67th Annual Rudy Mumley All★Star Charity Football Classic

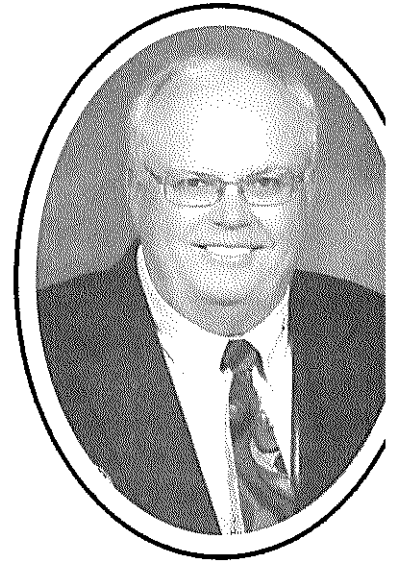

~ 1972-2012 ~

Welcome to the sixty-seventh edition of the Rudy Mumley Ohio Valley Athletic Conference® All-Star Football Charity Classic. Assembling on the tonight are many of the best young people in the upper Ohio Valley. This is a unique collection of all-star football players, cheerleaders, band members and talented queen candidates. The OVAC® knows of no other assembly of high school talent in the United States.

I hope you enjoy and appreciate the skills on display this evening. It has been a pleasure for me, the coaches, the directors and the rest of the game committee to work with these fine young people over the last several weeks leading up to tonight's event. I would like to thank the parents who have helped these fine, young people – it is not an easy task.

Thank you for attending this event. Your support is needed and appreciated to continue and improve this outstanding charity event.

I would like to wish the best to the participants in tonight's activities as they are our future.

Bob Koch
GAME DIRECTOR

On the Cover...

Richard 'Dick' Edge epitomizes the best of the Ohio Valley Conference. It is appropriate that he is honored right on Wheeling Island, where he was born and raised over seventy years ago. He graduated from and represented Wheeling High School in this All-Star game on this site in 1954 before starting a forty-two year career in education that saw him have positive effects over the width and breadth of the OVAC®.

Dick notes, "Actually, being in the Army changed my life. I was drafted after high school, but was fortunate enough to serve between the Korean and Viet Nam conflicts. I came out as a sergeant and decided to go to West Virginia at the age of 24."

"I was hired at Triadelphia Junior High and started teaching and coaching. I loved it. I coached every sport there was at that time. I was even the cheerleading coach when I was the head football coach at Warwood High School. Jim Foti was the basketball coach and he was the cheerleading coach during basketball season. Then I moved up river to Wintersville High School where I coached football, wrestling and track, started small fry wrestling there as well as softball and track summer leagues."

Dick then moved into administrative levels of education, becoming the Principal of Springfield High School and later at Woodsfield High School which led to his becoming Superintendent at the Switzerland of Ohio Schools. Dick was willing to help districts get through tough situations, filling various positions on an interim basis in eastern Ohio. He also served on the OVAC® Executive Board for several years and as President of the OVAC® in the late 80's.

"I would do it again – in a heartbeat. I haven't coached for about twenty-five years and miss it. I haven't been to the schools for ten years and I miss the kids. The OVAC® is in better shape now than it's ever been. It's not just about athletics – community service and academics are key. The OVAC® honors more kids now for non-athletic reasons than ever. Title Nine was a big plus for the conference as it brought the girls programs into focus. In many more years, we will probably add some more sports such as hockey, lacrosse and bowling."

Dick lives in St. Clairsville with his wife, Pat. Their daughters Lynn, Jenny and Holly have provided them with many wonderful memories and grandchildren.

The Times Leader

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are attending this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from western Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the off-season to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference® could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The fact, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

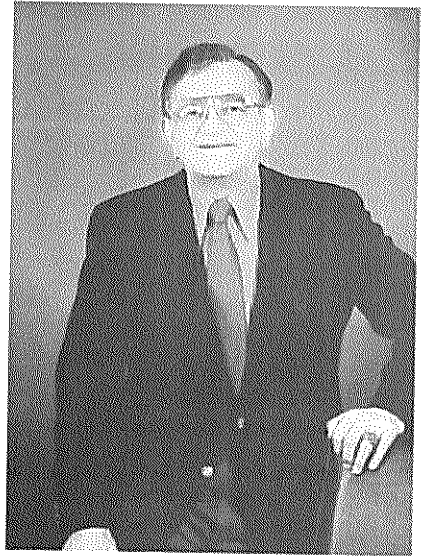

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit tired. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned out to be a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them spend the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

propose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With 3 Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Ung and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it is sponsored by the booster club associations. Stone & Thomas continued to sponsor the event for the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred fans. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference®.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his role as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contests. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

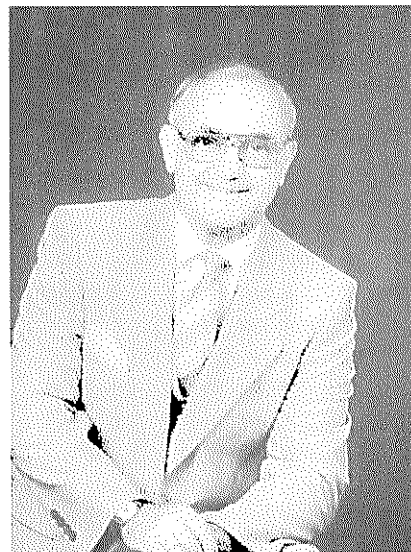

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Indation Board was formed to serve as a fund-raising arm of the bi-state league. That board is in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate donor of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them.

He did so after many discussions among his constituents and his own private soul-searching. Still, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. Different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they dreamed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

28 Years... OVAC® All-Star Football Classic in Retrospect ...and The Tradition Continues

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail ... "The OVAC® would not gain NCAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could totally regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated Official opening of the Ohio Valley's "pigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC®. "The rich athletic heritage of this valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the "deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game plan remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC® was very busy in implementing its Title IX Program for Girls.

Such female programs were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC® on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC® that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC® that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC® All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named as The Rudy Mumley OVAC® Ohio-West Virginia Charity Football game All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced 1,500 players • 3,200 musicians and directors (since 1982) • 500 cheerleaders • 750 queer candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

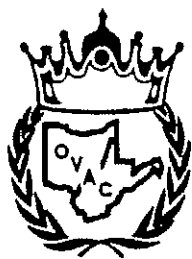

Speaking for everyone in the OVAC® family, we thank you for allowing us to share "Charity and love for our fellow man."

1940'' The First All★Star Game

West Virginia's senior All-Star boys today held a 13 to 17 victory; aftermath of their first meeting with the eastern Ohio team in the maiden contest played under the new grid system at the Island Stadium.

The victory of the mountain state, who had trailed from the opening until the last seven minutes of the game, 7-0, came as a mild surprise to the well-drilled and highly efficient Buckeye nations delighted an early season of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-leford pass, late in the first period, planted the Buckeyes from midfield to West Virginia 25. Sadlowski, another Buckeye back, took a pass that planted the Buckeyes in the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of the Ohio team although the Rowe-Howell combination had advanced to the 25 when the intermission arrived.

The mountaineer sturdy rush line and the equally effective Ohio formation fairly even terms into the final minutes before Johnny August, a Shady-side youth, who shared the starting role for the Bucks, was hit hard on his own side by Joe Corba, a Follansbee back, who took the white leather for the eventual victory.

Charlie Helinski, Union product, threw a ball of fire at this stage. He dug off tackle to the Ohio 19 and nudged the leather to the five yard line by a too many times out penalty. Helinski picked up a yard and Mike "Dimitro" punched his way into the end zone. Dimitro cracked the extra point and the issue was decided.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old shoulder injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big respect while the prospective

Ohio State youth was in the game. His Shadyside backfield mate, Auger, despite his costly fumble, was one of the big guns in the Bucks' effort and Niemiec-Hartwig combinations thrilled the West Virginia fans worried.

Lou Caffaro, recovering from a nasal operation, held the sticks for West Virginians but felt the call of battle in his impassive role. Paul Bricker Weirton end who handled the kick for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and he was out of bounds.

1942" All-Star Game – 60 Years Ago

Ohio celebrated its first triumph in the three year interstate series with a 20-7 victory that thrilled a crowd of close to 12,000 last night at Wheeling Island Stadium. The big, hard-hitting Buckeye quarterback with Dick Leonard, ex-fullback at Tiltonsville High, doing a masterful job of ball lugging and his accurate tossing was a major factor in widening the margin. The Ohioans converted all their scoring into the second half, tallying twice during the second period.

West Virginia, winner of the first two battles, began to assert itself during the last half but the first quarter was five minutes old before the Mountaineers marched forward to prevent a shutout, Guido DeVecchis plunging for the touchdown.

Ohio not only held command of the offense, punching out 11 first downs to West Virginia's seven, but

the big Buckeyes forward wall backed up by McCarty, Merkel, Leonard, Jarvis and Simpson never permitted Weirton's DeVecchis, Moczek or Albus too much freedom.

Leonard paced a 76-yard scoring drive the second time Ohio had possession and aerial heaves to Fitch and Voytecek, the latter for 18 and first down on the one, set the stage for Merkel to hit the line for the opening touchdown.

The Ohioans scored again shortly after the second period opened after taking the Joe Garan's

quick-kick on the foe's 46. Voytecek took a pass to the 21 and then put in another Leonard heave in the end zone for the touchdown.

Ohio counted its last touchdown midway through the second period as a Leonard-to-George pass for 14 yards doing the trick.

Bill Albus' seven yard touchdown started the West Virginians on their scoring drive as the third quarter ended. It was Albus and his backfield mate. DeVecchis, who featured the scoring march although two roughing penalties on the Ohioans aided.

1962" All-Star Game – 40 Years Ago

West Virginia's All-Stars defeated the Buckeyes of Ohio last night at Wheeling Stadium to win the 20th edition of the Ohio Valley's All-Star football spectacle 12 to 6. Sparked by the All-Stater Bill Tucker of Weirton - he was named the victors' most valuable player - the Mountaineers scored three times, including an offside penalty, first of two consecutive fouls by West Virginia, nullified the third.

Bob Sullivan's West Virginian's led up 15 first downs to Ohio's five, widened a 6-0 half-time lead by moving 65 yards in 12 plays for his second touchdown when Tucker's 21-yard pass hit Bill Thompson, Weirton end, in the end zone.

West Virginia was aided by a 10-yard penalty for an Ohio personal foul when Tucker had gained seven to his own 49. The penalty moved to the Ohio 31 and four plays later Thompson scored on the pass when QB Ken Morgan couldn't find a receiver for the PAT pass.

After penalties had erased Tucker's second TD on an eighty-yard smash, Ohio went on the prowl to drill 81 yards for its tally. Mike Herrick, from Mingo, the Buck QB rolled out for 30 yards to the WV 21 for the big gain. On fourth down he passed to Chuck Waligura of Wayne High for the score. Herrick tried to pass for the point but it was void.

Bill Thompson's 59-yard dash to Ohio's 16 with an intercepted pass set up the unsuccessful WV TD. Another personal foul put the ball at the Ohio eight but Tucker's dash to the end zone was nullified when WV was offside.

West Virginia menaced the Buckeyes early in the game, driving from the opening kickoff from its own 41 to the Ohio five, before Hen Thomas was caught for a seven-yard loss. Thomas got back two, but a backfield mix-up, on the next play, lost 10 yards to the 20.

The threat ended on the next play when Tucker, attempting to pass, had to eat the ball when no

receiver was open and he had to struggle back to the Ohio 15.

The Mountaineers broke the scoreless affair early in the second period by staging a 70-yard run that began in the previous quarter and was concluded by Tucker's smash inside tackle for three yards and a touchdown. Thomas' pass to the PAT was batted down by Smolira, Buckeye back from U.S. Local.

The West Virginia drive was capped by Ken Morgan's 14-yard gainer on a roll-out that carried to the Buckeye five. Chuck Grandstaff picked up two and then Tucker hit to score.

The Ohioans mounted a comeback following the touchdown. Ed Rouse's 25-yard quick kick gave the Buckeyes the ball at the WV 49 and they moved to the 12 on Mike Herrick's pass to Dwight Cunningham for 10 yards, Herrick's nine-yard roll-out and line stabs by Dave Kovacs and Claus Harvey.

1972" All-Star Game – 30 Years Ago

Utilizing the "big play" the Ohio stars won the 27th edition of the West Virginia All-Star Game 24-turday night at jam packed Mar-
Ferry Stadium. More than 7,500
y fans saw a hard-hitting, razzle-
e type football game which the
eyes finally put away by over-
ring the smaller but game Moun-
ers.

Lacking up 306 yards on the ground
rning its only pass completion of
ght into a touchdown, Ohio broke
the tight game with two touch-
s the first two times they had their
; on the ball in the second half.
fter spotting the Mountaineers a
ead in the opening minutes, the
eyes pulled in front 12-6, before
nission on a spectacular 95 yard
om the wishbone "T" by Cadiz
ck Dave Mazerowski. The 195-
l power runner galloped 124 yards
e carries while Wintersville won-
hn Viltro streaked for 123, also in
attempts.

Ohio quarterback Tom King, of St.
ville, completed just one of five
attempts but that was worth 24
and a TD to Bellaire tight end
Frizzi, who was a two-way star.
West Virginia, which had a 14-13
in first downs, ground out 137
by rushing 96 of which were
dup by Linsly Institute great Terry
rds in 10 carries. Terry Murphy,
ling High's bomb-throwing QB,
ged 10 completions in 18 attempts
0 yards.

fter taking its 12-6 edge to the
room at half-time, Ohio went 65
in six plays and Viltro returned
rd quarter kick off to the Buck-
5. On the first play, the flashy
got outside and raced thirty yards
WV 35. He had a 13-yard carry

to the 22 and King looped a scoring
toss to Frizzi, who hauled in the ball
while stepping into the end zone.

King was stopped short on the try
for the points-after but the Ohioans
held an 18-6 spread with 9:18 to go in
the third round.

A little later, Murphy's pass was
grabbed by Frizzi who dashed 29 yards
down the left sidelines. Viltro had a
twisting 15-yard run, breaking three
tackles on a fourth-and-three play, to
put the ball at the Mountaineer 12.
Three plays later, Toronto's Steve Jones
powered off the right side and fell into
the end zone. Steubenville's Jerry
Johnson was thrown in the backfield
on the try for the conversion.

Following Ohio's third score, West
Virginia made its threat when Viltro
dropped Murphy's punt at the 28 and
Gillette recovered. However,
Markonich was thrown for a 16-yard
loss and the Frizzi interception fol-
lowed.

One play after blunting a West
Virginia drive near the Buckeye goal
line, Ohio broke a 6-6 tie and went in
front in the second quarter. Catching
the Mountaineer defense in a stunt,
fullback Mazerowski, shot right over
center, found himself in the open, cut to
the left sideline and romped 95 yards to
paydirt. This score came with 5:11 left
to go in the half and gave the Bucks a
12-6 lead. Quarterback King attempted
to roll out for the two-pointer but was
stopped by Thad Podrastsky, of Wheel-
ing Central and Gillette just inches
from the goal line.

West Virginia drew first blood,
surging 66 yards in the opening stanza.
Highlighting the drive were play-ac-
tion passes from Murphy to Edwards,
one going 13 yards and the other for 12.

1982" All-Star Game – 20 Years Ago

Dak Glen's Leon Taylor intercepted a Dennis Swearingen pass way through the second quarter to put West Virginia's only touchdown of the evening. And then, only 30 seconds remaining in the hard fought contest, he broke up a two point conversion pass to preserve the Mountaineers 7-6 victory in the annual Ohio-West Virginia City All-Star Football Game. A crowd estimated at 9,000 gathered on a warm summer evening to watch West Virginia snap its 11-year Ohio winning streak. West Virginia played sparkling offense most of the game. The Mountaineers intercepted three passes off Martins Ferry's Swearingen and came up with a touchdown goal line stand in the third quarter. But with the clock winding down, Ohio came up with one last play. Taking over at their own 18 with 5:57 remaining, the Buckeyes drove downfield in 14 plays for only TD. On third and six from the 33, Swearingen hit Meadowbrook's Ed Murgatroyd for 31 yards and a touchdown at the West Virginia 36. A 1 yard pass from Swearingen to

Steubenville Catholic's Dave Wilinski was good for a first down at the 10 with 1:26 to go.

Three plays later, Swearingen snuck over from the one for the touchdown. Only thirty seconds remained when Ohio called a timeout to set the strategy for the two-point attempt.

Swearingen rolled to his right with an option to either run or pass. Running out of room, he tried to hit Murgatroyd in the corner, but Taylor stepped in and picked off the pass.

Bellaire's Mark Marchese then tried two on-side kicks. On his first attempt, Ohio was off-sides, and his second try failed to go ten yards, enabling the happy Mountaineers to run out the clock.

Taylor's interception set the stage for West Virginia's only touchdown. The big play of the drive was a 13-yard run by Magnolia's Barry Bohrer on third and five from the 16. Three plays later, Bohrer cracked over the left side from a yard out for the TD. Brooke's Keith Rea added the extra point with 3:27 to go in the first half. Moments later, Bridgeport's Brian Miller intercepted a pass from Brooke's Mark

Hone to give the ball at its own 20.

Three plays later, Swearingen hit Fred Hocker, also from Martins Ferry, for 27 yards and a first down at the Mountaineer 23. But with only four seconds left, Marchese's 34-yard field goal attempt was partially blocked and fell short.

West Virginia came out thriving at the outset of the second half. Weirton's Carl Fodor hit Brooke's Bob Whitehead for 39 yards and the next play Sisterville's Bob Swisher outwrestled Steubenville Catholic Brian Allen for the end zone and a 24-yard gain to the Ohio 10. But four plays later, Rea's 31-yard field goal attempt hit the crossbar and bounced back toward the field.

Taking the ball over on their own 20, the Buckeyes drove to West Virginia one, with Baker trying 12 out of 13 plays for 100 yards. But on fourth and goal from the one, Baker was stopped short by Wheeling Park's Jack Stuntz.

1992" All-Star Game – 10 Years Ago

After being swamped by Ohio each of the past two years, West Virginia hoping to rain on the favored Buckeye's parade in Sunday night's twenty-first annual Rudy Mumley West Virginia Football Classic at Wheeling Stadium but the weatherman told the Mountain Staters to the punch. The start of the game was delayed several minutes and the game itself was called off midway through the second quarter when another line of heavy thunderstorms rolled across the island state.

Ohio was clinging to a 7-6 lead when the game was stopped at the 5:46 mark of the second quarter, but the organizing committee this morning announced that the game had been declared a "no contest".

"We just couldn't see having a winner and a loser out of this game," said West Virginia Director Rudy Mumley. "Both teams played well considering the conditions and the meeting with both head coaches and their staffs, they agreed to call it a draw."

The game was stopped at 8:42 p.m. and officially declared "over" at 10:00 p.m. As it turned out, the rain (and wind) didn't stop - or even slow down - appreciably - until well after midnight. By that time, the field had become several areas of standing water and the bleachers were virtual lakes.

There was some sentiment for postponing the completion of the game

until tonight, when anticipated weather conditions would be more suitable.

Logistical problems involving the players, band members and Queen of West Virginia candidates - many of whom delayed their summer vacation trips until this morning in order to participate in the festivities - along with the prospect of sending the gridgers back onto a field that had absorbed over two inches of rain less than 24 hours earlier made that a non-option.

West Virginia returned the opening kick-off to its own 29 and Coach Terry Depew's squad then set out on a quick march back toward their own end zone.

Two aborted pass plays and a futile running game were thrown for losses and pushed West Virginia all the way back to its own 10. A wobbly punt by Tyler's David Neff then squished to the earth at the 32.

Ohio took quick advantage of the excellent field position as River QB Mike Snively hooked up with Cadiz tight end David Nemeth on a 21-yard completion to the West Virginia 11.

Three plays later Cadiz tailback Eddie Christian backed across the left side of the Ohio line for the touchdown. Martins Ferry's John McFarland added the point after for a 7-0 Buckeye lead with 7:31 still to play in the first quarter.

Neither team picked up a first down for the rest of the stanza which quickly

degenerated into a punting duel as the first few drops of the storm would eventually end the game by wetting the grass.

West Virginia's scoring drive yielded 62-yards in seven plays and by 10:37 remaining in the first quarter after a short punt return brought the ball back to the Mountain State 30.

With Linsly's Tate Moore under center, West Virginia still figured to move the sticks and went into a three-point formation on fourth-and-five from the Mountain State 43. A slightly errant snap was fielded nimbly by Neff, who dodged the first Ohio rusher and then sprang straight up the middle - a gamble paid off in a first down at mid-field.

Suddenly rejuvenated, West Virginia moved the sticks again with running plays carried the ball to the Buckeye 39.

The Mountain Staters hit pay dirt on the next play when Moore nailed a wheeling Central tight end Mark McGeary, who was splitting coverage on a slant, and the Maroon Knights raced untouched to paydirt at the 50 mark of the quarter.

The rain pelted down even harder and a flash lightning lit up the sky as the ball was being snapped for an extra-point try by Brooke's Mike Micucci. The PAT sailed wide left.

WASH-OUT

2002'' All-Star Game - 10 Years Ago

Shadyside quarterback Mike Kernick led for 170 yards and two touchdowns, accounted for 74 yards rushing in leading Ohio to a 19-12 victory over West Virginia in the 31st annual Rudy Mumley C® All-Star Football Charity Classic held before a large crowd on a sweltering day at Wheeling Island Stadium.

The coaches for the encounter were Dave Everson of Edison and John Hall's Mike Linsky.

The Ohioans got off to a 13-0 start with two second quarter TD's, however,

West Virginia narrowed the margin to seven points at halftime. A W.Va. touchdown in the third quarter made it 12 before Ohio tacked on a six-pointer with 1:16 remaining in the game for a 19-12 point victory.

Unfortunately for the Mountaineers and their supporters, a pair of fumbles in the third quarter blunted comeback attempts with the team behind by only one point.

After the two teams played to a scoreless tie through one quarter, the eyes got on the board at the 7:30 start of the second period when Kernick led an eight-play 78 yard drive by leading Steubenville's John Lester in the right corner of the end zone from 22 to 0. Wellsville's Matt Engle connected on a PAT, to give Ohio a 7-0 advantage. The Ohio defense gave Kernick and the ball back three plays later, when he stepped in front of a reverse pass attempt by Brooke's Jim Scherich, and he returned it to the Ohio 36. Eleven

plays and 64-yards later, Kernick found Bellaire St. John's Joey Vavra out of the backfield with a 3-yard toss to make it 13-0. The two-point conversion was no good.

However, West Virginia struck back immediately as Wheeling Central's Justin Edwards hit Linsky's J.J. Zitzelsberger on a quick pop over the middle, and he split the Ohio secondary and raced 72 yards untouched for the Mountaineer's initial score. The placement attempt was blocked.

Before intermission West Virginia had made it to the Ohio 15 thanks to a 56-yard pass interception by Oak Glen's Derrick Stickles which put the ball at the Ohio 27 with 1:13 remaining the half. West Virginia then picked up 12 yards to the 15, but two incomplete passes and two running plays, which netted only one yard, would result in West Virginia turning the ball over on downs.

West Virginia hit big plays at the outset of the third quarter, beginning with Cameron's Roger Kupfer returning the second-half kickoff 35 yards, allowing the Mountaineers to set up shop at their own 48. Edwards and Wheeling Park's Keith Banks teamed up on a 14-yard pass, and then Edwards scrambled for 15 more to the Buckeye's 30. The Edwards-Banks combination then connected on a 15-yard gainer. The TD would come on a 1-yard run by Stickles. The run attempt for the extra points failed leaving Ohio clinging to a 13-12 advantage.

West Virginia, which limited Ohio to

just five second-half first downs – giving up 20 in the first-half - got the ball back with 5:49 remaining in the quarter when Cameron's Tucker Binter intercepted a pass and ran the ball a way back into Ohio territory, but a penalty during the return pushed West Virginia back to its own 29. Following another penalty and a sack of Edwards by Joel East of Cambridge, a long Edwards pass was picked off by Indian Creek's Keith Kennan, who returned the ball to the Mountaineers' 29.

Then in the fourth quarter West Virginia got the ball back on its own but on third down and Edwards in shotgun, the snap went over his head. Steubenville's Luke Hartman fell on the ball at the Mountaineer's six-yard line. West Virginia was able to hold and tried a field goal that missed.

On the Mountaineers' last possession, Edward and Banks teamed up on a 14-yard gain, but Banks who attempted a spin, had the ball jarred loose by Keith Kennan and caught in mid-air by Martins Ferry's Dustin Holt resulting in Ohio dodging the final bullet.

Adam Quick then found Barnesville's Jon Miller on a quick snap to the left side and the Shamrock receiver picked his way through the blockers to the game-clinching 18-yard touchdown with 78 seconds remaining in the game.

~ A Tribute to George Strager ~

A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2001

With another high school football season set to get underway, I thought this might be a good time to reflect on the career of the late George Strager.

The Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own as he amassed a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody was home, satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record was 246 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced in coaching. The love and dedication that he gave the couple of thousand kids he coached afforded most of their lives in a positive way.

Yes, George was hard to play for and tough as nails on the field. His pre-game and half-time talks were filled with fire, especially when he didn't think his team was performing up to his expectations. He was hilariously funny at times around his coaches and players.

Today's younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity to learn from this coaching giant.

This past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer and Wheeling Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

Huff spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coach at Clairsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red Devils.

"It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibilities that tested my confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at Clairsville.

"He was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realize George was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away in 1981. George did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well," Young said. "It definitely was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the game. Young talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were in a mate during that time to have had many quality athletes at St. Clairsville," Young also said.

The most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the NFL and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had teams that did not get a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never made it to the post-season.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were on their way to the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out that Strager is probably the only person to have coached three different Ohio Valley teams to undefeated seasons. His 1953 Sisterville team went 10-0-1 and won the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic "pony backfield" in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 1973 and 10-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered Ol' George the Coach's Coach" because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and you always had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's team was always fun to watch and cover. They never seemed out of a game because of his offense's ability to strike from any place on the field. "We are born to do certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

Doug certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks. He turned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and making them into something special.

Bob Kettlewell, the late successful coach in Wintersville (now Indian Creek High School) regarded Strager as being a good a quarter as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. If you had someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

My relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic, I was a young writer and both Strager and the late Bob Roe, then the head coach of Wheeling High School, took me under their wing. Strager was never known for paying much attention to the defensive side of football, although I'm sure that was exaggerated.

I do recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opener at Wheeling High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach and being ordered over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with the offense, he hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

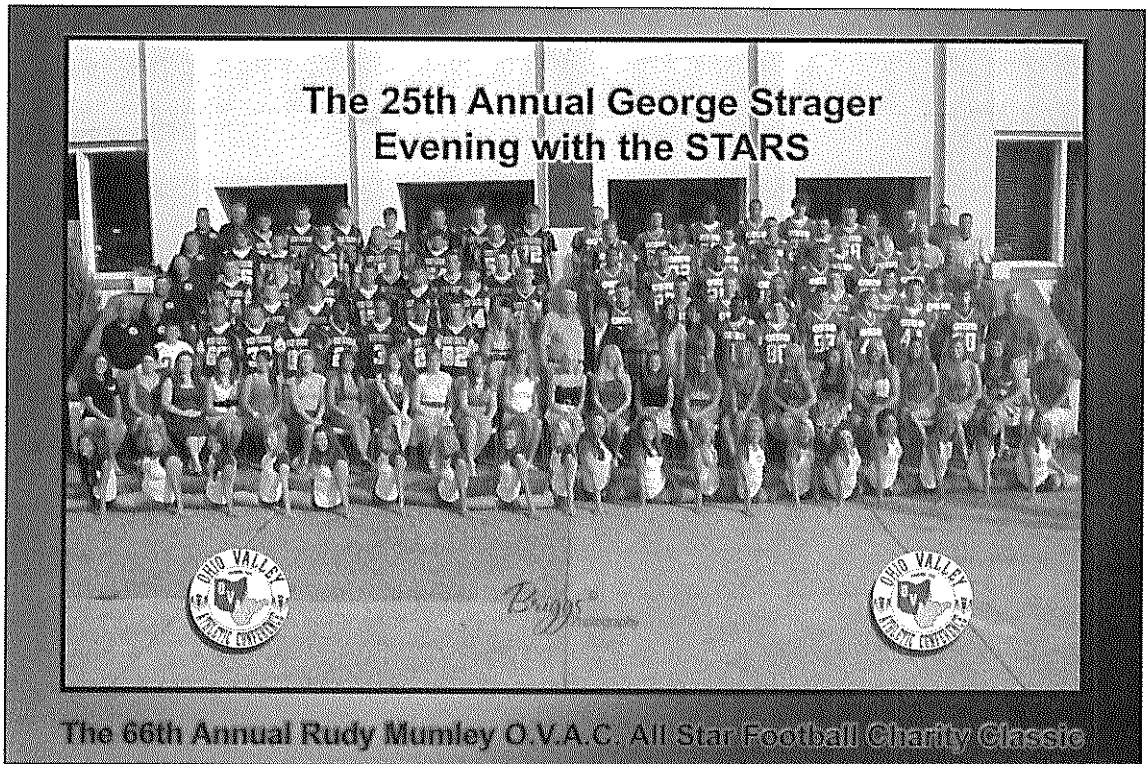

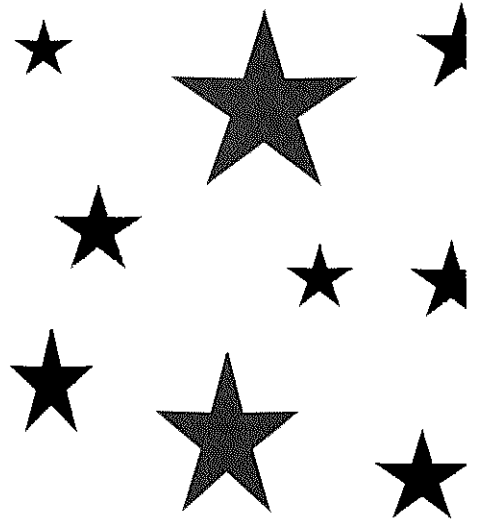

Either the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville easily blitzed the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of today's athletes will continue to be felt.

Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Playing in the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening v

2011 GEORGE STRAGER EVENING WITH THE STARS

The 66th Annual Rudy Mumley O.V.A.C. All Star Football Charity Classic

GEORGE STRAGER "EVENING WITH THE STARS"

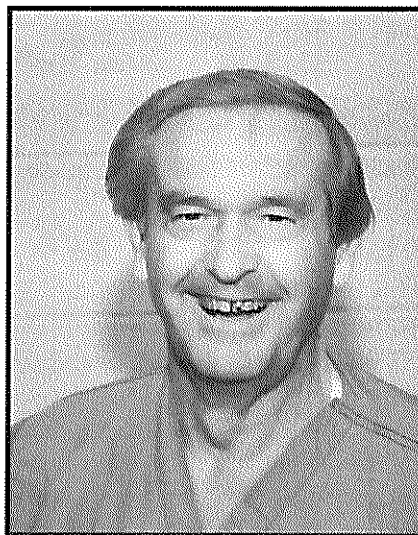

Robert Jones, the team doctor for the West Virginia All-Stars night's Rudy Mumley OVAC® All-Star Charity Football Classic, has a simple self-diagnosis to explain his affection for football. The doctor, he says, is in his blood. And no antibiotic, no pill or shot can take the sport out of his system. "I got involved because of the game itself," he said. (The appeal) is the game itself...it doesn't matter what aspect it is."

Football found its way into the heart of Dr. Jones in the mid-1960s, when he played for the legendary Wheeling Ironmen. Jones played defensive end, linebacker, offensive line - - "Back in those days you had to do it all," he said - - and remembers cross-state games with Charleston fondly. Even if memories of the game's details remain cloudy, the atmosphere of Wheeling Island Stadium always remains indelibly etched in Jones' heart and mind. "I remember my first game...we played Charleston," Jones said. It was the only time I've ever seen the island (stadium) completely crowded. We had a little bit of rivalry with them." And he still gets goosebumps up his spine every time he visits the stadium, which was remodeled in the 1980's. "It's still the same place," Jones said. "Even if it is a different stadium. It's still that place to play football."

Of course, the main purpose of football and other sports is to teach the participants qualities they carry with themselves throughout their lives. Football was no different for Jones. Currently a general surgeon, Jones also performs thoracic and vascular work at Wheeling Hospital, Jones says he learned self-discipline, a necessary component in any surgeon's mental makeup - - by playing football all his life. "The discipline of football pushed me to be a surgeon and in the medical field," Jones said.

Jones has been involved with the OVAC® Football Classic for the past 15 years, getting his first taste of the game when Ohio team doctor - - Luis Vazquez - - invited him to the 1984 game. "Not any of the games that he's seen and worked were good. But one - - the 1987 classic - - stands out; because of the luminous stars who played in the contest. Ohio - featuring St. Clairsville's duo of Vincent and John Spencer - defeated the Alex Shookled West Virginia team 13-11 in the all-star game, played at Steubenville because of the renovations to Wheeling Island Stadium. "That was the best game as far as players go," Jones said.

Jones earned his bachelor's degree from the University of Nebraska and graduated from the West Virginia University School of Medicine. Jones lives in Wheeling with his wife, Rita and has three children: Alicia and Pamela, both 31, and Robert 7.

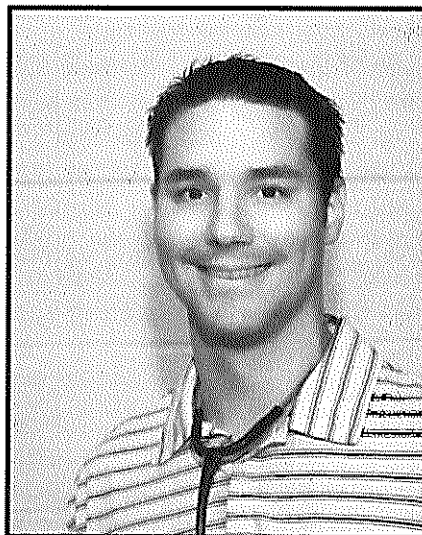

DR. ROBERT JONES

OVAC® DOCTORS

Dr. Christian Sonnefeld will serve as the Team Doctor for the Ohio squad at this year's game. He graduated in 1994 from Wheeling Central Catholic High School and played football under head coach Jim Thomas as a wide receiver and a defensive end. Dr. Sonnefeld is aware of the impact the OVAC® has on the youth of the Ohio Valley. "It is a pleasure to be able to help the athletes continue their great tradition of focusing on the youth of the Ohio Valley." In addition to his game day duties, Dr. Sonnefeld attends the annual day of camp at West Liberty State College, administering first aid to all of the football players.

After high school, he attended West Virginia University and graduated from the WVU School of Medicine of Neurology. He has a general adult neurology practice at Wheeling Hospital at Medical Center. Dr. Sonnefeld lives in Wheeling with his wife, Maryanne. He enjoys golfing and likes to cook.

The Ohio Valley Athletic Conference® is very fortunate to have doctors of this caliber who are willing to donate their time to ensure that the athletes of the Ohio Valley receive quality care while

TRAINER - HERB MINCH

Through the course of tonight's game and the week leading up to game, there will be bumps and bruises suffered by the players on 11 teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty State College. Minch has been involved with the OVAC® All-Star Game since 1987, 30 years after his graduation from Wheeling Park High School. Minch is currently studying health and physical education at West Liberty when he was first approached to be a trainer for the game and eventually went on to earn his masters of science in physical education and athletic training in 1990 from West Virginia University.

Herb got started into training during his years at Park under Tim McCormick and he just took it from there. "I got a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help out the athletes."

Minch didn't expect to be involved with the OVAC® Game as often as he has been when he was approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." Don't expect him to be getting out anytime soon. "I think it's obviously a great tradition," Minch added. "It's quite an honor to be a part of it and as long as they want me involved, I will continue to be. It's been a great experience."

Herb is married to the former Ashlea Bland. He has two daughters Kailey, Alivia and a son Zac.

TRAINER - RANDY ELLIOTT

ETH STASKEY
Sports Leader Sports Editor

There are a lot of loyal OVAC® supporters throughout the conference up and down the river. However, long-time Oak Glen Athletic Trainer Randy Elliott etches his name right near the top of the list for the services he provides the nation's largest prep athletic conference. Elliott has been involved with OVAC® events for the past 35 years and is once again on the sidelines of the OVAC® All-Star Football Game, serving in his normal capacity on the training staff. He has served the Mumley Classic since his freshman years as an undergrad student at West Liberty State College.

"I met Rudy Mumley when I was at West Liberty," Elliott said. "We started talking, and a couple of years later I went to graduate school and began helping the OVAC®." Elliott earned his bachelor's degree from West Liberty State College in 1980 in social sciences and then earned his graduate degree in sports medicine from West Virginia University. He has retired as a social science teacher at Oak Glen High School, focusing on world history. He's been a member of the Den Bears' staff for 18 years and has been a part of 24 state championship squads as a trainer, including 12 in a row with the wrestling team. Prior to teaching at Oak Glen, Elliott has also worked at Weir High in the Hancock County system. Elliott is single and lives in Hancock County.

Wheeling News-Register

There's a lot more to playing an all-star football game than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley C[®] All-Star Charity Football Classic.

Basically, my job is to make sure all the i's are dotted and s's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

Ensuring that the teams have plenty of supplies, from medical tape to ice packs.

Telling coaches if players injured during the game are healthy enough to return to action.

Deciding whether or not to play, delay or cancel a game because of weather conditions. Last year, for example, the game was delayed 55 minutes because of oppressive humidity.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC[®] for the past 15 years, and he's been working in sports medicine for the past 30 years.

His athletic training career started in the late 1960's when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelors Degree in physical education from The Ohio State University and a Masters Degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

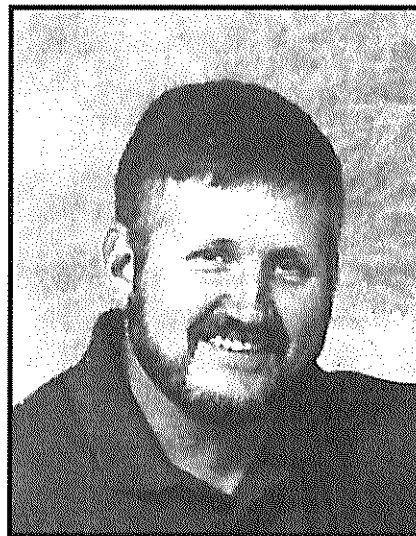

While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that afforded him to work with Woody Hayes and attend the Rose Bowl.

Fullerton worked the summers of 1972 and 1973 in Bradenton, Florida with the Pittsburgh Pirates organization.

While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC[®]." That's why he returned to the Ohio Valley in 1985. Currently he works as a registered nurse in the emergency room at WVU Medical Center. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship and sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Wheeling with his two children - Jaclyn, at WVU - Nursing, and Jake, at Wheeling Central.

Megan Stevens Head Coach - The Linsly School

OVAC® WV cheerleaders seated left to right Devan Miller, Rachel Smalley and Angel Lancaster. Kneeling left to right Kayla George and Addie Schneid. Standing l-r Breanne Schau, coach Megan Stevens and Alyssa Hedrick. Absent from photo Hannah Kreichbaum and Madison Lammers.

Needless to say, the football players involved in this year's Rudy Mumley Ohio Valley Athletic Conference® / Football Charity Classic won't be the only athletes on the field tonight at Wheeling Island Stadium.

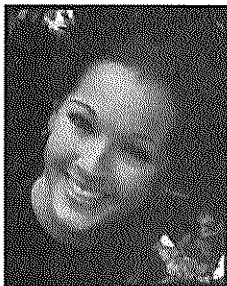

Megan Stevens is serving as the West Virginia All-Star Cheering Coach. For the past three years she has been the coach at The Linsly School. Prior to that, Megan cheered for four years at Weir High and was a track stand-out. She participated in an All-Star cheerleader in this game in 2005. She cheered at Youngstown State University for one year before graduating from Liberty University.

"I feel honored to be coaching in such a great program. The OVAC® is an organization I participated in all through high school and I'm happy to continue and give back. Actually, my Dad coached in this game in 2006."

Megan lives in Wheeling and teaches at the Sikora Montessori school.

2012 OHIO OVAC® ALL★STAR CHEERLEADERS

Kayla Detling Head Coach - Barnesville

OVAC® Ohio cheerleaders seated left to right. Ashley Kindelberger and Tierany Duncan. Kneeling left to right. Dana Bettineschi, Coach Kayla Detling and Kenzie Wright. Standing left to right. Lacey Dobrovich, Taryne Soukup, Nicole Kelley and Brooklyn Phillips. Absent from photo Lindsey Robinson.

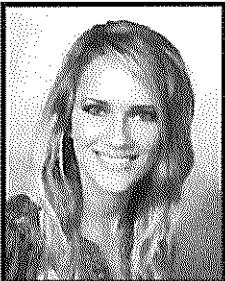

Kayla Detling is serving as the Ohio All-Star Cheering Coach. She has been the cheering coach at Barnesville High School for the past three years after coaching the junior high program for one year. She cheered every year in school since starting in 7th grade.

"I would like to wish good luck to all the players, cheerleaders, band members and queen candidates as well as the coaches for this year's game. In just three years, I have had many good memories from our Barnesville squads. We are involved in a bracket tournament fundraiser and have a lot of fun at practice. I would encourage anyone who thinks they would like to coach to give it a try. Coaching is time consuming, but very rewarding."

Kayla graduated from the OVMC Program of Radiology in 2008 with a Certificate in Radiologic Technology and an Associate Degree in Applied Science from Belmont College in 2009. She lives in Barnesville and is currently employed at Valley View High School in McMechen, WV.

For the Intelligencer

Being part of the Rudy Mumley OVAC® All-Star Charity Football Classic is exciting for the players. Madonna head coach Doug Taylor thinks his coaching staff might be more excited than even the players to get to camp later this month to begin preparations for the 67th annual game, which is slated for Wheeling Island Stadium. "We've got a good bunch of guys, who are really excited for this opportunity," Taylor said. "We're just chomping at the bit to get to work. This is a great opportunity and we're going to give it our best shot." Taylor brought most of his current Blue Dons' staff and plucked a few pieces from other staffs to complete the roster of coaches. "We all get along extremely well and we've got coaches who are great X and O guys, who I really believe will get the most of our kids," Taylor said.

Kneeling left to right Ray Pernell, head coach Doug Taylor and John McClelland. Standing left to right asst. coaches Brad Kessel, Eric Nejus, Jon Kendrick, Zack Moody and Randy Elliott. Absent from photo Asst. coach John Durdines.

Here's a capsule look at the coaches:

DOUG TAYLOR, Madonna - This Blue Dons' head coach has been at the helm of the Madonna program for just one season, finishing 6-5 after reaching the Class A playoffs. The 1978 Oak Glen High School graduate has been a football coach for 23 seasons, including stops at Weir and Oak Glen. He served with the Red Riders from 2000-08, which included a state title which was his first as offensive coordinator. Prior to arriving at Madonna, Taylor was the offensive coordinator with the Weir Riders. During his prep days, Taylor participated in football, wrestling and track. Doug and his wife Mary Anne, who live in Weirton, have two children, Derek (25) and Mallory (19).

JOHN DURDINES, Bishop Donahue - This Bishops' head coach is making his second appearance in the OVAC® All-Star game. He was a member of the West Virginia staff in 2009. Durdines has been in charge of the Bishops' program for 11 years and has been a member of the staff for 13 seasons. During his career, he's been named Mason Dixon Coach of the Year three times and also received a Dapper Dan Award. The Wheeling Park and West Liberty graduate has also spent time coaching wrestling at Bishop Donahue. John and his wife, Michelle, have two daughters Anastasia and Ashley.

JOHN McCLELLAND, Madonna - This Blue Dons' assistant is making his first appearance on the coaching staff of the Blue Dons. McClelland is a 1999 Wellsville graduate, who attended Washington & Jefferson College and Franciscan University. He coached at Madonna, McClelland worked at Wellsville and Weir High. He was a member of the 2005 Weir High staff, which won the Class AA state title. John and his wife, Jessica, reside in Carnegie, Pa.

RAY PERNELL, Madonna - This long-time assistant coach has been with the Blue Dons for just one season. His prior 10 years of football coaching experience came at Weir High. The Weir High graduate was in charge of the Madonna wrestling program from 1980-1991. Ray and his wife, Debbie reside in Weirton and are the parents of two children, Jamie and Justin.

BRAD KESSEL, Madonna - This veteran football coach has made stops at three different area schools, including 11 seasons with the Blue Dons. Prior to joining Taylor's staff, Kessel was an assistant for two seasons at Weir High and then spent three seasons at Indian Creek High School. The Oak Glen High School ('91) and West Virginia University ('95) graduate played basketball and baseball in high school and has since coached baseball, basketball and track. Brad and his wife Amy reside in Weirton and are the parents of two children, Alexa (12) and Braden (7).

JON KENDRICK, Madonna - This veteran Blue Dons' coach has been on the staff for eight seasons. Kendrick helped guide the Blue Dons to the 2009 West Virginia Class A State Championship along with three OVAC® titles and four Mason-Dixon crowns. He also serves as a Blue Dons' track coach. The Madonna High School graduate earned his degree from Robert Morris University and also earned a master's degree from the University of Phoenix.

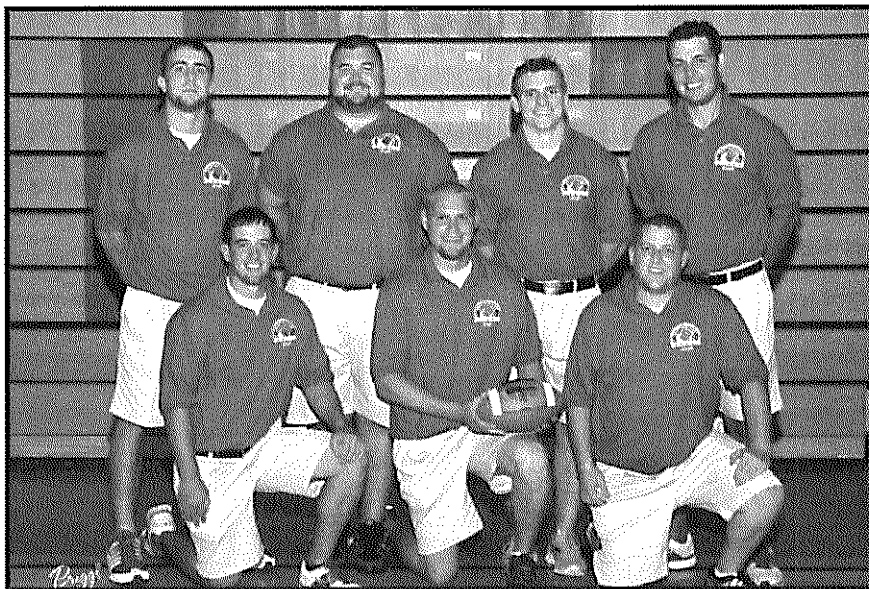

ERIC NEJUS, Madonna - This long-time assistant football coach has been on staffs of two highly successful programs during his career. Prior to coming to Madonna eight years ago, Nejus worked at Beaver Local High School for 14 years. Nejus was a member of the Ohio coaching staff under Dan Wesson in 2004. The South Side Beaver High School graduate graduated from Youngstown State University, after originally attending Geneva College to play football. Eric currently serves as the Blue Dons' head track coach.

l-star game. Schumacher just took over the job this past spring after gaining seven years of assistant coach
ience previously. He worked at Coshocton for six years and then spent last fall with the Rockets' program.
oe Central graduate, who also has coaching experience in baseball, earned his degree from Ohio Univer
sville. Eric resides in Dover.

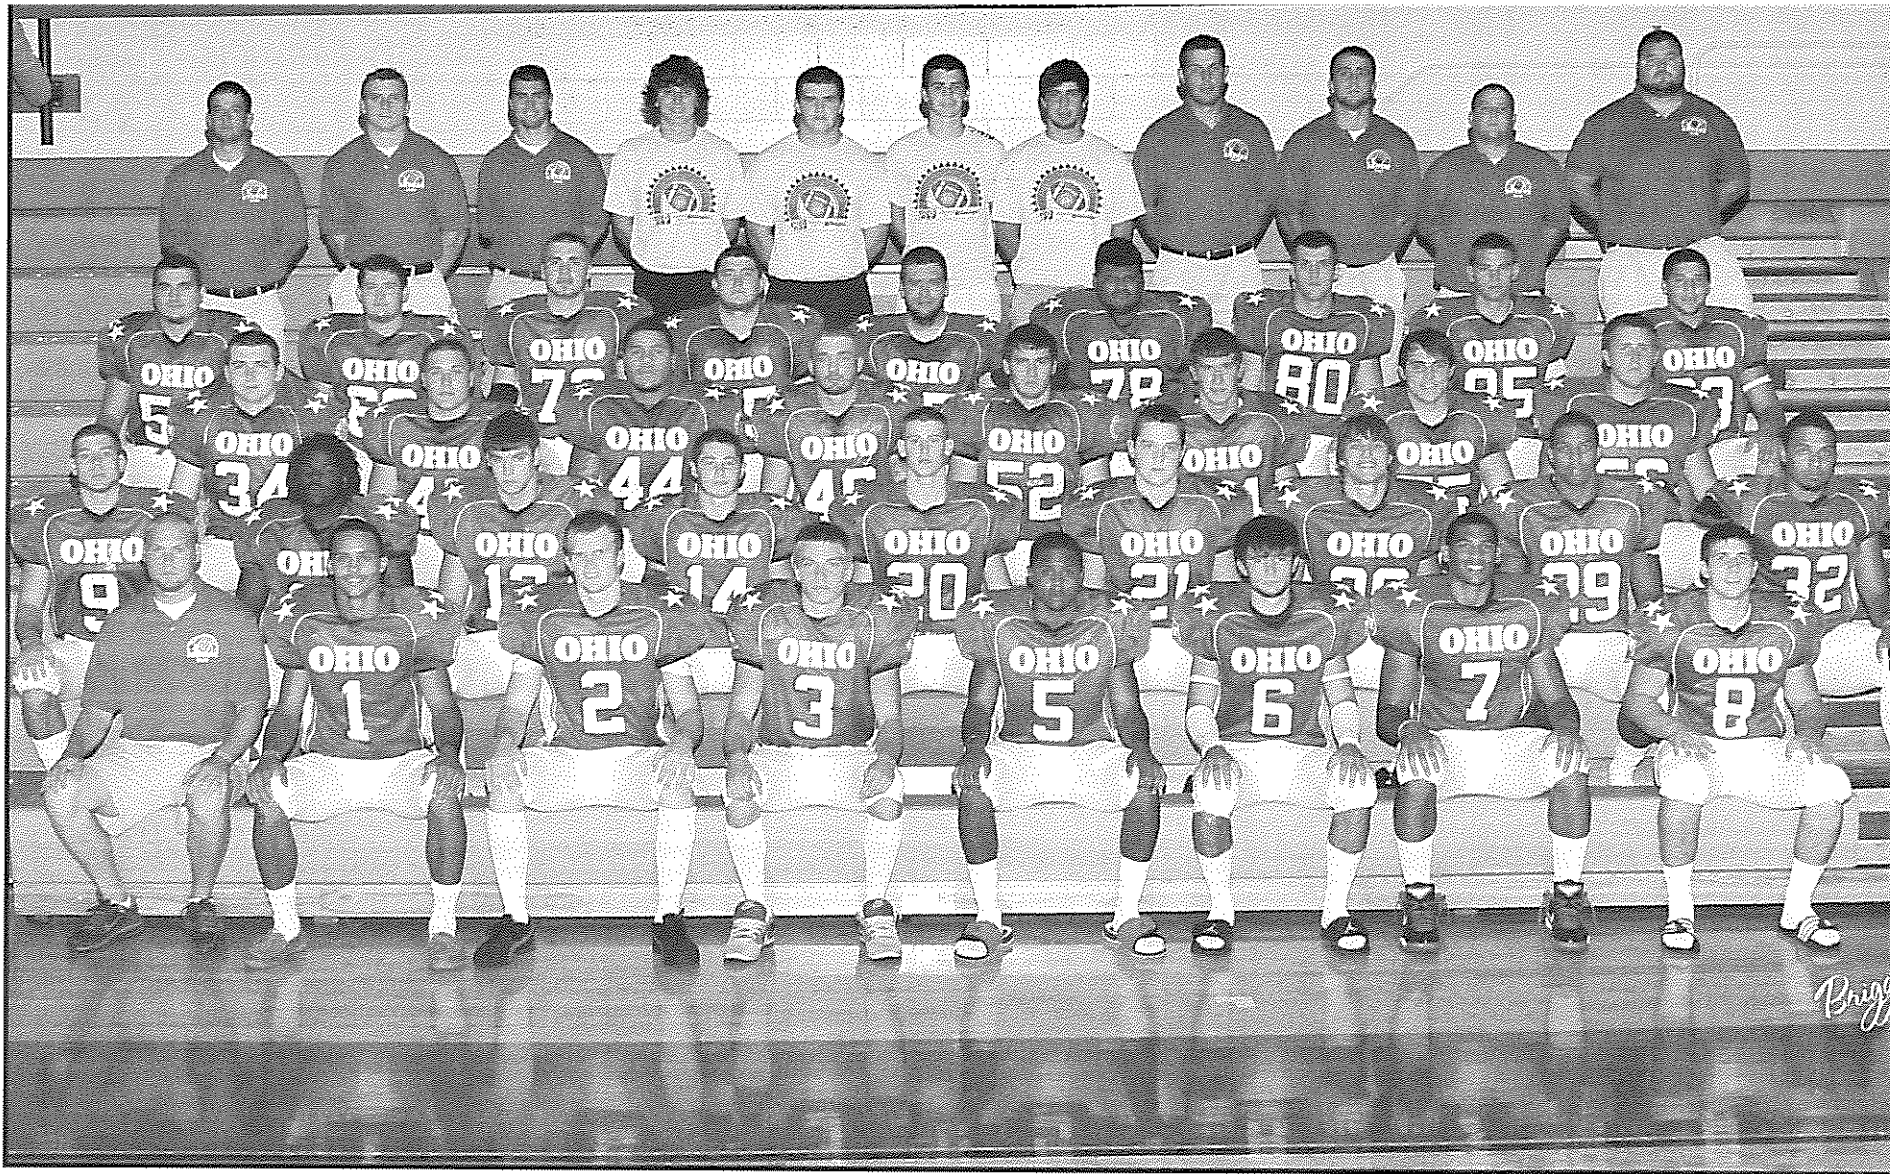

TY CARROTHERS, Conotton Valley - This Rockets' assistant is preparing for his first season on the varsity coach
The Conotton Valley and Kent State University graduate has spent two seasons coaching junior high foot
basketball. Ty resides in Scio.

MATT REES, Conotton Valley - This former Dover High School standout has been a football coach for one seas
was a member of the Rockets' staff a season ago. Rees played college football at Mt. Union. Matt and his
ney are the parents of a son, Rocco, and reside in Dover.

JESSE WELLS, Meadowbrook - This former Shenandoah Zep has been the head coach of the Colts for the p
easons. Wells also serves as the head wrestling coach and athletic director for the Colts. After his prep car
went to Mt. Union where he was a member of two NCAA Division III National Championship teams. After ear
agree, Wells stayed in Alliance as a member of the Purple Raiders' coaching staff and won two more title
will be celebrating his 10-year OVAC® reunion at this year's game. Jesse is engaged to Alaina Houmard.

MICHAEL JORRIS, Monroe Central - This former Seminoles' standout has returned to his alma mater to se
member of the coaching staff. After his playing days, Jorris went to Mt. Union where he played quarterback.
ned to serve under Jay Circosta and has done so for the past five years. Also during his prep days, Jorris wa
out in basketball and baseball.

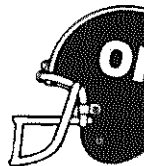

JOSH ISCHY, Monroe Central - This fifth year Seminole assistant coach has agreed to help Coach Schumache
ummer's game. Ichy was a football and track standout in high school and played in this game in 2004 bel
to Mt. Union College where he also played football. Josh lives in Woodsfield.

The 67th Annual Rudy Mumley O.V.A.C. All Star Football Charity Classic

2013 WEST VIRGINIA ALL STAR FC

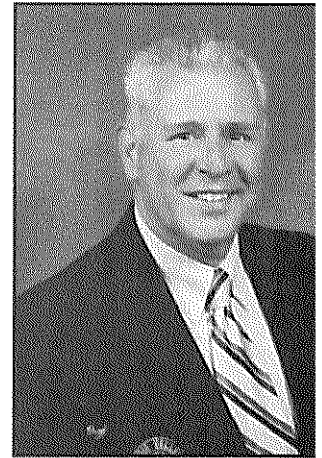

★ HONORARY OFFICIALS

Dave Clutter has been officiating football for the past 38 years. This is the only sport he officiates, dedicating himself to doing an excellent job. He has received many awards, culminating in his being named the National High School Federation Football Official of the Year for West Virginia in 2002. He has worked many state final championship games in both Ohio and West Virginia, as well as this Rudy Mumley OVAC® All-Star Football Charity Classic five times.

Dave mentions, "There have been a lot of exciting and interesting games, but one of the more memorable was a WV play-off game between long-time rivals St. Albans and Nitro won by the Red Dragons 60 – 57 when they nailed a field goal as time expired. I also had the privilege of working the National Championship Game with the Greyhounds when they were in the NIFL. But the game that meant the most to me was the opportunity to work with my Dad on his last game."

Dave's father just happens to be one of the old, fabled officials: Plennie Clutter. Plennie was a character and everyone who knew him had a favorite Plennie Clutter story. He got me started in this business, and it is another thing for which I will always be indebted to him.

Dave graduated from Wheeling High School and West Liberty University. He currently lives in Fairwood with his wife, Sondra. They have two children, Wendy and Chad and have two grandchildren to enjoy, Jayden and Jackson. Dave is retired from Xerox Corporation and works part-time at Kepner General Home. He also serves as the Assistant Football Commissioner for the OVAC®, working with Don Zinni.

DAVE CLUTTER

National Football League Officiating Academy

"The NFL has teamed with East Liverpool High School for the expansion of its officiating academy. Participants, ages 18-25, will learn basic officiating skills, take part in character development sessions, and will be fully prepared to work entry-level officiating positions as part of the ten-week course.

The officiating academy is funded by the NFL and East Liverpool High School and is free for participants. The program is scheduled to begin on June 7 and will run every Thursday through August 9.

Participants will learn about basic penalty enforcement, standard officiating philosophies and movement and coverage during a play. The character development portion will feature role-playing activities that emphasize decisiveness and the ability to resolve conflicts. Participants are instructed by Ohio Valley Athletic Conference Assistant Commissioner, Dave Clutter, and NFL Day Assistants Gregory Allen, Jim Dinkel, Jay Kiger and Jim Sperlazza as the course continues. The ultimate goal is to

game officials working this evening's annual Rudy Mumley * All-Star Football Charity Classic were assigned by Conference All Commissioner Don Zinni. The OVAC* is proud and honored to maintain its long running relationship with the Ohio Valley Board of Approved Football Officials* name Director Bob Koch. "The gentlemen selected for tonight's game are a wealth of knowledge and experience to the playing field and are respected among their peers."

ERIE KEITH BLOOM has been officiating for thirty-four years. Friend George Kelchak talked me into taking the class at West Virginia Northern Community College. I have worked a lot of interesting games. Steubenville Big Red and Youngstown Cardinal Mooney probably aren't on the list, but I thoroughly enjoyed and remember a Martins Ferry - Weirton match-up with two of my favorite players, Nate Jackson of Ferris State and Mike Haire's Jose Davis. I do have the best seat in the house." Ernie currently lives in Weirton and has one son, Keith II. He graduated from West Virginia State University and is now retired. Keith enjoys playing golf in his spare time. He is a four-time president of the West Virginia - Ohio Board of Officials.

UMPIRE CHRIS SCHUBERT has been officiating for thirteen years. He has also worked in the CIFL and the WVAC for the past five years. He also officiates basketball in the OVAC* and has done so for the past five years. "I got started when a friend was taking the class. I was a J. It's been a fast thirteen years and he quit and became a coach!" One of the interesting games I have worked were that CIFL semi-final game at a packed house in Marion, Ohio along with my first WVAC game which was a mud bowl at WV Wesleyan after a down-pour in the first quarter. Players' shoes were coming off and sticking in the mire. For me, it was the fastest eleven weeks of the year."

Chris lives in Lansing with wife, Carrie and their two sons, Matt and Eric. He graduated from Wheeling Park High School and West Liberty University. He is currently employed by Comcast Spotlight. Chris enjoys officiating and spending time with his kids.

ESMAN JOE KOLER has been officiating for thirty-nine years. He will be his fourth OVAC* All-Star game. "Simon Ashbrook talked me into officiating a try many years ago. It was one of the best decisions I have ever made. I have worked many Ohio and West Virginia play-off games, including three WV state championships."

Joe's memorable games include the often-mentioned Nitro-Parkersburg football match-up that featured Nitro's J.R. House. He has fond memories of the 1985 Bellaire win over Steubenville in Nelson Field and the meeting of Bridgeport and Shadyside when both were 9-0 and was a member of Bridgeport.

Joe spent four years in the Air Force with a tour of duty in Viet Nam. He served as a training instructor for the Ohio Valley Board of Officials for the past eight years, and served on their executive board and various committees for many years.

Joe lives in Bethlehem with his wife, Tina. They have been married for 25 years and have three daughters: Carissa, Natalie and Amanda. He graduated from Bridgeport High School and retired as a service manager

and eating out.

LINE JUDGE ERNIE FITHYAN has been officiating for nine years. He has worked several WV state play-off games. "I have too many memories of good games to mention only a few. I would like to thank Jim Sperlazza, Sr. for getting me into this. I have enjoyed it tremendously. This has become my hobby."

Ernie lives in Wellsburg with his wife Teresa. Of their two sons, Ryan lives in Laurel, MD and Eric lives in Wellsburg. He graduated from Steubenville Catholic Central High School and retired from Windsor County. He is now employed by the Brooke County Board of Education.

SIDE JUDGE DON HYNES has been officiating football for thirty-seven years and basketball for thirty years. "I have officiated basketball for thirty-seven years and I thought I would give this a try. Basketball has been good to me with many regional and state tournament appearances."

Don lives in St. Clairsville with his wife, Karen. They have three children: D.J., Dustin and Shayla. He graduated from St. Clairsville High School and West Liberty University. He is currently employed by UPS. He enjoys officiating and golf in his spare time.

FIELD JUDGE BILL FLANAGAN has been officiating for twenty-two years. He has worked several Division I national television games including Wake Forest - Northern Illinois, Marshall - Ohio U and West Michigan - Ohio U as well as NCAA Division II play-off games, but he put his 2006 Rudy Mumley OVAC* All-Star Game appearance right with them, which is why he is looking forward to tonight's game.

"My wife suggested that I give it a try", notes Bill. "That was good advice." He also officiates basketball, baseball and softball. He is retired and spends his time traveling and reading when not officiating.

Bill lives in Wheeling with his wife, Nanette. Their children are Rick and Rylee. "Actually, my number one priority is spending time with my grandchildren and my nieces and nephews - Ben, Lauren, Ciaran, Ryan and Kane. I enjoy going to all the school activities and sports in which they participate."

BACK JUDGE JIM SPERLAZZA, JR. has been officiating for thirty years. This is the second time he has been chosen to do this game, as he did in 2008. While he also referees basketball in the OVAC*, Jim notes it is such a privilege to work OVAC* games on Friday night, NCAA games on Saturday and NFL games on Sundays through out the football season.

"I am following in my Dad's footsteps as he was an OVAC* referee for thirty years. My most memorable game was a 2006 Division I Ohio play-off game between Cleveland Glenville and Mentor at Cleveland Briggs Stadium. A close second is last year's St. Clairsville at Martins Ferry game. Another good one was an Ohio play-off game between Cardinal McDonnell and Poland."

Jim graduated from Brooke High School and Bethany College where he served as a captain of the basketball teams at both institutions. He is currently employed at Jefferson Behavioral Health Systems at the WV State office, and is an Instant Replay Communicator for the NFL every week during the season. "I am serving as an instructor this summer at the Officiating Academy."

Jim lives in Wellsburg and has a son, Cole who is eight years old

"I have a hard time putting into words how much Shannon Grace Sokol means to me. Not only was Shannon my trainer, but she has become my mentor and friend. Shannon helped me with technique, but more importantly brought up my confidence and helped me realize how unique everyone is in their own way. I have had so much fun working with Shannon, I know I can always count on her for help, and will always look up to her! I felt extremely prepared after working with Shannon, and can't imagine how my pageant experience would have been without her!"

Courtney Pizzanelli, Miss Michigan Teen USA 2012*

"If you want to win...work with a winner... Shannon Grace Clark! Shannon is not only a terrific Pageant Consultant, but my friend, and mentor. She led me in the right direction and showed me how to perform my personal best to win! She can do the same for you!"

VenueQuest

meeting & destination specialists

Venuequest is a travel & meeting management agency. We help you find the best hotels for groups & individual travel needs, ensuring you the lowest rates, best locations and most favorable booking terms for your groups. The BEST part? We are an IATAN accredited travel company & our services are provided to our clients Free of Charge!

Three great ways to give us a try today!

1. Incentive Travel for Employee's or Staff- As a top motivator, travel can help increase your employee performance and motivation. It also build camaraderie and loyalty among people, that helps employers retain their best employees. Team Building in the Corporate world is growing daily.

2. Local Sports & Dance, Church, School or Specialized Group Travel- Your volunteer job just got easier with VenueQuest on your team! Let us do the leg work for your event or coordination of travel. You work on the actual work to be done once you arrive! Have that special interest group wanting to go on a new adventure, like cooking in Tuscany for a week? That can be arranged!

3. Plan your own Vacation- You want to get away. Have you begun the search? It can be overwhelming just finding a room! Let us do the research for the best locations and pricing! Have a few families travelling together? You may qualify for special incentives with as little as 12 people travelling!

MEGAN,

Dream what you want to dream; go where you want to go; be what you want to be; because you only have one life and one chance to do all the things you want in life.

We are very proud of all that you have accomplished so far, and know that big things are in store for you.

Love always,

SUICIDE HAS A FACE. DON'T LET IT BE YOURS.

Learn the Signs. Act on the Warnings

Suicide is a predator without boundaries, taking young, old, rich and poor. Taking people just like you or those you love in a wake of needless loss, shattered dreams and paralyzing grief. Don't become its victim. Suicide is preventable, and help is here.

Congratulations Morgantown High School All-Star, Kevin Minehart

Thank you to Head Coach John Bowers, the MHS Coaching Staff, and my teammates:

It was my privilege to play for one of the best high school football programs in the country. I will miss all of you.

Special thank you to Coach Bowers for nominating me for this great event and to Rev. Kevin Cain for all that you do.

Thank you to the Teachers, Administration, and Staff at Morgantown High School for all of our support, patience, and guidance.

Thank you to Bethany College for hosting this week of activities.

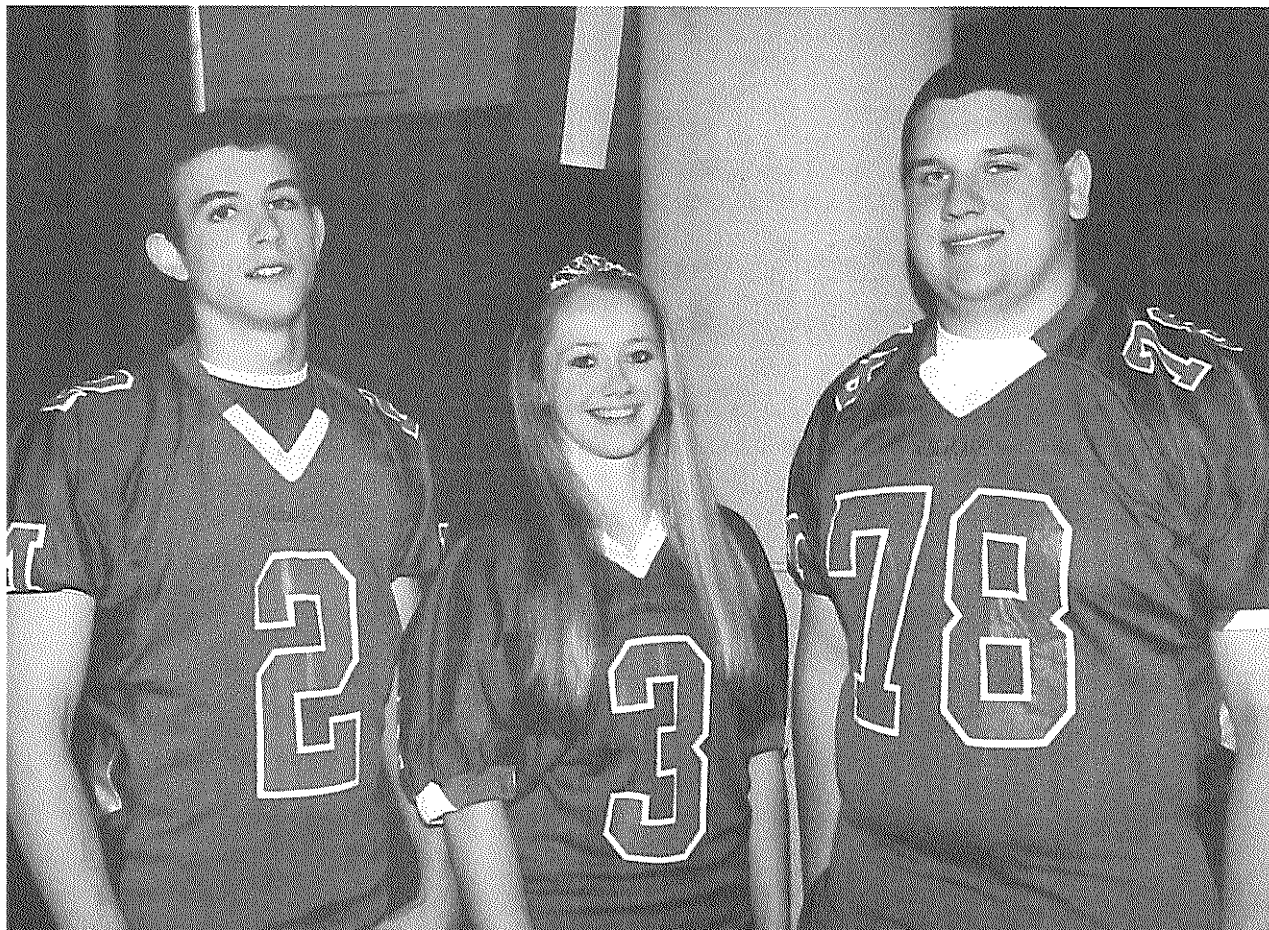

Thank you to the OVAC and all of the sponsors, volunteers, and coaches that make this whole week possible.

— 4/15/12

Asked
Benjamin—
whoops, I mean
"Ben"—what
his plan is if
there's alcohol
at the party.

— 12/22/07

Explained
to Benjamin
that in
our family,
we don't
drink till
we're 21.

— 5/3/02

Told
Benjamin
that only
grown-ups
drink alcohol.

Knowing what to say—and when— can help prevent underage drinking.

Research shows that parents are the number one influence in their children's decisions about alcohol.* To use that influence effectively, our approach to conversations about underage drinking may have to change as our kids grow and mature. Learn more about practical strategies for each parenting stage by downloading our free parent guide.

PLEDGE

★ TO DRINK RESPONSIBLY ★

I PLEDGE TO:

- RESPECT THE LEGAL DRINKING AGE.
- ENJOY RESPONSIBLY AND KNOW WHEN TO SAY WHEN.
- BE OR USE A DESIGNATED DRIVER.

Anheuser-Busch is Celebrating 30 Years of Leadership in Alcohol Responsibility

We brew our beers to be enjoyed responsibly by adults and always have. In 1982, we elevated our efforts by launching our first national responsible drinking campaign, *Know When to Say When*®.

Today, Anheuser-Busch and our family of wholesalers continue our leadership in working with retailers, parents, law enforcement and others to promote alcohol responsibility. Together with you, we are making a difference.

Underage drinking and drunk-driving fatalities have reached record low levels.*

We've made significant progress, but there's more we can do. Take the pledge and join the Nation of Responsible Drinkers.

Taking the Pledge is Easy! Visit Anheuser-Busch on Facebook or go to NationOfResponsibleDrinkers.com

It's the *moment*.

The first thing you notice is the natural beauty. Broad lawns, brick walkways and exquisitely manicured flower beds. An institution rich in tradition, with buildings that have found a place in the National Historic Registry. Then, in that moment, you realize the opportunity. Academic excellence across all programs, competition in modern athletic facilities and a gateway to international travel and study.

At the intersection of beauty and opportunity lies Bethany, a small college of national distinction. We've been preparing captains of business, luminaries of the arts, leaders in law and medicine, and world-renowned authors for more than 170 years.
