71st Ohio Valley Athletic Conference® Annual Rudy Mumley All★Star Football Game

Welcome to the seventy-first edition of the Ohio Valley Athletic Conference® Annual Rudy Mumley All-Star Football Game. Assembling on the field tonight any of the best young people in the upper Ohio Valley. This is a unique tradition of all-star football players, cheerleaders, band members and elected queen candidates. The OVAC® knows of no other similar assembly of high school talent in the United States.

I hope you enjoy and appreciate the skills on display this evening. It has been a pleasure for me, the coaches, the directors and the rest of the game committee to work with these fine young people over the last several weeks leading up to tonight's event. I would like to thank the parents who have entrusted these fine, young people – it is not an easy task.

Thank you for attending this event. Your support is needed and appreciated to continue and improve this outstanding charity event.

I would like to wish the best to the participants in tonight's activities – they have a bright future.

Bob Koch
GAME DIRECTOR

On the Cover...

Bill Hinegardner is featured on the cover of this year's program. Bill has been associated with the OVAC Rudy Mumley All-Star Football Game for many years. He first became heavily involved as Assistant Game Director with Ron Mauck in 1985. When current Game Director Bob Koch took over in 2001, a scholarship program was initiated to honor two football players from Ohio and two from West Virginia. Bill has served as chairman of this Scholarship Committee for the past sixteen years, since the inception of the program. A list of the 64 scholarship winners can be found in this program. Bill was an assistant coach in this game in 1969 when West Virginia won the game 12-0. The head coach that year was John Marshall's Dan Hamill.

Bill has a long history of involvement in OVAC athletics, even though he was not originally from the valley. He graduated from Meadow Bridge High School in southern West Virginia. He attended Concord College and participated in baseball and basketball while in college. He came to Marshall County to teach in 1965 and served as assistant wrestling coach under Paul Crago and later George Kovalick. When John Marshall opened in 1968, he was their first head wrestling coach. He worked John Marshall into a dominant team that few achieve regardless of the sport. In an eleven-year span from 1968 thru 1979, his teams were WV State Champs four times and State Runner-up four times. They won the OVAC Tournament Over-All four times along with five Over-All runner-ups in that eleven-year span. He ended with a dual meet record of 33 - 29 -1. He also coached football, track and baseball while at John Marshall.

He and his wife Shirley have been married for 52 years and live in Moundsville. Their son, Tim is the Plant Manager of the Hershey Chocolate Factory in Hershey, Pa. Tim and his wife, Elizabeth have three children. Their daughter, Tammy Crites is Director of Institutional Research at West Virginia Wesleyan College in Muckhannon, WV. Tammy and her husband, Randy have one son.

Congratulations Bill for your many contributions to OVAC athletics, in general, and this game, in particular. Rudy Mumley would have tipped his hat and said, "Job well done!"

The Times Leader

There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference® could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

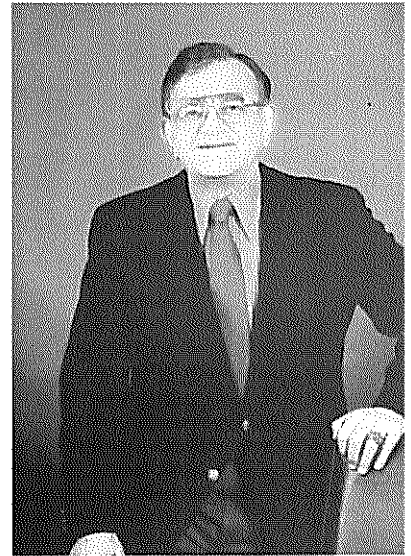

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By that time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a little jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just a star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

RUDOLPH "RUDY" MUMLEY
1918 -1999

pose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With Stars," was initiated and handled with impeccable care by two other longtime friends, Mike King and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event for the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred fans. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always ready to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli. Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

Wheeling News-Register

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference®.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various star contests. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

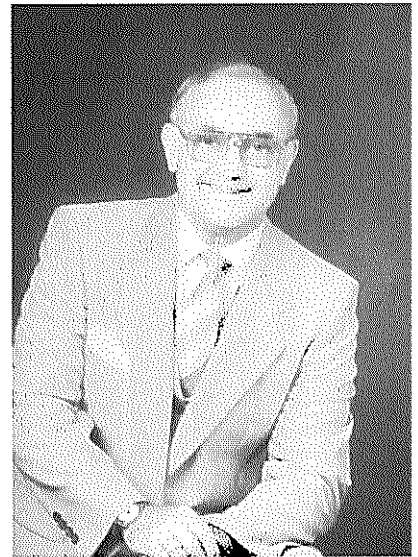

Who would have believed that the state high school football championships could ever be held out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Indentation Board was formed to serve as a fund-raising arm of the bi-state league. That board is in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, basketball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sponsor of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. He did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. Different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

28 Years... OVAC® All-Star

Football Classic in Retrospect

...and The Tradition Continues

A vast majority of people said it would never happen, many felt that it was impossible and some believing that it was to no avail ... "The OVAC® would not gain NCAA sanction for the resurrection of the defunct Ohio-West Virginia All-Star Football Game." True, as it was, the 1960's did not allow the conference much latitude for its quest for an CAA sanction.

As general information, at that time it was mandatory to have NCAA sanction, otherwise those college bound grant-in-aid players would be declared ineligible for their freshman year. Therefore, during the early and middle 1960's, the Ohio-West Virginia All-Star Football Game drew those athletes of lesser athleticism or those not considering to participate on the collegiate level. Through such sanctioning, the CAA could totally regulate any and all summer all-star contests, thus putting the "squeeze" on booster clubs and civic organizations who endeavored to work around such regulations. The Ohio-West Virginia All-Star Football Game fell into this category, thus ending the game in the late 1960's and with it the once celebrated Official opening of the Ohio Valley's "bigskin" season.

"We are not going to be denied," said Sam A. Mumley, Executive Secretary of the OVAC®. "The rich athletic heritage of this valley as well as having one of the most prolific scholastic conferences in the country should entitle us the opportunity of showcasing our student athletes." In this respect the conference executive board passed legislation which directed the executive secretary to set the course in obtaining CAA sanctioning, all of which would cover three years of time, effort and patience.

Beginning in early 1968, and with the intent of gathering preliminary information, it readily became apparent that the "deck was stacked" and those who originally commented on the impossibility of such an adventure their opinions seemed correct. However, the decision to move forward with our game plan remained and it was full speed ahead with enthusiasm, confidence and faith. What followed were days and months of endless phone conversations ranging from those with NCAA officials in Kansas City to those local and state political leaders as well as keeping the media constantly informed. Additionally there were endless committee and board meetings as well as dinner and luncheon engagements all designed with the purpose of seeking sanction approval.

1968 and 1969 quickly became history and among all of the other conference business, the OVAC® was

very busy in implementing its Title IX Program for Girls. Such female programs were introduced with the 1970 school year, two years before the federal mandatory date of September 1972. During this time period the conference was also formulating a full scale scholarship program, Partners in Academic and Athletic Programs, re-designing those needed changes in many sport levels and maintaining a sound financial base for all conference operations. Regardless, the NCAA all-star sanction movement was in full swing with constant communication between the NCAA and the OVAC® on target.

Late in 1971, a remarkable turn of events took place as the NCAA informed the OVAC® that they reviewed one of our many proposed all-star formats and found some definite interests in the overall structure. This, then, led to three continuous months of very intense correspondence and phone conversations. At this juncture it was felt that we were closing in on gaining sanction and the pendulum was swinging toward our future.

Then it happened late February 1972, a registered letter from the NCAA arrived at the conference office officially notifying the OVAC® that the NCAA Review Board for all-star contests had awarded total sanction for a conference all-star game for the summer of 1972. Overwhelmed and overjoyed, the conference held a monumental press meeting at the McClure Hotel in Wheeling announcing all the details relative to the first OVAC® All-Star Football Game. Rudy Mumley was already in the fold as our first director and remained as such for 23 years. In 1986, the game was officially re-named as The Rudy Mumley OVAC® Ohio-West Virginia Charity Football game All-Star Classic.

Tonight's 27th Annual Extravaganza will have produced 1,500 players • 3,200 musicians and directors (since 1982) • 500 cheerleaders • 750 queen candidates • 300 coaches, trainers, doctors, and managers • 225,000 fans and an enormous array of Shriners and volunteers, all major contributors in distributing over \$600,000.00 to local upper Ohio Valley charities.

Speaking for everyone in the OVAC® family, we thank you for allowing us to share "Charity and love for our fellow man."

As the Ohio and West Virginia gridders are resting for their annual game tonight at the Wheeling Island Stadium, the sixteen lovely girls are vying for the Queen of Queens crown of the 10th Annual All-Game, will participate in a parade and a tour of the Ohio Valley prior to appearing at the game.

A parade of 16 convertibles will parade over the streets of Wheeling starting at the McClure Hotel, where the girls will be quartered in a suite of rooms at 11:45 a.m.

The convertibles with the 16 attractive girls will leave the McClure Hotel and travel south on Eoff Street to 16th then west on 16th Street to Market, north on Market to 10th Street, west on 10th to Main and then on Main to 22nd Street then on to Benwood. From Benwood the parade will move on to Moundsville and then back to Benwood, where it will cross the river and visit Bellaire and move through the towns to Steubenville. From Steubenville the parade will travel to Chester, Wellsburg, Follansbee, and then back to the McClure Hotel where the girls will rest for the game.

The girls will make a grand appearance at the Stadium at 8:15 p.m. The coronation of the High School Queens will be crowned at colorful half-time.

“1940” The First All★Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory is the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shady-side youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was leadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nipped successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the. His Shadyside backfield mate despite his costly fumble, was the big guns in the Bucks' effort. Niemiec-Hartwig combination left the West Virginia fans worried.

Lou Caffaro, recovering from a nasal operation, held the stick for West Virginians but felt the call in his impassive role. Paul Weirton end who handled the job for Howell and Rowe, and an effective job although one of his feet slipped off the side of his foot of bounds.

"1966" All-Star Game - 50 Years A

The passing and field generalship of Bellaire quarterback Bob Jacobs and the bolt-like thrusts of Chris "Thunder" Thornton of Wellsville carried the Ohio team to a 26-0 victory over West Virginia in the 1966 Ohio Valley All-Star Football Game played at Wheeling Stadium.

Jacobs, who threw two touchdown passes, was voted the Ohio teams' most valuable player, while Thornton scored three touchdowns.

It was the passing arm of Jacobs that help put the game on ice late in the first half as he guided his team 83 yards in the final four minutes before intermission. Ohio had taken the opening kickoff and marched 57 yards to paydirt. The Buckeyes never threw a pass during the drive as Thornton and Cadiz' Buddy Warrington shared the ball-tot-

ing with a key seven-yard dash by Bob Falbo on fourth and two giving Ohio a first down at the West Virginia 15. After grinding out a first down at the three, Thornton took a quick pitch from Jacobs and outraced two defenders around the right side for the touchdown.

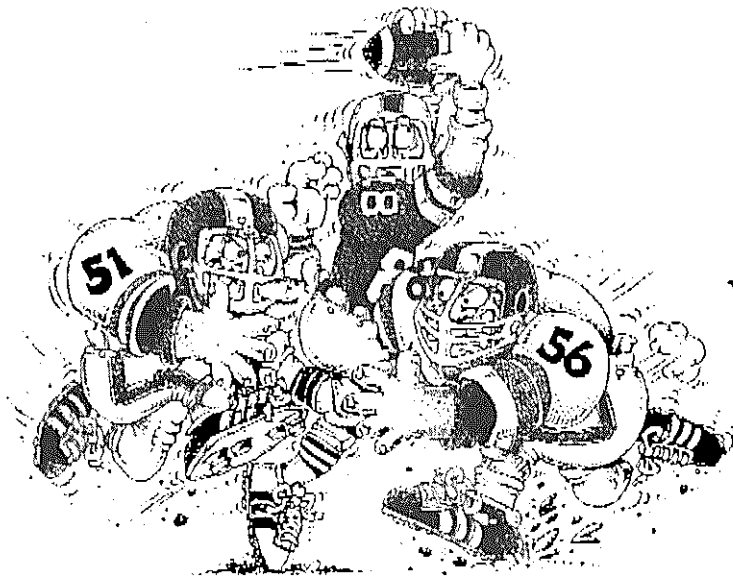

West Virginia's biggest surge in the first half came in the second half as the Mountaineers moved from their own 20 to the Ohio 17, only to have a bobbled handoff recovered by former Mt. Pleasant standout Rich Mason.

Jacobs then took charge with the clock running out. He hit on passes of 18 yards to Thornton, nine to Mingo's Ralph Murke, 13 to Covey, 20 to Bridgeport's Gary Timko and the final seven to Thornton with 27 seconds left in the half.

In the third period, behind the running of Herman Gong Union and Wheeling's Hodgson, the Mountain MVP, West Virginia did not get to the Ohio 14 only to fail to get the necessary yardage on down for a first down.

Early in the fourth quarter, Thornton took over on downs in the midfield stripe and proceeded to score in seven plays. The big gainers were a 10-yard run by Falbo, a nine-yard dash by Thornton. The touchdown came on third and seven from behind. Jacobs dropped back and threw a scoring toss to Covey.

Late in the final chapter of the game, Thornton, Chris' brother, accepted a pass at the Ohio 10 and returned it to the 13-yard line. Chris Thornton then scored with 17 seconds showing on the

1976" All-Star Game - 40 Years Ago

Star head coaches, Jim Thoburn of Wheeling Central and Ron Polish of Cadiz pledged that they would not settle for a drab, padded-out game and they kept their word in the 1986 All-Star Football Game played at Wheeling Island Stadium. The final score was West Virginia 33, Ohio 20.

Despite heavy rains the two pre-game nights, the carefully maintained stadium turf was in excellent condition, and the runners had a clear advantage.

There were six rushing touchdowns, and a 96-yard kickoff return for a TD to account for seven touchdowns in the first half. There was a running touchdown in each period.

West Virginia's swivel-hipped 182-pound Garen was the star of the game with three touchdown runs of 10 carries. He finished the game with 172 yards. Among the highlights of the night were those of Garen who led the Mountaineers to their fourth straight victory in the interstate rivalry, and thus took a 16-15 edge in the long rivalry.

The Buckeyes unveiled a long

distance, ball-toting star of their own in the person of Cadiz sprinter Mark Terry, who collected all three Ohio TD's, one being the 98-yard kickoff return which came in the final stanza. However, two of Terry's touchdowns came after West Virginia had piled up a commanding 33-8 lead.

Another outstanding performance for West Virginia was turned in by Oak Glen's Jeff Kreider who snared five aeri-als, all of the West Virginia completions, for 77 yards.

The Mountaineers piled up 254 yards rushing with their effective veer attack. West Virginia had 15 first downs. The Mountaineers won despite the fact that 12 of their 17 passes were incomplete, they lost the oval three times by fumbles and one time by an interception and absorbed 105 yards in penalties.

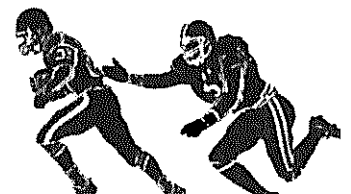

However, a sturdy Mountaineer defense limited the Ohioans to 53 yards rushing as Brooke tackles John Leon and Marv Sperlazza ranged far and wide to track down the Ohio ball-carriers. The Buckeyes gained 95 yards in the air, with seven completions in 22 tries, but suf-

fered three interceptions, lost 10 yards in penalties, and gave up the ball once on a fumble.

West Virginia led only 13-10 at halftime, but stretched its advantage with two touchdowns in the third quarter. The first was scored by Bishop Donahue's Frank Magnone when he recovered an Ohio fumble on the Buckeye three-yard line. Wheeling Central's Jack Palmer scoring a TD on the ensuing play.

Garen who had scored two touchdowns in five half on runs of 10 and 48 yards, set sail for the zone 45 yards from scrimmage and was successful as the defender couldn't make a tackle.

Actually, mainly through the efforts of Garen, West Virginia put the first points on the scoreboard before the clash was two minutes old as they ate up 100 yards after the initial kickoff. Garen having brought the fans to their collective feet on the second scrimmage play of the night as he zipped through left tackle for 60 yards to the Buckeye end zone before being knocked out of bounds.

"1986" All-Star Game - 30 Years A

The 1986 Annual OVAC Charity All-Star Football Game was billed to be an offensive extravaganza, but those on the defensive sides of the ball had other ideas, the result in Ohio 14-6 victory over West Virginia.

The game played at Steubenville's Harding Stadium pitted the coaching skills of Wintersville's Sam Cornsaglio and John Marshall's Mike Linsky.

After the Buckeyes had struck for two touchdowns in the second period, thanks to some crucial Mountain errors, the West Virginia coaching staff performed some fine tuning of the blue-clad defensive scheme, and Ohio was held to just one first down in the final half.

West Virginia's touchdown came late in the game, however, the ensuing onside kickoff was covered by Steubenville's John Downard. The defense for both teams was such that most of the rushing yardage was in single digits. Overall, there was only 316 total yardage in the contest, 161 for West Virginia and 155 for Ohio.

As to the Ohio touchdowns, the initial six-pointer came on a nine-yard "drive." This after Beallsville's Rick Faust got through the West Virginia offensive line untouched and battled a punt back toward the end zone, from the 33-yard line, with punter Shawn Straughn of

Bishop Donahue being able to corral the ball at the 9.

Cadiz's Eric Peterson carried the ball twice for only a yard as the first period ended, but on the initial play of the second period Steubenville Catholic Central's Todd Dugan ran a circle route out of the backfield to catch a touchdown strike from Wintersville QB Dean Ferguson. Bridgeport's Bob Stevens added the PAT by placement and Ohio had a lead it would never relinquish.

After receiving the ensuing kickoff and still without a first down, the Mountaineer squad on that next possession again had to punt with Peterson hauling in the kick at his own 40 and the mercurial scatback found a seam on the right side that enabled him to ramble 22 yards to the West Virginia 38. Looking for a quick strike, Ferguson called on Steubenville's Julius Shackleford who hauled in the aerial at the WV 25. Peterson then came up with a big-gainer, Bellaire fullback Scott Blumling got yardage to the one, before he went in for the touchdown. Steven's PAT made it 14-0 with 8:23 to go in the initial half.

After a WV drive ended at the Ohio 11 with five minutes left in the third quarter, neither offense was able to make a first down until less than three minutes remained in the game, as West Virginia's John Zinaich of Weir made a fine catch of a Mark Moore of Magnolia's aerial for an

11-yard gain to the Ohio. The other completed to Vinton's Madonna's Terrill Burnett picked up eight yards. Moore followed that completion by trying to find Oak Glen speedster Steve Hawkingbery at the goal line on that play pass interference was ruled against the Buckeye. West Virginia at that stage had a lead down at the Ohio 21. A swing to Brooke's John Cox netted 10 yards, Moore then got the first down and then Moore found John Marshall's Ray Miller in the end zone for a TD with 43 seconds remaining in the contest. The point pass conversion attempt was unsuccessful.

The game statistics showed offensive domination as West Virginia managed just 28 yards on 30 carries, while Ohio had 155 yards on 31 carries. The Ohio defense logged 10 sacks. The Mountaineers went with Moore as the way at quarterback and completed 11 of 22 for 133 yards. Ferguson and Bellaire St. John's Dimmick combined to complete four of 17 for 64 yards.

“2006” All-Star Game - 10 Years A

All the scoring of the 2006 Rudy Mumley OVAC Ohio-West Virginia All-Star Football Charity Classic took place in the first half with the three touchdowns belonging to the Buckeye quad who won the 35th annual event by a 22-0 score.

Ohio got on the scoreboard on the third play of its initial possession when Barnesville's Buddy Hines raced into the end zone from 47 yards out. A successful run for the extra point by Steubenville Central's J. J. Kuczynski made it 8-0. The second period turned out to be the Nate Davis-Willie Walker show as they teamed up for two TD's. One covering 32 yards and the other 36 yards. The duo teamed up for 133 yards on eight completions for the game, with Bellaire's Davis overall for the contest was 13 of 21 for 167 yards.

Buckeye coach Rich Goodrich, speaking to the news media after the game, said "Nate and Willie (the latter from Harrison Central), had connected all week in practice. They just took it so effortless." He added, "The smartest thing we did as a coaching staff back in February was to pick these guys. The second smartest thing we did was get the athletes play. It doesn't take a genius to figure that out. You just let them be."

Of course the defense played a big part in the Ohio win as West Virginia was held to 147 yards for the game. One of Ohio's biggest defensive plays

came late in the second period when Shadyside's Lyle Burkhart tackled Wheeling Park's Ronnie Green on a punt return late in the second period. Green was at the Ohio 15 when he was tackled, this was after Green had covered 75 yards of real estate. That stop assured the Ohio team of going to halftime with its 22-0 advantage. In addition to that run back, the only other legitimate scoring opportunity during the game for West Virginia came when Magnolia's Josh Sims, who was the third quarterback to be used by West Virginia in the first half, who engineered a drive which started at the WV 18 and ended on the Ohio 12 when the Mountaineers surrendered the ball on downs.

West Virginia mustered only 147 for the entire game of which 100 came on 40 ground carries, and 47 through the air on three completions. John Marshall's Evan Hewitt led the ground attack with 31 yards on five carries.

As to the Ohio's offense, Hines led the running attack with 65 yards on six carries, while Steubenville Central's Zach Hawrot gained 50 yards on six carries. During the first Davis-to-Walker touchdown drive, twice they connected on third down plays including the TD.

The final Ohio touchdown drive began with clock less than five minutes prior to halftime and including of 70 yards through the air involving Davis

and Walker. The touchdown with four seconds remaining intermission.

At halftime the offensive scored 239-73 in favor of Ohio. West coach Eric Meek said, "We went against a defense that was very and aggressive."

~ A Tribute to George Strager ~

(A column by Nick Bedway that originally appeared in the Wheeling News-Register on August 18, 2011)

With another high school football season set to get underway, I thought this might be a good time to reflect on the career of the late George Strager.

The Ohio Valley's winningest schoolboy football coach, Strager was truly a legend in his own time as he amassed a total of 246 victories during a career that spanned nearly four decades.

Perhaps, I should point out that there's no telling how many more games Strager's teams would have won had the current tiebreaker rules been in effect while he was stalking Ohio Valley sidelines.

During his entire coaching career, if the score was tied at the end of the fourth quarter everybody went home, satisfied or not.

Strager's offensive genius was considered ahead of his era and he certainly could have figured out a way for his teams to win at least half of those stalemated contests in overtime. His overall record shows 246 wins, 115 losses and 16 ties.

I picked Coach Strager as the subject for this column not just because of the success he experienced in coaching. The love and dedication that he gave the couple of thousand kids he coached affected most of their lives in a positive way.

Yes, George was hard to play for and tough as nails on the field. His pre-game and half-time talks were filled with fire, especially when he didn't think his team was performing up to his expectations. But he was hilariously funny at times around his coaches and players.

Today's younger coaches could have learned a lot about football and how to get the maximum out of their players had they had the opportunity to learn from this coaching giant.

This past week I asked a couple of long-time Strager friends and associates - Doug Huff, the former Sports Editor of The Intelligencer and Wheeling Central Catholic assistant coach Mike Young - to share some of their reflections on Ol' George.

Huff spent nearly three decades covering Strager's teams. Young played for Strager at Central. He was also his long-time assistant at St. Clairsville High and he has handled perhaps the toughest task of all when he was asked to succeed the long-time mentor at the helm.

"It wasn't as difficult as people said it would be because George Strager prepared me to be a head coach by giving me responsibility and boosted my confidence. When the time came, I felt like I was ready for it," Young explained. Mike had spent 17 years on Strager's staff at St. Clairsville.

"He was like a second father to me in terms of our friendship and the way our families got along. I don't think a lot of people realize George was a great family man." He and his wife had four kids and two of them were still in junior high when Lounelle passed away. "George did a wonderful job of raising them almost on his own. All of his children have been successful in their lives as well." You know but it definitely was Strager's football brain that put him ahead of the other coaches during his long career. He was a master-mind of the game. Young talked about how Strager could look at a team's defense and quickly find a way to attack it and pick it apart. "We were fortunate during that time to have had many quality athletes at St. Clairsville," Young also said.

The most famous of the Strager proteges, of course, was Tim Spencer, who went on from the Saints to star at Ohio State, played in the National Football League and return to Buckeye Local as an assistant coach. The unfortunate part of Strager's Red Devil days were the times when the Ohio High School Athletic Association was taking just one or two teams from each region for post-season play. "We were the great teams that did not get a chance to play in the post-season," Young said. Three of Strager's undefeated teams Red Devil squads went on to play in the post-season.

St. Clairsville did make it twice under Strager, qualifying in 1983 and in 1986. The 1986 squad won two playoff contests and went on to win the state final when it lost a controversial decision to Chagrin Falls Kenston at the Rubber Bowl in Akron. It was Huff that pointed out that Strager is probably the only person to have coached three different Ohio Valley teams to undefeated seasons. His 1953 Sistersville team went 10-0-1 and won the state championship with a 27-12 victory over Romney.

In 1963, Strager guided the Maroon Knights to a 10-0-1 season, ending with a 40-6 dismantling of highly-regarded Charleston Central in the WV Catholic title game. He also had three undefeated teams at St. Clairsville, posting records of 9-0 in 1970, 1978 and 10-0 in 1985.

Certainly, this feat of having unbeaten clubs in four different decades is another unmatched area achievement. "I always consider him the 'Coach's Coach' because he was so well respected among his peers," Huff said, "mention his name in a conversation with fellow coaches and they always had something positive to say about his coaching philosophy, techniques, etc." Huff also talked about how Strager's teams were always fun to watch and cover. They never seemed out of a game because of his offense's ability to strike from any place on the field. "People are born to do certain jobs. George was born to be a high school football coach. And he was one of the best," Huff added.

Doug certainly told it the way it was where our mutual friend was concerned. George had opportunities to go into the college ranks. He turned down a couple of big-time offers as I recall. But his fun and his life was in taking a group of young high school kids and turning them into something special.

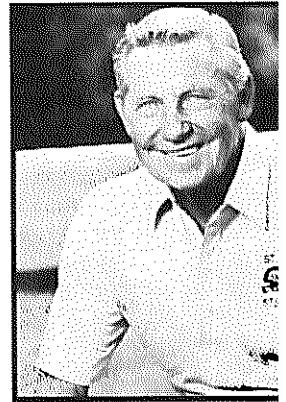

Bob Kettlewell, the late successful coach in Wintersville (now Indian Creek High School) regarded Strager as being a good a quarterback as he ever saw. The triggerman at QB was definitely the key in Strager's multiple offense, more as a ball handler than a thrower and as someone who could run his offense with a sleight-of-hand, good things were going to happen for his team that season.

My relationship with George was more than just between a journalist and a coach. When he came to coach at Wheeling Central Catholic in 1961, I was a young writer and both Strager and the late Bob Roe, then the head coach of Wheeling High School, took me under the wing. Strager was never known for paying much attention to the defensive side of football, although I'm sure that was exaggerated.

I do recall one time, however, when I went out to do a "Strager & Son" piece for the newspaper the week of the Red Devil's opening game at Wheeling High School. On George's staff and his defensive coordinator at the time was his son, "Duke." After talking with the head coach, I wandered over to talk to Duke for a few minutes. "How's the defense going," I asked. "I don't know. Dad's spending so much time on offense, he hasn't let me work with the defense yet," Duke said as I could see the twinkle in his eye.

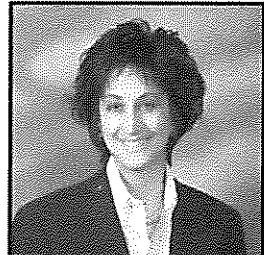

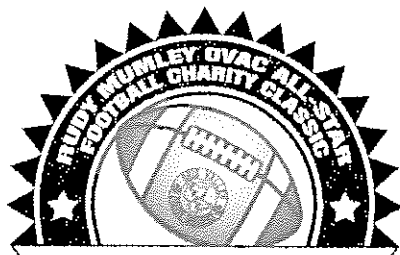

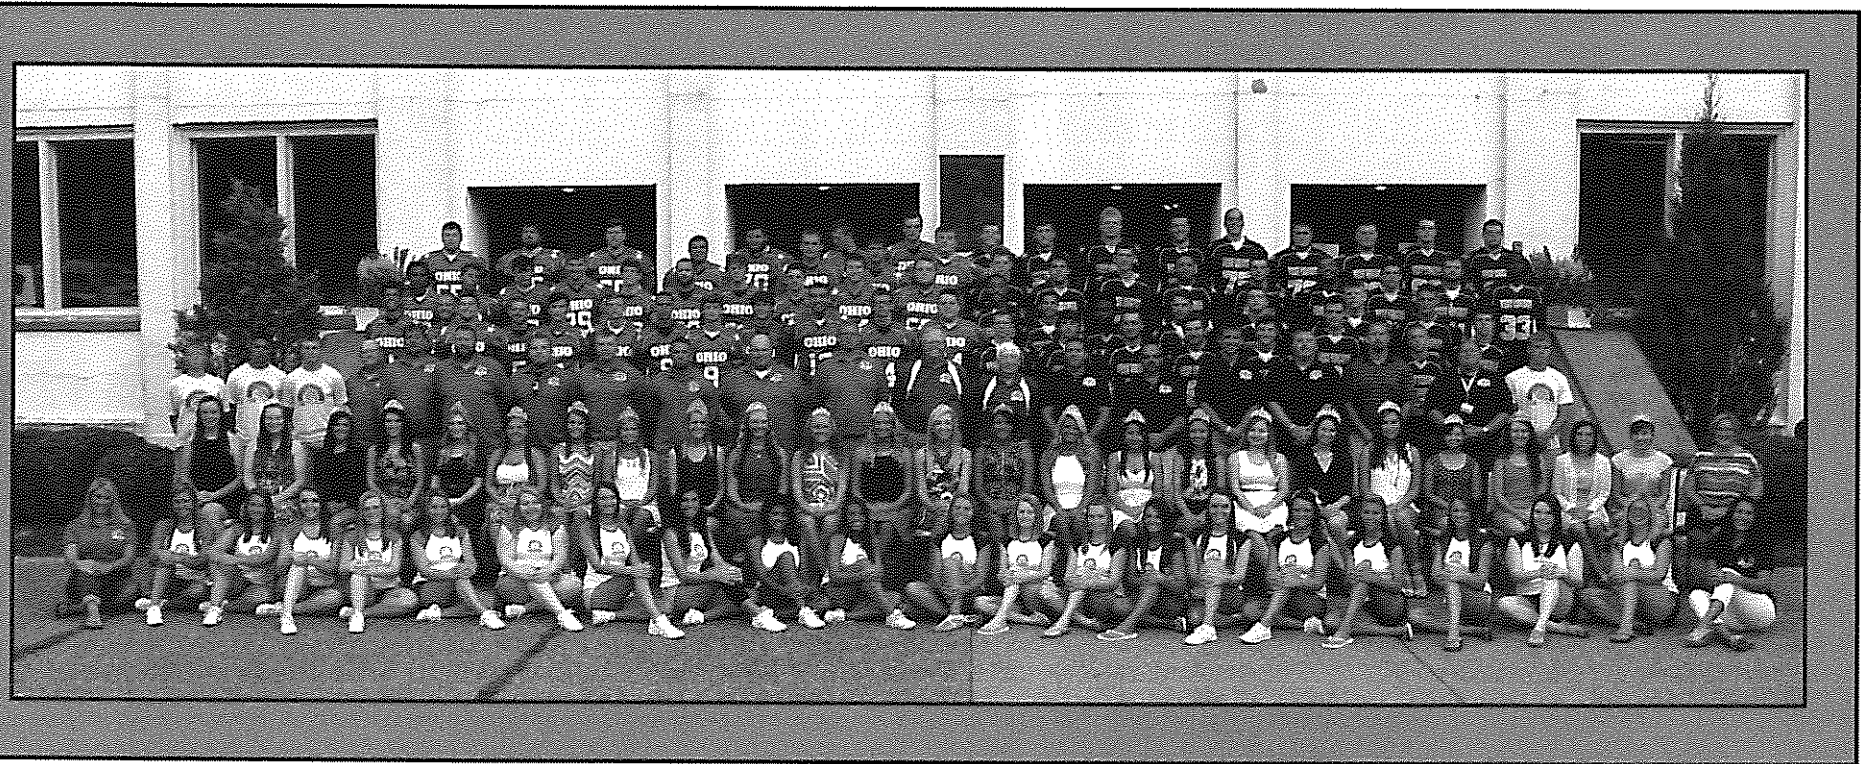

Either the son was kidding me, or the defense made some remarkable strides in the three days prior to the game as St. Clairsville defeated the Wildcats 44-14. Strager's impact on the Ohio Valley coaching scene and even some of today's athletes will continue to be felt.

Mike Young pointed out that he and Kelly Rine continue to be directors for the George Strager Football camp every summer. Playing in the Rudy Mumley OVAC All-Star Football Game are feted four nights before the contest each year at George Strager Events.

Dr. Robert Jones is a native of Scribner, Nebraska where he attended West Point High School as a multi-sport athlete in football, basketball, track and baseball. After an outstanding high school football career, he received a scholarship to the University of Nebraska where he played for the great college coach, Bob Devaney.

After college, he was selected by the Washington Redskins to begin his professional career. He spent a year with the team on the practice squad. From the Redskins, Jones went to the Wheeling Ironmen where he played from 1964 to 1967.

While playing and teaching in the Ohio Valley, he started medical school at West Virginia University. He graduated from medical school in 1972, graduating third in his class. After surgical residency and fellowships from 1972 to 1979, he came to Wheeling and started his practice where he continues to treat patients to this day. Jones is one of the prominent surgeons in the Ohio Valley and is licensed in Ohio and West Virginia.

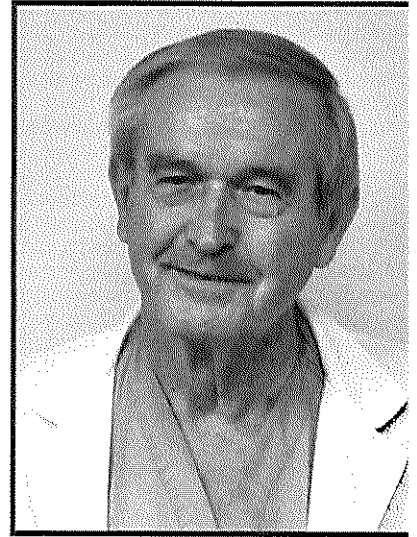

He and his wife Rita live in Wheeling and have six children.

Dr. Jones has been involved with the game since 1984. Dr. Luis Vasquez was the Ohio team doctor and he became the West

Virginia team doctor. He has as a simple self-diagnosis to explain his affliction for football. "The game is addictive and I know of no antibiotic, pill or shot that can get it out of my system. I got involved because of football. The appeal is the game itself ... it doesn't matter what aspect it is."

Many of the games he has seen and worked were good. But one – the 1987 Classic – stands out because of the luminous stars that who played in the contest. Ohio – featuring St. Clairsville's dueling Vincent and John Spencer - defeated the Alex Shook led West Virginia team 13-11 in the All-Ohio game played at Steubenville because of the renovations to Wheeling Island Stadium.

Of course, the main purpose of football and other sports is to teach the participants qualities they can use with themselves throughout their lives. Football was no different for Jones. He says he learned discipline – a necessary component in any surgeon's mental make-up – by playing football all his life. "The discipline of football pushed me to be into the medical field and to be a surgeon," Jones said.

There's a lot more to playing an all-star football game than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC® All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

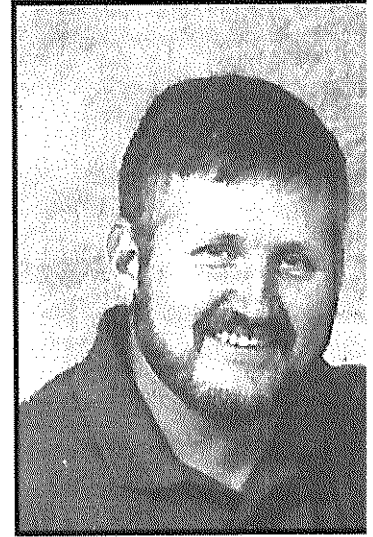

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.
- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.
- Telling coaches if players injured during the game are healthy enough to return to action.
- Deciding whether or not to play, delay or cancel a game because of weather conditions.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton holds a Bachelors Degree in physical education from The Ohio State University and a Masters Degree in exercise physiology from the University of Arizona.

But, Fullerton said, "There's nothing quite as special as the OVAC®." That's why he returned to the Ohio Valley in 1984. He currently works as a registered nurse at MedExpress in Elm Grove. People like (Van Home, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship...sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Triadelphia and is the proud father of two adult children - Jaclyn who will graduate from WVU this August and Jake, who will be entering his junior year at WVU.

TRAINERS

Through the course of tonight's game and the week leading up to the game, there will be bumps and bruises suffered by the players on both teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty College. Minch has been involved with the OVAC® All-Star Game since 1987 two years after his graduation from Wheeling Park High School. Minch was studying health and physical education at West Liberty when he approached to be a trainer for the game and eventually went on to earn his masters of science in physical and athletic training in 1990 from West Virginia University.

Herb got started into training during his years at Park under Tim McCormick and he just took it from there. "I had a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help the athletes."

Minch didn't expect to be involved with the OVAC® Game as often as he has been when he was first approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." He hopes to be getting out anytime soon. "I think it's obviously a great tradition," Minch relayed. "It's quite nice to be a part of it and as long as they want me involved, I will continue to do it. It's been a great experience."

Herb is married to the former Ashlea Bland. He's got a daughter Kailey (3).

Jason Coleman is a trainer at West Liberty University. He is a Wheeling native and graduated from Wheeling Central Catholic High School in June of 2005.

He attended West Virginia University and earned a Bachelor of Science degree in Physical Education and Athletic Training. During his time as an athletic training student at WVU, he gained a wealth of knowledge in both the classroom and the clinic in a variety of sports assignments. They included assisting with in-season spring football, women's soccer, swimming and diving, rowing and spending his senior year working with the 2009-10 men's basketball team which captured its first Big East Championship in school history and won the East Regional in the NCAA Basketball Tournament enroute to a Final Four appearance. In addition, he has worked lacrosse and field hockey camps at the University of Virginia.

He also currently volunteers at the Healthworks Rehab and Fitness Center in Morgantown. He received his certification as Athletic Trainer in July 2010.

2016 OHIO OVAC® ALL★STAR CHEERLEADERS

Coach April Giesey - Shenandoah High School

Needless to say, the football players involved in this year's Ohio Valley Athletic Conference Rudy Mumley All-Star Football Game won't be the only athletes on the field tonight at Wheeling Island Stadium. All-Star cheerleaders have been selected from throughout the conference to showcase their skills during the game.

April Giesey is coaching the Buckeye cheerleaders this year. She is the cheer coach at Shenandoah High School and will be in her fourth year at that position this fall. This past year the Zeps competed in the OVAC Cheering Championships for the first time in several years.

April is a graduate of Meadowbrook High School and Zane State College. She lives in Sarahsville, Ohio with her husband, Brian and they have three daughters, Cheyenne, Savannah and Liberty and a son, Laramie. She is self-employed in the land title exam business, which she has done for the seventeen years.

2016 WEST VIRGINIA OVAC® ALL★STAR CHEERLEADERS

Coach Dana Mele - Bishop Donahue High School
Coach Shawna Shepherd - Wheeling Park High School

The West Virginia-side cheerleaders will be coached by Dana Mele from Bishop Donahue High School. She has been involved with the Bishops for the past six years. They have won five straight OVAC A cheering titles, accented with two Regional Championships and a state runner-up award. She has used team bonding dinners to build cohesiveness and they have proven to be extremely fun and important to this group.

Dana and her husband, Curt live in Benwood, where they have raised three children and now enjoy three grandchildren. She is a graduate of Wheeling Central Catholic High School and is employed in the Marshall County Prosecutor's Office at the County Courthouse.

Also coaching the Mountaineers is Shawna Shepherd. This is the sixth time Shawna has offered her services for this summer classic. This is the twelfth year she has served as head cheering coach at Wheeling Park High School, having been at the Linsly School for three years, and Triadelphia Middle School for three years prior to that. Her Park squads have won the OVAC title ten times, earned runner-up status in West Virginia state competition in 2008, before claiming the West Virginia AAA state title for the past two years in 2014 and 2015. Shawna serves on the OVAC Cheer Committee. "I am equally proud that my teams have participated in Relay for Life, served as reading mentors in local elementary schools, as well as volunteered for the Miracle League and Special Olympics."

Shawna is a graduate of Marshall University. She currently lives in Wheeling and is employed as a Child Development Specialist at Easter Seals in Wheeling.

WHEELING — Chemistry isn't only big for players, but also for coaching staffs.

Wheeling Park's staff has been together for "basically the whole ride," according to head coach Chris Daugherty and the ride has added an extra turn since the Patriots staff will guide West Virginia in tonight's 71st annual Rudy Mumley OVAC All-Star Game.

"We're a very, very close group," Daugherty said. "I think one of the neat things about (coaching) the OVAC game is you get to be with your entire staff and coach this group of kids. Like in the North-South Game, you represent your staff, but having everyone together makes it nice."

On top of spending an extra week together, Daugherty said his entire staff is excited for the opportunity that the OVAC Game presents.

"Most of the guys on our staff grew up in the Ohio Valley, so they know what this game means to the kids and football fans of the area," Daugherty said.

Here's a capsule look at the West Virginia coaching staff:

Front L-R: Dasean Scott, Jack Doyle, Chris Daugherty, Andy Seal, Rick Marsh. Back L-R: Jason Coleman - Athletic Trainer, Dave St. Shane Glass, Tim Ickes, Boogie Johnson, Keith Phillips.

CHRIS DAUGHERTY, Head Coach — The Patriots' leader has been at the helm of his alma mater's grid program for the 11 seasons and tasted a lot of success. Daugherty, who has 23 total years of experience, have qualified for five consecutive We AAA playoff appearances and climbed to the top of the mountain with a state championship last season. The Patriots have gone over the last five years. During his tenure, Daugherty has coached 25 all-state players, including having 14 named to the first-Daugherty was named the USA Today West Virginia Coach of the Year in 2015. Before taking over the football program, I coached track. He won 10 consecutive OVAC titles and the 2007 state championship. The owner of a degree from West Liberty College and a master's from West Virginia University, Daugherty is also a teacher at Wheeling Park. Chris and his wife, Jenna, have daughters — Josie (16), Natalie (10) and Danielle (9).

DREW BEIHL, Assistant Coach — This former Park Patriot has been a member of the coaching staff for 13 years, including several as quarterbacks coach. Beihl graduated from Park in 1998 and finished his degree at West Liberty in 2003. Along with his duties, which have also included junior high stints at Warwood, he's coached junior high basketball and is currently Park's head I coach. Drew and his wife Melissa have four children — Jarred (17), Emilee (11), Faith (4) and Brady (7).

JACK DOYLE, Assistant Coach — This former John Marshall Monarch has been working on Daugherty's staff for the last 11. Along with his football assignment, Doyle, who is a graduate of West Liberty, is the head wrestling coach at Wheeling Park. coached baseball during his nine-year career. Jack and his wife, Tammy, reside in Wheeling.

SHANE GLASS, Assistant Coach — This Grafton High School and Marshall University graduate has been a member of the Park staff for eight years. Along with his football duties, Glass serves as an assistant girls basketball coach at Park. Shane and his wife are the parents of three children — Morgan, Maguire and Andrew.

TIM ICKES, Wheeling Park — This Patriots' assistant is part of the West Virginia OVAC staff for the second straight season worked with the Oak Glen staff last July. Ickes has been a member of the Patriots staff for all five years of his coaching career. In football Ickes also coaches boys tennis. Ickes is a graduate of West Salem Northwest High School in Ohio. He owns a degree at Liberty where he also played football. Tim and his wife, Mia, reside in Martins Ferry.

DARYL "Boogie" JOHNSON, Assistant Coach — This former Patriot standout, who won the Kennedy Award, went on Oklahoma State University and has spent the last six years on the Park staff. Johnson worked with the Wheeling Little Patriot program before ascending to the varsity level. He also has coaching experience with middle school basketball. As a player, Jot West Virginia Gatorade Player of the Year after his senior season. He was first-team all-state, all-OVAC, all-Valley along with first all-American. Johnson and his long-time girlfriend, Natalie Spence, have two sons — Savion (18) and Amare (8).

RICK MARSH, Assistant Coach — This veteran assistant has worked with Patriots' football for the last 15 seasons. All told, 15 years of football coaching experience. Along with football, Marsh, who is a 1987 Wheeling Park and 1991 West Liberty graduate coached track and field. Rick and his wife, Shannon, have three sons — Jared, Quinn and E.J..

KEITH PHILLIPS, Assistant Coach — This veteran Patriots' defensive coordinator had a unit last season that led the Mountain total defense last season. Prior to arriving at Park, Phillips was West Liberty's defensive coordinator for 14 years. All told, he spent 15 years on the Hilltoppers' staff. At West Liberty, nine of Phillips' players earned all-American recognition, 58 were recognized on the varsity team and three were conference player of the year. At Park, 10 of his players have received scholarships to play collegiately. Phillips spent time coaching at Bethany. He's been on the sidelines for 28 years. Keith and his wife, Terry, are the parents of three sons — Nathan and Brett.

ANDY SEALS, Assistant Coach — This former Patriot has been a member of the Park coaching staff for 13 years. Prior to moving to Park, he coached four years at Bridge Street Middle School. He's also garnered coaching experience in baseball and basketball. A 1998 high school graduate, Seals completed his degree at West Liberty in 2003. Andy and his wife Carly have been married for 15 years and have two children — A.J. (9) and Brennan (4).

DAVE STAHNKE, Assistant Coach — This long-time aide has coached a bevy of sports at different levels and different schools. He spent the last eight seasons on the football staff at Park. He also coached junior high at Warwood Middle School. He's also the head coach of the Middle School girls basketball coach. He spent the last several years as a boys assistant at Wheeling Park. Prior to coming back to Park, he coached for 10 years at Park.

Best of Luck to the Ohio

2016 OVAC® ALL★STAR COACHES

Head Coach - Kevin Gunn

ETH STASKEY

Sports Editor, Times Leader

CAMBRIDGE -- As it pertains to the Rudy Mumley OVAC All-Star Football Game, the Cambridge football staff has a lot of experience.

No fewer than five members of the Ohio's 2016 coaching staff have some sort of past history with tonight's game.

Head coach Kevin Gunn is looking forward to coaching the 2016 Ohio State all-stars during the 2nd annual game that pits Cambridge against West Virginia.

"Our coaching staff is looking forward to this opportunity," Gunn said. "A few of the guys have experience in the all-star game and a few of the guys who haven't are excited to be a part of it for the first time.

I'm excited about the opportunity to spend some time with these kids and we're salivating to get to camp to get started with the talents and abilities these kids bring."

Here's a capsule look at the coaching staff:

KEVIN GUNN, Cambridge -- The Bobcats head coach completed his fourth season at the helm of his alma mater last year. Gunn's 1985 graduation earned his degree from Muskingum College in 1989. He's been coaching football for 30 seasons and has a career record of 19-21. Along with his football duties, Gunn has also been coaching track for the Bobcats.

ANDY BROWN, Cambridge -- This Bobcats assistant has been on Gunn's staff for one season. Brown graduated from Cambridge High School and then went to Lake Erie College before finishing his degree at Muskingum University. He was a standout football player for the Bobcats and played two years of college football.

LE COX, Cambridge -- This former Bobcat completed his second season of coaching football, both of which came under Gunn, in 2015. Cox attended Cambridge High School where he played football, basketball and baseball. He went on to Union where he was a member of the Purple Raiders' 2012 Division III National Championship squad. Along with his football duties, Cox also coaches junior varsity baseball and junior high basketball.

JR FOX, Cambridge -- This veteran assistant has been a member of Gunn's staff for three years. All told, he's coached for six years. Fox is a graduate of Bluffton High School and he then went to Muskingum College. Along with his football duties, Fox is also the Cambridge soccer coach and he's been recognized by the OVAC and ECOL. He also serves as the track coach, winning Eastern District Coach of the Year twice. He led the Bobcats to the OVAC Class 5A title this year.

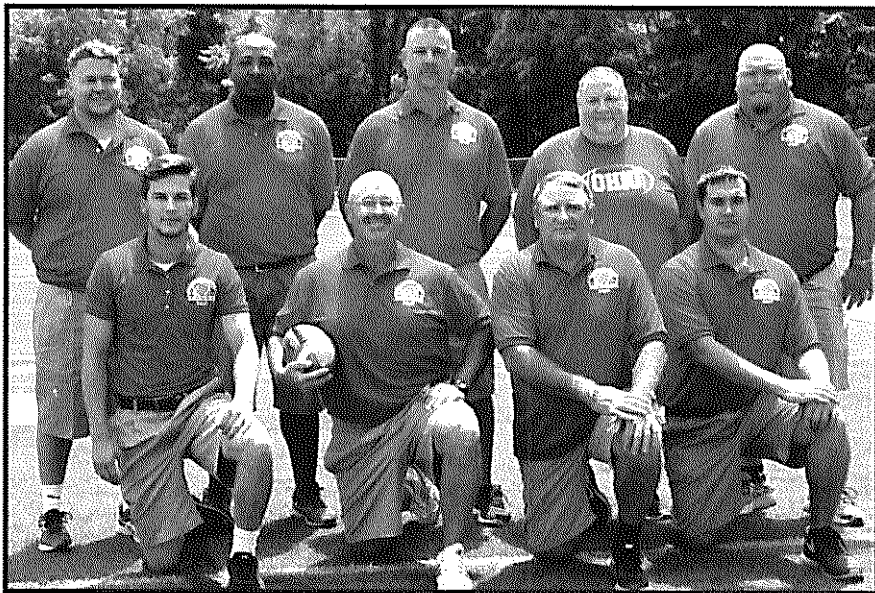

Fox and his wife, Tracy, have three sons -- Greg, Eric and Adam. Adam is actually a member of the Ohio squad.

RILEY HAYHURST, Cambridge -- Just two years ago, this former Bobcat was suiting up for the Ohio squad. Now, he's a member of the coaching staff. Hayhurst is preparing for his first season on Gunn's staff. He was a standout player, earning Ohio and all-OVAC acclaim during his prep years.

JOSH LOWERY, Cambridge -- This former Bobcat standout has spent the last seven years coaching at his alma mater. After returning to Cambridge, Lowery was an assistant coach at Shenandoah for one season. After high school, Lowery earned his degree at Muskingum University. Along with his football coaching duties, Lowery is also the head baseball coach at Cambridge and coached in the OVAC All-Star Game earlier this month. Josh and his wife, Rachel, have one son, Jake.

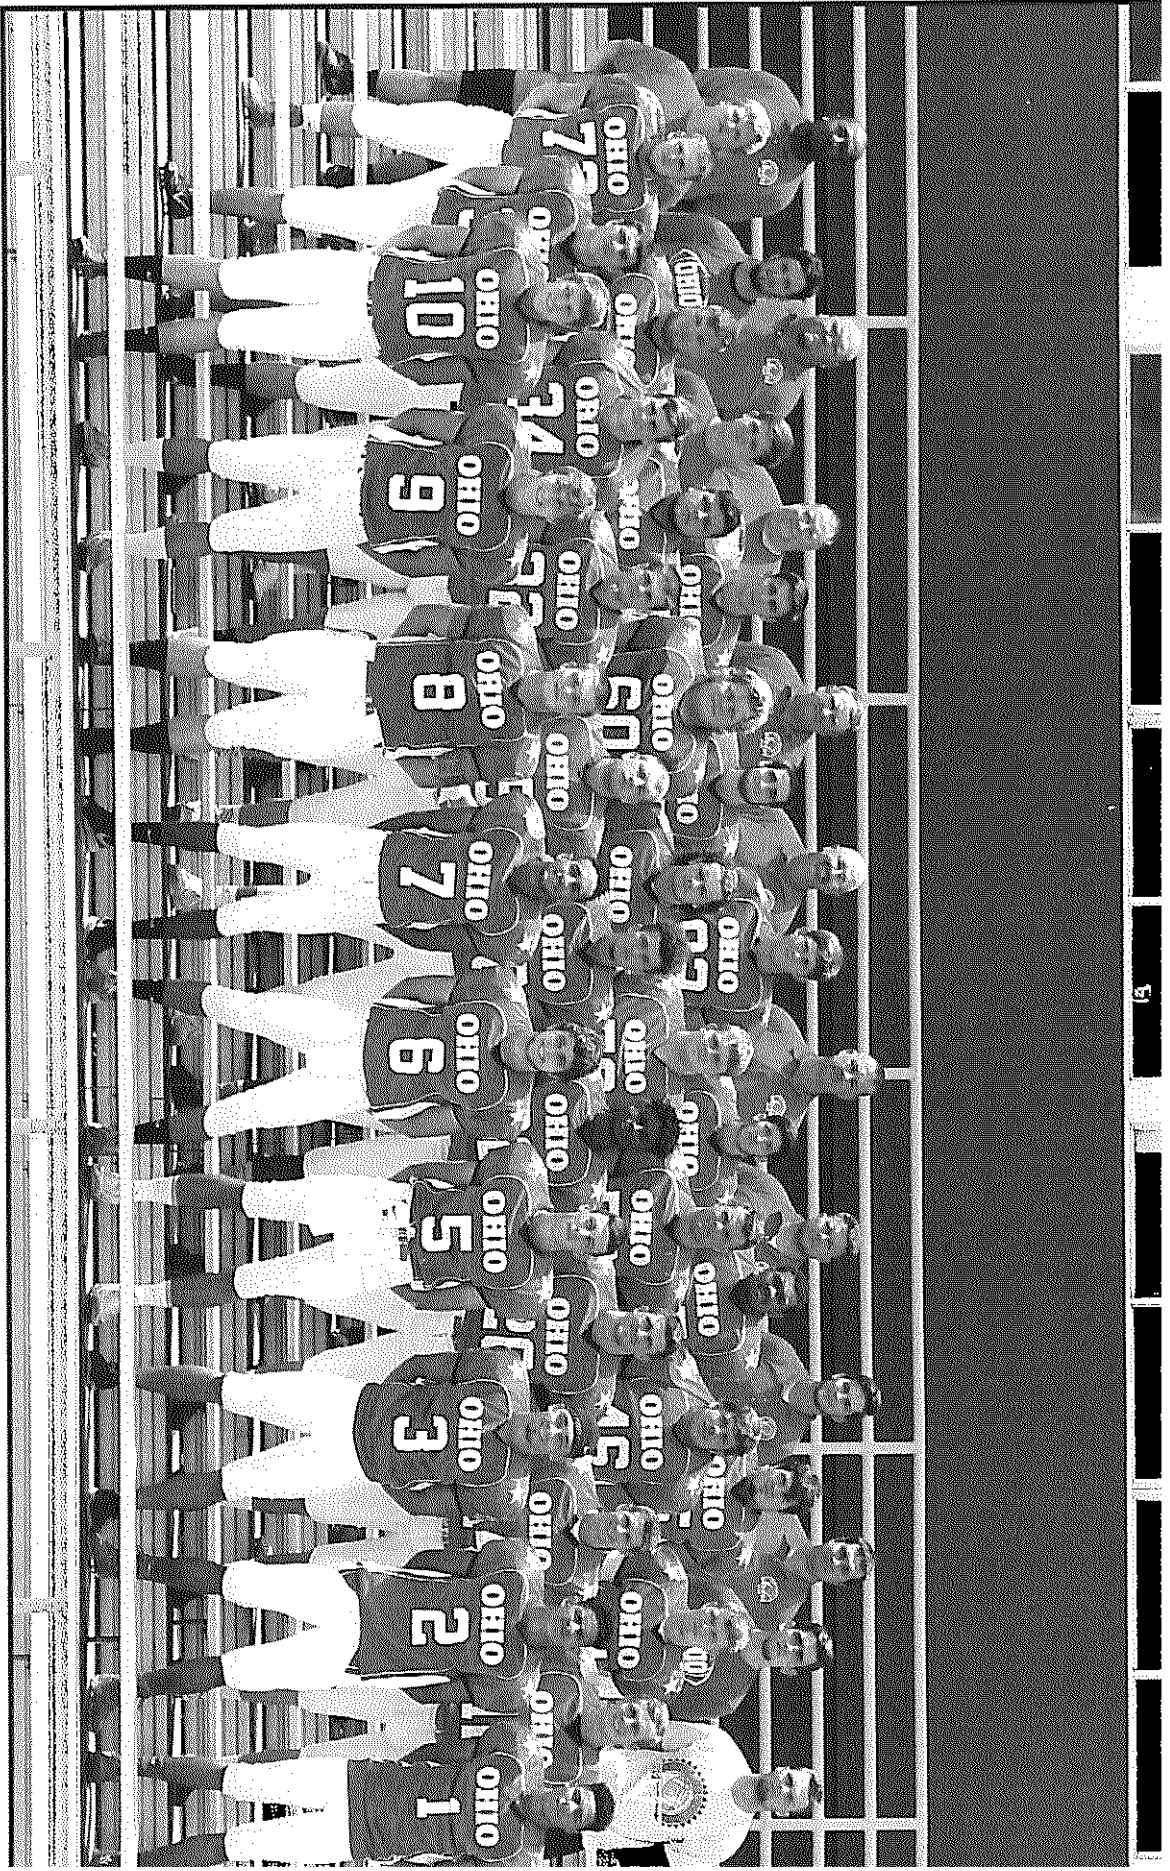

JAKE THARP, Cambridge -- This former Bobcat has spent the last three years working under Gunn. Tharp owns a business from Ohio State University. Along with his football duties, Tharp also serves on the Bobcats' track staff. Jake and his wife, Alaina, have two sons -- Jase and Jordy.

TIM WILSON, Cambridge -- This former Shadyside Tiger is the most experienced coach on the Bobcats and Ohio squad. Wilson has been coaching football for 24 years, including seven as head coach at Shenandoah. He's been a member of the Bobcats' staff for four years. He also had a coaching stint at Shadyside. Wilson, who is an Ohio University graduate, was a member of the Ohio OVAC staff during the 2004 summer. Tim has a daughter, Camryn and son, Case. Now married to Alaina, he has two stepdaughters, Hannah and Maggie Woods.

Front L-R: Riley Hayhurst, Kevin Gunn, JR Fox, Kyle Winland.

Back L-R: Jake Tharp, Josh Lowery, Tim Wilson, Phil Doan, Tank Moore.

2016 WEST VIRGINIA ALL-STATE DC

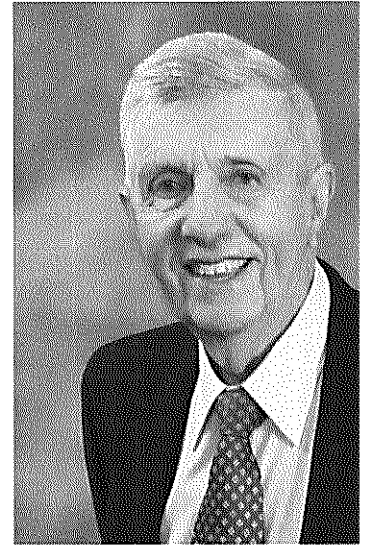

★ HONORARY OFFICIAL ★

Bill Wilhelm has officiated football in the OVAC for 47 years. "It has been a great and enjoyable experience that I hoped would never end." When he began officiating, Rip Engle was football coach at Penn State and when he stopped officiating, Bill O'Brien was football coach at Penn State. In other words, Bill outlasted a guy named Joe Paterno. Many of those years he was either the Rules Interpreter for the Board, or in charge of the Training Program. He has refereed the OVAC Rudy Mumley All-Star Football Game ten times, as well as the West Virginia North-South All-Star Game five times. He has refereed playoff games in West Virginia and Ohio for well over 30 years, including multiple State Championship games. Also, he was an observer for college football officials for 20 years and was a starter at college track meets for 30 years.

During his officiating career, he has refereed on every football field in the OVAC, and for every team in the OVAC. His fondest memories include being the referee for the last game ever played at Wheeling Island Stadium, and the first game ever played at the new field at the Linsly School. Perhaps his most exciting game was the 1988 West Virginia State Championship game when Bridgeport beat Winfield 29 - 28 in four overtimes, ending on a successful 3-point conversion pass off of a fake PAT placement kick. "Actually, the most enjoyable times for me were doing the younger kids games. It gives you a great sense of satisfaction knowing you're working with their development in the game."

Bill graduated from Wheeling High School and West Liberty State College. He later received a Masters Degree from Virginia University. He was a Math teacher for many years at Cameron High School, Washington Grade School, and High School, Linsly, St. Clairsville High School, Wheeling College, Ohio University and West Liberty State University. He coached basketball, football and track at Cameron High School, basketball at Wheeling High School and basketball at Wheeling College.

He lives in Wheeling with his wife Carole, a long time teacher in the Ohio County School System. He is still involved in sports activities and helping students with their endeavors in math.

OHIO VALLEY ATHLETIC CONFERENCE

game officials working this evening's annual OVAC Mumley OVAC All-Star Football Game were assigned by referee Football Commissioner Dave Clutter.

"The OVAC is proud to be able to pull officials from the boards that serve member schools," said Game Director Clutter. "The gentlemen selected for tonight's game bring a wealth of knowledge and experience to the playing field and are respected among their peers. We are able to select a true and fair officiating crew to the benefit of our athletes."

REFeree WARREN ELLIOTT has been officiating for seven years. He has been involved in many great games, and fondly recalls the 2007 NCAA Div. II semi-final play-off between Valdosta St. and California (Pa) that was televised on ESPN. He also enjoyed the 2001 State AAA Championship between Martinsburg and Parkersburg and the 1998 State A Championship between Valley and Moorefield.

Warren lives in Weirton with his sons Andrew, Aaron and Arick. He graduated from Jefferson Technical College in Steubenville and is now retired from the Weirton Police Department. He is now working as a Security Agent at the Federal Building in Wheeling. He enjoys jogging in his spare time.

REFeree GEORGE BRANDENBURG has been officiating for 11 years. He officiates many sports, including baseball, basketball and girls' softball. He has worked several WV play-games in football as well as sectional and regional games in other sports he officiates. He got started in officiating when he saw an ad in the newspaper. Since he liked sports, he decided to give it a try. Among his more memorable games is the hometown – University first round match-up in the play-offs several years ago. He also enjoyed working a regional basketball game between Parkersburg Catholic and Charleston Catholic, both in Parkersburg.

George lives in Weirton with Melissa. They are entertained by their four children and seven grandchildren. He is a graduate of Parkersburg High School and is currently employed at Harrisburg State. He also serves as a substitute bus driver. George enjoys running and has participated in the Debbie Green 5K, Parkersburg 5K and other regional races.

REFeree CHAD ZAMBORI has officiated for 13 years. Football is the only sport he officiates and has worked play-off games in Ohio and West Virginia. "This will be my first OVAC Rudy Mumley All-Star Game. I had a friend get into officiating a few years before me and he liked it, so I thought I would give it a try. There is no particular favorite game for me. I enjoy meeting other officials and coaches."

Chad lives in Colerain, Ohio with Natalie and their two sons, and Leo. He is a graduate of Bridgeport High School and is currently working as a Lieutenant – Paramedic at the Cumberland Trail Fire Department. He enjoys spending time with his family when he is not officiating.

• **LINE JUDGE DAVE FREY** has officiated for 25 years. He officiates no other sports, and considers it a career highlight. "It's a Friday night that he gets to work a high school football game was something I always wanted to do. I can't pick any one game but I worked this OVAC Rudy Mumley All-Star game in 2007 and thoroughly enjoyed it."

Dave lives in Wellsburg with Sharon and their three children: David, Jr., Michelle and Christopher. He graduated from Wellsburg High School and is self-employed. He enjoys hunting and fishing in his spare time.

• **FIELD JUDGE BILL SAMS** has been officiating for 17 years. "This is a real honor for me. I played in this game in 1993." He only officiates football and decided to try it after seeing an advertisement for an officiating class after he graduated from college. "The real history!" Bill notes. He has worked multiple WV football play-off games and BACF all-star games. "My goal is for one day to be in Wheeling to work a Super-Six game. I am truly grateful for the friends and relationships I have made over the years."

Bill graduated from St. Marys High School and West Virginia University. Now living in Parkersburg, he and Jessica have four children: Mason and twins Brody and Wyatt. He is employed at Matheson Gas. He likes to golf, enjoys 4-wheeling as well as camping and hunting.

• **SIDE JUDGE STEVE DALTON** has been officiating for 16 years. He also officiates basketball and softball and worked four state basketball tournaments and two state softball tournaments. He also works the chains for West Virginia University home football games. "Last year I worked the second round play-off game between Magnolia and Williamstown. It was cold and rainy but Magnolia won 14-13 in a thriller I will long remember." His father, Glenn was a long time official. "He got me started and has been a great mentor. He instilled in me the idea that officiating is a privilege, not a right."

Steve lives in Morgantown, where he graduated from Morgantown High in 1997 and Fairmont State University in 2003. He is currently employed as a Physical Education teacher at Preston County High School.

• **BACK JUDGE VINCE LEVI** has been officiating for 7 years. He worked his first West Virginia Play-off game last year at Ironton and is now working his first OVAC Rudy Mumley All-Star Football Game. "The first varsity game I officiated was on the last play" notes Levi. "I got started officiating because my father worked basketball for years and got me into football officiating."

Vince lives in Martins Ferry and graduated from high school there. He attended Ohio University and is currently employed at Vulcraft. He enjoys all sports and likes to hunt in his spare time.

OVAC FOOTBALL OFFICIATING ACADEMY GRADUATION ANNOUNCEMENT

The OVAC is proud to recognize and congratulate the graduates of the 2016 OVAC Football Officiating Academy.

Recognizing the shortage of officials, the Conference has undertaken grassroots outreach to identify and train young people who can become football officials at all levels of the game. The weekly Academy sessions consisted of a classroom setting studying rules and mechanics, plus on-field clinics and instruction.

Over the past 10 weeks, with outstanding support and cooperation from Martins Ferry High School, this group has successfully completed initial requirements for first year football officials established by the Ohio High School Athletic Association and West Virginia Secondary Schools Activities Commission.

The 2016 OVAC Football Officiating Academy graduating class includes:

Dirk DeCoy
Paul Garzich
Devin Overholt
Dave Owens
Andrew Yahn

The class was led by Larry McCloy, Certified Instructor, assisted by Butch Minkemeyer, OVAC Director of Development for Football, Loeffler, and Don Zinni, OVAC Assistant Football Commissioner. Facilitator for the Academy was Dave Clutter, OVAC Football Commissioner.

We take this opportunity to thank these graduates for their interest and dedication, wishing them good luck as they begin their officiating careers.

Chelsea Pandzik and Joey Flanner

Chelsea and Joey,

The both of you have always made River High School proud both on and off the field. We know the future holds great things for the both of you. Good Luck representing River High School and Team Ohio in the All-Star Game tonight "We Are... One Community, One School, One Team... We Are River.

From the Teachers and Staff of Powhatan Elementary School, River Elementary School, and River High School.

Chelsea Pandzik

Chelsea,

Good Luck cheering at the All-Star game while you represent River High School and team Ohio. We are so proud of you! Win or lose it doesn't matter because cheering is in your heart and soul.

We are so proud that you want to continue cheering in college.

Love Mom & Dad.

Success in football is no accident. It takes work, perseverance and sacrifice. It's about people who have the heart, drive and desire even when no one else is watching. It's having the knowledge that to succeed in anything, you have to give it everything. We are so PROUD of you Joey!

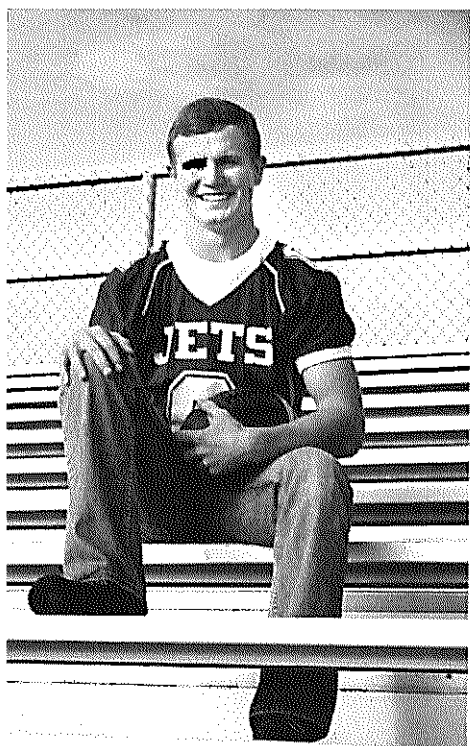

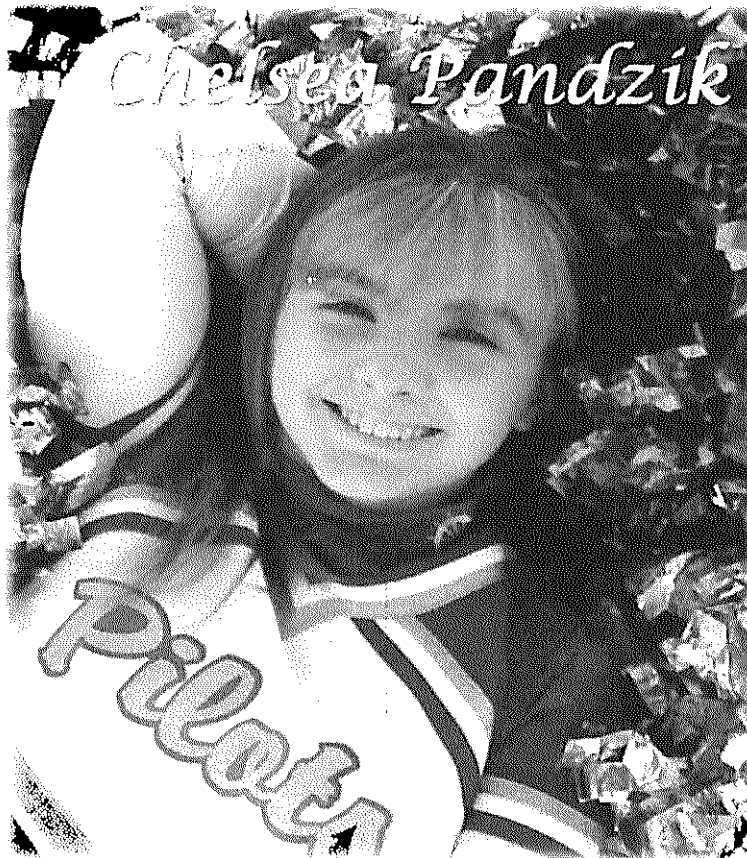

Love,
Mom, Dad, Lauren, Family & Friends

Chelsea,

You amaze us with your drive and dedication, you inspire us with your competitiveness and desire to succeed, and you honor us with your love. We are so proud of what a beautiful, talented and accomplished young woman you have become. Good Luck in the OVAC All-Star game, River High School and team Ohio will be represented well tonight! We are so proud of you!

*We love you,
Cody and Ashley*

FALL SPORTS ARE HERE!

WE'VE GOT YOUR BACK...

*And Your Knees, Shoulders
Elbows and More.*

The high school and college fall sports season is here. Standing by at Wheeling Hospital is our own team of Sports Medicine experts, ready to treat bumps, bruises, strains, sprains, concussions and orthopedic issues, as well as providing the best physical therapy care.

We have the largest and most experienced hospital-based team of Sports Medicine professionals – physical therapists, as well as physicians and orthopedic surgeons board-certified in sports medicine.

We hope everyone has a safe season. But when injuries occur, we're ready to help get athletes healthy and back in the game.

SPORTSMEDICINE
WHEELING HOSPITAL™

Helping bring progress and promise to communities since 1866.

150 years ago, we opened our first branch. There were no debit cards or mobile apps. Heck, there wasn't even electricity. All we had were our bankers, their pens and a promise. A promise that we'd help build the community. A promise to communicate honestly with our customers. And a promise to do the right thing. Keeping this promise has led to some extraordinary things over the last century and a half, but none greater than the privilege of helping transform the lives of people right in our own backyard.

Welcome. Our Story For Generations.SM
