

# 76th Ohio Valley Athletic Conference® Annual Rudy Mumley All★Star Football Game

Welcome to the seventy-sixth edition of the OVAC Rudy Mumley All-star Football game. As I embark on my first game as director, I am truly excited to see our student athletes perform this evening. As a former athlete, athletic director, & High School principal in this conference I am honored to be the game director. This conference is second to none and offers so many opportunities to our student athletes. The OVAC is simply the best high school athletic conference in the country.

We hope everyone enjoys what our student athletes will do this evening. From our all-star football players showcasing their skills on the field, our musicians displaying their talents, our cheerleaders athletic ability, and our talented Queens, we have assembled the best the OVAC has to offer. It has been a pleasure for all involved with our week of camp at Wheeling University to work with these students. We appreciate the work of parents and home schools for their support of all those involved in our game.

The OVAC would like to thank everyone for attending this all-star football game. It takes the support and effort of so many to put on an event of this caliber for our students. Congratulations to all of our all-stars as they shine tonight for their schools and the OVAC Conference!

urpose as it would eventually gain the lion's share of the charity proceeds.

Through his good friend, the late George Strager, another mid-week event, "An Evening With the Stars," was initiated and handled with impeccable care by two other longtime friends, Mike Young and Pete Cuffaro.

From the time the OVAC® assumed sponsorship of the game, Mumley brought back the Stone & Thomas "Queen of Queens" Pageant which had been a part of the All-Star Game series when it was sponsored by the booster club associations. Stone & Thomas continued to sponsor the event over the next two decades-plus. In recent years, the queen's pageant has continued under the sponsorship of Kaufman's of Wheeling and WTOV-9.

In the meantime, Mumley enlisted the help of Glenn Didriksen and his family, which owned and operated several McDonald's Family Restaurants in the area, to form the McDonald's All-Star Band. This has become an increasingly popular feature of the game.

Mumley's innovative mind produced a game that would help kick off the Ohio Valley football season, a classic that would involve some 60 to 70 football players annually and several hundred fans. Add to that some 25 to 30 queen candidates and a myriad of volunteers who helped make the 10-day to two week experience a memorable part of their lives.

For a number of years, Rudy and his nephew Sam, along with other OVAC® officials and the dedicated men from the Osiris Shrine, would hold a pep rally at Russek Field on the campus of West Liberty State College. Several thousands of people attended these events and, of course, it was Rudy who usually stole the show.

From his days at old Wheeling High to those at West Liberty State College, Rudy was always here to help. Following a stint in the military service, he spent the next three decades or so as an educator, primarily in Eastern Ohio. He was principal at Buckeye South High when he retired.

His service to the Ohio Valley Athletic Conference® was ongoing for more than three decades, and he served as president on two different occasions.

Through his efforts and those of his many friends who joined with him to work on various facets of the all-star classic, more than \$600,000 has been provided to Ohio Valley charitable groups.

Several years before his death, which came in early February of 1999, Mumley relinquished directorship of the game to his longtime associate and close friend, Ron Mauck.

Nonetheless, Rudy still remained a familiar figure on the sidelines. His walk had slowed considerably although he had bounced back from a series of illnesses. But, the enthusiasm was as great as ever. He had seen the game reach new heights last year when it was televised live by WTOV-9 and the game still drew a near-capacity crowd.

It was a fitting tribute that OVAC® officials several years ago renamed the contest as the Rudy Mumley OVAC® Charity All-Star Game.

Rudy was to become one of the most recognizable sports figures the Ohio Valley had ever produced. He was honored as the Dapper Dan's "Man of the Year" in 1992, and earlier was inducted into the Athletic Hall of Fame at his beloved West Liberty State College, following in the footsteps of his late brother, Eli, Rudy was the first non-athlete or non-coach to earn this honor, and in recent years, he became a prominent benefactor to the school.

Educator, humanitarian and philanthropist. That's the legacy of a guy who wanted to be known simply as Rudy. And as long as this game can survive, fans of the Ohio Valley for the coming generations will be able to look skyward and say, "Thanks, Rudy!"

Through Mumley's efforts and the backing of other leaders in the community, an OVAC® Foundation Board was formed to serve as a fund-raising arm of the bi-state league. That board is still in existence today.

The sports programs at the various schools were improved immensely. All-star games are now held each year in football, boys' and girls' basketball, baseball, softball and boys' and girls' soccer. The OVAC® sponsors championship tournaments in wrestling, swimming, tennis, golf, volleyball, baseball, softball, boys' and girls' soccer, boys' and girls' cross country, boys' and girls' track, cheerleading, etc.

Girls sports have risen to equal importance because Sam had the foresight and the courage to support each and every program offered by the OVAC®. His efforts with girls' sports earned Mumley a seat on the equity panels for both the Ohio High School Athletic Association and the West Virginia Secondary School Athletic Commission.

The scholarship program also has been enhanced by Sam's ability to involve the corporate sector of the various communities within the extensive OVAC® map. At last May's OVAC® Banquet of Champions held at the Wheeling Civic Center, more than \$15,000 in scholarship money was awarded to deserving OVAC® student-athletes.

That money wasn't just found on the street corner; it was obtained largely through tireless efforts of the late executive secretary.

Sam put the OVAC®'s "kids" first in all his dreams and work for the conference. "What can we do for the 'kids'? How can we make things better for them?" Those were the first questions he posed whenever the OVAC® or Super Six would discuss changes in their programs.

He took great pains to involve everyone in conference business. He was constantly in touch with media members, keeping them updated on matters and seeking their opinions.

When important final decisions had to be made, Sam didn't mind being the one to make them. But he did so after many discussions among his constituents and his own private soul-searching. And, of course, his main concern was making sure that the decisions were in the best interest of the OVAC® student-athletes.

From a personal standpoint, if Sam became your friend, he was your friend for life. He was always there with a kind word, a bit of advice if it was asked for, and encouragement when any of his friends were in a difficult situation.

I once wrote in a column that Sam was no saint, but that he was sent to us by angels to perform good works and turn our impossible dreams into reality.

He dearly loved his wife, Nancy, who remained by his side through good times and rough times. No different from the rest of us, Nancy became part of the OVAC® family as well, taking care of the conference's financial books, a role she continues to handle today.

They were married just 11 years when Sam passed away. But, as Nancy once said, they crammed 40 years of happiness into that short time.

A long bout with cancer terminated Mumley's life at the too young age of 67. But, as this writer has stated before, you won't make me believe "Sammy" lost that fight with cancer. Nothing defeated Sam Mumley in his lifetime. God, whom Sam believed in with all his heart, simply decided it was time to call him home.

Sam Mumley was one of a kind.

He will remain in our thoughts and prayers forever.

# 1940" The First All★Star Game

West Virginia's senior All-Star olboys today held a 13 to 17 victory re aftermath of their first meeting the eastern Ohio team in the maiden ball contest played under the new ing system at the Island Stadium.

The victory of the mountain state hs, who had trailed from the open- quarter until the last seven minutes ie ball game, 7-0, came as a mild rise as two well-drilled and highly ient combinations delighted an early on crowd of some 8,000 fans.

The Ohioans drew first blood in spectacular contest. A Mallery- kleford pass, late in the first period, ed the Buckeyes from midfield to Vest Virginia 25. Sadlowski, another ire back, took a pass that planted all on the nine, from where Sad- ki scored in two plays.

The remainder of the half was de- of a distinct threat on the part of r team although the Rowe-Howell hed combine had advanced to the , 25 when the intermission arrived.

The mountaineer sturdy rush line ed the equally effective Ohio for- ls on fairly even terms into the final d before Johnny August, a Shady- youth, who shared the starting role he Bucks, was hit hard on his own nd Joe Corba, a Follansbee back, d the white leather for the eventual ers.

Charlie Helinski, Union product, me a ball of fire at this stage. He led off tackle to the Ohio 19 and lugged the leather to the five f by a too many times out penalty. rski picked up a yard and Mike chy" Dimitro punched his way into payoff zone. Dimitro cracked the for the extra point and the issue was locked.

## Passes Decide Battle

The West Virginia stands settled back after this furious display satisfied with a 7-7 standoff, but the mountaineers were fired with the idea of victory when one of Joe Mallery's passes was intercepted near the 50 shortly after the succeeding kickoff.

Helinski nighed successive passes to Phil Saseen and after the second toss to the Central Catholic back had planted the ball on the Ohioans nine. Helinski and Dimitro required three tries before the former had found the pay dirt and the West Virginia youths had a 13-7 lead.

The remaining time allowed for another kickoff and the West Virginians successfully negotiated an onside kick, recovering the ball as the fray ended.

Coaches Bill Kerns of WVU and Don C. Pedden of Ohio University were the honorary mentors and in addition to sitting on the benches of the contesting squads, both spoke over the P.A. system at halftime. Kerns was accompanied here by Frank Kutz, one of his line mentors, and Ray Carnelly, his plebe mentor. The trio departed today for Charleston and tonight's North-South Game, although Kerns had an opportunity to talk to some local prospects.

Bill Stobbs, the Wheeling native who tutors the Wittenberg athletic teams, was one of the spectators in the stands. Another was George Roark, coach of W & J's Presidents, and probably there were others.

Carl Hamill, Weirton's cagey tutor was in the dressing room to minister to a pair of his former Red Riders. Tony Brown aggravated an old should injury while Luke Tomasovich received a cracked rib.

The West Virginians showed big Sedor due respect while the prospective

Ohio State youth was in the game. His Shadyside backfield mate, August despite his costly fumble, was one of the big guns in the Bucks' effort and the Niemiec-Hartwig combinations thrusts left the West Virginia fans worried.

Lou Caffaro; recovering from a nasal operation, held the sticks for the West Virginians but felt the call of battle in his impassive role. Paul Bricker, Weirton end who handled the kicking for Howell and Rowe, and did an effective job although one of his boots slipped off the side of his foot and out of bounds.

When Beaver Local head coach Mike McKenzie was extended the honor to coach the Ohio squad in the annual OVAC Rudy Mumley All-Football Game, he first had to ensure his coaching staff was on board to come along, too.

It didn't take long for the Beavers' staff to agree.

"It will be a fun experience for us," McKenzie said. "We're a very close group. We hang out with each other from football and it's a fun group of people to be around. I feel fortunate to have that kind of staff."

The complete coaching staff includes: Shane O'Brien, Derrick Stickles, Nick Sesonsky, Josh Weese and Aaron West.

Here's a capsule look at the Ohio coaching staff:

**First Row:** S. O'Brien, D. Stickles, N. Sesonsky.  
**Second Row:** J. Weese, M. McKenzie, A. West.

**MIKE MCKENZIE** — This Beaver Local head coach has an impressive resume in a 28-year coaching career. McKenzie, who has been with the Beavers for five seasons, has been a head coach for 17 seasons with stops at Edison, Indian Valley and Swanton High Schools. He was an assistant at Weir, Clyde and Hopewell-Louden. Along with his football coaching duties, he's also spent time coaching track, softball, baseball and basketball. The 1989 Edison North graduate, who went on to Heidelberg, was honored by District 9 as a coach of the year and he was part of the state championship coaching staff at Clyde. Mike and his wife, Nicole, have two sons — Michael and Nicolas.
