# 69th Ohio Valley Athletic Conference® Annual Rudy Mumley All★Star Football Gam ~ 1972-2014 ~

Welcome to the sixty-ninth edition of the Ohio Valley Athletic Conference® Annual Rudy Mumley All-Star Football Game. Assembling on field tonight are many of the best young people in the upper Ohio Valley. As a unique collection of all-star football players, cheerleaders, band members and talented queen candidates. The OVAC® knows of no other assembly of high school talent in the United States.

We hope you enjoy and appreciate the skills on display this evening. It has been a pleasure for me, the coaches, the directors and the rest of the committee to work with these fine young people over the last several years leading up to tonight's event. I would like to thank the parents who raised these fine, young people – it is not an easy task.

Thank you for attending this event. Your support is needed and appreciated to continue and improve this outstanding charity event.

We would like to wish the best to the participants in tonight's activities – they are our future.

***Why Do We Play This Game*** .... Shawn Rine Sports Editor - Wheeling News-Register

Sunday's game is incredibly special not just in the fact that it marks the official beginning of the upcoming season, but it's great to see a group of guys who have grown up as rivals putting on the same uniform in search of a common goal. As you read this those young men are forming what once appeared unlikely friendships and making memories that will stand the test of time.

Sure, there is no playoff berth or conference title for the winner, but this is serious business. The rivalry that exists between Ohio and West Virginia, who are separated only by a bridge over water, is very real.

## On the Cover...

Dr. Robert Jones is being honored this year for his continued involvement in the game since 1984. He has served as the West Virginia Team Doctor for those thirty-one years. He has also taken time each year to come to the first day of football camp and administer physicals for the players.

Dr. Jones was a high school football stand-out in his native Nebraska, where he earned a Division I college football scholarship and played under legendary Cornhusker coach Bob Devaney. He was drafted by the Washington Redskins and later played for the Wheeling Ironmen, which led to his establishing his Wheeling roots. A more detailed biography is located in this program.

Thank you Dr. Jones for all your years of service and support to the OVAC Annual Rudy Mumley All-Star Football Game.

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference® could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. In the end, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took request to school officials and received permission, the game was finally on.

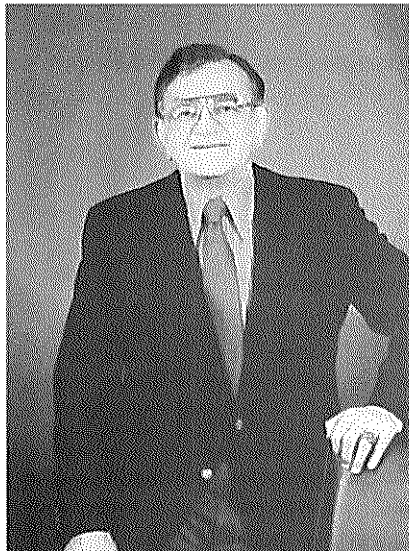

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a little jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

**RUDOLPH "RUDY" MUMLEY

pose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With Stars," was initiated and handled with impeccable care by two other longtime friends, Mike King and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event for the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred spectators. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always ready to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, but he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference®.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 and the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contests. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

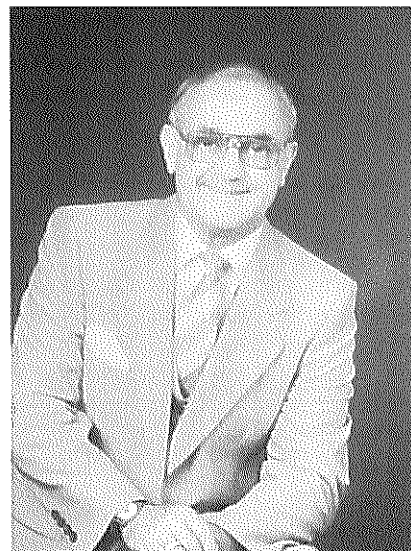

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

**SAMUEL A. MUMLEY**  
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Induction Board was formed to serve as a fund-raising arm of the bi-state league. That board is in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, basketball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate leaders of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet for Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them.

He did so after many discussions among his constituents and his own private soul-searching.

But, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. Different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they packed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

# 28 Years... OVAC<sup>®</sup> All-Star

## Football Classic in Retrospect

### ...and The Tradition Continues

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail ... "The VAC<sup>®</sup> would not gain NCAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an NCAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the NCAA could totally regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All-Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated Official opening of the Ohio Valley's "skins" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC<sup>®</sup>. "The rich athletic heritage of this valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining NCAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the "deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game plan remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media instantly informed. Additionally there were endless committee and board meetings as well as dinner and reception engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC<sup>®</sup> was

very busy in implementing its Title IX Program for Girls. Such female programs were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC<sup>®</sup> on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC<sup>®</sup> that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened .... late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC<sup>®</sup> that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC<sup>®</sup> All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named as The Rudy Mumley OVAC<sup>®</sup> Ohio-West Virginia Charity Football game All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced .... 1,500 players • 3,200 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans .... and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC<sup>®</sup> family, we thank you for allowing us to share .... "Charity and love for our fellow man."

## 1940'' The First All★Star Game

West Virginia's senior All-Star boys today held a 13 to 17 victory over the eastern Ohio team in the maiden football contest played under the new gridiron system at the Island Stadium.

The victory of the mountain state over the Buckeyes, who had trailed from the open start until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly skilled combinations delighted an early crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Howell pass, late in the first period, sent the Buckeyes from midfield to West Virginia 25. Sadlowski, another Ohio back, took a pass that planted him on the nine, from where Sadlowski scored in two plays.

The remainder of the half was defined by a distinct threat on the part of the West Virginia team although the Rowe-Howell combination had advanced to the 55 yard line when the intermission arrived.

The mountaineer sturdy rush line and the equally effective Ohio front line went on fairly even terms into the final quarter before Johnny August, a Shadyside back, was hit hard on his own 19 by Joe Corba, a Follansbee back, who took the white leather for the eventual victory.

Charlie Helinski, Union product, threw a ball of fire at this stage. He picked off tackle to the Ohio 19 and nudged the leather to the five yard line by a too many times out penalty. Helinski picked up a yard and Mike Dimitro punched his way into the end zone. Dimitro cracked the leather for the extra point and the issue was decided.

### Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old shoulder injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the game. His Shadyside backfield mate, Aug despite his costly fumble, was one of the big guns in the Bucks' effort and Niemiec-Hartwig combinations thrilled left the West Virginia fans worried.

Lou Caffaro, recovering from nasal operation, held the sticks for West Virginians but felt the call of battle in his impassive role. Paul Briel Weirton end who handled the kick for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and he was out of bounds.

# 954" All-Star Game - 60 Years Ago

the Ohio-West Virginia all-star football game even today at with six victories for West Virginia following the Mountaineers 13-0.

Saturday night at Wheeling Stadium, the underdog Buckeye team piled up a statistical edge only to be foiled by the great bugaboo of interceptions, fumbles and penalties.

Ohio made the first downs and West Virginia made the touchdowns. The Mountaineers had only nine first downs but bagged two more.

The game was little more than four minutes when before the gold shirted team played paydirt as Wellsburg's Chuck Rine picked the flat pass by southpaw Nick Medves, of Wheeling, and sped down the east sideline - without an Ohio defender in his path. The second touchdown came with only 38 seconds of play remaining in the final quarter on a hard run by Warwood's Jackie Schuetz, started around right end, found his path and, and instinctively cut to his left to clear a route to glory.

Alpha Anastasio, elusive fleet-foot from Wheeling, had set the stage for this TD with his completion of another Medves pass at the WV with the aid of a key block by Warwood's Chuck Howley, one of the truly great runners along the trench for the winners.

Steve Gongola, end from Union, split the line with his placement after the first TD, and a kick after the second six-pointer was blocked by Paul Parker of Jefferson Union.

The interval between the early touchdown and the second, the game was largely dominated by

After the game, Warren Consolidated's Jimmy Vince, who directed the Buckeyes with the aid of Nick Vrotsos said, "Our team played an excellent game and I was proud of them. But we just couldn't come up with the victory."

In spite of rain that fell throughout the day, the game showed up for the twelfth time in the state series. West Virginia was coached by Stone and Charlie Helinski.

From scrimmage, Ohio gained 253 yards for WV. Ohio passes gained 46 yards, though only 5 of 15 were completed. The Mountaineers completed just 1 of 4 aerials for yards. Each side lost 30 yards to penalties.

From net yardage from scrimmage, Ohio gained 260 yards to 129 for the Mountaineers. Ohio lost possession of the pigskin three times on fumbles and four times on interceptions. The Mountaineers gave up the leather on four bobbles but did not have a single pass

intercepted, although Buckeye defenders had their hands on two WV aerials only to drop the ball.

Ohio's tricky wing-T formation proved a puzzle to West Virginia at the outset of the game. With Dillonvale's Tony Casshie doing a beautiful job of ball handling, the Buckeyes ripped off two quick first downs after the opening kickoff.

Eddie Garbark, Wheeling Central toughie, covered Jimmy Johnson, from Steubenville, at the Buck 40. Then Stinson and Don Sutherin, the All-Ohio fullback from Toronto, carved out a first down. But on Ohio's initial trip to the air, Medves threw into the flat and when Rine hauled in the leather there was nothing between him and the goal line but white stripes.

Unfortunately for the Buckeyes, white stripes couldn't stop him.

After the next kickoff, Smith and Stinson alternated to lug the oval on a drive from the Buckeye 19 and the Ohio 42, but a pass by Casshie was deflected from the hands of Richardson and Ohio's Johnson into the hands of New Cumberland's Nick Nardo, who went down on his own 30.

Anastasio found a hole at Ohio's midriff and danced through for 30 yards. Big Ed Groux, WV captain from Warwood, hammered through to the Buck 45, but then Harvey Thomas, end from Steubenville, dumped Anastasio for a two-yard loss. Rich Canestraro, passing ace from Union, hit Ron Grawrych, of Follansbee, for an 18-yard gain, but a holding penalty on the next play - followed by some standout defensive work by Ohio linemen Thomas, Bill Kerr, Wellsville's Spike Carter, Bellaire's Al Vasek and Bobby Howell, and Warren Consolidated's Ed Skocik - forced the Mountaineers into the game's first punt.

Sutherin returned the kick from his 15 to the 24 and in two end sweeps Smith and Stinson brought the leather up to the 36. A penalty for illegal use of hands put the ball on the 21. And on the last play of the opening quarter, Union's Jack Weir and Wheeling's Larry McCabe recovered a fumble on the Ohio 17.

With Groux battering away, WV advanced to a first down on the seven but then Ohio's defense toughened and Sistersville's Ken Mikes and Groux could not advance past the one yard line.

Ohio went on the prowl again and an effective ground game moved the ball to the WV 48. Then Neal Habig, Wheeling Central end, took charge with two straight knifing tackles that cost Ohio yardage. But Casshie passed to Steubenville's Thomas to the WV 33.

With time rapidly running out in the first half, Ohio tried to score quickly via the end lanes. Medves pitched to Thomas for 13 yards and paydirt was only 22 yards away. But the toss by Casshie was intercepted by the alert Nick Rine and WV was out of trouble again.

Early in the third panel the Bucks paraded from their own 33 to the WV 28 before Howley broke through to dump Smith for an eight-yard loss. Then the bucks took to the air unsuccessfully and Sutherin kicked into the end zone.

Three plays later, Steubenville teammate Thomas and Kerr pounced on a fumble at the WV 20 and it looked as Ohio might have a break it needed. Stinson rounded end for five yards but Ohio was charged for clipping when he moved the ball back to the 35.

When interference was called again Anastasio, the Bucks went to the WV 26. Then Smith streaked to the 17 but Richardson a Weir dropped Sutherin for a two-yard loss a Howley and Habig smothered Casshie for an eight-yard loss on a keeper. It was apparent WV's greater depth was paying off. Most of the Ohioans were going both ways while the Mountaineers were platooning. So the WV material was comparatively fresh. On fourth down Sutherin passed to Stinson but the ever-presence made a smashing tackle at the 22 and the Mountaineer took over on downs.

A punt that slithered off Anastasio's feet and went out of bounds on the Ohio 48, just 10 yards from scrimmage, put the Bucks in an excellent position to launch another bid in the final chapter. Almost caught at the line of scrimmage, Sutherin broke away on an end run to WV 34.

Behind the fine block of center Paul Follansbee who played steadily for Ohio on both offense and defense, Stinson sprinted to the 28. Then Sutherin rammed off tackle to the 25 and advanced on the next play. However, the Mountaineers recovered a fumble at the 20 and Ohio's deepest penetration was halted with 6:50 to go.

With 4:20 left, the Bucks regained possession at their own 27, following Sutherin's overhead catch of Anastasio's quick kick. Ohio advanced the ball to the 48 for a first down only two minutes and ten seconds remained.

Consequently, Ohio was almost forced to go to the air again. Two passes by Casshie - one by Medves fell incomplete. Then Anastasio made his interception and the last Buckeye chance vanished.

It took the Mountaineers only two plays to tally from the Ohio 35. Mikes fumbled. Wheeling's Tom Rose recovered in mid-air and progressed to the 17, from where Schuetz scored.

One play after the next kick-off the game ended.

# '1964" All-Star Game - 50 Years Ag

While Ohio compiled a definite statistical edge, it took a break to put the Buckeyes in the scoring column and gave them a 10-0 verdict over underdog West Virginia Saturday night in the valley all-star game, played before some 8,000 fans at Wheeling Stadium.

After Ohio coach Dan McGrew's squad had driven within two yards of paydirt, in the fourth quarter before relinquishing the ball on downs, West Virginia attempted to kick out of danger but a high pass from center sailed away over the head of punter Tom Connell of Warwood, and bounced out of the end zone for an automatic safety. The score came with only 3:49 left in the counter.

The safety was all that kept the game from ending up as the first in the history of an interstate scuffle, originated back in 1940. It also enabled Ohio to claim its first victory in the series since 1960 and thus to win in a 12-9 edge in the series.

Saturday night's affair may not rank as one of the artistic triumphs in the all-star games but the customers saw two well-conditioned teams give it a hard try as they traded tackles, blocks and mistakes under the Island lights.

Ohio lined up 14 first downs to nine for West Virginia. The Buckeyes gained 137 yards rushing and 116 passing for a net of 253, compared to 49 rushing and 49 passing for WV Coach George Strager's charges, whose total offensive net was thus 98 yards.

The winners completed 14 of 26 passes while West Virginia made good on only 5 and had 3 intercepted. But, as McGrew said after the game, "We just couldn't punch over." Ohio missed a touchdown in the first half by three yards and in the second only two while WV's deepest penetration was to the Buckeye 23 early in the game.

Most Valuable Player awards went to Doug DuBois, Union Local halfback who was a mainstay of the Ohio team on both offense and defense, and Wheeling Central's Jay Duffy, two-way standout for the Mountaineers.

DuBois caught four passes for 48 yards and his two interceptions paved the way for Ohio's two most serious TD bids. He also gained 39 yards in six carries and joined a dandy pair of safeties, Brilliant's Frank Popp and Mt. Pleasant's Jim Thompson, to do some rock 'em, sock 'em work in the Buckeye secondary.

McGrew also got fine linebacking from Shadyside's John Livorno and Bellaire's Wayne Peters but the youngster who almost stole the show was a fiery middle guard from Powhatan, John Yarbrough, who was all over the field defensively.

Early in the game a halfback pass by Duffy to Central teammate Denny Deegan was good for 23 yards to the Ohio 23 but the half-pint QB from Warwood, Vince DiBias, was collared for a 15-yard loss by Adena's Jack Bernosky, another Buck defensive standout, and WV eventually relinquished the oval on downs at the 29.

On the running of DuBois and Steubenville's Rick Terry, and a 19-yard gain on a pass from Shadyside's Ed Roman to Powhatan's Andy Wiley, Ohio then marched to the WV 35 before Strager's kids stiffened to take the ball away. The Mountaineers came right back to penetrate to the Buck 36 in the second period and then Connell punted to Terry, who caught the ball at the sidelines and stepped out of bounds at the seven.

The Bucks were back in the hole but Roman got them out of it with a prodigious punt. Getting a bad pass from center and kicking under severe pressure, the Shadyside star boomed a boot that traveled 51 yards from scrimmage to be downed at the WV 35.

Late in the half, Ohio got going, as Roman passed to East Liverpool's Bob Bowyer, for 12 yards, to Wiley for 12 more, and to Ferry's Paul Briggs for 11 but again, with its goal line threatened, WV

proved to be made of stern stuff. The Mountaineers took over at their own 18 w fourth down pass by Roman was incomplete in the end zone.

Central fullback Jerry Cappicci picked up 12 yards but a pass by DiBias intercepted by DuBois at the 35 and turned to the WV 22 with only 23 seconds left in the half. Terry, on a quickie, hit nine. An offside penalty against WV nullified it first and goal to go on the four with seconds remaining.

Two passes by Roman were incomplete. Duffy made a nifty save on the second, and then Barnesville's George Merrill came in at quarterback and ran to the 11 as the half ended, Linsly's Rick Armstrong making the stop for WV.

Neither side threatened in the quarter but in the final canto West Virginia reeled off two first downs and appeared to have the move, only to be thwarted when Duffy intercepted to give Ohio possession on its own 36.

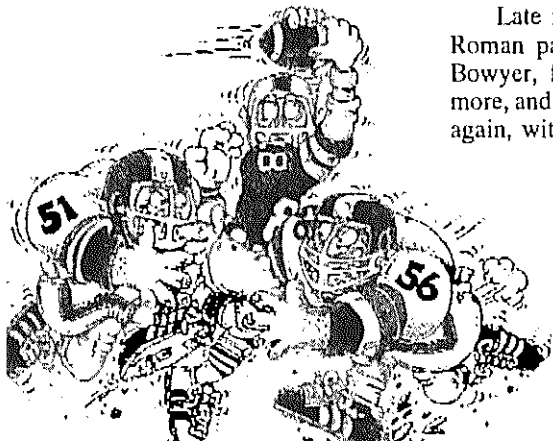

Merrill came in at quarterback and the Bucks got moving, a personal foul penalty against WV taking the ball into Mountaineer territory and Merrill throwing to Deegan for a 15-yard gain that planted the ball on the 25. Merrill hit DuBois with a lateral type pass for a gain to the 11 and the stands whooped it up.

However, Duffy dumped Terry for a two-yard loss and a pass went incomplete. Merrill's flat pass to Terry lost two yards as the Steuber back slipped. On fourth down Merrill surprised by running the ball into the gut and almost got away for a TD but he halted at the two.

WV took over, netted three yards on three tries and then sent Connell back to punt. When the pass from center over his head and out of the end zone was incomplete, WV had its victory margin.

In the late seconds, Ohio got the ball at the WV 26 on Yarbrough's interception of a Deegan pass after Ferry's Frank hit Deegan's arm.

# '974" All-Star Game - 40 Years Ago

Circosta today must feel like the who went to market with a dozen fruit and got a half dozen lemons in

the young Ohio All-Star coach from field saw his Buckeye gridders of West Virginia in nearly every of Saturday night's third annual Charity All-Star game at Wheeling stadium, but it was the Mountaineers who left the unlined field with a 13-6

more than 9,000 fans were on hand for the benefit event played under ideal conditions and very few left because it was all over as Ohio was knocking out West Virginia's door with a chance to win a point and then go for the tie score. However, a fumble thwarted just seconds before time elapsed. "It would have gone for the victory if scored," said a dejected Circosta after the game. "I felt our kids did a good job at those two big plays by West Virginia which was our downfall."

The Ohio coach was talking about an interception and runback by Tim Gompers of Wheeling Central with an intercepted pass in the first quarter and a 66-yard aerial from Magnolia's Bob Wilt to Weir's Frank Jeter in the third stanza.

With the exception of those two plays, the pass theft by Gompers and recovery of two Buckeye bobbles, Ohio commanded the action.

The Buckeyes controlled the ball for 15 minutes to 37 for West Virginia. They gained 246 yards to 143 for the Mountaineers. The Mountaineers had a 19-5 advantage in first downs. No wonder Circosta felt like the farmer who changed the field.

Their scoring pass play was a beauty, quickly executed, but we have no record of the pass interception and runback in the first touchdown," said Circosta. That particular play developed after a drive which carried to the end zone before John Kuzio of Oak Glen made a fumble which was covered by the hasty of John Marshall at the 44. West Virginia got the ball back at its 35-yard line. Minutes later and headed for its tying score. DeCarlantonio got 12 and clipping penalty following a West

Virginia punt, moved for three straight first downs, the first on a 13-yard pass play from quarterback Gary Moscato of Buckeye South to end Lamar Loveday from Woodsfield. Big Mike Goudy of Martins Ferry had a ten-yard pickup, which gave the Buckeyes a first down at the Mountaineers' 24. Goudy picked up three and Moscato two on a rollout, but Moscato's third down pass was picked off by Gompers at the WV 12. He eluded several tacklers and headed for the sidelines. Several Ohio defenders appeared to have him stopped near midfield, but he shook loose, cut to the middle of the field and shot for paydirt. Linebacker Larry Kettlewell broke through to block the extra point placement by Warwood's Bill McKenzie, but the Mountaineer's owned a 6-0 lead with 3:21 left in the initial frame.

Reno DeCarlantonio, the "Italian Stallion" from Steubenville Central, returned the ensuing kickoff from his 10 to the 42 and the Buckeyes initiated Steve Magyar of Shadyside garnered 13 on successive runs. With third and five at the Mountaineers' 35, Dave Ault of Woodsfield, who took over the quarterback duties for Ohio, teamed with Redskin teammate Loveday for a 33-yard pass gain to the WV 2. Loveday went up between two Mountaineer defenders to snag the pass in what had to be the play of the game. On second down, Cesta cracked over from the two for the touchdown, but kicker Paul Marchese of Bellaire saw his placement try for the go-ahead point go low and left the count at 6-6 with 7:09 left in the half.

West Virginia, coached by Cameron's Jim Yoho, retaliated with a game-winning score in a hurry. Wilt and Magnolia teammate Harold Wetzel teamed up for a pass gain of five and 11 yards and Cameron's Jim Carey got loose for 11 yards on a quick-opener. Greg Ketchum of Wellsville and Vernon Fabry of Bellaire teamed up to spill Wilt for an 11-yard loss, but the 6 ft. 2, 195 quarterback, who's going to Marshall connected with the flashy Jeter on a fly pattern. Jeter took the ball near the Ohio 25 and there was no catching him as he sped to the end zone all alone. The play covered 66 yards and McKenzie booted a

floater through the uprights to make it 16-6 with 4:26 left in the half.

Midway in the third canto, Ohio moved from its 35 to the West Virginia 2 thanks to a 15-yard personal foul penalty on WV, but a 45-yard field goal by Marchese was short and to the side.

Ohio again had good field position following a punt, taking over at its 48 and moving to a couple of first downs behind the running of DiCarlantonio on Cesta to the Mountaineer 28. After DiCarlantonio got two and Magyar four, Moscato, who had replaced the injured Ault, rolled to the right and fired a pass which was picked off by Moscato just inside the stripe to end another Buckeye bid.

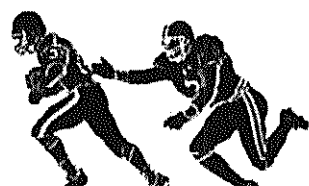

A couple of fine runs by DiCarlantonio, who nearly broke free both times, helped Ohio advance to the WV 10 early in the fourth quarter, but Wheeling Central's Steve Wojcik made a stop on fourth down to regain the ball for the Mountaineers.

Ohio had one more last shot beginning near the midway point of the first canto. Starting at its 40 following another short WV punt, the Buckeyes, with Cesta and DiCarlantonio running beautiful, moved to the Mountaineers' 20. With time running out, Moscato hit Loveday with a 13-yard pass gain to the seven with a little more than a minute left. West Virginia stacked DiCarlantonio for no gain before Cesta went wide left where he was hit by Gompers. The ball was jarred loose and Henderson covered at the 10. Time ran out before the ball could be put in play.

Ohio had 222 yards rushing, 59 yards passing, and lost 35 for its 346 net. The Buckeyes clicked on three of nine aerials and had two swiped, lost both their fumbles and 20 yards in penalties.

West Virginia's ground game was limited to 50 yards. The winners added 106 more as Wilt clicked on 8 of 15 passes and they lost 13 for their net of 143. WV covered its only fumble and lost 70 yards by penalty.

W. VA. 13 - OHIO 6

# '1984" All-Star Game - 30 Years Ago

While Ohio's defensive unit held down the fort for three frames, its talented offensive unit caught fire in the fourth frame to seal a 22-6 win over West Virginia in the 13th annual OVAC rarity All-Star game at Wheeling Stadium Saturday night.

Under the guidance of Barnesville head coach Bill Dowler and before one of the smallest crowds in the game's history, the Buckeyes boosted their record over West Virginia to 7-6 since the assumption of the summer classic in 1972 and an overall series lead of 21-11.

Dowler, who had the fortune of coaching two of the most explosive quarterbacks in the area last season to lead his squad, noted he was surprised the West Virginians controlled the ball as much as they did in the first half. "I thought for sure we would be the ones to take charge. But they caught us flat-footed in the quarter with their passes and it took us a while before we turned things around."

Dowler expressed his pleasure in coaching his quarterbacking tandem of St. Clairsville's Joe Vincent and Mingo's Doug Karas, "I wouldn't be afraid to go the whole game with either of these guys."

The Ohioans were shocked in the opening minutes of the contest as Vincent's 25-yard opening kickoff return turned into a fumble that was covered by Linsly's Pat Burke at the Ohio 30 and later turned into West Virginia's early touchdown.

Linsly's Brad Wilson opened the Mountaineer drive with a four-yard pass to Wheeling Park's Tom O'Connell. Linsly's Jeff Crowell and Wheeling Central's Keith Yoho added runs of three and four yards to set up Wilson's 33-yard scoring pass to Sistersville's Jeff Evans over the middle with just under three minutes gone in the first game. Weir's Monte Summers place-

ment for the extra point went wide.

The hosts stymied the ensuing Ohio drive and behind Wilson's passes to O'Connell and Yoho and the running of Crowell drove from their 22 to the Ohio 34 before giving way to the tough Ohio defense.

Again in the second frame, West Virginia put together a serious drive moving the ball from its 23 to the Ohio 46 on a solid running attack, but was forced to punt and promptly put Ohio deep in its territory at the 18.

Jefferson Union's Bob Robinson and Cadiz's L. B. Brooks carried the Ohioans to the 27, Karas added three to the 30 before teaming up with Buckeye North's outstanding pass-catching end, Gary Tipton, on a sparkling 36-yard completion at the Mountaineer 34. Tipton fought off two defenders to make the catch.

Brooks carried twice for 14 yards and Karas threw 14 yards to Robinson to set up Robinson's sweep around left end for the first Ohio score at the 1:42 mark of the second quarter. Karas booted the placement.

Ohio put together a grinding running attack in the second half as Buckeye South's powerful fullback, Jay Koprak, broke loose on some big third frame carries to ignite the Buckeye offense.

In the final frame, Ohio's defensive unit that had carried the Buckeyes throughout the contest came up with the big play as Steubenville's Mike Mayo picked off a pass thrown by Sistersville's Matt Archer at the WV 23 and rambled untouched to paydirt. At the 5:22 mark in the final quarter, Karas booted another extra point.

Moments later, Buckeye Trail's Dan Starr intercepted another West Virginia pass at the midfield stripe and the Ohioans put together their final scoring drive. The running of Brooks, Koprak and Robinson pushed the Buckeyes to the

end zone for the score with just 1:10 in the contest. Brooks swept right for the two-pointer.

Ohio held a 234-159 edge in yardage. The winners rushed for 100 yards and added 50 yards through the air while the losers garnered just 70 rushing yards and added 86 passing yards.

Ohio passers completed just 10 of seven passes, but the West Virginia defense with three different passers put ball in the air connected on 11 passes.

The winners held a 13-10 first down edge, were penalized twice for holding, ran 52 plays and lost one fumble. Tipton punted for four punts for a 37-yard average.

West Virginia was set back by two infractions, fumbled just once and ran 57 plays. Bishop D. Troy Balgo punted twice for a 40-yard average.

Koprak was the game's top rusher with 53 yards on 11 carries while Brooks finished with 51 yards on just seven rushes. Crowell paced the Mountaineers rushers with 31 yards on 10 chances.

Defensively, Barnesville's Steve Sawvel, St. Clairsville's C. J. Gross and Wintersville's Cecil Fletcher were standouts. Fletcher, a big defensive end and Gross and Sawvel, a pair of hitting linebackers, recorded numerous tackles as well as disrupting the West Virginia passing attack in the second half.

fter stopping a lengthy game open- ssession by the West Virginians, ook advantage of a strange string nts to put the ball in the end zone

The Buckeyes went to the air on their first play with Steubenville Central's Mike Orlando connecting on a 34-yard aerial to Bellaire's Scott Coyne from their 20 to the Mountaineer 46. Two QB sacks by West Virginia and an Ohio penalty pushed Ohio back to their 36 and Roby's 17-yard gainer only set the stage for the Buckeye's first punt.

Ohio's punt by Ryan Bodo of Indian Creek resulted in a West Virginia fumble that was covered by Union Local's Justin Abel for the Buckeyes at the hosts 18. Orlando connected for eight yards to Martins Ferry's Chad Martin and Roby then went off right tackle for the first ten yards to give the Ohio stars a 6-0 lead at 1:59 of the first quarter. Josh Eell's PAT try was wide.

A bad snap on the field goal attempt by West Virginia and back-to-back QB snaps totaling 18 yards by Ohio's Ben Knapp of Cambridge and Rich Thell of St. Clairsville provided the punch for the second Buckeye score.

Taking over on its 36 at the 3:33 mark of the second frame, Ohio opened with a 19-yard gainer by Roby and added five on an Orlando to Martin pass. Orlando added another yard before Scott Coyne took a handoff from Bodo and on a fake punt and picked up five yards for a key first down. Roby ran for five yards, Orlando passed to Martin for nine and threw to Edison's Kevin Koontz for 19.

With just 58 seconds left in the first half, Roby drove over the goal line for his second score. Martin added the two-point conversion on an end-around to stretch the Ohio lead to 14-0.

In the second half, West Virginia struck quickly, with the help of Jason Marling's fumble recovery at the Ohio 35 on the opening kickoff. Miller picked up a yard to the 34, but an Ohio pass interference penalty moved the West Virginians to the 10. Two carries by Miller added 11 yards and one by John Marshall's Larry Bunting added one.

Steubenville's Bobby Lamantia sacked West Virginia's Jeff Hunt, but Hunt came right back with a 10-yard

pass to Oak Glen's Charlie Licata to five. Miller swept the right side and scored his first of three six-pointers the 7:48 mark. Bunting booted the PAT.

From the Ohio 24, Orlando passed to Martin at the 34, but the Buckeye receiver coughed up the ball at the end and West Virginia's Robert Brown Valley grabbed the loose ball.

Miller went to the middle for one yard, Wheeling Central's Bill Is passed to Licata for nine yards to the end and the elusive Miller then broke through a huge hole on the left side and rambled to the end zone for his second score. A muffed PAT attempt left the Ohio lead at 14-13 with 8:05 on the board.

A series of critical miscues namely two personal foul infractions by Ohioans, allowed the West Virginians an opportunity to score the event game winner.

With 6:43 on the board, the Mountaineers took possession on the Ohio end and went to Miller. His running on a costly 15-yard penalty by Ohio pushed the ball to the three. Miller blasted the ball to the middle for the score with 3:08 on the clock. With a 19-14 lead, West Virginia was unable to add the PAT.

Ohio's last ditch effort in the final minutes was thwarted by a West Virginia pass interception by Paden Cline and Jeff Starcher.

Ohio finished with 78 yards on ground while adding 161 in the air as 22 passes clicked. The Buckeye managed just seven first downs while losing all three fumbles and giving up to six penalties totaling 60 yards. Rolled the Buckeye rushes with 56 yards and seven carries.

West Virginia finished with 129 yards rushing, with Miller picking up 129 on 23 carries, and 22 in the air on three of 13 passes hit the mark. The winners had 20 first downs, lost their only fumble and were penalized 11 times for 21 yards.

## W. VIRGINIA - 19 - OHIO - 1

# '2004" All-Star Game - 10 Years Ago

## 2004 10 Years Ago

The West Virginia All-Stars scored two first quarter touchdowns for a 14-0 lead and then tacked on 9 points in the third period to defeat the Ohio All-Stars 21-7 in the 2004 edition of the Rudy Mumley OVAC All-Star Classic at Wheeling Island Stadium. This wiped a nine year losing streak for West Virginia, the previous victory having come in 1994 when W.Va. posted a 19-14 decision.

"This game has been close three of the last four years, but we needed a win after those nine losses in a row," said retiring West Virginia coach John Brender of Tyler Consolidated.

West Virginia got on the scoreboard after 4:33 had elapsed in the contest, as the defense forced a three-and-out on Ohio's first possession.

West Virginia went 62 yards on eight plays, all on the ground, with Wheeling Central's Marshall O'Brien leading the drive from the five yard line. O'Brien shared the ball carrying duties with Linsly's Mark Plumby and Weirton's Guidi of Weirton Madonna.

The extra point attempt was blocked, putting West Virginia ahead 7-0.

Two minutes and 58 seconds later, West Virginia was on the scoreboard again when linebacker Michael Wells of Tyler Consolidated picked off a

Keith Selock thrown pass and raced thirty yards for a touchdown with 4:29 remaining in the first period. A run for the extra point failed.

It was a 67-yard aerial from Wheeling Park's Brad Kouski to Weir High's all-stater Eric Turner which put West Virginia ahead by 19-0, after a PAT by Kyle Ackerman of Wheeling Park. The touchdown came with only 1:41 elapsed after intermission.

As it turned out, Turner's catch was simply a seven yard pattern on a 3rd and 12, which he caught at the 40-yard line, and spun away from the Ohio defenders and raced up the sidelines for a TD.

West Virginia's scoring ended in the third period when a punt snapped over the head of Cody Miley of Shenandoah and he knocked the ball out of the back of the end zone for a safety, giving the Mountaineers a 21-0 lead.

Ohio got on the scoreboard with its final possession as Martins Ferry's Trevor Bruney went in from a yard out with 5:21 remaining in the contest. The TD was set-up by a Shelock to Miley aerial which was good for 45 yards. Jeff Dalrymple of Beaver Local kicked the extra point.

During the final 5:21, West Virginia was able to kill the clock with three

first downs, the last of which came on a 4th and 2 at their own 47, as O'Brien went up the middle, racing 47 yards to the six-yard line before being tripped up by Nathan Hecox of Shenandoah.

Kouski took the knee twice as the clock ran out.

West Virginia gained 162 yards on the ground with O'Brien leading the charge with 93, while Guidi picked up 32 and Plumby 27. West Virginia went to the air only three times, connecting on two for a total of 45 yards.

Nate Hubbard of Steubenville was the game's leading rusher with 107 yards on 22 carries, overall while the Buckeyes had 112 yards. In the passing department, Ohio connected on four of fifteen attempts for 66 yards.

There were only 17 first downs with W.Va. moving the chains nine times, while Ohio had eight first downs. There were a total of 8 penalties for 72 yards, and each team had one fumble which they each recovered their own.

# ~ A Tribute to George Strager ~

olumn by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2003)

h another high school football season set to get underway, I thought this might be a good time on the career of the late George Strager.

Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own e amassed a total of 246 victories during a career that spanned nearly four decades.

aps, I should point out that there's no telling how many more games Strager's teams would had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines. ing his entire coaching career, if the score was tied at the end of the fourth quarter everybody ne, satisfied or not.

ger's offensive genius was considered ahead of his era and he certainly could have figured y for his teams to win at least half of those stalemated contests in overtime. His overall record 6 wins, 115 losses and 16 ties.

cked Coach Strager as the subject for this column not just because of the success he experi-coaching. The love and dedication that he gave the couple of thousand kids he coached af-ost of their lives in a positive way.

, George was hard to play for and tough as nails on the field. His pre-game and half-time talks ed with fire, especially when he didn't think his team was performing up to his expectations. as hilariously funny at times around his coaches and players.

ay's younger coaches could have learned a lot about football and how to get the maximum out layers had they had the opportunity to learn from this coaching giant.

s past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer, a g Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

I spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coa irsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red De

wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibilities if my confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at le.

: was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realized tl was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away in 197 did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well." Young addi finitely was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the offe ic. Young talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were vc : during that time to have had many quality athletes at St. Clairsville," Young also said.

: most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the N otball League and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came hen the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had som that did not get a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never ma e post-season.

Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were one st state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out Strager is probably the only person to have coached three different Ohio Valley teams to undefeated seasons. His 1953 Sistrerville Tig 0-1 and won the state championship with a 27-12 victory over Romney.

963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic a 'backfield" in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 10-0 l 10-0 in 1985.

tainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered Geoi r's Coach" because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches a ys had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams wu n to watch and cover. They never seemed out of a game because of his offense's ability to strike from any place on the field. "Soi re born to do certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

ig certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks a e turned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and mo into something special.

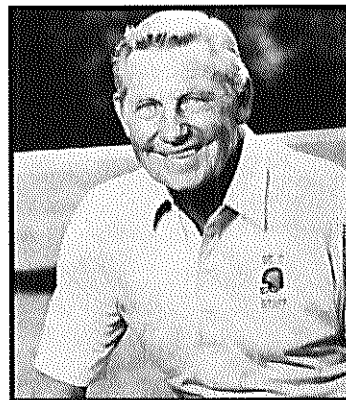

) Kettlewell, the late successful coach in Wintersville (now Indian Creek High School) regarded Strager as being a good a quarterba he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. If Geoi one who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic was a young writer and both Strager and the late Bob Roe, then the head coach of Wheeling High School, took me under their wing. iger was never known for paying much attention to the defensive side of football, although I'm sure that was exaggerated.

) recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opener agai g High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach d over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with t he hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

er the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville came ( ed the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of today's athletes will continue to be noti

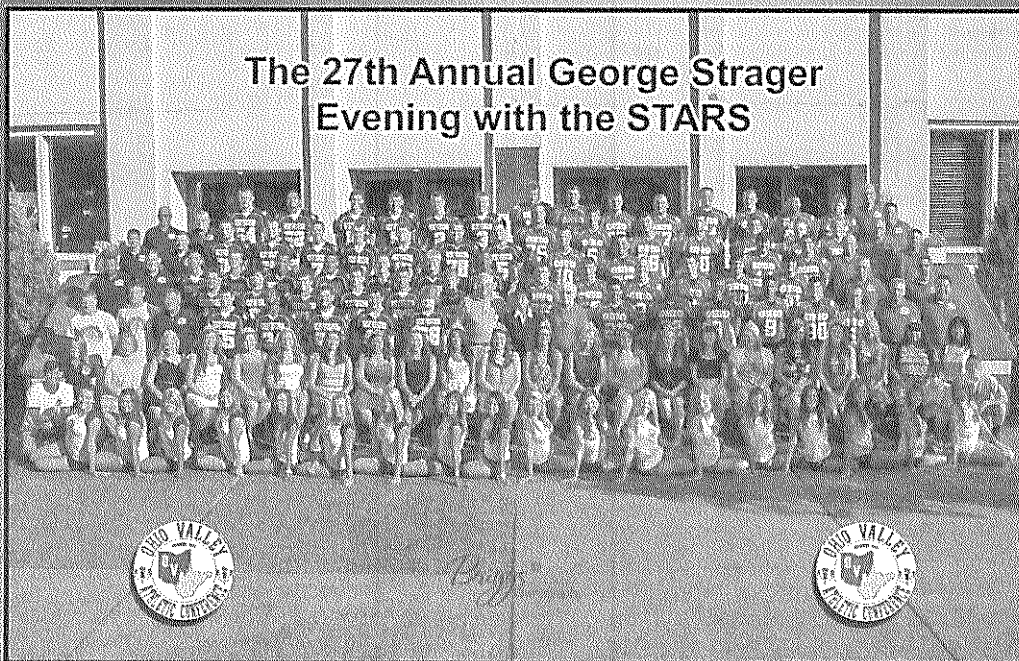

ce Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Players co the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening with t aner.

Dr. Robert Jones is a native of Scribner, Nebraska where he attended West Point High School as a multi-sport athlete in football, basketball, track and baseball. After an outstanding high school football career, he received a scholarship to the University of Nebraska where he played for the great college coach, Bob Devaney.

After college, he was selected by the Washington Redskins to start his professional career. He spent a year with the team on the practice squad. From the Redskins, Jones went to the Wheeling Ironmen where he played from 1964 to 1967.

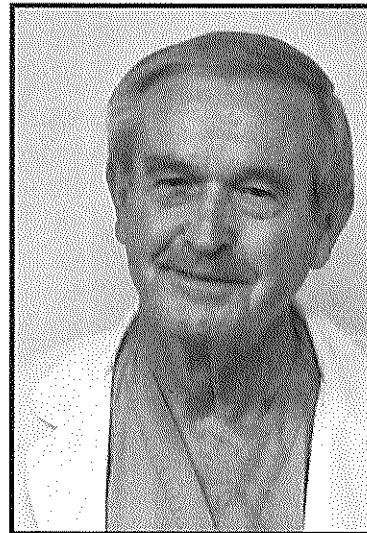

While playing and teaching in the Ohio Valley, he started medical school at West Virginia University. He graduated from medical school in 1972, graduating third in his class. After surgical residency and fellowships from 1972 to 1979, he came to Wheeling and started his practice where he continues to treat patients to this day. Jones is one of the prominent surgeons in the Ohio Valley and is licensed in Ohio and West Virginia.

He and his wife Rita live in Wheeling and have six children.

Dr. Jones has been involved with the game since 1984. Dr. Luis Vasquez was the Ohio team doctor who invited him to become the West Virginia team doctor. He has as a simple self-diagnosis to explain his affliction for football. "The game is my blood and I know of no antibiotic, pill or shot that can get it out of my system. I got involved because of the game of football. The appeal is the game itself ... it doesn't matter what aspect it is."

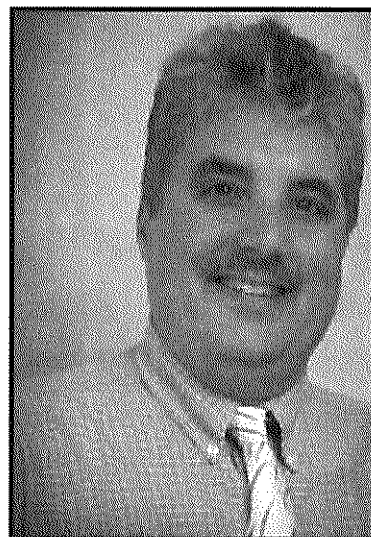

Many of the games he has seen and worked were good. But one – the 1987 Classic – stands out because of the luminous stars that who played in the contest. Ohio – featuring St. Clairsville's Shawn Vincent and John Spencer - defeated the Alex Shook led West Virginia team 13-11 in the game played at Steubenville because of the renovations to Wheeling Island Stadium.

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. He says he learned discipline – a necessary component in any surgeon's mental make-up – by playing football all his life. "The discipline of football pushed me to be into the medical field and to be a surgeon," Jones said.

**DR. ROBERT JONES**

## TRAINER - JASON COLEMAN

Jason Coleman is a trainer at West Liberty University. As a Wheeling native and graduated from Wheeling Central Catholic High School in June of 2005.

He attended West Virginia University and earned a Bachelor of Science degree in Physical Education and Athletic Training. During his time as an athletic training student at WVU, he gained a wealth of knowledge in both the classroom and the clinic in a variety of sports assignments. This included assisting with in-season spring football, men's soccer, swimming and diving, rowing and spending senior year working with the 2009-10 men's basketball team which captured its first Big East Championship in school history and won the East Regional in the NCAA Basketball tournament enroute to a Final Four appearance. In addition, he has worked lacrosse and field hockey camps at the University of Virginia.

JASON COLEMAN

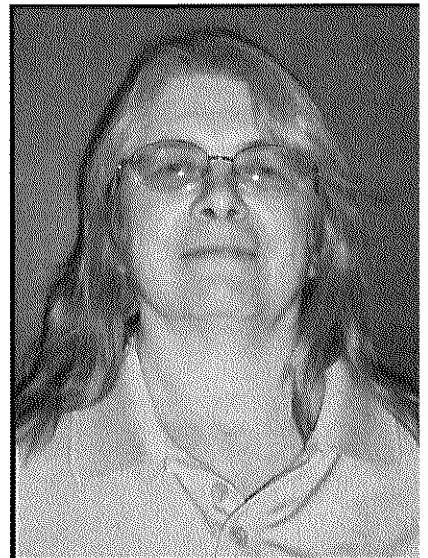

He also currently volunteers at the Healthworks Rehab and Fitness Center in Morgantown. He received his certification as Athletic Trainer in July 2010.

## TRAINER - MELANIE CHEEK

Melanie Cheek is a certified athletic trainer with a MS degree from Bloomsburg University.

She is currently working part time as a trainer at West Liberty University.

She will be serving as the Trainer for the Ohio squad in this year's All-Star game.

JOEDY McCREADY  
Wheeling News-Register

There's a lot more to playing an all-star football game than X's and O's. For proof, ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Umley OVAC® All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.

- Telling coaches if players injured during the game are healthy enough to return to action.

- Deciding whether or not to play, delay or cancel a game because of weather conditions.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC® for the past 30 years, and he's been working in sports medicine for the past 45 years.

His athletic training career started in the late 1960's when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first experience at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

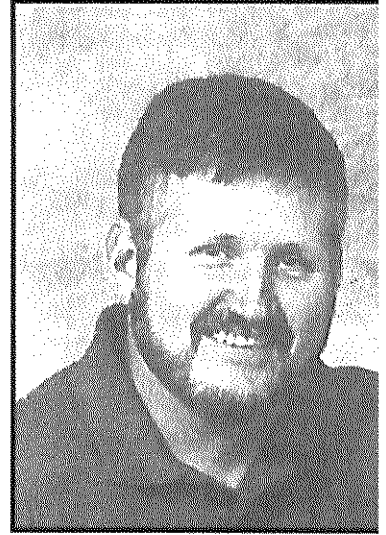

Fullerton holds a Bachelor's Degree in physical education from The Ohio State University and a Masters Degree in physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the football team while at Ohio State, where he was an athletic trainer for the Buckeye football team, a position that allowed him to work with the coaches and attend the Rose Bowl.

Fullerton worked the summers of 1972 and 1973 in Bradenton, Florida with the Pittsburgh Pirates organization.

While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC®." That's why he returned to the Ohio Valley in 1987. He currently works as a registered nurse at MedExpress in Elm Grove. "People like (Van Horne, Simpson and the late Sam M. M. M.) are very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellow feeling, and sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Triadelphia and is the proud father of two adult children - Jaclyn who will graduate from WVU this August, and Kevin, who will be entering his junior year at WVU.

## TRAINER - HERB MINCH

SETH STASKEY  
News Leader Sports Editor

Through the course of tonight's game and the week leading up to the game, there will be bumps and bruises suffered by the players on both teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty State College. Minch has been involved with the OVAC® All-Star Game since 1987, 20 years after his graduation from Wheeling Park High School. Minch was studying health and physical education at West Liberty when he was approached to be a trainer for the game and eventually went on to earn his masters of science in physical education and athletic training in 1990 from West Virginia University.

Herb got started into training during his years at Park under Tim McCormick and just took it from there. "I got a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help out the athletes."

Minch didn't expect to be involved with the OVAC® Game as often as he has been when he was first approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." Don't expect him to be getting out anytime soon. "I think it's obviously a great tradition," Minch said. "It's quite an honor to be a part of it and as long as they want me involved, I continue to do it. It's been a great experience."

**Michelle Kuczynski Head Coach - Madonna High School**

*OVAC® WV cheerleaders*

Needless to say, the football players involved in this year's Ohio Valley Athletic Conference® Rudy Mumley All-Star game won't be the only athletes on the field tonight at Wheeling Island Stadium.

**Michelle Kuczynski** is the West Virginia Cheer Coach for the 2014 edition of the OVAC Rudy Mumley All-Star Football game. She is the cheer coach at Madonna High School. She has worked with their cheerleaders for the past six years, and has been the Head Coach for the last two years. In 2009, her squad won the Class A, Region I competition before advancing to the state competition in Charleston, where they placed fourth.

"It has been exciting at Madonna for the past few years. I have to thank the parents for all their support, and give a shout out to the 2013 Blue Don Football Team who were State Champs. I would also like to thank Joey Takacs. Sometimes I think they don't get enough credit for all they do for the kids in our area."

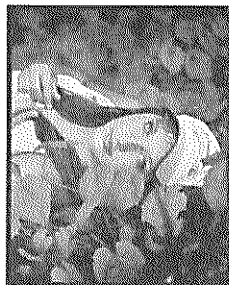

Michelle is a Madonna High and West Liberty University graduate. She cheered at West Liberty and was on the dance team at Wheeling Smash. She lives in Weirton and works for the Jefferson County Department of Job and Family Services, where she investigates child abuse cases.

# Best of Luck to the West Virginia 2014 OVAC® ALL★STAR COACHES Head Coach - B.J. Depew

★  
WEST  
VIRGINIA  
★

BY SETH STASKEY  
Times Leader Sports Editor

As it pertains to their coaching careers, the Linsly staff is relatively young. When talking about their experiences involving the annual Rudy Mumley OVAC All-Star Game, they're seasoned veterans. It's as a player, coach or both, the West Virginia staff should know exactly what to expect. "Our staff is really looking forward to it," West Virginia and Linsly head coach B.J. Depew said. "We definitely have a clearer picture of what the week is about because of our experience."

Joining Depew at Bethany for camp and then on the sidelines at Wheeling Island Stadium will be James Cowart, L.A. Hampton, Brian Valentine, James Wallace and R.J. Zitzelsberger. "Most of our guys all played at Linsly and have been coaching together for a

mile," Depew said. "We're really excited for the opportunity to coach the game and get to know the players from the schools. This is a nice way to end the summer." Here's a capsule look at the West Virginia coaching staff:

**B.J. DEPEW** -- The OVAC Game is being basically just part of this Cadet head coach's schedule. Depew is involved in the game for the fourth time. He was a player in 1994, an assistant coach in 2005 and guided the West Virginia squad in winning his eight-year career as the head coach at Linsly, Depew has directed the Cadets to a 49-31 record. His team in 2012 last season, earning him the nod as the Mountain State coach. All told, Depew has been a member of the Cadets' coaching staff for 15 years. Along with his football duties, he's also been an assistant in baseball and track. Depew graduated from Linsly in 1994 and earned his bachelor's degree at Ohio State University. B.J. and his wife Tracy have been married 10 years and have two children, Isaac (7) and Noelle (2).

**JAMES COWART** -- This assistant coach has been on the Cadets' sideline for nine years. Cowart, who graduated from Linsly in 1998 and then from Edinboro University in 2003, was a member of the West Virginia staff in 2008 as well. Along with football, Cowart is currently the head track coach at Linsly and has won three consecutive OVAC championships.

**L.A. HAMPTON** -- This former Bishop Donahue standout was a player in the OVAC Game under Depew in 2008 and will now serve on his coaching staff. Hampton just completed his first season of football coaching at Linsly. After graduating from Bishop Donahue, Hampton earned his degree at West Liberty. Along with football, Hampton is also a member of the basketball coaching staff.

**BRIAN VALENTINE** -- This Cadets' assistant has been working with Depew and the football program at Linsly for four years and he's involved with the OVAC Game for the first time. Valentine is also the head wrestling coach and serves on the track and field staff at Linsly. After graduating from Linsly where he was a member of the football, wrestling and baseball teams, Valentine earned his degree from West Liberty. Brian and his wife Brittney have a son, Brian Jr.

**JAMES WALLACE** -- A standout player at Linsly and Bethany College, Wallace has been in coaching for six years and has worked under Depew on the football staff and has ascended to the head basketball coaching position. He also serves on the Cadets' baseball staff. Wallace was a three-sport standout during his prep days and played basketball and baseball at Bethany College.

**R.J. ZITZELSBERGER** -- This Cadets' staff member just completed his first season working with his alma mater. After returning to Linsly, Zitzelsberger worked on the staffs at Washington & Jefferson and Bethany College. A standout prep player, Zitzelsberger excelled in three sports, football, basketball and baseball. He attended Washington & Jefferson to play football. After completing his bachelor's degree in 2006, Zitzelsberger earned his master's from West Virginia University in 2008. He and his wife, Caroline, have two children, R.J. IV (2) and an infant son, Charlie, who was born in May.

# 2014 OVAC® ALL★STAR COACHES

Head Coach - Jose Davis

ETH STASKEY

Leader Sports Editor

Getting the right to coach in the Andy Mumley OVAC All-Star Game takes a total team effort. It's not just from the players' perspective. The coaching staff has to be on the same page and Jose Davis, who will lead Ohio in the 2014 OVAC All-Star Game, has been fortunate to have that luxury since he began his coaching career. Jose and many of the coaches played a key part in back-to-back trips to the Ohio playoffs and the 2013 OVAC title for Bellaire. Jose is in him on the sideline at the Island Stadium for the All-Star Game. "One of the most important things when you look at a coach is loyalty and our staff has had that," Davis said. "It's

so important when you build a staff that you don't want to have to train someone to think how you think, but in the end, you'd like them to have similar thoughts and philosophies on how you're going to accomplish." While they earned the right to coach in the Mumley Classic through their work at Bellaire, many of these staff members will follow Davis to St. John Central. Here is a capsule look at the Ohio coaching staff:

**JOSE DAVIS** -- This current St. John Central coach spent five years across the street at his alma mater prior to stepping into the head coaching role in January. Davis posted a 27-25 career record at Bellaire High School, leading the Big Reds to the OVAC Class A Championship this past season as well as a piece of the Buckeye 8 title. Bellaire also qualified in both 2012 and 2013 for the title. For his efforts, Davis was named Eastern District Coach of the Year in Division V. Davis, who was a member of the 1996 Ohio All-Star Team in 1996, had a brilliant playing career, which led him to Kent State University and an eventual professional career in Arena Football. Jose and his wife Amy have two sons, Javon (14) and Aiden (8).

**SEAN DAVIS** -- This wide receivers and defensive backs coach has two years of experience at the varsity level. He spent the past two seasons working under Jose Davis with the Big Reds and will join him at St. John Central this fall. Davis was a letterman at Bellaire High School during his playing career in both football and baseball. He then enrolled at Ohio University.

**JUSTIN GREEN** -- A former St. Clairsville Red Devil standout, Green has been working alongside Jose Davis for four years and will continue to work under Davis at St. John Central. He'll work this week with the quarterbacks and defensive backs. Green graduated from St. C. in 1998, Green attended Youngstown State University. Green owns and operates Source Fitness in Clairsville.

**RYAN McMAHON** -- This member of the Buckeye State staff will work with the offensive and defensive lines as well as special teams during OVAC week. McMahon has been a football coach for nine years, including the last five under Jose Davis. In high school, McMahon has experience coaching junior high basketball and is expected to continue to coach under Davis this season. McMahon, who graduated from Bellaire in 2001, owns a bachelor's degree in social studies and special education from West Liberty University.

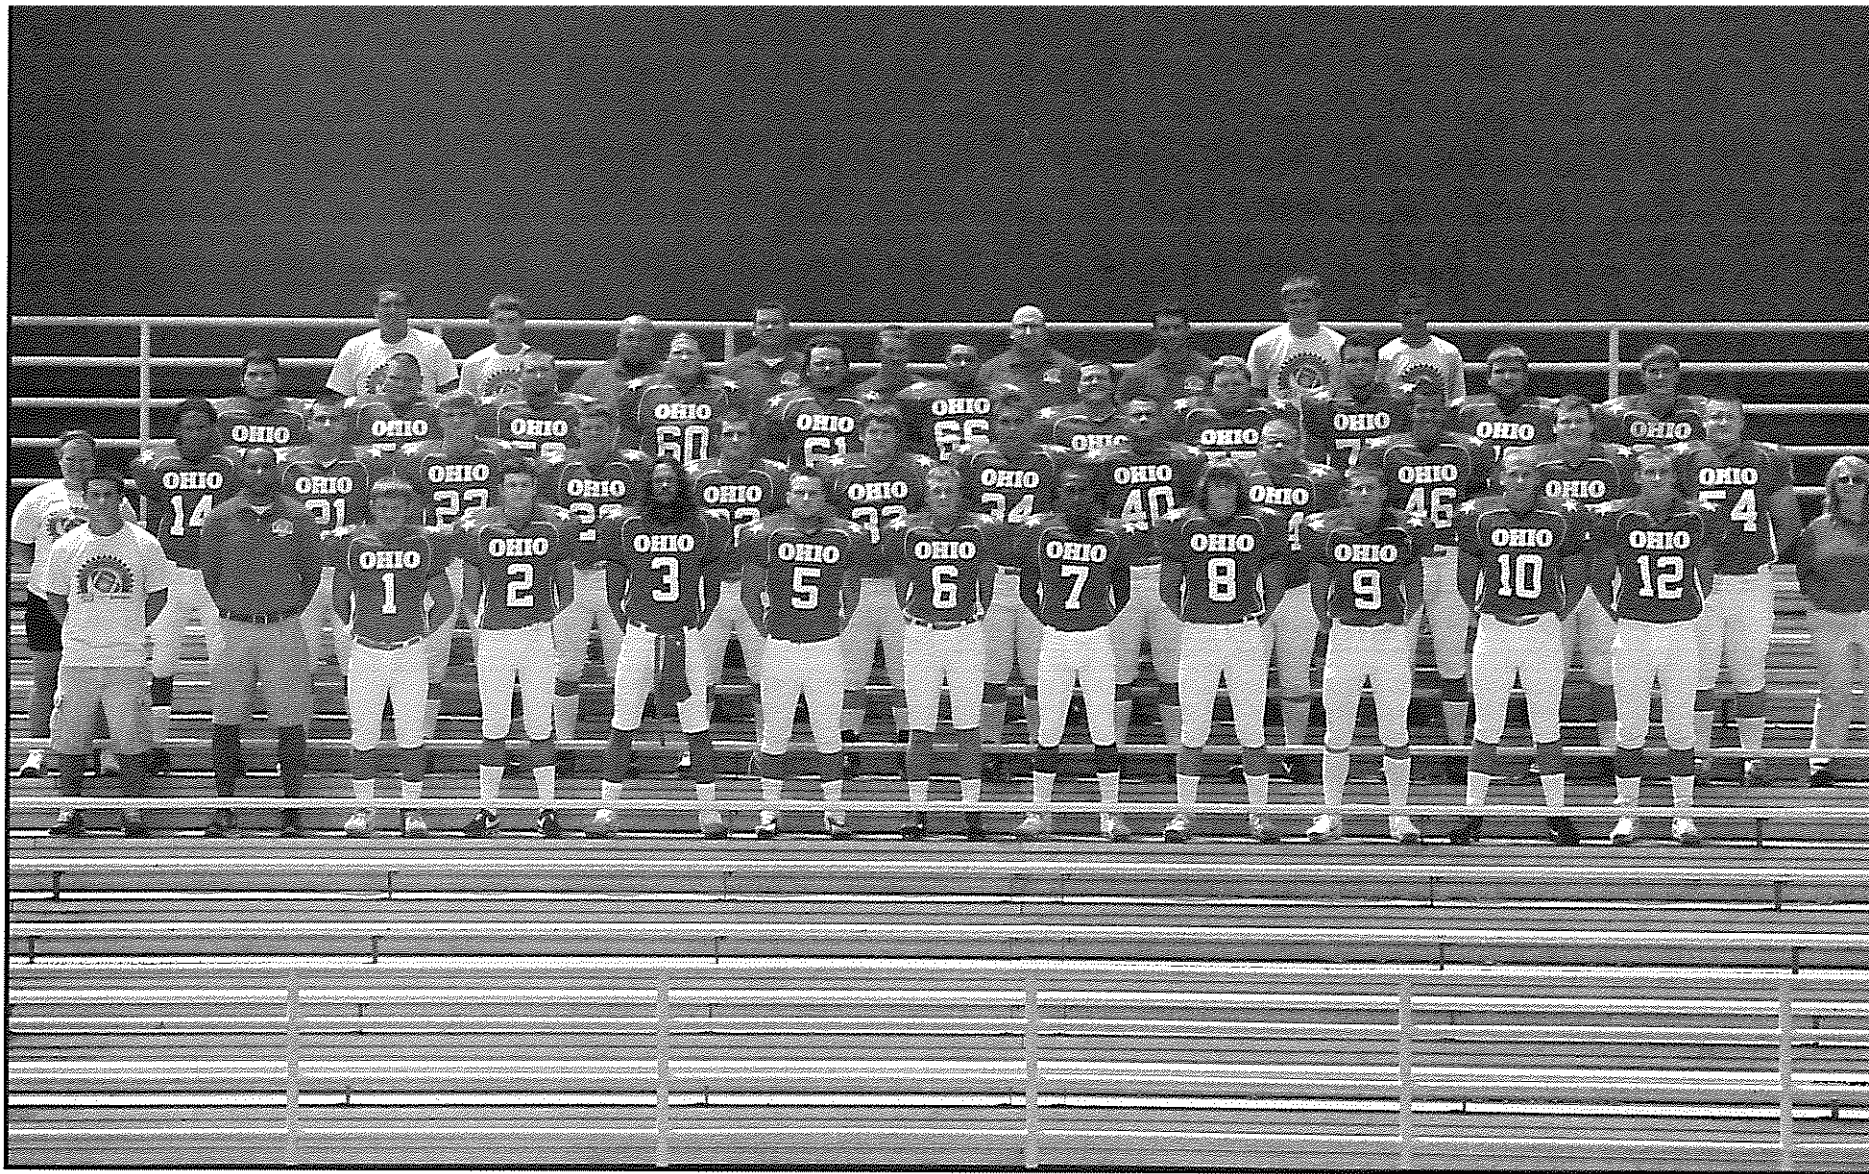

**ADAM SHALLCROSS** -- This former Bellaire standout has been coaching football for five years, all of which have been spent under Jose Davis. Shallcross was a stellar offensive lineman and went on for a four-year career at Washington & Jefferson College, earning his degree there. He played center at the collegiate level. Adam and his wife, Melissa, reside in Wheeling.

**SHAWN VALLORIC** -- This former Big Reds' multi-sport standout has been teaching and coaching at his alma mater for 15 years. Valloric also worked under John Magistro and Gregg Bonar during his coaching stint with the Big Reds' football program. He'll work with the running backs and linebackers this week. Along with working on the football staff, Valloric currently serves as the head track coach at Bellaire and he's also worked on the cross country staff. After graduating from Bellaire in 1994, Valloric worked in the OVAC All-Star Game, Valloric attended Otterbein College in Columbus, finishing his degree in 1998.

# 2014 WEST VIRGINIA ALL-STAR

# ★ HONORARY OFFICIALS

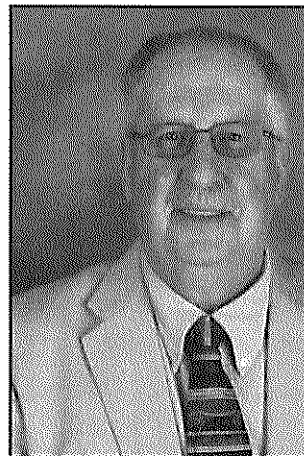

Jim Cavalier has been a football official for thirty-two years; serving as a Line Judge for thirteen years and an umpire for seventeen years. He has worked two VAC Rudy Mumley All-Star Football Games and was the West Virginia – Ohio Officiating Board’s Official of the Year in 2001. During this time he has worked seventeen West Virginia play-off games and one Super-Six State championship Game. Jim has also refereed basketball for thirty years.

“I got started in officiating when my next door neighbor, Tony Pietro asked me to take the class with him. I enjoyed all my years on the field and particularly stopping on the way home to eat and review the game. I continually encourage young sports men to try it. There is nothing like seeing a kid develop from grade school through high school and then tell you his son is playing in the game you’re working.”

“Having worked over 300 varsity games and countless below varsity games, my first game was in the West Virginia Super Six Championship AA game stands out. It was a snow game where Bridgeport (WV) upset Wayne 14-13 ending Wayne’s state record tying 36 game winning streak.

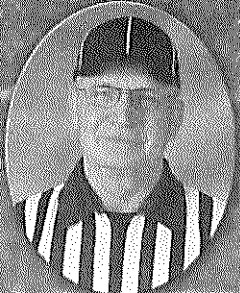

Jim lives in Follansbee with his wife of forty-five years, Mary. They raised two children Nikki (Tom) Rabe in Lakewood, Ohio and D.J. (Jessica) of Middletown, Virginia. Jim now enjoys four grandchildren: Tony, Laura, Rose and Olivia.

Jim graduated from Fairmont State University and is retired from Eagle Manufacturing in Wellsburg. His hobbies include gardening, fishing and touring baseball stadiums as well as Sports’ Hall of Fames. With a visit to the National Hockey League Hall of Fame last summer, they have now visited all of the Professional and NCAA Halls of Fame.

game officials working this evening's OVAC® Annual Mumley All-Star Football Game were assigned by OVAC Football Commissioner Dave Clutter.

OVAC® is proud and honored to maintain its long running relationship with the Ohio Valley Board of Approved Football Officials" said Game Director Bob Koch. "The gentlemen scheduled for tonight's game bring a wealth of knowledge and experience to the playing field and are highly respected among officials."

**EREE BILL FLANAGAN** has been a football official for over three years. This is the third OVAC Rudy Mumley All-Star Game he has worked. He has also worked play-off games in West Virginia and Pennsylvania and NCAA Division II football games. Bill has also officiated basketball, baseball and softball.

Bill started officiating at the suggestion of his wife, Nanette. "I can't admit it was some of the best advice I ever received. I have worked some nationally televised games including Wake Forest at Northern Illinois, and Ohio U at Marshall. I worked several Greyhounds NIFL Championship games which are memories I will never forget."

Bill is a graduate of Bellaire High School and Ohio University. He is retired and splits his time between Wheeling and Sarasota, Florida. His son, Rick lives in Wheeling with grandkids Max and while his daughter, Jennifer lives in Sarasota with grandkids Ryan and Grace. His time is now spent reading, traveling and officiating football.

**PIRE BRAD MASON** has been officiating for twenty-five years. He has worked play-offs in Ohio and West Virginia. He lives in Bethesda, Ohio with his wife, Debbie where they have two children, Erin and Ashley. He graduated from Union High School and works for the Ohio Department of Transportation. He spends his spare time with the grandchildren officiating football.

**ESMAN ADAM PARSONS** has been officiating for six years. He has worked Ohio play-off games, Marshall University's White Game, as well as college games in the old WVIAC and the new Mountain East Conference. He also serves as the Lead Mechanic Interpreter for the Ohio-West Virginia Board of Examiners in Parkersburg.

Adam began officiating while in high school. "We were scheduled to complete a project that bettered us as an individual. My coach urged me to pursue officiating. I am dedicated to be the best I can, because I know the student-athletes do the same. I can't admit some of the most memorable occasions for me have occurred while traveling to games with other officials. I have been around a better group of individuals."

Adam lives in Guysville, Ohio and graduated from Federal Springs High School and Ohio University with degrees in Business and Accounting. He owns a business in Parkersburg. He enjoys golf, reading and playing the guitar.

**LINE JUDGE HOMER MARTIN** has been officiating for six years. The biggest highlights of his officiating career so far have been chosen to an OVAC crew in his first year of eligibility, and working this year's OVAC Rudy Mumley All-Star Game. He also works basketball and baseball, which is where he got his start officiating. "Anytime you get the opportunity to go out there on Friday or Saturday night, it is an honor. I do want to give a shout out to my crew: Jimmy K, George Kelchek, Tommy C and Eric."

Homer lives in Weirton and has two sons, Blaine and Marlon. He graduated from Oak Glen High School and spent eight years in the Army. He now works as a Maintenance Operator at Ardmore Metal. He enjoys hunting, fishing, officiating and traveling to his son's ATV races.

**FIELD JUDGE BRIAN FISHER** has been officiating for six years and has already worked West Virginia play-off games. This is his first All-Star Game. He also officiates basketball and baseball. "I stopped coaching football but wanted to stay involved with the game, so I decided to start officiating."

"My most memorable game was my first varsity football game. It was with the crew that mentored me and my Dad was working on the chain crew. I was the Head Linesman."

Brian graduated from Lewis County High School and Fairmont State University. He currently lives in Morgantown and is employed as a mathematics teacher for Monongalia County Schools. He enjoys anything that involves sports.

**SIDE JUDGE TIM COULTER** has officiated football for twenty years. "I got into officiating after my son completed his high school career. I missed football and wanted to be a part of OVAC and got into officiating. A memorable game to me is any game that has a packed house and pride on the line."

Tim lives in Pleasant City with his wife, Cheryl and their three children: Zac and daughter Kelli and her husband, Mike. He is a graduate of Meadowbrook High School and Otterbein College. He currently works in Cambridge as a Workshop Manager for Cambridge DOV Center.

"I had the honor of playing in this All-Star game for Ohio in 1980." He enjoys fishing, hunting, watching sports events and officiating football.

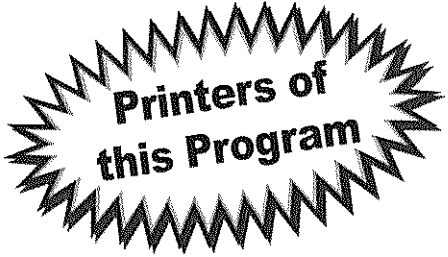

**BACK JUDGE JOHN TINSLEY** has officiated football for twenty-five years. He has worked nine football play-off games in Ohio. "Two of my uncles and a cousin officiated football and they got me interested."

"In 2010, I officiated games involving three teams and eventually made it to the Ohio State Finals. Other great memories are made just by the opportunity to work with great crews throughout my career."

John lives in Lisbon, Ohio with his wife, Pam and daughter Samantha. He is a graduate of Salem High School and Youngstown State University. He owns a screen printing business, Custom Images, LLC. He enjoys attending his daughter's sporting events during the year.

(Child care available)**

ve watched you grow from a tiny child, a *princess* of her own making  
a beautiful young woman, a *queen* gifting love on those all around  
. From her first tottering steps to the beautiful young lady  
irling light-footed around the dance floor, you have  
wn before our eyes. Enjoy the time you spend as  
laire's *Queen of Queens* and *Reign* gracefully  
wherever the future takes you. You have  
ays been *royalty* to us and we know  
i will *rule* in whatever you do.  
od Luck in the 2014 OVAC

# SUICIDE HAS A FACE. DON'T LET IT BE YOURS.

## Learn the Signs. Act on the Warnings.

Suicide is a predator without boundaries, taking young, old, rich and poor. Taking people just like you or those you love in a wake of needless loss, shattered dreams and paralyzing grief. Don't become its victim. Suicide is preventable, and help is here.

Good Luck in the All-Star Game  
from  
Colaiani Construction, Inc.

It's the *moment.*

The first thing you notice is the natural beauty. Broad lawns, brick walkways and exquisitely manicured flower beds. An institution rich in tradition, with buildings that have found a place in the National Historic Registry. Then, in that moment, you realize the opportunity. Academic excellence across all programs, competition in modern athletic facilities and a gateway to international travel and study.

At the intersection of beauty and opportunity lies Bethany, a small college of national distinction. We've been preparing captains of business, luminaries of the arts, leaders in law and medicine, and world-renowned authors for more than 170 years.
