A Tradition of Excellence. A Legacy of Caring.

A Word of Welcome to All!!!

I am proud to be the director of the Fifty-Eighth Annual OVAC Wrestling Tournament. Throughout the last 57 years, many memorable milestones have taken place. Allow me to share some of them with you.

During the spring of 1970, we lost a phenomenal wrestler, David Bierkortte, to an untimely accident. Because of his athletic prowess, the Wheeling Central High School Boosters Club initiated, the "David Bierkortte Award" for the outstanding wrestler in 1971.

The Wheeling Civic Center Manager in 1979 was Frank Rodriguez. He had a great deal of respect for those involved with OVAC wrestling, and was instrumental in purchasing the original world-class time clocks displayed at mat-side during the competition. Presently, we are blessed with Dennis Magruder, who has given us the same positive support, along with the entire WesBanco Arena Staff.

In 1980, OVAC wrestling initiated the first "George Kovalick Scholarship". Two years later Bob and Dolores Burke lost their son, Danny, a Wheeling Park wrestler, in a tragic accident. Out of their love for him, the "Daniel M. Burke Wrestling Scholarship" was initiated in 1983. Recently, we lost a fantastic wrestling enthusiast in 1996 from Marshall County affectionately named "Dead Eye". His devoted family established the "James H. Morris Sportsmanship Scholarship" in 1997, out of his love for the mat sport. In 1999, East Liverpool's 2-time OVAC Champ and Hercules Award Winner, Matt Salsberry, was lost in a tragic auto accident. In 2003, "Friends in Memory of Matt Salsberry" established an annual academic/wrestling scholarship. In 2003, two-time OVAC Champ from Cadiz, Lucas Sedgmer, lost his life in an auto accident. In 2005, the Lucas Sedgmer Scholarship was established.

So, we now have five (5) permanently installed scholarship funds that over the years have afforded deserving OVAC wrestlers an amazing \$89,500 in college scholarships.

In 1999, there was a unique change in the tournament format, which promotes OVAC wrestling even further throughout the Valley. The championship finals are now being televised live by WTOV-9 for all viewers in the entire area to enjoy. This year we proudly celebrate the 58th anniversary of the tournament and 33 years of a mutually beneficial relationship with the City of Wheeling and the corporate sponsorship of WesBanco Arena. I want to thank every one of the workers, coaches, officials and wrestlers. They are the people who make the Annual Ron Mauck OVAC Wrestling Tournament a truly grand adventure for Ohio Valley athletics.

TOM RATAICZAK

"A MAN FOR ALL REASONS"

With the passing of the charismatic OVAC Executive Secretary, Sam Mumley, in 1999, it seemed that finding his successor would be an ominous task. Such was not to be, for standing in the wings was the highly organized self-motivated Bellaire "Big Red" alumnus, Tom Rataiczak, who was everything for which the OVAC could have hoped or wanted.

Tom hit the ground running and with his organizational skills, confidence and competence ingested a new found enthusiasm into this "labor of love".

Bringing his devotion and commitment in record keeping skills for 39 years, as statistician with the "Big Red" football and basketball programs, to the OVAC is a valued intangible.

His loyalty and dedication are legendary among Bellaire alumni. He has copyrighted three basketball scorebooks, designed Bellaire football and basketball programs for 23 and 33 years respectively, served as official scorekeeper for the 1986 Ohio Girls State Basketball Championships and maintained Big Red's basketball scorebook for more than 1,585 consecutive reserve/varsity basketball games.

In his tenure thus far, he has aggressively sought and obtained even more corporate sponsors via the Scholastic Sports Marketing Group, created the OVAC Hall of Fame and the Sports Museum (member schools' walls of fame) at WesBanCo Arena, established the high school Varsity Students' Advisory Board, initiated the Showcase of Bands, created All-Conference Academic Teams, most important is the securing of a scholarship partnership with Ohio University Eastern and finally he went south adding new schools to the now 50 member Conference.

Dr. Dan Doyle, OVAC Pres. Says of him, "Tom is always looking for ways to improve the conference and make it better for student-athletes. He is hard working and relentless in attaining the goals of the conference and a very caring individual."

Jeff Harrison, Sports Editor The Daily Jeffersonian in Cambridge, says, "Tom is the life blood of the OVAC. When push comes to shove, it is 'Rat' who makes sure everything goes the way it should. He's always cooperative with the media...making sure OVAC activities are well publicized and the athletes properly recognized."

A tireless and thorough organizer, he leads by example, for there is no detail, regardless of how seemingly insignificant, that he will leave undone. He never seeks praise for his accomplishments, yet readily credits others involved.

He brings a new found enthusiasm to this monumental task which is infectious, leaving none immune. His dynamic leadership is couched in a serious yet subtle aggressiveness that leaves no doubt as to the success of whatever project he has in mind.

The Ron Mauck OVAC Wrestling Tournament

Its birth...growth...and tradition
By Richard Keith Wolf

It began as all ideas...the dream of one man...the late George Kovalick.

In March of 1954, Wheeling, Bridgeport, Barnesville and Linsley Institute competed in the inaugural OVAC Wrestling Tournament.

The following year Weirton was added as the tournament moved to Barnesville.

The tournament returned to Bridgeport in 1956, where it remained through 1958, while growing to 7 participating schools.

After 5 years as Tournament Director, Coach Kovalick relinquished the reins to John "Corky" Vrotsos when the tournament moved to Martins Ferry.

Over the next 9 years, the tournament grew to 18 teams, as schools, sometimes reluctantly added wrestling to their inter-scholastic programs as fan interest blossomed.

There was a concern expressed by participating coaches that the OVAC had never been held in West Virginia.

A decision was made to move the tournament to Moundsville and thereafter to alternate between West Virginia and Ohio.

And so it was, that in 1968 under Co-Directors George Walley and George Kovalick, the tournament opened with 20 participating schools.

Ironically, no significant mention of alternating tournament sites occurred during the next 8 years, as the tournament grew in both participant and fan numbers.

Several landmark events occurred during the Moundsville Era...With 23 schools competing in 1970, the OVAC crowned its first West Virginia Over-All Team Champion, Wheeling Central Catholic...in 1971, following the

tragic death of David Beirkortte, former OVAC Tournament Champion, the Wheeling Central Catholic Boosters Club established the Most Valuable Wrestler Award to be presented annually to a wrestler of merit in the tournament... the first recipient was Don Blum of Martins Ferry...In 1974, with 32 schools competing, the OVAC became a 3 day event and 6 mats were used for the preliminary rounds...In 1975, with 34 schools competing and as a result of recent school district consolidations, it was decided that the smaller schools should be competing for team championships against equal or near equal enrollment. Therefore, classifications were established for 3 Division Champions plus an Over-All Tournament title...Finally, little Warwood became the first school to win the Over-All Team Championship without an individual champion.

In 1976, the tournament moved to the Steubenville Diocesan Arena with Bob Hedmond as Director.

It was during this year that the most prestigious honor in OVAC Wrestling, "MR. MAT" was established as an annual award. How fitting and appropriate that George Kovalick, affectionately known as Coach "K", should be the initial recipient of an award earned for "a lifetime of dedication to the sport of wrestling"...for it was his idea...his dream...his energy...and his enthusiasm that had made it a reality.

In 1977, school classifications were expanded to 4 divisions, as paid attendance to the three day event soared to 9,465.

The OVAC Wrestling Tournament and foul weather seem to arrive as distinct, yet inseparable entities. And so it was, that in 1978, when faced with treacherous highway conditions from an accumulation of ice and snow, it was deemed necessary to postpone the Friday session until Saturday.

In 1979, the Tournament moved to the Wheeling Civic Center with Ron Mauck as Director. Two major improvements took place that year, (1) the massive floor area of the Civic Center now made it possible to wrestle on 8 mats, and (2) 8 individual and independent electronic match scoreboard/clocks were purchased.

In 1980, recognition of individual weight-class competitors was expanded to include the top 8 finishers.

That same year, the OVAC Wrestling Coaches Association created, to honor Coach "K", the George E. Kovalick Scholarship to be presented annually to assist a college-bound scholar wrestler.

Following the tragic 1982 death of Wheeling Park High School wrestler, Danny Burke, his parents established a living tribute to his memory. In 1983, the first annual Danny Burke Memorial Wrestling Scholarship was awarded to John Witzberger of Wheeling Central.

In 1997, following the untimely passing of James "Dead Eye" Morris, sons Jeff and Gregg (both former OVAC Champions), and the Morris family, established an annual sportsmanship award and a scholarship to honor his memory, in tribute to his long abiding love for wrestling and devotion to the OVAC.

The threatening flood was more a probability than a possibility when the 43rd Annual Tournament opened on Thurs. Jan. 19, 1996. When it became evident that we were faced with the certainty, a prudent, yet difficult and unpopular decision was made to discontinue wrestling at 6:00 PM on Friday, Jan. 20, and resume at that point on Sat. Jan. 27.

To accomplish this monumental task required the complete cooperation of everyone involved, including, but not limited to wrestlers, coaches, athletic directors, tournament workers, referees and the rescheduling or dropping of other meets or tournaments, plus a host of individual problems faced by everyone associated with an undertaking of this magnitude. An indication of the level of cooperation and commitment to the OVAC was never more

evident than when the tournament reconvened one week later, just as though it were a part of the original plan.

None of this could have taken place without the cooperation, understanding and participation of the Civic Center staff, under the supervision its congenial and tireless Director, Dennis Magruder.

WTOV-9, as a corporate sponsor, demonstrated their enthusiastic support for OVAC wrestling when they initiated live television coverage of all championship bouts in 1998.

In the spring of 1999, the dynamic force behind the growth and expansion of the OVAC, Sam Mumley, Executive Secretary for 32 years, succumbed to his battle with cancer.

Steve Kish, Superintendent of Martins Ferry Schools, willingly stepped in to fill the void, serving as interim, until Tom Rataiczak assumed the permanent position in the fall of 1999.

In November of 2002, we mourned the passing of Bob Hedmond, MR. MAT of '81. He had served as football coach at East Liverpool, Brooke and Steubenville High Schools as well as OVAC Wrestling Tournament Director during its 3 years at the Diocesan Arena ('76-'78).

In 2003, "Friends in Memory of Matt Salsberry" established an athletic/academic scholarship "with a desire to honor and perpetuate his memory". He was a two-time OVAC Champion in '98-'99 and Mr. Hercules Award winner from East Liverpool. He lost his life in a tragic auto accident in '99.

The year 2003 marked three significant milestones: (1) the OVAC celebrated the 50th annual tournament, (2) the OVAC commemorated 25 years of a cooperative relationship with the Wheeling Civic Center and (3) we recognized, honored and applauded Ron Mauck for 25 years of dynamic leadership as the Director of OVAC Wrestling. More than 250 former OVAC wrestling tournament champions were introduced and applauded as they paraded before a packed house.

The tragic death of Lucas "Luke" Sedgmer, two-time OVAC champion from Cadiz, on May 9, 2003 brought about the establishment of the Lucas D. Sedgmer scholarship.

OVAC Wrestling now provides 5 permanent scholarships annually to deserving wrestlers. To date we have presented 77 scholarships in the amount of \$93,000.

With student and spectator safety always the primary concern, the Sat. Jan. 22, 2005, sessions of the tournament were wisely postponed, when it was learned that the National Weather Service prediction of "freezing rain turning to snow early Saturday morning" would be a reality. The tournament resumed on Mon. Jan. 24, without a hitch, thanks to the outstanding cooperation of schools, coaches, WesBanCo Arena management, tournament officials and staff.

In 2006, the OVAC Executive Committee unanimously voted to rename the wrestling tournament the RON MAUCK OVAC WRESTLING TOURNAMENT in honor of his dedication, enthusiasm and leadership as Director of Wrestling for 28 years.

2008 marked another milestone. It marked the 30th year of Ron Mauck's dynamic and tireless leadership. He has fostered the growth and stability of what many consider the signature event in the OVAC.

Giving selflessly of his time, energy and talent, He has engendered much goodwill and cooperation among both those involved and those attending this spectacular event. His warmth and camaraderie has created what has become a family of wrestling enthusiasts and supporters.

Rare are these character traits embodied in one so humble, yet so capable. His legacy of leaderships shall serve to inspire and motivate, much like his mentor, the late venerable George Kovalick.

Retiring as OVAC Director of Wrestling does not mean that Ron will no longer be a part of that which he has so zealously created and perpetuated. He will continue to be involved and provide wise counsel to his successor.

Finding a successor to provide the continuity and commitment of the great works of Ron Mauck as Director of OVAC Wrestling was not an easy task.

A dedicated and enthusiastic advocate of OVAC wrestling and all that it represents, as an instrument of positive influence in the lives of young men, succeeded Ron Mauck in 2008.

Dan Doyle, Superintendent of Noble Local Schools, has been committed to the aims and objectives of OVAC wrestling since his days as a school boy wrestler, through his many years as a coach and to ever increasing leadership roles in directing the fortunes of the sport that he loves.

The reins of the Ron Mauck OVAC Wrestling Tournament are secure in the hands of one with such demonstrated capabilities.

In 2009, Larry Deaton was recognized for his selection as "National Wrestling Official of the Year" by *USA Wrestling* magazine. The OVAC Wrestling Coaches Association further honored him by naming the "Larry Deaton OVAC Wrestling Official of the Year Award" for his contributions over five decades of dedication to the mat sport as a wrestler, coach, mentor and official.

It is our fond wish that this tournament will continue to grow...if not in size, hopefully in stature...as a symbol of all that is good a decent. There is no greater satisfaction than that which one receives from the investment of time and energy devoted to youth.

As you witness the pomp and pageantry, from opening ceremonies on Thursday...through the Parade of Champions on Saturday...only then will you realize that this is a true labor of love...and a living tribute to all those, both past and present, who have strived to make it possible and memorable.

MEMORIAL WRESTLING SCHOLARSHIP

Dedicated to the sincere belief that the loss of their young son, Danny, should not end with the tragic auto accident on February 8, 1952, Bob and Delores Burke wished to establish a living tribute to perpetuate his memory.

He was a dynamic individual and wrestler at Wheeling Park, who had yet to reach his full potential in this sport he loved. It was both fitting and appropriate that his parents decided to help a gifted scholar/athlete attain his full potential, in the career of his choice.

Therefore, in 1983 the first Daniel M. Burke Memorial Wrestling Scholarship was presented.

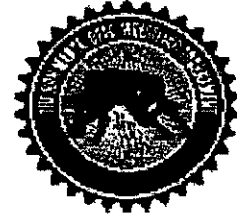

The qualifying criteria require that the recipient be a senior with outstanding records in both wrestling and academic performance.

The original award was in the amount of \$1,000, however in 2006, was increased to \$2,500 and is to be applied to college expenses. As each recipient is added to the list, it reads like a veritable "Who's Who Among Outstanding Young Men in the Upper Ohio Valley" It is our fond hope that the accomplishments of each successive recipient serves to honor and perpetuate Danny's memory in a manner fulfilling the wishes of his parents.

JAMES H. MORRIS

OVAC WRESTLING

SPORTSMANSHIP AWARD & SCHOLARSHIP

A memorial tribute to honor James "Dead-Eye" Morris was established by the Morris family and sons, Jeff and Gregg (both former OVAC Wrestling Champions), following the death of their father in 1997.

In recognition of his long and abiding love for wrestling and his working commitment to the OVAC, the Morris family has determined that such a perpetual tribute shall be in the form of a sportsmanship award and an annual scholarship.

The Sportsmanship Award is unique in that it is presented to "a non-coach supporter of OVAC Wrestling to say thank you for your support through the years". The recipient of this award will then have the privilege and honor of presenting a \$1,000 scholarship to the wrestler recipient at the OVAC Annual Awards Banquet.

The recipient will be chosen by a committee of wrestling enthusiast and determined by established qualifying criteria. Said criteria shall place great emphasis on sportsmanship and a favorable evaluation of academic and wrestling accomplishments.

A plaque, allowing for the listing of successive recipients shall be prominently displayed along with other OVAC awards.

It is obvious that much prayerful thought went into the decision to honor "Dead-Eye" in this memorable fashion. It could

only have been the product of individuals with an appreciation for what this tournament is all about.

From the OVAC Wrestling Family to the Morris Family, "In sharing your loss, we acknowledge and appreciate your generous contribution in a manner keeping with HIS compelling desire to give.

George E. Kovalick

4/8/23 - 4/8/84

“Founding Father of OVAC Wrestling”

Teacher exceptional...competitive coach...gracious mentor...visionary, endowed with boundless energy and enthusiasm.

His accomplishments are legendary...his influence unparalleled

A man whose profound influence on coaches and athletes is a legacy which will continue to have an impact on generations yet to come.

Standing as tangible proof of all that he epitomized is his enshrinement in four separate and distinct Athletic Halls of Fame; Kent State University, West Liberty State College, Ohio Wrestling Coaches Association and Ohio High School Athletic Directors Association.

In 1980, a scholarship was established to honor Coach Kovalick by the OVAC Wrestling Coaches Association. It is presented annually to a college-bound scholar/wrestler.

During opening ceremonies of the 1985 OVAC Wrestling Tournament, a bronze plaque was unveiled and now hangs in the lobby of the WesBanCo Arena, inscribed in fitting tribute it reads;

“The Ohio Valley Wrestling Coaches Association honors the memory of George Kovalick...a man marvelously competitive, meticulous in organization and endowed with an enormous capacity for work.

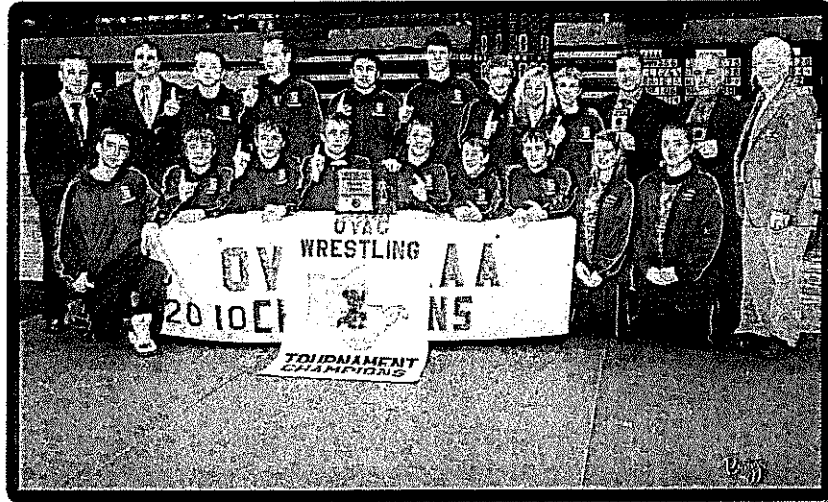

He produced an unparalleled record, with more championship teams in more sports than any other man who ever coached in this valley.

He was responsible for tremendous progress in the development and expansion of our wrestling program. Teacher, strategist and fundamentalist, he was an inspiration and a friend.”

WRESTLING...A PERSONAL PERSPECTIVE

Competition is an inherent character trait in all forms of animal life, rooted in a need for preservation of the species, through survival of the fittest.

While evolving, man has perpetuated this innate desire to demonstrate such superiority. However, in a more enlightened society it has progressed from battles to the death, by creating and refining games and sports, which may determine a winner by scoring systems, thereby eliminating the ultimate barbarism.

It is believed that wrestling and running are the earliest known competitive sports practiced by man, and continue today. Perhaps the single most compelling argument that such is the case, is the fact that all that is required are two competitors with a desire to determine individual superiority.

Today, wrestling has become, if not a science, at the very least an art form. Strength, speed and agility are all desirable attributes for any aspiring wrestler. However, absent the knowledge and skills, which are constantly being honed and refined, seldom will the untrained and undisciplined ever be victorious.

No athletic endeavor requires as deep a commitment or as much self-sacrifice as does wrestling. No one who enters the sport of wrestling and labors seriously, to become the best that they can, will ever be the same person again. The impact of that experience will forever alter perspectives, values and personal dignity.

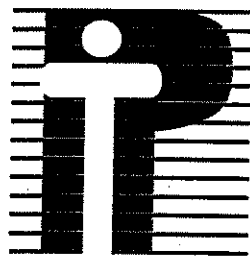

To a committed wrestler, a complete metamorphosis transpires.....for as a caterpillar, having wrapped itself in a cocoon, ultimately emerges as a butterfly.....so a boy immerses himself in a wrestling program and emerges as a man!

What a joy it is to see the progress and view the process!

MANY HAPPY RETURNS

to sports, work and recreation

The Wrestling Parent

*Parents in wrestling are courageous - it's true
They feel all the pain that boy must go through,
At home, when he diets, they wish it could stop,
Yet know he must do it to stay at the top.*

*Excuses for losing they will never endure,
"Don't blame the ref, son, because of the score,
The coach, he will show you the best way to move.
Keep working in practice if you want to improve."*

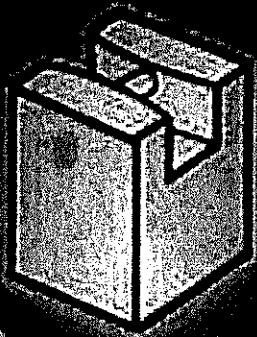

*At dual meets, you'll see them whispering a prayer,
As their boy must compete with no one else there,
Whatever the outcome - mom cheers with deep pride,
While dad - you will notice - stands right by this side.*

*They'll drive to a tournament many miles away,
To witness a son who's prepared for this day.
Their boy, he has trained, with all of his might,
Having hopes of becoming a champion tonight.*

*But should he fall short, at his corner you'll find
A mother and father - supportive and kind,
They teach that through wrestling he'll
learn about life,
Yes, living is filled with both triumph and strife.*

*Now, if you are searching for people who care,
Just look by the mat, they'll always be there,
Such love for a sport is truly inherent,
The Wrestling Parent.*

OFFICIAL OF THE YEAR AWARD**

For his contributions to wrestling as an official, president of and interpreter for the Ohio Valley Wrestling Officials Association, the membership, in tribute to his commitment, dedication and leadership, expressed that desire by having the "Official of the Year Award" dedicated in his honor.

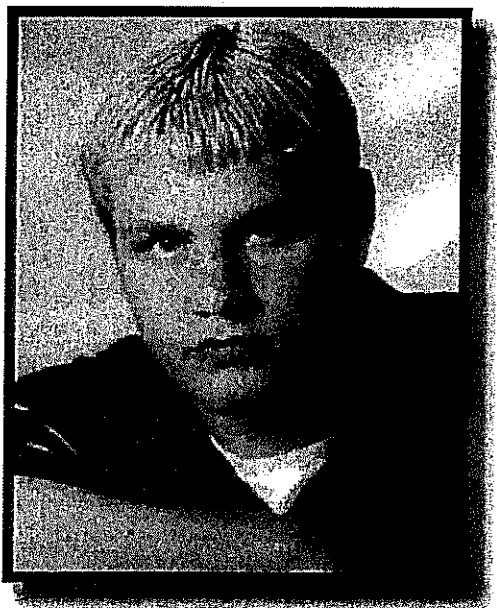

His officiating career spans more than five decades. Even more significant is his patience in training and mentoring of scores of referees, many of whom have been recipients of this award.

Matthew Salsberry

1980-1999

Within minutes after leaving for home from Ohio Northern University, where they had all just undergone freshmen orientation, Matt Salsberry; his girlfriend, Emily Bickerton; and his best friend, Dan Aldrich, fell victims to tragedy. An inattentive and irresponsible teenage driver, in a moment of senseless exhilaration took the lives of all three and brought emotional devastation to the families and school community of a magnitude which can only be described as traumatizing and from which we are still laboring to recover.

Matt Salsberry had a lust for life that dictated success. The commitment and enthusiasm which he brought to the wrestling mat, the playing field, the stage and the classroom, motivated and inspired teammates, classmates and fans. He was a humble winner and a gracious loser, who gained the respect of all who came to know him.

If any single incident defined his commitment and enthusiasm for whatever the project might be, surely it had to be his humorous show-stealing portrayal of "Earthquake" McGoon in the school musical "Lil Abner".

Matt was a two-time OVAC champion and winner of the "Mr. Hercules Award" in '99, by pinning his way to the 215# championship in a cumulative time of less than a single match. He was 4th in the State of Ohio while compiling 124 wins. He was All-State in football for three years and started in 32 consecutive games. He earned 11 varsity letters, was River Valley League discus champion, served as Junior Class President and Senior Class Vice President, while maintaining a 3.5 GPA as a member of NHS.

"Friends in Memory of Matt Salsberry" having a desire to perpetuate the positive impact of his young life, have deemed it a fitting and proper tribute to establish a \$1,000 scholarship, to be considered annually and awarded to an OVAC wrestler who has earned a varsity letter in one additional sport while likewise maintaining a 3.5 GPA.

Lucas D. Sedgmer Memorial Scholarship

He was a member of New Athens Volunteer Fire Department and attended the United Methodist Church in New Athens.

A committee was established to provide two scholarships to perpetuate and honor Luke in memoriam. One scholarship is presented to a graduate of Harrison Central High School and the other to an OVAC member school wrestler.

The criteria for selection as a recipient are the qualities exhibited by Luke. During his brief, but dynamic existence. They are scholarship, athletic accomplishments and character.

Luke was greatly admired, widely respected and dearly loved by all who came to know him. It is our fond hope that by honoring him in this fashion, we will not only be perpetuating his memory, but more over aiding others in pursuit of their dreams.

Lucas "Luke" Sedgmer, the son of Kay Keyser-Sedgmer and William Sedgmer, was a 1999 graduate of Cadiz High School, where he excelled in wrestling as a 2-time OVAC Champion and a 3-time 3rd place finisher in the Ohio State Div. III Wrestling Tournament.

Luke was an avid outdoorsman, possessed of a love and respect for all things living.

Tragically, he lost his life on Friday, May 9, 2003, in a head-on auto collision.

He had worked as a summer employee with the Harrison County Highway Department and served as an assistant wrestling coach at Wheeling Park High School.

He had finished school that very day and was to have graduated from West Liberty State College shortly thereafter.

The fulfillment of his dream would have been to teach and coach wrestling.

David Bierkortte Award

David Bierkortte after having been crowned the 165# Champion at the 1970 OVAC Wrestling Tournament and compiling an undefeated record, was fatally injured in an auto accident during his junior year.

The Wheeling Central Catholic Booster Club decided the best way to pay tribute and honor the memory of their fallen hero was to create, in his name, a perpetual memorial. Thus was established the David Bierkortte Award.

The recipient of this award is to be announced during the awards ceremony following the conclusion of the Ron Mauck OVAC Wrestling Tournament. The honoree, as selected by a panel of judges, is to be deemed the Most Valuable Wrestler in the tournament. Formal presentation of the award will take place during the OVAC Spring Awards Banquet.

“Mark Emmerling, Rich Wright and brothers, Gary and Paul Ice, were individual champions who led this team to victory while placing every team member in this tournament.

Your hard work and commitment to excellence was demonstrated in an undefeated season, including many individual and team championships.

You were the pride of our school and community. Area wrestling fans will forever regard your team as one of the greatest in Ohio Valley history

It was my sincere privilege to be a part of this remarkable group of young athletes.

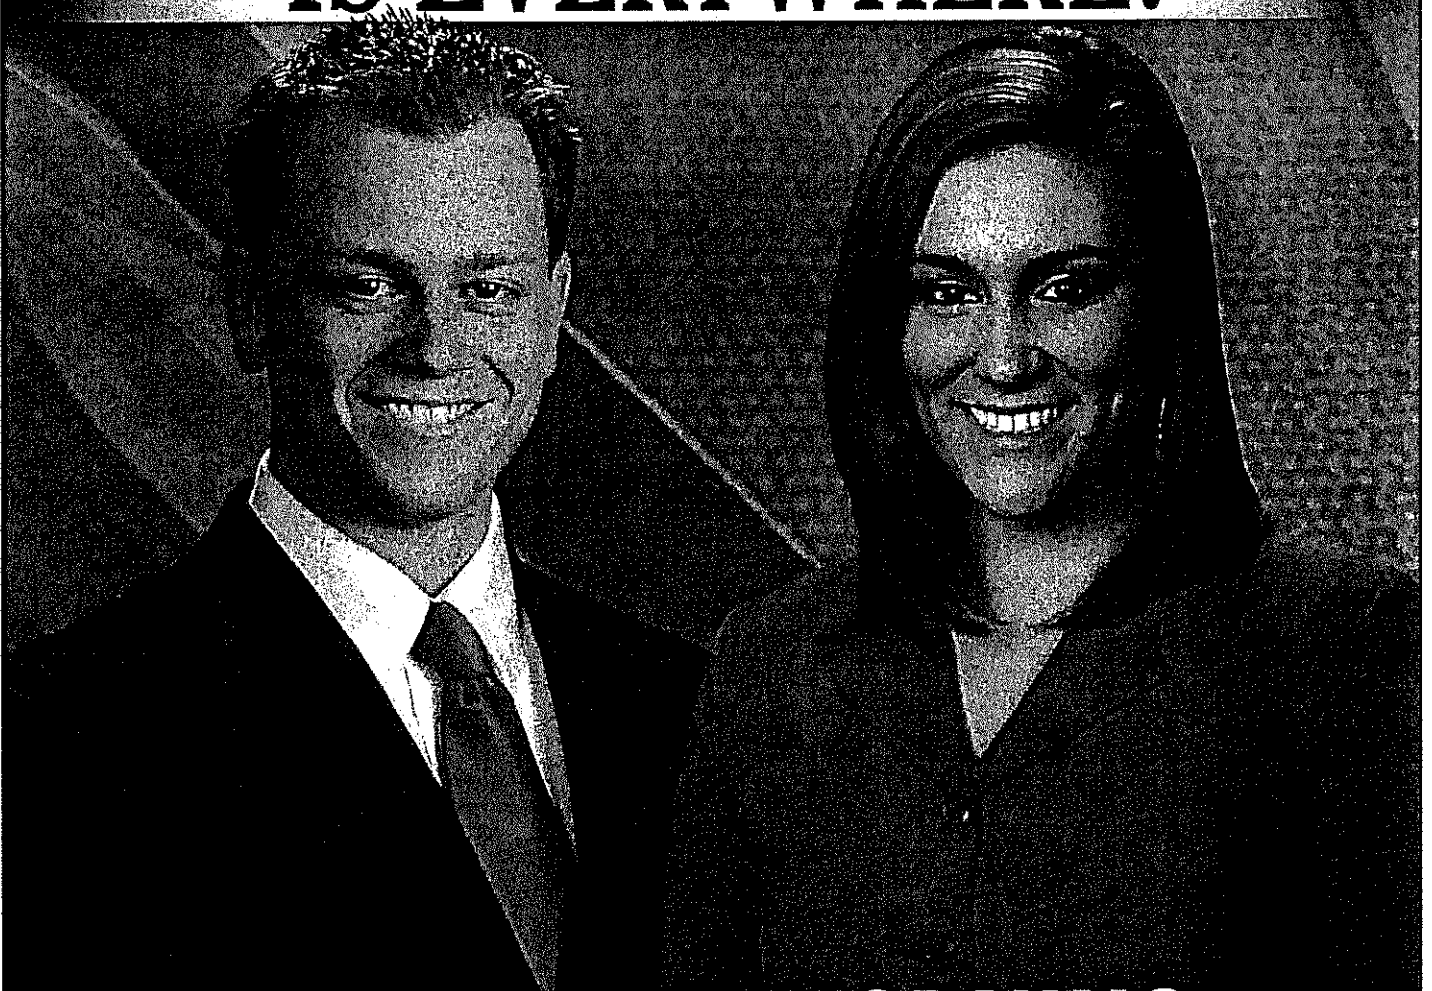

In my view, you were and still are Champions on and off the mat”

Forever a proud Potter and your coach

Saying "no" has never felt so positive.

Research shows that most teens who drink get their alcohol from adults. That's where we come in. As parents, grandparents, aunts, or uncles, older brothers or sisters, older friends, cousins or neighbors we can help the ones we love make smart choices if a minor asks you to buy alcohol or provide it to them say No. It's one of the most positive things you'll ever do. Prevent Don't Provide Alcohol to Minors.
