Asked Benjamin— whoops, I mean “Ben”— what his plan is if there’s alcohol at the party.

— 12/22/07

Explained to Benjamin that in our family, we don’t drink till we’re 21.

— 5/3/02

Told Benjamin that only grown-ups drink alcohol.

## Knowing what to say—and when— can help prevent underage drinking.

Research shows that parents are the number one influence in their children’s decisions about alcohol.\* To use that influence effectively, our approach to conversations about underage drinking may have to change as our kids grow and mature. Learn more about practical strategies for each parenting stage by downloading our free parent guide.

At the end of this season,  
Rose Palmer will retire from her position as a  
Wheeling Central Cheer Coach.  
Since 1999, she has led 10 squads.  
Her teams have won 5 WV State championships,  
7 Regional titles, and 4 first place OVAC trophies.

But, she is so much more than that.

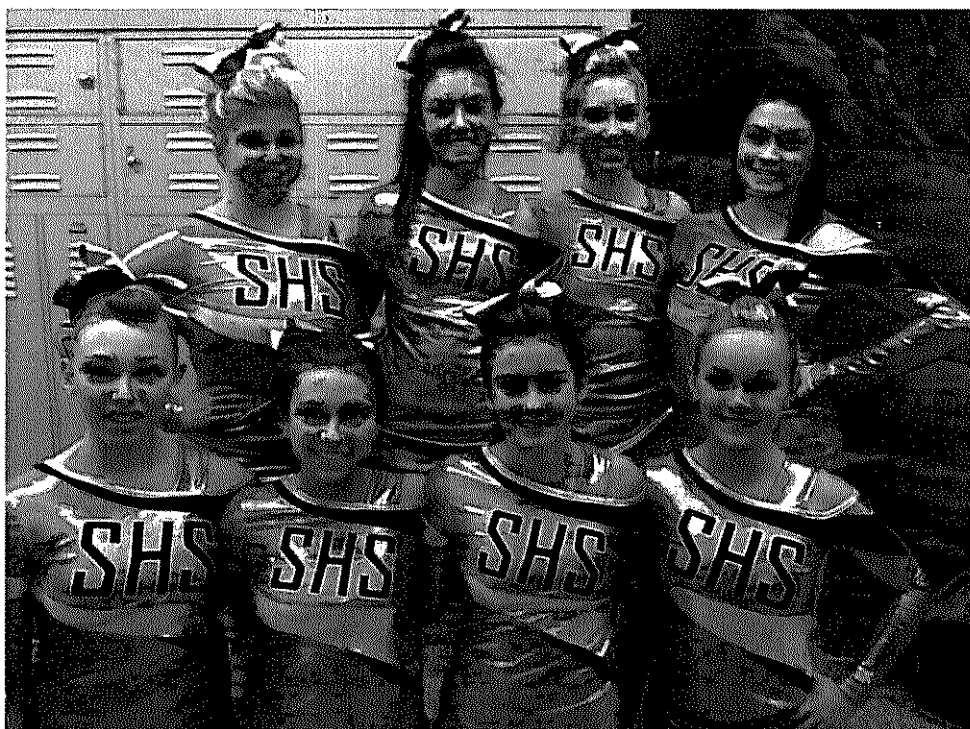

She is a WVU Hall of Fame Cheerleader.  
She is the maker of gym signs.  
She is a cheer expert who truly loves the sport.  
She is the keeper of the "crunch time" clock.  
She is a true motivator.  
She is the leader of team prayer.  
She is quick with a hug and a "Let's Go Knights".  
She is the baker of birthday brownies.  
She is compassionate, caring, and kind.  
She is, for so many, a surrogate "cheer mom".  
She is one of a kind.  
She is irreplaceable.

Thank you, Coach Palmer... for *everything*.
