Don't think about touching down

Don't think about missing a count

Don't think about letting your team down

Just don't think at all

You've done this routine a million times

When you set on that floor your body will know what to do

This is what you have been training for

So take a deep breath

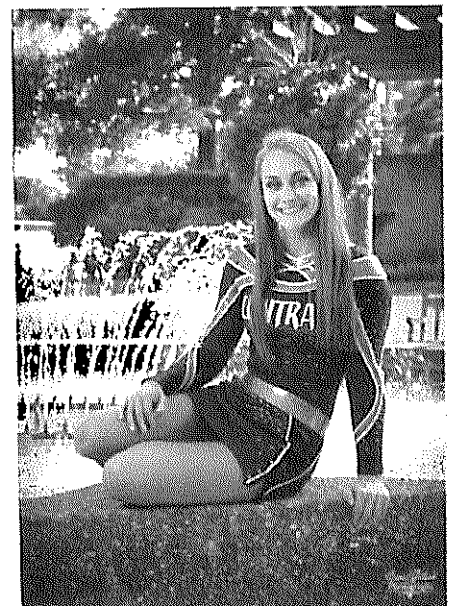

Let go and let God

You have been through a lot of changes in the last four years. I am so proud to be your mom. You have turned out to be a beautiful, talented, smart young woman.

Enjoy your last competition and your senior year. Finish your last DVACS the way you started. Remember where you came from and appreciate where you are going. Watch out WVU.

You are my greatest treasure and my best accomplishment.

*Love you,
Mom*
