**Building Rededication Service  
75<sup>th</sup> Anniversary**

**Minister:** For the people who organized this congregation in the pioneer days of this community and who guided its destinies through those early and difficult years,

**People:** We express our heartfelt thanks, O God.

**Minister:** For all those in the past who were responsible for planning and providing this house of worship, our present church building here,

**People:** We express our heartfelt thanks, O God.

**Minister:** For all those present here, and all other members of our church family who are away or have been taken by death, who have thought and planned and given of themselves for this our earthly home,

**People: We express our heartfelt thanks, O God.**

Minister: For many who have labored in raising funds and for all who have given with generosity and cheerfulness,

**People: We express our heartfelt thanks, O God.**

Minister: For those who have designed this structure, and for all by whose hands and skill and toil this building was completed,

**People: We express our heartfelt thanks, O God.**

Minister: So that the building erected here has provided a place of beauty for our children to learn more about Jesus and his life,

**People: We ask your blessing on it, dear Lord.**

Minister: So that it may give teachers of the children a more adequate place to work,

**People: We ask your blessing on it, dear Lord.**

Minister: So that it may be used for strengthening and building your kingdom here on earth in every way,

**People: We ask your blessing on it, dear Lord.**

Minister: And from these moments of gratitude and blessing we are led into moments of renewed dedication. To its use for the sacred purpose for which it is now set aside,

**People: We Rededicate this Building, our heavenly Father.**

Minister: All the labor and love that has been put into this building,

*Thank you, thank you for writing*
