Saying "no" has never felt so positive.

Research shows that most teens who drink get their alcohol from adults. That's where we come in. As parents, grandparents, aunts, or uncles, older brothers or sisters, older friends, cousins or neighbors we can help the ones we love make smart choices if a minor asks you to buy alcohol or provide it to them say No. It's one of the most positive things you'll ever do. Prevent Don't Provide Alcohol to Minors.

Twelfth Grade

Through broken fingers and broken toes, your love for cheerleading grows and grows...

We watched you tumble, we watched you fall but you got right back up and tumbled for all. You didn't let surgery get you down you jumped and you tumbled landing with your feet on the ground. You have worked very hard and we are so proud of your accomplishments in cheering, volleyball, and academics. Good Luck to you and to all of the JETS cheerleaders in your fourth and final OVAC performance.

Lots of Love,

Alyssa,

The competition lasses for moments though the training's taken years. It isn't the winning alone that is worth the work and tears. The applause will be forgotten, any prizes will be misplaced. But your long, hard hours of practice will never be a waste! By trying to win you've built a skill and learned that winning depends on will. You'll never grow by how often you win, as growth only comes based on what you put in. So remember, in any new challenge you start, it's what's inside that sets you apart!

Good Luck in your last OVAC's!

We're very proud of the cheerleader and young women you've become!

We are so proud of you! You have been a four-year Monroe Central Varsity Football and Basketball Cheerleader, UCA All-American for four years, scholar athlete, OVAC Varsity Board Member, and have won many cheerleading awards!

We knew when you were little that gymnastics was the sport for you, but we are most proud of the time and hard work you have put into cheerleading! Your talent makes it possible, but your dedication has made it a reality. Good luck in your last OVAC competition. We will miss our tumbling Seminole next year.
