There are many words to describe the life of Rudolph Mumley, but perhaps the most appropriate would be service.

For most of his 80-plus years, Mumley, known as "Rudy" to his legion of friends, worked on behalf of many causes. None were more important to him than the youth of the Ohio Valley.

It is befitting that the game which fans are witnessing this evening is named in his honor. If it hadn't been for Rudy's willingness to step forward, the Ohio-West Virginia All-Star Game would not have existed the last 28 years, and it now appears to be a fixture that will carry it well into the next millennium.

The game's history goes back to the early 1940s and, for many years after that, it was sponsored by booster club associations from Eastern Ohio and the West Virginia northern panhandle.

However, the game could not receive NCAA sanction and consequently was held during the spring to allow players who had received scholarships to NCAA schools an opportunity to participate.

When it became apparent that the booster club organizations could no longer sponsor the game, it ceased to exist. An idea was presented to Sam A. Mumley Sr. that the Ohio Valley Athletic Conference® could assume sponsorship of the game and apply for NCAA sanction.

One of the requirements toward receiving NCAA sanction was that only 60 percent of game proceeds could be spent to cover expenses and the other 40 percent had to be used for charitable purposes.

Once the game received sanction, the OVAC® had another problem. It was experiencing financial problems and did not have the resources to provide "seed" money that would be needed to purchase uniforms, pay for training camp and other start-up expenses such as insurance.

Sam Mumley, who was the executive secretary of the OVAC®, appealed to his uncle, Rudy, to provide the financial help. The story has become legend on how Rudy, a bachelor who lived with his beloved sister, Lillian, in the Warwood area of Wheeling, mortgaged their home to receive a loan. The rest, as the saying goes, is history.

There was more adversity to overcome for this inaugural OVAC® venture. The Ohio Valley experienced damaging floods during June of 1972. Wheeling Stadium sustained considerable damage and the facility would not be available for the early August game.

Sam Mumley called his longtime friend, the late Edmund Joseph, who was then athletic director at Martins Ferry High School and asked if the OVAC® could use Ferry Stadium. Once Joseph took the request to school officials and received permission, the game was finally on.

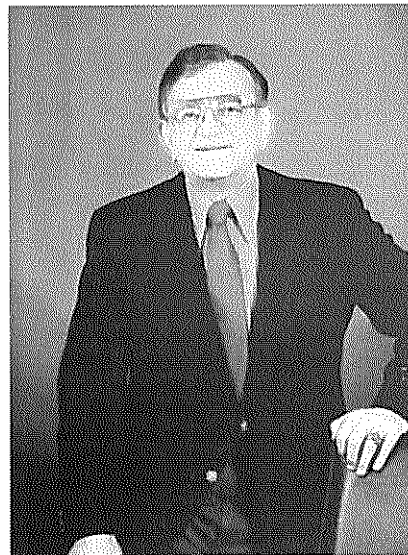

However, on the day of the game, the area was hit hard by a rainstorm. More adversity. By this time, you could not fault Rudy Mumley, who agreed to serve as game director, if he was feeling a bit jinxed. Several hours before kickoff was scheduled, the rain stopped and the sun came out. It turned into a beautiful evening, and the game went off like clockwork before a capacity audience.

The OVAC® was in business as far as renewal of the Ohio-West Virginia midsummer classic was concerned.

However, that's not the end of the story. Over the next two decades-plus that Rudy Mumley served as game director, he made numerous improvements to the game. He turned it from just an all-star game into an extravaganza.

He took the all-star gridders to camp at West Liberty State College, his alma mater, and a place where he had long-standing ties. Each year, Mumley added activities for the players to help them pass the time and provide some relief from the rigors of training camp.

He enlisted the help of the Osiris Shrine and this group gave the game a more meaningful

purpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred bandsmen. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always there to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

For more than three decades, Samuel A. Mumley served the youth of this area as executive secretary of the Ohio Valley Athletic Conference®.

Last February, "Sammy" was called home by his maker to receive his just reward for a lifetime spent in service to others.

Perhaps the greatest compliment one can pay Sam Mumley following his passing is to say that he made his world a much better place to live because he once walked among us.

Mumley devoted nearly five decades to working for the youth of our Ohio Valley. In addition to his time as executive secretary of the OVAC®, which is still believed to be the largest high school athletic conference of its kind in the United States, Mumley was an athletic trainer, coach, basketball official, teacher and a school administrator.

If that wasn't enough time to give, Mumley joined Eric Carder, an assistant principal and director of activities at Wheeling Park High School, in serving as co-director for the West Virginia Super Six state high school football championships, which they brought to Wheeling Island Stadium six years ago.

Additionally, the pair helped secure the West Virginia state soccer championships held last year at the brand new athletic facility at Wheeling Jesuit University.

Sam also played a major role in the wonderful mid-summer football spectacle you are attending tonight at Wheeling Island Stadium. Renamed several years ago to honor his uncle, who also passed away earlier this year, the Rudy Mumley Charity All-Star Football Classic was revived in 1972 under the sponsorship of the OVAC®.

In those days, the NCAA made things difficult for sponsors seeking sanction to hold various all-star contest. The local Ohio-West Virginia All-Star game had been dormant for many years after having been a fixture on the Ohio Valley gridiron scene since the early 1940s. Both Mumley's spent hundreds of hours putting together the formula for a program that the NCAA found acceptable. Today, the game is more vibrant and popular than ever among the area football fans, who nearly pack the Island Stadium each and every July to kick off a new gridiron campaign.

They also helped turn this event into more than just a football game. It has become a mid-summer spectacular complete with an All-Star Band, cheerleaders and the pageantry of a Queen of Queens contest.

It also helped raise hundreds of thousands of dollars for charitable organizations in the Ohio Valley over the past 26 years.

Much of these wonders have been achieved because Mumley refused to take "no" for an answer from anyone and because he dared to dream what many of us have considered to be impossible dreams.

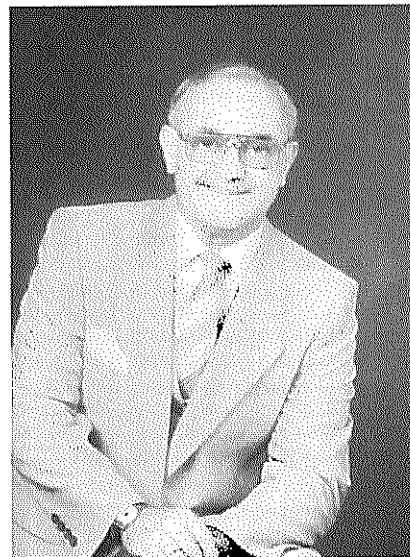

Who would have believed that the state high school football championships could ever be lured out of Charleston to the Northern Panhandle?

Sam did.

And Wheeling will host the state title games for the sixth straight year the first weekend of December.

Through his fund-raising efforts and the help of countless corporate sponsors and Super Six volunteers from up and down the Ohio Valley, the state football finals have been raised to a level that may never be matched in the Mountain State.

When Mumley came back to take over a second time as executive secretary of the OVAC®, the league was in dire financial straits.

SAMUEL A. MUMLEY
1931 -1999

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

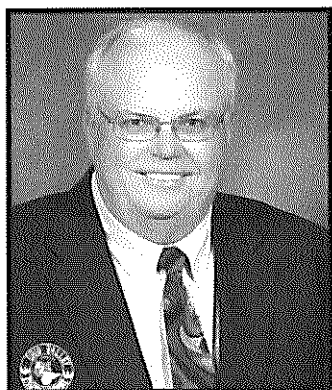

He will remain in our thoughts and prayers forever.

In the beginning...

“1940” The First All★Star Game

West Virginia's senior All-Star schoolboys today held a 13 to 17 victory as the aftermath of their first meeting with the eastern Ohio team in the maiden football contest played under the new lighting system at the Island Stadium.

The victory of the mountain state youths, who had trailed from the opening quarter until the last seven minutes of the ball game, 7-0, came as a mild surprise as two well-drilled and highly efficient combinations delighted an early season crowd of some 8,000 fans.

The Ohioans drew first blood in the spectacular contest. A Mallery-Shackleford pass, late in the first period, moved the Buckeyes from midfield to the West Virginia 25. Sadlowski, another Bellaire back, took a pass that planted the ball on the nine, from where Sadlowski scored in two plays.

The remainder of the half was devoid of a distinct threat on the part of either team although the Rowe-Howell coached combine had advanced to the Ohio 25 when the intermission arrived.

The mountaineer sturdy rush line battled the equally effective Ohio forwards on fairly even terms into the final period before Johnny August, a Shady-side youth, who shared the starting role for the Bucks, was hit hard on his own 30 and Joe Corba, a Follansbee back, seized the white leather for the eventual winners.

Charlie Helinski, Union product, became a ball of fire at this stage. He wheeled off tackle to the Ohio 19 and then lugged the leather to the five aided by a too many times out penalty. Helinski picked up a yard and Mike "Punchy" Dimitro punched his way into the payoff zone. Dimitro cracked the line for the extra point and the issue was deadlocked.

Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski niched successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the game. His Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro, recovering from a nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

“1967” All-Star Game - 50 Years Ago

West Virginia defeated Ohio both with the lights out and lights on Saturday night in the Valley All-Star football game at Wheeling Stadium.

Scoring once in the first half, when the lighting system at the Island park was on the blink, the Mountaineers added a pair of touchdowns after the electricity began working in the second half and presented the veteran Warwood coach, Jim Foti, with an 18-0 decision in his final appearance as a grid mentor.

Thus, the West Virginians broke an Ohio domination of the series that had extended back through 1964 and reduced the Buckeye margin in the interstate rivalry to four, at 14-10.

The electricians were unable to get the lighting system working until after intermission but the crowd of 7,500 which showed up on a pleasantly warm evening was surprisingly patient through a first half which saw the Mountaineers go ahead on a 12-yard sweep of left end by their starting quarterback, Gene Wertz, of Union, late in the second period. A 37-yard punt return by Wheeling's Bob Volga set up the tally.

The aroused Buckeyes came on like gangbusters at the outset of the third period and drove from their own 20 to the WV 8 before yielding the pigskin on downs. The Barnesville combination of little Johnny Merrill, at quarterback, and tall Dallas Adkins, at end, clicked on a 39-yard pass play and Bellaire's Rich Gianangeli reeled off a 17-yard run during the foray.

Follansbee's Terry Kidder, who did a tremendous job of punting throughout the game, extricated WV from the hole with a 53-yard boot out of his own end zone.

In the opening seconds of the fourth quarter the Mountaineers

jumped their lead to 12-0 when Pet Giglio hit his former Follansbee High teammate, Tim Stefan, on a 54-yard pass play. Stefan was wide open at the Buckeye 25.

Ohio advanced to the WV 30 after the next kickoff but the alert Vogler thwarted the bid with an interception in his own end zone.

Late in the game another interception by Vogler, followed by his 28-yard return to the Buckeye 2, set up the final TD, which the Wheeling High grad made himself on a plunge with the 1:25 left in the fray.

Vogler was stopped short on the point try but his outstanding performance won him an award as the Most Valuable Player on the winning side. Gianangeli was picked as Ohio's MVP.

The Mountaineers produced their three touchdown margin although garnering only 62 yards by rushing during the contest. They added 90 yards in the air with three completions in seven tries and had but five first downs.

Ohio made 114 yards rushing and hit on six of 19 passes for 103 but suffered four interceptions. The Bucks had seven first downs. They were penalized 40 yards to WV's 20.

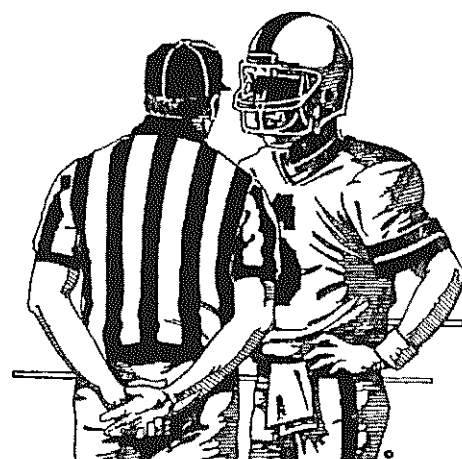

Ohio was presented with an early opportunity to move the ball in WV territory when Mike Hostasa, tackle from Shadyside, covered a Mountaineer fumble on the first scrimmage play at the WV 43. However, three plays later the Buckeyes returned the favor as Chuck Boniti, of Weirton Madonna, confiscated an Ohio bobble at the 36.

The Bucks forced a WV punt but Dave Grandstaff, defensive back from Magnolia, subsequently picked off a pass thrown by Barnesville's Johnny Merrill and returned from the Mountaineer 45 to the Ohio 42. Helped by

a holding penalty against the Bucks, the Blue and Gold penetrated to the 11 but yielded the oval on another bobble, this one covered by Bellaire's Larry Holloway at the 14.

Two long punts by Terry Kidder of Follansbee, put Ohio in the hole in the second period. One with the aid of a good roll traveled 56 yards from scrimmage and the second was good for 58 yards to push the Ohioan back to their seven.

The Bucks were forced into a punting situation but Rich Gianangeli's kick was nullified by offsetting penalties. Standing in his end zone in the darkness Gianangeli boomed the ball out to the 49 but Wheeling High's speedy Bob Vogler returned to the Ohio 12. On the next play Wertz circled left end on a keeper for the score, which came with 2:21 left in the half. Kidder attempted a drop kick for the extra point but it was wide.

“2007” All-Star Game - 10 Years Ago

While it had to be one of the lowest scoring games in its 62nd year history of the Rudy Mumley OVAC All-Star Football Classic, the 2007 contest also had to have been one of the most exciting endings.

The Sunday night encounter at Wheeling Island Stadium pitting the favored Ohio team against all-stars from West Virginia ended up with only nine points being scored.

Through 46 minutes and 58 seconds of play the only scoring in the game had been a second period 36 yard field goal by Matt Deel from John Marshall, and it looked like West Virginia was about to chalk up a win, as the Ohio team was on its own eight yard line with no time outs left and the clock showing 1:02 remaining.

If Ohio was going to win, or tie the game, it was going to take a few big plays to either get a touchdown or within field goal range.

Well as it turned out Ohio decided on the first play to go for “the bomb” instead of a few short aerials.

Thus the only touchdown of the game turned out to be a 92 yarder from All-Ohioan quarterback Nick Rocchio of Bellaire to Steubenville speedster Maurice Bougard, the latter just so happened to have been Ohio’s

Division II top 100 and 200 meter his senior year, not only that for the past two years he had been a member of the Big Red’s state champions.

Rocchio and Bougard said after the game that the game winning TD was to be a pass thrown to a spot with Bougard running underneath the ball, and then sprinting into the end zone.

While everything worked with Bougard adding another touch, that being leaping head first into the end zone.

One thing that didn’t work for Ohio, that being a missed extra point, which had West Virginia made a field goal on its last possession it could have tied the game.

The Ohio defense took care of that with a third down pass interception.

The game had another statistic which doesn’t happen very often, that being West Virginia’s offense had Zero yards rushing. That being on 21 carries. WV actually did gain 37 yards rushing but lost that same amount.

While West Virginia did gain 126 yards passing, 13 completions on 21 attempts by Cy Mazingo, Ohio was racking up more yardage both passing and rushing than the Mountaineers. Passing yards for Ohio being 273 while rushing totalled 159.

Stephen Ford of Cambridge was the game’s top running back with 84 yards on 24 carries, while Bougard had 51 yards on seven carries

The top receivers for Ohio were Bougard seven for 120 yards and Jayson Keyser of Bellaire five for 73 yards.

First downs were 27-9 in favor of Ohio.

Total offense was Ohio 432, West Virginia 126. Penalties were six for 62 by Ohio, an two for 18 for West Virginia. Both teams lost their own fumbles.

First downs favored Ohio 27-9.

St. Clairsville’s Brett McLean was the winning coach, while Mark Batton of Magnolia coached West Virginia.

Score by Quarters:

OH	0	0	0	6--6
WV	0	3	0	0--3

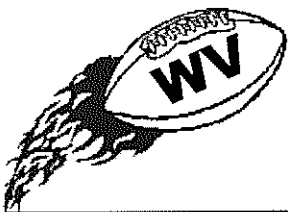

WV -- Deel, 36 yard field goal.

OH -- Bougard 92 yard pass from Rocchio (Kicked failed).

OVAC[®] DOCTORS

Shawn Rine Sports Editor
Wheeling News-Register

Dr. Robert Jones is a native of Scribner, Nebraska where he attended West Point High School as a multi-sport athlete in football, basketball, track and baseball. After an outstanding high school football career, he received a scholarship to the University of Nebraska where he played for the great college coach, Bob Devaney.

After college, he was selected by the Washington Redskins to start his professional career. He spent a year with the team on the taxi-squad. From the Redskins, Jones went to the Wheeling Ironmen where he played from 1964 to 1967.

While playing and teaching in the Ohio Valley, he started medical school at West Virginia University. He graduated from medical school in 1972, graduating third in his class. After surgical residency and internships from 1972 to 1979, he came to Wheeling and started his practice where he continues to treat patients to this day. Jones is one of the prominent surgeons in the Ohio Valley and is licensed in Ohio and West Virginia.

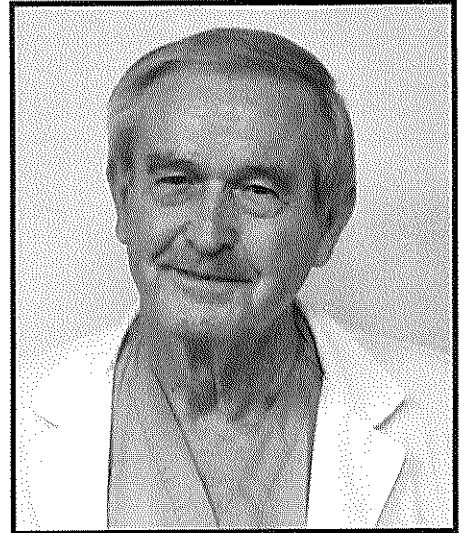

He and his wife Rita live in Wheeling and have six children.

Dr. Jones has been involved with the game since 1984. Dr. Luis Vasquez was the Ohio team doctor invited him to become the West

Virginia team doctor. He has as a simple self-diagnosis to explain his affliction for football. "The game is in my blood and I know of no antibiotic, pill or shot that can get it out of my system. I got involved because of the game of football. The appeal is the game itself ... it doesn't matter what aspect it is."

Many of the games he has seen and worked were good. But one – the 1987 Classic – stands out as great because of the luminous stars that who played in the contest. Ohio – featuring St. Clairsville's duo of Shawn Vincent and John Spencer - defeated the Alex Shook led West Virginia team 13-11 in the All-Star game played at Steubenville because of the renovations to Wheeling Island Stadium.

Of course, the main purpose of football and other sports is to teach the participants qualities they can take with themselves throughout their lives. Football was no different for Jones. He says he learned self-discipline – a necessary component in any surgeon's mental make-up – by playing football all his life. "The discipline of football pushed me to be into the medical field and to be a surgeon," Jones said.

There's a lot more to playing an all-star football game than X's and O's. For proof, just ask Todd Fullerton, who will coordinate all the medical services for tonight's Rudy Mumley OVAC® All-Star Charity Football Classic.

"Basically, my job is to make sure all the i's are dotted and the t's are crossed," Fullerton said, laughing.

Among Fullerton's i's and t's are:

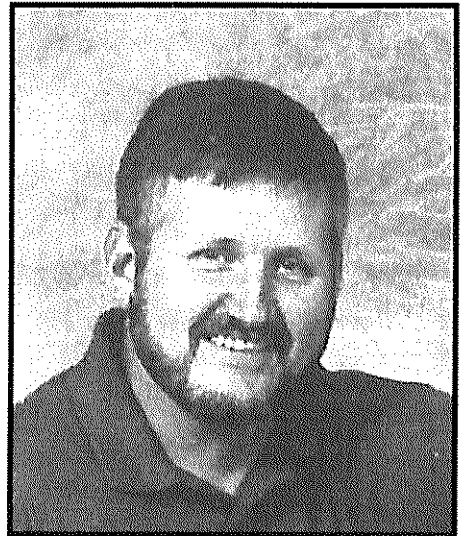

- Making sure enough trainers, doctors and emergency technicians are present, in case of injury.
- Ensuring that the teams have plenty of supplies, from medical tape to ice packs.
- Telling coaches if players injured during the game are healthy enough to return to action.
- Deciding whether or not to play, delay or cancel a game because of weather conditions.

From a medical standpoint, the key to keeping a game running smoothly is communication, Fullerton said. "Basically, we try to work with each other and communicate with the coaches," Fullerton said. "There's a lot of communication between everyone involved."

Fullerton holds a Bachelors Degree in physical education from The Ohio State University and a Masters Degree in exercise physiology from the University of Arizona.

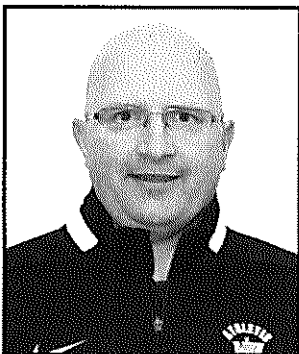

But, Fullerton said, "There's nothing quite as special as the OVAC®." That's why he returned to the Ohio Valley in 1984. He currently works as a registered nurse at MedExpress in Elm Grove. "People like (Van Horne, Simpson and the late Sam Mumley) were very instrumental and influential in high school sports," Fullerton said. "There's great camaraderie, great fellowship... sometimes the kids don't realize what they have until they are out of it."

Fullerton lives in Triadelphia and is the proud father of two adult children - Jaclyn who will graduate from WVU this August and Jake, who will be entering his junior year at WVU.

TRAINERS

HERB MINCH

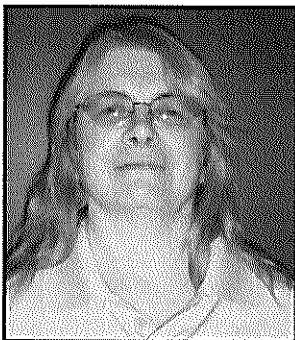

By SETH STASKEY
Times Leader Sports Editor

Through the course of tonight's game and the week leading up to the game, there will be bumps and bruises suffered by the players on both teams. One of the people who will play a major role in the healing process is Herb Minch who serves as a trainer tonight and is also employed as the Head Athletic Trainer at West Liberty State College. Minch has been involved with the OVAC® All-Star Game since 1987 two years after his graduation from Wheeling Park High School. Minch was studying health and physical education at West Liberty when he was approached to be a trainer for the game and eventually went on to earn his masters of science in physical education and athletic training in 1990 from West Virginia University.

Herb got started into training during his years at Park under Tim McCormick and he just took it from there. "I got a little taste of training at Park, and I've always loved doing it," Minch said. "I am just glad to be able to help out the athletes."

Minch didn't expect to be involved with the OVAC® Game as often as he has been when he was first approached. "I thought it was going to be based on who's coaching the game," Minch said. "I had a couple of years where I didn't do it, but then in the early 90's I got involved again and have been doing it ever since." Don't expect him to be getting out anytime soon. "I think it's obviously a great tradition," Minch relayed. "It's quite an honor to be a part of it and as long as they want me involved, I will continue to do it. It's been a great experience."

Herb is married to the former Ashlea Bland. He's got a daughter Kailey (3).

MELANIE CHEEK

Melanie Cheek is a certified athletic trainer with a MS Degree from Bloomsburg University.

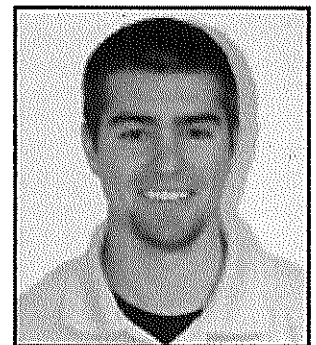

Currently working part time as a trainer at West Liberty University

She will be serving as the Trainer for the Ohio squad in this year's All-Star game.

Jason Coleman is a trainer at West Liberty University. He is a Wheeling native and graduated from Wheeling Central Catholic High School in June of 2005.

He attended West Virginia University and earned a Bachelor of Science degree in Physical Education and Athletic Training. During his time as an athletic training student at WVU, he gained a wealth of knowledge in both the classroom and the clinic in a variety of sports assignments. They included assisting with in-season spring football, women's soccer, swimming and diving, rowing and spending his senior year working with the 2009-10 men's basketball team which captured its first Big East Championship in school history and won the East Regional in the NCAA Basketball Tournament enroute to a Final Four appearance. In addition, he has worked lacrosse and field hockey camps at the University of Virginia.

He also currently volunteers at the Healthworks Rehab and Fitness Center in Morgantown. He received his certification as Athletic Trainer in July 2010.

MARTINS FERRY -- John Durdines isn't sure what his coaching future holds.

The long-time Bishop Donahue head coach has explored a few things, but isn't ready to formally commit to anything ... just yet, anyway.

However, one game he knows he has upcoming for certain is the OVAC Rudy Mumley OVAC All-Star Game in which he will guide West Virginia against Ohio during the July 22nd contest, which is slated for the Dave Brunev Football Complex in Martins Ferry.

With one more guaranteed game, Durdines is also excited to share the time with his assistant coaches, many of whom have been working with him for several years.

"It's great to share it with these coaches," Durdines said. "This is an important game to the people of the Ohio Valley and it's especially important to us this year since it's the last time we'll be working together. We're going to cherish every moment and hopefully we can pull out a victory."

Here's a capsule look at the West Virginia coaches:

JOHN DURDINES, Bishop Donahue -- This veteran coach spent the last 15 seasons as the head coach for the Bishops and was on the coaching staff for two years prior. Durdines guided the Bishops to three OVAC Class 1A championships. He was named the Mason-Dixon Conference coach of the year five times and twice received the Big 22 Class A Coach of the Year. He was also named the Intelligencer/News Register Coach of the Year after the 2014 season. All told, he finished his career with a 90-68 record. Along with football, Durdines spent two years coaching baseball and six seasons coaching wrestling. John and his wife, Michelle have two daughters, Anastasia Klemm and Ashley Durdines.

L.A. HAMPTON, Bishop Donahue -- This former Bishops' standout has been coaching football for four seasons, including the 2016 campaign with the Bishops. Prior to joining Durdines, he was on the staff at Linsly. Hampton, who is a B.D. and West Liberty graduate, also has coaching experience in basketball and track.

CURT MELE, Bishop Donahue -- This long-time Bishop worked with the Donahue football program for each of the last five years. All told, he has 10 years of experience at his alma mater. Along with serving on the football staff, Mele also served as the Bishops' softball coach and was an assistant boys basketball coach. A graduate of Wheeling Jesuit and West Virginia Northern, Mele and his wife, Dana, have three daughters, Ashley, Alexis and Abbey.

ZACHARY KLEMM, Bishop Donahue -- This former Linsly School standout spent two years working with Durdines and the Bishops. Klemm, who graduated from Linsly in 2010 and West Liberty in 2014, has four years of total experience in football coaching. He also has coaching experience in wrestling. Zach, who is married to Coach Durdines' daughter, Anastasia, played football, golf, hockey and swimming.

HOWARD STAMP, Bishop Donahue -- This veteran assistant coach has been on the Bishops' coaching staff since Durdines took over the reins of the program. Stamp was part of all three OVAC championship and four Mason-Dixon title winning coaching staffs. A graduate of Austintown Fitch High School and West Liberty, Stamp played football and baseball. Howard and his wife, Pam, have four children, Tim, Todd, Katie and Emily.

MICHAEL ANGALICH, Bishop Donahue -- A former Bishops' athletic standout, Angalich has been in the coaching ranks for the past five years at his alma mater. Angalich graduated from Donahue in 2008 after an all-state, all-OVAC and all-Valley senior season. He's served on the coaching staff that's won two OVAC titles. After graduating from West Virginia Wesleyan, Angalich earned his graduate degree from Wheeling Jesuit in 2014. Michael and his wife, Mia, do not have any children.

JAMES SMITH, Bishop Donahue -- Another one of Durdines' loyal assistants spent 12 years working with the Bishops' program. Smith, who graduated from Wheeling Park in 1986, has never coached football anywhere other than the McMechan-based school. Smith, who has a son James, is engaged to Shirley Hevener.

ERIC JAMES, Cameron -- This long-time football coach worked for four years with the Bishops and has been a part of the Cameron Dragons' staff for the bulk of his 20 years of coaching. James also serves as the baseball coach at Cameron. He's also coached boys and girls basketball as well as wrestling for the Dragons. He's also coached junior high football at Sherrard. James, who played arena football, has coached in the West Virginia playoffs four times and owns more than 200 career baseball wins as well as eight sectional titles. The owner of a degree from West Virginia University and a masters from Northcentral University, James and his wife Kathy have three children, Jensen, Lander, Avery. James has also three stepchildren, Jordyn, Ryan and Morgan.

BOB KRAMER, Madonna -- This veteran mentor helped turn the Blue Dons' program around after it had reached the brink of extinction. Kramer, who owns 37 years of coaching experience, guided the Blue Dons to the 2009 state championship and a pair of runnerup finishes in 2004 and 2008. He was named OVAC Coach of the Year in 2010 and was also named the Dapper Dan Man of the Year. He was named Mason-Dixon Coach of the Year five times. Kramer, who is a graduate of Steubenville High School and Jefferson Community College, spent five years working as an assistant coach before taking over the head-coaching duties. Bob and his wife, Kathy, have two children, Bob Jr. and Linda. The couple also has two granddaughters, Taylor and Kaitlin.

Best of Luck to the Ohio 2017 OVAC® ALL★STAR COACHES Head Coach - Karl Justus

By SETH STASKEY
Times Leader Sports Editor

MARTINS FERRY – Putting together the rosters for the OVAC Rudy Mumley All-Star Charity Football Classic can be a tough ordeal.

Usually, that refers to the players. However, Ohio head coach Karl Justus had his challenges in putting together a coaching staff, too.

The former Conotton Valley head coach, who will work at Hocking College for the upcoming season, has representatives from four different high schools, including one from outside of the OVAC.

"It was challenging to put a staff together," Justus said. "East Liverpool is bringing several of its guys, which made it easier," Justus said. "I asked some guys and they told me, 'since you don't have any of our kids, I don't want to help you.' I don't think that's the right approach, but that's what happened."

Here's a capsule look at the Ohio coaching staff:

KARL JUSTUS, Conotton Valley – The now former Rockets coach guided the school for one season and they finished with a 3-7 record, which was more wins than it had posted in five years combined. Along with his year at Conotton, Justus has 34 years of football coaching experience. He was the head coach of Buckeye Local and took them to the playoffs in 1999. He's also spent 11 years coaching at the collegiate level, including stops at Division I schools Akron and Auburn. Justus, who is a 1978 graduate of Lancaster High School, owns a degree from Capital University and a master's from Akron. Karl and his wife, Colleen, have three children, KB (28), Libby (25) and David (21).

K.B JUSTUS, Lancaster – This Berne Union graduate has spent five years as a football coach, including the last three with Lancaster. During his stint, Justus has helped guide the Gales to multiple playoff appearances. Prior to joining that staff, he coached at Muskingum and Denison Universities. Justus owns both a bachelor's and master's degree from Muskingum. K.B. and his wife Allie have been married for just over a year.

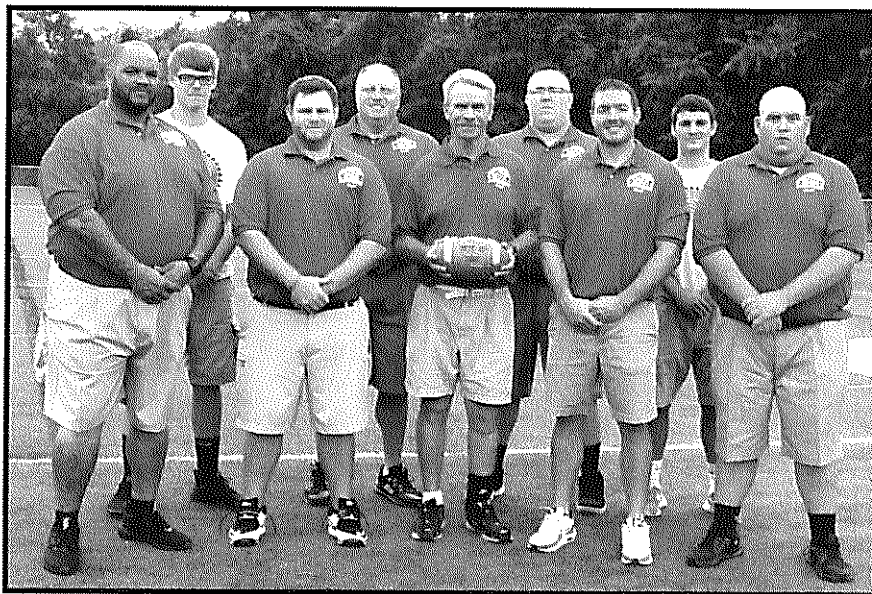

DOM VINCI, Bridgeport – This current Bulldogs assistant has five years of coaching experience. The Buckeye Local graduate coached at his alma mater prior to joining the Bulldogs staff for the 2015 season. Vinci also has coaching experience in wrestling, baseball and basketball. Vinci attends Ohio University Eastern.

CHRIS HEATON, Buckeye Local – This former Panthers assistant owns a resume with six years of coaching experience. Heaton, who graduated from Buckeye Local in 2005, owns a bachelor's degree from Muskingum University. He currently works on the Panthers basketball and baseball staffs.

JOSH LUDWIG, East Liverpool – The Potters head coach has been on the staff at his alma mater for seven seasons, including the last three as the head coach. All told, he has 10 years of coaching experience. Along with coaching football, Ludwig is also a former basketball coach in Midland, Pa. Prior to entering teaching and coaching, Ludwig was an all-Ohio performer for the Potters and then went on to an illustrious career at Mount Union where he was part of the 2002 national championship team. He finished his degree in 2005. Josh and his wife Mallory have two children, Teryn and Teagan.

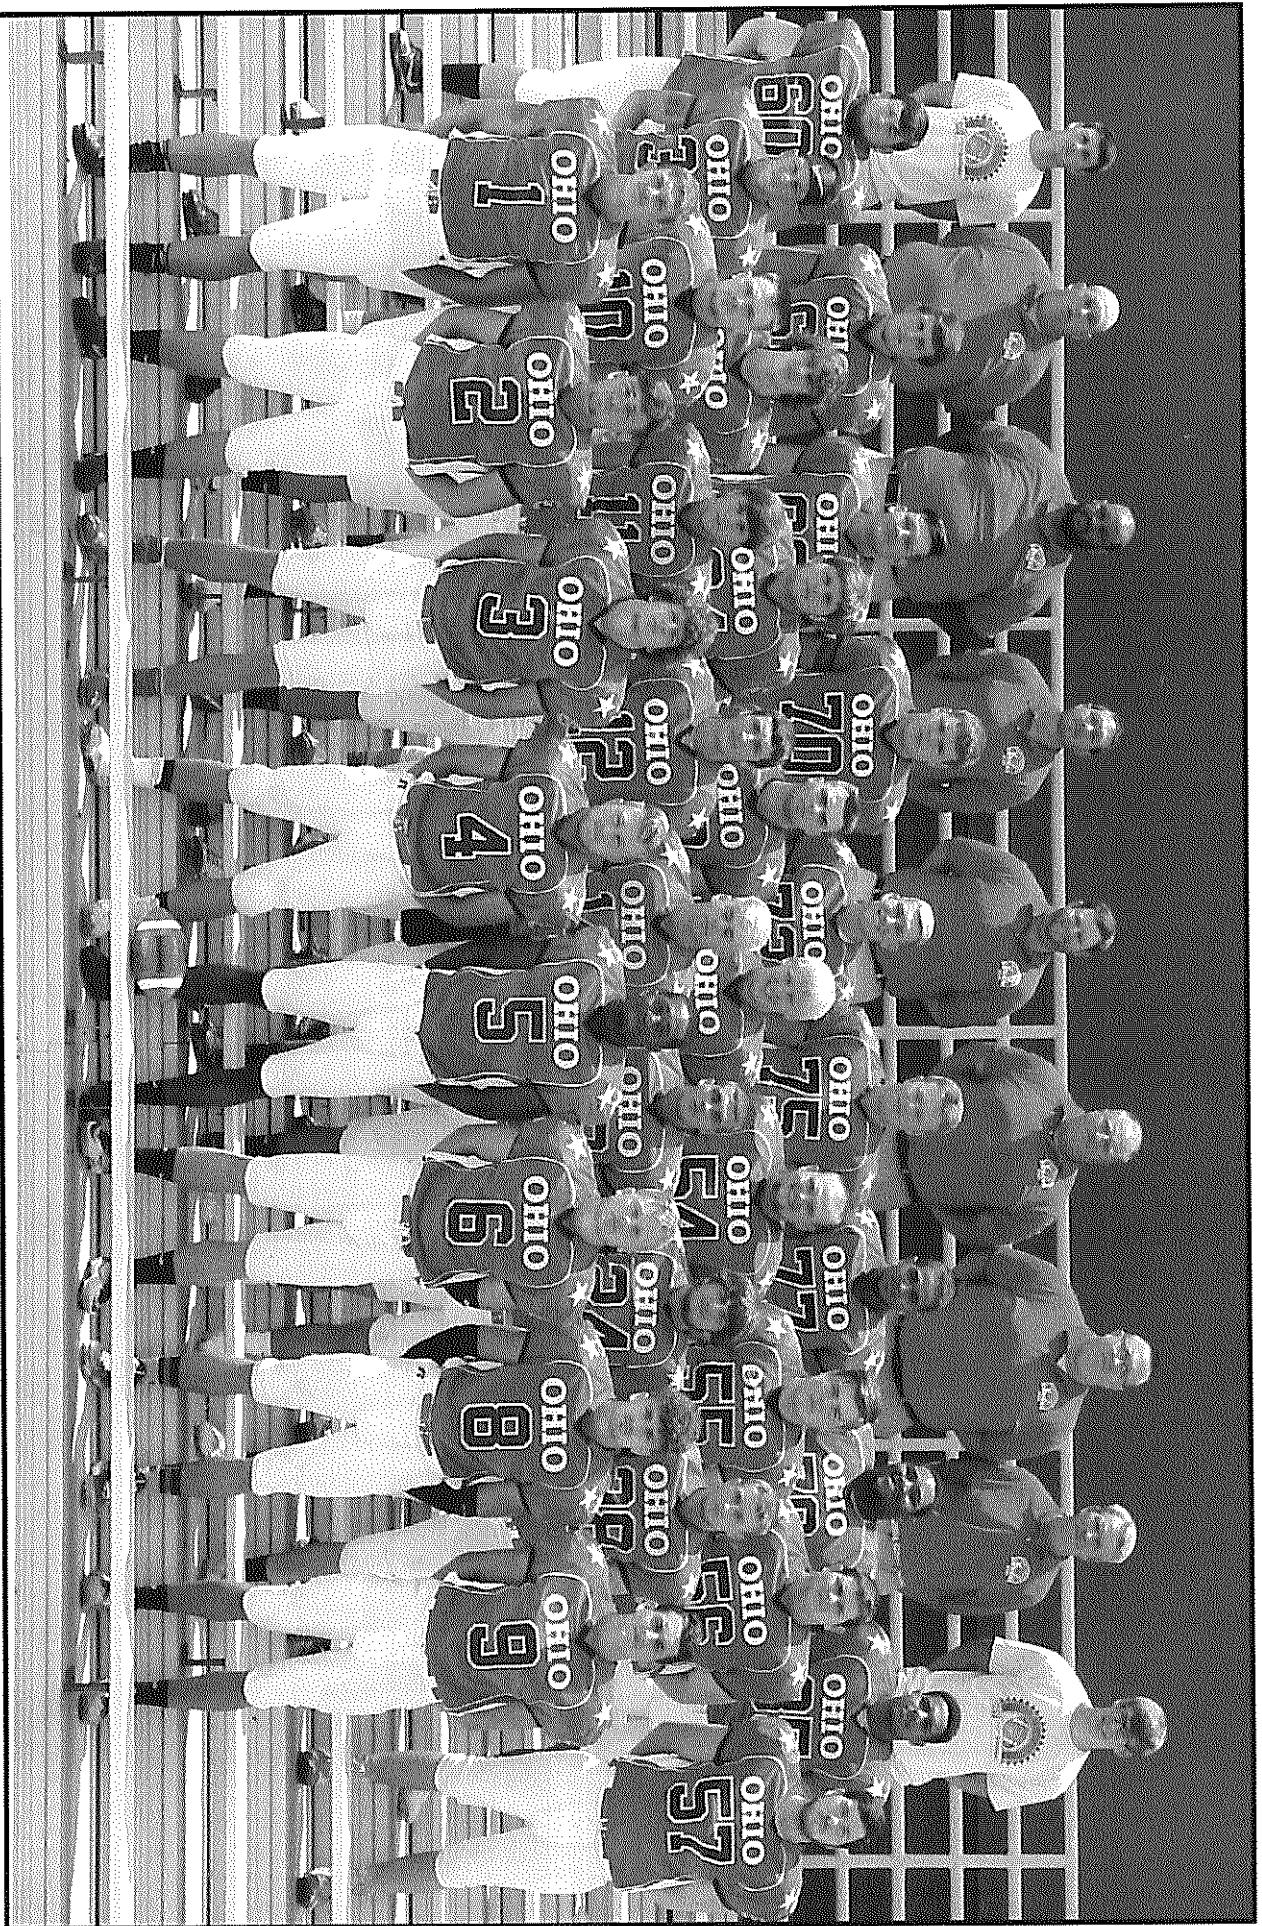

ALVIN THOMPSON, East Liverpool – This Potters assistant has 20 years of coaching experience, all of which have been spent in Columbiana County. Thompson has spent the last four seasons at East Liverpool. Prior to that, he has experience at Wellsville and Southern. He's also coached girls basketball in his career. The Wellsville High and Marietta College graduate shined in football, basketball and track during his prep days. Alvin and his wife Sabrina have two children Natalie Thompson and Amiyah Powell.

IAN WHITTINGTON, East Liverpool – This Potter assistant just two seasons ago guided the West Virginia squad to a victory over Ohio in the OVAC All-Star Game as the head coach at Oak Glen. Whittington has eight years of coaching experience. Along with serving as the Golden Bears head coach, he's also a member of the wrestling staff. Ian and his wife, Amber, have a daughter, Kayleigh.

The game officials working this evening's annual OVAC Rudy Mumley OVAC All-Star Football Game were assigned by Conference Football Commissioner Dave Clutter.

"The OVAC is proud to be able to pull officials from the several boards that serve member schools," said Game Director Bob Koch. "The gentlemen selected for tonight's game bring a wealth of knowledge and experience to the playing field and are highly respected among their peers. We are able to select a true All-Star officiating crew to the benefit of our athletes."

- **REFEREE DOUG COSTAIN** has been officiating football for the past eighteen years. He has worked numerous play-off games in both Ohio and West Virginia, and was an official in this game in 1991. He also has been officiating college basketball for twenty-nine years. "I started working basketball games and Tom Bechtel was my mentor. He introduced me to football and we now work together on the same crew."

One of his career highlights occurred in 1994 while a member of the College Basketball Association of officials. He was selected to work NBA games during the officials strike in that league. He has worked Division I college basketball for eight years.

Doug lives in Wheeling with his wife, Christy. They have raised four children: Christy, Alena, Chris and Ella. He is currently employed at Acadia Pharmaceuticals. He is a graduate of Wheeling Central High School and West Liberty University. His favorite hobby is coaching baseball.

- **UMPIRE MATT RUDDER** has been officiating for eighteen years. It is the only sport he officiates. "I wanted to stay involved with football after my playing years were over. Thanks to my many mentors, I fell in love with officiating." A career highlight was when he worked a Division 3 Semi-Final Game between Mount Union and Wisconsin-Whitewater which was televised on ESPN. "I will also long remember my first assigned West Virginia Semi-Final Play-off game between Wheeling Central and Weirton Madonna."

Matt lives in Clarksburg with his wife, Pam and four children: Olivia, Madison, Reagan and Rylee. He is a graduate of Doddridge County High School and Mountain State University. He is currently employed as the CEO of Genesis Youth Crisis Center, Inc. He enjoys spending time with his family, officiating football and golfing.

- **LINESMAN GEORGE KELCHAK** has been wearing the striped shirt for thirty-seven years. He has worked two state championship games in West Virginia and numerous play-off games in Ohio and West Virginia. He is a recipient of the prestigious Robert S. McKelvey award from the Dapper Dan organization. He officiated a game at the Kirk Herbstreit Classic at Ohio State Stadium between Cleveland Glenville and Camden County, Georgia. "I got started in officiating when I decided to take a class and see if I would like it. Well, 37 years later, I guess you could say I liked it."

George currently lives in Morgantown with his wife, Darlene. They have a daughter, Francesca. George is a graduate of Madonna High School in Weirton and Franciscan University. He is now retired and enjoys playing golf. A long-time ice hockey fan, he played in Pittsburgh and Wheeling and in international tournaments in the United States and Canada. He also spent time working in the Wheeling Thunderbirds office.

- **LINE JUDGE MIKE BROHARD** has been an official for eleven years. He has worked the DACF Game in the Parkersburg/Marietta area two times and has officiated four West Virginia play-off games including a AAA semi-final game. This will be his first OVAC Rudy Mumley All-Star Game. He also officiates girls softball. "When I got out of coaching I wanted to stay involved in the game, so I became an official."

Mike lives in Spencer and has two daughters, Makenna and Macy and a son, Easton. He is a graduate of Roane County High School and WVU-Parkersburg. He has a Masters Degree in Administration and is currently employed by Kanawha County Schools as an Instructional Guide for teachers in an administrative capacity. He likes to hunt and fish and enjoys golfing.

- **FIELD JUDGE ERNIE FITHYAN** has been officiating for twenty-four years. Football is the only sport he officiates and this will be his third OVAC Rudy Mumley All-Star Football Game. He has worked many play-off games in West Virginia and Ohio, and was named the West Virginia Ohio Board Official of the Year in 2013. "I owe many thanks to Jim Sperlazza, Sr. for getting me involved as an OVAC official. I have met many great people through-out my officiating career but I would have to put the late Bill Stewart, former WVU Head Football Coach at the top of the list."

Ernie lives in Wellsburg with his wife Teresa. They raised two sons, Russell now in Columbia, MD and Eric in Wellsburg. He is currently employed with the Brooke County Schools Transportation Department and at the Chambers and James Funeral Home as a funeral attendant. When he is not working at the funeral home with his son, Eric, he travels to Maryland to visit his son Russell and the three granddaughters: Lily, Grace and Maddie.

He is a graduate of Steubenville Central High School and enjoys attending athletic events in his spare time.

- **SIDE JUDGE ROB GREEN** has been an official for five years. "Being selected to officiate this game is quite an honor for me. I attended the NFL Officiating Academy and have greatly enjoyed all my experiences."

Rob lives in East Liverpool with his wife, Danielle. They have two children: Ava and Zavea. He is a graduate of East Liverpool High School, Ashland University and Edinboro University and is currently employed by the Social Security Administration as a Technical Expert. He enjoys fishing and spending time with his family.

- **BACK JUDGE JEFF LOEFFLER** has officiated for sixteen years. He has called two West Virginia play-off games and this will be his first OVAC Rudy Mumley All-Star Football Game. He also works games for the Mountain East Conference in Division III and he Presidential Athletic Conference in Division II as well as basketball games in the OVAC.

Jeff got into officiating because he wanted to stay close to the game. "I started out when I was a little guy as a manager when Coach Mike Young was at St. Clairsville. Football has been a part of my life ever since." He remembers two special games. "The first varsity game I officiated ended 6-0 in overtime. I also remember the football game that turned into a track meet between Wheeling Park and Parkersburg South when they combined for over 140 points!"

Jeff lives in St. Clairsville with his wife, Debbie and daughter Haley. He graduated from St. Clairsville High School and Hocking College. He is currently employed as the Assistant Chief of Police in Shadyside. He enjoys participating in various activities with his family.

Autumn Cecil

Your Value is Priceless

Your Potential is Limitless

YOU ARE A QUEEN!

We are so very Proud of you Autumn and the person that we have watched you grow into! You have a Heart of Gold and when dealt with adversity, you always seem to find the good and push through to become stronger! Not only are you our Daughter and your siblings' sister but you are also Our Friend! You love deeply and with all your heart and you are so caring, always putting what's best for others before you and making everyone around you happy first!

As we watch you participate in this exciting event, always remember that a Queen is not afraid to fail!

Failure is just another steppingstone to greatness. So, give it your all and make new friends and take with you something that you weren't afraid to try! Because YOU are a Queen, you are the kind of Queen that knows your crown isn't on your head but in your soul! And as you take the stage know that you have one very happy Mamie watching you from above as you sing! She would have been so excited to watch you on that stage and now she has one of the best seats and will be there to cheer you on!

The Mirror of Life

by Catherine Pulsifer, ©2012

Life is but a mirror, looking back at us.
Everything we do each day, should lead us to impress.

And sometimes when we need, to see life differently.
We have that mirror to help us, change our view gently.

The eyes of everyone, also reflect back.
Mirrors come in different ways, to show us what we lack.

But most importantly, don't forget to always look.
Be your best and life will look after the rest.

What we see and what we do are reflections of what is true.
Don't let your mirror reflect the things that you do not want to come true.

Instead each day set your goals, strive to complete, it is good for your soul.
Give life all you've got never look in the mirror and stop.

Good Luck, Sarah!
