Interesting: While there was no game in 1963, the 1964 program pictured Earlene Williams, St. Clairsville, as 1963 Queen. Since each state held a North/South Game, I would assume there should be a queen from West Virginia.

UPDATED: 07.23.26

OVAC QUEEN OF QUEENS

TRUST ME!

There are mistakes located on these pages. **There is no doubt.**

First, we're missing several programs, therefore no records.

Second, several times schools would only wish "Queen ????" good luck. And no last name.

Third, unlike today's programs, there were times when girls were omitted, didn't make deadlines, weren't pictured, etc.

Fourth, sheer oversight. When you look through over sixty-five programs and try to interpret them, you're bound to miss something.

So we can definitely use some help here.

If you can fill in any of the missing years or names, please contact the OVAC office by e-mailing **tom@theratsnest.org** or calling **740.391.2930.**

But at least it's a start!
