Earl Haberfield Boys Basketball Coach Award

Longevity and success!

Mike Granato scripted a career in basketball coaching that had both. Today, the former Weir High and Bishop Donahue coach is being honored as the recipient of the Earl Haberfield Boys Basketball Coach Award. Granato, who graduated from both Weir and Bethany College, coached boys basketball from 1983 until his retirement from the prep ranks in 2020. In that span, Granato served as the head coach at Weir High from 1999-2020 and accumulated 241 career victories, which ranks second in school history only to the legendary Carl Hamill. During that time, he guided Weir High to three OVAC titles (2005, 06 and 2010) and six appearances in the West Virginia State Tournament (2001, 05, 06, 08, 09, 10). Following the 2010 season, Granato coached both the OVAC Star Game and the West Virginia North-South Classic. He also guided the Mountain State in the OVAC game following the 2003, 05, 06 and 09 campaigns. Prior to becoming the head coach at Weir, Granato served as an assistant for the Red Riders from 1995-99. That stint followed a lengthy career at Bishop Donahue. His first coaching job, at the high school level, came as the Donahue girls coach from 1983-86 when the sport was played in the winter. During that same time span, he worked in the winter as an assistant coach with the boys basketball squad. After giving up the girls' post, he remained as a boys assistant coach until returning to Weir. Currently, Mike is an assistant coach at Franciscan University of Steubenville. On top of his basketball duties, Granato also coached baseball at the high school level.

Mike is married to Amy Granato and he's the step father to Mikala and Patrick. Mike and Amy have two grandchildren — Mac and Brody.

Richard Saffield Girls Basketball Coach Award

Conotton Valley has a rich girls basketball tradition.

One of the key reasons for that was the work of long-time and highly successful coach Al Kennedy, who spent 13 years at the helm of the Lady Rockets.

In honor of that, Kennedy is being honored today with the Richard Saffield Girls Basketball Coach Award.

Kennedy amassed a record of 223-86 during his tenure with the Rockets. During his tenure, Kennedy was named Eastern District Coach of the Year six times and District V Coach of the Year a like number of times.

In addition, he guided two teams to the regional tournament and two others to the district tournament. He had 11 teams in the district tournament, won five league and/or conference titles, and won an OVAC crown.

Kennedy, who graduated from Wittenburg University and the University of Dayton with a degree in Administration, began his teaching career in 1961 at Dennison High School. He moved to Conotton Valley in 1963 and was there until matriculating to Carrollton in 1968. He then accepted a job at New Philadelphia in 1970 where he stayed until retiring in 1992. However, he came back to teaching in 1994 at Conotton Valley.

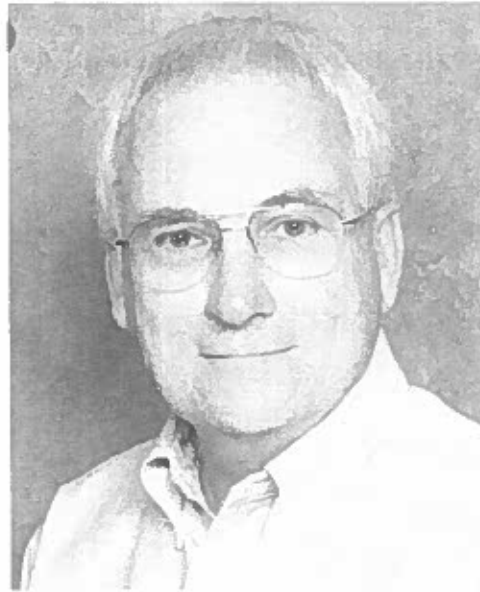

In addition to teaching, Kennedy was a principal for 11 years, an athletics director for five and assistant athletics director for two.

In addition to girls basketball coach, he also coached boys basketball for five years as well as for 10 seasons, football for four and track for two.

Bob Burton Service Award

The late Bob Battista was passionate about many things in life.

At the top of the list, however, stood family and basketball.

Taking the latter a bit farther, it was Ohio Valley basketball. All levels, too.

Battista coached basketball for an astounding 50 years, including 48 as a head coach at Sherrard Middle School in Marshall County. Moreover, he introduced the sport to his son, J.R., and never missed any of his games whether that be when he played or coached.

Along with those contributions, Battista helped area athletes improve their skills by working with the Wheeling Recreation Department basketball coaches, leagues and shootouts. He was also actively involved with the OVAC All-Star Game.

Because of that passion and dedication to the sport, Battista is being recognized with the annual Bob Burton Service Award during today's OVAC All-Star Game.

Battista, who passed away in December of 2020 at the age of 72, started his coaching career at his alma mater, Bishop Donahue, shortly after receiving his degree from West Liberty State College. Battista coached football and golf to go along with his two seasons as an assistant basketball coach. Following the second season, Battista landed the position at Sherrard.

Battista, who also served as the Athletics Director at Sherrard, stepped down following the 2020 season.

All told, Battista taught for 38 years at Sherrard.

Accepting the award will be Bob's widow, Anna Marie. The couple has two children — a son, John, and daughter Stacy Kolb. They also have three grandchildren — Jeana Battista, Cooper Kolb and Alaina Kolb.

Thomas E. Rataiczak Timer/Scorekeeper Award

stands, Roxie Siburt sat there keeping track of the scoring at one of her daughter's basketball games in the early 90s.

and no visions of grandeur. She simply wanted to know how many points each player

ever, she was spotted by then Martins Ferry girls basketball coach Jill Myers, who just needed to need someone to keep her book.

basically, the rest is history.

almost 30 years later, Siburt is still at the scoring table for the Purple Riders' boys squad today she's being recognized with the Thomas E. Rataiczak Timer/Scorekeeper Award.

She kept score for the Purple Riders' girls team from 1991 until her daughter's (Kim Collette) career ended in 1995. Then, when her son, Tony Collette, began playing, Siburt shifted to the boys' scoreboard.

She kept the eighth and ninth grade book from 1995-97 and then moved to the junior varsity ranks, starting in 1999.

With 30 years of experience, Siburt continues to keep the book for the Purple Rider boys. She admitted she "loves the job" because it keeps her busy and also because of the many people she's met during the journey.

Robert Dawson Official's Award

As it pertained to basketball officiating in the Ohio Valley Athletic Conference, Joe Hissom was an institution.

The 1975 Barnesville High School graduate was a registered OHSAA official for 39 years until his retirement, following the 2020-21 season.

Today, Hissom is being recognized for his many years of service and expertise with the Robert Dawson Officials Award.

During his career, Hissom worked games basically all over the Ohio Valley and Eastern District. He worked steadily in the Ohio Valley Athletic Conference, ECOL, MVL and IVC.

Hissom, who was a member of both the Ohio Valley and East Central Board of Basketball Officials, earned six OHSAA State Tournament assignments as well as an astounding 42 regional tournaments and 54 Eastern District Tournament Finals.

His work was also recognized locally by his selection to work 25 OVAC championship game and nine Buckeye 8 title games.

Hissom was once named the District 12 Official of the Year and earned the District V Official of the Year three times.

"Thanks Baker for all the memories and life lessons over the years. From the tough losses to the "hip hip hoorays" and you always saying "Everything's gonna be alright".. Which will forever play in my mind when anything goes wrong. To all the times we would go at it in practice because we were always the most competitive, but most the time you had to cheat to win..HAHAHA. You've built me into the player I am today!!"
