp at West Liberty State College, administering physicals to all of the football players.

After high school, he attended West Virginia University and graduated from the WVU School of Medicine of Neurology. He has a general adult neurology practice at Wheeling Hospital at Medical Park. Dr. Sonnefeld lives in Wheeling with his wife, Maryanne. He enjoys golfing and likes to cook.

The Ohio Valley Athletic Conference® is very fortunate to have men of this caliber who are willing to donate their time to ensure that the athletes of the Ohio Valley receive quality care while participating in events in the conference.

TRAINER - HERB MINCH

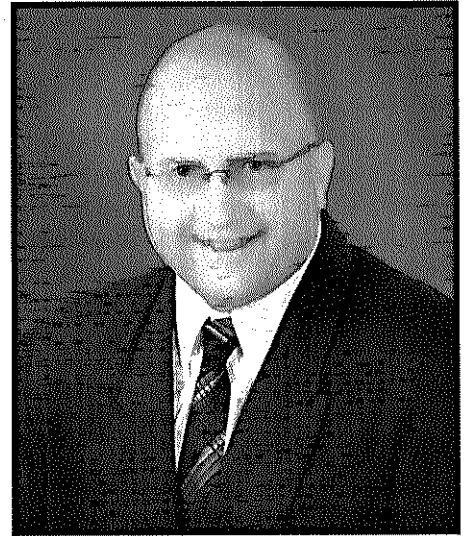

By SETH STASKEY
Times Leader Sports Editor

Through the course of tonight's game and the week leading up to the game, there will be bumps and bruises suffered by the players on both teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty State College. Minch has been involved with the OVAC® All-Star Game since 1987 two years after his graduation from Wheeling Park High School. Minch was studying health and physical education at West Liberty when he was approached to be a trainer for the game and eventually went on to earn his masters of science in physical education and athletic training in 1990 from West Virginia University.

The current West Liberty head softball coach got into training during his years at Park under Tim McCormick and he just took it from there. "I got a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help out the athletes."

Minch didn't expect to be involved with the OVAC® Game as often as he has been when he was first approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." Don't expect him to be getting out anytime soon. "I think it's obviously a great tradition," Minch relayed. "It's quite an honor to be a part of it and as long as they want me involved, I will continue to do it. It's been a great experience."

Herb is married to the former Ashlea Bland. He's got a daughter Kailey (3).

TRAINER - RANDY ELLIOTT

By SETH STASKEY
Times Leader Sports Editor

There are a lot of loyal OVAC® supporters throughout the conference up and down the river. However, long-time Oak Glen Athletic Trainer Randy Elliott etches his name right near the top every year for the services he provides the nation's largest prep athletic conference. Elliott has been involved in OVAC® events for the past 32 years and is once again on the sideline of the OVAC® All-Star Football Game, serving in his normal role on the training staff. He has served the Mumley Classic since his days as an undergrad student at West Liberty State College.

"I met Rudy Mumley when I was at West Liberty," Elliott said. "We started talking, and a couple of years later I went to graduate school and began helping the OVAC®." Elliott earned his bachelor's from West Liberty State College in 1980 in social sciences and then earned his graduate degree in sports medicine from West Virginia University. He's currently a social science teacher at Oak Glen High School, focusing on world history. He's been a member of the Golden Bears' staff for 14 years and has been a part of 17 state championship squads as a trainer, including 12 in a row with the grappling team. Prior to teaching at Oak Glen, Elliott has also worked at Weir High in the Hancock County system. Elliott is single and resides in Hancock County.

There's a lot more to playing an all-star football game than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC® All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.
- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.
- Telling coaches if players injured during the game are healthy enough to return to action.
- Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC® for the past 15 years, and he's been working in sports medicine for the past 30 years.

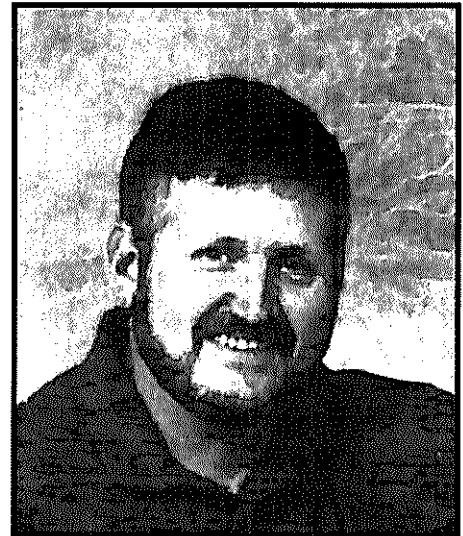

His athletic training career started in the late 1960's when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelors Degree in physical education from The Ohio State University and a Masters Degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

- While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.
- Fullerton worked the summers of 1972 and 1973 in Bradenton, Florida with the Pittsburgh Pirates organization.
- While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC®." That's why he returned to the Ohio Valley in 1985. Currently he works as a registered nurse in the emergency room at OVMC. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship... sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Wheeling with his two children - Jaclyn, at WVU - Nursing, and Jake, at Wheeling Central.

2010 WEST VIRGINIA OVAC® ALL★STAR CHEERLEADERS

Head Coach - Brittany McGinnis - Magnolia High School

Seated left to right: Morgan Dawson, Anjellica Trinone and Cierra Huntsman. Kneeling left to right: Amanda Tallman and Megan Curtis. Standing left to right: Stephanie West, Coach Brittany McGinnis and Rebecca Blair. Not Pictured: Linden Nelson.

Needless to say, the football players involved in this year's Rudy Mumley Ohio Valley Athletic Conference All-Star Football Charity Classic won't be the only athletes on the field tonight at Wheeling Island Stadium.

The West Virginia cheerleaders are coached by Magnolia High School's Brittany McGinnis. Living in New Martinsville, she is employed by Wetzel County Schools. She served as a cheerleader at both Magnolia High School and West Liberty State College and has been the cheering coach at Magnolia for the past two years.

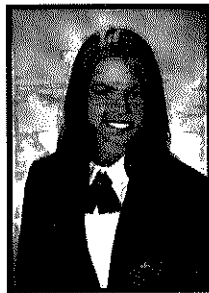

Coach McGinnis' cheerleaders have placed second in OVAC® competition the past two years. Her squad finished fourth in the 2009 West Virginia state competition after having a perfect routine.

2010 OHIO OVAC® ALL★STAR CHEERLEADERS

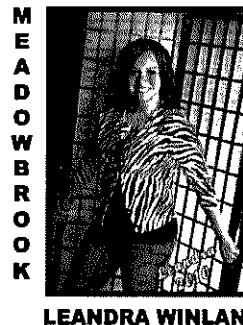

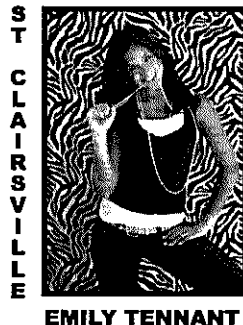

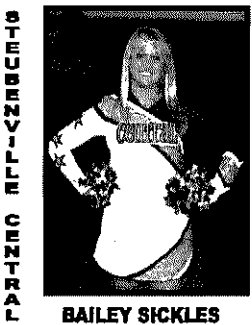

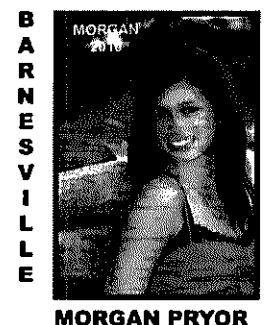

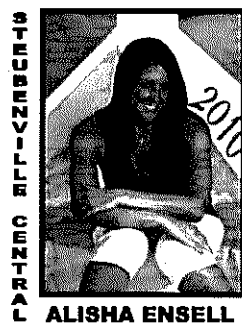

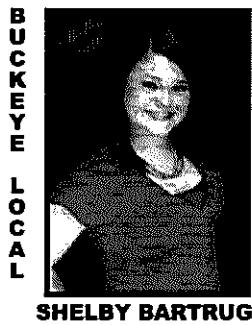

Malorie Pryor Head Coach - Barnesville High School

Seated left to right: Shelby Bartrug, Leandra Winland and Morgan Pryor. Kneeling left to right Marissa Lagon, Bailey Sickles, Alisha Ensell and Kristy Smith. Standing left to right Jalynn Keyser, Coach Malorie Pryor and Emily Tennant.

The Ohio Cheerleaders will be coached by Mallory Pryor. Mallory is the cheering coach at Barnesville High School, a capacity in which she has served for the past three years. She graduated from Barnesville in 2005 after being a cheerleader from kindergarten through high school. Mallory completed her Bachelor Degree in Early Childhood Education from Ohio University Eastern last year. She is living in Mt. Pleasant, Ohio and is currently serving as a substitute teacher but also works at Red Lobster in St. Clairsville.

"I want to wish the football players, coach, band, queens, and cheerleaders good luck. Remember: O-H-I-O" Mallory's sister, Morgan is also a member of the Ohio cheering squad this year.

West Virginia head coach Tom Bruney knew what he was looking for when he picked his roster for the July 25th Rudy Mumley OVAC® All-Star Football Charity Classic. He also knew what he was looking for when he was picking a coaching staff for the Mountaineers to take on Ohio.

"We had quite the experience at Brooke last year," Bruney said. "We're coming down to the all-star game with some coaches who've been with us, some new coaches who we've recently hired and some holdovers from last year."

Joining Bruney on the West Virginia sideline at Wheeling Island Stadium and during camp at West Liberty University are Paul Julio, Frank Sisinni, Troy Fetty, Scott Joseph and Stuart Goldstein.

Here's a capsule look at the West Virginia coaching staff:

Kneeling Left To Right: Mike Wagner, Head Coach Tom Bruney and Frank Sisinni. Standing Left to right Stuart Goldstein, Troy Fetty, Trainer Amber Helphanstine, Scott Joseph and Paul Julio.

TOM BRUNEY – The Bruins head coach played for the Buckeye State in 1981, but now he's going to try to do all he can to knock off the Ohio squad. Bruney's been a football coach for 25 years, but it took only one year to recreate the magic of Brooke football after he guided the Bruins to a 10-0 regular season and an eventual spot in the West Virginia Class AAA title game where they fell to South Charleston. Prior to arriving at Brooke, Bruney has made several coaching stops. He was an assistant at his alma mater, Martins Ferry, for five years. He's also coached at the University of Toledo, West Liberty State College and Maryvale High School in Arizona. He later became the head coach of Maryvale, which is located near Phoenix, for 12 years. He was the head coach for one season at both Astabula Lakeside and Maple Heights in Ohio. He was named WTVU-9 Coach of the Year and Ohio Valley Coach of the Year this past season and was a finalist for OVAC® Coach of the Year. Other accolades on Bruney's resume include 6-time regional coach of the year in Arizona and five-time regional champions in Arizona. Bruney — who earned his bachelor's degree from Ohio University and M.A. from Ohio Wesleyan — owns a career record of 114-51. Tom and his wife Shannon have four children, Samantha (17), Zack (16), Niko (11) and Rocco (7).

PAUL JULIO – This veteran Bruins' coach has been on the staff at his alma mater for 16 years. Julio was a member of the 1985 state champion Bruins' squad and also their 1986 team, which finished as state runnerup. Paul then played four years of football at West Liberty State College where he eventually earned his degree. Along with football, Julio also serves on the Bruins' track coaching staff. Paul has three children, Carl Julio (9), Jackson Julio (4) and Alex Martin (19).

FRANK SISINNI – This former Bruin played on the Brooke squad which won the 1987 Class AAA state championship and finished ranked in the top 25 of the USA Today poll. He began coaching shortly after finishing his degree at Fairmont State University. He's been a coach for 13 years, including the last four back at his alma mater. He's also coached at Steubenville High. Sisinni — who is currently the Brooke baseball coach — has also coached basketball during his career.

TROY FETTY – This former Buckeye Local Panther is about to embark on his first football season working under Bruney at Brooke. He's spent six years coaching football with a stint as defensive coordinator at Weir and has worked with ironically Ohio head coach Ron Pobolish at Buckeye Local. Along with his football duties, Fetty also coaches wrestling at Indian Creek and was named 2006 OVAC® Junior High Coach of the Year. Fetty attended Ohio University and currently resides in Tiltonsville.

SCOTT JOSEPH – This former Purple Rider worked under Bruney this past season and will return to embark on another year. Joseph graduated from Martins Ferry in 1990 and then went on to play four years at Ashland where he earned his degree. Along with football, Joseph has also coached track and field.

STUART GOLDSTEIN – This long-time Bruney friend is about to embark on his first season as a Bruins' assistant. Goldstein moved to the area from Arizona where he and Bruney became close. He was a head coach for nine years in Arizona. He worked for three years each at Phoenix North, Phoenix Carl Hayden and Scottsdale Saguro. All told, Goldstein's got 23 years in the sport of football. He's also coached track and wrestling. Goldstein owns a bachelor's degree from Arizona State University.

MIKE WAGNER — has been at Brooke High School for twelve years and has helped coach football for the past two years. He is also involved with the Bruin Softball program. Mike is a graduate of Wheeling Central Catholic High School and attended Marietta College and West Liberty State College. He holds a Masters Degree from West Virginia University. Mike currently lives in Wheeling with his wife, Jennifer.

Best of Luck to the Ohio

2010 OVAC® ALL★STAR COACHES

Head Coach - Ron Pobolish - Buckeye Local High School

BY SETH STASKEY
Times Leader Sports Editor

The players are in place for the annual Rudy Mumley OVAC® All-Star Football Charity Classic.

Ohio head coach Ron Pobolish announced his coaching staff, which will be implementing the game plan for the Buckeyes.

"We met several times as a staff after I had my hip replaced," Pobolish said. "We've started to work on a game-plan already and we'll just have to adjust it as we go."

Many of his former Panthers' assistants are on board. He also hired former Bellaire High head coach Gregg Bonar and one of his chief assistants, Mark Spigarelli, as well.

"I admire what Gregg and Mark can do and what they've done," Pobolish said. "Gregg runs a good offense and likes to throw the ball.

Trust me, people don't want to see us run the ball down the field. Gregg's excited about it and we're excited to have him and Mark."

The complete Ohio coaching staff consists of: Phil Pest, George Laase, Blair Closser, Nate Skrzypek, Andy Weiss, Bonar and Spigarelli.

Here's a capsule look at the coaches:

RON POBOLISH – This veteran mentor was a standout player at West Virginia University and then returned to his roots in the Ohio Valley to become one of the area's top coaches. Pobolish coached football for 32 years before calling it quits after last season in which he led the Panthers to the Division III playoffs, a first-round home playoff game and also the OVAC® Class 4-A title. All told, Pobolish has made coaching stops at Cadiz, John Marshall, Buckeye South, Buckeye Southwest, Buckeye Local and Harrison Central. He's compiled a 144-102-1 record and owns a state runnerup finish on his resume in 1994. Pobolish has been inducted to the Ohio Valley Football Coaches Hall of Fame. Ron and his wife Laura reside in Moundsville. The couple has three children, Ashley, Lucey and Chet.

PHIL PEST – This former Wheeling Central standout has been a mainstay on Pobolish's coaching staffs at Buckeye Local. Pest, who owns a bachelor's from Bethany and a M.A. from West Virginia, has been an assistant football coach at Buckeye Local for 18 years. All told, he's got 30 years of experience on his resume. Along with football, Pest has also coached track and field for the Panthers. Along with Buckeye, Pest's made stops at St. Clairsville, Wheeling Park and Wheeling Central. Phil and his wife Jan have three children, Megan, Trevor and Shannon.

GREGG BONAR – This long-time football coach will direct the Buckeyes' offense during the OVAC® All-Star Game. Bonar – a Shadyside High and West Liberty State College graduate – spent 25 years as a football coach at Bellaire. He was the head coach for two seasons. He also coached girls' basketball for 17 years. In 2005, Bonar, who owns a M.S. from the University of Dayton, was named Offensive Coordinator of the Year after he helped guide the Big Reds' juggernaut offense to a regional championship. Gregg and his wife Rosemary have three children, Marybeth (24), Carrie (23) and David (19).

ANDY WEISS – This Pobolish assistant has been a member of the Buckeye Local coaching staff for four years. Weiss is a graduate of Muskingum College. During school, he competed in football and baseball. Andy and his wife Jennifer reside in Houston, Pa.

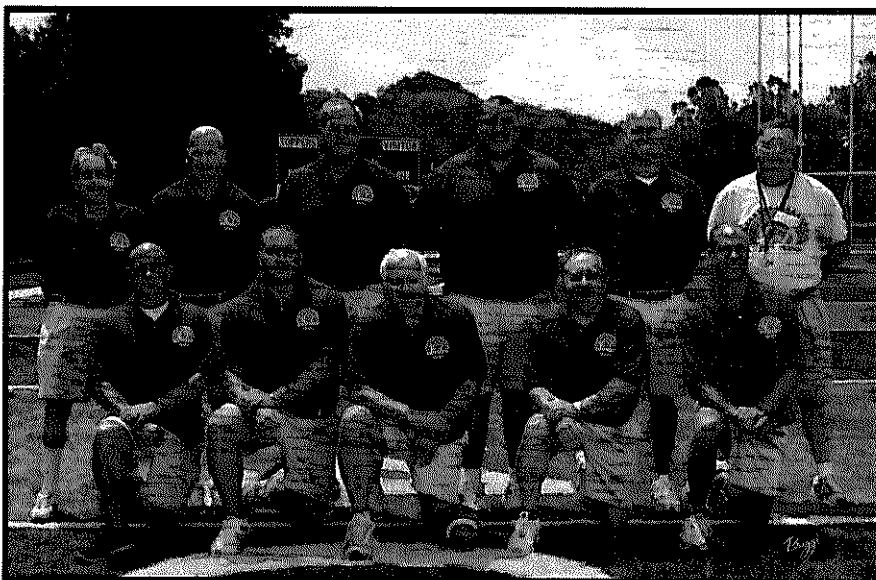

NATE SKRZYPEK – This current Panthers' assistant coach was a football and wrestling standout at Wheeling Central during his prep days. Skrzypek, who graduated from Bethany College, has been coaching football for seven seasons, including four at Buckeye Local. He also serves as the Panthers' head wrestling coach. Nate and his wife Melanie reside in Wheeling.

BLAIR CLOSSER – This veteran worked for 35 years at Buckeye Local before his retirement in January of 2009. During his career, he spent 27 years as a football coach. He also coached basketball, softball and track during his career, while serving as a member of the OVAC® Executive Board. Closser – who graduated from Yorkville High School in 1970 – earned his bachelor's degree from Ohio University and his M.S. from the University of Dayton. Blair and his wife Patricia have been married for 36 years and have three sons, Douglas (27), Derek (26) and Darin (24).

GEORGE LAASE – This Panther assistant dreamt of playing in the all-star game, but is excited for his opportunity to coach in the game. Laase – who is a Buckeye Local and Fairmont State University graduate – has been coaching for six years at Buckeye Local. He's also been the head baseball coach at his alma mater for three years and also coached hoops for three seasons. During his career as the Panthers' baseball coach, Laase has coached the OVAC® and Eastern District All-Star Game.

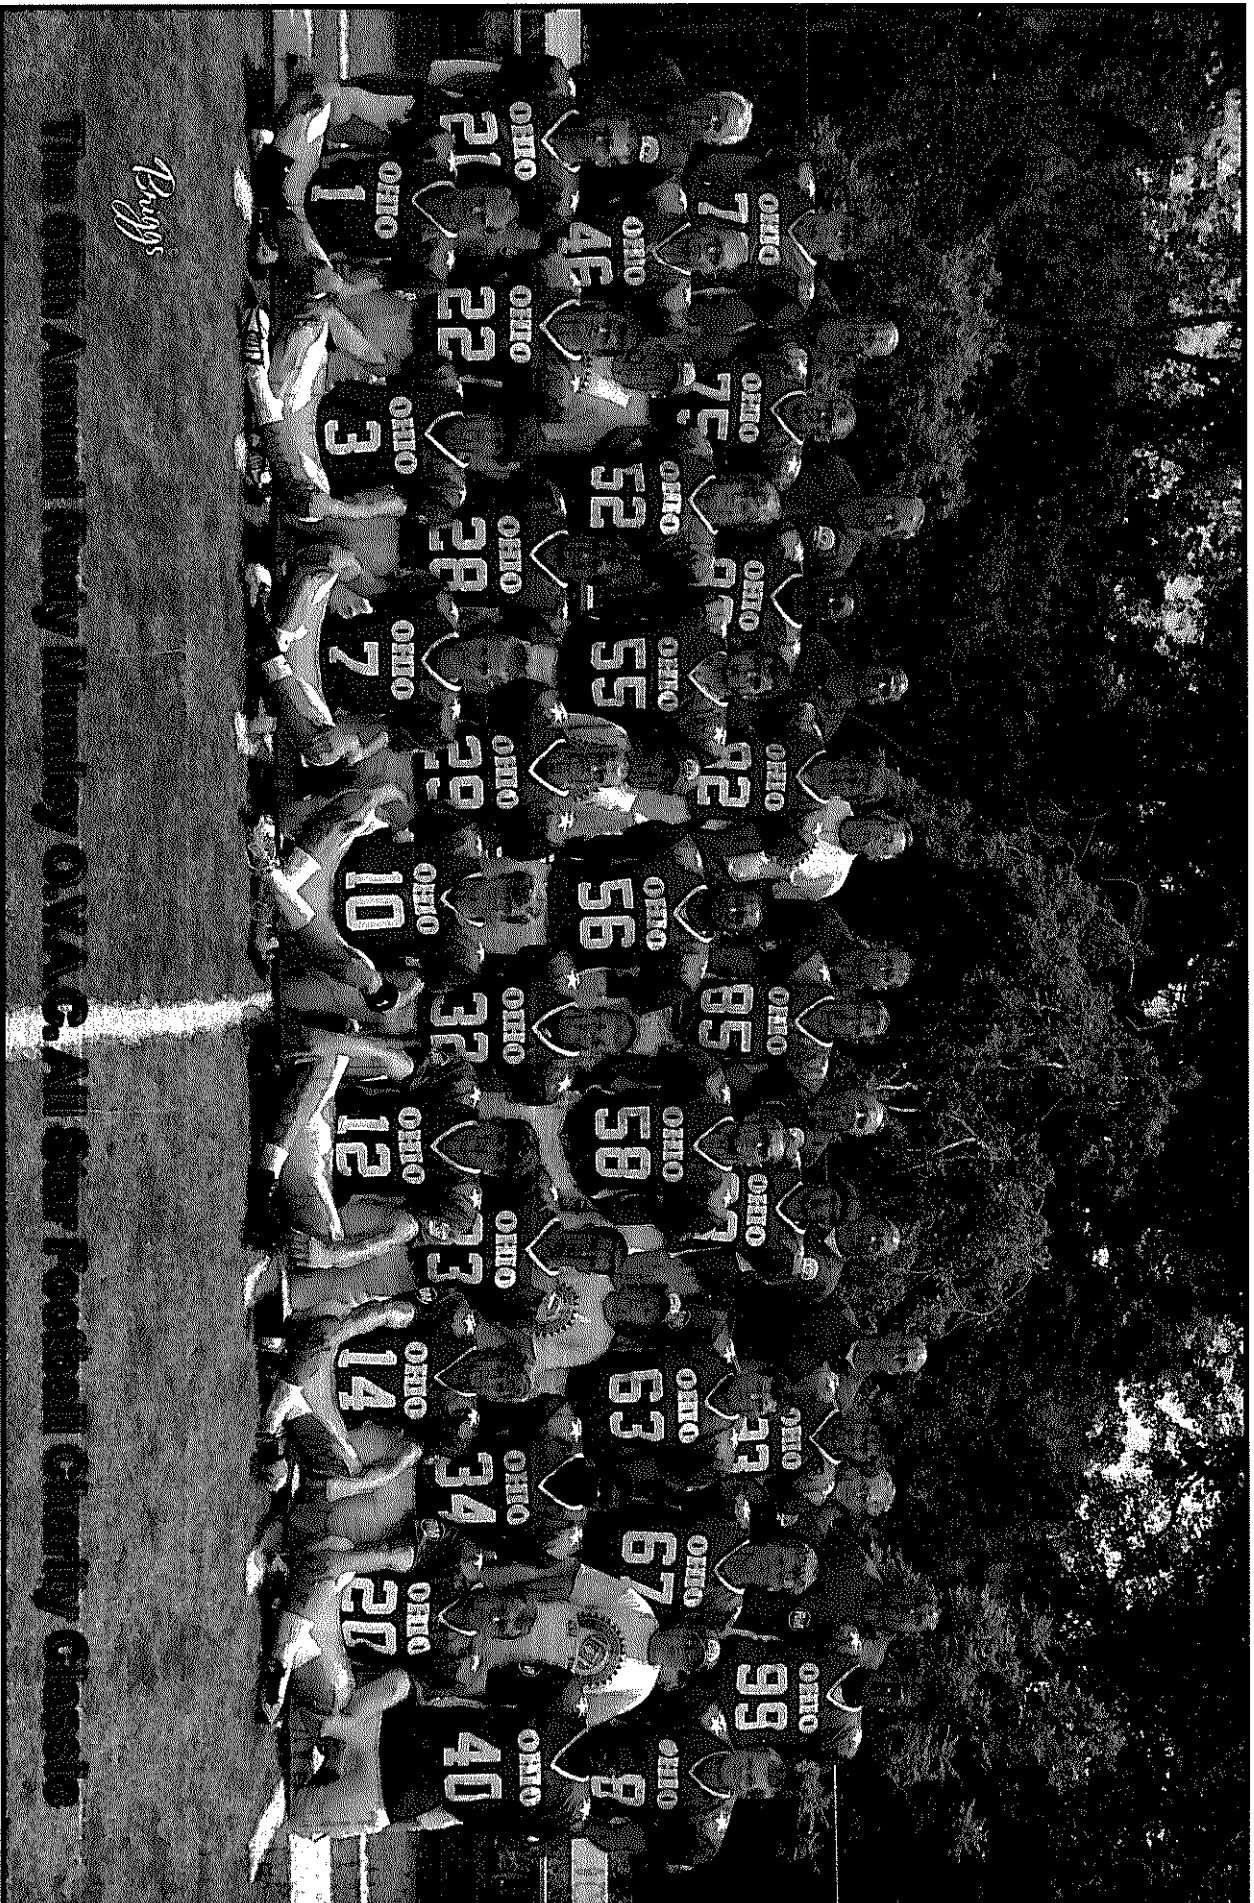

TOM O'CONNELL – This former OVAC® All-Star Game participant will be a member of the Ohio coaching staff after playing for the Mountaineers in 1984. O'Connell has been at Buckeye Local for 17 years, but on the football staff for two years. The 1984 graduate of Wheeling Park High School earned his degree from West Liberty State College. O'Connell and his wife Leslie have two children, a daughter Taylor and a son Justin.

MARK SPIGARELLI – This former Bellaire assistant will be working with the Ohio squad this summer. Spigarelli has coached football for 17 years, including 15 at Bellaire. His other stints were at Union Local and Martins Ferry. Along with his football duties, Spigarelli served as the Big Reds' baseball coach and guided the squad to the regional final in 2003. Spigarelli has a degree from Ohio University.

Kneeling Left to Right: Tom O'Connell, George Laase, Head Coach Ron Pobolish, Blair Closser and Mark Spigarelli. Standing left to right Trainer Randy Elliott, Greg Bonar, Phil Pest, Nate Skrzypek, Andy Weiss and Manager Rodney Roe.

The 65th Annual Rudy Mumley O.V.A.C. All Star Football Charity Classic

2010 WEST VIRGINIA ALL★STARS

★ HONORARY OFFICIAL ★

Ron Mauck has served the Rudy Mumley OVAC® All-Star Football Charity Classic in almost every capacity since he first started helping Rudy in 1976. It is hard to imagine any facet of the game, with all of its related activities, that he has not touched. He is one of the main reasons this game has developed into the Ohio Valley tradition that it is today. It is only fitting that he serve as the Honorary Official for this year's game.

Ron graduated from Bridgeport High School in 1958, received his Bachelor's Degree from West Liberty State College and his Masters Degree from West Virginia University. Ron started teaching in 1965 at Follansbee High School where he started the school's wrestling program and coached a state champion (Lou Daly). Brooke High opened in 1968 and Ron was named its first wrestling coach. He also coached their first state wrestling champion (Jim Suddoth). Before retiring after 34 years, he served as Physical Plant Director, Assistant Athletic Director and Athletic Director and head of their Driver's Education Department.

Ron started helping Rudy Mumley in 1976. He has been associated with the game ever since. In 1988, he became the Game Director and served in that capacity until 2001, when Bob Koch became the current Game Director. Ron continues to serve as Game Advisor and hosts the Pep Rally on Saturday evening at Russek Field at West Liberty University.

Ron is very active in the OVAC®, having also served as the Director of the OVAC® Wrestling Tournament since 1979. The Tournament was renamed in his honor in 2006. Ron has received many wrestling-related awards including the Mr. Mat Award in 1985, WV Wrestling Coach of the Year in 1987, Upper Ohio Valley Dapper Dan Awards in 1985, 1997, and 2006 and was named the WV Athletic Director of the Year in 1995.

Ron has never been afraid of work. He initiated the OVAC® wrestling dual meet standings in 1971 and continues compiling them to this day. He served as the Director for the WV State Wrestling Tournament the five times it was held in Wheeling. Three times he worked with the NAIA and NCAA Division II Wrestling Championships when they were held in Wheeling under the auspices of West Liberty University.

Ron continues to be very active in community affairs. He was twice selected as the Warwood Lions Club Citizen of the Year. In 2001, he received the Howard Corcoran Senior Award. He also served as President of the Bridgeport High School Alumni Association, the Warwood Junior High Athletic Association and the WV Safety Association. Ron was elected to the Brooke County Wall of Fame and the OVAC® Hall of Fame in 2006.

Ron resides in Warwood with his wife, Mary Lou where they raised their family, Eric (Stacy), Jay (Melissa) and Melissa (Dwayne). Grandchildren Michael, Nathan, Abby and Alex now occupy their time with many pleasant experiences. Ron currently works as an administrator at the Home for Men in Warwood. He partakes in annual fishing expeditions to Canada and has a strong interest in photography. He hasn't missed many NCAA College Wrestling Tournaments and is an avid supporter of West Virginia University and their athletic teams.

The game officials working this evening's annual Rudy Mumley OVAC® All-Star Football Charity Classic were assigned by Conference Football Commissioner Don Zinni.

"The OVAC® is proud and honored to maintain its long running relationship with the Ohio Valley Board of Approved Football Officials" said Game Director Bob Koch. "The gentlemen selected for tonight's game bring a wealth of knowledge and experience to the playing field and are highly respected among their peers."

• **REFEREE BUTCH MINKEMEYER** has been officiating football for twenty-nine years. This will be the fifth time he has worked the Rudy Mumley All-Star Classic – an indication of the high regard in which his officiating abilities are held. He has worked many West Virginia state play-off games including the AAA State Finals. One of the more memorable games was the state AAA finals in 1994 – the first year they were held in Wheeling. Butch also works basketball and baseball games in the OVAC® but recently gave up his Big East baseball officiating duties as travel demands grew excessive.

Butch graduated from Wheeling High School and currently lives in Wheeling with his daughter, Vivian. He is self-employed and owns a retail marketing store.

Umpire John Przelenski has been officiating for thirty-one years. He has worked several West Virginia play-off games and this will be his second Rudy Mumley All-Star game. He has served on the Executive Board of the Ohio Valley Board of Officials for several years and served as president in 1993-94. John's father was an official and would go to games with him. "It has been a pleasure to work games with the same officials my father worked with, learning the ropes and making new friends. It has also been a great to work the games and see so many players move on to college and professional levels and knowing that we officials had a part in that – working games in the OVAC® is truly an honor."

John currently lives in Pineville, North Carolina with his children Kyle and Alexandra. He was a member of the first graduating class in 1977 from Wheeling Park High School. He is employed as the Southeastern Regional Purchasing Agent for Airgas National Welders. He enjoys bowhunting, landscaping, watching Penguin hockey and NASCAR.

• **LINESMAN MIKE CLYDE** has been officiating football for nineteen years. He is also an excellent basketball official, working both high school and college games. He was selected as the West Virginia Boys Basketball Referee of the Year and has worked five state tournament finals. He worked the WV Football Super Six games in 2004. Mike coached at Wheeling Central for seven years before becoming an official. "I have met many friends and have kept close to my first love – sports." Mike played in the 1974 OVAC® All-Star game representing Wheeling High which WV won 13 – 7. "I now have three sons and step-sons officiating."

Mike lives in Glen Dale with his fiancé Mama Montes. He graduated from Wheeling High School and is currently employed by the Kroger Company, where he has worked for thirty-four years. He enjoys playing golf and sports.

• **LINE JUDGE DAVE POLANSKI** has been officiating for ten years. He considers the opportunity to work this year's Rudy Mumley All-Star Game as the highlight of his career. He got started in officiating at the behest of a friend, the late Don Carp. One of the more exciting games he has worked was the 2007 WV state play-off game between long time rivals St. Albans and Nitro. St. Albans won on a last second field goal, 51 – 48.

Dave lives in Yorkville, Ohio with his wife, Amanda and their children, Madelyne, Aiden and Alle. He is a graduate of Wheeling Park High School and West Liberty State College. He is currently employed at UPS. He enjoys the outdoors and likes to golf, hunt and fish.

• **SIDE JUDGE CHRIS ALLEN** has been officiating for sixteen years. He also considers the opportunity to work this year's Rudy Mumley All-Star Game as a highlight of his career. He coached basketball for seven years, before retiring from that sport in 2000. When asked why he started officiating Chris notes, "I was looking for an activity that would challenge me both physically and mentally – and I found it in officiating."

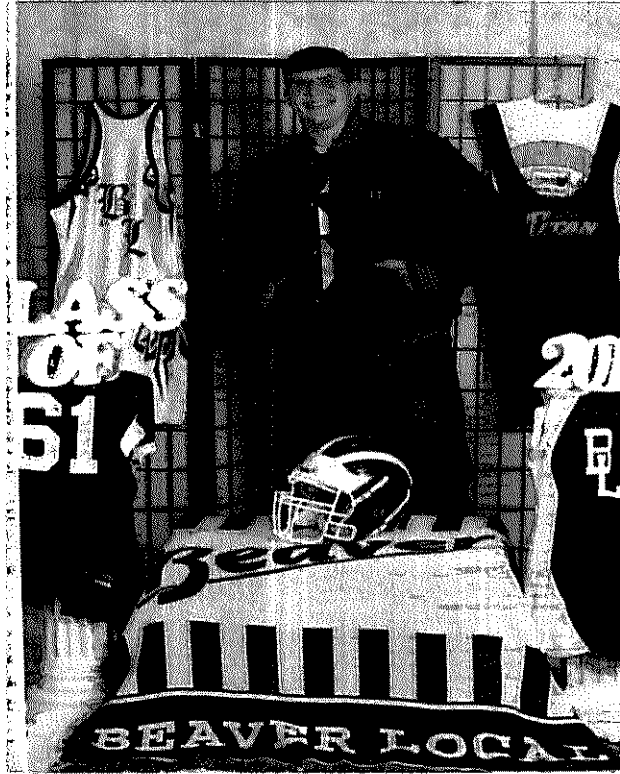

Chris Lives in Steubenville with his wife, Suzanne and their children, Emily and Sarah. He is a 1979 graduate of Steubenville Central High School and a 1984 graduate of Bowling Green State University. He is currently employed by the City of Steubenville Fire Department. He enjoys golf and shooting.

• **FIELD JUDGE D.J. HINES** has been officiating for six years. "It is the next best thing to coaching. My Dad got me started right out of college." D.J. is a graduate of St. Clairsville High School and Bethany College where he played baseball for four years. He is currently employed by the State Auditor's Office in Columbus, Ohio. He enjoys working out, athletics, and traveling and holds a black belt in karate.

• **BACK JUDGE TOM COSTANTINI** has been an official for twenty-one years. He has many fond memories of working games with his crew. "They are all memorable – good and bad", he notes with a laugh, adding "You never get a second chance on a first impression." He started officiating with the encouragement of long-time friend Kenny Wilson. Tom said a highlight has been the chance to work the first game ever played in Ohio Crew Stadium, which was a play-off game between Worthington and Grove City. Tom currently lives in Wintersville, Ohio with his wife, Kimberly and their children, Alaina and Alec. He enjoys spending time with his kids and going to their games. He is a 1982 graduate of Steubenville High School after which he enlisted in the Marine Corp. He is now employed at Ball Corporation.

NEVER, NEVER, NEVER QUIT.

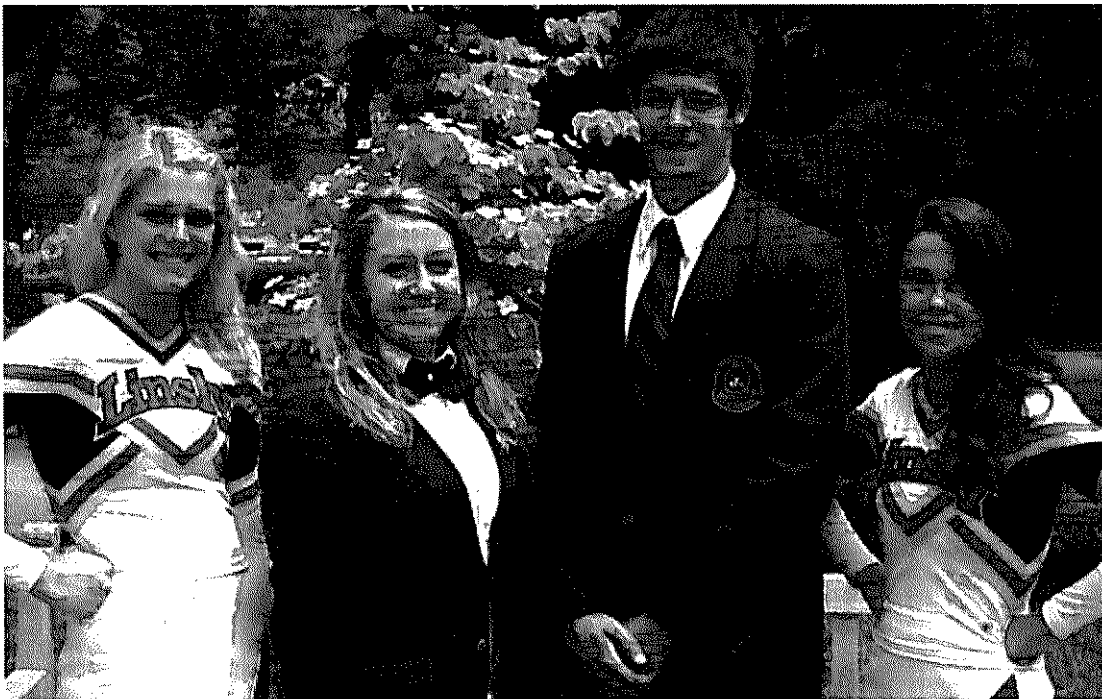

FROM A FAMILY'S FIRST CAMPUS VISIT TO GRADUATION DAY, THESE WORDS ECHO THROUGHOUT THE LINSLY EXPERIENCE:

TO PERSEVERE THROUGH ADVERSITY.

TO SHOW GRACE IN VICTORY AND DEFEAT.

TO RESPECT THE OPPOSITION.

THESE VALUES SERVE STUDENTS WELL WHILE THEY ARE AT LINSLY AND THROUGH THEIR COLLEGE AND PROFESSIONAL LIVES.

" What makes a woman beautiful? For beautiful eyes, look for the good in others; for beautiful lips, speak only words of kindness; for a slim figure, share your food with the hungry; for beautiful hair, let a child run their hands through it; and for poise, walk with the knowledge that you never walk alone."

**“Why can’t you be cool
like other parents?”**

Actually, most parents agree that it's never “cool” to host a teen drinking party. It's wrong, and it's illegal. Talk with your teens, and help them find ways to have a good time without drinking.

Don't be a pushover. Be a parent.

tradition.

It isn't just about seasons past. It's about the football season that's just starting and the many to follow. And there's no better place to live it and relive it than HighSchoolSports.net.

Whether you're printing your football team's season calendar, uploading and viewing team photos and videos at The Bleachers, checking on the latest scores and Massey Ratings, or creating custom school gear at My Locker, HighSchoolSports.net is all about your school, your teams, your world.

Only HighSchoolSports.net provides athletes, students, coaches and parents at over 16,000 high schools one place to celebrate the passions and traditions for their school and teams.

You're at the heart of it. So are we.
