COACH GLENN

ASST. COACH POLINSKY

Coach Albert "Big Sleepy" Glenn played his college football at West Virginia University. Finishing there, he went to Charleston High School where he produced championship ball club for seven years. This is Coach Glenn's first year at Bellaire, but he has shown his ability as a coach in the performances of the Bellaire Squad this year.

Assistant Coach Steve Polinsky played high school ball at Canonsburg for four years. Following this he went to Muskingum where he played three years with the varsity. Graduating from Muskingum he came to Bellaire High as assistant coach. Here he is not only the assistant coach but also an able scout for the Bellaire squad. Much credit is due Mr. Polinsky for his part in production of such a team.

Coach Brinkman

Ass't. Coach Kraus

Coach Everett Brinkman, head mentor of the Gold and Blue squad, cannot boast a championship team this year but he can always be counted on to have a fighting team on the field, win or lose. In the four years he has been at Wheeling, he can well be proud of the record of his teams. This season's include seven wins, two losses, and one scoreless draw. A victory today and "Brinkie" will be the happiest man in Wheeling.

C. C. "Buck" Kraus, assistant coach since 1926, does a good job of preparing the reserves in the varsity. He and Coach Brinkman were teammates at West Virginia Wesleyan and graduated the same time.

Coach C. C. Phipps looks after the Frosh team and helps with the varsity. Coach Phipps has been a member of the coaching staff since 1923, coming here as head track coach after graduating from Grove City College and The University of Chicago.
