Wheeling, W. Va.

Coach Everett Brinkman, the man behind the mighty "Golden Wildcats," has set up, together with his team, a record that is truly an admirable one this season. The toughest teams have come, and the tougher they came the harder they fell. The only mar was not a defeat. Seven wins and one tie. Which, after today, may be the best record in the State or Valley. We truly hope that "Brinkie" will see this come true. Five years of Brinkman teams have graced Wheeling High's Gridiron. We hope there will be many more.

C. C. "Buck" Kraus, assistant coach since 1926, does a good job of preparing the reserves. These are the boys that count in time of injuries or accidents. Mr. Kraus and Mr. Brinkman were teammates at West Virginia Wesleyan and graduated at the same time.

C. C. Phipps is the man who seasons the freshman candidates for the varsity squad. He has been a creditable coach on the Wheeling High school staff since 1923. He is also head track coach.

Team

STEVE POLINSKY
Assistant Coach, Bellaire
Team

Head Coach Albert "Big Sleepy" Glenn starred as a H. B. for the W. V. U. eleven. After graduating there, he accepted a coaching position at Charleston High school, producing championship teams for seven consecutive seasons. Last year saw Coach Glenn's first Bellaire Hi team cop the Ohio Valley championship, winning nine games and losing but one. This year he is again aiming for the valley honors.

Assistant Coach Polinsky played for four years with Cannonsburg Hi. Three years of varsity ball with Mukingum followed. Upon graduating he came to Bellaire as assistant coach. He has proven himself a necessity to the success of the team with his coaching skill as well as a scout.
