70th Ohio Valley Athletic Conference® Annual Rudy Mumley All★Star Football Game

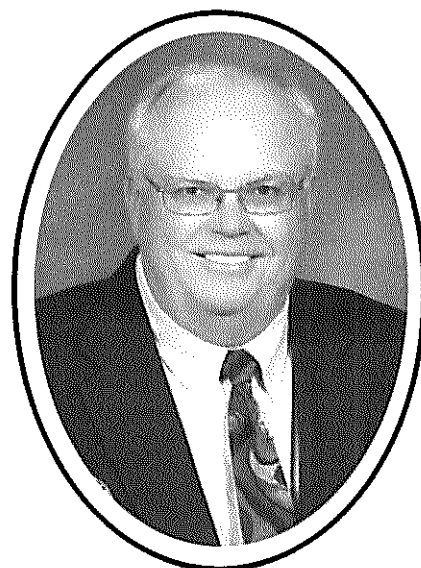

~ 1972-2015 ~

Welcome to the seventieth edition of the Ohio Valley Athletic Conference® Annual Rudy Mumley All-Star Football Game. Assembling on the field tonight are many of the best young people in the upper Ohio Valley. This is a unique collection of all-star football players, cheerleaders, band members and talented queen candidates. The OVAC® knows of no other similar assembly of high school talent in the United States.

I hope you enjoy and appreciate the skills on display this evening. It has been a pleasure for me, the coaches, the directors and the rest of the game committee to work with these fine young people over the last several weeks leading up to tonight's event. I would like to thank the parents who have raised these fine, young people – it is not an easy task.

Thank you for attending this event. Your support is needed and appreciated to continue and improve this outstanding charity event.

I would like to wish the best to the participants in tonight's activities – they are our future.

Bob Koch
GAME DIRECTOR

On the Cover...

Behind every successful organization are individuals contributing countless hours behind the scenes, but never wanting to be in the spotlight. Mary Lou Mauck and Tom Myers are two of these pillars of the OVAC. Mary Lou has been giving of her time for the past 40 years, most notably with the OVAC Rudy Mumley All-Star Football Game and the OVAC Ron Mauck Wrestling Tournament. She serves on the All-Star Game Committee and is a familiar face selling pre-game tickets at check-in at football camp, the Pep Rally, Evening With the Stars and the Queen of Queens Pageant. Using her technology expertise, Mary prints all the certificates for the All-Star Football Players, Cheerleaders and Coaches. She assists at Meet the Queens' Night to help collect raffle ticket money. Mary Lou can also be seen working the OVAC Ron Mauck Wrestling Tournament that was named in honor of her husband. Her duties have been everything from typing brackets, taking messages for Ron, printing labels, to creating the coaches' handbook. For several years she was instrumental in copying the tapes of wrestling matches that were presented to wrestlers returning for their 25th reunion. For her dedication and commitment to the wrestling tournament, Mary Lou was awarded the Sid Stoltz Memorial Award.

Mary Lou is a retired teacher of Ohio County Schools. She resides in Wheeling with Ron, her husband of 51 years. They have three children: Eric and his wife Stacy, Jay and his wife Missy, and Melissa and her husband Dwayne Zink. Four grandchildren (Michael, Nathan, Alex, and Abby) complete their family.

Our second program honoree is Tom Myers. Dependable, caring, and regard for others are among the traits to describe Tom. He never wants credit for anything he does, but is always there to lend a helping hand. He has been a part of the OVAC family since the early 1980's, mainly assisting with the OVAC Rudy Mumley All-Star Football Game and the OVAC Ron Mauck Wrestling tournament. As a member of the All-Star Game Committee Tom distributes equipment to players at camp, assists with teams at Evening With The Stars dinner, and sells programs at the Pep Rally, Queen of Queens Talent Show and All-Star Game. After the All-Star Game Tom is usually one of the last to leave the stadium as he aids in collecting football equipment. At the OVAC Ron Mauck Wrestling Tournament Tom is one of the first people to greet fans as he sells programs in the Wesbanco Arena lobby. He also has assisted in set up and tear down for the tournament, as well as assisting in the wrestlers' bull pen. He was awarded the James "Dead Eye" Morris wrestling award in 2002. Each spring Tom also helps with the set up and school banners for the OVAC Banquet of Champions.

Tom is retired from American Electric Power and resides in Wheeling with Linda, his wife of 47 years. They have two children: Karen Yocum and her husband Scott, and Bryan and his fiancé Melany. Two granddaughters, Bryn Yocum and Adyn Myers complete their family.

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference® could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

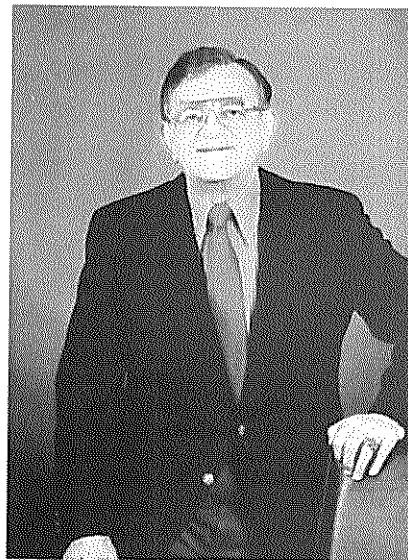

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference®.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

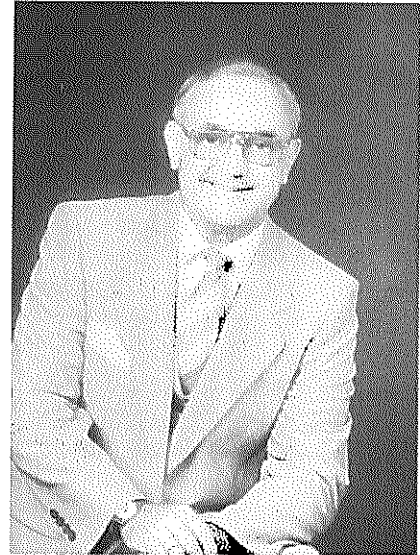

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

“1940” The First All★Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shady-side youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the game. His Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from a nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

"1955" All-Star Game - 60 Years Ago

A speedster from Wellsville stole the show in the 1955 All-Star Football Game. John Martin at 5 feet 10 inches tall and 170 pounds outran the West Virginia defenders on touchdown jaunts of 99, 89 and 57 yards as the Ohio All-Stars won by a 31-20 count before 10,000 fans at Wheeling Island Stadium.

Martin, Ohio's most valuable player, was not originally listed on the all-star squad but when Adena's Jim Jarvis was unable to play due to an appendicitis operation in the summer, Buckeye coach Steve Magyar made an extremely wise choice - Martin - to replace him. Martin had played for a Wellsville team which won only three games during his senior year.

The All-Star game itself had fallen victim to the weather on the regular scheduled night, and ended up being played on a Tuesday night. Game director Bob Roe bypassing a Monday night venue because Monday night the stores in Wheeling were opened until 9 p.m., and by competing it would cause a traffic problem for those trying to get to the Island.

The two teams came into the fray tied at 6-6 in the series, and after a scoreless first period the Ohioans would score 12 points in the second period and never looked back in gaining the 11-point decision. Ohio's victory snapped a two-game win streak of the West Vir-

ginia All-Stars. The 51 points marked the largest total in the history of the series.

Ohio's first touchdown came after the Buckeye defense stopped a West Virginia drive at the Ohio 23. Ohio then proceeded to drive 77 yards, the TD coming when Shadyside's Frankie August hit high school teammate Bob Bittengale on a 13-yard pass.

West Virginia came charging back late in the period, only to be stalled at the Ohio 11, and that set the stage for the first of Martin's three touchdowns. The Wellsville standout romping 89 yards off tackle to give the Ohioans a 12-0 intermission advantage.

The Mountaineers engineered a successful TD thrust in the third period after Follansbee's Mike Falbo recovered an Ohio bobble on its own 42. The two big plays in the drive were Weirton's Duke Bailey's 13 yard run and Challen Bonar of Moundsville passing to Wheeling's Nick Mumley for 20 yards which put the ball at the one yard line. Bonar then sneaked across on third down, and Wheeling Dick Albinger booted the extra point. With its lead now five points, Ohio again called on Martin whose 57-yard touchdown run increasing the margin to 11 points, 18-7.

Late in the third period Steubenville Catholic's Tom Mieczkowski recovered a West Virginia fumble at the Mountaineers

42, and three plays later - in the fourth quarter, Ohio was again on the scoreboard as August found another Shadyside mate, Don Fleming, on a 30-yard pass play. Dan McGrew's conversion made it 25-7. A jump pass from Bonar to Rich Wilinski of Follansbee got West Virginia on the scoreboard for the second time.

The Mountaineers kicked off and immediately regained possession of the pigskin at the Ohio 25. Bonar on a bootleg gained 21 yards to the four, and two plays later the quarterback from Moundsville scored, the TD coming from the six, as the Mountaineers getting the "W" were squelched as Martin rambled 99 yards with the ensuing kickoff which rounded out the scoring. Wilinski was West Virginia's MVP. The West Virginia All-Stars were coached by Doug Stone of Follansbee who was seeking his second straight win in the classic.

“1965” All-Star Game - 50 Years Ago

The 1965 All-Star game went on despite the fact that the lighting was somewhat of a problem in the initial half. The candle-power got better after intermission, but only provided the Ohio defenders with a better view of the West Virginia backs who were never unable to get untracked throughout the game.

An account in the Wheeling News-Register starts out states that Ohio won the annual West Virginia-Ohio All-Star game in what was described as one of the most ridiculous football games of all time.

Of the three Ohio touchdowns, two came as the result of recoveries in the end zone.

The only offensive touchdown came in the final period when Jerry Fato connected with Paul Olzeski on a 27-yard aerial. The write-up stated that it wasn't the players fault, pointing out that they "knocked heads" and struggled and performed under some pretty adverse conditions.

The newspaper account noted that Ohio got 10 points in the first half and 12 in the second half, and that West Virginia got to the winners' five yard line once.

The story of the game was described as the tough, bit Ohio line which kept the Mountaineers in trouble all night. The write-up stated, "They kept popping into people and making them drop the ball."

The West Virginia defense saw a big dose of single wing football as Ohio coach Gene Millick, from Smithfield, ran this offense everywhere but straight up and his backs behind awesome blocking simply trampled over the lighter West Virginia team.

Ohio got on the board first with 7:26 left in the first half thanks to a safety. Tom Kochalka was the punter for West Virginia, and the snap from center sailed over his head, and thus instead of punting he recovered in the end zone for a touchdown. A two-

point pass conversion, Tom Bruney of Martins Ferry to Jim Mager of Bellaire St. Johns made it 10-0 at half-time.

Another West Virginia miscue at the outset of the third period resulted in yet another "gift" score for the Ohioans. The six points tacked on when Bo Westlake recovered the ball in the West Virginia end zone.

The final score of the game came on the Fato to Olzeski aerial. Olzeski was named as Ohio's most valuable player.

Ohio - WV recovers ball in end zone for safety.

Ohio - Gill recovered blocked punt in end zone (Magers pass).

Ohio - Westfall recovered fumble in end zone (extra point failed).

Ohio - Olzeski 27 yard pass from Fato (extra point failed).

“1975” All-Star Game - 40 Years Ago

A 52-yard scoring drive capped off by a 15-yard touchdown run by Mike Cain of John Marshall gave West Virginia an 8-0 victory over Ohio in the annual OVAC sponsored charity football game at Wheeling Island Stadium.

A crowd estimated at 10,000 turned out on a warm August evening for the All-Star struggle and witnessed a game in which there was little sustained offense, though frequent turnovers and some dazzling defensive play added excitement to the evening.

After a scoreless first half, the Mountaineers piloted by Brooke High coach Vincent "Sonny" Rea put everything together for a game's lone TD.

The touchdown was manufactured after Oak Glen's Paul Kuzio returned an Ohio punt seven yards to the West Virginia 48.

Wheeling Central quarterback Chuck Hoose set the winning march in motion when he threw a quick out pattern to his Maroon Knight buddy, Gret Botizan, for nine yards. Hoose then hit Brooke half-back Rich Thomaselli on a wing pass and the gutty Bruin dragged tacklers with him for a 19-yard gain to the 24. Sturdy-legged Greg Babe of Magnolia, a consistent ground-gainer, then hammered center to the 20. On the next play Cain picked up five yards and then Cain, who was married a week earlier, fired quickly through a hole made by the block-

ing of Linsly guard Ken McNinch and John Marshall center Ed Lautar, and zipped into the end zone untouched. The TD came with just 14 seconds remaining in the third period. Babe tacked on the bonus points on a run.

The Ohio squad had a couple scoring opportunities in the fourth period, one stymied by an unsportsmanlike conduct which resulted in the Buckeyes having to punt, and the other on a fumble which was recovered by Oak Glen's defensive end Kevin Beck at the West Virginia 20. The Mountaineers shutout was largely due to the efforts of such stalwart defenders as Bernie Shalvey of Wheeling Central, Mike Yankavitch of Warwood, Steve Jeter of Weir, Randy Rodgers of Wheeling, Butch Biondillo and Dan Griffith of Brooke, and Beck.

The Ohioans made only 111 yards rushing and were thrown for losses of 39 yards. The Buckeyes passing game could only show 51 yards on five of 10 passes. Ohio moved the chains on only eight occasions.

West Virginia's offense was just 209 yards, 140 yards rushing and 69 yards passing, five of 11. Two of the aerials were intercepted. West Virginia backs were tossed for losses of 21 yards. The Mountaineers had 13 first downs.

Penalties played a key role in the game, as 80 yards were stepped off against Ohio, while West

Virginia's penalty total was 40 yards.

West Virginia's touted passing game backfired three times in the first half, two on pass interceptions and a fumble after a pass completion.

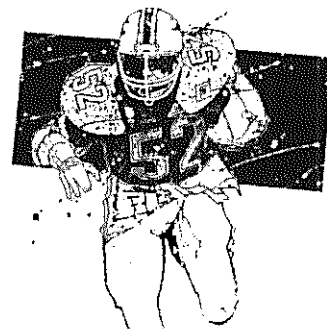

The Mountaineers also had two scoring threats thwarted in the first period. On the initial drive of the game West Virginia moved to Ohio's 19-yard line, but a fourth down pass went incomplete. The other march ended on pass interception by Buckeye West's Chuck George.

Ohio's Sam Reynolds of Barnesville intercepted a pass early in the second half, and ended up attempting a 44-yard field goal which was unsuccessful.

The Buckeyes had yet another scoring opportunity when Dan Cernansky of Toronto intercepted a pass at the West Virginia 30 and returned it to the 13. Three plays netted only four down, defender Paul Kuzio of Oak Glen coming up from his safety position on third down to administer a one-yard loss and forcing another field goal attempt which failed as Griffith knifed through to block the boot and Jeter made the recovery at the 33.

“1985” All-Star Game - 30 Years Ago

West Virginia came from behind in the final period to gain a 28-26 victory over Ohio in the OVAC sponsored Charity All-Star Football Game at Wheeling Island Stadium.

Ohio led 6-0 after one period, 12-7 at intermission and 19-15 after three periods, however, West Virginia scored two TD's in the final quarter to take a 28-19 lead. A blocked punt in the end zone enabled Ohio to get within two points.

The Mountaineers used a punishing ground game featuring Kennedy Award winner Joel Wilson of Sistersville to grind the Buckeyes down.

The drama-filled battle enabled West Virginia to even the series at 7-7 since the OVAC took over sponsorship of the game. In the overall series, Ohio, which had won the two previous meetings, maintains a 21-19 margin.

This game pitted two coaches from Marshall County Bishop Donahue's Rick Blake the mentor of the West Virginia team, while the Buckeyes were coached by Bob Eaton of Bellaire St. John's Central. Eaton being a graduate of John Marshall High.

The West Virginia fourth quarter comeback actually started late in the third period when Wheeling Central's Tom Seamon, one of the game's defensive stalwarts, scooped up an errant pitchout at the Ohio 16 and was brought down at the six by Kelley Burdge of Wintersville.

Just 37 seconds into the fourth quarter, David Shall took a handoff from Mike Tennant, and scored from the

three. Chris Hutter's placement made it 22-19.

A pass interception by Mike Griffith, of Wheeling Park, which he returned 48 yards to the Ohio 4 setup the final WV touchdown. Troy Law needed just two carries to score, going off tackle on the second thrust from the two. The placement which would have given WV a 10-point margin was blocked by Paul Johnson of Bellaire St. John's Central.

With less than six minutes to play, Ohio forced the Mountaineers into a punting situation at their own 15. Andy Schumacher, stellar defensive lineman from Woodsfield, broke through to block the punt and then, with the pigskin still rolling free into the end zone he fell on it for the touchdown. River's Perry Raper came on to boot the extra point, cutting the deficit to 28-26 with 5:33 left.

On the very next series Union Local's Luke Gallow hit separated the ball from the ball carrier and Gary Della Penna of Wintersville fell on the ball at the eight-yard line, setting up what appeared to be an easy scoring opportunity. Steubenville's Todd Kelley broke free around right and went in untouched, but an illegal procedure penalty wiped out the apparent six-pointer. Earlier in the game two other Ohio would-be touchdown aeriels both to Steubenville speedster John Murray of 33 and 38 yards, were wiped out – one on a holding penalty and the other an illegal forward pass.

After Kelley's TD was erased, Ohio was setback to the 13. Three plays could

advance the ball only four yards, which then resulted in the Buckeyes attempting a 25-yard field goal which sailed wide to the left and West Virginia gained possession with a little more than two minutes to play, and the Buckeyes out of timeouts.

Ohio did manage one more possession – only one play – but Jason Nixon came up with an interception with five ticks left on the stadium scoreboard.

Statistically, the Mountaineers had the edge on the ground, racking up 175 yards on 51 rushes. Wilson leading the way with 83, while Shall chipped in with 56 yards and Law with 34. West Virginia attempted nine passes with three going to the offense, three to the defense and three falling incomplete. Total yardage of the three completions being 36.

Ohio's first TD of the game came on an 11-yard pass from Scot Maffe of Bellaire to Raper, the second on a 13-yard aerial from Kelly Burdge of Wintersville to Kinder, while Wintersville's Don Vandeborne raced 66 yards with a pass interception.

OH - Raper 11 pass from Maffe (kick failed)
 WV - Wilson 2 run (Hutter kick)
 OH - Kinder 13 pass from Burdge (pass failed)
 WV - Wilson 2 run (Nixon run)
 OH - Vandeborne 66 interception return (Raper kick)
 WV - Shall 2 run (Hutter kick)
 WV - Law 2 run (kick failed)
 OH - Schumacher recovered blocked punt in end zone. (Raper kicked).

“1995” All-Star Game - 20 Years Ago

Ten years ago Ohio posted a 21-0 victory over West Virginia in the 24th Annual Rudy Mumley OVAC Charity All-Star game at Wheeling Island Stadium.

Speed was the biggest factor for the Buckeyes, according to Steve Deem who coached the Mountaineer team.

Ohio coach John Magistro agreed that his defense was a step ahead all night and credited this part to the fact that his team being fresh throughout the game.

The Ohio defense held the West Virginia to 99 yards, 44 rushing (1.62 per carry) and 55 passing. There were 68 snaps from scrimmage for the Mountaineer team. Ohio's offense would pick up 252 yards, of which 211 was on the ground. This yardage came on 53 plays. Total possession was nearly equal with Ohio having the ball for 24:26 minutes and West Virginia 23:34 minutes.

There were but seven penalties in the game, Ohio assessed 38 yards on five infractions, while the two West Virginia penalties resulted in only 20 yards.

All three of Ohio's touchdown coming on runs, a 33 yard jaunt by Chet Pabolish in the second period, and TD runs of 2 yards and 1 yard by Brian Gehrig, one in the second period and the other in the final quarter.

Actually, West Virginia had the first scoring opportunity when Ohio muffed a punt which was recovered by Magnolia's Matt Thomas at the Ohio 13 midway through the first period.

However, West Virginia handed the gift right back, coughing up the ball on the very first snap with Buckeye Local's Mason Boyce making the recovery at his own 11 yard line.

West Virginia would get no closer than the Ohio 36 the rest of the night. The Buckeyes struggled with field position and poor exchanges between the center and quarterback during the first quarter but the defense gave the offense a jump start as the second quarter got underway. Bellaire's Keith Pitts intercepting a pass at his own 46 and scampering back to the West Virginia 39.

Two plays later, Buckeye Local's Chet Pabolish took a perfectly timed option toss from Beallsville QB Davey Eichhorn and sprinted down the right sideline behind a good block from Rod Cowans of Cadiz, for a 33 yard touchdown. The TD coming with 9:08 left before intermission. Shadyside's Elias Matsakis was good on the first of three placements. Following a West Virginia punt, the Buckeyes took over at their own 24 and set out on their first sustained scoring drive.

Pabolish carried six times for 30 yards on the march and Eichhorn hooked up with rangy Steubenville Catholic Central wideout David Connor for a 27-yard gain to the West Virginia 7. On a four-and-goal situation on the 13th play of the drive Gehrig scored from two yards out. Only 46 seconds ticks remained on the clock prior to intermission.

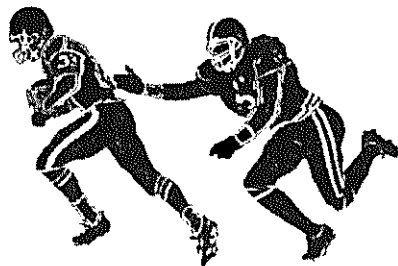

West Virginia suffered a blow during the first half as starting QB Craig Eddy was injured and did not return to the game. The injury forcing Joe DeMaria to play both ways during the second half.

West Virginia's last chance to get back in the contest came early in the fourth quarter as the Mountaineers drove from their own 31 to the Ohio 36 where they suffered the ball on downs after two incomplete passes with 7:31 remaining.

Ohio put the game away with a 10-play, 64-yard drive that ended with Gehrig slamming across from the two.

OH - Pabolish 33 run (Matsakis kick)
OH - Gehrig 2 run (Matsakis kick)
OH - Gehrig 1 run (Matsakis kick)

“2005” All-Star Game - 10 Years Ago

The Ohio All-Stars cruised to a 35-6 victory over West Virginia in the 34th Annual Rudy Mumley Ohio Valley Athletic Conference All-Star Charity Football Classic at Wheeling Island Stadium. The Ohioans scored at least one touchdown in every period, as Anthony Mossburg of Frontier scored twice on rushes, while Antonio Magnone of Steubenville and Bellaire's Mike Fisher both found their way to the end zone via the ground, with the final touchdown coming on a Mossburg pass to Martins Ferry's Clay Tucker. The West Virginia touchdown came early in the fourth quarter on a 62 yard jaunt Brooke's Dana Davis, the TD coming on a third and one play. Mossburg finished the night with 205 all-purpose yards which included the 74 yard pass to Tucker. Mossburg rushed 10 times for 112 yards, one of his carries was 67 yards. Mossburg was also on the receiving end of a 19 yard pass Mossburg wasn't the only Ohio standout to enjoy success against the Mountaineers as Fisher, added to the Buckeyes' roster a week before the game, carried the ball nine times for 54 yards. He scored the first touchdown of the game on a 22 yard run. Fisher also made one of the nicest receiving plays of the game, jumping over a West Virginia defender for a 30 yard reception to bail Ohio out on a 3rd and 13 situation at its own 1 yard line. Two plays later Mossburg raced 67

yards to paydirt to put Ohio ahead by a comfortable 21-0 advantage halfway through the third period. Buckeye coach Dave Caldwell of Beallsville was not only pleased with his offense, but the defense was even more punishing. The defensive held the Mountaineers to only 86 total yards and only four first downs. Caldwell said, "Fantastic defense, they couldn't run right, they couldn't run left, they couldn't run anywhere." On the West Virginia side, coach Terry Depew of Linsly said "They just had us out matched on the lines. He added, "I thought our kids played really hard, but they were too much for us". Honorary officials for the game were: Tom Henthorn, Bridgeport; John Kohelis, Follansbee; and Charles (Bruce) Shively, Tiltonsville. There was a new face directing the McDonalds OVAC all-star band as Dru Meyer, the new band director at Shadyside High School led the 202-member group onto the field.

~ A Tribute to George Strager ~

(A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2003)

With another high school football season set to get underway, I thought this might be a good time to reflect on the career of the late George Strager.

The Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own time as he amassed a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody went home, satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record shows 246 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced in coaching. The love and dedication that he gave the couple of thousand kids he coached affected most of their lives in a positive way.

Yes, George was hard to play for and tough as nails on the field. His pre-game and half-time talks were filled with fire, especially when he didn't think his team was performing up to his expectations. But he was hilariously funny at times around his coaches and players.

Today's younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity to learn from this coaching giant.

This past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer, and Wheeling Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

Huff spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant coach at St. Clairsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the Red Devil helm.

"It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibilities that boosted my confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at St. Clairsville.

"He was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realized that George was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away in 1976. "George did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well." Young added. But it definitely was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the offensive game. Young talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were very fortunate during that time to have had many quality athletes at St. Clairsville," Young also said.

The most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, play in the National Football League and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were they came at a time when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We had some great teams that did not get a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads never made it into the post-season.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and were one step from the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out to me that Strager is probably the only person to have coached three different Ohio Valley teams to undefeated seasons. His 1953 Sistersville Tigers went 10-0-1 and won the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Catholic and its "pony backfield" in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1969, 10-0 in 1978 and 10-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always considered George a "Coach's Coach" because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and they always had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams were always fun to watch and cover. They never seemed out of a game because of his offense's ability to strike from any place on the field. "Some people are born to do certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

Doug certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks and coach. He turned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and molding them into something special.

Bob Kettlewell, the late successful coach in Wintersville (now Indian Creek High School) regarded Strager as being a good a quarterback coach as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower. If George has someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

My relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic in 1961, I was a young writer and both Strager and the late Bob Roe, then the head coach of Wheeling High School, took me under their wing.

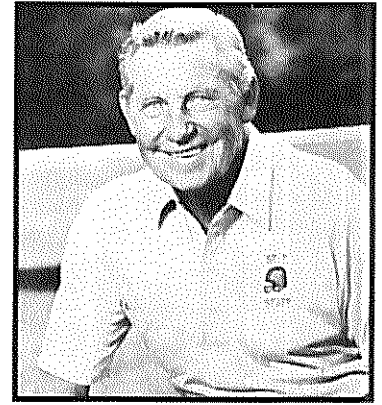

Strager was never known for paying much attention to the defensive side of football, although I'm sure that was exaggerated.

I do recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opener against Wheeling High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach, I wandered over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time with the offense, he hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

Either the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville came out and blitzed the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of today's athletes will continue to be noticeable.

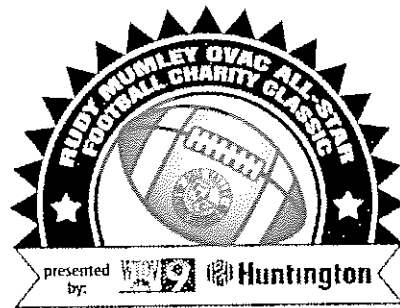

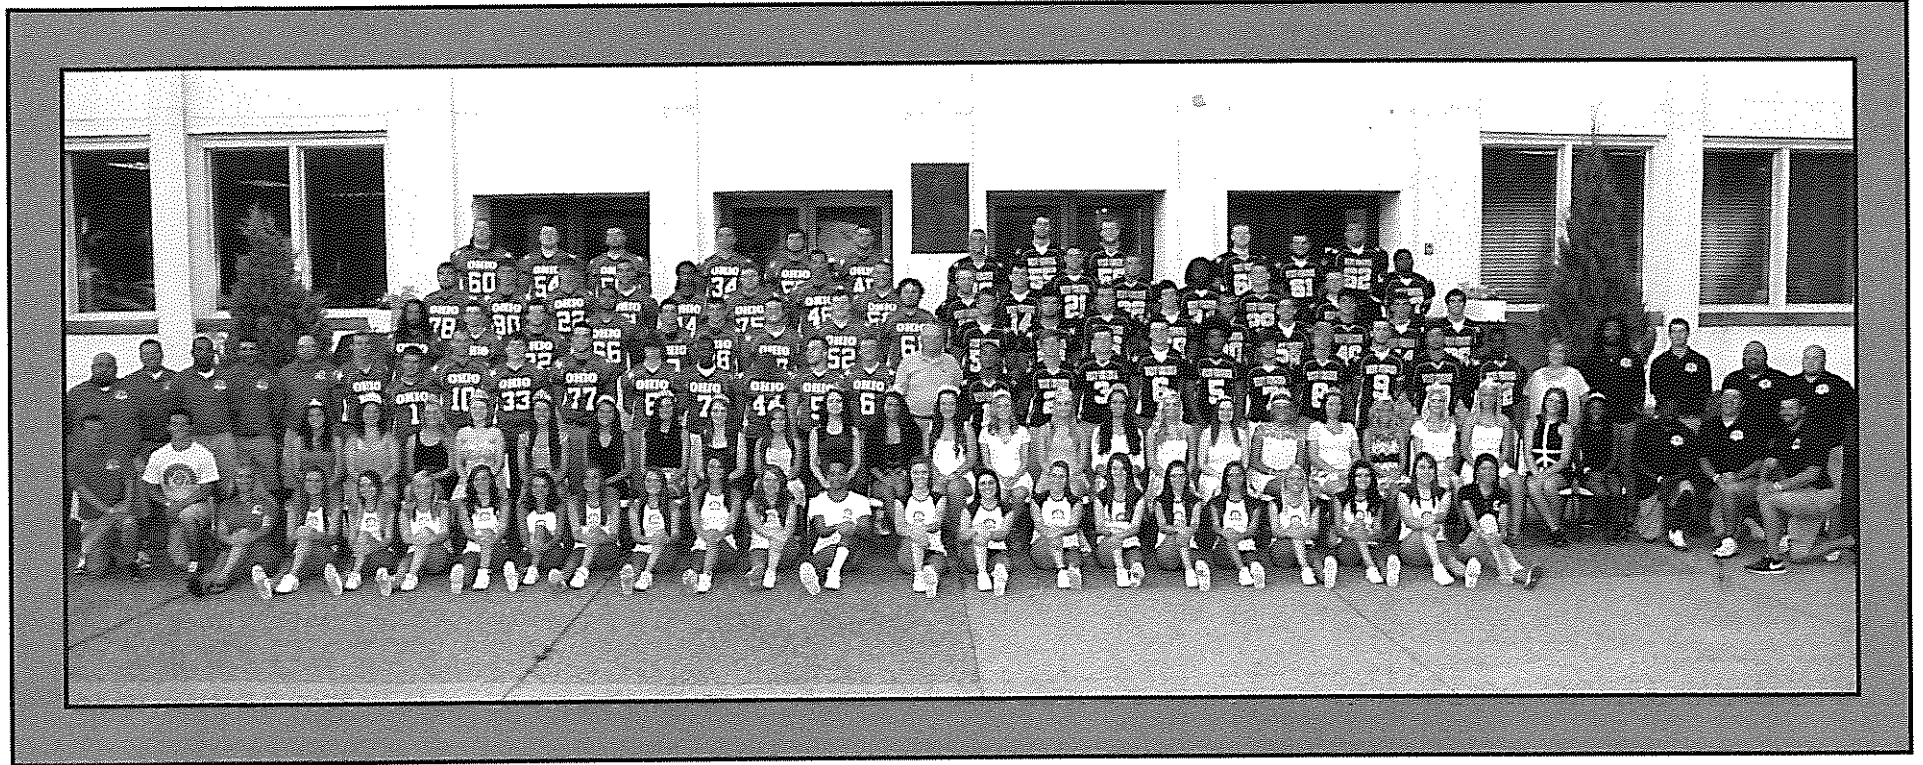

Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Players competing in the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Evening with the Stars Dinner.

Ol' George may be gone from our midst physically, but he will always remain in the thoughts of the coaches, players and writers whose path he crossed during his storied career.

Dr. Robert Jones is a native of Scribner, Nebraska where he attended West Point High School as a multi-sport athlete in football, basketball, track and baseball. After an outstanding high school football career, he received a scholarship to the University of Nebraska where he played for the great college coach, Bob Devaney.

After college, he was selected by the Washington Redskins to start his professional career. He spent a year with the team on the taxi-squad. From the Redskins, Jones went to the Wheeling Ironmen where he played from 1964 to 1967.

While playing and teaching in the Ohio Valley, he started medical school at West Virginia University. He graduated from medical school in 1972, graduating third in his class. After surgical residency and internships from 1972 to 1979, he came to Wheeling and started his practice where he continues to treat patients to this day. Jones is one of the prominent surgeons in the Ohio Valley and is licensed in Ohio and West Virginia.

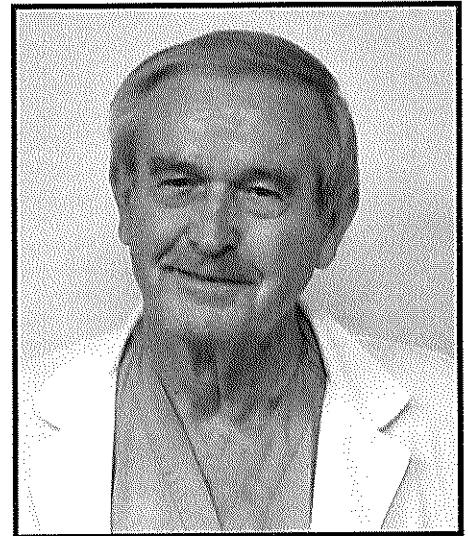

He and his wife Rita live in Wheeling and have six children.

Dr. Jones has been involved with the game since 1984. Dr. Luis Vasquez was the Ohio team doctor invited him to become the West

Virginia team doctor. He has as a simple self-diagnosis to explain his affliction for football. "The game is in my blood and I know of no antibiotic, pill or shot that can get it out of my system. I got involved because of the game of football. The appeal is the game itself ... it doesn't matter what aspect it is."

Many of the games he has seen and worked were good. But one – the 1987 Classic – stands out as great because of the luminous stars that who played in the contest. Ohio – featuring St. Clairsville's duo of Shawn Vincent and John Spencer - defeated the Alex Shook led West Virginia team 13-11 in the All-Star game played at Steubenville because of the renovations to Wheeling Island Stadium.

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. He says he learned self-discipline – a necessary component in any surgeon's mental make-up – by playing football all his life. "The discipline of football pushed me to be into the medical field and to be a surgeon," Jones said.

There's a lot more to playing an all-star football game than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC® All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.

- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.
- Telling coaches if players injured during the game are healthy enough to return to action.
- Deciding whether or not to play, delay or cancel a game because of weather conditions.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton should know. After all, he's been seriously involved with the OVAC® for the past 30 years, and he's been working in sports medicine for the past 45 years.

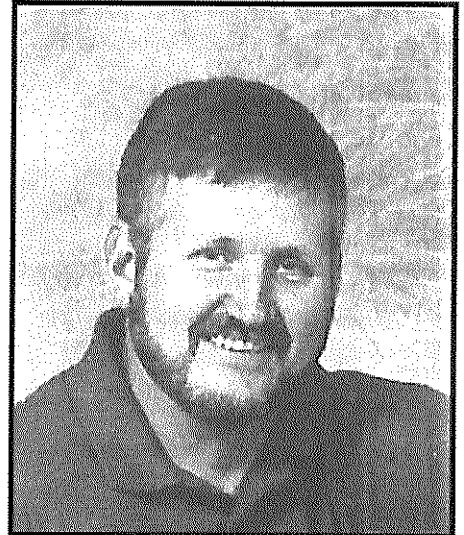

His athletic training career started in the late 1960's when, as a student-athlete at Martins Ferry High School, Art Simpson befriended Fullerton and gave him his first chance at being a trainer. And Fullerton's stepfather, Bill Van Horne, the sports editor of the Wheeling News-Register until his death in 1995, took him around to sporting events, which fueled his desire to remain involved in sports.

Fullerton holds a Bachelors Degree in physical education from The Ohio State University and a Masters Degree in exercise physiology from the University of Arizona. Along the way, he's worked with several notable organizations, including the following:

- While at Ohio State, he was an athletic trainer for the Buckeye football team, a position that allowed him to work with Woody Hayes and attend the Rose Bowl.
- Fullerton worked the summers of 1972 and 1973 in Bradenton, Florida with the Pittsburgh Pirates organization.
- While a graduate student at Arizona in 1977-1979, he was an athletic trainer with the Association of Tennis Professionals, and worked with such tennis luminaries as Jimmy Connors and Bjorn Borg.

But, Fullerton said, "There's nothing quite as special as the OVAC®." That's why he returned to the Ohio Valley in 1984. He currently works as a registered nurse at MedExpress in Elm Grove. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship...sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Triadelphia and is the proud father of two adult children - Jaclyn who will graduate from WVU this August and Jake, who will be entering his junior year at WVU.

TRAINERS - HERB MINCH & MELANIE CHEEK

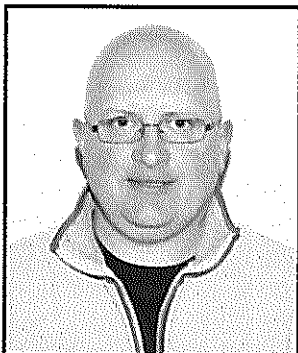

By SETH STASKEY
Times Leader Sports Editor

Through the course of tonight's game and the week leading up to the game, there will be bumps and bruises suffered by the players on both teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty State College. Minch has been involved with the OVAC® All-Star Game since 1987 two years after his graduation from Wheeling Park High School. Minch was studying health and physical education at West Liberty when he was approached to be a trainer for the game and eventually went on to earn his masters of science in physical education and athletic training in 1990 from West Virginia University.

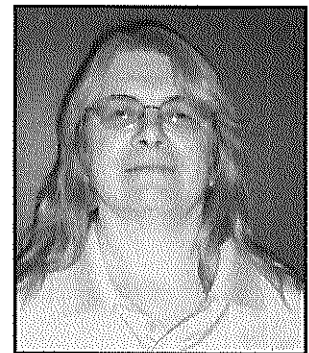

Herb got started into training during his years at Park under Tim McCormick and he just took it from there. "I got a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help out the athletes."

Minch didn't expect to be involved with the OVAC® Game as often as he has been when he was first approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." Don't expect him to be getting out anytime soon. "I think it's obviously a great tradition," Minch relayed. "It's quite an honor to be a part of it and as long as they want me involved, I will continue to do it. It's been a great experience."

Herb is married to the former Ashlea Bland. He's got a daughter Kailey (3).

MELANIE CHEEK

Melanie Cheek is a certified athletic trainer with a MS Degree from Bloomsburg University.

Currently working part time as a trainer at West Liberty University

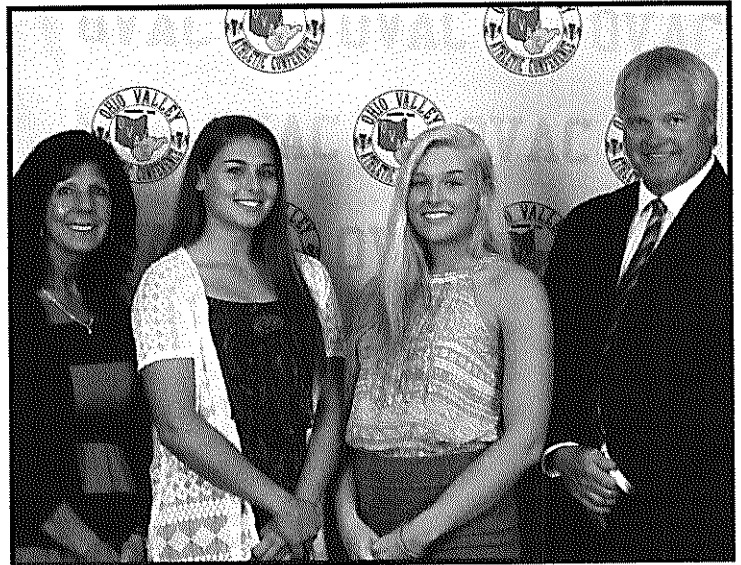

She will be serving as the Trainer for the Ohio squad in this year's All-Star game.

When Ian Whittington was approached about taking the West Virginia squad in the 70th Annual Rudy Mumley OVAC® All Star Football Game, selling his coaching staff wasn't a tough job.

The Oak Glen staff simply looked at it as an opportunity to work with "the best the Ohio Valley has to offer." And from there, it jumped at the opportunity. Now, the staff has the roster in place and is preparing to get to Bethany College on July 19 to begin camp for the game, which will be contested a week later at Wheeling Island Stadium.

"It's a great opportunity to get to coach your own kids, but being able to coach great players at all positions is special," Whittington said. "It's just exciting when you think that some of these kids are going to be going on to play at the college level and you get a chance to work with them for a week."

Whittington will be joined on the West Virginia sideline by Ted Arneault, Johnny Bonar, Frank Crain, Michael Demster, Chris Hill, Tim Ickes and Nathan Parry.

Here's a capsule look at the coaches:

IAN WHITTINGTON, Head Coach - This former Golden Bear standout has been at the helm for three seasons and has six years of total coaching experience. Through his career, Whittington has put together a 29-29 record. Along with his football responsibilities, Whittington also serves on the Oak Glen wrestling staff. The West Liberty graduate has also coached track during his relatively young career. Ian is engaged to Amber Littler and has one daughter, Kayleigh.

TED ARNEAULT, Assistant Coach - This first-year assistant will be joining the Golden Bears staff for the first time when the season gets under way next month. A graduate of Forest Hills Central High School in Grand Rapids, Mich., Arneault has nine years of coaching experience with stops at Brooke, Weir, Madonna and Robert Morris University. The owner of a degree from the University of Michigan and a Master's from Franciscan, Arneault was named 2015 Oak Glen Teacher of the Year. Ted played both football and rugby in his prep days.

JOHNNY BONAR, Assistant Coach - This current Bishop Donahue assistant will join Whittington's staff for the OVAC® Game. Bonar was a standout player at John Marshall and went on to play at West Liberty where he played wide receiver. Bonar has been a coach for five years, all of which have been spent with the Bishops. Johnny and his wife, Katrina, have two children, a son, Jackson (6), and a daughter, Kennedy (3).

FRANK CRAIN, Assistant Coach - This former OVAC® Class 3A coach of the year has spent four years with the Golden Bears football staff. Crain attended Oak Glen and then went on to graduate with a degree from the University of South Florida. Along with football, Crain has also coached wrestling. Both are sports played during his prep career. Frank and his wife, Constance, have three children, Devon Chadwick, James Crain and Zach Springer.

MICHAEL DEMSTER, Assistant Coach - This veteran coach has 10 years of experience, but just one as a member of the Oak Glen staff. Prior to joining Whittington with the Golden Bears, Demster coached for nine seasons in North Carolina. He also served as a track coach and was named Rocky River Conference Track Coach of the Year. Demster, who attended Fairless High School and Mount Union, owns a master's degree from Wingate University. Demster played football for the Purple Raiders. Michael and his wife, Stephanie, have one daughter, Delaney.

CHRIS HILL, Assistant Coach - This former Weir High standout has been a football coach for nine seasons, including the last three with Whittington at Oak Glen. Prior to that, he's worked at Weir High and Brooke. He still coaches track and swimming at Brooke. After his high school graduation, Hill earned a degree from Fairmont State and a master's at Wheeling Jesuit. Hill and his wife, Nicolette, reside in Follansbee.

TIM ICKES, Assistant Coach - This current Wheeling Park assistant owns five years of experience, including four with the Patriots. Ickes' other season of football coaching came at West Liberty University. Along with football, Ickes currently coaches tennis. Ickes is a graduate of Northwestern High School in Salem, Ohio. He earned his degree at West Liberty. Tim and his wife, Mia, reside in Martins Ferry.

NATHAN PARRY, Assistant Coach - This relatively new coach has just two years of experience, including a season at Oak Glen. He spent last season at his alma mater, McGuffey, Pa. Along with football, Parry currently coaches basketball and baseball. After high school, Parry headed to West Liberty where he played football. He attended Pitt for graduate school.

Best of Luck to the Ohio

2015 OVAC® ALL★STAR COACHES

Head Coach - Jeremy McElroy

BY SETH STASKEY
Sports Editor, Times Leader

With his roster set, Ohio coach Jeremy McElroy has announced the coaching staff that will join him on the sidelines for the 70th annual Rudy Mumley OVAC® All Star Football Game, which is set for Sunday, July 26 at Wheeling Island Stadium.

McElroy believes his staff is "chomping at the bit" to get to Bethany College on July 19 to begin preparation for the game.

"Our coaches are excited" McElroy said. "We have our hands full trying to get Beaver Local ready but we went and watched the Penn-Ohio game for the Quad County Coaches and it really excited us for this opportunity."

It's an opportunity that many on the staff will be experiencing for the first time. Only two members have had any past involvement with the OVAC® Game, and that all came as players.

"We're looking forward to getting to camp and getting to know the kids and start working with them," McElroy said. "We've been trying to touch base with the kids to see what they're all about and start building a relationship."

Slated to help guide the Ohio squad are: Charlie Dolnosich, Rich Shilling, Aaron West, David Allen, Jeffery Weidger, Ed Weidger, and T.J. Osbon.

Here's a capsule look at the coaches:

JEREMY McELROY, Head Coach - This Beaver mentor just completed his third season at the school in 2014 and his sixth overall as a head coach. Along with his tenure at Beaver Local, McElroy has also coached football at Lisbon, Kettering Fairmont, Piqua and his alma mater, East Palestine. He's also made two coaching stops at the collegiate level, working at California University of PA., and Mount Union. All told, he has 13 years of coaching experience. McElroy, who owns a degree from Mount Union and California, has also coached basketball and track during his career. Jeremy and his wife, Rebecca, have four children: Libby, Tucker, John Parker and Ava.

CHARLIE DOLNOSICH, Assistant Coach - This Meadville High School graduate is preparing for his first venture into the OVAC® Game. Dolnosich has worked on the Beaver Local staff for one year, which is the lone season of football coaching experience he owns. After high school, he went to Gannon University. Along with football, Dolnosich has also coached basketball in his career.

RICH SHILLING, Assistant Coach - Potter turned Beaver is the path this Ohio assistant coach has taken. After graduating from East Liverpool, Shilling headed to Muskingum College where he earned his degree. Along with football, Shilling is also a softball coach and has previously coached wrestling. Rich and his wife, Liz, reside in East Liverpool.

AARON WEST, Assistant Coach - The OVAC® All-Star Game will be a brand new adventure for this Leetonia High School product. West has four years of football coaching experience and has been on McElroy's staff at Beaver since his hiring. Prior to arriving at Beaver, he coached his alma mater. Along with football, West has experience in coaching basketball. Aaron and his wife, Arianne, have three children: Austin, Noah and Aubre.

DAVID ALLEN, Assistant Coach - This East Liverpool High School graduate has been around the coaching business for 17 seasons. Allen has spent the last two of those seasons with McElroy at Beaver Local, and prior to that coached with the Potters. Allen was a member of the 1990 Ohio All-Star Squad after his prep career. David and his wife, Deena have three children (Shane, Danielle and Payne).

JEFFERY WEIDGER, Assistant Coach - With four years of coaching experience, McElroy hired this assistant coach prior to last season. Before arriving to the Beavers program, Weidger had coached four seasons at Toronto, which is where he went to school. Weidger is a graduate of the University of Akron.

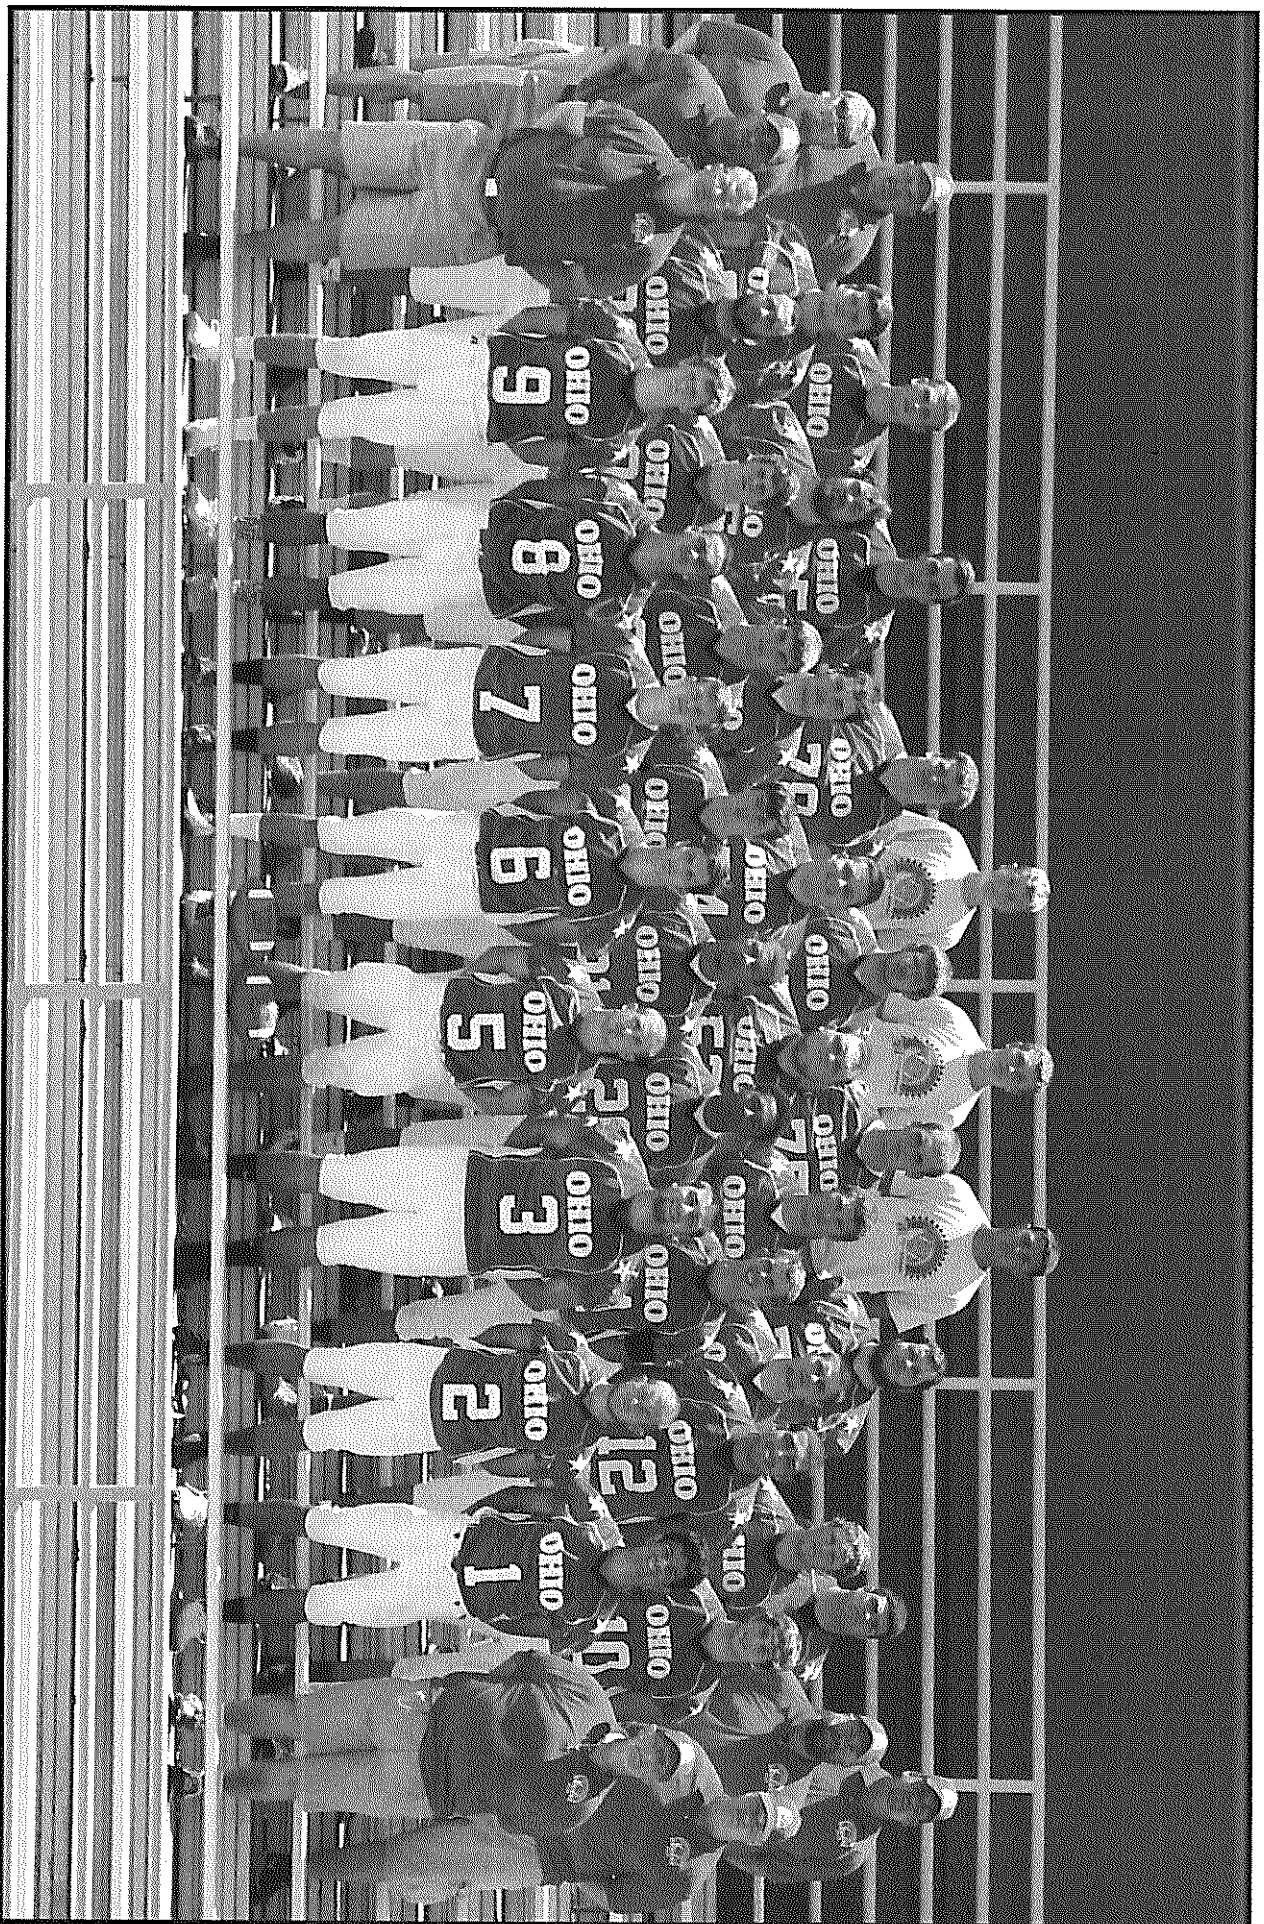

ED WEIDGER, Assistant Coach - Ed has been around football his entire life. He has coached at many different levels through the years, including a four-year stint as Head Coach at Toronto. He is glad to be serving on the Ohio Staff along with his son, Jeff.

T.J. OSBON, Assistant Coach - Having graduated from Oak Glen High School, T.J. represented the Golden Bears in this game in 2007. This summer, he finds himself wearing Buckeye red in the contest. He coaches football and wrestling at Beaver Local, but coached baseball this spring at Oak Glen. He played football, baseball and wrestled at Oak Glen, before graduating from West Liberty University. T.J. is living in East Liverpool.

Front L-R: Rich Shilling, T.J. Osbon, Jeremy McElroy, Jeff Weidger, Charlie Dolnosich; Back L-R Aaron West, David Allen, Ed Weidger.

2015 WEST VIRGINIA ALL★STARS

★ HONORARY OFFICIALS ★

One of the great things about athletics is the people you meet and become associated with from all walks of life. Coaches and players provide many memorable and unforgettable moments for the fans on the various fields of battle.

Sometimes forgotten, however, are the men and women in the striped shirts who officiate each and every contest unbiasedly, their main objective being to enforce the rules both to protect the safety of the participants and to see the games are decided in a fair and square manner.

Tonight a man who proudly wore a whistle around his neck for thirty-three years, will be provided a rare moment in the spotlight during the festivities for the 70th Annual Ohio Valley Athletic Conference® Rudy Mumley Ohio Valley All-Star Football Game.

Jim Kuczynski worked the football field, mainly as a line judge for 28 years, before spending his last five years as a referee. He still officiates some basketball games. He has proudly worked this Rudy Mumley All-Star Game three times, and would also like to note that his son played in this game. He became involved in officiating at the suggestion of a friend. "I have always liked sports and wanted to continue to stay involved in this great game," noted Jim. He has worked a whole bunch of West Virginia play-off games and is proud to have worked Ohio play-off games at three different positions: line judge, back judge and referee, a rare distinction.

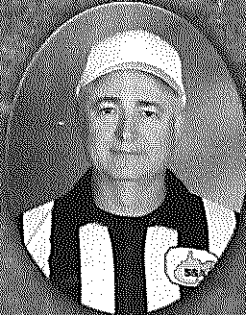

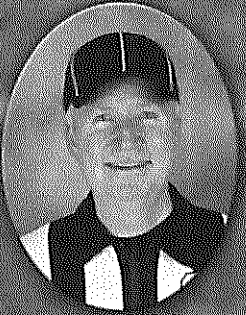

"As I look back, the OVAC® does a remarkable job with the various sports teams and coaches. It has been such a joy in my journey to be a part of the OVAC®. We were fortunate to have Sam and Rudy Mumley build the OVAC® into what it is today, and are very fortunate to have people who have not only carried on but expanded the OVAC®. It is hard to put into words how much fun it has been for me."

Jim currently lives in Bloomingdale, Ohio with his wife, Debbie. They raised four children and is looking forward to a sixth grandchild who is due to arrive in the near future. He graduated from Steubenville Catholic Central and played on their 1971 State Championship Football Team. He has taken classes at West Virginia Northern Community College. He is retired from Weirton Steel Corporation and currently works as a dealer at the table games at Mountaineer Casino.

OFFICIALS

Ohio vs West Virginia
July 26th, 2015

OHIO VALLEY ATHLETIC CONFERENCE
FOUNDED 1944

 Bill Kuhn Umpire	 Bob Mills Referee	 Greg Hall Linesman	
 Robin Reed Line Judge	 David Hulme Side Judge	 Mike Reese Back Judge	 John Murray Field Judge

The game officials working this evening's annual OVAC® Rudy Mumley All-Star Football Game were assigned by Conference Football Commissioner Dave Clutter.

"The OVAC® is proud and honored to maintain its long-running relationship with the Ohio Valley Board of Football Officials" said Game Director Bob Koch. "The growth of the OVAC is reflected in the expanded area from which we draw officials. The gentlemen selected for tonight's game bring a wealth of knowledge and experience to the playing field and are highly respected among their peers."

- **REFEREE BOB MILLS** has been officiating for 22 years. He began officiating at the behest of Jerry Ames. Since then he has worked play-off games in Ohio and West Virginia, the North-South All-Star game in West Virginia, but his most memorable game was when he was chosen to work the Herbstreet Classic in Columbus at OSU Stadium.

He lives in Belmont, Ohio with Becky, his wife of 29 years. They have three children: Kyle, who is currently serving in the Air Force; daughters Megan and Nicole; and grandson Jonathan. He attended Martins Ferry High School and Belmont College. He is currently employed by the State of Ohio Corrections Commission at the Belmont Prison.

In his spare time, Bob enjoys hunting, bowling and spending time with his family. He also serves as the Fire Chief for the Belmont Volunteer Fire Department.

- **Umpire Bill Kuhn** is a veteran of 15 years of officiating. He has worked WV play-offs for five years and Ohio play-off for two years.

He lives in Hopedale, Ohio with Tracey, his wife of 24 years and son, BJ. Bill graduated from Cadiz High School and is employed at Hopedale Mining. He enjoys golf, landscaping and week-end Corvette rides.

- **LINESMAN GREG HALL** is starting his 17th year in the officiating business during which he has done numerous OHSAA play-off games and the 2014 Penn-Ohio All-Star Game. He began officiating by answering a newspaper advertisement for an officiating class. "I have always loved the game of football and wanted to stay involved with it. I had no idea what to expect when I called my first game, but I was hooked after it was over. I was very nervous when I worked my first varsity game, but a veteran referee made it a great experience."

Greg lives in Calcutta, Ohio with his wife, Tara and their twin sons, Grant and Tyler. He graduated from Beaver Local High School in 1986 and Case Western Reserve University in 1990. He is employed as a supply chain planner for Allegheny Technologies, Inc. In his spare time, he enjoys golf and traveling.

- **LINE JUDGE ROBIN REED** has just finished his sixth year as an official. He has already refereed play-off games in Ohio and West Virginia. He has also worked the Ohio – WV Battle Against Cystic Fibrosis All-Star Game on two occasions. Robin also umpires softball games.

"I got into officiating to be able to participate in the game I have loved my whole life. I really enjoyed working my first WV play-off game as a part of a crew. I couldn't have worked with a better group of guys."

Robin lives in Vienna, WV with his wife, Beth and their children MacKenzie, Kailey and Zack. He graduated from Parkersburg Catholic High School and WVU – Parkersburg. He is employed at the Washington Works of DuPont Chemical. He enjoys hunting, fishing and spending time with his family.

"My 2014 season was dedicated in memory of my Dad, who we lost in September to complications of cancer. Thanks for teaching me the game I love Dad."

- **FIELD JUDGE JOHN MURRAY IV** has been blowing the whistle for eight years. In that time, he has worked a semi-final play-off game between St. Marys and Clay-Battelle, as well as basketball games. John was a great high school athlete who played on a state championship football team in 1984 at Steubenville High School, a 1985 track champion in the 300 hurdles and played in this All-Star game in 1985. "I do have a love and passion for football and enjoy being involved in the lives of young people."

John lives in Steubenville with his wife, Latisha. They have raised John V, James and Cedric. He is a graduate of Steubenville High School and has attended Pitt, Akron and Franciscan Universities. He is currently employed as the Office Manager of Agnew Sanitation. He enjoys playing golf in his spare time.

- **SIDE JUDGE DAVID HULME** has been wearing the stripes for 33 years. He has worked many West Virginia play-off games, the AA Championship Game in the 2010 Super Six State Championship as well as the 2005 North-South All-Star game. He has followed in his father's footsteps, who was a long-time official in Georgia. Dave notes, "Nothing beats Friday night high school football. I've developed a lot of close friendships through officiating."

Dave lives in Clarksburg with his wife, Joannie. They have raised three grown children and are now enjoying a granddaughter. He graduated from Furman University. He is currently employed as the Senior Pastor at Clarksburg Baptist Church. He enjoys a round of golf when he gets the chance.

- **BACK JUDGE MIKE REESE** has been an official for nine years. "I must admit I am honored to be asked to officiate the OVAC Rudy Mumley All-Star game this year. I have always loved the game. I wanted to get back into the game, so I signed up to be an official. I also enjoyed my first WV play-off game two years ago at George Washington High School. It was very competitive, back and forth game which ended in overtime. I couldn't have asked for a better experience."

Mike lives in Martins Ferry with his wife, Stephanie and their sons, Gavin and Colton. He graduated from Martins Ferry High School and Belmont College. He is employed by the City of Martins Ferry as a member of their fire department and currently serves as the Assistant Fire Chief. Boating at Seneca Lake with his family and friends, and coaching his son in baseball and football compete with football officiating for his spare time.

OVAC FOOTBALL OFFICIATING ACADEMY GRADUATION ANNOUNCEMENT

The OVAC is proud to recognize and congratulate the graduates of the 2015 OVAC Football Officiating Academy.

Recognizing the shortage of officials, the Conference has undertaken a grassroots outreach to identify and train young people who can become football officials at all levels of the game. The weekly Academy sessions consisted of a classroom setting studying rules and mechanics, plus on-field clinics and instruction.

Over the past 10 weeks, with outstanding support and cooperation from Martins Ferry High School, this group has successfully completed initial requirements for first year football officials established by both the Ohio High School Athletic Association and West Virginia Secondary Schools Activities Commission.

The 2015 OVAC Football Officiating Academy graduating class includes:

Robert Banyas
John Bishop
Bill Burkle
Frank Connelly
Shawn Fullerton

The class was led by Larry McCloy, Certified Instructor, assisted by Butch Minkemeyer, OVAC Director of Development for Football, Jim Sperlazza, Associate Director of Development and Don Zinni, OVAC Assistant Football Commissioner. Facilitator for the Academy was Dave Clutter, OVAC Football Commissioner.

We take this opportunity to thank these graduates for their interest and dedication, wishing them good luck as they begin their officiating careers.

A TALE OF TWO STORIES.

INTRODUCING OUR NEWEST MODEL, THE COVINGTON CRAFTSMAN.

Our model homes help demonstrate what's possible. Along with Craftsman styling, our newest model demonstrates the convenience (and surprising privacy) of a main-floor master suite. Two additional upstairs bedrooms provide space for anyone not called "Mom" or "Dad." A stunning two-story great room and custom kitchen bring the family together. And just downstairs, in our newest Design Center, we can demonstrate infinitely more possibilities.
