THE FISTLE BLOWS!
THE GAME IS ON—
WHO WILL WIN?

It is not always the heaviest team; not always the team with the most rooters—but, generally, the team that is best trained is the team that wins the game.

IN THE GAME OF LIFE

The trained man or woman wins. Parents who want their boy or girl to attend college ought to start a fund, in trust for that child, in our savings department.

Such "Go-to-College Funds" have helped dozens of our Bellaire youth through college.

Let's start your child's fund—NOW!

and Win!
